Grade School Children Buy Army Jeeps

Grade School children topped their goal of \$1,800.00 in the Campaign by buying \$2,045.00 in the given three week period. The children and teachers heard of the fact they have made their credit in this campaign. All entered into the contest with a will to do all they could and a general motto, "I can't buy, then I will enter those who can."

Total sales at the Grade School for this school term have reached \$2,045.00. The 7B class has topped all other grades in sales with a grand total of \$287.00. The 4th grade comes next with \$1,093.85 and 7A third with \$462.20. Miss Cox's room, in 7A has topped all grades in participation. Approximately 85% of the 7A children are the buyers.

Senior Programs Announced For Month Of May

Wiley Lawson gave an interesting talk on the Pan-American Day at the weekly luncheon of the Post Rotary club. A special visitor for the day is Mr. Kent Pession who is here through before he reports to Berkeley in Abilene for a assignment.

Senior Of The Week

By Bettie Jo Stevens
Nell Shepherd, one of the bright students of the class will present the Seniors this week. She was born June 25, 1926 in an oil community. She went to school for nine years and graduated last past two years. She participates in all sports and has played forward on the softball team for about seven years. She is also an accomplished player in volleyball.

One-Act Plays To Be Presented By Sophs Tonight

The Sophomore class is presenting two one-act plays tonight in the High school auditorium at 8:30 o'clock. Admission of 15c and 30c will be charged.

The first play is "Wildcat Willie Buys A Bond," a patriotic comedy in one act. The characters are: Percy Parsons, Marian Edwards, Gladabelle Cartwright, Bobby Cash, Rex Everett, Jr., Mary Helen Robertson, Edna Mae Pierce, Wanda Thomas. Presented next will be "Boy Meets Family," strictly a comedy in one act.

Characters are: Don Shirley, Iris Parker, Holmes McLaugh, Virginia Evans, Bobby Hutto, Edna Swanger and Lorene Blacklock. Between acts there will be a short musical show presenting Harry Wood, Ben L. Thomas, W. F. Cato and Wayne Beauchamp. Mrs. Roy Mullins will present Eleanor Boyd, Mary Nell Bowen, Ann Mullins, Mary Ann Hundley, La Rue Stevens, El Wanda Davies and Sue Bell Brister in novelty songs.

Junior Club Elects Officers For 1943-44 Year

The Junior Culture club met Tuesday evening with Miss Ruth Haggard. As it was the last meeting of the club will have until next fall, there was much business to attend to. Plans were discussed for next year's program, and new officers were elected as follows:

Mrs. Wilbur Love, president; Mrs. Ashley Lawson, vice president; Miss Barbara Jo Cox, secretary; Miss Kitty Fairies, treasurer; Miss Maxine Durrett, parliamentarian; Mrs. Jack Martin, historian.

Poster Made By Sue Bell Brister Attracts Attention

Approximately 25 people a day admire and read the poster displayed in the Post Dispatch window on Conservation. The poster was made by Sue Bell Brister, daughter of Mrs. Nola Brister, and is one of many made during the recent Victory contest held by students in the Grade school. The talented pupil, who is a member of the fifth grade, used originality in making up the attractive poster that attracts so much attention not only from the children but from grown-ups as well. The poster is read also by Mexicans who translate it for their companions who cannot read English. Sue Bell has used objects to emphasize the important nouns in the poster. The subject matter is as follows and was a part of a song introduced by one of the grade school teachers in the conservation program stressed this year at the school.

"Don't forget to put out the light.
Last year's dress will be alright.
Wear the hat you bought last spring.
Save your papers, wind up string.
Pick up pins, don't waste a thing.
It's the little things that count!"

"They Give Their Lives—You Lend Your Money"

CALLING ALL GARZA COUNTAINS!
Can we fall the boys who are fighting in theatres of war all over the world for you and me? They are expecting us on the Home Front to send them fighting equipment to win. We are \$7,000.00 short of our goal in the Second War Loan Drive. We must make up this amount by May 1. Can we feel right about it if we don't buy all the bonds we possibly can to help the more than 300 boys and men in this county? Let's be frank about it . . . so far, many of us have been fighting this war from an easy chair, buying bonds when we had a little extra cash. If we were suddenly transported to North Africa or New Guinea where many of our own sons and brothers are fighting and could hear them call for more guns, more tanks, more ammunition or cry for help when wounded, how many bonds would we buy? It's our choice . . . what are we going to do about it?

Distinguished Service Cross Goes To Garza Boy

Staff Sergeant Wright D. Hinson, son of Mr. and Mrs. Wright D. Hinson of this county was cited for bravery by the War Department when two officers and seven enlisted men were honored for distinguished service recently. The announcement was received here early in April. Hinson received the Distinguished Service Cross. The citation read:

"For extraordinary heroism in action in Algeria, in November, 1942. Staff Sergeant Hinson was in the hold of a ship with many men who were injured or overcome with ammonia gas when the ship was set on fire by direct hits from shore batteries. Realizing the perilous position of his comrades, and with complete disregard for his own welfare, he climbed to the deck of the ship while it was being raked with machine gun fire, carried and assisted these soldiers out of the hold, and obtained a hose with which he sprayed water into the hold to settle the ammonia gas. He then left the ship, obtained a row boat, assisted men into it, as well as others who were in the water, and rowed them all to the shore."

Sweet Sorghums To Be Threshed For Livestock Feed

James A. Boyd, Secretary of the Garza County ACA, announces that farmers who produced sweet sorghum in 1940, 1941 and 1942, which was classified as nondepleting or soil conserving will now be permitted to be threshed for poultry and livestock feed.

No adjustments will be made in applications for payment for either of these years, provided the operator complied with the regulations requiring that a strip 1 rod wide was left standing between each 5 rod strip which was harvested.

Considerable Fire Loss Reported On Red Sims Farm Wednesday

A fire loss of considerable worth occurred on the Red Sims farm, twelve miles north of Post, early Wednesday morning. Fourteen stacks of feed were partially destroyed and two bins of cotton seed and two bins of corn were destroyed. The origin of the fire was not known.

The Post volunteer fire department assisted in fighting the fire.

Recitals And End Of Year Programs Being Announced

Pupils of Mrs. Ashley Lawson and Mrs. Roy Mullins will be presented in closing recitals of the school year the first week in May. Mrs. Lawson's recital of piano pupils is scheduled for May 6 at the High school auditorium; and those of Mrs. Mullins will be presented on May 4.

Other dates for the end of the year programs are as follows: Senior Day, April 30; picnic on April 30; baccalaureate sermon on Sunday, May 9, at the High school auditorium; Eighth grade commencement on Thursday morning, May 13, at 10:00 o'clock and Senior commencement on May 14 at 8:30 o'clock p. m.

Rev. R. C. Tennison, newly elected Baptist preacher, has been selected as the Baccalaureate speaker. Other speakers have not been selected and it is understood that the Eighth grade will not have a speaker. The class will probably put on all the program as a unit.

New Arrivals...

Mr. and Mrs. Raymond Higginbotham of Spur are announcing the arrival of a son weighing 8 pounds 4 ounces at 8:30 o'clock on April 22 in St. Mary's hospital at Lubbock. The Higginbothams were, until he entered the armed forces, residents of Post. Pvt. Higginbotham is now in Yale University at New Haven, Conn. He was associated with the Soil Conservation office while in Post. Mrs. Higginbotham is making her home in Spur.

Two More Garza Boys Enter Army This Week

Two more Garza county boys were inducted into service this past week. One boy was inducted through a California board. He was Tilghman Thomas Jefferson Homer. Another boy was inducted on April 23 at the Lubbock station. He was Robert Frederick Dealey. This information was released from the local draft board on Tuesday morning.

Methodist To Entertain Dist. Conference

Plans are being completed for the annual meeting of the Lubbock District Conference of the Methodist church. The conference will meet in Post next Wednesday, May 5, with members of the Methodist church serving as hosts and hostesses to the more than 500 persons who are expected to attend the one-day affair. Rev. O. B. Herring, host pastor, stated this week that everything is being put into readiness to entertain the delegates and visitors and that plans are being made by women of the church to serve luncheon to the visitors.

Bishop Ivan Lee Holt, an outstanding Methodist leader will be the principal conference speaker and will appear on the conference program at 11 o'clock a. m. Bishop Holt is past president of the Council of Churches in Christ in America. He served as pastor of the St. John's Methodist church in St. Louis for twenty years, was a former professor in Southern Methodist University. He has served as Bishop since 1934 and is one of the most popular church men in the south. Townspeople are given a cordial invitation to hear him when he delivers the Conference sermon at the eleven o'clock hour. Miss Maxine Durrett will give special vocal numbers during the eleven o'clock hour.

Another outstanding speaker of the conference will be Dr. Harold G. Cook, president of McMurry college in Abilene.

In addition to the regular business of the one-day meeting, the debt-free parsonage will be dedicated in some special part of the day's events.

Thirty-nine different charges will be represented at the meeting. Counties to send delegates are Garza, Lynn, Gaines, Terry, Lubbock, Crosby, Hockley, Cochran and Dawson.

Certificates Of War Necessity Not Transferrable

Certificates of War Necessity and "T" ration gasoline coupons are not to be transferred along with titles to trucks, the Texas USDA War Board has been advised by ODT.

ODT pointed out that violation of this regulation may result in suspension or revocation of certificates.

When transfers are completed, the new operators should file applications for Certificates of War Necessity. Failure to file the application also may result in suspension of Certificates, the ODT said.

Single unit operators who make transfers must return certificates to their district ODT office and surrender unused "T" coupons to their local War Price and Rationing Boards. Fleet operators are required to advise the nearest ODT district office of their action and return the appropriate sub-certificates.

According to the DT, operators changing their area of operation or substantially changing the nature of their business must inform their local DT district office of the changes. Changes of address also should be reported. Failure to comply with the rules may result in reduction of gasoline allotments or possible suspensions of certificates.

P-TA Conference Opened Today In Plainview

The fifteenth annual conference of the fourteenth district of Parents and Teachers opened today in Plainview for a two-day session. Mrs. B. J. Edwards, president of the local unit of P-TA and several delegates from the Post association left early this morning for Plainview. Among the group was Mrs. A. C. Surman, state and district historian. Others attending are Mrs. E. W. Williams, Mrs. Tol Thomas and Mrs. Lee Davis.

"Our Concern, Every Youth" is the theme of the conference. Headquarters are established in the Hilton Hotel and the First Baptist church. The official program opened at one o'clock today with the presentation of flags by the Plainview Boy Scouts with the A Cappella choir of Plainview Senior High school in charge of the impressive opening numbers. Mrs. H. G. Stinnett, Jr., president of the district called the conference to order. A recreational period will be presented this afternoon from 3:05 to 3:15 o'clock. Workshop conferences will be conducted from 4:00 to 5:30 o'clock. Mrs. Surman will have charge of the history session.

One of the outstanding portions of the Friday program will be the Early Bird conference which will be based on operation of a local unit. District and state officers will participate on the program after which local unit reports will be made.

Announcements concerning awards will be made also on Friday. Mrs. Edwards is a member of the Poster Committee and will assist in judging.

A post conference meeting of the board of managers will be held at 1:30 o'clock Friday.

Mrs. J. A. Stallings who is music chairman was unable to attend the meeting.

Jallop Drive To Collect Scrap Now In Progress

If you have an old worn out car that is beyond repair won't you either sell or give it to the U. S. Army so that it can be turned into the production of iron and steel for the manufacture of fighting equipment? The steel mills are running night and day, producing iron and steel with which to make modern implements of war. They must have materials to make these implements. Your old jallop will help. It is not serving you where it now is, put it to work fighting. Scrap iron and steel are now more valuable than gold and silver to the war effort.

If you have an old car that you will give or sell the Army, get in touch with Wallace Kimbrough, County Salvage chairman, who will have you fill out a questionnaire, telling the location of the car and how you wish to dispose of it. This information is needed by the Army and they will make arrangements for having it picked up and sent to where it can be used.

The scrap iron bin is still located on the main street of Post for those wishing to give their scrap metals and rubber, the proceeds from the donated scrap will be used to help various war causes, such as the Red Cross, USO or the Bond Drives.

The Garza County Frozen Locker plant is buying the waste kitchen fats which are badly needed in the making of explosives for the Armed Forces.

Canning Sugar Available

There is positively no reason for spoiling of crops this year because of a lack of canning sugar, OPA officials say. All local Boards have been instructed to issue certificates for allotments of sugar for home-canning under the same regulations as last year until they are notified of a change in procedure. Sugar certificates can be issued quickly in any community as the canning season arrives. Application dates are set by local Boards.

Miss Lucille Collier of Lubbock spent the Easter holidays in Post with her parents, Mr. and Mrs. R. H. Collier.

Garza Bond Quota Is \$7,000.00 Short Of Allotted Goal

In the final days of the Second War Loan drive every effort should be made to make up the quota of \$157,000.00 allotted to this county. Garza county was \$7,000.00 short of that quota on Wednesday afternoon, according to a report made by John Herd, director for the Victory Fund committee for this county.

Response from several communities has been very gratifying but in the city and a few of the communities the response has fallen short of the expected participation. It was reported by numerous chairmen who are assisting in the drive.

Many of our citizens have made the supreme contribution, they not only have given their sons but they are lending every dollar they can to help buy the war materials needed to win this fight. These persons are asking themselves if their neighbors are only part-time Americans.

It isn't hard to figure your percentage as an American, one contributor stated. "Just check what you are doing against what you could do if you gave every minute of your day, every ounce of your energy, . . . yes, and every ounce of your blood . . . toward winning this war. True Americans are working, fighting, and dying for American freedom."

Another said, "It's time to dig down and dig down deep for Victory; it may hurt some of us but I give up a few of the things I enjoy, but a lot of our sons in uniform are being hurt and will hurt a lot worse before this war is over. Those of us who make fuss should be ashamed to complain."

Every person who has had a part in the drive is urged to get in touch with his banker or some committee chairman today and lend his money for the boys who are giving their lives.

The drive will end Saturday. Act now!

War Ration Book 3 To Be Issued In June

War Ration Book No. 3 will be distributed through the mails to more than 120,000,000 individuals beginning late in June and ending July 21, the OPA has announced. Mailmen will leave postpaid application forms at every home between May 20 and June 5. The answer, properly filled out by the head of the household and mailed to the OPA, will bring ration book No. 3. Prentiss M. Brown, post administrator emphasized that book No. 3 is a replacement book only, containing a new supply of stamps to take the place of the new being used up. He said if any more rationing programs were necessary there would be official notice by the government.

SMUT IN GRAIN SORGHUMS AND ITS CONTROL

Covered kernel smut is the most destructive disease of grain sorghums. Plants affected by this smut instead of producing grain, produce false kernels filled with smut spores. Some of these spores are carried by the wind or by threshing operations to the good kernels.

Treatment: 1. Dusting the planting seed with sulphur, using 2 to 3 ounces per bushel will control this disease. This is one of the safest ways of preventing smut in grain sorghums. Dusting sulphur is cheap and is not poisonous nor will it harm if germination of the seed.

2. Dusting the seed with copper carbonate at the rate of 2 to 4 ounces per bushel. Two ounces of the copper content is 50% and 4 ounces if it is 10%.

3. New improved Cerdan at the rate recommended by the manufacturer. Don't over-treat with this nor feed treated seed to livestock or poultry.

St. Sgt. John Graham Visits Here With His Mother

St. Sgt. John M. Graham returned Friday to Drew Field, Tampa, Florida, after a fifteen day visit with his mother, Mrs. Nellie Rodgers. While here they transacted business in Dallas and Keen, Texas. They visited many friends and relatives there.

Kent Presson Receives Commission

Kent Presson arrived here last week end for a visit with his parents, Mr. and Mrs. W. F. Presson. Kent has just completed his officer's training course at Fort Sill, Oklahoma, and is now wearing second lieutenant's bars. He is being transferred to Camp Barkley, Abilene, Texas, and will be with the 90th Artillery Division.

Former Post Residents Now Captains In The Army

Mr. and Mrs. R. D. Cole of Lubbock but former Post citizens are the parents of two captains in the Army, Captain Clifton Cole and First Officer Vada L. Cole of the WAACS.

Clifton is now assistant operations officer at Sioux City, Iowa, Army Air Base, and Vada is now processing officer at the 5th WAAC Training Center at Ruston, La. Clifton is former FSA supervisor for Midland and Hale counties and Vada was FSA supervisor for Callahan county at Baird. She formerly was a teacher in the Post High school and also taught in Colorado City and Rotan.

Visits Here

Sgt. Marshall Mason, son of R. L. Mason of Garnolia is visiting here for a few days. Sgt. Mason is stationed at Amarillo Air Base and is a Crew Chief.

Receives Commission

Cpl. Kenneth G. Wright having successfully completed his three months course at the Air Forces Officer Candidate School at Miami Beach, Florida, has received his commission as 2nd Lieutenant in the Air Forces of the Army of the United States. His duties will be to direct vital administrative and supply operations of the rapidly expanding Army Air Forces ground forces, thus relieving trained pilots for full time flying duty.

He has been transferred to Salt Lake City, Utah, at the Army Air Base.

Delmo Gossett Promoted

Delmo Gossett of Bryan Field, Texas, has recently been promoted to private first class. He is the son of Mr. and Mrs. Lonnie Peel of the Close City community. Pfc. Gossett volunteered into service on Oct. 21, 1942 and was stationed at LAFS at Lubbock until Feb. 4, 1943 when he was transferred to Bryan. He is in the 500th sqd. and is in the radio department. He likes his work fine. He is anxious to visit with his relatives and friends here and hopes to get a furlough soon.

Correction

The name of Mrs. G. A. Thomas should have read Mrs. G. A. Harrison last week in the write-up of Hulen Harrison in the Men In Service column. Hulen also has been transferred and is now a gunnery instructor instead of a bombardier instructor. He is stationed in Fort Myers, Florida.

Southland Boys In Service

Hershel Hamilton, who volunteered three weeks ago for the Navy, is worried because of no word from his parents since he has been at Williamsburg, Va.

Pvt. Bernie Voigt returned Wednesday from Atlantic City hospital with a medical discharge. He has already made plans to resume his farming.

Pvt. Billy Corbell of SPFS, Lubbock, spent the week end with his parents, the L. L. Corbells of Hackberry.

Rev. O. B. Herring went to Roaring Springs on Wednesday to conduct funeral services for a former church member.

Personality
He was born at Avery, Texas, and after moving about to different places he moved to Post 5 years ago. He has lived here ever since. He hopes to graduate in a few years but likes the place he is in. He has many student friends and many friends outside of school. He is industrious and looks happy. Who is he?
(Last week's personality was Wayne Hundley.)

The boy scouts had a weiner roast Monday night at the time of their regular meeting. They had guests and altogether about 18 people attended. A good time was had by all during a period of game playing.

Every student is looking forward to Friday which is senior day. After an assembly program to be presented by the Seniors every class will go on a picnic.

On Monday of this week a called assembly program was held with Dr. Davis of Howard Payne College speaking. It was a very interesting talk and he was received very warmly and the students enjoyed it.

We were sorry to lose Mrs. Shelley Camp, but we were so happy because she got to go with her husband, Lt. Camp.

Mrs. Victor Hadman took her place and I know we will enjoy her as much as Mrs. Camp.

Nephew Of George Doughty Is Commander Of RAF Unit

Donald A. Doughty, a nephew of George Doughty, is serving as Wing Commander of the first all RAF controlled unit in the United States and is stationed in Philadelphia, Penn. Mr. Doughty has never seen the nephew as he was born after he came to the United States, but since the RAF commander has been moved here they correspond frequently. In a recent letter to Mr. Doughty, the nephew said he felt it was a rare honor to have command of the unit of 200 persons. "I still like this city which, I believe, is the 10th largest in the world and of course I am still spending my time trying to find my way about the place," he said. The commander was stationed in Washington when he was first sent to the United States. He came to Washington the same time as Winston Churchill did. "Tomorrow I'm going to the wild west rodeo which is passing through the city. I understand they are very good and somewhat more exciting than our dull old circuses at home," he related in another portion of his letter.

Before the war the commander was associated with his father in the shoe manufacturing business which was established in 1860 in London and in which firm Mr. Doughty was a member before he came to the United States. The nephew is director of the firm and his father is Governor-director. The firm handles the "Populaire" and "City King" brand of boots and shoes for wholesale and export trade.

News Of The Hoover Boys

Friends of Jerry Hoover will be interested to know that he is now in Long Beach, California, where he is working in a defense plant. Jerry was wounded several months ago and after being in a hospital was given an honorable discharge from the U. S. Marine Corps. He has two brothers who are in service, Jack is a flight officer and is in Australia; Herbert is in A & M college where he is in training as an aviation cadet.

Seventeen Year-Old Graduates Urged To Volunteer Now

Seventeen year old boys may volunteer for service in the United States Navy now and be assured of entering an accredited trade school for many months to come. Those boys who are finishing high school within the next few weeks are asked to contact the Lubbock recruiting officer who comes to Post every Monday and inquire about the trade schools or to get in touch with recruiters at the Lubbock office. This part of the United States Navy Program is one that will be of untold benefit to the boys who will be eligible for army or navy service before too many months. In this group we have the true volunteer and in this way boys may select their own branch of service. The Navy has in operation 50 trade schools.

Sixteen Year-Old Boys In Great Demand In Plants

To meet the demand for more aircraft sheet metal workers, the Fort Worth plant of Consolidated Vultee Corporation is now hiring boys 16 years of age who have been trained in NYA war work centers.

Boys who have either completed high school or who have been out of school for at least six months after finishing the 8th grade are eligible for this training at the NYA centers in Ranger and Burnett.

While training and living together at the centers for periods of around 6 weeks, the boys receive board and room, work clothes, medical care, laundry and \$15.90 per month in cash. Immediately upon completion of the course they are accepted by Consolidated Vultee to work on special shifts assembling spars, wing bulkheads and doing other types of sheet metal work in the Fort

Worth plant, where they are paid 50c per hour 40 hours per week plus 75c per hour for 4 hours training per week.

Girls 17 to 24 years of age also accepted by the NYA training in radio, machine and welding, receiving the allowance as the boys and in supervised dormitories same centers.

Those interested should write the NYA Counselor, 1207 Lubbock.

Fourth Grade Gives Book To Library

The Fourth grade bought a book with the money they won at P-TA last time. The book was "Elsie Dinsmore." Mrs. Brister read the book to the boys and girls in the Fourth grade and they enjoyed it very much. After they had finished the book, they gave it to the library, for which the library wants to thank the Fourth grade very much.

Stamp And Bond Contest Winners For Last Month

Seven A and the Fourth grade won the Stamp and Bond Contest again last month and got to go to the free show.

The speech winner was Edith Williams who represented 7A, and the poster winner was Bonnie Ann Bowen, also of 7A.

7B Class Club

The 7B class has a class meeting every Monday afternoon during class period.

In it they decide on their activities. It is a very interesting little club.

The officers are Mack McCullough, president; Macey Casey, vice-president; Helen Thaxton, secretary; Loraine Baker, parliamentarian; and Viola King, reporter.

Clean-Up Campaign

The entire Grade school turned out Wednesday afternoon at 1:50 to clean up the school grounds and the vacant lots around school. It took us only about 40 minutes, each class working in a certain area.

We have received many compliments on our work from people in town. Most of the boys and girls seemed to enjoy the work.

The bond sales for last week here were \$1,530.00. Four-fifths of this amount was purchased by three members of the bond committee, who have almost reached their allowable amount that the government will let an individual purchase in a year's time. How will the rest of us fill Southland's quota the rest of the year?

Proof of E. L. King's theory that the milking shorthorn is the best breed for the farmer: At the Panhandle-Plains Dairy Show, his aged bull—Flat Acre Minstrel—was grand champion of the show for his third consecutive year. He was sold to a Mr. Swanson, who lives in Lebanon, Oregon. His junior yearling—Wise Prince—won first place. His aged cow—Hensley's Barrington—a ten-year-old—won first place in the milk production of milking shorthorns and second place among all breeds. Her milk tested 4.4% - 2.0999 lb. of butterfat, and she produced 51.8 lb. in the 24 hour test. His 2-year old heifer—Polly—won 1st place in her class. His son, Leslie, won Junior Championship with his eight-month-old club calf, which he sold for \$275.00.

Congratulations to Mr. and Mrs. Albert Krause. Their 7 lb. 7 1/2 oz. son was born at West Texas Hospital Thursday night. The Krause family lived here for several years before moving to Crosbyton.

Connie Field left Thursday for a two-day trip to Scottish Rite Memorial hospital in Dallas. The last two examinations were made semi-annually, but he must return now in two months.

Tuesday to Friday guests of Mrs. Herbert Dunn were her mother, Mrs. J. E. Day, and Mrs. E. R. Wright. These Maleshine visitors also were guests of several of their friends here and at Slaton.

Miss Marie Lange of Bartlett spent the week end here with Myrtle Wilke, before continuing her trip to California.

Mrs. August Becker's sister, Mrs. Claude Lewis and daughter of Temple, and their brother's wife, Mrs. Mack Echemann of Holland, arrived Thursday to spend several days with the Beckers.

Mr. and Mrs. Bill Martin and children of Lubbock were Saturday visitors of his parents, the Ed Martins.

Mr. and Mrs. Barney Walker and children of Lubbock were Saturday visitors of his parents near Littlefield.

The J. H. Robbins family were back here Saturday. They recently purchased a farm four miles from Idalou and will move there soon from Lorenzo.

Mrs. Heywood Basinger and Mr. and Mrs. E. M. Basinger left Wednesday to take Mr. Basinger's brother, Tom, to his home in Fredrick, Okla., and to visit friends and relatives for several days.

Sunday guests of the E. F. Parkers were their daughters, Mrs. Jack Bolen and family of Big Spring, and Mrs. E. C. Jensen and husband of Abilene.

Mr. and Mrs. J. V. Young at-

The next day the club met again, and after the minutes had been read and business discussed, a program was given by Jerry Odorn, Myrtle Bryan, Bonnie Gary, Patsy Holly and Penelope Cartwright.

On Wednesday, another good program was presented by Pauline Martinez and Juanita Jimenez.

Santa Fe Passenger Movement Greater Than In World War I

According to a news release furnished the Dispatch by Santa Fe agent J. A. Stallings, we learn that passenger movement is four times greater than in World War I.

During the first year of the present war the railroads have transported 11,641,833 troops including inductees, the Army Transportation Corps reports.

A total of only 2,734,527 troops, including inductees, was handled in the first year of World War I. "Of the troops moved during the first year of the present war," the Transportation Corps statement says, "almost 60 percent travelled on special trains. The railroads were called upon to provide 21,000 special trains, in which there were included 197,288 passenger cars and 79,443 baggage and freight cars. More than 55,000 open top cars were included in the special trains, reflecting the large numbers of trucks, tanks and heavy guns now included in the equipment of a military unit.

With all the additional transportation, one of the main items of concern with the Santa Fe train crews, Mr. Stallings said, is the comfort of the passenger.

CONFOUNDING ITS ENEMIES

For the past decade promoters of socialized power in the United States have used every artifice to prove that the country faced a power shortage in the "immediate future," as justification for their program to spend unlimited millions of public funds for government-owned power developments.

Well, the "serious" power shortage never occurred. In the face of the nation's greatest emergency, the private electric industry has met the demand for power in every instance, not only the abnormal loads for war industry, but the requirements of the home, the farm and all other civilian activities.

This is no stroke of luck; it is in line with the record of this industry since its inception. Its ability to meet and keep ahead of wartime and civilian requirements is not limited to any one area, but is universal throughout the country because Class One utility systems are furnishing 85 percent of the power demands of the country, and are maintaining a construction program which assures a dependable reserve well ahead of demand.

A Congressman can make the headlines by doing something big or by slandering well-known people so they will notice him.

Some are born ornery and others obtain soft jobs that couldn't get along without them.

SALUTE—AMERICAN STYLE

No industry is doing a better advertising job than are the railroads. Individual companies and the railroads as a group are carrying in the newspapers and magazines of territories served, advertising that builds pride in our institutions and confidence in our ability to produce and deliver the goods.

Not only is the wording of the copy inspirational in its nature, but the illustrations stir one's blood as they picture the tremendous sweep of this country and the motive power that links it from coast to coast and border to border.

Here is advertising which impresses on our people the mighty resources of our land, and the ability of the greatest railroad system in the world to handle them.

A paragraph from one advertisement paints the American railroad picture when it says: "A friendly wave—that's the traditional salute between the farmers and the men who run the trains. Together they are learning, from the heartaches and hardships of war, how necessary they are to each other—and to the preservation of their precious privilege as free men to salute each other American style, with a friendly wave of the hand."

We must see that everybody has plenty to eat and wear.—Secretary of Agriculture Wickard.

KEPT THEM ROLLING

Credit is due largely to the oil industry for keeping pleasure cars on the road. It spearheaded a campaign which collected nearly half a million tons of scrap rubber. A million men and women of the oil business, together with the industry's trucks and 400,000 filling stations, did the job.

Said Petroleum Administrator Lyles: "The results are now history. . . My thought at this time, however, is that I earnestly hope that, because it is history, the campaign will not be forgotten. I hope that the American public may realize, and appreciate, the fact that the scraps which they are getting were made possible because of that scrap rubber drive of last summer."

Views of Neighboring Editors:

The Texas Spur—There are advantages in buying goods at your home town, because the home store people feel under special obligation to serve you well. When you consider buying something in such a store, that sale is not the only thing the store people have to think of. They know that if they sell you something you do not like, or charge too high for it, you will be dissatisfied, and may not come to their place again soon. Whereas if you shop in some distant city or buy of strangers, they do not usually expect to see you again, and may not feel that special responsibility.

When you buy at home, you buy of people who are not merely desirous of making that sale but are determined you shall be so well pleased that you will keep coming there.

The Ralls Banner—We betcha a lot of those young men in colleges studying for the army are taking their work seriously. It used to gripe us beyond words to see so many youngsters in colleges supported by taxes having a rousing good time and doing nothing of any value. It was costing the State of Texas several million dollars a year to keep up the educational system of the state. And probably twenty-five percent of that was wasted by irresponsible youth. But now college opportunities are valued by the young men, particularly for, as we understand it, if the men work at the college studies, they can continue at them. If the don't then there is immediately something for them to do that does not require college training. Still maybe all this is one of the things we are fighting for—the privilege of frittering away four years of college.

The Scurry County Times—Snyder and Scurry county housewives can prepare and bundle up all the good used tin cans on hand, and help in the nation's all-out war effort, because the humble can has gained a considerable amount of respect during the past few weeks. Cans are considered so tangible and important that a nation-wide salvage drive is being waged to get the tin to refining and smelting plants.

We need tin cans, as never before, to shred, bale into huge bricks and make copper—tin cans which will, in turn, be responsible for more bombers, more guns and more ammunition for our fighting forces. Tin cans can play an essential part in helping win the war, and giving so little will mean a lot to the boys whose blood has already stained foreign soil, and whose blood will stain foreign soil much more unless we get the ammunition to them.

Shower Given In Honor Of Miss Porter Saturday

Miss Fannie Faye Porter, bride-elect of Lt. Hilton Henslee, was honored Saturday afternoon with a shower given by Mesdames J. E. Voss, N. W. Stone and J. R. Durrett, and Misses Margaret Stone and Jean Duff in the J. R. Durrett home.

As the guests arrived they were asked to sign the bride's book which was presided over by Miss Jean Duff, Mattie Evelyn Stone conducted them to the dining room where Mrs. Voss poured tea. She was assisted by Mrs. Stone.

Music was furnished by Mrs. T. L. Jones and Mrs. Ashley Lawson. White roses and candles with miniature bride and groom formed a centerpiece for the lace-covered table.

MISS FANNIE FAYE PORTER

Other seasonal flowers decorated the entertaining rooms. Favors of pansies on paper doilies and white napkins bearing the names of "Fannie Faye and Hilton" completed the decorations.

After refreshments a musical program reviewing in song the romance of the couple was given. Mary Evelyn Nease and Hazel Louise Cash, accompanied by Betty Williams at the piano, sang "I Met Him On Monday" and "He Wears A Pair of Silver Wings." Mrs. T. L. Jones, accompanied by Mrs. Ashley Lawson, sang "Love's Old Sweet Song." The two girls then sang "At Dawning" and "My Old Kentucky Home."

The gifts were then presented to the honoree.

Out-of-town guests were Mrs. W. W. Porter, Mrs. B. B. Porter, Mrs. Travis Pritchett and Mrs. L. L. Bodine, all of Colorado City. About forty guests were present.

Three Persons Initiated Into The Eastern Star

Mrs. Esma Cash, Mrs. Pauline Miller and Miss Fannie Fay Porter were initiated into the Order of Eastern Star last Tuesday night during a regular meeting. Worthy Matron Lydia Myrtle Everett and Worthy Patron L. W. Dalby presided over the impressive ceremony.

Another initiation service is scheduled on April 29. Announcements were made in regard to the School of Instruction to be held on May 15. Election of officers will also be held at the next meeting.

Thirty-eight members were present for the last meeting.

Mrs. Mae Norman Is Hostess To Graham Homemakers Club

(Too late for last week)

The Graham Homemakers club met on Thursday, April 15th in an all day meeting with Mrs. Mae Norman.

There were eleven members and two visitors present. A delicious lunch was enjoyed and the ladies also pieced on a flower garden quilt for the hostess. Later in the afternoon an Easter egg hunt was enjoyed by the children as well as the grown-ups. Little Dale Peede and mother found the most eggs—24.

The next meeting will be with Mrs. Myrtle Hoover in the afternoon of April 29. At this meeting each member is asked to bring some material and we will piece one quilt for the Red Cross.

We had three new members to join our club, Letha Porterfield, Renee Flutt and Alma McBride. —Reporter

Miss Joy Robinson Marries In Florida On Saturday, Apr. 17

A double ring ceremony solemnized the marriage of Miss Joy Robinson, daughter of Mrs. L. T. Robinson of Post to Lt. David W. Schultz of Elkland, Pa. The ceremony was performed Saturday, April 17, in the Snyder Memorial Chapel, Jacksonville, Florida, with the Rev. W. F. Dunkle officiating.

Miss Anna Marie Schultz, sister of the groom, attended the bride. Miss Schultz wore a navy blue suit with navy and white accessories, and a corsage of white gardenias.

Mrs. G. W. Shultz, mother of the groom, was dressed in brown and white with a shoulder corsage of gardenias.

The bride chose as her costume a white wool suit with powder blue jabot blouse and navy blue accessories. Her corsage was of white rosebuds and blue corn flowers.

Only other guests were Mr. G. W. Schultz, father of the groom, and members of Lt. Schultz's class.

Mrs. Schultz is a graduate of Post High school and a former student of Texas Technological college. Before her marriage she was employed by H. O. Wooten Wholesale Grocery Company at Lubbock.

Lt. Schultz attended Pomona college, California, and was formerly a student of photography in Rochester, New York. He was commissioned at Lubbock Army Flying School in February and is now stationed at Homestead, Fla.

The couple will be at home at the Hotel Floridan, Jacksonville, Florida. Lt. Schultz is receiving training with National Airlines in Jacksonville.

Presbyterians Honor Senior Girl With Party On Monday

Miss Betty Jo Stevens, High school senior who will graduate May 14, was honored recently by the members of the Presbyterian aid. The party was given in the home of Mrs. D. C. Williams on Monday afternoon when the society held its regular bi-monthly meeting.

An impressive program based on the Easter theme was presented and effective musical numbers gave emphasis to the lovely program. Mrs. Ben Williams was in charge of the program. At the conclusion of this portion of the program, the honoree was presented with a beautiful gift from the Ladies Aid.

Delicious refreshments were served to the tea hour to almost all members of the aid and the honor guest.

A case of eggs was packed for the Reynolds Orphans home during the afternoon.

New officers presided for the first time during the meeting on Monday.

Two Hostesses Entertain For Club At Recent Meeting

(Too late for last week)

On Tuesday, April 13th, twenty-two members of the Merry Makers club met with Mrs. Dorothy Richardson with Mrs. Pearl Crisp acting as co-hostess. There were two visitors, Mrs. L. J. Richardson and Mrs. Kiker. Some of the ladies brought their handwork, while others visited. Flowers were exchanged between the members. It was voted to give the Red Cross \$5 and also \$5 to the Close City P-TA to apply on the new refrigerator being bought by the lunch room.

Delicious refreshments consisting of ice cream and cake were served. Everyone reported a good time.

The next meeting will be with Mrs. L. P. Baker on Tuesday, April 27. —Reporter

Mrs. Clyde Hundley entertained Saturday afternoon with a picnic party honoring her daughter, Mary Ann, on her tenth birthday. The children gathered at the home of Mrs. Hundley and opened gifts, then all went to Two Draw lake where games were enjoyed.

Sandwiches, soda pop and candy were served after an hour of fun to Sue Bell Brister, Billie Williamson, El Wanda Dayies, La Rue Stevens, Mary Nell Bowen and the honoree.

Rev. Jim Moudy Wins Gold Medal In Oratorical Contest

Rev. Jim Moudy, pastor of the First Christian church, had the honor last week of winning the Gough Gold Medal and a cash prize of \$25.00 in the oratorical contest held at the Texas Christian University where he is a senior student. The student pastor was second place winner in the contest during his freshman year and has never until this year re-entered the contest. Eight students entered the contest this year and keen competition was shown among the group for the coveted medal. Dr. R. H. Gough offers the medal and prize each year to the best oratorical student. Moudy's speech was based on the theme, "Being a Good Citizen."

Mrs. Harold Stotts and baby returned from the hospital in Lubbock the first of the week.

Leaders S. S. Class Holds Monthly Social Tuesday

The Leaders Sunday School class had their monthly social Tuesday night at the First Baptist church with Mrs. Dick Allen's group entertaining Mrs. Iven Clary's group.

After the opening prayer and devotional the class had a business meeting and decided to meet on every fourth Monday instead of Tuesday. Plans were also made for our next social to be held at our teacher's home, Mrs. W. L. Davis, with our husbands attending.

The social hour was spent sewing and talking.

Ice cream and cookies were served to eleven members and one guest, Mrs. Joe Eddie Robinson. —Reporter

SENIOR CLASS NEWS

By Betty Jo Stevens

The 1943 school year is rapidly coming to a close for the Seniors. The highlighting events for the next three weeks are: Senior Day; Assembly program by the Seniors; Baccalaureate Services and Commencement Exercises, with the final exams and worries whether we are going to pass.

The invitations were received last week. Most of the students have them mailed. Because of the souvenir invitation, which every Senior purchased, it was rather hard for everyone to concentrate on his studies because much time was spent in autographing and exchanging cards.

Friday, April 30, has been set aside as Senior Day. A picnic has been planned at Two Draw lake, with plenty of good eats, including fried chicken, and a good time is in store for everyone. The class will be accompanied by the Senior sponsors, Miss Weakley and Mrs. Victor Hudman.

Committees have been appointed to make preparations for the affair. Boats have been rented for the entire day. That night the group will meet and attend a theatre party at the Garza.

Friday morning at 10:00 o'clock, before the Seniors leave for Two Draw, there will be a flag raising ceremony.

The Seniors will present the following program May 7: Group singing; Class History, Ed Lawrence Robertson; Piano solo, Thelma Propst; Class Prophecy, Maxine Tucker; Music, Bobbie Gollehon and D. J. Atkinson; Class Will, Wynona Kennedy; Farewell, Frances Terry; and last the school song.

The public is cordially invited to attend the program.

We have a number of boys in the Senior class this year that have been deferred and are waiting until school is out to be inducted or to join some branch of service. Among those who are of that age are: Grady Porter, Vonnice Lee Peel, Glenn Norman, Bobbie Gollehon, Lee Wayne Hardin, Ralph Blasingame and Travis Francis.

Many more of the boys in the class will soon be of age to enlist or be inducted.

The Senior class wishes to express their appreciation to the Juniors, their sponsors and anyone else who had part in arranging and planning for the Junior-Senior Banquet.

The program was very interesting and it was an enjoyable occasion. Everyone that attended the theatre party also enjoyed it very much. We sincerely hope that the Juniors this year may have a banquet next year, if it is at all possible and enjoy it as much as we did the one you gave us.

Hollywood calls them "Oscars," those bronze statuettes which the Academy of Motion Picture Arts and Sciences presents annually for distinction in various fields of film making. But whether picture people laugh at the little figures or not, they are accepted as the supreme honor that the industry can confer.

And while it may take nine tailors to make a man, as the song says, it takes only four Oscars to make a hit picture.

"Once Upon A Honeymoon" has four persons in the cast who are proud owners of Oscars, which is something of a Hollywood record. They are Ginger Rogers, Leo McCarey, with two Oscars, and Geo. Barnes.

Only Carey Grant lacks one of the bronze castings to decorate his mantelpiece. He can console himself by realizing that not only did his stellar performance in "The Awful Truth" help McCarey to the latter's award, but Grant also paced Jimmy Stewart two years ago to aid that actor in winning the Oscar for his work in the Philadelphia Story.

"Once Upon A Honeymoon," playing Saturday night 11:30, Sunday and Monday at the Garza theatre is said to be the funniest romance of the year. It deals with the exciting adventures of two Americans fleeing before the Nazi blitz in Europe. Walter Slezak, noted Viennese star, heads the featured cast of the picture.

Mrs. J. A. Stallings is expecting her sister, Mrs. Helen Ivancovich of San Francisco, California, within the next few days.

College Credit To Be Given U. S. Service Men

The possibility of giving returning servicemen college credit for knowledge acquired while at war was discussed at a conference of 31 Texas college executives, meeting at the University of Texas last week.

The meeting was called by President Homer P. Rainey in response to a request from the American Council on Education. No action was taken by the conference, since the plan for giving credit for war training allows each institution to make its own decision.

Experience of military service can be evaluated in terms of college training, the conferees were told by Dr. Thomas M. Barrows, president of Lawrence College, Appletton, Wis. The armed forces are opening vast opportunities to its personnel—in technicians courses, officer-training schools, and in free-time facilities. Dr. Barrows said.

"The young man who has been through these educational experiences has learned a great deal that is of college level," he declared. "He deserves to receive college credit on his return to school—but only if he actually learns enough to pass objective tests in the subject."

The plan for granting college credit to ex-service men has already been adopted by about 200 colleges over the nation, Dr. Barrows said. The proposed plan sets up objective tests to prove whether the returned soldier or sailor is qualified to receive academic credit, he explained.

Plenty of Canning Supplies

Plenty of metal closures and rubber jar rings will be available for American housewives who will be doing an increased amount of canning this year. The War Production Board has removed all quota restrictions on the manufacture of certain types of metal lids used to seal the jars. Prohibition of the use of zinc is continued.

'Once Upon A Honeymoon' At Garza Sun.-Mon.

Hollywood calls them "Oscars," those bronze statuettes which the Academy of Motion Picture Arts and Sciences presents annually for distinction in various fields of film making. But whether picture people laugh at the little figures or not, they are accepted as the supreme honor that the industry can confer.

And while it may take nine tailors to make a man, as the song says, it takes only four Oscars to make a hit picture.

"Once Upon A Honeymoon" has four persons in the cast who are proud owners of Oscars, which is something of a Hollywood record. They are Ginger Rogers, Leo McCarey, with two Oscars, and Geo. Barnes.

Only Carey Grant lacks one of the bronze castings to decorate his mantelpiece. He can console himself by realizing that not only did his stellar performance in "The Awful Truth" help McCarey to the latter's award, but Grant also paced Jimmy Stewart two years ago to aid that actor in winning the Oscar for his work in the Philadelphia Story.

"Once Upon A Honeymoon," playing Saturday night 11:30, Sunday and Monday at the Garza theatre is said to be the funniest romance of the year. It deals with the exciting adventures of two Americans fleeing before the Nazi blitz in Europe. Walter Slezak, noted Viennese star, heads the featured cast of the picture.

Mrs. J. A. Stallings is expecting her sister, Mrs. Helen Ivancovich of San Francisco, California, within the next few days.
