

The Post Dispatch

VOLUME XVII POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, JUNE 10, 1943 "THE GATEWAY TO THE PLAINS" NUMBER 27

Notes From County Agent's Office

By Wallace Kimbrough
County Agent of Texas A.&M.
Extension Service
POULTRY NEWS

Rain plus warm weather increases worm infestation in poultry flocks. If your flock has not been wormed lately for intestinal parasites, it is a good thing to do. Use a reliable powder in a dust bath for two or three days or individual capsules. Follow the directions of the manufacturer. Repeat the treatment in about 10 days.

Green feed is a balance, supplying a part of the hard to get proteins. If green feed is not available alfalfa hay. Two pounds per hen per 100 hens. Soaking it improves its color and adds to its palatability.

Laying hens don't need as much protein in the summer as they do in the winter. One quart or two pounds for each 25 hens is sufficient. Hens over fed on grain store it up in excess fat which undermines the health of the birds. Many chickens die during the summer as a result of fat plus excess feeding of grain reduces mash consumption and reduces egg production.

Keep 'em eating mash. This one keeps 'em eating mash. This one stimulates egg production. Don't try to starve a profit out of your hens, let them have all they want.

Cull out all birds that are diseased. All grey eyed individuals should be removed and sold if available. Grey eye in chickens is one of the symptoms of range paralysis. Cull out the early molting and non-layers, feed is too high to feed a hen that won't lay. This will also make room for the pullets.

Produce only infertile eggs. Layers from fertile eggs cost the poultry farmer too much. Let's stop these losses by removing all male birds from the flock and produce only infertile eggs.

A good egg goes to the bad in a hurry if not properly taken care of. The following will help in keeping eggs:

1. Keep a good clean litter in the nests.
2. Provide one nest for each hen.
3. Gather eggs at least twice daily during the summer.
4. Keep eggs in a wire basket and in cool place.
5. Market eggs at least twice each week.

Ration Book No. 3 Deadline Is Today

GPA officials cautioned Southwestern consumers Wednesday that they have only until midnight tonight to mail their applications for War Ration Book No. 3 if they want to get them promptly.

Applications postmarked after midnight Thursday will be held at the GPA mailing center at Dallas until after Aug. 1 before the new books are issued and mailed.

Urging consumers to see that their applications are mailed at the offices of the mailing center, officials of the mailing center said that so far only half the number expected from this region have been received. They reported that 676,000 of the books have been mailed to consumers in the region.

The GPA officials added one more word of caution about filling out the applications: Write legibly.

RATIONING CALENDAR

- Gasoline—"A" book coupons No. 6, good for four gallons each, due the eastern gasoline shortage.
- Sugar—Coupon No. 13 good for 1 lb. through August 15. Coupons No. 15 and 16 are good for 5 lbs. each for home canning purposes. Housewives may apply to their local boards for additional coupons if necessary.
- Coffee—Stamp No. 24 (1 lb.) good through June 30.
- Stamps—No. 17 stamp in War Ration Book One good for one pound through June 15. Stamp No. 14 (1 lb.) becomes valid June 16.
- Meats, etc.—Red Stamps J, K, L, M, good through July 7.
- Produce—Blue Stamps P, Q, R, M, continue good through July 7.

AAA Penalty Lifted Over 19 Counties

Texas farmers were given additional encouragement to plan for maximum production when the \$15 per acre penalty for failure to meet 90 percent of their warcrop goals was lifted this week.

The penalty will no longer apply in the majority of Texas counties, but it will remain in effect in 19 Panhandle counties where hay and pasture goals have been established, B. F. Vance, Administrative Officer of the AAA, explained.

In these counties, he continued, the \$15 per acre deduction will apply only to those farms on which the county AAA committee decide that abnormal weather conditions have not interfered with achieving the farms warcrop goal.

Announced by the War Food Administration, lifting of the penalty is designed to help offset recent unfavorable weather conditions throughout the nation. Elimination of the deduction provision gives farmers opportunity to make such adjustments as are necessary to plant the needed crops adapted to their changed conditions and still qualify for such payments as are available.

"Since incentive payments have been withdrawn from several war crops, many Texas farmers felt that the penalty should be withdrawn," Vance declared. He said that in his opinion farmers still would meet the warcrop goals they had pledged on individual farm plan sheets.

Principal warcrops on which the \$15 deductions formerly applied are grain sorghums, soybeans for beans, peanuts for all purposes, flax, Irish potatoes, sweet potatoes, and dry edible beans.

James A. Boyd, Secretary of the Garza ACA, said that the \$15.00 penalty was lifted in Garza County.

Mrs. R. L. Warren Buried Here On Tuesday Afternoon

Funeral services for Mrs. R. L. (Callie) Warren were held Tuesday afternoon at the Calvary Baptist church with Rev. R. C. Tenneson of the First Baptist church, officiating. He was assisted by his son, Grasson Tenneson. The service was held at 5:30 with Mason and Company in charge of the arrangements.

Mrs. Warren died at Dumas on June 4. She had only moved there a few days previously. She had made her home in Post for 27 years.

She is survived by her husband and five children. Two sons are serving in the United States Army. Allan Warren is somewhere in Africa and Ray Warren is stationed in Oregon. He was granted a furlough to come home for the funeral. Other children are Mrs. James Bennett of Nevada, Jeanette and Bobbie Dale of Post.

Palbearers were Paul Duren, Andrew Dean, Roy Baker, Jim Hay's, Garth Smith and James Armistead.

Improvements Are Almost Complete At Two Draw Lake

The Post Chamber of Commerce is sponsoring many improvements at Two Draw lake in an effort to make the lake a spot to enjoy through the remaining summer months. B. J. Edwards, president of the organization, announced this week that improvements have been underway for several weeks and that almost the entire program has been completed.

A large arbor has been built in the picnic area on the west side. The roof has been shingled and it is believed that the arbor will weather any sort of weather. New foot bridges replace those that were destroyed and were beginning to be dangerous.

Boats have been repaired and repairs have been made in the bath house. New towels and new swim suits have been purchased and stamped.

The lake provides wonderful fishing and camping facilities as well as swimming and many out of town people visit the lake every summer.

Heavy Rains Reported Over Garza County

Garza county suffered agricultural losses as a result of the Sunday night rains, observers said Monday and further losses were anticipated because farmers were unable to get in the fields and complete urgent work this week. Reports came in from several communities concerning cloudbursts of rain and considerable hail damage.

Sandstorms, beating rains, much lightning and high winds brought every extreme of weather except cold to the South Plains area, reports over the area indicated. Replanting of crops in many sections were being undertaken. The heaviest rainfall in Garza county was reported in the Grassburg community. Mrs. Leonard Barrow said farmers in that area were estimating a rainfall of about seven inches. Following the rains of the night, fields were still running with water the next morning.

A small twister destroyed almost all the out buildings and barns on the Barrow place. Damage to buildings were also reported from the Marlar place. One barn was blown away leaving only the foundation. The storm hit that area about six o'clock Sunday afternoon.

In the Southland area the rain gauge there registered 1.64 of an inch but in some sections heavier rains fell. Highway workers spent several hours Monday morning cleaning away debris from the highway in that section.

Rain, wind and hail in the New Lynn and Grassland communities were destructive to crops and gardens. The amount of rain in that section was not reported.

On the P. E. Stevens farm in Graham where a rain gauge of the Soil Conservation Department was placed, 1.49 of an inch was reported. On the H. J. Bingham farm 1.64 of an inch was reported and on the Earl Lancaster farm only .49 of an inch was reported. In Post 1.56 inch was reported.

A check-up with the Soil Conservation office here revealed the following terracing news:

No water drained into a lake located on Charley Brown's farm, in the Class City community, following recent rains of more than 2 inches, because newly constructed terraces on the Charley Brown, J. L. Simmons and E. O. Young farms, plus contour rows on other surrounding farms, held and distributed the water on the farms around the lake, according to Barney Jones, proprietor in the Duck Creek Soil Conservation District.

"In addition, the water conserved will increase yields of needed food and fiber necessary in our war effort," Jones said. "We may not be able to keep all of the water on the watershed above the lake when excessive rains come but the amount soaked into the soil will be material benefit whereas water allowed to drain into the lake is lost for production of crops," Jones further stated.

New \$5.00 Auto Tax Stamps Due June 30

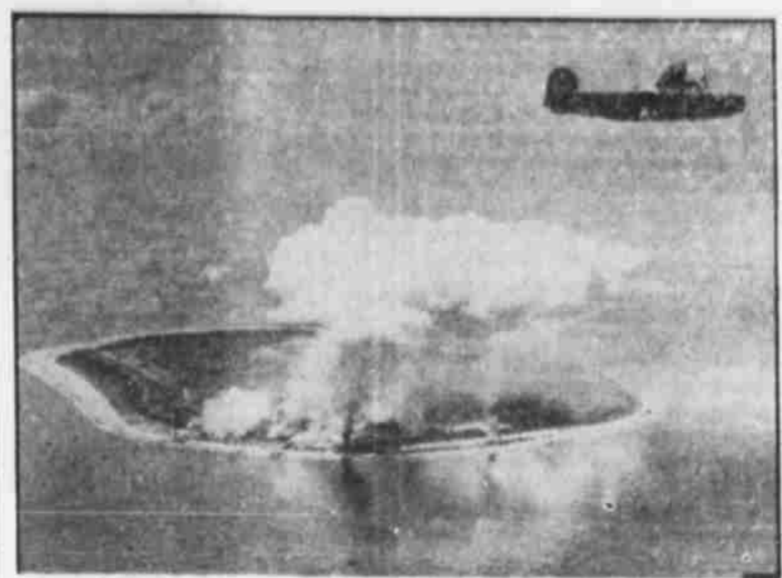

Automobile owners received a reminder Saturday from the Internal Revenue Division—it will be illegal to operate cars after June 30 unless \$5 Use Tax stamps have been purchased for the 1944 fiscal year.

The stamps, third in a series, will go on sale today in post-offices and at offices of Internal Revenue collectors. Postoffices will sell only for cash on the counter, but stamps may be purchased by mail from Internal Revenue offices.

New Arrivals...

Pet and Mrs. Coleman Browning are announcing the arrival of an 8 pound girl. The new daughter was named Freddie Fern.

LIBERATORS BOMB JAP-HELD NAURU

IN THE SOUTH PACIFIC—Official Seventh Air Force Photo—A four-motored U.S. Liberator bomber hovers over the smoking Japanese island of Nauru after a force of the American planes had made the longest aerial task force mission of the war to strike at enemy installations, which include a phosphate works and an air field at the outer defenses of the big enemy base of Truk.

War Bond Letter Received By M. L. Mason This Week

The following letter was received this week by Marshall Mason from Frank Scofield, War Bond Administrator for Texas. It is given in part below:

Honorable Marshall Mason, Chairman Garza County War Bond Committee, Post, Texas.

Dear Mr. Mason:

The Series E War Bond quota assigned to your county for the month of June is \$22,300.00.

Beginning with June 1st the full responsibility of the War Bond sales in Garza County is vested with you—that is you and your committee are in charge of all sales of Series E, F and G Bonds. Please make a special endeavor to top your Series E June quota by the widest possible margin and also actively promote the sales of Series F and G bonds in an effort to end this fiscal year, June 30th, with an aggregate of Series E, F and G sales of \$12,000,000,000.00 for the nation. I would suggest that you and your committee avail yourselves of the full opportunity of having the larger as well as the smaller purchasers invest their money in these securities.

I wish to congratulate you, your committee, and the citizens of your county for the creditable showing of War Bond sales for the month of May. During that month Texas exceeded its quota of \$28,000,000.00 in the first three weeks of the month with the sale of Series E Bonds alone. The State quota for the month of June is only \$1,000,000.00 more and under your able leadership, I know that the quota assigned will be met and exceeded and it is our patriotic duty and privilege to meet our share of the Secretary's request for \$1,000,000,000.00 a month in War Bond sales.

Again thanking you generously for your past performance and soliciting your loyal support in doing greater things in connection with the War Bond Program during the coming months, and with best wishes and kindest personal regards, I beg to remain,
Yours very truly,
Frank Scofield
War Bond Administrator for Texas

Jim Moudy To Preach Last Sermon Here On Sunday, June 20

Rev. Jim Moudy, pastor of the First Christian church will preach his final sermon here on June 20, according to an announcement made this week by members of the church. Moudy will leave about the first of July for his home in Washington and will visit with his mother before he goes into the army. He will begin a four weeks course in chaplain training at Harvard University and then will be assigned to some field or camp.

Rev. Moudy finished work toward his degree at the Texas Christian University two weeks ago. He was one of the high ranking students in the University and has an enviable record in scholastic and in other activities.

He has been pastor of the church here for two years.

Four Teachers To Fill Vacancies In Post Schools

Four new teachers were elected to fill vacancies in the Post school system when the school board met last regular meeting. Four other vacancies are to be filled, according to L. V. Bearden, superintendent.

Teachers who can qualify for science or mathematics are being sought.

New teachers include Miss Margaret Maye Weaver of Spur, Texas; Miss Margaret McGregor of Idalou, Texas; Mrs. C. C. Snowden of Tahoka, and Miss Geraldine Evans of Brownwood, Texas.

Miss Weaver will teach Home-making classes. She will receive a B. S. degree from Texas Technological college in August. Miss McGregor will either teach in the intermediate grades or in the science department. She has two years experience and has attended Hardin-Simmons University and Texas Tech. She taught this past year at Close City. Mrs. Snowden will teach in grade school. She taught in Garnolia community last year and has a B. S. degree from San Marcos college. Miss Evans will teach English in High school. She has a B. A. degree from Howard-Payne college and taught last year at Sunray, Texas. She has taught three years.

Fire Boys Give Farewell Party For Members

In honor of fireboys who were inducted into the army recently the Volunteer Fireboys organization gave a supper at Imogene's cafe last Wednesday night. The boys who have volunteered their services through the years to the fire organization, and who were honored were Dad Greenfield, fire chief, Floyd Stanley and Joe Moss. Following the supper, the boys assembled in the fire hall for a final jamboree together.

Among those attending the party were: Mr. and Mrs. Dad Greenfield, Mr. and Mrs. Floyd Stanley, Mrs. Dan Altman, Weldon Jobe, Dick Woods, Tom Patis, Walter Crider, Charlie Williams and Walter Hyde.

Dick Woods was named fire chief to take the place of Mr. Greenfield and Walter Crider was named assistant.

Negotiations Still Underway For Sale Of Postex Mills

Negotiations for the purchase of the Postex Mills are progressing satisfactorily between buyers and officials of the mills, it was reported this morning.

Prospects for probable early assumption are favorable, it was learned.

Public announcement that the mills were for sale was made recently and several firms have been making investigations.

Weldon Jobe and Charles Walden are attending the fireman's convention in Waco which opened there on Tuesday. The convention closes today.

Mr. and Mrs. Lee Davis spent Sunday in Snyder.

Peanut Pickers To Be Placed On Credit Plan

Peanut pickers will be sold on a deferred payment basis in Texas this year but only upon recommendation from county USDA war boards.

In making the announcement today, B. F. Vance, chairman, state USDA war board, said the purpose of the credit plan is to assure the placing of available peanut pickers in every community in which peanuts are produced.

Except in unusual cases, recommendation by county war boards for the sale of a peanut picker will be given only where the tonnage to be picked or threshed from the 1943 crop will be 160 tons or more.

The price of pickers sold for cash or on a conditional sales contract will be the same, Vance said, but added that under the deferred plan five percent interest would be charged on the unpaid balance. Machines will be routed throughout Texas by the Southwestern Peanut Growers Association, Gorman, a subsidiary of the Commodity Credit Corporation.

Explaining the down payment plan, Vance said buyers had two courses to follow. Under one plan, at least \$200 down payment will be required, with the remaining balance to be paid in equal installments on December 1, 1943, and October 1, 1944.

The second plan specifies that the down payment, if any, may be less than \$200 at the time the picker is delivered but payments will be due on the last day of each month during the 1943 and 1944 peanut harvesting season. The smallest monthly payment will be \$3 for each ton of peanuts threshed or picked during the month, with the balance being paid on or before May 15, 1945.

Vance also reminded peanut farmers that the deadline for obtaining peanut seed for planting this year's crop has been extended to June 30. Previous closing date was May 31.

Army Plane Crashed On Beggs Ranch Tuesday Morning

Two flyers in a twin-motored training plane crashed near Post Tuesday morning. The accident occurred about 10:30 o'clock 12 miles east of Post in the Beggs pasture on the Claymont highway. Both occupants of the plane were badly cut and bruised and one who was suffering from concussion and internal injuries died Wednesday morning at a Lubbock Army hospital. Dr. A. C. Surman, local attending physician, said Wednesday morning.

Cause of the accident was not known but investigation is being made by army officials who came from the Lubbock base. It is understood.

Observers said the plane was twisted and torn but did not catch on fire. The one occupant who was able to free himself from the plane lifted the unconscious man from the wreckage then walked back to the highway where he hailed a passing car who brought word into the doctor's office and notified the proper army officials. The Mason and Company ambulance went to the scene of the accident. An army ambulance from one of the Lubbock fields was rushed here to take the injured men to the army hospital there.

A highway crew including Tommie Anderson and F. B. Hurt picked up the injured flyer and drove him back to his companion.

Duke Travis, hardware merchant, who accompanied Dr. Surman to the scene of the accident, said the plane was from the Fort Worth Air Field and was en route to Abilene.

Scrap Report Released

More than 450,000 pounds of copper and brass scrap were moved to processors for remelting from Southwestern yards during the three week period between May 1 and May 22, according to figures released by Gen. John A. Hulen, WPB regional salvage manager. Dealers' copper scrap inventories on May 23 were shown as 2,633,905 pounds compared to 2,099,000 pounds on February 28 this year.

Paul Lawson Killed Sunday By Lightning

Paul Lawson, 35 year old farmer in the New Lynn community, was killed instantly by a bolt of lightning which struck in the yard of his home. He had gone out of the house to see about the poultry flock as a storm blew up from the north, according to Mrs. Lawson, who found the dead body of her husband several minutes later when she went to investigate his failure to return.

The storm blew up in that community about seven o'clock and Lawson was killed soon after. The bolt struck Lawson about the head. Mrs. Lawson went immediately for help to a neighbors house two miles away during the storm.

Reports are that a wide scope of farm territory in that section was visited by a cloudburst of rain and considerable hail and crop damage is extensive in that community.

Funeral services were held for the prominent farmer, who had lived since a small boy in this county, at the Grassland church at 3:30 o'clock Wednesday. Four ministers conducted the services which were attended by a host of relatives and friends over the county. Rev. Graydon, pastor of New Lynn and Graham churches, officiated. He was assisted by Rev. W. H. Jackson, uncle of the deceased, by Rev. D. W. Reed of Grassland and Rev. Jessie Young, pastor of the Methodist church of Grassland.

A beautiful floral offering was presented and attested to the esteem in which Mr. Lawson was held among his friends over this section.

Flower attendants were friends of John Paul, surviving son, and pupils of Mrs. Lawson's whom she taught in school this year.

Nineteen members of the Texas Defense Guard of Tahoka attended the funeral in a body to pay tribute to a fine fellow who was liked by everyone who knew him.

Palbearers were Ray Applin, J. C. Lamont, W. P. Thomas, E. A. Thomas and A. L. Sheppard all of Grassland, Gilbert Edwards and Bill Roland of New Lynn, and Oscar Bowen of Post.

Survivors are his wife and son, his mother, Mrs. A. A. Lawson, three sisters, Mrs. G. W. Watson of Grassland, Mrs. Melton of Midland and Mrs. Lewis Ward of San Antonio, and several brothers, Lyle Lawson of California, Ben Bar Lawson of Los Angeles and Gene Lawson.

Interment was made in Grassland cemetery.

Soldiers Appear On Lions Club Program Tuesday

A most interesting session of the Lions club was held Tuesday night in Imogene's dining room with Walter Crider as leader of the program.

Two soldiers who are spending several days here with their families were special guests. Lieutenant Roy Jones of Fort Sam Houston and son of Mr. and Mrs. C. P. Jones gave some interesting highlights on Army organization and conducted a round table discussion on vital important phases of army life. Jones has been in the army six years. He has two brothers in the army, his older brother is a First Lieutenant and is serving somewhere in North Africa. He has another brother who is a Sergeant and is stationed at Camp Maxey in Paris, Texas. One brother-in-law is also in the armed service and has the rank of second lieutenant.

The other army visitor was Arlen (Hoots) Windham, son of Mr. and Mrs. John Windham. He is stationed at Camp Barkley and is a member of the motorized infantry. He described some of his experiences and gave some information on the operation of the Jeep.

Both talks were very informative and were thoroughly enjoyed by the club members.

At the next club meeting, new officers will take over and the new club year will begin.

Joan and Rita Brown of Leveland are visiting their grandparents, Mr. and Mrs. Tilden C. Brown this week.

With The Men In Service:

Receives Promotion

Thomas B. Martin of Post has been promoted to sergeant at the only AAF Instrument Instructors School at Bryan, Texas, it was announced today.

Sergeant Martin, son of Mr. and Mrs. Samuel D. Martin, of Route 2, Post, was a farmer before he enlisted at Ellington Field in September 1942.

Receives Word From Sons Stationed In North Africa

Mrs. Hodges has received word from her sons, Clyde and Dee, who are stationed in North Africa. They are well and both have been receiving letters from home. Both boys are sergeants. They seem to have lots of work to do, but hope to be able to see Post again soon.

Dan Rodgers To Report June 29th

Dan Rodgers, son of Mrs. Irene Rodgers, will report to Pittsburg, Kansas, on June 29th. Dan who is a member of the Naval Reserve, Class V-7, has been a student in Texas Technological college, but is spending the time between now and the 29th here with his mother and his brother, Novis Rodgers, at the 2R ranch near Justreeburg. He will enter the Naval school of the Kansas State Teachers college.

Visits Parents Here

Lieutenant Tom Power left today for Fort Bliss where he is stationed after visiting several days with his parents, Mr. and Mrs. Jim Power. Tom is with the Calvary Unit at Fort Bliss.

Visits Mother Here

Technical Sergeant Ralph "Pudge" Bryant, accompanied by his wife and baby, arrived here ten days ago for a visit with his mother, Mrs. Vada Bryant, and his sister, Mrs. Jim Cloud. Ralph is stationed at Lake Charles Army Air Field in Lake Charles, La., and is in Ground Photo work with the Photo Section. He has been in Lake Charles for 18 months and was transferred there from Kelly Field in San Antonio. He wears a service ribbon indicating that he was in service before Pearl Harbor. He has been in service since June 12, 1941. The couple left today for their home.

Corp. Wilson D. Williams of Roswell, N. M., spent the week end here with his parents, Mr. and Mrs. Jim Williams.

F. H. Bostick, son of Mrs. Perry Lee Bostick, who is stationed in Camp Hood with the Tank Destroyer Division was home on a few days leave recently. He has been in Camp Hood three months.

Harry C. Lane is now in Quantico, R. I. He spent 8 months in Iceland and 6 months in Africa. He spent 12 days in May at his home here. His most noticeable attitude was disgust with the strikers.

Richard Robinson In U. S. Navy Air Corps

Richard Robinson, a graduate of Post High school of last year's class recently was sworn into the Naval Air Corps. He is now in training at the Naval Air Base at Corpus Christi, Texas. Robinson is the son of Mr. and Mrs. B. M. Robinson of Post. Before entering the service he was employed with Purina Mills of Fort Worth. He has been in service about five or six weeks.

Southland Boys In Service

Neil Smallwood has been in Camp Peary, Virginia since his induction April 19th. "I can't run a mile—yet," he writes his parents, the G. N. Smallwoods. His brother is still stationed in California. He is just back in camp from maneuvers.

St.-Sgt. Leonard Angle, who was stationed in Nottoway, Virginia, sailed the first of last week. His wife and infant son, Billy, started back to make their home here with her mother for the duration. The baby became ill before they reached Lubbock and Mrs. Ed Lieske was called there Saturday afternoon. She returned Monday reporting that the doctor thought he had the child's pneumonia checked.

Pvt. Bobbie Leskin, whose wife is with her mother who is ill in Lubbock, came from Pampa to spend Sunday with them.

Wayne Chaffin left Tuesday for his station in Bryan, Texas. He is a mechanic with the Air Corps. He took his first period of training at Lubbock.

L. J. Richardson, Jr. left this week for St. Louis where he is to be connected with the O.S.T.C. at Jefferson Barpacks.

J. D. Chaffin, Jr. left Tuesday after a four day visit with his parents, Mr. and Mrs. J. D. Chaffin in the Pleasant Valley community. He is stationed at Camp Van Dorn, Mississippi.

Herbert Hoover, son of Mr. and Mrs. O. B. Hoover, who has been in A & M college taking training was transferred to San Antonio recently where he will begin a pilot's course.

ICARUS SINKS GERMAN SUBMARINE

WASHINGTON, D.C.—U.S. Navy Official Photo—The Coast Guard Cutter Icarus sank a German submarine off the Carolina Coast some months ago and took 33 prisoners. Ignoring the photographer, the German submarine executive officer (center) and a British officer, Lt. Comdr. Patrick W. Stone, R.N. (now Commander) continue their conversation. Left to right at the Navy Yards barracks in Charleston are: Lt. Comdr. Frank P. Morton USNR; Kapitän Leutnant Hellmut Rathke, Commander of the German submarine; executive officer of the sub (name not given); Lieut. Comdr. P. W. Stone, R.N.; and Comdr. Sidney W. Souers, USNR.

New Officer Assigned As Cadet Recruiter At Lubbock Station

First Lieutenant John D. Odom has been assigned to Headquarters West Texas Recruiting District as a new officer. It was announced today by Lieut. Colonel Marvin B. Durrette, commanding officer. Lieut. Odom, who reported to Lubbock from Headquarters Eight Service Command in Dallas, will be a member of the Aviation Cadet Examining Board and will interview prospective Air Corps Cadets.

Lieut. Durrette stated that Lieut. Odom is one of the few Air Corps officers holding four aeronautical ratings. He has qualified as a pilot, aircraft observer, bombardier, and as a glider pilot. Qualifying as a bombardier at the Midland Flying School, Lieut. Odom took his glider training at the Elmira Soaring Club, and his pilot training at the Advanced Flying School at Maxwell Field.

"It is believed," Lieut. Durrette reported, "that men desiring to enter the Air Corps as Cadets can get a true picture of their duties from Lieut. Odom since he is not only qualified through his aeronautical ratings, but has also had combat experience." Lieut. Odom served on Submarine Patrol in a combat area, took part in one major engagement, and has to his credit the destruction of one submarine.

Lieut. Odom stated he will interview all men between the ages of 18 and 26 years interested in becoming Cadets. No high school or college credits are required. These men need only to take the Air Corps examinations, and, if found acceptable, may volunteer into the Army Air Corps through their local Selective Service Board. Men 17 but not yet 18 years of age may go before their Aviation Cadet Examining Boards and volunteer for enlistment in the Air Corps. Cadet Enlisted Reserve. Enlisted Reservists are called to active duty for preflight training at the end of the first school semester after reaching 18.

Lieut. Odom plans to tour the West Texas District, visiting all towns in which Selective Service Boards are located.

Writes Parents

Pfc. Leon Simpson, son of Mr. and Mrs. W. F. Simpson, writes his parents that he is fine and delighted with everything at his new post. He is stationed at Dodge City, Kansas, and is in the 61st Squadron. His address now is: Pfc. Leon F. Simpson, 61 TEFTS, Dodge City Army Air Base, Dodge City, Kansas.

Receives Call For Active Duty

R. D. Travis, son of Mr. and Mrs. Duke Travis, received orders to appear for active duty in the Air Corps. He left last Saturday for Dallas and was to have reported between the hours of 8:00 and 10:00 a. m. on Monday, June 7. He was transferred to the U. S. Naval Flight Preparatory school at the University of Texas, at Austin, Texas. R. D. was sworn into the U. S. Naval Reserve last December and has been awaiting his call since that time.

Another son of Mr. and Mrs. Travis, C. M., is in Camp Peary, Virginia. He is with the Seabee Division of the Navy and classed as Chief Storekeeper.

John B. Hudman, son of Mr. and Mrs. J. B. Hudman of Post, spent several days visiting his parents during his recent furlough. John is a member of the Ferry Command and is stationed in Weatherford, Oklahoma. He has completed his basic training and was graduated with the highest grade ever to be made in the school. He was living in Tahoka when he joined the army in March. He formerly lived in Post.

News Of Glendon Presson Is Of Interest Here

From a U. S. Army hospital somewhere in England comes news of one of Post's men in service, Staff Sergeant Glendon Presson.

Glendon has been in England several months now and is among the group of Medical Corps soldiers who stage benefit shows and entertainment for the soldiers who are wounded. The shows are staged in the Red Cross Center and receive enthusiastic and well-earned applause.

At a recent show Glendon, as a member of the all Texas quintette, presented several numbers that were highly appreciated. "These boys are good," is the comment that goes through the crowds as they get ready to present their numbers. The quintette specializes in nostalgic tunes like "It's a Long Way to Good Old Texas" (shades of "Tipperary"), and "Let Me Call You Sweetheart." Other numbers of the quintette are First Sergeant Earl Burton, of Fort Worth; Sgt. Technician Joseph Sullock of Milano, Sgt. Technician Harold B. Chiam of Mimmitt and Sgt. Technician Andrew Hatton of El Paso.

The Red Cross Center is a long narrow, well-lighted building, integral part of the hospital plan. Here patients on crutches and in wheel chairs, as well as those further along the road to recovery, find plenty of hometown papers and American magazines, an excellent library, easy chairs, musical instruments, a victrola and radio, games and Red Cross workers ready to talk about home or play Chinese checkers.

By 7 p. m., when the program started, every chair was taken and patients lined the walls. A soldier with his leg off above the knee arrived in a wheel chair and Mrs. Margaret Hahn, assistant Red Cross field director, Columbus, O., unobtrusively helped him to a comfortable corner with a good view of the mike.

First performers were Corporal Technician John L. Nichols, Armored Division, of Wooster, Ark., and his partner, Private First Class Walter Laughlin, Medical Corps, Chico, Cal. The "Model T" Corporal, as Nichols introduced himself, wears a patch over his injured left eye. He won the Distinguished Service Cross for heroism during the African campaign when, badly wounded, he stayed at the wheel of his tank. The couple goes in for hillbilly mountain music and numbers like "Cowboy's Heaven" and "Wabash Cannon Ball" brought down the house.

Followers were the regular Texas Quintette boys with several numbers that pleased both the English and American boys.

Community singing found a ready response, as did songs suitable to the day—March 17—the "My Wild Irish Rose." Every soldier in the club sang, some shouted and everyone had a swell time. In reference to the British patients, since this is a hospital serving both British and American patients, "I've Got Sixteen" set just as much attention as "Harvest Moon."

Mrs. Mendie Joe Fields of Brownwood who has been visiting in the home of Mrs. Della Wilcox and Mrs. W. F. Simpson, went to her home in Brownwood Thursday. Mr. and Mrs. Clod Curb and son accompanied Mrs. Fields to Brownwood, and they will visit Mrs. Curb's mother in Blanket, Texas.

Mrs. Jewell Parents of Camp Wallace arrived home Saturday to spend two months with her parents. She was accompanied by Misses Ruth Sundermeyer and Hazel Copeland who will visit here for a week.

Mrs. J. C. May and son are visiting here today with Mr. and Mrs. J. E. Parker and other friends. They are enroute to their home in Winslow, Arizona, after visiting with Mrs. May's mother. The oldest daughter of the Mays, Jess, is working in a shipyard in California. Katherine and Esther, younger daughters, are in Winslow.

we missed you for Spring plowing. But everything's going along in good shape. You'd hardly know Jimmie. After you joined up, he figured it was up to him to fill your shoes. He's proved himself a real man. Any day now I expect he'll be trying to shave. That new Conoco No. 1 oil you started using in the tractor and car is a real help. The Conoco agent tells me it contains special oil-improvers to cut down cylinder wear and bad acid action. He said acid is worst in a car standing around—not used much. That means us, because we're saving the car and tires, and not wasting time, either. Just tell your buddies that the farmers around your home are busy as the devil, raising all you can eat, and then some. We all send love—and back—Dad—

Southland News

Mrs. Marvin Truelock, Correspondent

Mrs. August Becker and her daughter, Dorothy, attended the Red Cross meeting at Hackberry last Thursday afternoon. Dorothy is taking a nursing course at Lubbock.

A week ago Thursday Mrs. Becker and Mrs. Truelock learned to fold bandages from Hackberry women. Several women have been discussing the work here, so, probably we can soon get a car of workers from here one or two Thursdays a month.

Mrs. C. A. Bloxom fell down the steps a week ago Saturday and broke her right arm.

The Reverend Row has accepted the call for a pastor of the Hackberry church. Preaching days were set for second and fourth Sundays. He is also pastor of the Pleasant Valley church, whose church days are the first and third Sundays.

Mrs. L. O. Stewart of California left Thursday morning to spend a week with her 81-year-old father at Temple. Mrs. Stewart will return here to spend several more days with her daughter, Mrs. W. C. Wood, before leaving for the West Coast.

Betty Sue Basinger left Saturday to visit friends and relatives in Vernon this week Saturday Bob Jones of Corpus Christi, who visited his parents, Mr. and Mrs. R. R. Jones of Hackberry and other relatives, left for Vernon, accompanied by his nephews, Billie and Tommie Leake.

Evelyn and Joyce Johnson of Matador came Wednesday to visit several days with their aunt, Mrs. Annie Landers.

Wednesday Tim Field, Jr. had a gash cut in his forehead just above his right eye. The go-devil he was riding was the cause of the injury.

Mrs. Carl McNeese and son, Carl Aaron, spent several days near Slaton with her parents. Her husband went Saturday night to bring his family home the next day.

Mrs. Harvey Stotts has consented to be Sunbeam leader for Wednesday, June 16th, and all children older than four years are urged to be present. The children are to give a play at the church some Sunday night soon.

Mrs. Marvin Truelock and children will leave Friday morning to spend a week with her parents and other relatives in Plainview and vicinity. There will be no Southland column next week.

Former residents, Winnie Hendrix, who has been teaching at Earth, and Mr. and Mrs. Walter McNabb of Lubbock were business visitors here last Friday. Miss Hendrix and her mother, Mrs. S. N. Hendrix, who recently sold her home here, plan to purchase a house in Lubbock.

Of the 88 applications for ration books mailed here, only about one-tenth were filled out correctly. One applicant, who is 14-years-old, gave her birthdate as 1943, while another, a middle-aged woman, was supposed to have been born in 1744.

Mr. and Mrs. John Leake spent Sunday in Lubbock with their son, Pvt. Bobbie Leake and wife of Pampa.

Mrs. Sybil Payne has been staying on her place for the past three weeks as overseer of the reconditioning of the house. The G. N. Smallwoods moved most of their furniture out while the new floors were being put down.

The colored people cleaned L. A. Dunn's building which he lent them for church services. They were hunting a pulpit, as the Rev. Ford (colored) of Slaton will preach for them in mid-day services next Sunday.

Reports of the hall Sunday seems that it extended from the Chris Gindert place west of town past Ed King's on the east, the Riley Wood farm south of town past the G. W. Basinger crops north of town. The heavy rains washed dirt over most of the other cotton.

CLERGYMEN GRADUATE AS ARMY CHAPLAINS

Among the 21 Texas clergymen to graduate from the Army's chaplain school at Harvard university, as announced Tuesday by headquarters of the Eighth Service command through the Associated Press, were three men from the South Plains area.

They are: Rev. Herbert H. Hamilton, Methodist of Sudan; Rev. Earl R. L. Landroop, Baptist (Southern) of Idalou, and Rev. Aubrey McAuley, Baptist of Littlefield. Rev. Jim Moody, pastor of the First Christian church here for two years, will enter the Army Chaplain school about July 15.

Miss Mary Margaret Duckworth and Miss Barbara Jo Cox are attending the Ridge Crest Summer camp for Baptist Training students in North Carolina. En route home they probably will visit a few days with Lieutenant and Mrs. Shelley Camp in Georgia.

COLORS REVIVAL AT SOUTHLAND

Rev. C. W. Henderson is the preacher the colored folks have secured to begin a revival for them at the Dunn building on North Main, Wednesday night, June 16th, to continue through the following Sunday. Brother Henderson is the Baptist pastor at Slaton and Levelland. The negroes invite all white people and Mexicans to attend their services.

Junior Ricker left Wednesday for San Angelo to begin work for the Santa Fe railroad. He is the son of Mr. and Mrs. Ray Ricker, Sr.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

Entered at the Post Office at Post, Texas, as second class mail matter, according to an Act of Congress, March 3, 1879.

WHY ARGUE THE OBVIOUS?

It would sound strange to hear Mr. Henry Kaiser stand up and argue that ships were essential to the war effort. Fortunately, he doesn't have to. Everyone knows that. But there are industries just as essential as shipbuilding, whose wartime operating difficulties are immensely aggravated because their essentiality has never been adequately recognized.

Such an industry is retail distribution. The clothes on our backs, the shoes we wear, the food we eat, must be put within our reach by the distribution industry. No service is more essential. Speaking for the industry, David R. Craig, president of the American Retail Federation, has this to say of merchandising: "We are essential because we are the industry . . . upon which the public must rely in order to obtain the goods which it must have. We do not know of any other way by which the civilian public can get its goods. The retailer is the quartermaster to the civilian population . . . The real question is whether the civilian population is essential."

"If the civilian population is essential, then the industry which supplies it with necessities must also be essential. Since no reasonable person questions the need for a hardworking, highly productive civilian population in wartime, why should the job which the

TAX EQUALITY ESSENTIAL.

In spite of the generally expressed public desire for "pay-as-you-go" tax collections, there is determined governmental opposition to the plan.

There is a feeling in the minds of many persons that the desire of governmental authorities is not so much to have equality before the law in matters of taxation as it is to enact a tax law that will charge "all the traffic will bear," depending on the individual.

We are drifting far away from the foundation principle of our government—equality and justice for all—when our Treasury Department insists on tax legislation which would make one man pay double taxes while forgiving the tax bill of another.

It makes no difference whether the amount involved is one dollar or a million—such a punitive tax system would be the rankest kind of immorality in government.

Vacations will not be enjoyed this summer by the men on the firing line, regardless of how necessary a rest may be to the people at home.

merchant carry on be minimized? Why should the merchants, in addition to feeding and clothing us, be forced to argue the obvious—that efficient distribution of necessities is as vital as an adequate supply of necessities?

Our Merchant Marine

COLONIAL BEGINNINGS

AMONG HISTORY'S MOST THRILLING STORIES IS THAT OF OUR MERCHANT MARINE. ITS FIRST CHAPTERS, LIKE MANY LATER ONES, WERE WRITTEN FROM STERN NECESSITY.

IT BEGINS WITH THE TERRIBLE WINTER OF 1607, WHEN THE DISCOURAGED POKHAM COLONISTS ON THE KENNEBEC RIVER, MAINE, HEWED FROM THE FOREST THE FIRST AMERICAN-BUILT COMMERCIAL VESSEL, THE 30 TON PINNACED VIRGINIA, AND SAILED IN HER TO ENGLAND.

THE NEW ENGLAND COLONISTS, LACKING VIRGINIA'S TOBACCO CROP AND FERTILE SOIL TURNED TO THE SEA FOR THEIR LIVELIHOOD.

GREATEST FRIEND OF OUR COLONIAL SHIPPING WAS JOHN WINTHROP FIRST GOVERNOR OF MASSACHUSETTS WHOSE TINY SLOOP "BLESSING OF THE BAY," 1630, TRADED ALONG THE NEW ENGLAND COAST AND EVEN WITH THE DUTCH ON MANHATTAN ISLAND.

FROM THOSE MODEST BEGINNINGS COASTAL AND INTERCOASTAL TRADE GREW STEADILY BY THE TIME OF OUR ENTRANCE INTO THIS WAR. NOW HALF OUR TOTAL TONNAGE WINS EXCLUSIVELY THROUGH OPERATIONS.

ARMY TO HELP FARMERS

The Army is going to help repair flood-damaged automotive farm machinery. The War Department has announced that mobile automotive repair units of the Army Service Forces are standing by in the recently flooded areas of six central states ready to give farmers such help in the repair of damaged automotive equipment used for farm purposes as is possible without interfering with necessary military training. Farmers who have no facilities for getting their machinery back into operation should report to their local county agricultural agents.

High school graduates are now going out into a world of war instead of to seek their fortunes, as in years past.

Views of Neighboring Editors:

The Hood Panther—Tank Destroyers made their appearance in the American Army long after the panzers had overrun France and the low countries. They were first tested in covering the retreat from Bataan. It was not until Dec. 1, 1941, that the War Department created "The Tank Destroyer Tactical and Firing Center" and placed it's destinies in the hands of Major General A. D. Bruce.

General Bruce had little but a new weapon and the experience of other branches of service to work with. He had no training manuals, no tactical doctrine to hand to the staff he assembled. All that had to be created anew, like the cantonment and training grounds which were started in February, 1942, and in use this summer.

Yet the job has been done, and well. Men of the Tank Destroyers are making history. Let's keep on making it!

The Scurry County Times—Scurry County's Seventh Annual Rodeo, to be staged here July 1, 2, 3 and 4, will be one of the outstanding round-ups staged since the county rodeo association was formed, association officials predicted this week. With war demanding much of the time of all people, it behooves all Scurry County residents to join rodeo officials in publicizing the forthcoming four-day event.

Let's turn 'em out wild, not only in salty stock for contestants to ride, but for contestants to rope, and show the wide world that Scurry County lives up to the tradition of staging "the best rodeo in the West." With the whole-hearted help of all Scurry County people, this year's round-up can be staged before a sell-out crowd that will directly help the war effort—since all prizes will be in the form of treasured bonds and war savings stamps. Plan now to bring at least three friends, and ask that your kin in other towns take their 1943 vacation at the Scurry County Rodeo.

Texas Spur—Just the other morning as we were coming to work early, rounding the corner at the Safeway store, we were encountered by a whole passel of loose dogs, despite an advertisement the city officials had recently published warning the pups to stay at home or else wind up in the pound lot. Some of the critters wanted to be playful, some wanted to growl, and some even to take a nip at the rear end of our trousers. We don't mind the puppies getting playful with us, and don't object to one of them growling at us occasionally, but when they start tearing the patches off our pants, we balk. We just don't like it a dog-gone bit. But the point is, these dogs do not read the city's advertisements very closely or else they are openly defiant of constituted law and order.

Recent Meetings Of Priscilla Club Reported

Mrs. R. H. Collier was hostess to the Priscillas on May 14. Spring flowers, roses, pansies and honeysuckle were used in the entertaining rooms. After a time of visiting and sewing some contests were enjoyed. Much fun and laughter accompanied the thinking. Mrs. Thomas and Mrs. Ben Williams were judged as winners. Mrs. Williams read a clever little poem entitled "Showers."

Mrs. Keith Kemp was presented a shower of gifts in a buggy which was wheeled in by little Misses Carolyn Hudman and Marthanna Cearley. Mrs. Thomas and Mrs. Williams very graciously presented their prizes to the honoree.

The hostess passed a delicious refreshment plate to eleven members and two guests. Mrs. Thomas and Mrs. Z. D. Kemp.

On May 28 the Priscillas met in the home of Mrs. John Cearley. The afternoon was spent in sewing and talking. Some quilt tops pieced by the hostess' grandmother were displayed.

Refreshment plates were passed to eleven members and Mrs. Stewart, Mary Ann Hundley, Johnnie Kemp and Barry Ford.

Mrs. Leroy McCrary Complimented With Party During Visit

Mrs. Leroy McCrary of Amarillo who was visiting here last week was complimented with a lovely shower and supper at Imogene's Cafe last Friday night.

Sweetpeas were used in individual flower holders which marked each place. Tall pink candles in crystal holders gave illumination to the table. Miniature baby buggies were used as place cards.

The honoree found her place card at the table on which a lovely array of gifts were displayed. She was greatly surprised when she discovered the party was honoring her.

A delicious supper was served to Mrs. McCrary, Mrs. Preston Mathis, Floyd Stanley, Julius Fumigalli, Pete Kennedy, Charlie Bird, Weldon Jobe, Keith Kemp, Dan Altman, Homer McCrary and Miss Arbeth Clark.

Mrs. John Faulkner Entertains Club Last Friday

The Needlecrafters met in the home of Mrs. John Faulkner last Friday. Eighteen members were present and enjoyed an afternoon of visiting and sewing. Mrs. F. E. Marable and Mrs. Lester Beardon and Joe Henry were visitors.

In the business session, Mrs. Tracy was voted into the club and Mrs. Frank Nease and Mrs. Harvey Moreman were re-instated after a leave of absence. Mrs. Burns and Mrs. Fate Williams were granted leaves of absence. During the refreshment hour, delicious ice cream and cake were served.

Mr. and Mrs. H. L. Patty, Billy and Tommie, spent Sunday in Lubbock with Mr. and Mrs. June Caffey.

Matslers Observe Golden Wedding At Their Home May 30

Mr. and Mrs. J. M. Matsler of the Grassburr community celebrated their golden wedding anniversary Sunday, May 30, 1943, at their home with their daughters Mr. A. M. Lucas, Mrs. J. W. McQuien, Mrs. L. W. Marlar and Mrs. Tom Gilmore as hostesses. Mrs. Bailey Matsler presided at the guest book.

Mr. and Mrs. Matsler are both natives of San Saba County, Texas and have known each other all their lives. They were married at the Methodist church at Chappel, Texas on May 28th, 1893, with Maggie Bayet and Joe Keeney as attendants. Mrs. Matsler was Virginia Bell Boyett before her marriage. They resided in San Saba county until 1920, when they moved to Garza county, at their present home. Mr. Matsler will be 81 years of age August 1 and Mrs. Matsler will be 76 on August 22. They have six children and 14 grandchildren living. All were present at the celebration except their elder son, Boyett Matsler of Palo Alto, California and three grandsons, Harold and Walburn Lucas of the armed forces and J. W. McQuien, Jr., of the Verbena community. Two granddaughters, Ruth Lucas of Clovis, New Mexico and Ramona Matsler of Dallas, Texas were not present.

They held open house Sunday afternoon to a host of friends and relatives. They received many congratulatory messages and beautiful gifts.

At seven thirty o'clock the grandchildren honored them with a mock wedding. Theda Jo Gilmore acted as bride and James Lucas as the groom. Walton McQuien acted as best man and Willie Lucas as maid of honor. Jean McQuien, Laella Gilmore and Marguarite Lucas as bridesmaids. A. M. Lucas acted as minister. Bailey Matsler gave the bride away and Johnnie Matsler was ring bearer.

The bride was dressed in white and carried a bouquet of yellow flowers tied with a gold ribbon. The maid of honor, Willie Jo Lucas, was dressed in pink. Jean McQuien was dressed in blue. Louella Gilmore was dressed in white, and Marguarite Lucas was dressed in peach. Each carried a bouquet of assorted flowers.

After the wedding the beautiful tiered cake was cut and served with punch to the guests.

Those attending the celebration from out of the community were: Mr. and Mrs. A. R. Smelser, Mr. and Mrs. Oran Smelser and baby, Mr. and Mrs. A. T. Matsler all of Plainview, Texas, Mrs. A. R. Smelser is a sister of Mr. Matsler; Mr. and Mrs. John Matsler and son of Lubbock; Mrs. Berry Yarbora and sons of Lovington, New Mexico; Mr. and Mrs. James E. Law and children of Midland, Mr. Law is a nephew of Mrs. Matsler; Mr. and Mrs. John Self of Lamesa; Wright Hinson, Mrs. A. J. Havens and daughter and Mr. and Mrs. Kenneth Warshaw, all of Calgary.

Those attending the celebration that were present at their wedding fifty years ago were Mr. and Mrs. A. R. Smelser and Mr. and Mrs. R. L. Self.

Mrs. W. Kimbrough Is Leader of WSCS In Regular Meeting

All Nature Declares the Glory of God was the topic for study for the Womens Society of Christian Service which met in a regular meeting last Monday at the church. Mrs. Wallace Kimbrough conducted the lesson and directed a fitting devotional which preceded the lesson. Several songs which repeated the theme of the lesson were also presented on the program. Mrs. G. B. Herring offered prayer.

Reports from the Home Mission department of the work in the United States were given by Mrs. J. E. Parker, Mrs. Frank Nease and Mrs. T. L. Jones.

Ten members were present. A book review will be presented at the next meeting. Mrs. Jones will review Dr. Lank's book, "Return to Religion." Members of other churches are given a cordial invitation to attend.

Visiting in the home of their parents this week were Mr. and Mrs. A. G. Brant and children of Canyon, Texas. Mrs. Brant remained here and will go this week end to visit her sister in New Mexico for several days.

H. H. Scott of Lubbock transacted business here Tuesday.

COLLEGE BEAUTIES GET FARM POINTERS

ST. PETER, MINNESOTA—Gustavus Adolphus College girls who are planning to work on farms this summer and Fred Arnehan, chairman of the Nicollet County War Board, took time off to look over the Farm Building Research Project being conducted here by the "Business of Farming" magazine, to show how Gyplap helps meet the current lumber shortage. Mr. Arnehan is shown explaining to Myrtle Johnson, Lorraine Rule, Mavis McClure and Madelyn Hassarud how this new gypsum board is sealed to make it weatherproof. The Government is urging increased farm production, which requires additional farm buildings and new materials of this type are needed to meet the emergency.

This Week's VICTORY RECIPE

Bean Patties

Partially mash two cups of cooked dried beans and mix with three slices of diced bacon, browned until crisp. Add three tablespoons of grated onion, 3-4 cup of fine cracker crumbs, 1 egg, 1-2 teaspoon of salt, 1-4 teaspoon of pepper and 1 tablespoon of catsup.

Mix the ingredients thoroughly and shape into patties. Brown in hot fat and serve with a cheese sauce.

Mrs. K. Stoker Is Hostess To Church Group Tuesday

Mrs. K. Stoker was hostess to members of the Christian Ladies Aid on Tuesday afternoon. Mrs. John H. Ramsey was director of the lesson which was taken from the eleventh chapter of Acts. A round table discussion was held during the study hour.

Plans were made at the meeting for the entertainment of the pastor, Rev. Jim Moudy, who will come for his last service at the church on June 20. Rev. Moudy is going into the army very soon. The aid decided to send Edna Mae Pierce to the Young Peoples Conference that is being held by Christian churches in Amarillo. The conference will be held from June 13th through the 20th.

Following the study and business hour, the hostess served delicious refreshments.

Miss Laurine Richardson left Monday for her home in Paris, Texas. She has been teaching in the Post school system this year.

Mr. and Mrs. E. C. Hill and family spent the week end at Paducah with Mr. Hill's mother, Mrs. P. A. Hill.

Second Birthday Observed By Victor Eugene Hudman

Little Victor Eugene Hudman, son of Mr. and Mrs. Victor Hudman, observed his second birthday last Friday, June 4. His mother entertained for him with a party at 4:30 o'clock.

After a period of supervised games, pictures were made of Victor Eugene and his little friends in the yard. A beautiful pink and white birthday cake topped with pale pink and green candies was the center of interest during the refreshment hour. Ice cream and cake were served to Billie Clark, Carolyn Hudman, Marthanna Cearley, Tommie Patty, Denny Cockrum and their mothers.

Many lovely gifts were presented to the honor guest.

Stanley Children Visit In Home Of Their Mother

Visiting in the home of their mother, Mrs. S. A. Stanley, recently were Mr. and Mrs. Omar Stanley and son, Mrs. A. O. Dean of Tyler, Mrs. Bob Hendrix of Roswell, N. M., Mrs. George Board of Big Spring, Mrs. Guy Self and children of New York, and Mr. and Mrs. Olan Stanley of El Paso. Children who live here who were present for the reunion were Odell Stanley and Mr. and Mrs. Floyd Stanley.

Mrs. Self and children left several days ago to join Captain Self who is stationed in Long Island and is serving as Chaplain of an army camp there. Floyd Stanley reported to the Marine base in San Diego several days ago and Olan Stanley will report back to Fort Bliss in a few days.

CARD OF THANKS

The family of Mrs. Mattie Justice will hold in grateful remembrance the thoughtful expressions of sympathy, the many kind deeds and the lovely floral offerings presented during her illness and death.

POST, TEXAS

Miss Lois Nance of Amarillo spent a few days visiting her parents, Mr. and Mrs. Ott Nance of Justiceburg, recently. She is secretary to the fire chief of the Pontiac Ordnance Company in Amarillo.

Peggy Sue Robinson left last Wednesday for several weeks visit in Fort Worth, Dallas and Gainesville.

Miss Mary Charles Everett will leave Friday for Dallas where she will begin training at the Parkland hospital there next Tuesday. She will be accompanied by her mother and father, Mr. and Mrs. Rex Everett.

Mrs. Olga Dantel was a visitor in Post last weekend. She has been teaching school in Hereford this year and came to Justiceburg to visit relatives before making plans for the summer.

The FBI warns that Germany is training more expert saboteurs.

Southwest Doing Great War Job

Oklahoma, Louisiana and Texas citizens are turning out billions of dollars' worth of war goods, buying hundreds of millions of dollars' worth of war bonds, planting and harvesting millions of acres of food crops, processing billions of pounds of food items, and thousands are serving voluntarily in numerous war jobs, the regional Office of War Information said in a roundup of war activities in the southwest. Between May 1, 1941, and May 8, 1943, a total of \$889,153,000 in war bonds had been purchased in the three states. A total of \$6,276,715,000 in major war contracts has been let in the region since June 1940, OWI said. Approximately 650,000 citizens are registered with OCD to handle volunteer war jobs. OWI's report stated.

The oldest printing shop west of the Rockies was established in Hawaii in 1822.

\$3,000 WEEKLY TO ENTERTAIN SERVICE MEN

NEW YORK, N.Y.—More than \$3,000 a week is being raised for the entertainment of America's fighting men through the Stage Door Canteen radio program, heard nationally each week at 9:30 P.M. on Thursdays. This money is used by the American Theatre Wing War Service to operate the Stage Door Canteens in New York, Philadelphia, Washington and Cleveland. Above is Bert Lytell, permanent officer of the day, and Cheryl Walker, junior hostess, going over their script for the program.

Attendance Record Is Broken For Post Boy Scout Camp

Two hundred and seven boys and adult leaders were registered at the first period of camping at the C. W. Post Memorial Camp, 4 miles from Post, according to an announcement from Scout Executive Unger. This number came from six towns in the council area. Post scouts will register the last period while boys in towns in the northern section of the council will register in the second period.

This is the largest number ever to register for a single week's camp, Unger stated and the number exceeds anything expected. "We can probably expect the same attendance records at the other periods," he continued. Towns represented this week are Muleshoe, Littlefield, Sudan, Anton, Lubbock and Spur.

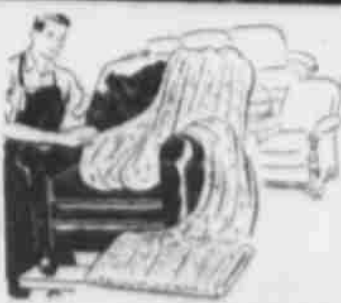

Adult leaders have worked out a fine schedule of activities and each leader and instructor is skilled in his particular field of work. Among the instructors this year is a Post Scout, Marshall Mason, Jr. who is teaching Marksmanship and is assisting with the canteen. Houston Hoover, formerly of Post and now of Littlefield, is also serving as instructor at the camp. He has charge of 39 boys from Littlefield. Hoover is former scoutmaster of the local scouts. Director of the camp this year is John Winslow, Vicar of the Episcopal church of Lubbock.

Among the activities are swimming, handicraft, archery, life course. All scouts are intensely the ceremonial camp fire events as well as learning the intricate details of camping.

One of the new features in the activity program is the Commando course. All scouts are intensely interested in this athletic program as it involves so many of the tactics used by the soldiers and sailors in the army and navy.

Plans are underway for a council fire program on Thursday night at 8:45. Many ceremonial features will be presented and at this time all visitors are invited to attend. The last night of the camp will be devoted to the Senior Scout organization.

Mrs. B. E. Young and several girls from this county are attending the Young Peoples Assembly being held at McMurry college this week. Mrs. Young is taking a course in adult counselor work. Post girls who are attending are Zora Ann Outlaw and Hazel Louise Cash. Margaret Porterfield of Garland and Pearl Fleming of Garlynn.

PROTECT YOUR FURNITURE WITH SLIPCOVERS!

It's simple to make your furniture look new again — it just takes a set of expertly made slipcovers to do the trick. We have a complete line of fabrics in a wide choice of patterns.

N. J. LANOTTE Furniture Co.

Mr. and Mrs. June Cartwright of Lubbock accompanied by Bunk Floyd, spent Wednesday and Thursday visiting with the Ralph Brants of Lake Charles, La. and Lt. Tom Power who are here on leaves from army camps. All will leave for their particular camps today.

REAL DISCOVERY FOR HIGH BLOOD PRESSURE

Dangerous High Blood Pressure (Essential Hypertension) is usually marked by distressing symptoms such as dizziness, throbbing headaches, sleeplessness and nervousness. If disregarded, this may lead to Heart Trouble, Stroke, Paralysis, Hardening of the Arteries or Kidney Trouble. Diamonex, discovery of a heart specialist, is designed to quickly aid in the relief of these distressing symptoms.

A Chicago resident says: "I suffered from High Blood Pressure for several years with increasingly severe throbbing headaches, dizziness and shortness of breath. I showed the Diamonex formula to my doctor and, on his advice, tried the treatment for two weeks under identical conditions as previous treatments. Within only three days my bad headaches and dizzy spells were gone. My high blood pressure was reduced and I sleep fine."

Diamonex goes directly to work in three different ways to aid in the relief of these dangerous symptoms. Results are speedy—within as short a time as two weeks sufferers often find that Diamonex has accomplished 75% of the total reduction possible with this formula. If you suffer from High Blood Pressure you may try DIAMONEX without risking a penny. To introduce this wonderful treatment to a million new sufferers this liberal trial offer is made for a limited time only.

Send only \$1.50 to the Diamonex Company, 318-A North Michigan Ave., Chicago, Illinois for a full TWO weeks supply of genuine DIAMONEX, prepaid. Use Diamonex according to the simple directions for only two weeks. If, at the end of that test period you are not delighted with results your money will be refunded immediately on request. There are no strings or conditions—you owe it to yourself to make this wonderful test at once. Write today as this offer is fully guaranteed.
