# CONTINENTAL PRESENTS THE \$1.30 FAMILY REUNION.

The cost of getting a family together shouldn't keep a family apart.

Fortunately, long distance rates are still a bargain. In fact, they're low enough to keep you close to every side of your family. No matter how far away they might be.

For example, if you have family in Lewiston, Maine and you live in Bakersfield, California, a three-minute call will cost you no more than \$1.30, excluding federal and local taxes.

Those regular rates apply if you dial direct without operator assistance anytime between 8 A.M. and 5 P.M. If you call during one of our bargain calling periods (weekends and week nights after 5 P.M.) you can save up to 60% off our regular rates.

So don't wait until next week, or next month, or next year to have your next family reunion.

Pick up your phone and have it now.

## FmHA Stresses Energy Conservation

COUNTY- Rural homeowners in Callahan County who need to upgrade their homes may be eligible for financing from the Farmers Home Administration, (FmHA).

Jack Phillips, FmHA County Supervisor, said, that in addition to financing the purchase of homes, the Agency also has funds available to families who already own homes that need insulation/weatherization improvements.

FmHA will offer loans for energy conservation improvements to all rural

families of low or moderate incomes who cannot obtain adequate commercial credit and are otherwise eligible for FmHA loan assistance.

Mr. Phillips said that this is not a new loan program, but a part of the total loan program FmHA has had for a number of years. However, the Agency is stressing the need to conserve energy and help families combat today's higher costs of home energy.

Improvements designed to save energy, such as installing additional insulation, storm windows and

doors, caulking, and in some cases modifying heating systems will, in many cases, save more than enough to repay the loan funds borrowed for the improvement, according to Mr. Phillips.

In addition to energy conservation, repair loans may also be used to remove health and safety hazards, such as repairing roofs, providing sanitary water and waste disposal systems and upgrading electrical wiring. Applicants must

own and live in their homes on a farm, in the open country or in a rural town of up to 10,000 population to qualify for assistance.

More information may be obtained at the FmHA County Office located at Eastland, Texas, Room 312 Eastland National Bank Bldg.; or come to our sub-office in Baird on the 2nd and 4th Wednesday's, located in the Courthouse, 2nd floor from 9 a.m. until 12:00 or by calling (817)-629-8508.

#### HE OFFERS EVERY MAN A NEW FUTURE

Robert Louis Stevenson was a frail young man. His early death cut short a most brilliant career in the world of poetry. Nowhere in his works did he show more perception than when he wrote:

"OVER THE SEA TO SKYE"  
 Sing me a song of a lad that is gone, Give me again all that was there, Billow and breeze, islands and seas,  
 Say, could that lad be I? Give me the sun that shone! Mountain of rain and sun,  
 Merry of soul, he sailed on a day Give me the eyes, give me the soul All that was good, all that was fair,  
 Over the sea to Skye. Give me the land that's gone! All that was me is gone.

—Robert Louis Stevenson (1850-1890)

A deep sadness is revealed, shared by all of us. The innocence and trust of childhood is lost forever so wistfully. But our God does not let us return to the past. He comes upon us from before and above, beckoning us into the hope-filled future. Remember, He gives no man, no man, a new past. But He offers every man, every man, a new future. And the future is today!

"Follow me, and I will make you —," Jesus said. And He does, if you ask Him.

—Paul M. Stevens

# Meals-on Wheels Needs Xmas Decorations

BAIRD- The good news of the Baird Meals on Wheels really gets around. We discovered that we have some very good and generous friends as far away as Mercedes, Texas. Mr. and Mrs. Cutis C. Jones wrote that they had been reading about the program and sent in a very nice donation check. It is really a moral booster to know that people read and

care about such a worthwhile program. By the way, these are people that used to live in Baird, which just goes to show you that our people really stand behind us in time of need. Thanks also for the nice donation, Mr. and Mrs. Jones.

We could use some Christmas decorations if anyone has some they are not going to need. The Legion Building could use

all that you can spare. We hope to make this a Christmas to be remembered by the shut-ins that we serve meals too. We still need more canned goods to complete our big Christmas Dinner. Go and look in your pantry and see what you have in the way of fruit, yams, pumpkin or anything that you could spare. We have a big box all ready at the American Legion Bldg.

Our recognition dinner that we gave for the volunteers was a success. We have had requests for one a month on this. We all brought a covered dish and really had a wonderful time. We had a big turnout from Clyde and got to know more of the volunteer from there. Tentative plans are to have one every second Thursday starting in January. Keep a lookout in the paper for the date.

The next musical will be in January. The date is Jan. 4 and starts at 7 p.m. Food and beverages will be available so come join us and hear the best music you ever heard. We will have a surprise guest so don't miss out on this one.

The covered dish luncheon on Thursday at noon is still going great. Those of you that have not been to one are really missing a treat. Cook your favorite dish and bring it with you.
