Hard freeze holds off, but ginning 'rush' on

Bale total over 9,000

A Dispatch "gin check" Saturday morning showed over 9,000 bales of Garza County cotton was already through the gins or on the area gin yards and that the rush, almost general, was on, although a hard freeze is yet to hit the area.

Cotton is ginning good. And the price is holding at around 60 cents a pound.

One ginner described the cotton as of "real good staple, mike and grade." "It's just excellent for this country," he added with enthusiasm.

While there has been considerable defoliation on the part of farmers up on the plains, some ginners say it's time a hard freeze put in appearance.

Others said some cotton appears to be getting ready without either defoliation or a freeze.

With this year's cotton price the best in years, the farmers are eager to get that fluffy white stuff out of the field before Christmas.

Here is the gin-by-gin report: Planter Gin: Only 79 bales ginned and 63 on the yard, several in gin area beginning to defoliate. This is usually latest cotton in county.

Storie Gin: 180 bales ginned, 53 on yard, not much defoliated, but it's beginning to come in the last two days.

Graham Gin: 1,735 bales ginned, about 310 more on the yard with the gin working around the clock. Gin Manager Ted Aten estimates 3,000 bales in gin area defoliated.

Close City Gin: 980 bales ginned, 350 on yard, some farmers defoliating.

Pleasant Valley Gin: Pretty good rush starting to develop. 162 bales ginned, 100 more on

yard, ginning 12 to 13 hours a day.

Basinger Gin: 1,100 bales ginned, 285 on yard, working 14 hours daily, lots of defoliation in area.

Hackberry Gin (Half of which is counted as Garza cotton): 3,765 bales ginned, 850 on yard, working 24 hours, including Sundays, nearly everybody in area defoliating.

Grassland Coop Gin (third of cotton counted in Garza total): 1,769 bales ginned, 160 more on yard, working 24 hours, not too much defoliation, need hard freeze now.

READY FOR RUN — Ewell E. (Gene) Gandy, post commander of John Miller Post 6797 of the Veterans of Foreign Wars, and Mark Bevers, Post High School tracksman, hold the flag that Bevers symbolically carried toward Austin last Thursday. At the left are Mayor Giles C. McCrary, who assisted in arranging the symbolic run, and World War II hero James L. Minor, who was the principal speaker. — (Staff Photo)

OVER 500 COMPETE IN EVENT

Enduro's top trophy winner Austin rider

Don Engling of Austin won the best overall trophy over a record field of over 500 dirt bike riders Sunday in the 100-mile Caprock Enduro on the U-Lazy S Ranch south of Post.

Engling was just two points off a perfectly timed ride for the cross-country course through the six gates.

The Caprock Enduro is

sponsored each spring and fall on the U-Lazy S Ranch by the Lubbock Trail Riders Club.

The Sunday Enduro drew almost perfect weather for the day-long affair which finished at dusk with the awarding of 36 trophies.

There were the usual number of spills, but the Red Cross unit reported the most seriously

injured were four riders with broken collarbones who were taken to Garza Memorial Hospital for treatment and released.

A four-year-old boy suffered a mild concussion when he was run over by a cycle in the overnight camp. He was treated at the hospital here and released.

An estimated 600 or more camped overnight in a ranch area just off FM 669 near the start of the Enduro course.

The Post Public Library operated a refreshment booth at the enduro throughout the day for the benefit of its memorial building fund.

Trophy winners in the various enduro classes are as follows, but most hometowns were not available:

100 A: R. D. Beddett, first; E. W. Bryan, second; Harry Husbard third.

100 B: Lyndon Holcomb of Houston, Dennis Lattimer, Alben Barton, Ervin Thomas of Lubbock.

125 A: Mike Bradshaw, Eddie Brashear, Glenn Terry.

125 B: Lynn Wilson, Jack Mitchell, Jimmy Hill and Talbert Allen.

200 A: Charles Bishop, Milton Winrock, Dee Williams.

200 B: Harry Davis, Paul Johnson, Robert Daniel, Robert Drugers.

250 A: Henry Bostick, Jerry Hunsaker, Dallas Haford.

250 B: Mike Davis, G. L. Allison, Pat Henry, John Wallace.

Open A: Ritchie Gardner, Pate Donnell, Roy Pool of Hurst.

Open B: Stan Walker, Edward Allen, Bill Carmack, Carl Getz.

Powder Puff (50 miles for women): Jeanette Westfall of Amarillo, first; Lynette Pool of Hurst, second; and Carol Jones, third.

It's time again for Santa letters

It's time for Santa Claus letters again!

The Dispatch knows the time is here, for it got its first Santa letter last week from Sheryl Anderson, Box 44, Post.

Sheryl's letter will be forwarded to Santa Claus at the North Pole, along with all the other letters to St. Nick received here at The Dispatch office.

Copies will be made of all letters to run in The Dispatch's annual Christmas edition.

Turkey, football on holiday menu

Turkey and television football appear to be the top ingredients for the local Thanksgiving Day holiday Thursday.

The Post schools will dismiss Wednesday afternoon for a two-day holiday and most of the downtown stores will be closed for the Chamber of Commerce designated holiday Thursday, although some will be open.

The Postex Mill will operate through the holiday, company officials have announced.

Annual banquet held Monday for Gold Stars

Garza County's 4-H Gold Star Boy and Girl, along with their parents and a number of adults, attended the District 2 Gold Star Award banquet Monday night at Coronado High School in Lubbock.

Honored at the banquet as this county's Gold Star winners were Mark Terry, son of Mr. and Mrs. Bobby Terry, and Nancy Maddox, daughter of Mrs. Faye Maddox.

Also attending from Garza County were Brent Terry, Mr. and Mrs. Syd Conner, Mrs. Dana Feaster, Ben Sanchez, Mr. and Mrs. Paul Jones and County Judge and Mrs. Giles W. Dalby.

Forty 4-H'ers who received the Gold Star awards in their respective counties attended the event, at which Ken Loyd, assistant to the general manager, Texas Electric Cooperatives, Inc., was the speaker.

Willie Daniel rites are held

Services for Willie Daniel, 79, who died last Thursday in Temple, Tex., where he was visiting, were held at 2 p. m. Saturday in the Church of Christ, with Bob Cannel, minister, officiating.

Daniel, who was born Aug. 22, 1903, in Alabama, had been a resident of Post since 1932. He was a retired Postex Cotton Mills employe, and a member of the Church of Christ.

Survivors include his wife, Gladys of Post; a son, Ward of Mansfield, Ark.; a daughter, Mrs. Hazel Martin of Sweetwater; five step-sons, C. W. and Bobby Blacklock of Temple, B. J. Blacklock of Lubbock, John Blacklock of Post and Billy Blacklock of Justinburg; one step-daughter, Mrs. Sue Jean

(See Daniel, Page 8)

CAMPAIGN KICKOFF — The Christmas Seal campaign of the West Texas area of the American Lung Association was kicked off here Friday by a "fly-in". BY THE WTA president, Douglas Boren (second from left) and campaign chairman Dr. James H. Granberry (right). Also in the picture are Lou Marks (left), Garza County board chairman, and Clifford Sharp, area executive. — (Staff Photo)

Board votes \$750,000 boost, school's insurance coverage

Post school trustees Friday afternoon voted about a \$750,000 boost in the school district's insurance coverage for the year beginning Dec. 1, and went along with the recommendation of Bryan J. Williams, their agent of record, to purchase 100 per cent co-insurance at 110 per cent of current replacement value.

Williams, who met with the board, recommended the higher coverage over 80 per cent co-insurance on 100 per cent of replacement costs.

The cost for the insurance package adopted was \$20,510, as compared to a cost of \$21,718.22 if the board had taken the 80 per cent co-insurance route with 100 per cent replacement.

The special meeting was called to get the insurance issue settled, as the school's insurance coverage expires Nov. 30.

The board had delayed action on 1974 insurance coverage in efforts to work out some way the district's physical plant wouldn't have to be constantly evaluated as to replacement costs due to rising construction costs.

The school district recently had Whitaker and Hall prepare replacement cost estimates of the entire physical plant preparatory to writing the new insurance contract. This action came at the insurance com-

pany's request. In other actions, trustees voted: To purchase a new flame-proofed curtain, valance and cyclorama setting for the primary school auditorium stage from Texas Scenic Com-

pany of San Antonio for \$1,983. Authorized Supt. Bill Shiver to place \$98,000 in Interest and Sinking Fund money in a certificate of deposit drawing 6 per cent interest for one year, and another \$36,000 for five or six months.

CONTRIBUTIONS ALSO MADE \$3,000 scholarship fund set up by benefit group

The Garza County Benefit Association has established a \$3,000 college scholarship fund here and voted \$1,000 contributions to the Garza County Junior Livestock Association, the Memorial Building Fund of the Post Public Library, and the Post Youth Center.

These actions came at a meeting last Thursday night in the bank community room of

the 11-member organization. The new college scholarship, established by the benefit association, would provide \$500 per year on the basis of \$250 per semester.

Selection of the scholarship recipient will be made April 15 each year from applications submitted by Garza students. The \$1,000 gift to the junior livestock association is made with the provision that it be spent for permanent improvements only.

The gift to the library building fund will help finance the current library expansion. The contribution to the youth center is made with the understanding that it will be held in a savings account by that organization for a permanent improvement of a permanent youth center facility once obtained.

When the brakes failed on his car, Loyd Luther of Snyder drove right into the Hitching Post, a local tavern, at 5:30 p. m. Sunday, police report.

The impact knocked a hole in the east wall of the building.

Brakes fail, auto plows into tavern

Garza County's 1974 United Fund "take" climbed to \$7,185.25 today with five of the smaller drive divisions yet to be heard from and the big business divisions only slightly more than two-third complete.

The \$10,000 goal is barely within reach if we can just hold our own the rest of the way." Jim Cornish, drive chairman, declared after doing his "homework" to see exactly how things stood.

The business division, which is counted upon to provide about 60 per cent of the United Fund, has completed calls on 73 of 130 cards with 66 donations and five turndowns for \$4,148 to

United Fund goal some \$3,000 away

Cornish estimates approximately \$1,765 out on last year's givers and an anticipated \$250 in new giving yet to come in which would put the division over the \$6,000 mark, as compared to \$5,667 a year ago when the overall fund goal was \$9,500 instead of \$10,000.

First report from the Postex Plant Employees division from Walter Didway, chairman of that division, Saturday was of \$1,072.33 in cash or pledges with "still a few cards out" as compared to a total giving for Postex employes of \$1,212 a year ago.

(See United Fund, Page 8)

Funeral held for Goen baby

Graveside services for Jerry Goen Jr., infant son of Mr. and Mrs. Jerry Goen of Post, were held at 10 a. m. Monday at Terrace Cemetery with the Rev. Raymond Walker officiating. Burial was under the direction of Hudman Funeral Home.

Dispatch Editorials

Page 2 The Post (Tex.) Dispatch Monday, Nov. 19, 1973

Rest and be thankful

"Rest and be thankful." How far modern man has strayed from that wise old Scottish counsel! Too often we scurry about our daily affairs, complaining of traffic, the state of the Union, food prices and the like — never bothering to count our blessings.

This Thanksgiving Day, Nov. 22, would be an excellent time to reflect upon the true meaning of life in America and, in so doing, come to a real appreciation of our good fortune.

Thanksgiving is more than a unique American celebration to be observed with parades, roast turkey and speeches. It honors the beginnings of the U. S. and our rich legacy of freedom, won by the blood and sacrifices of the first American settlers and others who came before us. How can anyone breathe the sweet air of freedom and not dedicate

themselves to the democratic ideals which make life worth living and upon which this nation was founded?

Here in Post, as in every other town and city in this great land of ours, there are ever so many things for which to be thankful. There are our churches and our schools, our public officials, our enterprising industries and business places, our business and professional leaders, our homes, our children, our feeling of pride in our community. We could go on and on. There are ever so many more things to be thankful for there than are to complain about.

That each of us should be alive and living in the greatest country on Earth is cause enough to give thanks every day in the year. We should never be too busy to "Rest and be thankful." — CD

There's a way to do it

It's time to start thinking about Christmas, now that Thanksgiving is over — or nearly over.

But, then, some folks are already thinking about Christmas, with Thanksgiving barely here. If the trend continues, thoughts of the Yuletide, Santa and his reindeer, etc., will begin chasing through our heads about July the Fourth before many more years go by.

But, seeing as how it is time to think about Christmas, we should share our "getting and giving" thoughts with the home decoration contest to be sponsored by the Women's Division of the Chamber of Commerce.

At their meeting last Thursday, directors of the Chamber of Commerce voted that the Chamber contribute \$50 to the prize money to make the Women's Division decoration contest more appealing and help it attract more entries.

It would add a lot to the Christmas scene and Christmas spirit for just about everybody to enter the decoration contest. And don't worry too much about the energy crisis. With a little ingenuity you can decorate your home in such a manner as to capture the Christmas glow without using too much electricity. — CD

An excellent nomination

The Dispatch thinks the Garza County Historical Survey Committee has made an excellent choice in its nomination of Winnie Tuffing as the committee's candidate in state competition for "Most Valuable Member."

We also think Mrs. Tuffing has an excellent chance to win this honor for herself and her county committee.

Outside of Garza County we are not acquainted with the work of many historical survey committee members, but we don't see how any of them can have been more dedicated to or done more work for the recording and preservation of their county's history than Mrs. Tuffing has been.

She is the Garza County committee's History Appreciation chairman and also

chairman of its History Book committee, the results of which will soon be in the hands of hundreds of readers in the form of "Wagon Wheels: A History of Garza County."

Mrs. Tuffing not only finds time to attend all meetings of the county committee, but also attends nearly all area, regional and state meetings of historical groups.

She has been a member of the Garza County Historical Survey Committee since its organization and her outstanding work has helped the committee receive the Distinguished Service Award at the state meeting for eight consecutive years. That's some record, not only for the committee, but for the member it has nominated for the "Most Valuable" award. — CD

The clock runs faster

As the 1974 fiscal year began last July 1, the Chamber of Commerce of the United States reset its Federal Spending Clock to run at an accelerated pace. The reason is that Federal spending this fiscal year is estimated to increase by approximately \$19 billion, up to \$269 billion.

Rapidly changing digital figures across the top of the clock indicate how much the Federal Government has spent since the beginning of the year. Each day the clock registers expenditures of approximately \$736 million.

Here's what the reset clock now shows:

\$10,000, nearly the average annual income of a typical American family, spent every 1.17 seconds, displayed by a sweeping dial.

\$100,000, spent every 11.7 seconds, by a light flashing on.

\$1,000,000, spent every one minute and 57 seconds, by a beep sounding.

Should the clock run at a slower or a faster pace? The National Chamber urges you to let your Congressman know at what speed you want the clock to run. After all, it's your money they're spending.

Our contemporaries say . . .

Inflation blows up everything a white collar worker has to buy, but leaves his pay envelope as flat as ever. — Times, St. Louis.

It seems as if the Government consists of three unequal branches: the executive, the judicial and the investigative. — Post-Dispatch, St. Louis.

Doctors agree that stomach ulcers come from something you hate, not from something you ate. — Eagle, Dothan, Ala.

Some people speak from experience. Others, from experience, don't speak. — Antenna, Great Lakes, Ill.

A chance remark is anything a man manages to say when two women are talking. — Seagull, Ogden, Utah.

Progress: Nowadays you can twist a dial and see exactly the same thing you saw 20 years ago. — Synopsis, York, Pa.

It's a good thing there wasn't anybody around to help the pilgrims

They landed in a forbidden wilderness. No Federal Housing, so they went to work and built their own. No Food Stamp Program, so they raised what food they ate, and when they didn't raise enough, went without.

No Free Schools, so mothers taught their children. No Recreational Programs—they were too busy working. No anti-draft riots—everyone was expected to share in the protection of his country. No Social Security—no security at all, except what each provided for himself.

But there were compensations. No rioters demanding something for nothing. No unwashed "students" telling their mothers what to teach. No wasteful bureaucrats paying themselves out of the workers' production.

Nothing really for the Pilgrims but hard work and a lot of it.

Did it pay off?
Our standard of living proves it.

IT'S ALWAYS nice to get a few days off from work for a holiday, even when you have to hurry things up, as I'm having to do this week's column.

We're also having new heaters installed here at The Dispatch office, and with the weather getting cooler, we've been having to work faster to stay warm. Even so, we've done our bit in helping out on the energy crisis, since the temperature inside the office here hasn't been above 68 degrees since even before the President made his TV talk asking us to conserve energy.

THE MAN UP the street says do something daily to make other people happy, even if it's only to let them alone.

With apologies to Elizabeth Barrett Browning, the Postal Service has issued advice to its customers entitled, "How Do I Love Thee? Let Me Count the Ways."

It is designed to prevent lost letters.

The "instructions," loosely based on the poet's "How Do I Love Thee? Let Me Count the Ways," illustrates some mailing practices by the public which often result in letters becoming delayed, waylaid and undelivered.

The good ways to lose a letter include:

—Deposit letters in the handy snorkel box in front of the library marked, "For deposit of library books" or in short square boxes marked, "Help Keep Our City Clean."

—Omit return address, forget to apply postage stamp.

—Omit return address, forget to apply postage stamp or put 8 cents on letters requiring 16 cents. If the addressee refuses to pay postage due, the letter can't be returned to sender and disappears into dead letter branch.

—Be a "Very Important Person." (You may think everyone in the post office knows you or your firm so don't need to list your street or post office box address.

—It's not nice to fool Mother Post Office but you try anyway by sending first-class mail in a fourth-class carton and omit the return address to avoid reprisals if the post office inspects the content and assigns healthy postage due charge — which is then refused by the addressee — then the entire carton goes to the dead letter branch.

—Carelessly place letter behind residential mail box for letter carrier pickup (or maybe child pickup or wind pickup).

—Move to a new address and inform the post office but don't tell your friends. The post office will forward your letters, but just for a year.

—Address glossy envelope finish with a felt-tip pen on a rainy day. Brush letter against wet coat, car collection box, etc., and watch the address disappear along with the letter.

—Have letter slot in front door with faithful dog waiting inside. Blame Postal Service for losing letter, which has been chewed or tucked under the rug.

LIKE MOST everything else, where the Postal Service and its customers are concerned, it's a two-way street. They get lots of criticism for poor service, but they also get poor cooperation from many of their customers.

Definition: Home is a place a man goes to raise heck because something went wrong at the office.

Stelzer and Mrs. Harold Lucas; White River proposition carries by 6-1 margin; Japanese Baptist leader to speak here; Dr. A. C. Surman retires; Mr. and Mrs. Lewis Mason announce the birth of a son, Brad; Cristal Didway honored with birthday party; Glenda Jean Richey and Kenneth McFadin vows are exchanged; Mrs. Cox is hostess to Green Thumb Club; Antelopes down Friendship, 14-8, for runner-up spot; Glenn Potts gets hole-in-one here; Antelope cagers will open season; Pat Cornell elected week's Antelope; Science teachers gather in Post; "Space Age Santa", senior float, to lead Christmas parade.

15 Years Ago

Bob Baker heads ex-students association; Misses Maxine Durrett, Barbara Shytle, and Peggy Butler crowned exes queen, football queen and band queen, respectively, at homecoming game; Alma Winn and Ronnie Kennedy exchange vows; Judy Gossett honored with 17th birthday party at Teen Town; Brenda Mason celebrates 11th birthday; Mrs. Roy Teaff feted with layette shower; Antelopes open cage season against Ralls; Mrs. E. W. Hood moves to Lubbock to make her home.

MANAGER SOUGHT

SLATON — A Slaton Chamber of Commerce committee is screening applicants for the position of Chamber manager. The vacancy was created Nov. 1 by the resignation of Earl Bartley.

distributing free information about farming. That's been going on for years, and I recall the time one of my Hemphill relatives in Arkansas decided to raise some fancy chickens as a hobby. She didn't have good luck. Finally, at the suggestion of a neighbor, she wrote this letter to her Congressman:

Dear Sir:
Every morning I find one or two of my prize chickens lying stiff and cold upon the ground with their legs in the air. Would you be kind enough to tell me what is the matter?
A few days later she got this reply:
Dear Madam:
Your chickens are dead.

San Antonio cowboy Rodeo 'Rookie of Year'

DENVER, Colo. — Bob Blandford, 22, of San Antonio, Texas, has been named pro rodeo's 1973 Rookie of the Year, the Rodeo Cowboys Association said.

The award goes annually to the man who wins the most money and exhibits the greatest potential as a rodeo cowboy during his first year in the association.

Blandford, who competes in bareback, saddle bronc, bull riding, calf roping and steer wrestling, won \$14,024 during the season. His best event was calf roping, in which his earnings totaled \$10,750; he finished 17th in the standings.

The 5-11, 160-pound athlete comes from a 900 acre ranch near the small town of Stockdale, Texas. His family raises cattle on the spread, and Bob spends his time working on the ranch when not competing.

Bob's ingredients for success in rodeo, he believes, include mental and physical conditioning, "and constant 'try'."

He began his career while in high school, and moved on to college ranks. In 1972 he won first in the bull riding average at the National Intercollegiate Rodeo Finals.

His favorite event is calf roping, but he also believes it to be one of the sport's toughest events.

"Now days, a man has got to have a good horse, a lot of ability and a lot of luck to win in roping," he said. "I learned my events by practicing with people who knew what they were doing, and by doing a lot of observing."

He traveled part of his first year with such pros as Hugo, Okla., who won his first calf roping competition this year. Blandford is best about rodeo, he said, "the people."

Timely Tips

from CHDA

By DANA FEASTER

BUYING POULTRY

How often do you buy chicken and turkey? Well, you may buy chicken often, but probably you wait until a special occasion to buy a turkey. Thanksgiving is here — and you will be visiting the market this week for your special Thanksgiving turkey. So here's some poultry tips.

Young whole chickens — broilers and fryers — are generally good buys. The meaty parts may be used for broiling, frying and special diets. The boney parts and giblets are suitable for chicken pot-pie, creamed chicken, soup or croquettes. The larger broiler and fryer — 3½ pounds — is excellent roasted. The older birds usually have more fat.

Turkeys are good buys most of the year. A large turkey — over 16 pounds — is your best buy. It has more meat in proportion to bone, and usually costs less per pound than a smaller one.

In deciding on the size of a turkey, consider how well your family likes it or if you can freeze part of it to prevent loss. Remember, food is no bargain if you get more than your family can use.

When buying poultry, look for the round mark which means the poultry has been inspected for wholesomeness by the U. S. Department of Agriculture. It tells you that the bird is clean and safe to eat. Also look for the shield-shaped mark which shows that the poultry has been graded for quality by an expert Federal-State grader. A U. S. Grade A means the bird is top quality, meaty and looks good.

The most tender birds are the young ones. You can tell the age of a bird by the label — young chickens will be labeled: young chicken, Rock Cornish game hen, broiler, fryer, roaster or capon; young turkeys will be labeled: young turkey, fryer-roaster, young hen or young tom.

All poultry is perishable. Keep it cold or hard-frozen until you're ready to use it. Use fresh-chilled poultry within 1 or 2 days. Cook frozen poultry right after thawing. Completely cook poultry at one time — don't start it, then stop, and finish later. Be sure to put left-overs in the refrigerator promptly. Use the left-overs within 1 or 2 days, or freeze it for longer storage.

One final word, all the left-overs, poultry, broth, stuffing and gravy, should be separated, covered, and then refrigerated. Don't store or freeze it all together. Poultry is one of the easiest foods to get food poisoning from — always use extreme cleanliness and safety.

Serve poultry often — it is a nutritious, delicious taste-treat the year round! Have a happy and safe Thanksgiving!

FOREIGNERS AT TECH

LUBBOCK — Texas Tech University's corps of international students numbers approximately 400 this fall. They come from 51 countries, including six represented for the first time: Botswana and Lesotho in Africa; Spain and Italy in Europe; Guyana in South America, and Honduras in Central America.

MATADOR OFFICE — The building which served as office headquarters for one of Texas' most famous ranches, the Matador, was dedicated recently at the annual meeting of the Ranch Headquarters Association. The office was referred to by Matador cowboys as the "Scotsmen's Dive," referring to the Scottish owners of the Matador who used it for lodging when they visited Texas. — (Tech Photo)

Stickers now required on gasoline and diesel

LUBBOCK — "Because of recent changes in the Phase IV petroleum regulations, all gasoline and diesel fuel retailers must obtain new ceiling price stickers for each pump or grade of petroleum sold," John J. Sloan, administrative officer of the Internal Revenue Service office in Lubbock, said today. The new stickers will be available after Nov. 21. New pump stickers and instruction-computation forms may be picked up at the IRS office at Room 315, Fed. Ofc. Bldg. 1205 Texas Ave., Lubbock, Tex., 79401.

Written requests for stickers and instructions may be made at the IRS office listed above. Retailers should specify the number of stickers they will need.

"The new stickers should be posted on each pump in a prominent position to be easily seen by the customer. The old sticker should then be removed," Sloan said. If more than one grade of gas is sold from a pump, a separate

sticker must be posted for each grade. Stickers must contain the new ceiling price and the minimum octane of the gasoline. Anticipating additional changes, The Cost of Living Council (CLC) designed the stickers with four numbered blanks for inserting the ceiling prices for November 1973 through February 1974.

Under revised CLC Rules gasoline and diesel fuel retailers are permitted to increase their May 15, 1973 selling price to reflect, on a dollar for dollar pass-through basis, their increased petroleum costs. This can be done no more than once a month. Whenever an adjustment is made to the maximum permissible price, each retailer must adjust his posted price.

"On the reverse side of the posting instructions is a form which dealers must use to compute their ceiling price," Mr. Sloan said. This sheet must be retained at the service station for IRS inspection to determine compliance with the new regulations.

Financial help goes to college students

AUSTIN — About one of every 10 students at The University of Texas has received some sort of financial aid for 1973-74.

Funds exceeding \$4.8 million went to more than 4,000 students.

More than \$2.2 million came in the form of state-supported Hinson-Hazelwood Loans. Another \$1 million was in National Direct Student Loans from the federal government.

Other aid is derived from building use fee exemptions, various scholarships, opportunity grants, work-study programs, University grants and short-term loans.

Seniors in Spotlight

By LEE ANN HODGES

Our first Senior in the Spotlight is Ray Mullenix. He is the son of Mr. and Mrs. Raymond Mullenix and has two brothers and one sister. Ray was born July 30, 1954.

The activities Ray is involved in this year is Drama Club and Spanish Club. The activities he has participated in during high school are Drama Club and Vocational Agriculture.

Ray's hobby is going to ball games and his favorite food is steak. Ray's favorite color is blue and his favorite famous person is John Wayne.

This week we asked our Seniors how they felt about women's lib and Ray's reply was, "I believe women should stay at home like they are supposed to and settle down a little bit."

After graduation Ray plans to go to work.

participated in this year are band and National Honor Society. The activities she's participated in during her high school career are basketball, track, band, National Honor Society.

Sherell's hobby is playing the flute and her favorite foods are oysters and jalapeno pizzas. Her favorite color is yellow and her favorite famous person is Shirley Chisholm.

We also asked Sherell what she thought about women's lib and her reply was, "I believe women should have the same pay as men if they are doing the same job, but I don't believe women should smoke cigars or act like men."

After graduation Sherell plans to go to Texas Tech and become a medical technologist.

CONTRACT AWARDED

SLATON — The Slaton city commissioners have awarded a contract totaling \$72,897.56 to a Lubbock firm on a remodeling project which will give the city a new police department and jail at the corner of Lynn and 8th streets.

LIFE STYLE OF THE FUTURE

What will be the life style of the future? ... it will rely around electricity. Without electricity there is no hope of getting the pollutants that only electricity can take.

We'll need our factories, our refineries, water treatment plants ... all the things necessary for survival in a modern world.

Without electricity none of these can function.

That's why our industry and we, as a Company, continuously plan for the future ... contribute toward research and development of better, more efficient ways to get electricity to you.

We know we'll be needed in the future even as we are now ... and we'll be there when the time comes ... even as we are now ... making sure that every kilowatt you buy is 100% usable.

Your future is ELECTRIC!

My Thanks -- This Thanksgiving

I guess this is my favorite time of year. We have so many things to be thankful for that to name them would take a whole page.

First we want to thank you, our customers, for letting us serve you through the year with coffee, ice cream and medicine. It's a real privilege to have people like you to serve, and you make work a pleasure.

Second, I'd like to thank the people that have worked for me through this year and years past. I've always been real fortunate to have some of the nicest people I know to help us serve the public. It's great to work with people who don't fight each other. We all work together, and this is a blessing.

I'd like to thank friends for coming in and sharing your day with me. So many of your really help with a hello -or a smile, or "How are your getting along."

"I'd like to thank the pastors in our community for ministering to our needs through the love of our Savior, Jesus Christ.

I'd like to thank my family for overlooking my shortcomings, and loving me when I'm tired, gripy, and discouraged.

Last, but not least, I'd like to thank the Holy Spirit for loving us, being with us each day of our lives and hanging loose.

It's a great life. Happy Thanksgiving!

Bob Collier

Antelope cagers picked for 6th place in District 5AA

The Post Antelopes, who at 20-7 last season had the best over-all record of any District 5AA basketball team, have been picked for no better than sixth place this season in a poll of district coaches by the Lubbock Avalanche-Journal.

Coach John Alexander's Antelopes, who have lost most of their "bosses" from the 1972-73 season team, failed to receive a first-place finish vote in the poll

of the coaches, in which no coach could cast a vote for his own team.

Denver City, last year's district champion, which had a 19-8 record over-all, was picked to repeat as champs in the upcoming campaign, receiving five first place votes. The other district teams were picked to finish in the following order: Frenship, Roosevelt, Slaton, Tahoka, Post and Cooper.

Frenship and Roosevelt each received one first place vote in the poll of the coaches.

The Post team has lost both its two "big" men, Reginald Moore and Steve Hays, in addition to Roger Pace, Danny Lee and a few others who helped the 'Lopes compile their 20-7 mark and finish second in district play.

This season, Coach Alexander will be counting on starter Ricky Shepherd from the 1972-73 team, along with a number of boys up from the junior varsity, who include Bob Craig, Mark Bevers, Kent Kirkpatrick, Jackie Blacklock, Randy Josey and Tony Conner.

FRIDAY NIGHT ACTION — Tahoka guard Ronny Jolly (60) grabs at Post quarterback Bryan Davis as the sophomore field general runs the option for a good gain in the Antelopes' 34-33 loss to the

Bulldogs. Nos. 60 and 81 are Jay Pollard and Mike Hair of Post and Nos. 63 and 50 are Johnny Brandon and Johnny McDonald of Tahoka. — (PHS photo by Joe Craig.)

Junior varsity rolls over Tahoka, 30 to 6

The Post Antelope junior varsity ended its season on a winning note with a 30 to 6 win at Tahoka Friday night, but the Post freshmen lost, 22 to 6.

The junior varsity game was scoreless in the first quarter, but Coach John Alexander's Post team lit up the scoreboard in the second period on a

35-yard pass play from quarterback Jay Kennedy to end Andy Williams. Jackie Blacklock ran over the extra points to give Post an 8-0 halftime lead.

Letters to the Editor

NOT THE LARGEST
 Dear Editor:

I would like to correct an error in the Nov. 1 issue of The Dispatch. It stated that Bill Healy's state representative district 101, with 13,134 square miles, was the largest district in the state. District 70, with 22,162 square miles, is the largest, and District 71, with 14,516 square miles, is the second largest, which makes Mr. Healy's district the third largest in the state.

Johnny Haire
 Rt. 2, Post

Girl Scouts make sea shell rings

Girl Scout Troop 293 held their regular meeting Nov. 16, at the Scout Hut, with 10 members and one guest present.

The girls made sea shell rings, and enjoyed the hut's new candy stripe carpet.

Brownies, potato chips, cookies and punch were served to the following members: Sheryl Anderson, Jerri Baumann, Tammie Eckols, Marty Furlong, Donna and Diana Horton, Laura Pringler, Vicki Teaff, Kathy Smith, Teresa Hambrick and one new member, Donna Massey, and their leader, Mrs. Kay Kirkpatrick.

HOLIDAY IN LUBBOCK
 Mr. and Mrs. Tom S. Gates will spend Thanksgiving in Lubbock with their son-in-law and daughter, Mr. and Mrs. Joe Bob Bumpass, and sons.

an IDS company

representing INVESTORS' SYNDICATE LIFE

The first of two Post touchdowns in the final period came on a one-yard run by Lee Cruse, with Dennis McDonald carrying in the extra points. The final six-pointer came on a run by Kennedy.

Tahoka staved off a shutout with a 20-yard touchdown run in the fourth quarter.

Coach Alexander said it was the best game the junior varsity played all season, after having to cancel out some games earlier in the campaign because of a player shortage.

In the freshman game, Tahoka was ahead 22-0 before Coach Lane Tannehill's Post team scored in the fourth quarter on a short run by Jimmy Dorland.

Coach Tannehill said the freshman team showed good effort, as they have done all season, but once again lacked the manpower. The squad has suffered from a lack of depth all season, with no more than 19 boys suited out for any one game.

FISH NOT USED
 Indians of the Great Plains apparently made little use of fish, either for food or for ceremonial purposes.

HARPER MOVES AHEAD — Fullback Donnell Harper (left), one of the South Plains' top schoolboy scorers, bangs the center of the Tahoka line in Friday night's final game. Closing in are Tahoka Bulldogs Benje Williams (62) and Johnny McDonald (50) — PHS Photo by Joe Craig

Tahoka wins 'wild one' 34-33

All the fireworks the Post Antelopes and Tahoka Bulldogs had carefully hoarded throughout the season went off with a bang at Antelope Stadium Friday night and by the time the smoke had cleared the Bulldogs had trotted off the field with a 34 to 33 victory and the fans were hanging on the ropes.

It was the final game of the season for both teams, and the triumph gave the Bulldogs third place in District 5AA with a 4-2 mark and dropped the 'Lopes to 3-3 in the conference. Both teams finished with 7-3 records on the season.

Each team scored five touchdowns Friday night, but extra points decided the outcome, with Tahoka getting four and Post only three.

The Antelopes dominated play in the first half, although they held only a 7-6 halftime lead, turnovers on interceptions and fumbles blunting their offensive effort. The 'Lopes still led, 19-14, at the end of the third quarter, but the tide was turning, and the Bulldogs got the big end of the stick in the final period with 20 points to Post's 14.

The Antelopes' inability to contain Bulldog backs Jimmy Bailey and Timmie White in the second half made the difference — along with the extra points. Bailey netted 173 yards on 26 carries and White got 53 yards on 11 tries.

Quarterback Bryan Davis led the Post ball carriers with 105 yards on 12 carries. Fullback Donnell Harper, who wound up as the district's top scorer with

94 points, netted 59 yards on 12 tries, but his 97-yard kickoff return for a touchdown in the fourth quarter was the game's most spine-tingling play for the Post fans.

There was no scoring in the first quarter, with Post losing the ball once on a fumble and another time on downs, but maintaining possession most of the time. Early in the second quarter, the 'Lopes held the Bulldogs on the Tahoka 39, and Steve Miller's short punt traveled only to the Post 26.

In ten plays, with Davis doing most of the damage on the option, the Antelopes were on the Tahoka 13, from where Davis hit Harper with a flare pass on the five, and the Post fullback raced into the end zone. Tony Conner's extra point kick gave the 'Lopes a 7-0 lead with 6:02 to go in the first half.

The Bulldogs used up the rest of the first half in driving 80 yards for a touchdown after fumbling Conner's kickoff into the end zone for a touchback. With 29 seconds left, quarterback Weldon Warren passed 26 yards to Miller in the end zone, but Bailey was stopped on his running attempt for the extras, and Tahoka still trailed, 7-6.

Harper returned the kickoff 26 yards to his 31 and a 15-yard penalty against Tahoka for hitting late gave Post the ball on their 48. Davis lofted a 22-yard pass to end Mike Hair to the Bulldog 28, then hit Harper with an 11-yarder to the 17. Jay Pollard's attempted field goal on the last play of the half sailed to the left of the goal posts.

On the second play of the third quarter, linebacker Sammy Gutierrez recovered White's fumble on the Tahoka 21 to set up Post's second touchdown. Harper gained two yards and

tailback Jerry Tyler three to the 16, from where Davis flared a pass out to Harper, who covered the rest of the distance to the goal line. Tahoka apparently "read" Post's fake place-kick formation for the extra points and smothered holder Ricky Shepherd before he could get rid of the ball.

The Bulldogs went 51 yards for their go-ahead touchdown after White, on a reverse from Warren, returned Conner's kickoff from the 15 to the Tahoka 49. Bailey broke loose to the Post 20, then broke tackles for 14 more yards to the six. The Post defense stiffened, with Tim Owen and Richie Dudley stopping Bailey for a two-yard loss, but on his next try the big Tahoka tailback circled Post's right end for the touchdown. The same play, with Bailey carrying, netted the extra points and gave Tahoka a 14-13 lead.

The 'Lopes went back out in front with 1:22 of the third quarter remaining when Davis swept his right end on the option for 14 yards. Shepherd's pass try for the extra points was no good, to leave Post out in front 19-14. The Antelopes went 68 yards for the touchdown after Pollard's recovery of a Bulldog fumble on the Post 32.

Tahoka lost little time in regaining the lead, going 61 yards, with Bailey leaping over the center of the line from one yard out to score. Warren tried to run over the extra points, but was piled up by nose guard Mark Terry, and the Bulldogs were out in front 20-19.

Tahoka increased its lead following the kickoff and after recovering Davis' fumble on the Post 21. Owen and Joe Moore came in with good tackles to hold Bailey and White to one yard each, but White raced 18

yards to the one on his next try and Warren went over from there. The Tahoka quarterback circled end for the extra points and a 28-19 Tahoka lead.

Then came the play that gave the Post fans new life. Harper gathered in Terry McCord's booming kickoff on the three-yard line, came straight up the field, broke into the open at about the 50 and outran two pursuers the rest of the way. But, once again, a passing try for the extra points failed, and Post still trailed, 28-25, with 5:46 to play.

With Bailey, Warren, White and fullback Kent Payne alternating in lugging the leather, the Bulldogs drove 67 yards for their final touchdown, with Bailey circling end for the final 16 yards. McCord's place-kick failed, but the 'Lopes trailed by nine, 34-25, with only 1:50 showing on the clock.

McCord's short kickoff was returned by Hair to the Post 42. Davis passed to Hair for eight, and David Conoly went for a first down to the Tahoka 45. Interference was ruled on a pass to Hair, taking the 'Lopes to the 38. Shepherd came around from end to pass to Davis for an 18-yard gainer to the 20. With only 27 seconds remaining, Conoly broke through the line and raced over for a touchdown. Davis went wide around right end for the extra points to make the score 34-33.

Conner's inside kick was covered on the Tahoka 43, and the Bulldog quarterback fell on the ball twice to run out the clock.

Besides Davis' 105 yards and Harper's 59, Conoly netted 77 on nine carries and Tyler 18 on six. Edward Price carried the ball three times for 19 yards. Gutierrez led the Post defenders in unassisted tackles

Roosevelt Hamlin to in bi-district

The Roosevelt champions of District 5AA played its representative in Class AA playoffs, with Hamlin Pied Piper 6AA champions, in a game at Abilene on Saturday.

Roosevelt beat state-ranked Denver 21 to 6. Pied Piper Roosevelt to win a bi-district championship playoff rights by win over the coaches. Other area playoffs to be as follows:

CLASS AA
 Children vs. Dallas m. Friday, Pampa
 Floydada vs. Lubbock m. Friday, Lubbock
 Alpine vs. Big Lake (Big Lake), 7:30 p. m. at Big Lake.

'Mr., Miss Post' are announced at PHS

Ricky Shepherd and Jodi Norman have been elected as "Mr. and Miss Post" for 1973-74 by the student body at Post High School. Ricky is the son of Mr. and Mrs. Douglas Shepherd and Jodi's parents are Mr. and Mrs. Gerald Norman.

The same two students were also elected as senior class favorites.

Other class favorites elected were: Randy Josey and Penny Norman, junior; Mike Shepherd and Jennifer Miller, sophomore; and Ricky Sanchez and Tina Rodriguez, freshman.

The Senior Superlatives for

1973-74 are as follows:

Best Dressed: Mark Bevers and Becki Dalby

Wittiest: Craig Simpson and Ila Workman

Most Dependable: Joe Craig and Sue Cowdrey

Most Athletic: Donnell Harper and Jan Hall

Most Likely to Succeed: David Posey and Sylvia Smith

Most Versatile: Jerry Tyler and Jodi Norman

Friendliest: Ricky Shepherd and Cindy Bird

Most Masculine: Jay Pollard

Most Feminine: Jan Burkett

Busy times for Post firemen United Fund —

Post firemen have been kept busy the last few days, but, fortunately, none of the fires have been serious.

The firemen were called to the Basinger Gin about 6:30 a. m. Monday when a burr pile caught fire. There was no other damage, and Fire Chief Neal Clary said at the time the gin was in no danger "as long as the wind stays like it is."

Two weekend grass fires were extinguished by firemen, one on the Jack Myers pasture about three miles north of Post, and the other on railroad right-of-way north of the city.

The most serious of the fires was when an automobile was destroyed Saturday night southeast of town on U. S. 84. The fire chief said the occupants of the burning automobile had left the scene when the firemen arrived and ownership of the car was not learned.

Father of Post resident dies

Services for Richard Russell Stice, 59, of Springer, N. M. who died Nov. 15, in Las Vegas, N. M., hospital were held at 2 p. m. Saturday, Nov. 17, in the First Baptist Church in Springer.

Stice was the father of Richard Stice of Post. He was a member of the First Assembly of God Church in Springer. Rev. Don Heddon, pastor officiated at the services.

Survivors other than the son of Post include his wife, three other sons, two brothers, two sisters and 11 grandchildren.

Directors —

(Continued From Page One)

played and approved by the directors, and announcement was made that the group is still trying to find a time to auction the first five Nativity plates.

Present at the meeting were J. B. Potts, president; Earl Chapman, Didway, Bo Jackson, Ronald Simpson, Short, Alexander, Dr. William C. Wilson, Jim Wells, and the secretary.

RETIREMENT PLANNING

Farmers, ranchers and other self-employed individuals can save on tax dollars by starting a tax sheltered retirement plan, says an economist for the Texas Agricultural Extension Service. This is commonly called the Keogh plan and is available through many banks, insurance companies and mutual funds. Up to 10 per cent of earned income or \$2,500, whichever is less, can be invested each year in an approved retirement plan. Earnings on the money are not taxable until the individual retires. Before a retirement plan is started, a proposal must be filed with the Internal Revenue Service.

Farmcast

A Weekly Report Of Ag-Business News

Compiled From Sources Of The Texas Department of Agriculture John C. White, Commissioner

Down and Up... Changes in Regulations... Fuel Problems... Red Meat Production Declines.

A seven per cent drop in the all farm products index of prices for Texas farmers was noted by the Texas Crop and Livestock Reporting Service.

The livestock and livestock products was down nine per cent and the all crops index was down five per cent below a month ago.

Prices received by farmers for hogs, beef cattle and calves were down from a month ago. Corn and grain sorghum prices were also down from a month ago.

Ten commodities were above parity. Wheat at \$4.23 per bushel was 73 cents per bushel above parity. Rice is almost \$5 above parity. Potatoes are 54 cents above the parity ratio of \$4.31 per hundredweight.

In livestock categories, hogs at \$39.80 average are \$2.80 above parity. Calves averaged \$58.30 which is \$4.30 above parity. Sheep at \$17 are \$4.50 above parity. Beef cattle are \$2.60 under parity; lambs are \$12 under parity.

Grain sorghum at \$3.47 per hundred is 50 cents below parity. Cotton at 37.5 cents per pound is almost 30 cents under parity.

Egg prices averaged 57.9 cents per dozen which is almost six cents below last month and six cents below parity. Mohair at \$2.40 per pound is about 90 cents above parity; wool at 97 cents is about 25 cents under parity.

REGULATIONS relating to cattle scabies and brucellosis are affecting some Texas counties.

Federal quarantines for cattle scabies were lifted from Parmer and Potter counties. Castro and Deaf Smith are still under quarantine. Scabies are caused by tiny parasitic mites that puncture the skin of cattle and feed on the body fluids released through the wounds. Scabies does not affect the animal's meat, but can cause loss of weight and decreased feed efficiency.

Health regulations governing interstate shipment of breeding cattle from 11 counties in Texas have been changed.

The action was based on the counties' compliance, or lack of compliance, with state-federal requirements aimed at eradicating brucellosis.

Kenedy County regained its modified-certified brucellosis area status while Baylor, Bell, Cass, Henderson, Leon, Mitchell, Navarro, San Saba, Tom Green, and Uvalde counties lost their status for failing to meet certain minimum requirements of the eradication program.

FUEL problems continue to haunt Texas agricultural producers. Diesel at present appears to be causing the most concern. LP gas is in short supply in some areas. The general situation seems to be one of confusion, especially concerning the mandatory allocation of diesel.

Fertilizer shortages are also being reported as are occasional reports of lack of baling wire.

RED MEAT production in Texas is down four per cent in September compared to a month previous and seven per cent under a year ago.

Cattle slaughtered in Texas totaled 268,000 head, which is 22,000 below a month ago and 32,000 less than a year ago.

Nationwide, commercial production of red meat is 13 per cent less than a year ago. Beef production was 13 per cent less than September of 1972.

McBride is elected director of WTCC

Auvy McBride of Brownfield, formerly of Post, has been elected as a new director of the West Texas Chamber of Commerce, according to Emil C. Rassman, WTCC president.

Auvy is vice president of the Brownfield Savings & Loan Association. He is a son of Mr. and Mrs. Theibert McBride of Post, and is married to the former Leslie Nichols, daughter of Lester Nichols and the late Mrs. Nichols.

Two sophomores are named outstanding

By MELINDA NELSON
This past week at Post High School, those that were chosen as the "Outstanding Citizens" were Patricia Bilberry and Garland Dudley. Congratulations, Patricia and Garland!

Patricia is classified as a sophomore. She plays the clarinet in the PHS band, plays on the junior varsity basketball team, and is a member of the Drama Club and Student Council. The most Patricia likes about school is the sport activities and the teachers. The teachers in PHS are all easy to talk to and seem genuinely concerned for each student as an individual. The best quality in a person, according to Patricia, is leadership. She thinks this because if a person has leadership, they show that they are concerned for other people and wish them to have high grades.

The most worthwhile contribution that Patricia can make to PHS is to take part in the

functions of the school and to become as an individual, something the school can be proud of in whatever she tries to accomplish. The person Patricia admires most is Peggy Fleming. She admires her because she is dedicated to her skating and has spent almost all of her life practicing and perfecting her skills and grace. Also because she has accomplished a lot as a goodwill ambassador in other countries.

Patricia's future plans are to finish high school with a high grade average and join a foreign study program.

Garland Dudley is also classified as a sophomore. He participates in FFA, FCA, and plays basketball, track, and football. Garland is the Number 33 you see for the Antelopes at the football games. The most Garland likes about school is participating in the sports. The best quality a person can have, according to Garland, is their personality and being themselves.

The most worthwhile contribution that Garland can make to PHS is participating in sports and representing the school in all different ways. The person Garland admires most is Kim Lott. He admires her because she is so sweet and friendly to everyone. Garland's future plans are to finish high school, go to college, and then get married after he finishes college.

Season at end for pep squad

By NANCY MADDOX
Due to the fact that football season ended Friday night with the Post-Tahoka football game, this will be the last pep squad news. Mrs. Thompson wishes to thank those pep squad members who supported the football team at school and at the games.

The pep squad members for 1973 were: Seniors: Kathie Morris and Nancy Maddox. Juniors: Kim Hester, Kathy Wise, Roxie Owen, Dianna Collier and Ann Mitchell. Sophomores: Liz Hubble, Joni Hays, Susan Gary, Cynthia Morris, Sandy Odom, Rhonda Tanner and Terri Clary. Freshmen: Brenda Price, Rosie Harper, Hope Johnson, Carolyn Cruse, Linda Wynne, Shirley Hambrick, Tina Dodson, Amy Cowdrey, Mary Lou Owen, Rosemary Basquez and Betty Greathouse.

Next year the pep squad will be back and greater than ever. We urge all of this year's juniors, sophomores, freshmen, and the eighth grade to join the pep squad next year and support the team on to VICTORY.

Tech ZIT unit performs here

By WAYNE BELL
The Post High School marching band presented a new performance last Friday night at the Post-Tahoka game.

ZIT is a group of percussionists from Texas Tech University in Lubbock. They performed to the music "Percussion in Review." They also did a special routine of their own which consisted of different drum cadences.

They love to perform for people and do a routine each year at Texas Tech Band Camp. If you don't hear them, you missed the best performance of your life! Thank you ZIT for performing Friday night.

Inside PHS

By TONY RUDD
During the number of years that I have spent inside the walls of a school building, I have had many occasions to observe the reactions the students have in regard to their courses. Possibly one of the most misunderstood and despised courses is English. When I say English, I refer to the literature and grammar that is required of every student from grade three up.

One reason that English is so disliked, is because it seems so useless to the students. If you like to read, you will probably enjoy the literature, but unfortunately, not a great number of people in school enjoy reading. It is amazing to me that the majority prefers the grammar to the literature. Personally, I don't care for the grammar. Don't get me wrong now! I am a firm believer in using good grammar, but I just can't stand studying it. The fact of the matter is, it bores me to death.

A number of students try to make the best of the situation, but quite a few just give up. They don't think it's important, so they don't try to excel in it. They start thinking, "Well, I only have to have four years instruction, that doesn't mean I have to pass it."

Everyone thinks I'm weird because I enjoy the English course (despite having to take grammar.) Several students have said that I should be an English teacher. I haven't decided if that's an insult or a compliment.

Everything that is accomplished in this department is evidence of the sweat from the brows of Mrs. Joy Pool, Mrs. Susan Glenney, and Mrs. Florene King. Whether they know it or not, we appreciate all the hard work that they're doing.

Everyone, teachers and students alike, start working together to make things better and more fun for everyone. In other words, "KEEP UP THE GOOD WORK!"

14 are named to honor roll

Fourteen students with "A" averages are on the first nine-weeks honor roll at Post High School, according to Principal James E. Pollard.

The honor students by grades are as follows:
Senior: Darla Baker, Jan Burkett, Janet Childs, Jan Hall, Judy Heintz, Sylvia Smith.
Junior: Kent Kirkpatrick, Dana Pool.
Sophomore: Patricia Bilberry.
Freshman: Amy Cowdrey, Hope Johnson, Mark Kirkpatrick, Kenneth Richburg, Tiana Shiver.

HOLIDAY GUESTS

Guests of Mr. and Mrs. Charles Didway and Mr. and Mrs. Walter Didway and family for Thanksgiving will be Mr. and Mrs. Rick Feris and children, Gregory and Lisa of Dallas, and Mr. and Mrs. Curtis Didway and son, Christopher of Muleshoe.

IN THIS WORLD

THE MEANS OF COMMUNICATION ACROSS DISTANCES HAVE VARIED OVER CENTURIES... TODAY, HIGH FREQUENCY TRANSMISSION VIA CABLES AND SATELLITES HAVE EXTENDED THE RANGE AROUND THE WORLD.

OVERSEAS COMMUNICATION IS MADE POSSIBLE TODAY BY THE COOPERATION OF THE VARIOUS TELEPHONE COMPANIES THROUGHOUT THE WORLD WHOSE COORDINATED ACTIONS HAVE ARRANGED A WORLD WIDE DIALING PLAN, KNOWN AS LDD FOR INTERNATIONAL DIRECT DISTANCE DIALING.

CONSEQUENTLY DIRECT DIALING IS POSSIBLE, TODAY, BETWEEN MANY PARTS OF U.S. AND UP TO 20 MAJOR COUNTRIES.

IN TIME THIS SERVICE WILL BE EXPANDED TO INCLUDE THE TOTAL U.S. AND ALL THE MAJOR COUNTRIES OF THE WORLD.

Spirit with capital 'S'

By DEBBIE LEDBETTER

The Friday night game with Tahoka was the last football game of the year for the high school. I am sure that the town is proud of the football team's accomplishment. The boys really did a great job even though Coach Alexander's "football gods", with no fault toward Coach, gave the boys some bad luck at the last. Remember boys, "It is not if you win or lose, but how you play the game that is important."

The spirit was pretty good last week. The seniors had wall signs and locker signs up along with the juniors' signs for the walls and lockers. The juniors also had their hall nicely decorated Wednesday. The sophomores had their faithful wall signs and spirit tags. I believe the freshmen had a few shows of spirit with two or three wall signs.

This is just about all of the spirit for this week and for the rest of the year, at least for football. Maybe I'll see some of you at the basketball games, I hope so.

Search begins for Edgar's successor

AUSTIN — A six-member committee of the State Board of Education will conduct a search for a new commissioner of education to succeed Dr. J. W. Edgar who retires June 30, 1974.

The committee, appointed Nov. 14 by Board Chairman Ben Howell of El Paso, includes: Vernon Baird of Fort Worth, chairman; Joe Kelly Butler of Houston, E. R. Gregg, Jr., of Jacksonville, Paul Mathews of Greenville, Dr. Stanley B. McCaleb of Richardson, and Herbert O. Willborn of Amarillo.

All inquiries relating to the appointment of a new commissioner of education should be sent to Baird at the Texas Education Agency, 201 East 11th St., Austin, Texas, 78701.

EAGLE ROUNDUP

Thanksgiving Holidays
Thanksgiving holidays begin Wednesday at 2 p. m. Classes resume Monday, Nov. 26.

Football Season Ends
The Southland High School Eagles ended the season with a non-conference game against the Cotton Center Elks Nov. 9 at the Elks' Homecoming. The Eagles were defeated 22-0 on a cold, wet field. Steve Buxkemper, senior back, did not play because of a knee injury.

The Junior High Eagles lost their last contest 22-12 against the Longhorns at Loop Nov. 8. The Longhorns scored eight points in the final minute of the game. John Sertuche scored both of Southlands' touchdowns.

New School Nurse
Mrs. Laverne Jones is the new school nurse at Southland School. Mrs. Bessie Straw, former nurse, is now full-time nurse at the Post Schools. Mrs. Jones and her husband live in Slaton. They have a one-year-old girl. Mrs. Jones will be coming to school every Wednesday and two Thursdays each month.

Donkey Basketball Game
Two donkey basketball games and some special events are scheduled for Monday, Nov. 26 at 8 p. m. Coach Donny Windham is the sponsor. Proceeds will go to the athletic department.

Advance tickets are 50 cents for children (through 6th grade), 75 cents for students (grades 7-12), and \$1.25 for adults. Tickets at the gate will be 75 cents for children and \$1.50 for students and adults.

Contact any freshman or sophomore for tickets. The athletic department is in charge of the concession stand.

Group Sees Movies
The students from Mrs. Betty Hall's Resource Room went to the Arnett-Benson theater in Lubbock last Wednesday and saw two movies, "Dumbo" and "Now You See Him, Now You Don't." They had free popcorn and cokes along with a lot of good laughs.

Those who attended were: Janet Milo, Miller Salinas, Sam Davila, Louis Milo, Sherman Daugherty, John Sertuche, Andrew Hill, Elvira Vasquez, Juan Vasquez, and Mrs. Hall. They plan to take another trip.

Attends Conference
Henry Hunter attended the Math Conference Nov. 13 and 14 in Lubbock that was designed to instruct principals and curriculum directors in the new state requirements for math in grades 8-12. It will be possible for a student to earn 9½ units of math in high school. Individualized instruction is a must under this program, and each student may progress at his own rate. This change is now starting in grades 5-12 in Southland Schools. The Texas Education Agency still requires two years of high school math for graduation.

Mrs. Ray Simmons taught Mr. Hunter's classes while he attended the conference sessions.

Basketball Begins
The basketball season has begun for all Southland teams. The senior class will be in charge of the concession stand for all junior high home games.

Teacher to Mrs. King
By PAT...
The "Teacher of the Year" award has been bestowed on Mrs. King for the past 14 years. Her association with the teachers and the students graduated from the school with a BS degree in English II.

In her spare time, Mrs. King enjoys fishing with her family. Mrs. King participates in the Garden Club, the Amiga Sunday School, and the First Baptist Church.

When asked what she meant by her award, she said, "I mean to honor I will strive to."

For Holiday Gifting Give One of Post's Own Christmas Nativity Plates

Designed by Mrs. Lucille Richards the blue decal depicts the Teen Live Nativity Scene shown three times each Christmas Eve in the carpenter's Jim Cornish residence. numbered plates have been ordered from the Post Chamber of Commerce.

Plates May Be Purchased for \$1.00 Each at:

The Attitude of Gratitude

By Bob Stice

A relevant thought for the Thanksgiving season is found in the seventeenth chapter of the book of Luke in God's Word. The Bible says that as Jesus entered a certain village between Samaria and Galilee, he encountered ten leprosy men who cried out to Him for mercy. After receiving His instructions, the ten men went their way and were cleansed as they were going. Verse fifteen says that "one of them, when he saw that he had been healed, turned back, glorifying God with a loud voice, and he fell on his face at His feet, giving thanks to Him." Jesus answered him with a question, "Were there not ten cleansed? But the nine — where are they? Were none found who turned back to give glory to God, except this foreigner?" All ten had been blessed and healed by the same mercy and the same blessing of God. Nine went on their way — one turned back to give thanks. One out of the ten showed an attitude of gratitude for the blessing of God.

Can we not see a similar illustration of an ill attitude in our world today? Nowhere is it more evident than in America that a compelling desire to always have more than someone else, at any cost, and to push ourselves and those around us to be better and richer, finally leads us to a leprosy condition of ingratitude and false self-security.

God has blessed America, unlike the way He has blessed another nation, but our attitude has unfortunately been, in many cases, to go on our way, enjoying blessings, and never turning back to give thanks for the mercy of a bountiful and compassionate Holy God who has blessed us. One grateful attitude out of ten is good, but a poor average. There needs to be a call this Thanksgiving to the very heart of our souls to turn back to God and give thanks. We're living this year under a cloud of present political and economical and social. Can we not realize the God who created this earth with its natural resources and the God who created us miraculously, is the same God who has blessed us as a nation? For men to themselves up to a high-pressure state trying to figure out the solutions to all of the world's crises while they turn their backs on the God who created it all, is foolishness.

Our Thanksgiving prayer this year, more than should be for God to help us return to the attitude of gratitude. It is ironically tragic that blessed people dare celebrate "Thanksgiving" without honest and real "giving of thanks." Our nation needs healing in a desperate way. The attitude of gratitude is the beginning of the real cure.
