BAIRD, CALLAHAN COUNTY, TEXAS, FRIDAY, NOVEMBER 8, 1967-1963

News of Baird PEOPLE & THINGS By E. M.

CLYDE'S HOMECOMING was huge success this year according to most everyone who lives in Baird. Guess it was fitting that Baird's Bears spoiled the day for Clyde exes and fans by winning a one point victory over the Clyde Bulldogs in the Clyde homecoming game Saturday night, since the Bulldogs spoiled Baird's homecoming last year by winning a one point victory over the Bears in Baird's homecoming game. The Bears are a hustling team. They went into the season with little playing experience and have hustled and fought for every point. They ave improved with every game, as they should have, and will be ready for the high riding Albany Lions who come to Bear's Den Friday night for the game which will likely decide the district

THE GAME SATURDAY night was cleanly played. Baird received one penalty for 15 yards and Clyde received one for five yards. There were a few short penalties which were refused. Even though the Bears and the Bulldogs are natural rivals, and feelings run a little high during the week of the contest, it is a compliment to both schools that the games are always played clean but hard. There were al- p.m. Monday. All in all, it was a fine evening.

MR. L. B. HOWARD, superintendent of Baird schools, was invited to a get-together at Lockett Friday night. Mr. Howard was coach at the Wilbarger County school in 1956 when the Lockett school won its first district championship in eleven-man football. All memports an enjoyable evening.

UNDERSTAND THAT Albany school officials called one day iast week for permission to bring over some portable bleachers Friday to seat their fans who will be coming over for the game with the Bears Friday night. ermission was granted, so the extra seats you will see Friday night belong to Albany, not Baird. Seems it is high time we Burial was in Cross Plains Cemall got to thinking about some improvements in the physical education facilities of our schools. The football stadium is inadequate to the point that vis- BIRTH OF DAUGHTER itors have to bring along their own bleachers, and the gymnasium presents even less for Baird people to be proud of. More and more stress is being placed on physical education by the Texas Education Agency, so we can look forward in the future to a demand from them that we bring our facilities up to higher standards. It might be wise for us to begin studying the situation now, so that we won't have to be forced into the thing later.

RAY BLACK OF Black's Food Store, said that his 16th birthday party was a success. He was referring, of course, to the 16th birthday of the store. tI was, in the Albany Lions meet at Bears fact, the biggest day he had enjoyed since the official opening sale some 16 years ago. A lot of people bought a lot of groceries and took part in the day's activities. He said "Thanks" to every one who helped to make the day a success.

BAIRD AND CLYDE schools each received \$536.93 from gate receipts of the Bear-Bulldog game in Clyde Saturday night. The figure was half the gate receipts less payment to officiels. In the game last year beween the two schools which homecoming, each team receiv- hampering our progress.

Bear Band News By Mary Jo Thompson

We have only two more half time shows to march in the football season of 63. This Friday night we play Albany. We hear they have a good band as well as their football team. Everyone is hoping and willing to put out a lot of effort to do their very best. The band has started pracas well as for the marching contest, which we go to on the 16th of November, Mr. Harper is very interested in the band doing as good as he knows they are capable of.

Last Saturday night we went to Clyde to play and march for them. We thought they put on a very good half time show. which had a let of balance to their playing. We also want to say that their uniforms looked real nice also.

Monday we had our pictures made for the annual as well as the calendars that we are putting out the first of the year.

Last Saturday all our band members went out to collect names for our calendars which each name cost 25c. If there is someone who would like to put your birthday, anniversary, club meeting, ballgames, parties, or any other activities on our calendar, which will be put on all of them, contact some band member this week. All of the money will go to help buy our needed uniforms. We want to thank the ones who have helped us thus far.

GODFREY JNERAL HOME

Union Usuals And Unusuals By Veda Yarbrough

Hi neighbor. Hows the weather over your way? We are having dry windy weather, been having a little fire early every morning for the past week. Weather man just now said it would be warmer and no rain in the next five days, hope they don't know.

Mark and Ollie Burnam and Burette and Johnny May Ramsey and I attended the funeral for Elmer Dunaway last Wednesday afternoon in Cisco. Elmer passed away in Calif. where he and family have lived the past twenty years. Elmer mar- Parrish, and Debbie Stovall. ried Addie Kelly in 1921. He was 60 years old and he and Addie have three real nice children, I say children, they are all married and have families of their own, in fact, they have four great grandchildren. It doesn't seem possible that the time has passed so quickly. Our deepest

sympathy to all the family. Mark, Ollie and Gayle Burnam and Bill, Retha and Nevin Brown of Abilene visited in Ida-Daisy Burnam. We are sorry Uncle Jess and Daisy are feeling so poorly. I hope you both feel better soon.

Last Tuesday, Mattie Mays of Cisco and C'eveland Dunaway and wife of Kingsville visited with me for a while, was so good

to see them Johnny May Ramsey visited a while Monday afternoon in Moran with her sister, Mrs. Chester Allen, Johnny May and

I went to Baird Monday morning, saw several from Putnam up there shopping, was good to see several Baird people and talk with them a while. We also went up to see Dick and Annie. they were up there working on their house, it is coming along pretty well now. They are doing the interior now, will look real good when they finish. Just across the street and up from their house, Mrs. Rosa Ryan is building a new home. Rosa, am real proud for you, I know you will enjoy your new home.

Mrs. Joe Hurley and her three lovely children were here to see me Thursday evening. The children were out trick or treating. I think that is nice, was good to see them. They went to several places, one of them was to D. A. Yarbroughs, he enjoyed them very much. They also took him a cake, I think that was so nice for them to do that.

Johnny, Kay and Cathy Parrott visited a while Sunday af-

Weldon and Lousie Isenhower visited Friday night with John and Roma McIntyre after the carnival. I bet you they played 42. I don't know how the race

is going. We are sorry to hear that Mr Floyd Pool of Moran is so sick and in Graham Hospital in Cisco. We hope you soon get better and able to come home, Mr. Floyd.

Well this is Tuesday morning and we have a new norther and it is dry as a whistle. Guess I better get busy as I can't think of any more news. I know I have missed a lot I should have put in, but forgive me, try to do better next time. So be good and will see you next week.

Tecumseh Topics By Lillian Crawford

Last week there were reports of light frost in and around our area. The beautiful flower beds, (I mean those that have been watered) were thought enough of that the quilts and blankets were brought out and spread over them for protection, but the temperature didn't drop quite as low as expected.

When you see the water haulers, and prospects for more you may know that this is a dry country.

L. V. Harris has turned the electricity off from the well that has normally supplied them with water for household use.

We certainly hate to see cold weather come on during a drought such as we have now for many reasons, but for one there is usually more sickness in dry winters than when there is lots of rain and snow.

It was a very nice Homecoming Saturday at the Clyde High School. I saw several people I hadn't seen in years and years, and one couple was Mr. and Mrs. Olaf South, Sweetwater. Mrs. South is the daughter of the late Mr. and Mrs. T. N. Minix who lived in the Denton Valley Community several years. A very nice family I must say, and I will always remember Mr. Minix as a Worship Service 11:00 a.m. very wonderful Sunday School teacher. May I send a hello, to those Minix girls who I didn't get to see
