Monday opening set for '73 United Fund drive

Two-weeks effort to raise \$9,500

Garza County's 1973 United Fund drive will open a concentrated two-week effort Monday to raise \$9,500 for 10 participating agencies, one of them being funded for the first time to take care of emergency or new project financing as it comes up through the year.

Jim Cornish, campaign chairman for the third year, called for an all-out effort by workers "to reach all contributors."

"Too often in the past many have not been contacted," he said. "We are constantly trying to improve our reaching technique."

One of the new techniques this year will be applied to the farmers and ranchers division with Mrs. Patty Kirkpatrick to head a large committee of women who will establish telephone contact with farm and ranch families and then mail out the pledge cards.

The big business division, which each year raises between 50 and 60 per cent of the drive's goal, will kick off with a card assignment session in the First National Bank at 4 p. m. Friday.

The Postex Plant, through personnel manager Walter Didway, will handle its own United Fund campaign among plant workers. In past years, Postex employees' total contributions have ranged from \$1,200 to \$1,500. Postex Plant itself for years has been the United Fund's largest single contributor. The plant to facilitate employees' contributions makes salary deductions throughout the year.

"The Postex effort is unique in our United Fund history," Cornish said. "The plant's contribution is an exceptionally large one and the plant donates the time and work required to conduct the drive for employees' contributions, to keep all records involved, and to make single monthly lump sum payments into the United Fund. This saves a whole lot of bookkeeping on our part."

The drive chairman also noted that the George R. Brown oil interests are another strong industrial supporter of United Fund. The firm makes "a very substantial contribution" and their employees year after year are either 100 per cent contributors or very close to that," Cornish said.

Strong support annually also is given by teachers, bank employees, county employees and office holders, state highway employees, postal and city employees, he pointed out.

The biggest innovation of the 1973 drive is the allocation of approximately \$750 or more to the

Garza County United Fund for use during 1973 for "particular project drives" which always crop up on either a one-time, or emergency basis during the year in any community.

"This time we will have the money waiting for them and all it will take is United Fund directors' approval to get it," the Rev. Bob Ford, United Fund president, told The Dispatch.

Division chairmanships for the drive already assigned but not already mentioned include: Dean Robinson, county employees; A. J. McAlister, postal employees; Pete Maddox, city employees; Julian Smith, state highway employees; Will Parker, bank employees; Donald Windham, hospital employees; Cornish, business division; Mrs. Mary Mayo, private citizens division; Bailey Mayo, ASC and SCS

employees; the Rev. Ford, ministers; Mrs. Winnie Tuffing, Justiceburg a rural community which annually strongly supports United Fund; and E. R. Moreland, George R. Brown employees.

The business division committee includes: J. B. Potts, Bryan J. Williams, Shelley Camp, Harold Lucas, Gene Moore, James Mitchell, Giles C. McCrary, Glen Barley, Fred Myers, and Cornish.

DISCUSSED BY CHAMBER DIRECTORS

Youth center seen as Post's No. 1 project

Post Chamber of Commerce directors agreed yesterday noon at their October luncheon meeting at Darby Don's Restaurant that Post's No. 1 project today is "establishing a youth center."

The project was discussed at length, but no conclusions reached.

County Judge Giles W. Dalby, chairman of the youth center committee, said several possible buildings had been considered but that the necessary funding up to now was the prime stumbling block.

Ronald Simpson reported that high school students and footballers are highly interested in a youth center. Family memberships, paid for by parents, was suggested by one director as a revenue raising possibility.

A city-county project also was proposed.

Dalby said the most successful youth center his committee had found was at Seminole where a woman had willed enough money to build a center and endowed the center with enough for operational costs for 20 years.

Community chorus plans under way

Because of an interest expressed by several people, a community-wide chorus is being formed. Anyone who enjoys singing and is willing to work is invited to join the chorus.

The chorus is now in the process of enlisting members and rehearsing for its first performance on Monday, Nov. 6 at 7:30 p.m. at the First Methodist Church. This is the Sacred Music Program sponsored by the Post Music Club, and will be the occasion for the first performance of the community chorus.

Two other performances are planned for the chorus, one at Christmas and one at Easter. Anyone wanting to join or to obtain information please contact Bob Stice at the First Baptist Church, 2814. Mrs. James Dietrich at Post Insurance Agency, 2894, or Mrs. Bob Ford at 2624.

DIRECTOR TELLS CLUB

Benefits reaped here from SPAG affiliation

H. Alden Deyo of Lubbock, the executive director of the South Plains Association of Governments, explained to Post Rotarians at their weekly luncheon in City Hall Tuesday noon what SPAG is all about.

He was introduced by Mayor Giles C. McCrary, newly elected president of SPAG.

Deyo explained SPAG is a regional association of cities, towns, counties, water conservation districts, and hospital districts to promote communications coordination and cooperation among member units of government.

"One of the most important things SPAG has done," Deyo said, "is to get the elected officials of this region to sit down around one table and discuss their common problems."

Deyo emphasized that SPAG provides technical assistance of all kinds to member units of government. "We do together what we can't do by ourselves," he said.

SPAG has a \$750,000 budget for the new year, Deyo said, and while all member governmental units pay dues, totaling \$37,000, into the organization this is not the prime source of revenue.

SPAG staff members provide all kinds of technical assistance in conducting surveys and working up projects which member units could not afford individually. Deyo pointed out.

SPAG also is the regional organization through which federal funds

on a wide range of projects are funneled into cities and counties of the region.

The management of SPAG includes one representative—an elected official of each member unit of government—sitting as a general assembly, plus a board of directors.

Mayor McCrary was elected two weeks ago to head SPAG for the new year after serving as vice president last year.

Both McCrary and Deyo pointed out the many benefits Post and Garza County already have reaped through their SPAG memberships, including funds to pay the salary of the Post Public Library librarian, a deputy sheriff to serve as

Chocolate syrup burglars strike

The "chocolate syrup burglars" struck again Monday night at Harmon's Hamburger Hut and Arcade, spreading chocolate syrup over everything in sight. Policeman Jerry Jolly reports.

No money was taken in the break in, but some beef sticks and candy was missing. Entry was gained through a back door on the alley.

This is the second such break-in—the first was about two months ago—in which the "place was messed up," Jolly said.

50 mail requests for absentee votes

Fifty mailed-in requests for absentee ballots for the general election Nov. 7 are now being processed. County Clerk Carl Cederholm reported yesterday.

Since absentee balloting opened only yesterday, this is no doubt the largest number of absentee ballots ever requested here this early.

Those wishing to vote absentee in person may do so at the clerk's office during office hours Mondays through Fridays. Absentee voting will close three days prior to the election.

The total voter registration in the county is 2,564, County Tax Assessor-Collector T. H. Tipton said yesterday.

ELLIS AND MIDDLETON ATTEND STATE MEETING

Directors Tom Middleton and Sam Ellis are representing the Garza County Soil and Water Conservation District at the state meeting of the Association of Soil and Water Districts being held this week in Houston.

Approximately 600 directors and wives from all over Texas are attending the Tuesday, Wednesday and Thursday meeting. The speakers include Dolph Briscoe and Bill Hobby.

Awards presented thick and fast at 4-H banquet here

Garza County's highest 4-H honors, those of Gold Star Boy and Girl, went to Tony Conner and Marla Shelton at the annual Garza County 4-H Achievement Banquet held Saturday night at the 4-H building.

The Gold Star pins were only one of numerous awards made at banquet, which was attended the largest crowd in its history. The 4-H building being filled to capacity by 4-H members, guests, who included parents, most of the youngsters.

Adult leader Neal Clary presented the Gold Star pins to Conner and Miss Shelton. Tony Conner is a member of the Post Junior Leaders 4-H Club, and daughter of Mr. and Mrs. J. Shelton, is a member of the Saint Valley 4-H Club. This is Tony's seventh year and Marla's ninth year as 4-H members.

County Judge Giles W. Dalby, assisted by Theresa Orr, presented the awards. —(See 4-H Awards, page 8)

AT HARVEST FESTIVAL

Junior High band is parade winner

For the second year in a row Saturday, the high-stepping Post Junior High School band won first place in the Harvest Festival parade in Brownfield.

The parade, which was held at 11 a.m., is said to be the biggest such event in the South Plains area. Band Director Herb Germer reported.

The band was accompanied to Brownfield by Germer and Misses Greene, Gunn, Morris, Medlin, Tipton and Ammons and Mr. Tipton and Mr. Gunn.

Law enforcement consultant sought

The Garza County Commissioners met at a special meeting Monday authorized County Judge W. Dalby to execute a contract form to secure the services of a consultant in regard to law enforcement joint city and county agency.

Cost of these services paid through federal funds.

In November election the court appointed Mr. Dalby as absentee elector. He is now judge for election to fill the vacancy created by the death of Walter Crider, who was the Post Community judge for the voting place for which he formerly used to be a building.

Step forward for OUR United Fund

Garza County Monday will open its 1973 United Fund campaign to finance or help finance the operations next year of 10 agencies or programs which do much for this community's quality of life.

The goal is \$9,500—no increase from this year.

The money will go to pay OUR share of our own summer baseball program, our Girl Scout program, our Red Cross operations at both a local and national level, our district Boy Scout program, our share in operation of the USO around the world for American men in uniform, our local and national Salvation Army funds to give instant aid to the unfortunate, and our share for the Texas Rehabilitation Agency, Medical Research Foundation and the Texas United Fund.

The tenth agency is the Garza County United Fund itself which next year will launch a unique program of our own to step in with on-the-spot funds for local programs which need financing, thus saving individual fund-raising drives at intervals throughout the year.

The success of the United Fund campaign comes down to the simple formula of "identity" and of "reaching the people."

It isn't easy to "see everybody" with pledge cards in hand. And sometimes in the rush of every-day life, it isn't easy either for a whole lot of local folks to realize that this is our opportunity to have both a say in these programs and the chance to help them succeed.

The United Fund board, acting in behalf of the entire community, has carefully screened fund requests to be sure that our money will be well spent when given and that each

agency will receive a share of your giving in proportion to the benefits they offer us. The United Fund asks your help.

First of all, we need volunteer workers who want "to get involved" in improving community life by funding it. Second, we need your money if we are to successfully accomplish our task.

Volunteer workers can call The Dispatch today or tomorrow, the Chamber office, or contact any United Fund director or drive official.

Givers can step forward with their money or pledges to make the fund-raising job a whole lot easier. Contributions can be left at the bank, at the Chamber office, at The Dispatch, or with any director or drive worker.

Some 15 divisions of the fund-raising effort will concentrate in their particular fields, but it is difficult to reach the individual citizen not employed downtown, the oil field worker whose job may be anywhere in the county, the downtown employe, and the farmer or rancher whose contact by a fund worker requires a whole lot of individual effort. We will try to reach all of you, but we know we aren't going to find all of you when workers come calling.

The United Fund drive theme this year is a simple slogan, "You can make it possible."

You can, too, and the more cooperation you can come forward with in this next two weeks, the easier it is going to be and the more successful this campaign will be.

Accept your United Fund responsibility for good community living—and step forward.—JC

The Dispatch endorses the President

The Dispatch editorially supports and endorses the re-election of President Nixon with the firm conviction that on his record he has rightfully earned the awesome difficulties and responsibilities of the nation's No. 1 job for another four years.

He has withdrawn a half million American fighting men from the Vietnam battlefield in fulfillment of a commitment to take American soldiers out of that "strange war" whether or not the North Viets would agree to peace overtures.

He has continued to search for peace there too and it is our belief that after America's presidential election, North Vietnam will finally accept a "cease fire" although the road to any real peace appears to us years away as it was in Korea almost two decades ago.

Nixon made the politically unpopular decision to impose wage and price controls on an overheated and inflated economy and this nation is reaping gradual benefits. He took those steps, although he himself personally opposed controls, because he realized a lid had to be fitted atop America's boiling-over economy.

With massive federal funding he has led the forces of law and order in a sweeping offensive against drugs and crime by investing in better law enforcement at all local levels. A broad educational program in the best law enforcement methods has enabled the nation's law enforcement agencies to vastly improve their on-the-job training. Other billions have gone for improved law enforcement equipment which towns, cities, counties and states simply could not afford on their limited property tax base.

We can see the results of this right here in Post and Garza County. Our officers have "gone to school" and studied the best law enforcement methods. We have a teletype network reaching into our own sheriff and police office to keep us in instant contact with all other law enforcement agencies. We are preparing to accept bids on a new "law enforcement complex" and a new county jail. We are only one step away from a consolidation of our sheriff and police departments for greater operating efficiency. We have a deputy sheriff, employed by federal funds, to handle the duties of a probation officer, which we have always needed and never had. All this has come from federal funding.

Completed only last week was a massive new federal program to aid all units of local government across the land. This will enable hard-pressed cities and towns, states and counties to better finance their operations. Garza County's share can go at the beginning to financing the local share of the new law enforcement building and county jail, thus avoiding more tax warrants or a small bond issue. For the City of Post it should mean reduced property taxes next year.

President Nixon has totaled up these major accomplishments while working with a Congress controlled by the opposition party. It is an impressive list.

In the broad field of world affairs President Nixon has gone to China and Russia in the interest of world peace in steps to ease world tensions, and through his efforts the SALT agreement limiting nuclear weapons has been written with Russia.

To win re-election, President Nixon will need the support of the polls of millions of Democratic voters. The polls say he has a "good chance" of getting that support.

Texas is one of the key states in his drive to win re-election and it behooves all Texans to carefully consider whether they want President Nixon returned to the White House or whether they prefer to "take a chance" with George McGovern.

The Democratic nominee has mounted a strange "now-you-see-it, now-you-don't" campaign in which he has repeatedly changed his course and altered his stands.

In his zeal to capture what they identify as the "poor vote", McGovern and his running mate, Sargent Shriver, have aligned class against class and heatedly attack the business community which creates the employment of this nation.

The presidential campaign has yet to really "heat up" in Texas because McGovern has failed to find any real issues to use to win the votes of a majority of Texans.

We think President Nixon will win Texas in November because those who measure the two men—and their records—will prefer a battle-tested veteran of the White House who has produced major gains for all of us in exceedingly troubled times and who is closer to our own political thinking than his opponent who appears rather long on rhetoric and rather short on personal ideas for what is good for all America.—JC

Letters to the Editor...

SAYS DOGS STARVE

Dear Editor:
I have noticed that there have been dogs starving to death in the city pound over the last two to three months.

I talked to all the city councilmen and the mayor and none of them knew who was responsible for taking care of the dogs.

One dog had been dead so long that it had dried up to where nothing but skin and bones was left of it, and there was no food or water for what dogs were in the pound. Dogs were taken care of when Junior Shepherd was policeman. I know because I have stopped by when he was feeding them.

If the citizens of Post would look around, they would see some of the things that aren't being taken care of by our city government.

But Pete Maddox and the other boys who work out of the barn have all they can do, and we appreciate them.

LAWYERS HAVE BEEN, or are being, passed to do away with signboards on the highways, but they won't be missed very much except by the people whose business it is to make them and put them there.

Every once in a while you'll run up on a signboard that's clever enough to draw a laugh, but most of them are pretty dry as far as their message is concerned. Signboards are not in a class with bumper stickers or business place signs when it comes to provoking a laugh.

IF YOU KEEP your eyes open, you'll see funny signs by the dozen, if you do much traveling—which I don't. But I've collected notes or quips about signs that are worth recounting, and some of the signs I've seen with my own eyes.

I especially recall a funny one I saw at Hale Center during a football season of a few years ago. We pulled up in front of a rather small cafe to go in and get a cup of coffee, and there in a window of the cafe was a sign which read, "We Can Seat 140—10 at a Time."

SEVERAL YEARS AGO, I was sitting in a cafe in a town farther west drinking coffee. As my eyes wandered toward the high ceiling I saw on the wall a sign all by itself, which read, "What in the hell are you looking up here for?"

And there was that bumper sticker on the back of a jalopy that read, "Help stamp out license plates. Go to prison."

IN A BARBER shop window a sign said: "Barber shop quartet forming; need bass, baritone and tenor."

A pet shop window sign read: "Get a long little doggie." The picture with it was, naturally, that of a dachshund. Another pet shop had a sign over the canary's cage reading: "Mother's whistler."

AN OPTOMETRIST'S office contained a sign reading: "There are two things I'd like to make clear."

On a Cadillac on a used car lot: "Like new. Was driven by a doctor who used it only to make house calls."

BUMPER STICKER: "Custer wore only Arrow shirts."

A church bulletin board: "Come early and get a back seat." And another one: "Beware the high cost of low living." Shortly after the Catholic church ruled St. Christopher was not a saint, a San Francisco church goods store had a window sign reading: "Mr. Christopher medals—50 per cent off."

ON A SHOP selling fireplace accessories: "Everything you or little hearth desires."

A second-hand book store seeking old volumes: "Is Tarzan hanging around in your attic?"

A REAL ESTATE office: "Buy land—it's not being made anymore!"

And on an Italian restaurant's window: "Have you tangled with our spaghetti lately?"

A JEWELRY STORE window in downtown Dallas: "Diamond tiaras \$70,000; three for \$200,000."

On a beauty shop: "Wig sale—six months toupees."

ON A RESTAURANT which had gone out of business: "Closed. You had 20 years to get here."

Another second-hand book store: "These books were read by a little old lady who never read faster than 50 words a minute."

AND, FINALLY, on the rear end of a trailer: "Go ahead; tell us where to go. Everybody else does!"

If you think your house isn't so great, put it up for sale and listen to the realtor describe it.

Group from Southland attends church meeting

By TOMMIE WILKE
Hello out there in newspaper land! Hope all is well with you whoever and wherever you are. The weather in Southland is still simply beautiful. About the only problem right now is this time change. Be glad when the last of the month comes and they change it back, because it gets kind of spooky coming to work while it is still dark.
We extend our deepest sympathies to Mr. and Mrs. Jack Myers on the loss of her sister, Faye, last week. May God comfort this family in their sorrow.
Rev. and Mrs. C. T. Jordan, Mrs. Arthur Smallwood, Mrs. G. D. Ellis, and Mrs. D. D. Pennell attended the Baptist annual association meeting which was held at the Highland Baptist Church in Lubbock Monday night. They were the chosen delegates to this meeting.
Mr. and Mrs. Arvil Ferguson stopped by and visited with the D. D. Pennells while Monday morning. They were on their way to Plainview.
Todd and Serena Starkey spent Friday night here with their grandparents, Rev. and Mrs. C. T. Jordan. Their mother came to get them Saturday morning to take them back to Pecos.
Mr. and Mrs. Donald Pennell were hosts to "The Camper Caravan" this past weekend at the Basinger ranch. There were 18 rigs from Midland, Plainview, Slaton, Lubbock, Silverton, Floydada, Petersburg, Olton and Abert. Other guests were Mr. and Mrs. Carl Cederholm and Mr. and Mrs. Don H. Pennell and Matt from Post; Mrs. Karen Callaway, Jay and Stacy, Mrs. Mary Ellis, Mr. and Mrs. John Leake, Mr. and Mrs. Jim Mason, Rev. Jordan, Clarence Basinger and Joy Jean Basinger, all from Southland, and Kim and Donika Basinger from Slaton.
Sherri Wilke is attending a medical assistant association convention in Phoenix this week. One teacher and six other girls besides Sherri from LCC are attending this convention together. They will be returning to Lubbock this weekend.
Southland won another ball game. And what a game! 33 to 32! They played Union and it was touch and go all the way. Never saw so many red flags in all my life. Game lasted 2 1/2 hours, so everyone was pretty well beat when it was over, especially the boys.
The Southland Booster Club had a meeting this past Friday night after the football game to discuss plans for the Halloween Carnival which will be held in the gym on Saturday, Oct. 28. This is being sponsored by the school and the booster club, and sounds like it is going to be a lot of fun, so begin now making your plans to attend. There will be more news and publicity about this later on.
Until next week, remember this little "ole saying, "Fear God and all other fears will disappear."

Can Make It Possible the UNITED Way!

That's much more than a slogan for the 1973 Garza County United Fund drive which will open Monday, Oct. 23. Those eight words throw out the challenge — and will determine success or failure of this "10 in One" drive in the next two weeks.

Our Goal Is \$9,500 Participating Agencies Include:

- | | | | |
|----------------------------|---------|--------------------------------------|-------|
| 1. Summer Baseball | \$2,500 | 7. USO | \$125 |
| 2. Girl Scouts | \$1,900 | 8. Texas Rehabilitation Agency | \$50 |
| 3. Boy Scouts | \$2,300 | 9. Medical Research Foundation | \$25 |
| 4. Salvation Army | \$1,000 | 10. Garza United Fund | \$50 |
| 5. Red Cross | \$600 | | |
| 7. Garza United Fund | \$950 | | |

NEW UNITED FUND GOAL!

For next year, the United Fund has increased its "participation" goal to set up a fund to provide immediate "on the spot" financing for community projects during 1973. Before, Garza United Fund participation was limited to cover expenses of fund-raising efforts. Now it offers a new way to make it unnecessary to stage fund-raising efforts here for some new or emergency project. The United Fund directs \$750 during the coming year to save all time and expense. The United Fund wants to make this one drive "do it all" for 1973.

Be Ready! Or Better Yet — Step Forward!

Be ready when the UF worker comes calling. Be as generous as you can. This is your community. Put your money into benefitting our quality of life—for us and our youngsters. Better still volunteer to do some of the calling yourself. We need your efforts. In recent years, UF fund raising has fallen to a small, determined group who needs fresh workers and fresh ideas. If you like your community, "get involved" in helping its institutions.

Let's "Make It Possible—The United Way"

Panel discussion on dating heard at FHA meeting

Miss Donna McBride directed a panel discussion on dating at the Monday night meeting of the Future Homemakers of America. Serving on the panel were Dan Hodges, Randy Kennedy, Rodney Compton, seniors, Sylvia Smith, Karla Josey and Lee Ann Williams, juniors.
This program is a part of the goal to help prepare individuals for responsibilities of homemaking, a part of the national goal to strengthen bonds within the family and community.
Each officer and member of the Little Sister chapter of FHA received a ribbon.
Mrs. Edna Sorrells and Mrs. Mabel Martin gave a talk on selling home use products. This will be done by the girls for the next two weeks.
The next meeting will be a Halloween party, "Twirp Night", Oct. 16.

GUESTS IN POST
Visiting Mrs. R. H. Collier last week were her nieces, Mrs. Ralph Bell of Houston and Mrs. Crawford McMurry of Ennis. Also visiting Saturday was Mrs. Larry Packett of Happy.

OBNOXIOUS SHOPPER
 One of my secret missions to the grocery store last Wednesday (stamp day) I observed the most obnoxious shopper in town.
 — instant mashed potatoes, — biscuits and no-bake mix biscuits — what could be more fitting a full-proof list of how to be completely obnoxious grocery shopper. And Ophelia supplied me several points to practice.
 — first of her points to practice being an obnoxious shopper being in the parking lot. That is to up two spaces in the parking lot on a busy shopping day.
 — even if you can shop any day of the week, until 5 p.m. to do your week's shopping — business people returning from work will just have to wait until you're through.
 — all means, let the kids freely all over the store.
 — if you happen to meet and decide to chat, don't stand on one side. Stand right in the middle of the aisle.
 — bother to move over from a shelf or showcase to someone else look. After all, you're first.
 — leave your cart in the aisle and run off to something you need. Let someone else move it out of the way.
 — the cart is full, don't go to the checkout waiting in line if you're aggressive enough to push ahead of someone else.

and even better, take overflowing cart to the fast lane. Others do it, so why are you bashful? Just barge in.
 — the cash register, don't put it out of the way of others.

and don't have your billfold ready. Take it slow and easy and make others wait.
 — Consistently practicing these points is absolutely guaranteed to make a person the most completely objectionable shopper in the store, and maybe even run a close race with Ophelia Obnoxious for the title of "Most Obnoxious."

Report on park project heard at WCC Club meet

Mrs. J. H. Haire gave a report on the progress of the Algerita Park project at the Oct. 11 meeting of the Woman's Culture Club. The meeting was held in the home of Mrs. R. T. Dickson with Mrs. Helen Richards as co-hostess.

Other reports given were: Mrs. C. R. Thaxton on the progress of the GEG program; Mrs. Lois Williams discussed "Modern Art"; Mrs. Lee Davis, "Modern Movies"; and Mrs. Herman Havis' subject was "Modern Literature".

Mrs. Tillman Jones introduced Mrs. Jerry Mitchell who played several selections on the piano, two selections by Chopin, old favorites, such as "Tea for Two" and others. Fifteen members were present and one guest, Mrs. Sally Luttrell, daughter of Mrs. Lee Davis Sr.

Shower is held for bride-elect

Miss Lanita Justice, bride-elect of Robert McAfee, was honored with a bridal shower recently in the community room.
 The guests were greeted by the honoree, her mother Mrs. H. H. Justice and the future bridegroom's mother Mrs. G. H. McAfee.
 Misses Sandra Bostick and Jodine Tipton served from a table laid with a white lace over blue and centered with a blue floral arrangement flanked by white candles and streamers lettered "Robert and Lanita".
 Approximately 25 attended.

The air tour has 15 rules for their pilots. A Houston woman said that her favorite one was "Do not hog the air".

Two California couples were able to recall the other 14: There will be no IFR (Instrument Flight Rating) on the tour. There will be no formation flying. We will use 122.9 mc in the air. We will use 122.9 mc in the air. We will use contact. You will be responsible for your gas bills. You will be responsible for your own navigation. You will not fly unless you feel safe. We will not fly below minimums. You will conform to the traffic pattern. You will be courteous. You will have fun. You will not go or leave until you have been cleared to do so. Do not call the weather bureau and plague him. (We have a weather man for that.) Listen to FSS for area advisories (Parachute jumping, etc.)

It was an impressive feat. Not many people could rattle off their rules so well. As a matter of fact, several of the other pilots looked as though they'd never heard them before.

At any rate, they all seemed to enjoy their stop here. It was good publicity for us, too. Maybe next year we can have them for lunch!

STUDENTS ON VISIT
 Tommy Jack Taylor, son of Mr. and Mrs. Pat Taylor, and Kelly Duren, son of Mr. and Mrs. Joe Duren, visited their families over the weekend and returned to Angelo State University Sunday.

Potluck
 By ROSEMARY CHAPMAN

There are four new puppies to be had for the asking at the Earl Chapman's house. For more information, call 2984.

Post was one of the four new stops on the 32-stop All Texas Air Tour last week. The other new ones were Crane, Seminole, and Carrizo Springs.

The tour's publicity book described Post as "County seat of Garza County, picturesquely situated below rim of caprock. City named and founded by C. W. Post, nationally-known cereal manufacturer. Cotton mill." Several Post men at the airport were overheard explaining to the pilots that we had cattle and oil, too!

Garden Club program on 'Foliage Plants'

Mrs. N. R. King gave a program on "Foliage Plants" at the Oct. 12 meeting of the Green Thumb Garden Club in the home of Mrs. Douglas Buchanan.

Mrs. Jack Burruss, president, presided over a short business session.
 Refreshments were served to: Mmes. Dan Cockrum, Homer McCrary, Ivan Jones, Jack Ballentine, Jack Taylor, Junior Hagins, Jess Hendrix, Robert Cox, King, Burruss and Buchanan.

FROM CALIFORNIA
 Mrs. Sally Luttrell and daughter, Mrs. Charlett Carlson of Hayward, Calif., are visiting in Post, with family and friends. A family dinner was held Sunday in the home of Mrs. Luttrell's parents, Mr. and Mrs. Lee Davis Sr. There were 6 guests from Amarillo and Dallas.

Guild program on Yule decorations

Mrs. Ann Bishop gave a program on Christmas decorations at the Oct. 9 meeting of the Post Art Guild. The meeting was held in the Reddy Room with Mrs. Ineta Cannon as hostess.

Mrs. Bishop showed many Christmas decorations she had made, including Christmas trees, Santa Claus figures and many others. She demonstrated the making of the articles made of paper from magazines and covered with gesso and then sprayed with the desired color of paint. They are inexpensive to make.

Those attending were: Mmes. Boo Olson, Marie Neff, Faye Griffin, Jan Bell, Evelyn Neff, Lucille Richardson, Ada Lou Bird, Lois Williams, Bishop, Cannon, a guest, Mrs. D. C. Williams of Ashland, Ky., and Ed Neff.

Former residents, now of Alabama, visitors

Mr. and Mrs. Ben Gann and daughter, Ida, of Tallahassee, Ala., and Roy Cox of Alexander City, Ala., visited last Thursday with Mrs. Estelle Samson. The Ganns are former residents of Post and Post Mill employees. They moved to Alabama in 1935 and this was their first visit to Post since 1939.

After lunch with Mrs. Samson, many friends called on the Ganns. They included Mr. and Mrs. Lyde Odom, Vester Smith, Mr. and Mrs. Bill Sanders, Mrs. Dessie Duren, Hattie Mae Robinson, Lola Knowles, Mrs. B. E. Young and Mrs. Mae McMahon.

Mrs. Samson reported the Ganns were very impressed with the changes and growth of Post. They will visit in Carlisbad, N. M. before returning to Alabama.

Chapter members go on tour of furniture store

Victor Hudman, owner of Hudman Furniture Store, conducted a tour of the store for members of the Gamma Mu chapter of Epsilon Sigma Alpha sorority Oct. 9.

Hudman explained the different types of furniture, points of construction, the best types of materials to look for and several very helpful shopping suggestions to the group.

The program was the first of the series on interior decorating planned by the sorority for the year.

Following the tour, the group returned to the community room of the First National Bank for a short business meeting and refreshments.

Hostess for the evening was Louise Green. She carried out the theme of "Days Gone By" in the table decorations and served old-fashioned banana nut cake and punch.

Those present were: Nell Morris, Jane Mason, Helen Mason, Laveta Norman, Orabeth White, Thelma Mason, Johnnie Norman, Ruth Pate, Judy Bush and the hostess.

Informed Consumer

"WHO ARE YOU HELPING?"
 "They need your help just to survive."
 "A dollar means so little to you but it means so much to them."
 Have you heard similar appeals lately? Of course you have, nearly everyone has.

But are such appeals legitimate? Often it is difficult to tell. Sometimes the request is virtually a swindle.

The postal inspectors were involved in the investigation of one of the biggest charity rackets of which I have heard. This involved a professional fund-raising organization which solicited from millions of persons throughout the United States on an annual basis for several years. Ostensibly they were seeking funds to help find a cure for a crippling disease.

The investigation by the postal authorities disclosed that of approximately \$22 million contributed by the public, nearly \$11 million was earmarked for salaries and expenses. In addition, illegal kickbacks were given to the charity's officers.

While the dollars involved here are larger than most, the percentages are not unusual. We have received information where only 25 per cent of funds raised go to the charity and the other 75 per cent goes to the fund raiser.

But this is not to discourage your support of charitable groups. Many are making important contributions in medical research, helping the handicapped, giving assistance to the elderly or to children unable to help themselves. Their work is worthwhile and it deserves your support.

However, you can and should be sure your contributions are effectively used. Before you donate, you should know the charity, its purpose and its past record. If you don't, check with your Better Business Bureau or Chamber of Commerce. You can also ask for a financial statement from the organization.

Remember, the pictures on the literature may be appealing, but if you are not careful your money may wind up in the pockets of some rich promoter.

BURKES VISIT HERE
 Mr. and Mrs. Louie Burkes of Greenwood, S. C., formerly of Post, left today after a three-day visit with local friends to return home. They "came back to Post to see everybody" after a vacation visit with their daughter and family in Houston. Two freshmen chosen as 'Citizens of Week'

Last week, Jenny Miller and Mike Hays were named as "Citizens of the Week" by showing unbounded citizenship to everyone at Post High School. They are both freshmen.

Jenny Miller is kept busy with a lineup that keeps her going all day long. She is the secretary of the pep squad, plays basketball, reports for the drama club and is secretary-treasurer of the freshman class. Jenny claims her favorite subjects are math and English and says she is fortunate by liking all of her teachers. Her favorite pastime is playing the piano and her plans for the future are to finish high school and go on to college. "Being chosen 'Citizen of the week'", she says, "is the nicest thing that has happened to me since I have entered Post High School. It is a great honor."

Mike Hays also puts his time in school to good use, as he plays basketball, plays in the band, and has classes in the FFA. Mike's favorite subject is math and his favorite teacher is Miss Harris. He likes to ride horses and plans to attend college and then move to Montana. When asked how he felt to be nominated "Citizen of the Week," he said: "It is something that thrills me because I've never been anything special to anyone before."

Rusty Conner, senior at Post High, honored as 'Commended Student'

A Letter of Commendation honoring Rusty Conner for his high performance on the 1971 Preliminary Scholastic Aptitude Test-National Merit Scholarship Qualifying Test has been awarded him. James E. Pollard, Post High School principal, has announced.

Rusty, son of Mr. and Mrs. Syd Conner, is one of 37,000 students in the United States named as Commended students by the National Merit Scholarship Corporation. These students are among the upper two per cent of those who are expected to graduate from high school in 1973.

Edward C. Smith, president of NMSC, said: "Although Commended students advance no further in the Merit Scholarship competition their standing in this nationwide program deserves public recognition. Their high performance on the PSAT-NMSQT shows promise of continued success in college."

Junior High 4-H elects officers

Stephen Myers was elected president to succeed Byron Gray when the 4-H Junior High Boys met Monday in the county courtroom for an election of officers.

Others elected were: Jimmy Dorland, vice president; Randy Conner, secretary; Byron Gray, reporter, and Jimmy Dorland, council committee delegate.

Other outgoing officers are: Joe Neal Clary, vice president; Brent Terry, secretary; Robert Wilke, reporter, and Brent Terry, council delegate.

Meetings are scheduled for the second Monday of each month at 4 p.m. in the courtroom. Reminders will be announced at school.

More and more people are wising up to the low cost of electric heat

More SPS customers switched to electric heat last year because they found out, through a free estimate, they could operate an electric heating system for little more than they were spending already. Do you think they made a wise decision? Ask any of them. They're our most convincing salesmen. And, ask us for an operating cost estimate. It's free. It's accurate. It's a real eye-opener.

Coach Alexander is elected as 'Teacher of Week'

By GLENDA NEWDIGER
John Alexander was elected as "Teacher of the Week" last Tuesday. He has been teaching school for ten years. Post High School has had his employment for two years teaching government. Mr. Alexander stated that his association with young people is what he has enjoyed most about teaching.

Mr. Alexander has graduated from Clarendon Junior College, Wayland College (B. S.) and is still doing graduate work at Texas Tech.

He uses some of his spare time to play golf, go fishing and hunting. He participates in the Texas High School Coaches Association. When asked what he thought about being chosen "Teacher of the Week," he replied that hopefully, he was relating to the students concerning their problems of today, the problems that they will encounter tomorrow, and the problems that the older generation encountered yesterday. He then said, "I am proud of this honor."

John Alexander has been married seven years to Mary Alexander. She teaches in Post Junior High School. They have a son, John Lance, who is two and a half years old.

Students get out early for teachers' workshop

By RAFAEL RIOS
The students of five Post schools were dismissed early Oct. 12-13, due to a teachers' workshop that was being held.

The teachers listened to Dr. Murphy speak on the new packet system which has been introduced into the Post schools.

A discussion on media utilization, media requirements, and the role of media in instruction was held during the workshop. The teachers will have a workshop each month until about mid-term.

The next workshop will be held Nov. 9-10. Students will be dismissed early on these days also.

Philly's Phrases . . .

By PHILLYS ECKOLS

Not a whole lot has happened this week. I suppose the best thing that's happened was getting out of school early last Thursday and Friday. I really did enjoy that—it's too bad that it isn't our regular schedule!

Last Saturday the UIL students went to Odessa to a workshop. We left at 6 o'clock Saturday morning, which wasn't as bad as it sounds (compared to the rest of the day).

The trip up there went pretty fast, since most of us were sleeping. However, the trip home was quite a different story. To get off to a good start—we ran out of gas just outside Odessa—evidently our bus driver, Mr. Pierce, needs to spend some time away from his slide rules and test tubes to learn how to read a gas gauge.

Twirp Night last Monday was a big success, but there seemed to be a little controversy about who should pick up whom. I guess they got everything settled because everyone was there.

Ricky King had wreck out on the Gail highway Saturday night, in Dennis Ray's pick-up. Since this is the second pick-up that Ricky has wrecked for Dennis—I was just wondering if there was some kind of hex put on Dennis' pickups. At any rate, they say that the third time is a charm—Maybe Dennis can keep his third pickup from Ricky's wrecking habit. Hope you are up and about soon, Ricky!

You know, a thought occurred to me last Friday night at the ball game in Slaton: the pep squad is probably the hardest working and least rewarded organization in school. They do a lot more than just form a cheering section at the games—they devote five and six

hours a week to supporting the team. Let's show a little appreciation!

The Citizens of the Week are from the freshman class: Jennifer Miller and Mike Hays. Congratulations!

The paper staff elected its first choice as Teacher of the Week: this week's teacher is Coach Alexander.

I understand that the Student Council is considering raffling a bicycle. I sure hope they do—my car is in such poor condition that I am expecting it to explode any time (it sounds like it already has). Anyway, I sure would like to have a fancy bicycle to get around on.

I noticed that our pep rally was a little bit more spirited last week than the week before. Our cheerleaders are sure doing a good job of building up school spirit this year. Speaking of spirit—the senior class won the spirit stick last Friday. YET, SENIORS.

HINT TO THE WISE: You don't need to warn people of an immature person, they'll show everyone themselves.

THOUGHT FOR THE DAY: Some people are like mules, awfully backward about going forward.

Band sells fruit cakes for funds

By KELVIN THOMAS

The Post High School marching band is in the process of selling fruit cakes in order to raise enough money to send the band to Colorado in May. The fruit cakes will be delivered about a week before Thanksgiving.

The fruit cakes will be sold again before Christmas. The success of the fruit cake sales depends on the citizens of Post purchasing the cakes. It is hoped that the band will gain much support in this project.

Problems resolved at pep squad's meeting

By JENNY MILLER

There was a pep squad meeting held Tuesday, Oct. 10, after school with the meeting called to order by the president Debbie Hood.

There was a discussion over problems which had come up at the football game. The problems were settled and the meeting was adjourned.

Following the meeting, the girls stayed to make hall signs which were to be hung up in the halls for Friday.

Muscular dystrophy funds to be collected in march by FHA girls

Some 50 volunteers from the Post High School chapters of Future Homemakers of America will conduct a house-to-house march here Nov. 10 to collect funds to support research on progressive muscular dystrophy. The FHA group has taken the campaign on as a special project, with Mrs. Marion Wheatley and Mrs. Cindy Mitchell, home-making teachers, serving as directors.

Muscular dystrophy is presently incurable, slowly progressive, and usually fatal disease which afflicts about 200,000 in the nation. About two-thirds of these are children.

Drama Club sets dues for year

By JENNY MILLER

There was a Drama Club meeting Oct. 9 in Post High School. The meeting was called to order by the president, Jill Cash.

The drama club's dues were set at 50¢ for each semester. There were four people chosen on a committee to select three plays which will be presented to the public sometime soon.

Mr. Hodges brought to our attention that there was a UIL meeting to establish the new rules of the one-act play and other UIL events on Oct. 14 at Odessa. The members who attended the meeting left at 6 a.m. Saturday.

You'll Find Lots of All Models of

Our Gift

It is my conviction that God has given this country to us. You and I have not earned it. We inherited it from our forefathers. We have done nothing especially deserving of being given this precious gift.

Thus, I come back to say that the person who sees this country as a gift will love the whole country and be concerned about the general welfare. After all, it is not this a gift from God to use responsibly for all people.

It is also my conviction that a person who sees this country as a gift will love the country more than the one who sees it as belonging to him and tries to possess his part. This type of person is the one who will die to protect what is "his" rather than be concerned about the whole. This is the kind of person who will pollute "his" part of the country without any thought to what it will do to the rest of the country. This is the kind of person who is always "voting his pocketbook" rather than for the general welfare. This person loves himself and what is "his" more than he does the country.

All of this to get to my point. Please vote for the persons whom you think will do the best for the country—from the courthouse to the White House. One of the greatest gifts we have been given as citizens of this country.

Grace and peace,
Bob Ford

Let's Get Back to Winning!

Post Antelopes VS Frenship Tigers

**FRIDAY NIGHT, OCT. 20
7:30 KICKOFF**

Antelope Stadium

— Other Post Games —

Thursday, Oct. 19: Frenship vs. Post Freshmen, at Frenship, 5:30 p. m. Frenship vs. Post Jr. varsity at Frenship, 7:30.
 Tuesday, Oct. 24: Idalou vs. Post, 7th grade, at Post, 5:30. Idalou vs. Post 8th grade, at Post, 7:00.
 Thursday, Oct. 26: Idalou vs. Post freshmen, at Idalou, 5:30. Idalou vs. Post Jr. varsity, at Idalou, 7:30.

The Frenship Tigers, coming off their biggest win of the season last week, are the Post Antelope foes here Friday night when Coach Bobby Davis' club attempts to get back on the winning trail and score their first district victory.

The Tigers upset the powerful Tahoka Bulldogs last week by hanging a 17-16 victory on the scoreboard.

For the season they're only 3-3 in six starts with non-conference victories over Morton and Hale Center, besides that big Tahoka win.

They have lost to Roosevelt in district play and dropped non-conference games to Lockney and Tulia.

Last year, the Tigers defeated Post 11-10 on a last-gasp field goal which fans thought came after time had run out on the game clock.

Your support is needed by the 'Lopes when it counts most as the Post eleven moves further into district play. The Antelopes will be looking for a scoring punch this week—and for your continued support up in the stands.

Oct. 27 deadline for ASC nominee petitions

Petitions for nominees for committees in the ASCS community committee elections must be filed at the county office not later than Oct. 27, according to Emmarthe I. Hartel, county executive director.

Nominees should be selected for A, B, C, D and E communities. The election is to be held Dec. 1.

NOTICE TO BIDDERS FOR THE CONSTRUCTION AND EQUIPMENT OF A LAW ENFORCEMENT COMPLEX AND JAIL

Sealed proposals addressed to Honorable Giles Dalby, County Judge, Garza County Courthouse, Post, Texas 79356, will be received by the County of Garza, Texas, for the construction and equipment of a law enforcement complex and jail until 10:00 o'clock a. m., October 30, 1972, and immediately thereafter will be publicly opened and read aloud. Any bid received after the stated time will be returned unopened. No bid may be withdrawn until the expiration of thirty (30) days from date of receiving bids.

Specifications are on file and may be examined without charge in the office of the County Judge, Garza County Courthouse, Post, Texas. Specifications will be mailed to prospective bidders upon receipt of their request.

The County of Garza intends to enter into a contract for the construction and equipment of a law enforcement complex and jail, with the lowest and best responsible Bidder, but the County reserves the right to reject any and all bids, to waive formalities, and in case of ambiguity or lack of clearness in stating proposal prices, to adopt such interpretations as may be most advantageous to the County.

Notice is hereby given that it is the intention of the Commissioners Court of the County of Garza to issue and deliver the interest bearing certificates of obligation of the County of Garza for payment of a part or all of the Contract to be let and made pursuant to this Notice. The Commissioners Court has made provisions for the contractor to sell and assign such certificates to another and each bidder is required (at the time of the receipt of bids) to elect whether he will accept such certificates in payment of all or a part of the contract price or assign such certificates in accordance with such arrangements.

Not less than the general prevailing rate of per hour wages for work of a similar character in the locality and County of Garza, and not less than the general prevailing rate of per hour wages for legal holiday and overtime work, shall be paid to all laborers, workmen and mechanics employed on the construction of the project, which the Commissioners Court of the County of Garza has ascertained and here finds to be as follows:

The Minimum Federal Wage Requirement of \$1.60 per hour will be paid in all categories.

Deyo also stressed law enforcement training courses in which local officers have received 240 hours of instruction in basic law enforcement with many area officers taking advanced courses of training which also are provided.

"We also are getting into medical facilities, alcoholism, and manpower problems," Deyo said. "It is hard to conceive the wide range of projects SPAG has worked on in just the last year for its member governmental units."

Two Shell employees complete 25 years

Two Shell Oil Company employees, one a resident of Post and the other a native of Post, have recently completed 25 years of service with the firm.

J. W. Gist, lease operator for Shell's Mid-Continent Division Post Production Unit, completed his 25 years of service with the firm on Oct. 10.

Joining Shell in 1947 as a roustabout in Denver City, John Gist was promoted to gang pusher in 1950. He was named lease operator in 1953 and transferred to the Post production unit in that capacity in 1958.

Gist and his wife, Mary Ruth, reside at 112 West 10th St. in Post.

Fourteenth Year: Faye Maddox, Tony Conner and Maria Shelton, assisted by Cindy Terry and Byron Gray, awarded record book trophies to: James Alexander, best first year boy; Debbie Craddock, best first year girl; John Bill Hedrick, best over-all boy, and Genetta Kennedy, best over-all girl.

The Graham 4-H Horse Club trophy, a blanket, was awarded Melvena Stewart by J. L. Hedrick.

The 4-H "I Dare You" awards went to Jay and Phyllis Kennedy, with Jan Bilbo, assisted by Jack Moore, presenting the awards.

This year's "Friends of 4-H Award" went to the Soil Conservation Service in recognition of two of its employees, Bailey Mayo and J. R. Bell, coaching the county's successful 4-H grasses identification team. Phyllis Kennedy, assisted by Danny Gunn, presented the award to Bailey Mayo.

Record book ribbons were awarded by Sue Cowdrey, assisted by Greg Pollard.

Nancy Cook, president of the county 4-H council, was master of ceremonies and near the conclusion of the program turned the president's gavel over to Junior Stelzer, who succeeds her in the office. Other incoming and outgoing council officers were introduced.

The invocation was by Christie Conner, with Melanie King giving the welcome address. Jay Kennedy led a recitation of the 4-H motto and pledge. Jodine Tipton introduced the council members, and Rusty Conner the special guests. The program was closed with the 4-H prayer, led by Joy Jean Basinger.

Again this year, Lyntegar Electric Cooperative, Inc., assisted with the banquet by furnishing the meat for the banquet and incidental expenses, including the printed program.

Sixth Year: Genetta Kennedy, Phyllis Kennedy, Mark Bevers, Jay Kennedy and Sue Cowdrey.
Seventh Year: Tony Conner and Nancy Maddox.

Ninth Year: Maria Shelton, Sue Bevers and Rusty Conner.

Three ventures in Garza oil news

One new wildcat venture has been staked, a new well has been completed in the Justiceburg field, and a new test is planned four miles northwest of Post.

That's the top oil news for the week in Garza County.

The new wildcat is a 3,250-foot exploration, the No. 1-C Connell Estate which is scheduled to be drilled eight miles southeast of Post in central Garza County by the Carter Development Corp.

The venture is located 1,980 feet from north and 1,500 feet from east lines of Section 25, Block 5, GH&H survey. It is three and one-fourth miles south of the Arlene (Glorieta and San Andres) field production.

Humble Oil & Refining Co. has completed its No. 19-G Humble Fee as an addition to production in the Justiceburg (Glorieta) field, four miles east of Justiceburg.

Perforations from 2,505-2,568 feet potential to pump 41 barrels of 48.8-gravity oil plus 122 barrels of water in 24 hours. Gas-oil ratio was 2,585-1. The section was fractured with 36,000 gallons of water plus 67,000 pounds of sand.

Texaco, Inc., plans the other new test. It is a 4,000-foot project in the Huntley (Glorieta) field. Designated No. 11 B. D. Huntley, the probe is located 1470 feet from north and 1055 feet from west lines of Section 1,214, TTRR Survey, Abstract 647.

Two area ropers in Happy event

Jim Prather of Post and Tim Prather of Snyder are in the field of 47 professional ropers who will compete for a \$12,000 purse Sunday afternoon, Oct. 22, in the third annual Westley-Sims Memorial Roping in the rodeo arena at Happy, Tex.

The two-day event will get underway at 2 p. m. Saturday with jackpot calf roping. Steer roping will begin at 2 p. m. Sunday.

Fifty-four calf ropers will be competing for over \$2,700 and a hand-tooled trophy saddle. Forty-seven steer ropers will be competing for over \$12,000 in prize money plus a trophy saddle.

The event's champion calf roper last year was Dick Zachary of Fort Towson, Okla., and the steer roping champion was Shoat Webster of Lenapah, Okla.

Lin Helton of LaGrande, Ore., will be the announcer. Helton announced the O. S. Ranch steer roping here three weeks ago.

'Lopes hope to hit comeback trail against Frenship

District game set for 7:30 on Post gridiron

The Post Antelopes will try to end a four-game losing streak in a District 5AA clash with the Frenship Tigers at Antelope Stadium Friday night, with the kickoff set for 7:30.

Coach Bobby Davis said Tuesday he is going to suit out every player on the Antelope squad for the Frenship game — sophomores, juniors and seniors. The junior varsity has cancelled its scheduled game with the Frenship JV, which was to have been played today.

While Post was losing to Slaton, 24, last Friday night, Frenship was slipping past Tahoka in a 17-point thriller by converting a fumbled punt into a late field goal, then turning back the Bulldogs with a goal-line stand in the final 10 seconds.

Grid forecaster stays with Post in Friday's game

"Snake-bit" is the only way to describe Pigskin Pete in trying to account for his dismal .500 per cent showing in the 14 games he predicted last week. Seven right and seven wrong enabled Pete to break even, but it was his poor showing of the season thus far. Games missed by The Dispatch grid forecaster were: Post-Slaton, Denver City-Cooper, Tahoka-Frenship, Haskell-Clyde, Stamford-Garza, Kress-Dimmitt, Mule shoe-Morton. At least three of them were upsets.

Pete now has 63 right and 29 wrong on the season for a percentage mark of .701.

Again this week, Pete capitalizes on choices in the following games: Frenship at POST. That "e-n-trenched evening" the Antelopes have been waiting for. COOPER at Tahoka. But the game defense will have to come through again.

Denver City, open date. Mustangs rest after upset by Cooper. Slaton at ROOSEVELT. Home field advantage.

LITTLEFIELD at Dimmitt. Bobcats having poorest season in many years.

Olson at FRIONA. Chiefs proved toughness by whipping Dahlart, 34.

Morton, open date. Indians earn a rest after upsetting Muleshoe.

Abernathy at TULLA. No breathers for Hornets.

Balls at FLOYDADA. Whirlwinds stay undefeated.

Halo at LOCKNEY. Again, the home field advantage.

HASKELL at Anson. Indians not ranked anymore, but should win this one.

Stamford at BALLINGER. Big game for Bearcats.

Winters at HAMLIN. In a close one.

Arizona at TEXAS TECH. Good chance for Raiders to improve national ranking.

Dumas at MULESHOE. Pete's wife asked him to throw this one.

TIGERS TRIUMPHANT, 21-0

Slaton grabs initial win at Post expense

It was Friday the 13th all the way for the Post Antelopes at Tiger Stadium in Slaton last Friday night, with the Tigers beating the 'Lopes, 21-0, for their first victory after five setbacks, and for Post's fourth setback against two wins.

For most of the game it appeared that even the scoreboard was stuck on 13, but Slaton scored again with 1:14 left in the game and added insult to injury by tacking on two points instead of one to make the final score 21-0.

Post lost to Cooper by six more points than they did to Slaton, but the Slaton game was their worst drubbing of the year as far as statistics are concerned. The Antelopes didn't make a first down until the second quarter and had only two of the entire first half. They finished with eight first downs against Slaton's 21, and netted 48 yards on the ground to the Tigers' 265. Only in the passing department did the 'Lopes hold an edge, outgaining the Tigers there, 95 yards to 64.

Of the 11 passes thrown by Post, six were completed, but half that many were intercepted. Slaton hit on five of eight passes, but didn't because of the Post defenders being unable to contain the Tigers' hard-running Ron Bartley, who made most of their yardage.

The 'Lopes recovered a fumble on their 15 to stop the Tigers' first drive, which followed the opening kickoff, but Post was unable to punt to the Slaton 41.

Bartley ripped off gains of 17 and 24 yards after breaking through the Post line to take the ball to the 'Lope 18. Bartley was stopped by Roger Pace after a two-yard gain, have to put the ball in the air much than hit for four more to the 12 before flanker Greg Sokora scored on a reverse to break the scoring ice with 4:29 of the quarter remaining. Ken Schuette kicked the extra.

Donnell Harper returned the Slaton kickoff 38 yards to the Post 43, but three plays gained only six yards, and Lee's punt rolled across the Tiger goal line from his 49.

Robert Varela stopped Bartley for a three-yard loss to the 17 on a third down play, and Slaton punted

DISTRICT CONTEST

Eagles win thriller from Union, 33-32

SOUTHLAND — In a ding-dong battle that was anybody's game right up to the final whistle, the Southland Eagles edged the Union Wildcats, 33-32, at Southland Friday night for the Eagles' second conference win against no 100 losses.

The Wildcats opened the scoring in the first quarter on a 35-yard pass play from Dickie Faught to Collie Booth, with Faught adding the extra points to give the visitors an 8-0 lead.

Southland got on the scoreboard before the first quarter ended when Gregg Lester and Jerry Winterrowd tackled Union's Mickey Dixon behind his goal line for a two-point safety.

The Eagles tied the score at 8-8 early in the second quarter on a five-yard run by Steve Buskemper, then passer Joe Bevers and receiver Larry Koslan put Southland in the lead on a 40-yard pass play, with Bevers passing to Winterrowd for the extra points and a 15-8 Eagle lead.

Union made it uncomfortably close again on a 65-yard pass play from Faught to C. Booth which left Coach Dan Kennedy's Eagles ahead by only a point, 15-14.

Southland's Joe Edd Eckert widened the gap to 21-14 on a 33-yard run, and Lester pushed the Eagles farther ahead when he ran an intercepted pass back 52 yards for a TD to make the score 27-14 in favor of Southland at the end of the first half.

Union pulled back up to within seven points in the third period on Faught's 19-yard scoring pass to C. Booth, making the score 27-20. Bevers and Koslan collaborated on a 28-yard pass play to make it 33-20.

Southland, but before the third period ended. Union was right back up there at 33-26 on a 22-yard pass play involving Faught, C. Booth and Dixon.

The Eagles were unable to score in the final quarter, but fought off a spirited Union rally which produced a touchdown, but no extra points, on a pass from Faught to George Booth. That made the final score 33-32, Southland.

The Eagles' season mark is 3-2 but they are 2-0 in district play, with a trip to Fluvanna scheduled for Friday night.

Officers named by Junior Leaders 4-H

The Junior Leaders 4-H Club elected officers at a recent meeting. Those elected were as follows: Cindy Bird, president; Tony Conner, vice president; Mark Terry, secretary-treasurer; Debbie Craddock, reporter; and Debbie Craddock and Tony Conner, council delegates.

Others attending the meeting were: Nedra Myers, Genetta Kennedy, Kelly Chaffin, Rusty Conner, Junior Stelzer, Randy Kennedy, Ricky Thomas and Mark Bevers.

Junior High elevens split with Frenship

Post split a pair of junior high games with Frenship here Tuesday evening. Coach Joe Giddens' 8th graders winning, 28 to 14, after Coach Don Black's 7th graders had lost, 22 to 8.

In the 8th grade game, quarterback Jimmy Dorland and tailback Kyle Duren each scored two touchdowns, with Duren also carrying over for the extra points after two of the scores.

The only scoring in the first half came on a 55-yard run by Duren after taking a flare pass from Dorland.

Dorland scored two touchdowns in the third quarter, one on a 40-yard run and the other on a 20-yard sweep, with Duren adding the extra points on off-tackle plays after both touchdowns.

With Post leading 22-0, Frenship got on the scoreboard with a 10-yard run up the middle, but missed the extra point try. Post's final touchdown came in the fourth period on a 35-yard off-tackle run by Duren, and Frenship closed out the scoring on a 50-yard run after catching the Post defense "without a defensive end," according to Coach Giddens.

Except for that one lapse, the entire Post team played an outstanding defensive game, especially in the second half, their coach said. On offense, Matt Allison and Byron Gray did some good ball carrying in addition to Dorland's and Duren's runs, the Post passing game clicked, with both Mike Waldrip and Allison hauling in passes.

In the 7th grade game, Frenship led 14-0 at halftime and scored again in the second half before Post

finally countered on a 40-yd. sweep by Randy Baker, with Brad Shepherd scoring the extra points on a dive play.

"We looked good in spots, but just didn't play up to our potential," Coach Black said of his team effort.

JV's, freshmen whip Slaton here Thursday

With quarterback Randy Josey scoring four touchdowns, Post's junior varsity ran over the Slaton junior varsity, 38 to 0, here last Thursday after the Post freshmen had downed the Slaton frosh, 28 to 6.

Two of Josey's touchdowns in the junior varsity game came in the first quarter on runs of 10 and 15 yards. Coach John Alexander's JV's got three more six-pointers in the second period on a 25-yard scamper by Joe Moore, a 60-yard run on a pass interception by Josey, and a 70-yard run, also by Josey.

Post was unsuccessful on its extra point tries, and the first half ended with the locals ahead 30-0.

After a scoreless third quarter, the winners closed out the scoring on a 60-yard run by Moore, with Sammy Gutierrez running the extra points.

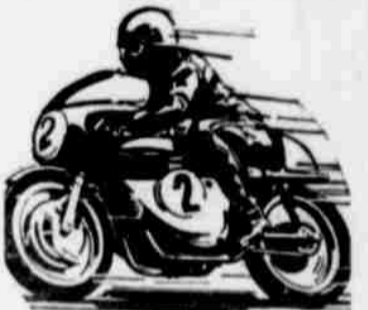

Coach Alexander said the Post defense was equally outstanding, holding Slaton to two first downs and allowing the Tigers to cross the 50-yard line only once.

In the freshman game, Coach Lane Tannehill's team opened the scoring in the first quarter when Mike Shepherd went seven yards with a pitchout from quarterback Bryan Davis, who also ran for the extra points.

In the second quarter, Davis scored from four yards out on the option and passed to Tommy Berry for the extras to give Post a 16-0 halftime lead.

The third quarter was scoreless, but in the final period, Davis made it 22-0 for Post when he ran 33 yards with an intercepted pass. Post's final touchdown came when George Hester realized a defensive lineman's dream by intercepting a pass and running 27 yards for a TD.

Slaton's lone touchdown came on the final play of the game. Coach Tannehill played all 2 boys he had suited out.
