## City OKs budget, same tax rate

The city council Monday night adopted an \$839,389 budget for the fiscal year beginning Oct. 1 after voting an \$1,600 allocation for the Meals on Wheels program based on a last minute appeal for funds.

## ambulance guidelines are adopted

The city-county ambulance committee, meeting Monday morning, adopted general operational guidelines for the operation of the county emergency ambulance service.

It includes things the service can and can't do.

Among the guidelines adopted were a 24-hour call system whereby both ambulances, staffed by EMT's, be available at all times; that the ambulance shall respond to any and all emergencies within Garza County, that all insurance claims will be filed by the ambulance service with no charge to the patient.

Also that any patient transferring from one health facility to another within Garza County is eligible for ambulance service; and that registered or licensed professional nurse will attend to a patient if ordered by a physician.

The guidelines noted, however, that "situations exist which do not require emergency medical services."

"Therefore," the guidelines continue, "the following ambulance operations are applicable except as otherwise ordered by a physician or the administrator of the service."

No emergency or transfer services outside of a 50-mile radius.

No transfers from an institution other than Garza Memorial Hospital to a doctor's office if patient is ambulatory.

No non-emergency runs out of county.

EMT observers shall not receive volunteer remuneration.

All patient services must be paid in cash unless insurance benefits are in effect.

No out-of-county non-emergency transfers.

**Post man booked on drug charge**

Steve Hays, 23, of Post is on \$750 surety bond awaiting county court hearing on a charge of possession of marijuana, a controlled substance, under two instances.

He was arrested here Sept. 7.

## Free medical tests here at health fair

Free medical screening will be offered here to all residents Saturday, Sept. 14 from 10 a.m. to 4 p.m. in the Post Community Center.

The Health Fair is under the direction of the Texas Agricultural Extension Service.

The following examinations will be made free of charge: blood pressure, vision, pulmonary function, blood chemistry, high blood, weight-height ratio, teaching of self-examination of breast, hemoglobin-anemia, RPR, phylis and sickle cell anemia. These tests will be made by qualified personnel.

Agencies and organiza-

Sappington appeared before the council to request the \$1,600 to provide the rest of the 30 percent to match with federal funds to provide hot lunches five days a week to 30 aged and needy shut-ins.

The county commissioners court provided a like amount in their new budget for the \$10,000 annual program. The city had provided \$2,400 for Meals on Wheels from federal revenue sharing this year, but somehow the program had been left out of the new budget.

The \$1,600 was taken from the general fund reducing the estimated cash balance in that fund from \$10,000 to \$8,400.

The 1978-79 city budget includes \$486,919 expenditures from the general fund, \$37,866 from federal revenue sharing, \$62,900 from the oil reserve fund, and \$251,704 from the water and sewer fund.

Although \$18,000 was cut from the allocation for a new front end loader (bulldozer) when federal revenue sharing funds to the city were cut by that amount, over \$54,000 remains in the budget to buy the needed item of equipment for the city dump.

This includes \$25,000 from the general fund, \$11,000 remaining from federal revenue sharing, and \$18,071 (See City Council, Page 12).

## Sunday rites for Edna Cass

Funeral services were held Sunday, Sept. 10 at 1:30 p.m. in the First Baptist Church for Edna Leona Cass, 82, a long-time Post resident. The Rev. Truitt Kessler of the Jayton Baptist Church officiated assisted by the Rev. Glenn Reece.

Mrs. Cass died Sept. 8 at 8 p.m. in Garza Memorial Hospital following a lengthy illness.

She was born in Indian territory of Oklahoma in June of 1896 and then moved to Post some 60 years ago and lived in and around Garza County until the time of her death. She married Elmer Cass July 5, 1914 in Oklahoma. Mr. Cass preceded her in death in 1964. She was a life long member of the Baptist Church.

Survivors include two sons, D. L. of Midland and Harold Cass of Post; one daughter, Mrs. Erma Lee Harrison of Jayton; one sister, Jewel Whisenant of Austin and one brother, Roy Carmichael of Fresno, Calif., four grandchildren, three great-grandchildren and two great-great-grandchildren.

Pallbearers were Douglas Tipton, Floy Richardson, Keith Kemp, Dariean White, Basil Puckett, and Bill Richardson.

Burial was held in Terrace Cemetery under the direction of Hudman Funeral Home.

## \$285 damage at Museum building

James Keel, 29, of Post is out on \$5,000 surety bond charged with criminal mischief in a case now awaiting district grand jury action. Keel was arrested last Thursday for allegedly kicking out a door glass at the Garza Museum building. Damage was estimated at \$285.

**ALL GOOD GUYS** — The original Texas Playboys, who will play for one of two OS weekend dances here Saturday night, Sept. 30, and at the Sunday barbecue at the ranch, are pictured above in their white hats. Left to right,

## ALL 272 ALREADY SOLD OUT FOR OS—

# New box seats for roping

A new revenue and seating plan which will bring in an additional \$6,800 at the upcoming "OS weekend" was announced last Thursday night at the one and only planning session of the "OS weekend" committee in the bank community room.

The plan calls for completion of 34 covered boxes for spectators 10 feet above the roping arena level. Each box will contain eight folding chairs and requires a \$200 donation for reservation for the two days of roping.

Almost all the boxes have been reserved even before their construction is completed. A work day was held at the ranch Saturday to push the work.

Jim Prather, chairman of the big OS benefit show for West Texas Boys Ranch, said the terrace work around the arena will provide seating for 2,000 more spectators, including the new box seats.

The biggest and most successful "OS weekend" in its eight-year history is predicted for the 1978 show with the added attractions of TV showman, Festus Hagen, and the Original Texas Playboys, the late Bob Wills' western band.

Festus already has made radio and TV spots on the "OS weekend" which have been distributed to over 100

## Woman will carry mail

Your local mail carrier may become a whole lot prettier very soon.

Mrs. Debbie Robinson, wife of D. O. 'Rob' Robinson, will begin her new postal duties Sept. 23. According to Postmaster A. J. McAlister she will be assigned a city delivery route.

Mrs. Robinson was among the 28 taking the civil service examination for the position in May and ranked among the top three.

Benny Owen already has been accepted for postal service here as a result of the same examination.

Mrs. Robinson will be the first woman ever to receive a permanent position in the postoffice here, according to Postmaster McAlister. He said at one time Post might have had a woman as a temporary employe.

## LOOKING FOR RUNNING ROOM —

Texas radio stations and 30 Texas television stations, Dave Gottshall, publicity director for the "weekend" reported at the meeting.

Haggen of TV's Gunsmoke fame as Matt Dillon's deputy is expected to boost the sale of the \$5 OS Catalogs for 1978 with his autograph.

He will be at the ranch for both roping days, serving as arena marshal, and will lead the big Sunday afternoon crowd in the singing of America to start the steer roping program.

Ken Curtis — that's Haggen's real name — is an accomplished singer and entertainer.

Gottshall said a press party is planned for Festus

in Lubbock Friday Afternoon, Sept. 29, when he arrives. It will be held at 1:30 p.m. in Lubbock's Hilton Inn.

The Original Texas Playboys will play for a special dance Saturday night, Sept. 30, in the community center here with admissions being a \$50 donation per couple.

Only 175 such donations will be accepted and already over 100 have been received, according to Mike Mitchell, entertainment chairman for the "OS weekend."

Any area couples wanting to make such \$50 dance donation to attend the dance before they are closed out should call Mitchell at home, phone 3104, at night or days at 628-5878.

## All 3 steer roping champs in OS field

All three major 1978 steer roping champions will be in the field Sunday, Oct. 1, for the eighth annual OS Steer Roping.

Kenny Call of Oklahoma City is the 1978 World Steer Roping Champion by virtue of scoring the most points in the National Steer Roping Finals last week at Cheyenne, Wyo.

Sonny Worrell of Altoona, Kans., is the 1978 Professional Cowboys Association Steer Roping Champion because he won the most prize money in PCA-sponsored steer roping events this year.

The third champion is former Post roper, Walter Arnold of Silverton. Arnold won the average in the National Finals at Cheyenne. At the OS roping for example the average winner is the OS Steer Roping Champion.

All three champion ropers are veteran competitors in most of the first seven OS steer ropings here with Arnold the 1973 OS champion.

Blood pressure clinic Wednesday

A free blood pressure clinic is scheduled for the Algeria Senior Citizens Center next Wednesday, Sept. 20, from 10 to 11:30 a.m. Everyone is invited.

Mitchell also announced that "Rollin Country, a well liked Dallas group, will play for the other OS dance, also on Saturday night, Sept. 30, on the Post Stampede's outdoor slab. Admission to this dance is a \$5 donation.

Mitchell, a Lone Star beer distributor, also told the committee that Lone Star plans to have a film crew here for the "OS weekend" to film a Lone Star commercial at the ranch during roping and art activities.

The OS ranch cattleguard will be manned 24 hours around the clock again this year, as it was discovered last year that a late shift of ticket takers garnered an extra \$1,300 from early Saturday arrivals who came in campers to spend the weekend.

In anticipation of a larger crowd, 5,000 pounds of barbecued beef is going to be cooked this year for the two noon meals served at (See Box seats, Page 12)

## Reno named as nominee

County Tax Assessor-Collector Ruth Reno has been selected by the Garza Democratic Executive Committee as the Democratic nominee for the unexpired term for the office on the November ballot.

Mrs. Reno, who was appointed to the position by the county commissioners court effective Sept. 1, to serve until after the general election, was selected as required by law at a meeting of the committee Monday night in the home of Democratic County Chairman Dick Tanner.

## Hospital extends doctor contract for second year

Garza Memorial Hospital directors at a called meeting Monday morning voted unanimously to extend the contract of Dr. Ricardo Rodriguez for another year without change.

Dr. Rodriguez met with directors and expressed himself as satisfied with the extension of the original contract.

The directors had discussed the contract at their regular September meeting last Thursday morning, but decided to meet with Dr. Rodriguez, who was in El Paso last weekend, personally before finalizing the new contract.

The physician, signed to a one year contract last fall after being brought here from the Philippines to prevent a "doctor shortage," is given a guaranteed monthly income with the hospital paying the difference between the guarantee and his billings for medical services rendered.

For the current year, which will end Sept. 30, total cost of Dr. Rodriguez's services is estimated at about \$18,000.

This is expected to be even less for a second year as the practice of Dr. Rodriguez continues to grow here.

In a major action last Thursday, directors formally approved a \$583,180 hospital budget for the new fiscal year beginning Oct. 1. The adoption followed the public budget hearing which was unattended as far as taxpayers were concerned.

Directors also voted to change their monthly meetings from the first Thursday evening to 7 a.m. the first Thursday morning.

Hospital Administrator Ed Zintgraf reported a new registered nurse employed with the hospital staff now filled.

## Minor actions by county

The Garza County Commissioners Court took up a fistful of minor items at their first September meeting Monday.

These included: Taking no action on request by DPS patrolman Louis Cardinal for three radios for off duty patrolmen.

Approval for an oil lease submitted by George R. Brown which will lead to drilling a well on the courthouse square sometime this fall.

Approved bond renewal for Deputy Tommy Douglas Duncan and bond for new deputy Joseph Frank Harper.

Took under advisement for 1979 action a request from Catharine Crawford and Billy Gunther, district extension service agents, to increase travel expense for county extension agent form \$720 to \$900 annual for regular travel plus \$250 a year for major trips.

He also announced employment of Alan Jones of Slaton as the hospital's second lab technician. He is the husband of Mrs. Lavern Jones, the hospital's director of nurses.

Directors agreed that Mrs. Jones, although she is employed but three days (See Hospital to, Page 12)

Garza County's historic site mystery has been solved. The Dispatch got a call after the paper came out last week to report that the "Post West Dugout (Post vicinity)" newly listed in the National Registry for Historic Places, is located on ranch property in this area and that the paperwork to get it on the registry was carried out by private persons. The caller didn't give the exact location for obvious reasons — preservation being uppermost in mind — so we won't even mention the name of the ranch owner. We were promised somebody would come in and talk to us about it this week, but that hasn't happened yet. It was all just about the way we figured.

Anyway, the addition gives Garza County a little bigger historical base.

Harold Lucas should attract a lot of local interest with his weight guessing contest for the Post high school football team and coaches. See his ad on page 3 where he is offering a \$50 bond first prize and a \$27.50 value second prize which includes a wash, polish, lubrication, plus oil and filter changes for the prize winner's car.

Some of the pertinent questions The Dispatch staff were asking Harold when he placed the contest in his ad was whether or not the players and coaches weights were stripped in the dressing room or in full uniform, and whether or not just football coaches were included or the two women coaches too.

To have a chance to win you have to get your poundage guess turned in at the Lucas Motor Company by closing time Saturday, Sept. 23. That gives you 10 days to measure those football players and coaches for yourself.

Local sport fans came out fine with two upcoming schedule breaks. The first comes Friday night. Football fans with the Lopes getting their open weekend can watch the Spinks-All heavyweight fight on their TVs. Then for the OS Steer (See Postings, Page 12)

## Many prizes at breakfast

Jim Prather will speak on plans for the "OS weekend" Sept. 30 — Oct. 1 at the third quarterly breakfast of the Post Chamber of Commerce at 7 a.m. Friday in the community center.

Higgenbotham - Bartlett and the First National Bank will co-host the affair.

One of the highlights of the breakfast will be a drawing among members for a \$25 cash "early bird prize." If the Chamber member whose name is drawn is not present the "early bird prize" will be increased to \$50 at the next quarterly breakfast.

Door prizes for the breakfast include pen in gift box from Cockrum Printing, two meals from Dairy Queen, belt with winner's name on it from Garza Food & Supply, meal for two from Jackson's Cafeteria, set of towels from Jae's, and gift certificates from Glenda's Gallery, Prairie Flower Shop, Twins Fashions, and Bob West Saddlery & Western Wear.

## Patient out of danger

Post and Garza's most gratifying gain in the last two years or more has been the transforming of its hospital from an operational and financial problem of grave community magnitude into a stable functioning organization.

Two years ago we faced a doctor shortage with a hospital which was deep in the red ink because it was founded on too small a segment of tax support.

That has changed dramatically. It is good for us all to look back over these two years of achievement.

First, the hospital at considerable cost launched into a search for more "doctor power." That meant importing physicians from abroad as American doctors now shun the small towns for the big money to be made in specialties in the cities.

From that search came three physicians, who were finally narrowed down to one. His first full year has been quite successful. His practice is growing and he is pleased to stay.

For the present, with some wise judgment mixed with a proper amount of good old American chance taking by hospital directors, the doctor shortage has been retired to a back shelf.

A community-wide campaign was launched to raise the tax base by tripling the maximum tax allowed the hospital district. It not only carried, but by a sweeping majority to indicate strong community support where it counts — at the pay window.

This done, the third major hospital problem was tackled. The rundown system of its water pipes, its heating, and its cooling after 25 years of operation was desperately in need of a major overhaul.

The hospital directors had the courage to face that too. The project has been completed. Garza Memorial is a first class hospital again although it will take a few more years to pay the bill.

These were the major steps. There have

of course been others. The hospital had a few other minor crises. Directors have hired a young, vigorous administrator who is working hard.

Most of it is all adding up now.

Of course it isn't all sweet smelling flowers yet. An unsigned letter the other day to directors complained of Post patients having to go out of town because a doctor was not available on one recent weekend.

Next in line appears to be a new 90-bed nursing home adjacent to the hospital. If that new enterprise is successful it cannot help but help the hospital in the future.

Right now, the hospital is working hard to attract more patients. There is even some operations being done now in the "operating suite." It's been some years since that happened.

The Dispatch which has closely watched the hospital climb resolutely out of its hole would like to express its appreciation to the present board, comprised of Jack Alexander, Charlie Brown, Gene Moore, Bo Jackson and Wayne Childers for really getting the hospital back on its feet. Also a well deserved tip of the editorial hat to Administrator Ed Zintgraff for the excellent job he has done since grabbing ahold here.

The hospital's current medical report reads: Patient out of danger, well on the road to full recovery. When one can survive three major illnesses at the same time, the recovery could be aptly termed remarkable.

And one could add to all this the new stabilization of the city-county ambulance service through the enthusiastic efforts of volunteers who have "gone to school" and learned how to become real emergency medical technicians in the process.

It's all rather unbelievable when you look back on it, but it is just another chapter of what any good American town can do when it rolls up its sleeves and gets after its problems.

## Those house numbers

The question was raised at Monday night's city council meeting for better street signs and plainly marked house numbers in Post.

For one thing, Jim Jackson reports the ambulance volunteers are having trouble finding houses, especially at night when they roll most often. The sheriff's office has a like problem when asked to contact some individual with a family message.

The council has some dough earmarked in its budget for new street signs and it has been suggested that they not only indicate the street or avenue but the block as well.

Then it is suggested that somebody do something to get all houses properly numbered, either on the house or on the curb.

The postoffice thinks the city water department probably has all the correct numbers because the city gave out the numbers when the city was first numbered by the house not so many years ago.

What is needed now, some say, is an organization to undertake the numbering of every house in town. It seems sort of sad to us that the people who own the houses can't do the numbering themselves. We guess they've lived here so many years without house numbers — up to about 10 years ago — that they are content to go along in the comfortable old rut.

Anyway, this is to explain the need for house numbers. Any volunteers to get the job done?

What do you mean where am I going?  
I've been to Mother's  
for two weeks and just got back

## Need census planned soon

The South Plains Office on Aging in conjunction with the South Plains Association of Governments will be conducting a census-needs assessment in the Post area with the date to be announced in the near future.

The assessment will help to determine the real needs of older individuals in Garza County. Volunteers will soon be asking you to take a few minutes and help them and the older people in this area by filling out a questionnaire.

Volunteers for the assessment program will be Sally Faye, Louzell Chandler, Robbie Guichard, Cleo Sappington, Lola Ryan, Joann Blacklock, Willie Dye, Arlin Sartain, JoEllie Spartin, Dink Boren, Maxine Marks and Mabel Dunlap.

## Pecan crop is smaller

### COLLEGE STATION

"Texas size" pecans will be harder to find this fall because of the severe dry weather that has plagued the state since last summer.

"Although this year's crop will be short and nuts will generally be small, the quality of pecans will be high," points out B.G. Hancock, horticulturist with the Texas Agricultural Extension Service.

Texas pecan growers are estimating a crop in the neighborhood of 25 to 26 million pounds, down sharply from average production of about 40 million pounds. The nation's crop is estimated at 170 to 180 million pounds, also down from an average of about 200 million pounds.

Texas is the largest producer of native pecans and ranks second nationally to Georgia in total pecan production.

## Dalby gets post in 'Choose Hill'

County Judge Giles Dalby has been named coordinator for non-urban counties in a new organization of county officials to boost the candidacy of John Hill for governor.

The organization is called "Choose Hill". According to Hill backers,

this is the first time in the political history county officials across the state have joined together to support a candidate for governor.

The new recruit from an indulgent house turned his nose up at the army sergeant and complained to the sergeant. "Don't I have a choice here? Certainly, my boy," replied the sergeant. "Take it or leave it."

### Cotton, Inc. session set

LUBBOCK — Officials of Cotton Incorporated will meet with area cotton producers here Wednesday, Sept. 20 to discuss cotton Incorporated's research and promotion programs financed with producers funds.

All cotton producers in the Texas High Plains are invited to the meeting, which will begin at 10 a.m. at the Lubbock Civic Center and conclude with lunch at noon.

The meeting will include talks by Dukes Wooters, president of Cotton Incorporated; Dr. George Slater, vice president for agricultural research and development; Brian Jones, associate director for textile chemistry research; and Libby Clark, public relations director.

Cotton Incorporated is financed entirely with per bale assessments from the nation's cotton producers.

Arrangements for the meeting are being made by the Plains Cotton Cooperative Association and the Plains Cotton Growers, Inc. L.C. Unfred, a Cotton Incorporated director from Tahoka, said the purpose of the meeting is to give area cotton producers a better understanding of what Cotton Incorporated is doing with their funds to improve cotton markets and cut costs of production.

"The dynamic cotton promotion and research program that is being financed, controlled and operated by cotton producers is getting results, and we hope all area cotton producers will take this opportunity to get a first-hand report on the operation of their company," said Unfred.

Unfred pointed out that the program will include an opportunity for producers to ask questions of the Cotton Incorporated staff members, "and a major emphasis will be placed upon questions they may have regarding how their assessment is being used."

## Smaller cotton crop aids price outlook

COLLEGE STATION — Prospects for a smaller cotton crop than was expected earlier this year have improved the price outlook despite sagging demand.

With deteriorating crop prospects in West Texas and California, U.S. production may be down to about 11 million bales instead of the 11.8 million estimated by the U.S. Department of Agriculture Crop Reporting Board on Aug. 1. The 1977 crop totaled 14.4 million bales.

"The shortfall points to a price level somewhat higher in the second half of 1978 than the average of 49 cents per pound received by Texas producers during the first half of the year," notes Dr. Carl G. Anderson, cotton marketing specialist with the Texas Agricultural Extension Service. "However, supplies are expected to be adequate to meet disappearance. This means that carryover of cotton at the end of the 1978-79 season will be only slightly less than the 5.4 million bales on hand when the season started."

While the close balance between production and takeoff will cause the market price to be sensitive to news about any changes in worldwide production, the overall price increase will likely be small. Due to the sluggish demand, a much

larger drop in production than now anticipated will have to develop to trigger a substantial jump in price, believes Anderson.

Even though planted acreage in Texas is close to that of last year, the crop is suffering from lack of moisture and hot weather. So it may fall short of the 3.7 million bale crop estimated by the Texas Crop and Livestock Reporting Service in early August. This compares with 5.5 million bales last season and 3.3 million bales in 1976. However, production prospects are better in other major cotton growing areas.

"The higher price earlier this year has apparently encouraged foreign producers not to reduce cotton acreage as much as planned earlier," notes Anderson. "Foreign production is expected to slightly exceed the 49.3 million bale crop estimated for the 1977-78 crop year."

Foreign consumption is also expected to change little and will likely exceed production by about five million bales during the present year. That would be about the same size as the gap in 1977-78 and should maintain a strong export market for U.S. cotton, believes the marketing specialist. Cotton consumption in foreign countries is lagging as slow economic growth and a high rate of inflation are reducing the purchasing power of consumers, especially in Japan and several European countries.

"In the U.S. mills, consumption of cotton continues to shrink while use of man-made fiber is increasing," reports Anderson. During the first ten months of this season, mill use was 5.3 million running bales, four percent less than in the same period a year earlier. During the same period consumption of man-made fibers by mills with cotton system spindles totaled 1.71 billion pounds, up eight percent from the year before.

"Economic conditions will likely continue to curtail the demand for cotton in the year ahead," says Anderson. "Current indicators point to a sharp slowdown in U.S. economic growth. An escalating inflation rate suggests less capital spending and a slackening in personal income growth that will dampen economic activity."

In the past, an economic downturn has resulted in a slump in demand for fiber, notes the specialist. The Gross National Product in constant dollars decreased 1.4 percent in 1974 and 1.3 percent in 1975 from the level in the preceding year. At the same time, total fiber consumption fell 13 percent in 1974 and another four percent in 1975 before rebounding in 1976 along with the upturn in economic activity.

## Oct. 11 deadline for disaster loan filing

DALLAS — For farmers and ranchers who suffered drought damage to 1977 crops, the deadline for filing loan applications with SBA is Oct. 11, 1978, which is six months from the original date established when the disaster was declared by the U.S. Small Business Administration.

So far more than 8,500 farmers and ranchers in Texas have either interviewed or filed drought loan applications totaling in excess of \$125 million, and more applications are expected as next month's deadline approaches. There are 13 SBA Disaster Offices located around the State

where farmers and ranchers affected by the drought may apply for loans. The closest office is in Lubbock, Room 422 B, 1205 Texas Avenue.

SBA Office managers are recommending that the farmers and ranchers come in person to pick up applications and then return them the same way. This assures that the application is complete, which in turn expedites processing of the loan.

The loan program for farmers who suffered financial hardship because of the drought includes uncovered production costs on 1977 crops at three percent for the first \$250,000 and six percent thereafter.

The drought is widespread in Texas. Approximately 90 percent of the 254 counties including Garza are eligible for the drought loan program.

## Thank You

The family of Woodrow (Shorty) Bland would like to express our sincere thanks to our friends for the many acts of kindness shown in the passing of our loved one. For the beautiful flowers and the many phone calls Pauline received in time of sorrow. May God bless all of you.

We would like to thank all the members and men who helped with the clean-up, moving day Saturday. A special thanks and appreciation to Jerry Bush and Taylor Tractor & Equipment for the use of the truck and tractor and to J. W. Rogers and Southland Butane for delivering and furnishing the butane.

The Garza County Jr. Livestock Association

We would like to thank everyone for the lovely gift, nice dinner and wonderful time that we had at the Graham Community Center Saturday night. Words cannot express how much friends as you all are mean to us.

Thanks again,  
Johnny, Nancy, Krishna and Kembra  
Dickie, Nancy and Shayla

My family and I would like to say thank you to all our friends for your concern and kindness to mother and I during these past weeks. We deeply appreciate every card, telephone call, every prayer, gift, and every pot plant and visit. You are wonderful friends.  
Letha Porterfield

I would like to say thank you to the many friends and family who called, sent flowers, cards and sat with me during my stay in the hospital. A very special thank you to Rev. Jimmy Kennedy for his visits and prayers and those of the members of Calvary Baptist Church, and the prayers of all the other churches. It's times like this, that make me realize anew how special friends are. God bless you.  
Pearl Taylor

We would like to thank each of the ladies who brought and served food Sunday for the Cass family and to the friends who stopped to visit with the family.

## Salad luncheon opens new year for music club

Salad luncheon opened new club year for the Post Music Club, a member of the National Federation of Music Clubs, Saturday, Sept. 9 in the Post Community Center.

Mrs. Bud Sparlin, club president, extended a welcome to members and guests attending.

Following the luncheon, District II president, Mrs. Jack Moffat of Seminole presented a speech on her behalf for this year, "I

Believe in Music." Mrs. Moffat told her audience that "music can easily transcend all the social, cultural and political barriers we put up to separate one people from another. Music is a builder of esprit de corps in all ages, as a memory jogger and as a mood creator."

Entertainment carried out the theme of the course of study for the year "The Infinite Variety of Music" by Leonard Bernstein.

A drum cadence was performed by Mike Allison and Curt Greer; "Rondo" by Mozart was performed by Sharlot Sparlin and Sharla Wells played "Lara's Theme" and "Nadia's Theme" as part of the study on "Romanticism in Music" with Ton-a Rudd as program coordinator.

Mrs. Jack Gordon presented the yearbook to club members.

Members attending the luncheon and meeting were Boo Olson, Patty Kirkpatrick, Sharlot Sparlin, Marita Jackson, Tonya Rudd, Mary Ann Gordon, Sharla Wells, Ruby Kirkpatrick, Mary Prather, and guests, Andrea Willard, Kelly Townsend, Susan Strawn, Joy Greer, Jean Moffat, Mike Allison and Curt Greer.

Anyone interested in becoming a member of the club should contact a club member before the next meeting. Meeting nights have been changed to the first Tuesday of each month.

Checker in a supermarket: "I put your eggs at the bottom of the bag so that if they break, they won't run all over the rest of your groceries."

**DISTRICT II PRESIDENT** — Mrs. Jack Moffat, second from left, was present for the salad luncheon of the Post Music Club when it held its opening program Saturday morning in the Post Community Center. Shown with Mrs. Moffat l to r, Mrs. Sharlot Sparlin, president of the local club, Mrs. Moffat, Mrs. Mary Ann Gordon, first vice president and Mrs. Tanya Rudd, second vice president.

## Gamma Mu ladies rush

Gamma Mu sorority began its new year by session and submitting a list of names for "Fall" when it met in the men's Club House Monday night, Sept. 11 at 7:30 p.

List of calendar events for the year 1978-79 was also presented to the members.

Orabeth White was elected vice-president due to Fluitt taking a short absence.

Officers serving for the year will be Julie Hudman, president; Jana McCallister, secretary; Jane Mason, treasurer and Sharlot Sparlin, educational director.

Following the meeting, refreshments of cake, chips, dips, and Coke were served to Cindy Mitchell, McCallister, Sherry Hoover, Helen Gerner, Hudman, Johnnie Norwood, Sara Holder, Jane Fry, Orabeth White and Fry.

## Rush party is planned

Xi Delta Rho, chapter of Beta Sigma Phi sorority, held its first meeting of the new club year Monday, Sept. 11 in the bank community room at 7:30 p. m., and plans were made for a Rush Party to be held Saturday, Sept. 23 in the bank community room.

Special committees for the year were given to those present.

Christy Morris presented the program with slides on her trip to Ireland, Scotland and England.

Members attending the meeting were Anita Tidwell, Margaret Price, Joyce Teaff, Nancy Shaw, Bernice Eubank, Kay Hays, Glenda Morrow, Joan Smith, Johnnie Frances, Lois Kennedy, Joy Orr and hostess, Christy Morris.

The next meeting will be held in the home of Joan Smith.

"I didn't come to be told I'm burning the candle at both ends," said the patient to the doctor. "I came for more wax."

## Gene Moore is banquet M.C.

The Lubbock Club was the scene of a banquet honoring area high school and college home economics teachers. The banquet was held Thursday night at 7 p. m. Sept. 7 and is an annual banquet given each year by Pioneer Natural Gas.

The master of ceremonies this year was Gene Moore, who is the manager of the Post branch of the Pioneer Gas.

## Pictures of work taken

"Organic Gardening" was the program for the Grassland Hobby Club when it met Tuesday, Sept. 5 with 23 members and three guests attending.

Sherry Ethridge, Lynn County Extension Agent presented the program.

Biney White of Lyntegar Electric Cooperative of Tahoka and Lou Jean Lane, Cooperative magazine representative interviewed the club ladies and took pictures for the coop's magazine.

Club ladies displayed their hand work of 3-dimensional pictures, jewelry hangers, beaded trees, crocheted afgans, doilies, bedspreads, quilt and silk roses.

Lucille Stewart and Mittie Walker, hostesses, served refreshments to those attending.

## AARP meeting here Friday

The American Association of Retired Persons will meet at the Senior Citizens Center Friday, Sept. 15 at 10 a. m., President Raymond Young has announced.

A representative from Lubbock's John Knox Village will present slides and explain the extended life care program available at the village.

AARP is open to all persons 55 years of age and over for \$3 a year national dues and \$2 a year for the local chapter.

Regardless of whether a member or not all interested persons are invited to attend this meeting.

## Program is on quilting

The Graham Home Demonstration Club met Sept. 2 in the community center for their regular monthly meeting.

Roll call was answered with "How I Spent My Vacation." The program was presented by extension agent, Paula Cawthon and Patsy Sanderson, who gave an interesting and informative talk on quilting. They presented various ways of quilting and had many new patterns for display.

At a short business meeting, the club voted to bake pies to benefit the new 4-H building that is being erected here. They also voted to tour the Levi-demin factory in Littlefield Oct. 5.

Refreshments were served to members, Loucille Morris, Nona Lusk, Sue Maxey, Orabeth White, Mary Peel, Bernita Maxey, Viva Davis, and guests, Mrs. Lee Norman, Mrs. Patsy Sanderson and Mrs. Cawthon.

The club adjourned to meet again Oct. 6.

## Yearbooks presented

Dinner was served to 23 members of Amity Study Club at the first meeting of the new club year in the home of Janey Middleton Tuesday night, Sept. 12.

Outgoing president, Dedra Adams, was presented a charm by the new president, Anne Leake.

The yearbook committee presented the program and yearbooks entitled: Post: People, Places, Progress.

Attending the social were members, Dedra Adams, Barbara Babb, Margaret Bull, Mattie Collier, Janie Davis, Iva Hudman, Anne Leake, Linda Linn, Judy McAllister, Janey Middleton, Helen Miller, Boo Olson, Janet Peel, Joy Pool, Margaret Price, Carolyn Sawyers, Sue Shyles, Marion Wheatley, Ida Wilks, Carolyn Black, Marilyn Beard, Syan Nichols and Nita Burress.

People get into debt to keep up with those who already are.

## Reunion held by Mitchells

Mr. and Mrs. Malachi Mitchell Sr., 511 Pine St., were recent hosts for a reunion of four generations of the Mitchell family.

The occasion was attended by a large group of relatives and long-time friends from throughout the state of Texas and one from California.

Receiving guests were Mrs. Annie Bell Mitchell, oldest of the family, Mr. and Mrs. Mitchell and children, Malachi Jr., of Copperas, Tex., Doris Stamps of Richmond, Calif.; Emma Sparks, Wichita Falls, Willia Brown and Kenneth Mitchell of Oakland, Ca., and Ann Mitchell of South Plains College.

Assisting with hospitalities were daughters of Mrs. Annie Mitchell, Virginia Marion and daughter, Gloria of Big Spring and Mrs. Willie Burris of Marshall.

Annie was presented gifts to commemorate the occasion from her seven grandchildren and eight great-grandchildren, and songs were sung and dedicated to her by her daughter, Virginia, her niece, Annie Bell Harris and nephew, Curtis Williams.

## Art Guild has meeting

The Post Art Guild met Sept. 11 in the Reddy Room at 7:30 p. m. with hostess, Geraldine Butler.

President Butler conducted a business meeting, and then served refreshments to

members, Lil Conner, Marie Neff, Boo Olson, Lois Williams, Billie Lou Robinson, Joann Mock, Sherri Riedel and Ann Bratcher. The next meeting will be held Oct. 9.

# Stenholm favors \$50 billion budget cut

Democratic Congressional candidate, Charles Stenholm of Stamford, told The Dispatch during a campaign visit to Post Friday morning that he favored cutting \$50 billion from federal expenditures and balancing the budget.

He said he differed from his Republican opponent in that he believed in cutting expenditures before or at the same time taxes are cut, not in cutting taxes and then seeing what will happen.

"Inflation is the cruelist tax of all," Stenholm declared, and added he thought a balanced federal budget would go a long way to slowing or halting inflation.

He said he and his opponent also disagreed on a national right to work law. Stenholm believes the right to work is the right of every American, choosing whether or not to be a union member.

"My opponent considers right to work a state issue," Stenholm says. "Though we don't have a national law, I

support it on a national basis."

Asked how he would trim \$50 billion from the federal budget, he pointed to oil and gas industry regulation as a starter. "They spend \$10 billion annually to regulate these industries and don't produce a dollar in income," Stenholm declared.

He has several fund raisers scheduled and launched the start of his fall campaign last week.

Stenholm said if elected, he will work for a constitutional amendment requiring a "pay as you go" concept in federal spending, (2) annual phased-in cuts in spending designed to balance the budget by Jan. 1, 1982, (3) annual phased-in cuts in taxes commensurate with the Jan. 1, 1982 balanced budget, and (4) funds budgeted annually for debt reduction.

"In an election year it is always easier to promise more and more of everything to everybody," Stenholm said. "Lower taxes without cutting spending makes a popular political slogan, but the risks are far too great."

"We are currently running an annual budget deficit of over \$50 billion. Our total debt is over four trillion dollars. Inflation is running almost nine percent. To run the chance of increasing inflation by increasing our national debt by over 225 billion dollars in the next three years is fiscally irresponsible."

## 7 New tests for county

Seven new drilling tests were announced for Garza County last week, six by the George R. Brown oil interest in the Garza field two miles south of Post.

The Brown wells are the No. 47 Post Estate through No. 52 Post Estate. All will be drilled to a 3,200 foot planned depth.

The other new Garza test is Kerr-McGee Corp.'s No. 3-A Swenson in the Swenson-Barron field. Located 20 miles northeast of Post it will be a deep effort to the 8,200 foot level.

Walter B. Knight tells this animated argument over which is right, grammatically, to say, "The hen is setting," or "The hen is sitting." Each contended that he was right, and both showed a ready disposition to prove he was right by fighting it out. Finally reason obtained. They agreed to go to Farmer Brown, and put the question to him. Hearing the matter, Farmer Brown guffawed heartily. Then, he said rather contemptuously, "Men, when I see a hen in such a position on a nest, I don't ask whether she is sitting or setting, I only ask, 'Is she LAYING or is she LYING.'"

UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

### LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1)

H.J.R. 1 propone una enmienda a la constitucion de Texas permitiendo a la legislatura que exente personal (intangibles) requerido que la legislatura exente ciertos articulos caseros y efectos personales, y permitiendo a la legislatura que exente toda o parte de la propiedad personal del hogar seguro, de la imposicion de impuestos estatales y locales sobre propiedad.

La enmienda requiere a la legislatura que disponga la imposicion de impuestos sobre tierras agricolas y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposicion de impuestos a bosques de madera basada en su capacidad productiva.

La enmienda permite a los gobiernos locales que extiendan la exencion actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años o más de edad para incluir ciertas personas incapacitadas.

La enmienda concede una exencion de \$3,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas publicas sobre propiedad. Autoriza a la legislatura que conceda una exencion adicional de los impuestos para escuelas publicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible por esta exencion la cantidad total de los impuestos para escuelas publicas sobre el hogar seguro de aquella persona no puede incrementarse.

La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo provea aviso publico y lleve a cabo una audiencia publica. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluacion de su propiedad y la cantidad de incremento en sus impuestos.

La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento económico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia.

La enmienda prohíbe lavaluacion de propiedad inmueble a través del estado para los fines de impuestos sobre propiedad. Se requiere que la ejecucion de

tan bonos para la reconstrucción o adquisición de facilidades (terrenos, equipos y mejoras) con la intención de desarrollar oportunidades de empleo. Estos bonos se pagarán solamente de los ingresos de la venta o arriendo de estas facilidades. Gobierno local debe determinar que la construcción o adquisición de tales facilidades es necesaria para desarrollar oportunidades de empleo para sus ciudadanos.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para disponer que la legislatura puede permitir que las subdivisiones políticas emitan bonos de ingresos, para desarrollar oportunidades de empleo para sus ciudadanos."

S.J.R. 44 propone una enmienda a la constitucion de Texas que permitiria que la legislatura autorize a ciudades y pueblos la emision de bonos de impuestos incrementados para financiar el desarrollo de areas deterioradas. Solamente se pagarán los bonos de los ingresos de los incrementos en impuestos municipales. No pagos se pueden hacer de los ingresos de impuestos municipales, servicios publicos u otros servicios.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional que da a la legislatura el poder de autorizar las ciudades y pueblos para expedir bonos para financiar el desarrollo de areas deterioradas y prohibir cualquier ciudad o pueblo de conceder su dinero o prestar su crédito para tales fines."

S.J.R. 43 propone una enmienda a la constitucion de Texas para permitir que la legislatura exente de la imposicion de impuestos, aparatos para energia o de viento.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional autorizando a la legislatura para exentar de impuestos aparatos de energia solar o de viento."

S.J.R. 42 propone una enmienda a la constitucion de Texas permitiendo que ciertas subdivisiones políticas o distritos del estado emitan bonos o de otra manera presten su crédito para sostener tales actividades.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

## \$941,000 REA loan approved

Congressman Omar Burleson announces the approval of a \$941,000 rural electrification administration loan to South Plains Electric Cooperative Inc., with headquarters at Lubbock serving Crosby, Floyd, Garza, Lynn, Lubbock, Hale, Hockley and Lamb Counties.

The purpose of the loan is to finance service for 1100 additional consumers, to finance 107 miles of distribution line and to finance systems improvements.

## PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

### "The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homestead of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the proposed tax is imposed. The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

### NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to issue revenue bonds to develop employment opportunities for its citizens.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

### NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

### NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or to other indebtedness or to issue bonds or otherwise lend their credit to support such activities."

The amendment also grants justices of the peace concurrent jurisdiction with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

# CA sponsors showing of 'Fat City' here

'Fat City', a touring multimedia film production of man's pursuit of pleasure and its joys and frustrations, will be shown at the Post Primary Auditorium, Friday, Sept. 15 at 8 p.m., sponsored by the Post Office of the Fellowship of Christian Athletes in cooperation with Student Life, a denominational youth group.

Featuring spectacular sports action scenes, movie clips and new footage, this 35-minute presentation takes you through a penetrating and sometimes humorous look at man's drive and impatience to find friendships among people who are often cruel, dominating and insensitive.

Combining the visual magic of hundreds of dissolving slides with movie film and the sounds of top rock groups from England and America, "Fat City" examines the tendency in all of us to want to be on top, by any method necessary, and yet be the kind of person who is loved.

Coordinated by a master computer, eight separate projectors simultaneously give the audience a full encounter with good entertainment and stimulating thought.

There is no admission charge for this showing, and the public is invited to attend.

## TEEN SCENE

Norm  
Friends, the date has been set for that long anticipated dance, you won't be asking me more when is the next one? But you'll have to wait for the entire column to come out when and where.

and to hear that some of you read the paper thoroughly last week trying to find yours truly column, but was to no avail. Why isn't it in there? I knew nothing, absolutely nothing, about it. You must be telling me things.

News from Post High School

The Post (Tex.) Dispatch Thursday, Sept. 14, 1978 Page 9

## Larisa Shiver heads band

The high school band elected their officers Monday during class with Larisa Shiver elected as president. Other officers are vice president, Jendy Thomas, reporter, David Poole; and freshman representative, Mario Luna.

Saturday the band went to Abilene for the annual fair and rodeo parade. Although they didn't do so well they did bring home a trophy for participation.

The band had been up till 2:30 a.m. Saturday because of a bus breakdown returning from the Lockney game and to be back at 5 a.m. to board the bus for Abilene. After marching the band went to the fair and had a good time before the long trip home.

## Middle school plans annual

By TERESA MESA  
For the first time in seven years, Post Middle School students will be publishing an annual.

Advisor will be Mrs. Priscilla Williams who will be teaching newswriting, cartooning and poster-making in the annual class.

There will be a Middle School newspaper once or twice and several fund raising projects conducted for the Antelope Memories.

The annual staff members are: Tony Ammons, Judy Bowman, Ricky Brooks, Carlos Flores, Rene Hall, Marta Holly, Joe Lopez, Crystal Mason, Ron Mason, Teresa Mesa, Jay Norman, Mario Pena, Alphonso Reyna and Rhonda Williams.

Mendy Tatum was elected president of the sixth grade Friday in the Post Middle School Library.

Other officers elected were vice president, Channa Williams; and Teresa Mesa as secretary-treasurer.

## Emily Elliott new majorette

By RON MASON  
The new drum majorette in Post Middle School is Emily Elliott who is in the seventh grade.

Emily was selected by the band director, Jimmie Stringer after tryouts. Emily will wear the same suit as the whole band.

There are new PMS twirlers also. They are Missy Morrow, head twirler; and Dana Dudley. They practice at the park and at home three days a week.

Missy and Dana are both in the seventh grade.

## 8th grade class names Charlotte

Charlotte Murphy was elected president of the eighth grade class at class elections held Friday.

Monique Claborn was elected vice president; Reyes Bustos, secretary and Charlie Dalby, treasurer.

Officers will be working on projects to raise money for the eighth grade banquet.

Sponsors for the class are Scott Rombokas, Dennis Ward, Pat Webb and Priscilla Williams.

## Danny Valdez to head 7th graders

By RENE HALL  
Danny Valdez was elected president of the seventh grade class recently. Other officers were Elena Maladona, vice president; Leigh McCook, secretary and Shannon Adkins, treasurer.

Sponsors for the class are Mrs. Sue Hasselmer, Tom Lewis, Kathie Rankin and Mary Lee Wristen.

Officers were chosen by student ballots Sept. 8.

## FHA officers are elected

Beth Elliott will serve as the president of the FHA this year with other officers elected during a cookout at the Sawyers Ranch Monday night.

First vice president is Isabel Samora; second vice president, Nita Gunn; third vice president, Donna Baumann; fourth vice president, Lisa Cowdrey; fifth vice president, Cindy Terry. Secretary is Kerri Pool, treasurer, Melinda Adams; parliamentarian, Christie Workman; sergeant-at-arms Patti McClellan and hostess, Jody Palmer.

The business meeting took place first and all of the officers were elected. Then everyone enjoyed a meal of hotdogs, beans, chips, brownies and softdrinks.

Approximately 50 attended the cookout with sponsors, Mr. and Mrs. Ed Sawyers, and Mr. and Mrs. Henry Wheatley.

## Four new tables for school yard

By TERESA HALL  
The Post Middle School has four new tables for the front of the building.

Principal Bud Davis ordered and assembled them just before school began, so students would have a place to talk and eat.

They were purchased from the American Seating Company in Los Angeles and cost \$150 each, with chains and locks costing \$60.

Principal Davis has indicated that if enough interest is shown in using the tables, he will consider purchasing more of them.

## Yule wreath making set

A demonstration on making Christmas wreaths will be held at the Senior Citizens Center in the Algerita Hotel Tuesday, Sept. 19 at 2 p.m., given by Arlin Sartin.

Other events to be held in the center are free art lessons for persons 55 and over to be given by Sherri Riedel and will begin Sept. 16 from 9 to 11 a.m., if as many as five persons are interested.

Sally Fay, VISTA volunteer will conduct a blood pressure clinic on Wednesday Sept. 20 from 10 to 11:30 a.m. and Jerri Blacklock has an exercise program on Wednesday afternoons at 2 p.m.

If anyone is interested in attending any or all of these programs they are encouraged to do so. Also anyone interested in giving some type of demonstration is asked to contact Cleo Sappington at 495-2998 or at her home 495-2132.

## Friday will be 'picture day'

By CARLOS FLORES  
Friday, Sept. 15, Fox Studio will take pictures of the Post Middle School students.

The pictures will be taken in the Learning Center.

# Turnovers are costly in 10-0 loss at Lockney

## Lope defense stout, attack inconsistent

A strong Lockney eleven, led by Tailback Curtis Ford and Fullback Earlee Mathis, handed the Post Antelopes a bigger "country licking" than their winning 10-0 score indicated in the 1978 opener for both clubs at Lockney Friday night.

Three lost fumbles and a pass interception gave the Longhorns the ball four times on or inside the Post 30-yard line. These opportunities were just too many for a stout Lope defensive unit which was particularly tough backed against its goal line.

Although Ford picked up 124 yards and the 190-pound Mathis 77, each on 19

That was set up by a Lockney fumble covered by the Lopes on the Lockney 46. The 29-yard drive ended with Center Leslie Looney being short and wide on a 36-yard field goal try on fourth down.

Fumbles, two pass interceptions, and penalties robbed Lope attack of any consistency.

Wingback Cliff Kirkpatrick led the Post runners with 52 net yards in 11 carries.

The bright spot, as far as Post was concerned, in a typical first game was the strong play of the defensive unit, especially in the second half.

**CAN'T GET TO HOLE** — Tailback Curtis Ford of Lockney who was the game's leading ground gainer Friday night in the 1978 grid inaugural, loses a little here as he is knocked down by an unidentified Lope linesman. Coming into the hole

from the other side is Post linebacker Carlos Varela, No. 60 for Post is Kelly Baker and Post's No. 88 is Shorty Bilberry. No. 88 in light jersey is Lockney tight end Kevin Evans. — (Staff Photo by Don Ammons)

carries, the Longhorns didn't have the muscle to run the ball over the goal line.

Lockney scored on a 26-yard field goal by Hector Araujo three minutes into the first period after Quarterback Bryan Compton of Post fumbled the ball away on his own 30 on the game's first scrimmage play.

The Longhorns moved 21 yards for two first downs in four plays to the Lope nine. Three plays later it was fourth and ten still on the nine when Araujo booted it through with the ball placed down on the 16.

Only other score of the game came on the first play of the final period after a fumbled handoff by the Lopes gave Lockney the ball on the Post 14.

Lockney, which piled up 225 yards rushing and 13 first downs, got 157 yards in the first half but only 68 in the second. In the last two periods Fullback Mathis got only six yards in six plays and Ford but 36 in 12 carries.

The Longhorns put together their only long sustained drive of the game in the second period when they marched 74 yards from their own six to the Post 20, before a 15-yard penalty and a fumble recovered by Lope end Jimmy Odom ended it.

In the third period, Longhorn Arnold Alaniz intercepted a Compton throw at midfield and sprinted to the Post 14 before he was pulled down.

That time Lockney moved to a first down on the Lope four.

Post held and took the ball back on its own three four plays later.

Post's other fumble came on the kickoff after the Lockney touchdown early in the fourth. Shawn Scott fumbled the kickoff on the Post 30 after a good return.

Guard Kelly Baker stopped that threat on the next play when he smothered Warren for a nine-yard loss when the quarterback went back to throw.

End David Hawkins recovered a Longhorn fumble on the Lockney 49 late in the fourth but the Lopes couldn't get anything going.

Just before the half Tim Morris intercepted a Lockney pass on the Post 35 for another key defensive play.

Post end, Jeff Williams, received a badly bruised knee in the game's opening kickoff. He was taken to the Lockney hospital where x-rays were negative.

## Other 4 Post teams kick it off tonight

Post's four other football teams swing into action this evening (Thursday) as Coach Jackie Brownd's Antelopes take a weekend off before beginning preparations for their home opener next Friday night against the Floydada Whirlwinds.

The seventh and eighth grade teams will play the Lockney seventh and eighth graders in a doubleheader tonight in Antelope Stadium with the 7th graders kicking it off at 5:30 p.m.

Starting for the Post JVs, coming off an unbeaten season last year and appearing strong in two pre-season scrimmages, will be Drew

Kirkpatrick at quarterback, Alonzo Luna at wingback, Jackie Ayala at halfback and Danny Wright, fullback. In the offensive line Alvin Taylor as swingman, Brent Mason, quick tackle; Randy Teaff, quick guard; William Morrow, center; Kelly Mason, strong guard; Mike Anthony, strong tackle; and Barry Wyatt, tight end.

The defensive unit includes Jessie Taylor, also an offensive fullback, at nose guard; Benny Kennedy and Kenny Reiter, defensive tackles; David Poole and Eddie Bass, defensive ends; Lance Dunn, rover; Gary Baker and Adolpho Varela, linebackers; Lenny Drake,

defensive halfback; Charles Curtis, corner back; and Daniel Morrow, safety.

Other members of the JV squad include Walter Perez, Pat Mitchell, Johnny Kirkland, Thomas Binford, Ruben Storie, Steve Curb, Chris Beggs, Lance Dunn, Ronnie Bilbo, Robert Quione, Russell Fluitt, Ray Martinez and Barry Morris. (See separate stories on freshmen, seventh and eighth grade squads on this page.)

Coach Brownd said the Lopes have gone back to fundamentals this week as they work toward their open weekend.

He had little to say on the club's opening loss to Lockney other than to comment, "We made too many turnovers."

Brownd said Jeff Williams, injured in the game opening kickoff against Lockney, suffered a dislocated kneecap and it is hard to say how long he may be out of action.

There were no other major hurts from the season opener, other than badly wounded pride.

Coach Brownd pointed out that eight of the 11 offensive starters for the Lopes against Lockney were starting their first varsity game and so were six more on the defensive unit.

He reported the squad as working hard.

"The defense is ahead of the offense," Coach Brownd commented in looking back to the Lockney game.

## Frosh open at Lockney

Coach Lane Tannehill's Post freshman will open their season at Lockney tonight with most of the starters playing both ways.

Only two players will come in on defense when the ball goes over.

Tonight's starting offensive lineup for Post will find Marty Conoly at split end, Brent Howard at quick tackle, Mario Luna at quick guard, Billy Martinez at center, Mike Sullivan at strong guard, Brad Mason at strong tackle, Odell Curtis at tight end, Roy Gonzales at quarterback, Ronnie Price at fullback, Craig Peel at halfback, and Dana Scott at wingback.

Coming in on defense will be Jerry Hawkins in one linebacker and Gary Lamb at a defensive end.

Short on size, the squad won only two games in two seasons of junior high football. "They're really working hard," Coach Tannehill reports.

## Picking not so tough this Friday night

Post's Antelopes and two of their divisional foes, Tahoka and Roosevelt have open dates this week which leaves only eight chances for mistakes.

Your gridiron prognosticator wound up with a very average five rights out of nine tries last week with one of the other four ending in a 6-6 standoff.

That's a very poor .555 if the tie is counted simply as a "wrongie". Anyway that first fearful week is past.

Here's the way it will go this Friday night with our choices in capitals:

**LOCKNEY** at Friona. Friona absorbed a 26-6 loss at Tulia in its opener but being home should not slow down the Ford-Mathis attack.

**MULESHOE** at Floydada. Both teams won last Friday with the state-ranked Mules whipping Portales 20-14 while the Winds were edging a so-so Dimmitt club by a conversion kick, 7-6.

**SWEETWATER** at Colorado City. The Wolves bowed to the Slaton Tigers by a TD which means they shouldn't beat a AAA club seven nights later.

**Denver City** at KERMIT. Just a guess because all we know about Kermit is how to spell it. But the Mustangs didn't run last week.

**Dimmitt** at SLATON. The Tigers have more than enough scoring punch for Dimmitt.

**LORENZO** at Cooper. It's only the second game in a long season for the Pirates.

**Brownfield** at SEMINOLE. The home field advantage makes this one a toss up, but we think Seminole will come up

heads. **FRENSHIP** at Spearman. Both lost last week but Tigers loss was a tough one in which all the starters were on their side but scoreboard belonged to Littlefield 20-14.

Here were last week's results with our choices in capitals: **LOCKNEY** 10, **POST** 0, **TAHOKA** 34, **SWEETWATER** 20, **ROOSEVELT** 4, **SLATON** 26, **COLO** 14, **FLOYDADA** 7, **DENVER** 14, **LITTLEFIELD** 18, **FREN** 14, **CRANE** 14, **DENVER** 14, **SLATON** 26, **COLO** 14, **RALLS** 20, **COOPER** 6.

 Sunday services were deferred this week as Rev. Glenn Reece was unavailable. Next week's service is scheduled to be by the Nazarene Church with Rev. Philip Daniels officiating. I was out of town last week so our news was

omitted. The Graham Methodist Church ladies came that week and held singing. They brought home made cakes for the residents. The VFW Ladies Auxiliary members, Frances Matthews, JoElla Sparlin, Dink Boren, Maleeey Johnston and Myrl Mathis came

Tuesday, Aug. 29 and honored Hazel Miller and Pierce. Mr. and Mrs. A.D. Halford gave a birthday party recently for John and Henrietta Nichols. They served refreshments to all. Other visitors this week were Inez McGrew, Lucille Walker, Bill and Lottie Sanders, Hooter Terry, Fern Strange, Vera Gossett, Ruby Kirkpatrick, W.E. and Jena

Pierce of Amarillo and Donna Kirk of San Antonio. Geraldine Butler brought flowers from her daughter Ritalynn Tubbury for the sun room. Our residents enjoyed them. We were sorry to hear of the death of Dude Pevehouse. His wife is a former employee of Twin Cedars. Our hearts are with Mildred and her family at this time. Until next week...

## City council---

(Continued From Page One) from the oil reserve fund. Of the \$488,919 expenditures planned for the general fund, local ad valorem taxes will raise only \$164,200 (\$153,500 this year.)

The next biggest income source is the city's tax on oil production which will raise \$112,303 for next year, as compared to \$85,478 this year due to increased oil production. The city's one percent sales tax will raise an estimated \$93,000 unchanged from this year although the tax has been dropped on utility bills.

In a final consideration of the budget, Dr. William C. Wilson raised the question of the "gangerous condition" of playground equipment in city-county park.

Since the city has no additional funds to allocate for new equipment, the council decided to check with the park board on removal of the equipment because of its damaged and dangerous condition.

Mrs. Ruby Kirkpatrick and Mrs. Victor Hudman appeared before the council to request the city build a curb ramp front of the entrance to the Algerta Senior Citizens Center.

City Manager Pete Maddox was requested by the council to look into the problem to see how best such a ramp can be built.

The council decided to await the decision of the Texas Public Utility Commission on Southwestern Public Service's request for an electrical rate increase.

Glen Barley, local SPS manager, attended the meeting and said after the PUC decision, his firm would be back with the council for a rate boost action.

Since Southwestern Public Service would have the right of appeal on any increase to the PUC, the PUC determination will ultimately determine the size of the boost.

Rating experts jointly employed by the City of Post

and other West Texas municipalities have recommended only about \$2.4 million in overall increases for the entire area whereas SPS has sought over \$17 million.

The council also adopted two resolutions in the Pioneer Natural Gas firm's request for rate hikes.

By the first resolution, the city joins other West Texas Distribution cities to study Pioneer's proposed increase to determine if all, or any portion of such increase can be justified, with Post to share the costs of the study on a per gas meter basis.

The second resolution would suspend any Pioneer gas rate increase for 120 days to permit time for the study.

Pioneer has advised the city that effective Sept. 5 here it has boosted to \$8 each the charges for all types of service calls.

Also boosted to \$14 an hour regular time and \$21 an hour for after hours is the labor cost of repair of air conditioning or central heating units.

The new service rates more adequately reflect Pioneer's present costs, the gas utility firm advised the city in a letter dated Aug. 30.

City Judge Louise Greene appeared before the council with a request for installing an exterior door to her office in the old police building behind city hall. She explained state law required her to maintain her court record under lock. Such a door would cost an estimated \$820.

The council recommended since her office is the middle room between the Chamber and RMA offices, each of which have exterior doors, that first she lock her doors into these offices to secure her records and see if this would not be sufficient.

She reported 62 city fines totaling \$1,799.50 for August of which the state receives \$140.

## Fish requests are sought

LUBBOCK — Application forms are available from the Texas Parks and Wildlife Department for three species of fish to be stocked in private waters in 1979.

These fish including the largemouth bass, channel catfish and sunfish are stocked at a recommended rate of 50 per acre. The bass cost \$2 per surface acre, catfish \$4 and sunfish \$5. A \$2 application charge is required for each order to cover cost of computer and paperwork.

The bass fingerling will be delivered in the spring and the channel catfish and sunfish the following August. Purchasers must pick fish up at 37 locations across the state.

For an application form, write to Hatchery Coordinator, Texas Parks and Wildlife Department, 4200 Smith School Rd., Austin, Tex. 78744. Applicants have until Nov. 1 to apply for these P & WD fish.

Texas pond owners should consider whether their waters actually need to be stocked with fingerlings. If a lake has an established fish population now, it would be expensive and wasteful to restock fingerling fish because the larger fish would most likely eat the smaller ones.

New lakes or old ponds gone dry and refilled are the most ideal situation for fingerling fish such as the P & WD producers at it's hatcheries.

## Postings-

(Continued From Page One) Roping Sunday, Oct. 1, this is to report the Dallas Cowboys won't be playing that afternoon. They will play on Monday night football again, this time against their foes, the Washington Redskins.

The 13th annual Cowboy Artists of America sale at the Phoenix Art Museum comes just three weekends after the OS Art Exhibit here which is not the best scheduling in the world as far as the OS is concerned.

Last year more than 19,000 persons viewed the CAA exhibit at the museum in a month-long showing with 79 of the 96 exhibits in the show sold to collectors for \$468,100.

Speaking of the OS weekend, some local spare rooms are going to be needed for that weekend to house the boys from West Texas Boys Ranch who will be brought here from San Angelo to help with the barbecues. Anyone interested in keeping one of the boys in their home please call Betty Posey at 495-2067. Post usually has more families wanting boys for the OS weekend than there are boys available, so better get that call in to Betty right now.

Add to Post's 1978 "strange vegetable" collection: a weird tomato brought in by Bill Hughes of 601 N. Ave. P. The tomato appears to have five or six more tomatoes sprouting from it. But it wasn't really big enough for a picture.

Co. on his \$4,926.37 bid for a 1978 model with V8 engine.

Councilman Bill Pool presided over the session as mayor pro-tem in the absence of Mayor Giles McCrary.

## Hospital directors---

(Continued From Page One) weekly, is a regular member of the hospital staff and thus entitled to vacation benefits.

Zintgraff reported \$32,000 of 1977 hospital tax funds still in the bank to help tide hospital financial operations through the next 60 days until the first check for 1978 taxes is received from the county about Nov. 1.

He reported insurance collections not as good in August due to a form filing problem which has been corrected, but pointed out the hospital still will receive the insurance money.

Hospital operating expenses were \$51,408.64 for August with only \$24,456.16 coming in from collections. The difference was paid from 1977 tax funds.

The hospital admitted 69 patients in August — 69 medicare, 18 medicaid, and

46 others — to bring admissions for 11 months of the fiscal year to 629.

Average patients per day was 9.4 for the month which is considerably above the yearly average of 8.2 per day. The average hospital stay per patient was 4.2 days as compared to 4.3 days the annual average.

Three babies were born in the hospital in August to bring births in the hospital for 11 months to 77.

Two hundred and twenty-two outpatients were treated during August in the hospital's emergency room to bring that total for 11 months to 1,746.

Hospital Administrator Zintgraff reported some operations are again being performed in the hospital mostly by Dr. Mardia of Slaton, a courtesy medical staff member, who is assisted by Dr. Rodriguez.

## New box seats---

(Continued From Page One) the ranch Saturday and Sunday.

Gottshall, who is the executive director of West Texas Boys Ranch, told the Dispatch that the big cooking crew which comes over from San Angelo for the OS weekend figures to sell 5,000 barbecue plates at \$2.50 per plate this year.

This compares with 3,600 pounds of beef cooked over the wood fires last year with about 3,800 paid meals served.

Gottshall says the donations raised by the "OS weekend" — which was a record \$41,000 last year not counting barbecue money — pays for about one month's operation of West Texas Boys Ranch each year.

The ranch, which is almost full at the present time, operates on an annual budget of \$500,000.

Maximum capacity of the ranch for boys is 72 and there are about 70 boys at the ranch at the present time.

First copies of the attractive new OS Steer Roping and Art Exhibit Catalog, edited this year by Gottshall, were distributed to committee members at the planning session and others are scheduled to go on sale

here this week.

Toots Mansfield, who served as president of the Rodeo Cowboys Association from 1945 through 1951 and who won seven national roping titles in a career which began in the mid-30s, is the steer roper honored in this year's catalog.

For out of town Dispatch readers, catalogs may be ordered by mail by sending \$5 to Box 310, Post, Texas 79356.

Under the recent "OS weekend" reorganization, directors include Prather, general chairman; A.C. Cash, grounds and parking; Lin Helton, public relations; Giles Dalby, security and treasurer; Giles McCrary, art and catalog; Gottshall, publicity and catalog; and Mitchell, entertainment.

The OS committee consists of Tom Ryan, Mrs. Jim Prather, Mrs. S.E. Camp, Mrs. A.C. Cash, Mr. and Mrs. Jess Cornell, Jim Cornish, Mrs. Giles Dalby, Mr. and Mrs. Jack Kirkpatrick, Mr. and Mrs. K.W. Kirkpatrick, Mr. and Mrs. Jack Lott, Mr. and Mrs. Bob Maey, Dr. and Mrs. Charles McCook, Mrs. Giles McCrary, Mrs. Mike Mitchell, Mr. and Mrs. Ed Neff, Mr. and Mrs. David Newby, Mr. and Mrs. Bob Palmer, Mr. and Mrs. Jerry Thuet, Dr. and Mrs. William C. Wilson, and Mr. and Mrs. Donald Windham.

## Custody case to be heard by jury

A suit filed over three years ago for custody of three children of Floyd and Doyle Hair of Post is scheduled to be finally heard by Garza district court jury this week.

The case was scheduled for trial, beginning at 1:30 p.m. Wednesday.

The original suit was filed by the county probation officer Feb. 14, 1975, seeking to place the children, Shawn, Shane and Shad, in the custody of the Texas Department of Public Welfare, which was then ordered by the district judge on a temporary basis.

## Grassland church to have revival

Revival services will be held at the Grassland Church of the Nazarene beginning Sept. 19 through Sept. 24 with Rev. R. B. Kelly of Bethany, Okla., as speaker.

Services will begin at 7:30 each night through Saturday with Sunday services being held at 11 a. m. and 6 p. m.

The public is invited to attend each and every meeting. Tom Moore is pastor of the Grassland Church.

## FINED \$50

Kenny Hair has been fined \$50 in city court and ordered to pay court costs for trespassing and public intoxication. He was arrested on the complaint Sept. 7.
