

New sound system brings Main Street dream to life

by Wesley W. Burnett

An idea which had been on the Main Street Project list since almost the beginning of the program came to life last week when music filled the air downtown from the newly installed sound system, just in time for the annual Rodeo Days Sidewalk Sale.

"It took the efforts of a lot of people," Main Street Project Advisory Board chairperson Patty Kirkpatrick comments, "and it's really great to get this one completed."

She pointed out that the funding for the equipment was provided primarily from proceeds of the 1990 Founder's Day.

Guided by the Main Street Advisory Board, the new addition to Main Street gave our town a lively, festive feeling last weekend. I am personally very happy to hear the music and appreciate all those who worked so hard to get it finished.

Among those are the members of the Main Street Advisory Board: Victor Ashley, Rosemary Cole, Maxine Conoly, Giles Dalby, Jim Jackson, Dee Justice, DruAnn Laws, Janie Lopez, Wanda Mitchell, JoAnn Mock, Brad McDonald, Delores Redman, Maritta Reed, Joyce Strubhart, Tim Tatum, Bob Turner, Linda Waldrip, Ruby Williams and Main Street manager Barbara Hardin.

Founder's Day Committee members this year are Ashley, Glenda McClellan, Mark Kirkpatrick, Terri Cash, Larry Mills, Katherine Pollard, Wanda Mitchell and Barbara Hardin.

Both ends of Main Street now have the landscaping and other improvements, for which Post is known all across the state (and the envy of many of our West Texas neighboring towns) and this new touch of sound is just one more example of why we are the place to be in the 1990s.

Youth to be cited for violation of impeding vehicle traffic

Garza County Sheriff Kenny Ratke has announced that beginning this week law enforcement officers will issue citations for Class C Misdemeanor in cases where vehicle traffic is impeded by pedestrians in the streets.

"The past week I have had at least 30 telephone calls about juveniles roaming down the middle of the streets and refusing to allow traffic to pass through," the sheriff says.

"I want all parents and young people to understand how dangerous that is, and that we are going to issue citations whenever these cases are reported."

"I have personally approached several of our youth about this problem, and given plenty of warnings," the sheriff continued.

He also reminded youth that riding skateboards and other wheeled equipment on sidewalks is a violation of the law and law enforcement officers will also be issuing citations on these offenses.

"We hope our young people understand that these laws are made to protect people and the safety of all our citizens, including our youth. It just doesn't make sense to be riding skateboards and bicycles on a sidewalk where people are trying to walk."

"Also, sometimes we see young people riding skateboards on the highway of all things, surely common sense would prevail... not only is it dangerous, it's really simply foolhardy," Ratke adds.

Commissioners staring at unknown costs to comply with ADA

Solid waste management, OSHA rules pose question

by Wes Burnett

Garza County Judge Giles Dalby lamented the unknown costs of three federally mandated programs that the commissioners' court faces this year during its budget considerations.

Topping the list with a January deadline for a plan is the modification of the courthouse to meet the strict guidelines of the Americans for Disabilities Act.

Clerk Sonny Gossett, chairman of the county committee studying the change, presented results of a recent review by the committee, pointing out 11 items that will need attention.

Leading the list is the installation of an elevator and remodeling the restrooms. Other items on the list include painting the handicapped parking space, installing rails on both sides of the stairs, updating the water fountain to code standards, making the courthouse accessible to all the public, replace the ramp at the east door to meet the minimum requirements, install automatic or special assist door openers on the east doors, bring all counter tops to a standard and provide 911 service for the hearing and sight impaired.

Members of the committee are Gossett, Larry Dodson, Charlene Nelson, Bobby Smith, Chris Wyatt, Raymond Dodson and Jesse Soto.

Dalby suggested the court contract with a consultant familiar with the engineering details of meeting the requirements of the law to advise on the most economical and best way to bring the courthouse into compliance. The suggestion was approved.

Sheriff Kenny Ratke reported to the court on the options available to provide emergency electrical generating power at the law enforcement complex. He explained that the World War II surplus generator that has been in use for the past several years is not equipped for automatic switching and estimates to modify the unit range up to \$17,000.

Garza County roping highlights 52nd Post Stampede Rodeo

By Mike Stearns

The Post Stampede Rodeo celebrated its 52nd anniversary with all the excitement that we have come to expect from the annual event.

The rodeo, which gathers some of the top cowboys from the region, is a TCRA professional competition with added money purses in most of the major events.

The Stampede was also the setting for the Garza County Roping finals which took place Saturday night.

The steer stopping competition came down to a battle between Clay Johnson and Ronnie Hart. Clay won the steer stopping while Ronnie settled for second place money. Mike Babb was third and Will Kirkpatrick finished fourth.

The team roping saw the calves give the teams fits throughout the competition. The team of Ricky King and Eddie Gravell won the event. Eddie Clark teamed with Jerry Fogerson for second, Richard Clark and Eddie Gravell finished third, and Eddie Clark and Kyle Fogerson came in fourth.

Year end results for the Garza county group were announced at the Rodeo. The All-Around title went to Eddie Clark. He took home the all-around buckle in addition to prize money. Other buckles were awarded to Clay Johnson, steer stopping; Ricky King, champion heeler; Eddie Gravell, champion

"TWO-A-DAYS" football practice started at Post High School Monday morning with quarterback (center) Jim Riley Simpson throwing passes. Team manager Radley Nichols (left) was assisting on the practice field. (See details inside). (Photo by Mike Stearns)

No charges filed in evening shooting incident

A Garza County grand jury will investigate charges against Floyd B. Whitehead on August 20 concerning a shooting incident last Friday evening in the 900 block of Pine St.

Garza County Sheriff Kenny Ratke reports that at 6:44 p.m. August 7 deputies responded to a 911 call, and at 6:49 arrested Whitehead at the scene of the shooting, finding Charles Gibson suffering from a shotgun blast to his hip.

Gibson was taken to Garza Memorial Hospital before being transferred to Lubbock's University Medical Center by a Post EMT ambulance crew. Gibson is reported in good condition as of Monday morning.

The shotgun, according to the sheriff's report, was loaded with birdshot.

The grand jury will hear evidence on the charge of aggravated assault by Whitehead.

Deputies cited Freddy Perez Saturday evening with permitting an unlicensed minor to operate a motor vehicle following a one vehicle accident at the corner of West 13th and N. Avenue M.

According to investigators, the 11 year old female was driving Perez' 1980 Cadillac when she lost control of the vehicle turning from West 13th to Avenue M. The car struck a utility pole, a chain link fence and then struck the house at 313 W. 13th. The vehicle was headed west on 13th street at the time of the incident.

Perez was slightly injured and was taken to Garza Memorial Hospital by a friend.

School principals report on campus activities to Post ISD trustees

by Wes Burnett

All three Post ISD school principals reported on details at the elementary, middle and high schools during the regular meeting Tuesday, August 4.

Test scores, budgets, student/teacher ratio were outlined by elementary principal Dan Rankin, middle school principal Marita Jackson and high school principal Joe Giddens.

Jackson's report on the success of the summer program for students who had failed during the spring was well received by the trustees. Jackson said that all of the 23 eighth grade students enrolled in the summer program are achieving and expected to enter high school with passing grades.

In other action, the board heard a complaint from former employee Marion Cruse concerning his dismissal from the custodian position at the middle school and his final pay. Cruse agreed to meet with the board in executive session, a vote was taken and the board closed the meeting to the public to discuss the issue. Also attending the meeting was ISD attorneys Joe Boemer and Don Dennis.

Following the executive session the board reconvened in open meeting and voted to approve principal Marita Jackson's previous recommendation of dismissal and amended Cruse's final pay to one week of full pay and one week of vacation pay. The board also approved the hiring of a full time custodian at the school, the position had been part time.

Engineer Bill Stracener reported to the board on various building project maintenance and repairs. He said that the science lab equipment is expected to arrive this week for installation and should be ready when school opens. He left a set of revised new gymnasium plans for the board to review.

A discussion about library staffing resulted in a vote to approve the continuation of full time librarians at each campus.

School insurance agent of record Bryan Williams reported to the board as to his responsibilities and duties, explaining that any and all proposals for insurance coverage are reviewed by the agency and then forwarded to the board for consideration.

Board member S. Rafe Foreman pointed out "there is a perception that since you are the agent of record than no other companies will try to bid on the policies, and we need to make sure everyone understands exactly how this works."

Williams agreed and emphasized that proposal from all companies and other agents are accepted and submitted for review.

There is no fee paid to the agent of record for the services of reviewing insurance proposals.

Trustee Mark Kirkpatrick suggested that bids be advertised so "that the public knows the bidding is open to everyone."

Board members agreed to establish a policy of advertising for bids when insurance policies are due to expire.

First National Bank president Charles Hardin reported to the board on the procedures and functions of the depository account, explaining how funds are secured and the importance of the services provided by the bank.

Griffin Oil submitted the low bid for gasoline at \$.7707 per gallon and \$.7432 per gallon diesel oil. Peel's Conoco was the only other bid received at \$.818 for gasoline and \$.7950 for diesel.

Trustees entered into a detailed discussion of board policy concerning minimum qualifications for teachers, arriving at a decision to require that all

effort be made to hire only teachers who are certified in the field for which they are applying.

The board approved the recommended list of substitute teachers and renewed certificates of deposit in the amounts of \$184,155; \$2,082,725 and \$119,776 at 3.0 percent interest for 30 days.

The resignation of Melinda Gunn was accepted and the hiring of Delton Moore to teach math at the high school was approved.

The board approved an in-school suspension policy to require affected students to attend Saturday suspension class with a certified teacher on duty. Volunteer teachers will be paid their salary scale for each extra day on the job. Students who are not performing as well as to be expected at the end of the second semester must attend summer school.

Board members heard a report Monday night from consultant J.F. Townley concerning the status of the superintendent search. Trustees worked on a set of questions to be asked of each of the finalists for the position.

Attending the meeting were board members Barbara Hardin, Royce Hart, Jeff Lott, Rex Cash, Mark Kirkpatrick and Foreman and superintendent Bill Shiver.

NEWS BRIEFS

Cholesterol screening Friday

The Texas Department of Health will offer a cholesterol screening Friday, August 14 from 9 a.m. to 3:30 p.m. at the Human Services Bldg on the Snyder Hwy. The fee for the cholesterol screening is \$4.

PHS annuals available Saturday

Post High School annuals have arrived and will be distributed Saturday, August 15 from 6 to 9 p.m. at the football field.

Community singing Saturday

Music lovers are reminded that the monthly community singing will be held at the Senior Citizen's Center Saturday at 7:30 p.m.

Southland secondary registration

The Southland school secondary students, grades six to 12, will register for the 1992-93 school year Thursday, August 13. The schedule begins with 12th grade from 9 to 9:30 a.m., followed in 30 minute intervals with 11th, 10th, 9th and 8th through 8th grades. Registration will be held in the high school cafeteria. The first day of school at Southland will be August 20 with classes beginning at 8:30 a.m. and dismissing at 3:50 p.m.

Late registration at Post Elementary

Dan Rankin, principal at Post Elementary School, is requesting parents who missed the pre-school registration in May, or who are new to Post, to please pre-register their children before the start of school. School begins here August 19. Parents will need to present their child's birth certificate, immunization record and social security number. These will be copied and returned later. The office is open 8 a.m. to noon and 1 to 4 p.m. Monday through Friday. Call 495-3436 or 495-3414 for more information.

Teacher appreciation luncheon

The Post Main Street Project will sponsor the annual Teacher Appreciation Luncheon and Style Show once again. The event will be held Tuesday, August 18 at the school cafeteria. Merchants interested in assisting with donation for door prizes are asked to call the Post Chamber of Commerce at 495-3461 by August 14. The chamber will provide someone to pickup the donated items. All merchants who donate items will be listed on the program.

Middle School orientation August 14

The Post Middle School will host an orientation for incoming sixth grade students on Friday, August 14 at 9 a.m. for students whose last names begin A through E. Students whose last names begin F through L will meet at 10 a.m. with last names M through Z meeting at 11 a.m. The meetings will take place in the commons area, enter from the east side door.

Colorado spruce trees for membership

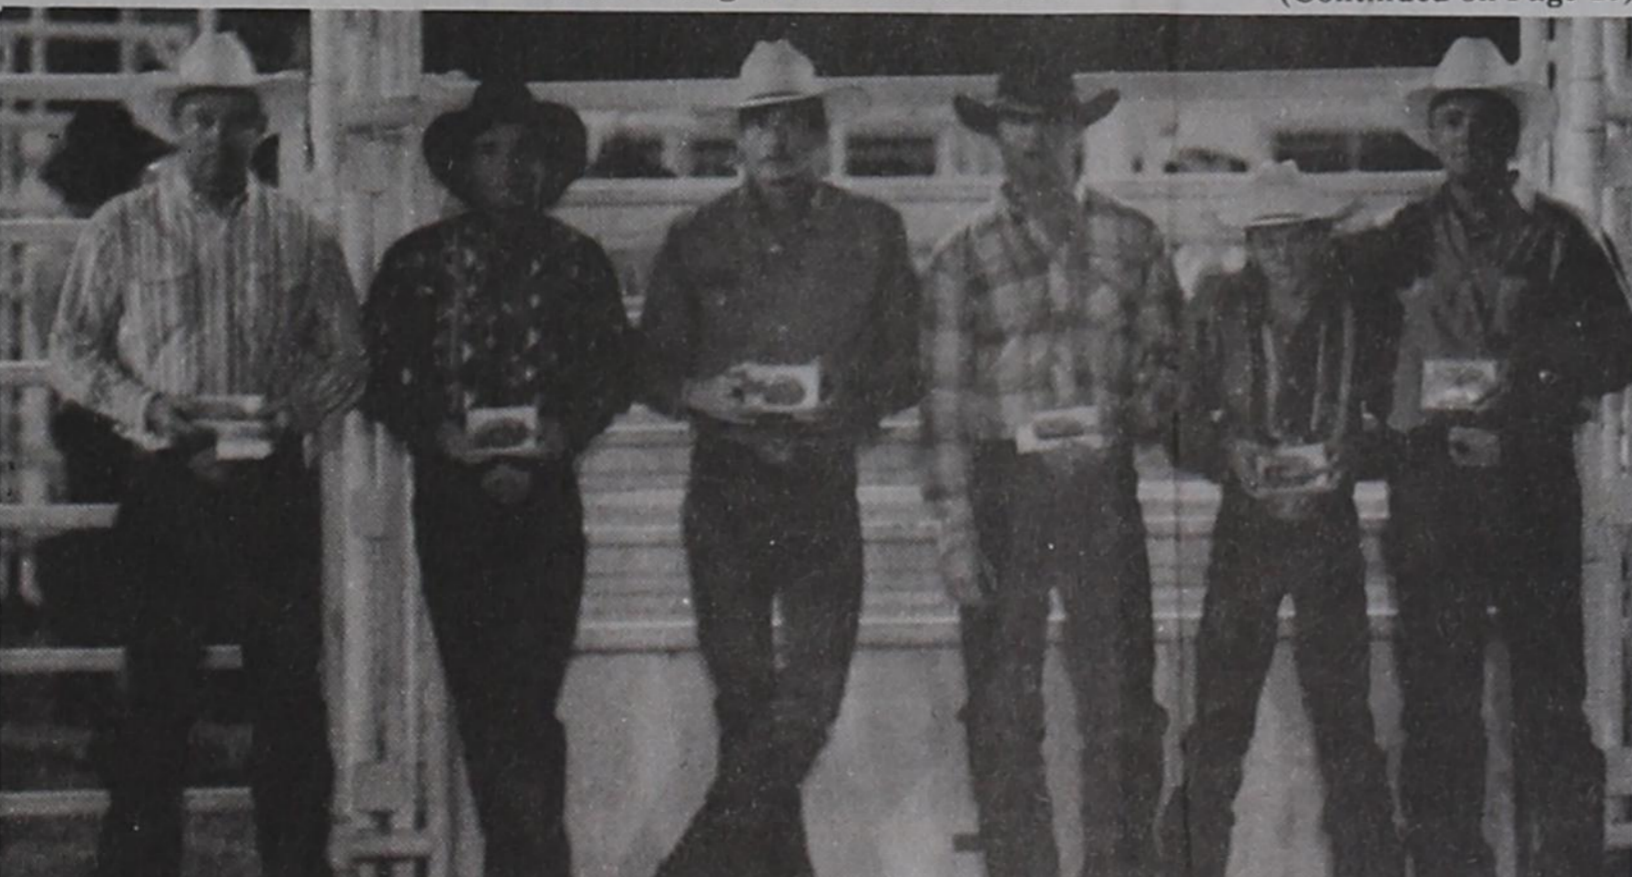

Joining the National Arbor Day Foundation will get members 10 free Colorado blue spruce trees during August 1992. The free trees are part of the nonprofit Foundation's Trees for America campaign. To become a member of the foundation and to receive the free trees, send a \$10 membership contribution to Ten Blue Spruces, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, Neb. 68410. Deadline for the program is August 31, 1992.

Commodities distribution

The commodities distribution will be held on Tuesday, August 18 at the Service Center on the Snyder Highway. The center will be open for the distribution from 9:30 - 12 and from 1-3:30 p.m. The distribution is held on the third Tuesday of each month.

No more newspapers... please

The Post Satellite Vocational Center is no longer accepting old newspapers. All the contributions from concerned citizens is appreciated, but the storage space is very limited and there is currently no market for used newsprint.

GARZA COUNTY ROPING WINNERS - Eddie Gravell (left) won the champion heeler buckle at last Sunday's Garza County roping. Other buckle winners were (left to right) Jimmy Marlin, novice heeler; Brad Moore, novice heeler; Eddie Clark, All-Around; Clay Johnson, steer roping and Ricky King, champion heeler. The all-around buckle was donated by B&B Liquor. Other buckles were donated by Post Stampede Rodeo Association, Stelzer Drilling, First National Bank of Post, Chapman Ranch and Rocker and Citizens National Bank of Slaton. (Photo by Mike Stearns).

Obituaries

Lawrence Robert "Hoss" Harrison

Video journalists visit from Toyko
 by Michael Stearns
 Tokyo Broadcasting system, the largest Japanese broadcasting company, has sent two television journalists on a ten day assignment to West Texas.
 Minako Takahata and her cameraman, Javier Bajana will feature Post in their story about West Texas.
 The two attended the Post Stampede Rodeo over the weekend and shot footage of the different events. They returned to Post on Monday to tour the new museum in the McCrary-Franklin building.

The museum, which features artifacts from around the world gathered by Giles McCrary, is near completion and will be announcing their grand opening soon.
 Takahata and Bajana continued their tour of Post at Cotton Unlimited.
 Both journalists were from the New York Bureau of the Tokyo Broadcasting Company which has been part of the Japanese network for the past ten years. Takahata is from Tokyo, Japan and is in the United States on a two year assignment.

Commisioner's Court ...
 (Continued from Page 1)
 Ratke introduced Arthur Whitley of Tahoka who provided commissioners a proposal to purchase a new generator that would meet all the standards with an estimated total cost including installation of \$17,662.
 "The main problem right now," Ratke said, "is that the old unit is not hooked up to our microwave signal to the tower, so when the power goes off and we go out and switch on the old generator, we are still unable to use our base station."
 The sheriff offered to investigate the cost of connecting the microwave signal equipment to the emergency generator and to report at the next meeting.
 County extension agents Ann Nobles and John Senter presented reports to the court, with Nobles pointing out that more than 5,600 meals were served during the Summer Food Program. "We feel this was a really valuable program and obviously there is a need. We hope to continue it next summer."
 Dalby praised the efforts of the agents and the people working with the food and youth recreation programs, "which I believe is a tremendous success."
 A discussion about the method of distributing road and bridge revenue between precincts resulted in approval for a study of the total miles of roads in each precinct. Precinct 2 commissioner Albert Stone pointed out that his precinct has 10 miles of a paved farm to market road, "which requires a lot more money to maintain than non paved roads." He also said he thought the current distribution "just doesn't seem right."
 Treasurer Ruth Ann Young was asked to prepare a preliminary budget with all requests for funding included for the court to review later. "Then we'll go through the items one line at a time," Dalby said, "and see where we have to cut."
 Sharing in the one-third cost of purchasing a new ambulance will be on of the items included in the budget. The county shares the cost with the City of Post and Garza Memorial Hospital.

1992 Property Tax Rates in County Education District #11

COUNTY EDUCATION DISTRICT #11
 This notice concerns 1992 property tax rates for 1992. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$ 19,721,214
Last year's debt taxes	\$ 0
Last year's total taxes	\$ 19,721,214
Last year's tax base	\$ 2,614,505,448
Last year's total tax rate	\$.7543 /\$100
This year's effective tax rate:	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 19,574,417
+ This year's adjusted taxes (after subtracting value of new property)	\$ 2,332,147,163
- This year's effective tax rate	\$.8393 /\$100
x 1.03 = maximum rate unless unit publishes notices and holds hearing	\$.8645 /\$100
This year's rollback tax rate:	
Last year's adjusted operating taxes (after subtracting taxes on lost property)	\$ 19,574,417
+ This year's adjusted tax base	\$ 2,332,147,163
- This year's effective operating rate	\$.8393 /\$100
x 1.08 (or add \$.08 for schools) = this year's maximum operating rate	\$.9064 /\$100
+ This year's debt rate	\$ 0 /\$100
- This year's rollback rate	\$.9064 /\$100

Schedule A COUNTY EDUCATION DISTRICT #11
Unencumbered Fund Balances
 The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
GENERAL	241,314

This notice contains a summary of actual effective and rollback tax rates calculations. You can inspect a copy of the full calculations at SCURRY COUNTY APPRAISAL DISTRICT 2612 COLLEGE AV SNYDER TX
 Name of person preparing this notice L. R. PEVELER, RPA

Public Notice
 Southwestern Bell Telephone Company is asking the Public Utility Commission of Texas (PUC) for approval to begin charging \$3.00 per bill, for duplicate paper copies of a customer's bill up to 15 pages. If the customer's bill exceeds 15 pages, an additional five cents per page will apply. If the customer's bill is lost or mutilated for reasons other than negligence by the customer, no charge for a duplicate copy will apply if a customer notifies Southwestern Bell within 60 days of the billing date. The effective date of this application is December 4, 1992.
 If approved by the PUC, this application will increase the Company's annual revenues by \$835,000, which is an increase of approximately two one-hundredths of 1 percent (.02 percent) in the Company's adjusted revenue for the 12-month period ending December 31, 1991. The application could affect all of the Company's approximately 4.6 million residence customers and all of its approximately 575,000 business customers should they choose to request duplicate copies of their bills.
 Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is August 7, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.
 This matter has been assigned Docket No. 11223.

Southwestern Bell Telephone

DRIVE ^{BY} THE RULES SAVE SCHOOL CHILDREN'S LIVES

Mr and Mrs Motorist
Post Schools Will Open

Wednesday,
August 19

It isn't that children mean to be careless...it's just that in their zest and vitality they sometimes forget to stop, look and listen before crossing the street. It isn't that we mean to be careless, yet the very car we drive may be considered a lethal weapon and the consequences of our negligence could be fatal. It is our moral obligation to be extra alert these days when school children crowd the crosswalks!

DRIVE SAFELY

Carla Bontke and Ricky Moore exchange wedding vows August 8

Carla Jo Bontke and Ricky Ray Moore exchanged wedding vows in a double ring ceremony, Saturday, August 8, 1992, at 6:00 p.m. at St.

Paul's Lutheran Church of Plainview. The Reverend David Jeske officiated.

Parents of the couple are Mr. and Mrs. Carl Bontke of Plainview and Mr. and Mrs. Jerry Moore of Post.

Given in marriage by her father, the bride wore a formal wedding gown of candlelight taffeta. The fitted bodice was covered with silk alencon lace that was embellished with clusters of pearls and iridescent sequins. The bodice front extended up to a wedding band collar with a front notch. The back has buttons at the neck and waistline and a large oval cutout highlighted the back bodice. The sleeves were large taffeta puffs which extended

down into tapered lace sleeves that ended in points at the wrist. The bouffant skirt fell from the antebellum waistline. A small lace trimmed bow sat at the back waistline. The cathedral train had a wide border of alencon lace that was studded with pearls and iridescent sequins along the hem of the skirt and train. She wore a hat trimmed with silk flowers and seed pearls. She carried a cascading bouquet of cymbidium orchids and stephanolies with gold accents and roping.

Maid of honor was Jana Bontke of Lubbock, sister of the bride. Bridesmaids were Jana Nafzger of Lubbock, Donna Stout of Austin and Jackie Wartes of Lubbock.

The attendants wore fitted knee length teal taffeta dresses with puffed sleeves. They carried cascades of rubium lillies, white statice and white lillies accented with gold, and tied with teal and raspberry satin ribbons.

Best man was Rod George of Lubbock. Groomsmen included Curt Greer, Michael Moore, brother of the groom, both of Post, and Rodney Hays of Lubbock. Honorary best man was Charles Johnson of Japan, formally of Post.

Ushers were Justin Bontke, brother of the bride, of Plainview, Rusty Morris of Post, Stephen Sechrist and Jay Tarwater, both of Lubbock.

The groom's cousin, Jennifer Bullington of Etter, was flower girl and Daniel Moore of Lubbock, also the groom's cousin was ring bearer. Kim Karrh of Amarillo, cousin of the bride, registered guest.

Organist was Betty Goen, Pianist was Mary Jane King and the vocalist was Tommie Sue Quebe.

A reception followed at the Parish Hall of the Church.

Serving at the bride's and groom's tables were Christi Rogers of Plainview, Kristi Albricht of Odessa, Charisse Harland and Peggy McCarty of Lubbock.

The bride is a graduate of Plainview High School and Texas Tech University. She is employed by Slaton ISD.

The groom is a graduate of Post High School and attended West Texas State University. He is employed by The Department of Transportation.

After a wedding trip to Cancun, Mexico, the newlyweds will reside in Slaton. A rehearsal dinner was given by the groom's parents at the Golden Corral in Plainview.

A Couples Shower was given in the home of Giles and Mendy Dalby in Post. Hostesses were Mrs. Jane George, Mrs. Wyvonne Kennedy, Mrs. Melanie Morris, Mrs. Kim Greer, Mrs. Roxanne Osborne, Mrs. Kay Hays, Mrs. Carol Short, and Mrs. Marta Williams.

A shower given by the brides co-workers was given in the home of Debra Rushing in Slaton. Hostesses were Kerri Smith, Tammy Parker, Nancy Harlan, Carol Yowell and Debbie Copenhaver.

A miscellaneous shower was given in Plainview by Mrs. Ann Stair, Mrs. Dina Schur, Mrs. Sherry

Reese, Mrs. Georgana Nafzger, Mrs. Edna Schumacher, Mrs. Betty Stout, Mrs. Noretta Adrian, Mrs. Doris Hooper, Mrs. Cloylene Kelm, Mrs. Eva Mae Koenning, Mrs.

Kathy Klatt, Mrs. Charloite Sjogren, Mrs. Betty Hings, Mrs. Pat Castleberry and Mrs. Debbie Zschiesche. A lingerie shower was given by Peggy McCarty, Jana Nafzger and Jana Bontke in Lubbock.

Mrs Ricky Moore

PMA CLOWN CONTESTANTS - Getting attention last Thursday during the Post Merchants Association sponsored clown costume contest on the Garza Theatre stage were (left to right) Kaylee Farguhar, Amanda Lopez, Brody Whitley, Jake Fluitt, Ashton Smith, Ethan Bilbo, Stiffi Norman, Andrew Fumagalli, Stace Norman, Joseph Cramer and Dustin Cramer. Stiffi Norman won first place in the under six year old category and Stace Norman took second. Brody Whitley won first in the seven to 12 year old division and Amanda Lopez placed second. THE 1992 "A HARLEY SADLER SHOW" CAST AND CREW - Completing the three weekend run of this year's "A Harley Sadler Show", "Too Proud to Paint, Too Poor to Whitewash" at the Garza Theatre are (back row, left to right) Bill Gray, who played with the original Harley Sadler Shows; Dell Gray, Anna Wilson, Mike Toombs, Cherril Brooks, Bill Lanier, Emily Hataway, David Weaver Jr. (back), Michael Sommermeyer, Peyton Fullingham, Charles Somerville, (middle row) Christy Morris, Keren Weaver, David LeMaster, Alison Hoefler, Doug Burns, (front row) Derek Burchfield, Jennifer Hubble, Dustin Burchfield, Melanie Heatherington and Joshua Hubble. Also entertaining during the shows was West Texas' popular fiddler Cecil Caldwell. A total of 2,466 theatre patrons attending the 15 productions here.

GAMMA MU SORORITY members in the rodeo parade were (left to right) Gina Lott, Penny Redman, Leslie Tatum Lisa Kirkpatrick and D'Linda Chapman. (Photo by Mike Stearns)

America's food supply is abundant, safe and bargain

American farmers have been satisfying the food needs of a hungry nation since the colonists began tilling the earth with ox-drawn plows. Those early pioneer farmers, who grew enough food for themselves and a few neighbors, have become global producers, and now American-grown food is shipped throughout the world. Every time we go to a grocery store we can see the bountiful harvest from this industry we call agriculture.

Agribusiness has made great strides during the past two centuries, changing to meet consumers' tastes, lifestyles, demands and safety concerns. Through changes in production practices and technologies, our agricultural industry is making sure that you -- the consumer -- continue to have a wide variety of nutritious, safe foods at bargain prices.

America's food supply is safe. Our nation's food safety record is the envy of other countries, and now Texas is participating in a program that will go a long way in not only underscoring but enhancing that record.

As one of six states involved in a first-of-its type pesticide monitoring program, Texas is taking a leadership role in improving the nation's information about safe pesticide levels on fresh fruits and vegetables. This program will help provide the necessary information government agencies need to further bolster food safety.

Under the federal Pesticide Data Program, Texas Department of Agriculture inspectors collect 90 samples monthly from 23 distribution sites and terminal markets across the state -- the final stop before commodities reach grocers' shelves. We analyze the samples for trace amounts of pesticides, and the data are sent to the U. S. Department of Agriculture in Washington, D. C.

Currently, 10 different domestic and imported fresh fruits and vegetables have been targeted for analysis, but the program eventually will be expanded to cover more than 20 fresh commodities.

Since TDA initiated its sampling in May 1991, more than 700 commodity samples have been analyzed at our laboratory in Brenham. All were within tolerance standards set by federal health and food safety officials.

Texas, along with California, Washington, Michigan, New York and Florida, is helping the nation establish this thorough and objective database detailing how much and what types of pesticides -- if any -- are left on the food we eat.

This database will help the U. S. Environmental Protection Agency further refine both the amounts of pesticides that farmers may use on various crops and the residue levels that should be allowed on fresh foods.

In protecting consumers' health, the government must always deal with facts, not emotional hysteria. Thus, this program provides the critical data producers, consumers and the government need for establishing a perspective on the safe levels of pesticide residues.

There's no doubt, America's food supply is abundant. Our farmers are the most productive in the world, and no other nation in the world can boast a more plentiful, diverse supply of food. Historically, based on retail weight, the amount of food available for each American has averaged 1,400 pounds a year. Compare this with 1,011 pounds in Africa and 1,288 pounds in Latin America.

From the citrus groves in the Rio Grande Valley to the cranberry bogs in Maine, agriculture is providing food for America's dinner tables in a big way.

Since 1930, total agricultural production in the United States has increased more than 262 percent, and our farmers produce more than seven times as much per hour of work than they did 40 years ago.

I am very proud of the role Texas farmers and ranchers play in bringing this abundant production to your dinner tables.

And as the nation's second largest agricultural producer, Texas has not only assumed a leadership role in America's abundant harvest, but we have also made the commitment to making sure your food supply is safe as well.

Food safety is a concern of all agricultural groups and of each individual producer. But what's more, the cooperation of our supermarkets and distribution centers in the national Pesticide Data Program also underlies the obligation everyone in the industry has in bringing the best possible product to you -- the consumer.

Legal Notices

THE STATE OF TEXAS

TO: KELLY JO MYERS, Defendant

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 31st day of AUGUST 1992, at or before ten o'clock A.M. before the Honorable 106TH JUDICIAL DISTRICT COURT OF GARZA COUNTY, Texas, at the Court House of said County in POST, Texas.

Said Plaintiff's Petition was filed in said court, on the 19TH day of FEBRUARY A.D. 1992, in this cause, numbered 4736 on the docket of said court, and styled, ROBERT E. STANFORD Plaintiff, vs. KELLY JO MYERS Defendant.

The names of the parties to the cause are as follows:

ROBERT E. STANFORD are Plaintiffs and KELLY JO MYERS are Defendants

A brief statement of the nature of this suit is as follows, to wit:

SUIT TO COLLECT ON ORAL CONTRACT

as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Post, Texas, this 15th day of July A.D. 1992.

Attest:
Sonny Gossett Clerk,
District Court, Garza County, Texas
By Jay Browning Deputy.

An estimated one in ten children have symptoms of asthma or eczema at any one time.

Notice of Application For Fluid Injection Well Permit

The George R. Brown Partnership, 4700 First City Tower, Houston, TX 77002-6708 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the San Andres formation, City of Post WF Unit lease, Well Number C-1-PT. The proposed injection well is located 1/4 mile north of Post, Texas in the Garza Field, in Garza County. Fluid will be injected into strata in the subsurface depth interval from 2961 to 3050 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Request for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

State agency offers interest-free home improvement loans

The Texas Department of Housing and Community Affairs (TDHCA) announced today that \$1 million is available statewide for home improvement loans.

Eligible low income homeowners may borrow up to \$15,000 and pay no interest.

The purpose of the program is to assist homeowners in making permanent structural improvements to their home.

Eligible improvements must enhance the livability of a home or correct a health or safety problem.

"The Home Improvement Loan Program will help Texans who have always wanted to improve their home, but have never had the opportunity. The monthly payment on a home improvement loan is very affordable because the borrower has a greater period of time to pay back the loan and is not charged interest," said Paul R. Rodriguez, chairman of the board, Texas Department of Housing and Community Affairs.

The term of the loans varies and depends on the amount of money borrowed. Loans between \$1,500 and \$5,000 have a maximum term of 10 years; loans more than \$5,000 and less than \$10,000 have a maximum term of 15 years; and loans more than \$10,000 have a maximum term of 20 years. The minimum monthly payment for a loan is \$25.

In order to be eligible, the borrower must meet qualifying guidelines, have a sufficient income to afford monthly payments and make no more than 80 percent of the area median income.

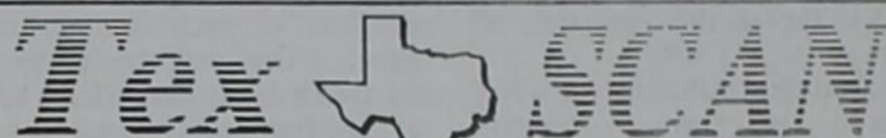

The 72nd Legislature created TDHCA by merging the former Texas Housing Agency and the former Texas Department of Community Affairs. The Community Development Block Grant was also transferred from the Texas Department of Commerce to TDHCA.

The Texas Department of Housing and Community Affairs is dedicated to helping Texans achieve an improved quality of life through the development of better communities.

Persons who are interested in the Home Improvement Loan Program may call the department's toll-free number, 1-800-792-1119.

Bold Gold football begins

by Mike Stearns

The Post football team began two a day practice sessions this past Monday with a grueling set of workouts.

The team will be packing a lot of training into the two a day program this year due to the late start under UIL rules.

Football teams in throughout the state began practice on August 10 according to UIL policy. School here in Post begins with registration on August 17. This only allows the coaches and the team one week for the important two a day program.

The team may be counting the short practice schedule as blessing as the temperatures rose into the high 90's during the first day of practice.

The schedule for the rest of week includes practice sessions beginning at 8 in the morning and the second session getting underway at 11 AM. The team will workout without pads until Friday.

The Bold Gold open the season away from the friendly confines of Antelope Stadium when they visit Abernathy on September 4.

Abernathy will have 12 lettermen returning from a club that went 9-1 last year. Explosive running back Dennis Haney leads the Abernathy offense.

The Lopes open up their home campaign against their long time rivals, the Slaton Tigers. Slaton was the surprise of District 3-3A, tying Denver City for the district crown and a playoff berth against Vernon.

The Bold Gold will have two tough scrimmages this year against Floydada and New Deal. New Deal is projected to win their district and Floydada is a returning playoff team from 3A. Floydada plays at Antelope Stadium Friday, August 22 beginning with the Jr. Varsity between 5:30 and 6 PM. Another scrimmage is set for Antelope Stadium between Sweetwater and Coronado on Thursday, August 28.

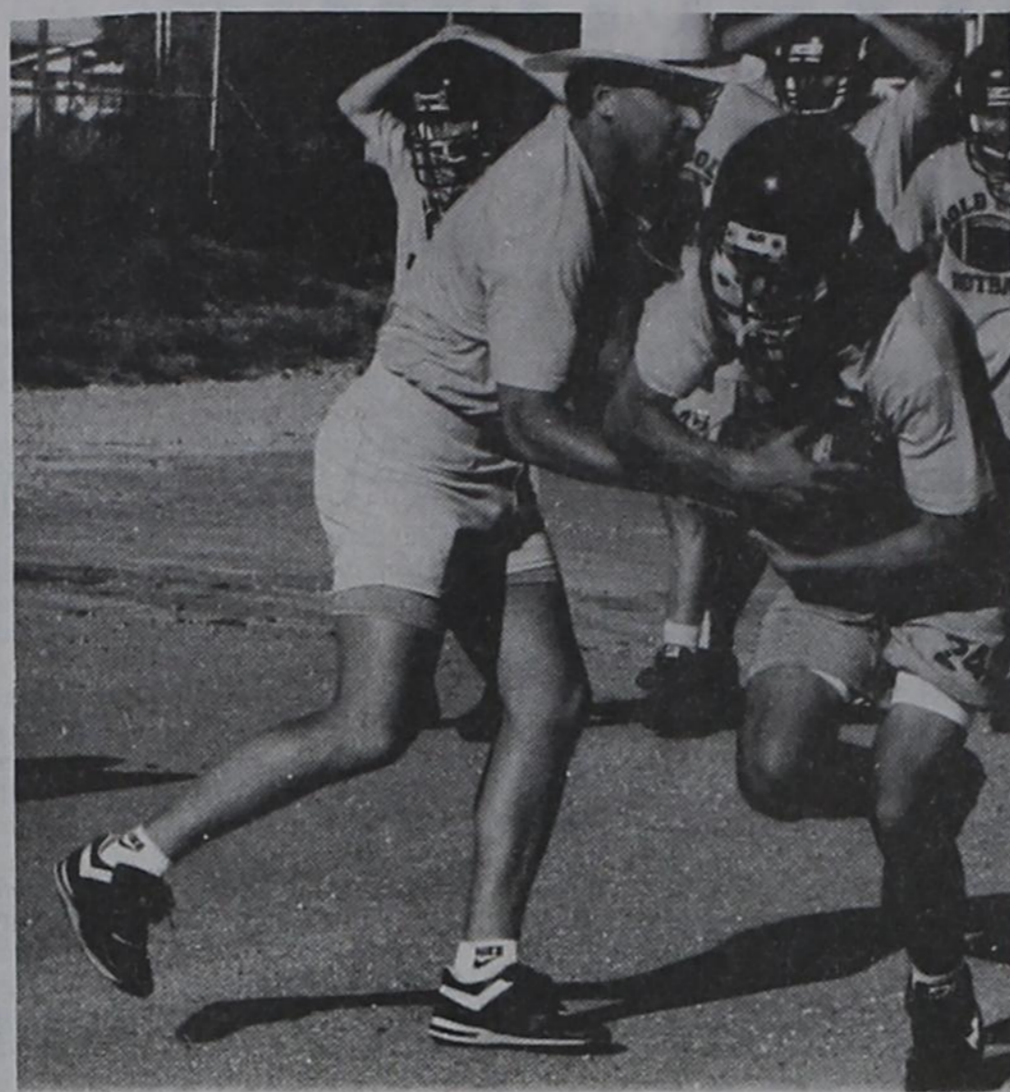

Post travels to New Deal to face the Lions in a scrimmage on Friday, August 29.

Coach Dwayne Osborne is optimistic about this year's squad. "We had over eighty kids out for the first day of practice and the things went very well in both practices." Coach Lane Tannehill added, "This has been the most intense first day that I have seen in the past five years or so."

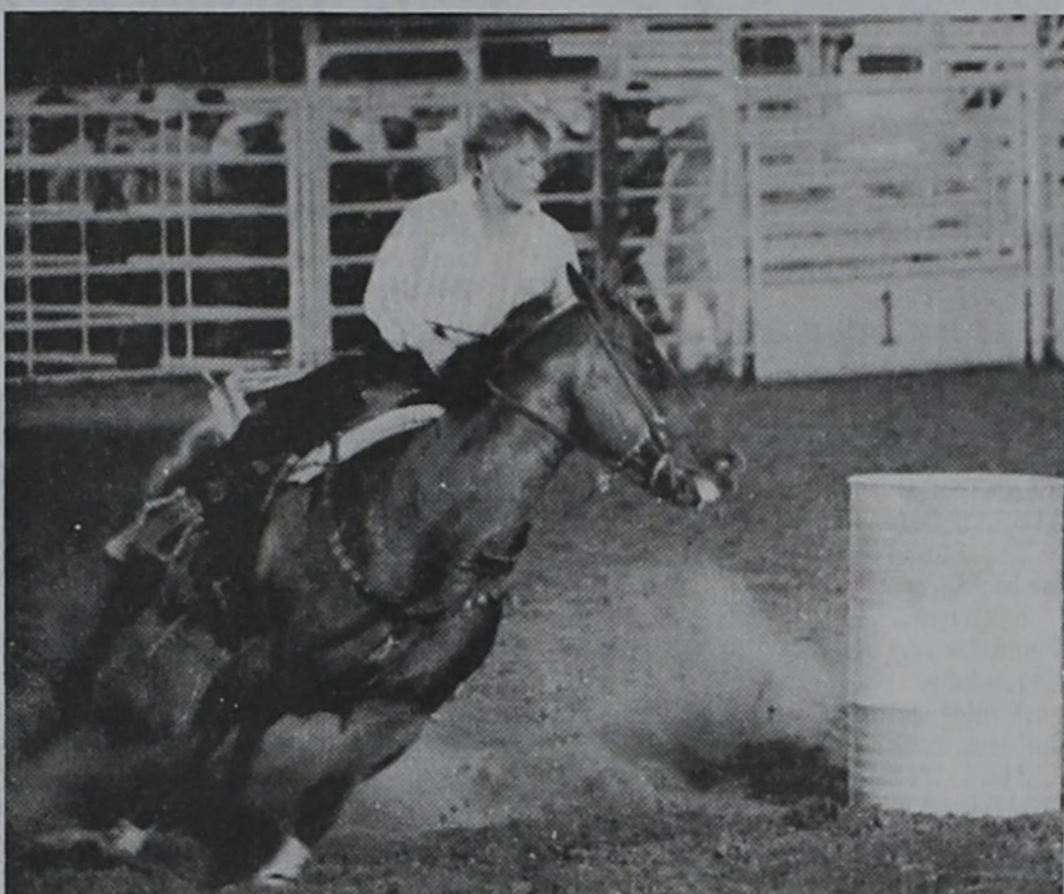

The Antelopes only return one starter on offense and three on defense. Quarterback Jim Riley Simpson is the only returning starter on the offense, although running back Henry Reed and a host of receivers expect to contribute heavily this year.

The linebacking crew of Anthony Cruse, Clint Milton, and Josh Bush bolster the shock troops for the Bold Gold '92 edition. They are the only three returning starters on the defense.

The Antelopes only have a nine game schedule this year with four home contests. Homecoming will be October 30 against last year's district runnerup, Crosbyton.

COACH MITCH RASBERRY hands the football off to Jaime Ayala during Monday's backfield practice. The Post Antelopes began two-a-days Monday in preparation for the first scrimmage with Floydada here Friday, August 21. (Photo by Mike Stearns)

Meet the Antelope night set

by Mike Stearns

The 1992 edition of the Post Bold Gold Antelopes will be on display Tuesday night August 18. The team has scheduled an intra-squad scrimmage to display the high powered offense and the stingy defense from this young and exciting team.

Lopes Coach DeWayne Osborne has been impressed in workouts with the crew and is looking for big things in years to come. "We are young", he said referring to this year's squad, "but we have a group of hard working athletes on this team."

The scrimmage is set to begin at Antelope Stadium at 6:30. Fans will have an opportunity to meet the players and the coaching staff after the scrimmage.

Roping finals highlight Rodeo

(Continued from Page 1)

4 points separated the top four riders.

The Girls events drew a good group of contestants. 29 girls competed in the breakaway roping which was won by Schelli Walls of Stephenville, the barrel racing was won by Allison McFadden of Crane with a time of 17.67. 40 entries participated in the barrel racing division.

Team roping was also close. John Anderson and Kirt Jones won the event with a time of 6.79 seconds. The Calf Roping was won by George Shields of Stephenville with a time of 9.30.

Bobbie Jo Davis of Post won the Junior Flag Race with a time of 10.39. Bobbie Jo made a beautiful tight turn to take the flag on her winning run. Josh Gandy of New Home finished second, Camie Payne came in third with a time of

11.62 and Cody Zachary of Post finished fourth with a time of 11.62.

Also competing in the event from Post were Clint Johnson, 14.67; Chase Miller, 16.10; and Mitchell Mills, 20.70.

The Bull Riding event featured the most entries in the rodeo. 53 cowboys entered the event. The bulls won most of the battles as the participants had a hard time staying with the animals for the required eight seconds.

John Foster of Snyder was the winner in the bull riding with a score of 72. Calvin James of Stephenville and Shane Thurston of Aztec, N.M. tied for second only one point behind, they each recorded a 71 on their ride.

The Stampede Rodeo had 294 contestants in the various events with a total purse payout of \$15,818 for the three nights.

CAMMIE PAYNE grabs the flag on her final turn around the barrels during the junior flag race Saturday evening at the Post Stampede Rodeo. She finished second in the event. (Photo by Mike Stearns)

LANE JONES got bounced off the bull but was not injured, although the bull ran over the top of him. He picked himself up after a few seconds and walked off unassisted. (Photo by Mike Stearns)

BODE ZIETA of Eastland rides for a few seconds in the bareback bronc riding event last Saturday at the Post Stampede Rodeo. (Photo by Mike Stearns)

Dewayne Osborne heads All-Star committee

Post ISD athletic director Dewayne Osborne served as North All-Star team committee chairman at the 60th annual 1992 coaching school August 2-5 in Dallas.

Osborne was responsible for player coordination and was recognized at a pre-game ceremony at Texas Stadium.

Last year he served on the Class 2A selection committee.
