## Spirit with Price, Sawyers are capital 'S' 'Citizens of Week'

**By DEBBIE LEDBETTER**  
Last week was an "open date" week, so not many people did much for spirit, I'm sorry to say. The seniors' artist, Sherell Guichard, busied herself with making a few posters or signs to hang in the senior hall and the sophomores were seen with spirit tags every once in a while. Since hardly anything was done last week I decided to have my own pep rally in the paper.

Yell No. 1 S-P-I-R-I-T, Spirit! Let's hear it! S-P-I-R-I-T, Spirit! Let's hear it!

Yell No. 2 What's the good word? Beat Denver City! LOUDER! BEAT DENVER CITY!!

Yell No. 3 Hey, hey, hey boom sha boom (repeat). Hey, Denver City you ain't cool (repeat). Can't get away from the Number 1 school (repeat). You ain't got spirit and that ain't good (repeat). We're going to beat you like we said we would (repeat). Hey, hey, hey boom sha boom!

Yell No. 4 If Mickey Mouse could see us, he'd swear to this day there's not another team in history he ever saw play. We wear the black and the gold and as you can see, I tell you my friend we're out for victory. Go get 'em, ah ha (repeat).

Yell No. 5 Two bits, four bits, six bits a dollar. All for the Antelopes, stand up and holler! YEA, LOPES!!!  
School Song:

High o'er the fields of battle Waves the Black and Gold Antelopes advancing onward to the goal.

On with faith undaunted Victory our hope We'll fight together For POST ANTELOPES. One last time: What's the good word? Beat Denver City!

**By MELINDA NELSON**  
Those that were chosen as the "Outstanding Citizens" for this past week at Post High School were Brenda Price and Dan Sawyers. Congratulations Brenda and Dan!

Brenda is classified as a freshman. She participates in basketball and track and is the fourth vice president of the Future Homemakers of America. Brenda thinks the most she likes about school is that she gets to meet a lot of new people and makes new friends. She thinks the best quality in a person is their personality. Brenda says the most worthwhile contribution that she can

make to PHS is spirit, because, that is the only way we will be able to support our teams and win the games.

The person Brenda admires most is Aretha Franklin. She admires her for what she has accomplished in singing and in life and wishes to be able to follow in her footsteps. Brenda's future plans are to graduate from high school and hopefully attend college and become a history teacher.

Dan is also classified as a freshman. Dan plays the cornet in the PHS Band and also participates in basketball and track. Dan says the most he likes about school is to be able to meet new people and make friends. Dan thinks that it is important to have friends.

Dan says the best quality in a person is courage. He says this because if you have the courage to do something, you will be able to do it. You will never be afraid to face different situations. Dan thinks the most worthwhile contribution that he can make to PHS is to be a good example. Next year he thinks that the freshmen will look up to the rest of us and this is why all of us need to be good examples.

The person Dan admires most is George Washington. When he was president he didn't know what a president should do. His decisions were made by him and him alone, with no help. This is a very hard task, but he didn't quit. Dan's future plans are to go to college, but right now he is not really sure.

I would like to send a special congratulations to all of the people that have been chosen as "Citizens of the Week". They are: Richard Dudley and Janet Childs, Randy Josey and Melanie King, Edward Price and Jennifer Miller, Rodney Owen and Amy Crowder, Jerry Tyler and Lee Ann Hodges, Tony Conner and Ann Mitchell, and Les Allen and Jomi Hays. Congratulations again!

## Lila Hoobler is Week's Teacher

**By PAT NELSON**  
The "Teacher of the Week" is Mrs. Lila Hoobler. This is her first year to teach at Post but she taught four years at Childress. She graduated from West Texas University with a BS Degree. She teaches World History, American History and English III.

In her spare time Mrs. Hoobler reads and washes her baby girl's diapers. She is a member of the Beta Sigma Phi and American Association of University Women.

Mrs. Hoobler feels it is an honor to be chosen by the students as "Teacher of the Week". This encourages her to work harder to become a better teacher.

Congratulations to the "Teacher of the Week" for the past nine weeks. They are as follows:

Mrs. Cora (G. E.) Fleming, John Alexander, Don Black, George Pierce, Mrs. Pat Thompson, N. R. (Jiggs) King, Sam Buchanan, Mrs. Beth Walker, Mrs. Lila Hoobler.

## Parliamentary rules govern FFA meet

**By JOE CRAIG**  
Ever wonder what a Future Farmers of America meeting is like? Well, I will try to explain a little about it.

The number one way of doing business the democratic way is to use parliamentary pro-

cedure. In an FFA meeting, it is strictly used. If we do anything at these meetings we at least learn a little more of parliamentary procedure. Believe it or not, but many things become hotly debated, but by using parliamentary procedures the majority will agree on an item of business that fails or passes. It is important that everyone participate; if you don't and something is passed that you don't like, it may be your fault.

These meetings are very important to us. If we did not have them our organization would soon fall apart.

Our meetings are not all business. Members have the opportunity to plan for recreation and refreshments, and a special meeting is appointed for these.

Anyone is invited, and if you don't believe any of this, come to one of our meetings. They are held the first Monday of every month unless the chapter votes for another day for a special reason. Our next meeting will be held Nov. 6 at 7:30.

## High School Highlights

The Pep Squad has been selling candy. It has been tempting the will power of everyone who is trying to control their weight. It comes in crunchy and almond. But, due to the popularity of the almond they only have crunchy.

The Post High School Choir and Post Music Club got together to present Comedy Kapers. It was a big success and everyone enjoyed it.

The Ag boys, Ricky Cross, Dennis MacDonald and Andy Williams, were gone two weeks ago for the State Fair and Stock Show in Dallas. Andy placed ninth with his calf. Congratulations!

There was no school Friday due to a teachers workshop. But, we know what they really did.

Congratulations to Coach and Mrs. Alexander on the birth of their son. Coach Alexander, we suggest you name him Bozo.

An all school play, "Auntie Mame," will be presented Nov. 17. We now have a little Broadway in our own town.

BEAT DENVER CITY!

## Spotlight hits Jerry Tyler

**By RICHARD DUDLEY and CINDY BIRD**

This week we are interviewing Jerry Tyler. Jerry plays tailback on offense and defensively plays strong safety. Jerry wears No. 10 and is doing a fine job.

"Jerry, what is your opinion about the Frenship victory?"

"I think the Frenship victory, like all of our victories, came from a team effort. I was very glad to beat them and I hope we can keep on winning."

"Jerry, do you think the school spirit helped the team, this year?"

"I think the school spirit has been great. It helps a team to know that their school is behind them. I think the school spirit has helped us win the games we have played."

"Jerry, what do you think about playing the Denver City Mustangs?"

"I think it will be the hardest game we have had this year. I think we can beat D. C. if we keep playing as a team. I think we will be ready for them and I think we can beat them."

Your best bet is a Dispatch classified ad.

**Telling It Like It Is**  
*By Rev. George P. Ascher*

"I know you will—you are neither hot nor cold; I wish you were one or the other!" Rev. 3:15 The Living Bible.

How easy it is to be a fence-straddler. How often we want to play it safe and support two sides at the same time. We hate to commit ourselves. But Jesus tells us: "Tell it like it is!"

That is the way it is for many of us in Post. We want both sides to accept us. We want to be thought of as good church going people and we want to stay away from the inside of a church, any church, at any cost. That my friend is being neither hot nor cold. Jesus tells us that the person who refuses to take a stand either way is the person who is hardest to take. When we would rather ignore the issue and float through life without the danger, and without the fulfillment, of a firm commitment.

Now there are a lot of churches in Post. Services as early as 8:15 a.m. and as late as 12 noon. There are a lot of different ways in our city to worship God. To claim to be a Christian your should be at one of them. Not then claim to be what you are: One who gives God.

But Jesus doesn't give up on us. He is always willing to tell it like it is and when we hear and respond truth he is always willing to forgive. To take us in when you and I are neither hot, for fear of being someone, or cold for fear of freezing them out. That warns us of the danger of spitting us out. But only never gives up. He still offers us: the chance today to life of commitment. He still offers each one of us a day by day, to be telling it like it is.
