Annual Cemetery Dinner Thursday Nov. 29th

Stores To Close On 29th

According to Mrs. Oscar Veach, president of the O'Donnell Cemetery Association, final plans are being made this week for the annual cemetery dinner to be held at the school cafeteria THURSDAY, NOV. 29th. Serving of the delicious home-cooked dinner will begin at 11 and continue until 1:30 p. m. Turkey and ALL the trimmings will be served. This annual dinner is one of the year's biggest events in Big O and is like homecoming for many former residents here. The food is really "out of this world" as Big O has some of the best cooks west of Dime Box.

A School Holiday

The school holiday will be Nov. 29th thru Dec. 2nd to allow teachers from here to attend a state convention of teachers at Houston. The business firms of the town will be closed all day of Thursday, Nov. 29th and the Christmas lights will go on the following night to usher in the Christmas season.

Band Sets Talent Show

The O'Donnell Band Parents Club met Monday night in the high school auditorium. Joann Lacy gave two accordion numbers accompanied by Mrs. Lucille Barnes at the piano. Mrs. Ben Moore Jr. president presided for the following business meeting. Mrs. J. W. Gardenhire was elected Vice President in the place of Mrs. Vernie Gary who resigned. Mr. Richey, band director, urged every one to attend the Marching Contest Nov. 7th at Jones Stadium in Lubbock at 7 p. m. There will be 27 area bands participating. Our band will be wearing their new uniforms.

Plans were made for the Talent show on Dec. 7 at 7:30 in the auditorium. The entry fee will be general admission 25c for children and 50c for adults. Tickets will be on sale in the near future.

There will be five different divisions. Elementary 1st thru 5th, Jr. High and High School, adult and out of town. You may get an entry blank from Wyman Richey or Mrs. Ben Moore Jr. Entries must be in by Dec 3, 1956. Mr. Joe Burkett will be master of ceremonies.

We still lack about \$500 on the band uniforms and the proceeds from the talent show will go to this fund.

The next band parents meeting will be Dec. 3. All band parents are urged to attend.

The school has purchased new boys and girls basketball suits for both high school and junior high. These are the first suits in a number of years.

BERTICE ASKEW HEADS FARM BUREAU IN LYNN CO.

The Lynn County Farm Bureau met Monday night for their regular monthly meeting. N. E. Wood resigned as president of the Board for business reasons but remains as a director. Bertice Askew of here was elected as president. The board made plans for their trip to the 1956 Annual Texas Farm Bureau convention Nov. 11-14 at Rice Hotel in Houston.

JAMES SHAW AT FT. HOOD

Ft. Hood, Tex. — Army Pvt. James E. Shaw, son of Mr. and Mrs. J. E. Shaw, O'Donnell, is receiving eight weeks of basic combat training with the 4th Armored Division at Ft. Hood, Texas. Shaw is in the first of a three phase program set up to train 7500 replacements for the 3d Armored Division in Germany. The 19 year old soldier attended O'Donnell High School.

Methodists Set Special Thanksgiving Service

The O'Donnell Methodist Church will observe the Thanksgiving Sunday November 18th. This is a traditional affair begun only a few years ago, but has been very successful so the church moves on enjoying the blessings of bringing on this day a "Special Thank Offering" and also a "Basket Lunch" for the "Festival".

The Rev. Vernon Henderson, District Superintendent for the Brownfield District of the Methodist Church will be guest speaker. The Church always enjoys the Henderson's coming to us and would like to extend to our many Friends to join us in the Fellowship of this day, with the Membership of the Local Church.

The Church is to be decorated in the traditional "Thanksgiving Style" with Mrs. Ben Moore Jr. in charge. A letter of explanation is being mailed to the membership of the Church, and full participation is expected of the Members and Friends are invited.

Services for the day will consist of: Sunday School 9:45 A.M. Morning Worship 10:55 A.M. A basket lunch at the church 12:00 Noon Evening Fellowship 6:00 P.M. Children

Youth Adults Evening Worship 7:00 P.M. The Evening Fellowship has been recently changed to 6:00 P.M. Also Evening Worship at 7:00 P.M.

J. T. Forbes is chairman of the board, Naymon Everett, chairman of finance and Marvin E. Fisher is pastor.

Scouts Enter Fund Drive

The Troop Committee of the O'Donnell Boy Scouts opened this week their annual drive for funds to run the local troop for the next year. Since O'Donnell does not have a community chest drive, the Scout Drive is run on an individual basis.

It is suggested that parents with youths in the troop or with youths nearing the age to enter the troop, to bear a slightly heavier burden of the fund raising. PLEASE give cash or checks to Elvin R. Moore or any troop committeeman.

Others on the Troop Committee in addition to Mr. Moore are Ralph Beach, Silas Russ, O. G. Smith, Supt. Weldon Skinner and Johnny Billingsley. Don Mansell is the very capable Scout Master who serves without pay and does not even have an expense account.

O'Donnell has one of the most active and best run troops in ALL of West Texas and has been run on a shoe string of finances. We know Big O will take care of her own. PLEASE mail your check today while you have this on your heart.

ON THE BALL

Althou the Mexican Nationals here this season get our streets littered with trash over the week end, Mayor S. M. Clayton, jr.'s city workers are keeping the streets clean. Also Mr. Clayton and Water Supt. Bert Fritz have done a good job of keeping the city in water this fall inspite of short supply.

MAY REGISTER HERE

Supt. Weldon Skinner has recently been named local registrar. Youths turning 18 may register at the school and save a trip to Tahoka.

PTA-School Box Supper Is Monday Nite

3 Queens To Be Named

Next Monday nite the all-school fall festival and box supper will be held in the school's gym beginning at 6:30 p. m. Every mother with a child in school is invited to bring a box lunch. At the door the lady will be given a ticket to the queen coronation which will follow the supper. Each man who buys a box supper will be given a ticket to the coronation. The boxes will be auctioned off by Jess Merrick. For folks who do not wish to take part in the box supper, general admission to the coronation will be 50c and 25c. At the supper the PTA will have a booth where food and soft drinks will be sold.

There will be three queens, that is, a queen from Grade School, one from Junior High and one from High School. The three queens will be enthroned at the coronation which will include a very fine program of music, dance numbers and comedy. Principal A. H. Barton is in charge.

Mr. and Mrs. Charles Uzzle and Judy of Ft. Worth visited her parents, the Tom Brewers over the week end.

JR. HI BALL GAME HERE WITH SEAGRAVES THURSDAY

Thursday afternoon at 3:30 the final game of season of Junior Hi will be played here with Seagraves. Last week at Plains the boys dropped their game.

On Jan. 14th the football boys will be honored with a father-son banquet.

Eagles End Season With Ropes Friday Nite

Friday nite the Eagles end the season's play with a conference game at Ropes. The two teams are evenly matched and should be one of the better games of the season.

Last Friday nite the Eagles played a scoreless first half at Seagraves. In the 3rd quarter Q. B. Jerald Barton hit the double stripe for the game's first score with a 65 yard run. The score sparked Seagraves to action as they then made 19 points in the 3rd and added 6 more in the 4th. Seagraves made 9 first downs to Eagles 7 and 337 yards rushing to Eagles 179. The game pointed up the fact that the defensive play of the Eagles has improved to a great extent.

SEVERAL ATTEND FFA BANQUET AT BROWNFIELD

Portia Furlow, J. D. Evans, Lloyd Davis, Ken White, Sumner Clayton and Ken Moore attended district FFA meeting Monday nite at Brownfield. Clayton and Moore did very well in the entertainment contest. Miss Furlow entered the district sweetheart contest. Ida Mason of Wilson won. Evans was district vice president and Davis and White were voting delegates. Also attending the banquet were Mr. and Mrs. Reed Supt. and Mrs. Skinner and Mr. Burton.

Following are officers elected by Junior 4-H club Tuesday: Janice Clayton, president, Dorinda Pierce vice president, Elaine Clayton, secretary and Carolyn Brock, reporter

BROILER PRODUCERS TO MEET THURSDAY NITE

There will be a regular quarterly meeting of all broiler producers Thursday, Nov. 15th at 8 p. m. in the new dining room at Jackson's Drive In. Ken Looper of the group said that this would be a very important meeting all growers are urged to attend.

CARL GENE JONES TO WED MISS RAY OF LUBBOCK

Miss Martha Jane Ray will marry Carl Gene Jones in Bowman Memorial Chapel in Dec. 20th. This announcement was made by the bride-elect's parents, Mr. and Mrs. Elmer P. Ray, 3210 29th St. Mr. and Mrs. Felix Jones of O'Donnell are parents of the bridegroom.

Tells Of Grand Chapter

O'Donnell Chapter No. 725, Order of the Eastern Star met in a stated meeting Monday nite at the Masonic Hall with Myrl Huffines, Worthy Matron and W. J. Shook, Worthy Patron, presiding.

Mrs. Huffines gave a report of Grand Chapter which recently met in Ft. Worth. After close of chapter the members were invited into the dining room and were served pumpkin pie topped with whipped cream and coffee from a table decorated with pumpkins and miniature turkeys. Hostesses were Mrs. J. G. McGee, Mrs. Iva Adams and Mrs. Hazel John Crutcher.

Supt. Skinner said this week that Mrs. Rogers has resigned as an elementary teacher to return to near Gainesville and Mrs. Crawford has been employed.

Hosts '39 Club

The 1939 Study Club met in the home of Mrs. Ben Moore, sr. last Wednesday. Mrs. W. K. Crawley of Lamesa reviewed the book "Seven Years With The Wild Indians" by the late Ben Moore, sr. On display were much of Mr. Moore's collection of Indian artifacts. The refreshment motif carried out the theme of early American Indian food. 25 were present. Members of the 1946 Study Club were guests.

Shows Indian Crafts

Mrs. Ben Moore, sr. was hostess Wednesday nite with open house and guests included the Boy Scouts, the Cub Scouts, the Brownies and the Girl Scouts and their adult leaders. The occasion for the open house was the showing of the unusually large collection of Indian lore and artifacts collected by her late husband, Ben Moore, sr. The Moore collection of pioneer and Indian artifacts is one of the largest known private collections in West Texas.

Assisting Mrs. Moore in the hospitalities were her children and Mrs. John Earles at the punch bowl. House decorations and the attire of the ladies carried out the theme. Monday the Senior Class selected their graduation caps and gowns. The caps and gowns will be of white and rent for \$3 and the tassel will be 40 cents and red.

CIVIC CLASS GIVES PROGRAM AT ROTARY

The O'Donnell Rotary Club met Tuesday at its regular luncheon with Homer Hardberger, president, presiding. Dr. Irvin Lehman was program chairman for the meeting. The program was supplied by Mr. Hallmark and members of his civic class. The group led a discussion on the Constitutional Amendments. Students on the program included Johnny Billingsley, Betty Snellgrove and Kay Cabbiness.

Visitors for the luncheon were Ross Stark, Bill Bates of Star Engraving Co. and V. Z. Rogers, Will Morris, Ross Woodson and Sam Jenkins of Lamesa and Clint Walker Roy Edwards, W. C. Wharton, Roy Hopkins, Herman Heck and H. W. Carter of Tahoka.

Grass judging contests for 4-H and FFA members and in some instances for adults, are credited by A. H. Walker, extension range specialist, with spreading useful range management information. They have resulted in a new found appreciation for range plants and range management practices have been changed in order to utilize the new knowledge.

Pecan growers are advised not to become unduly alarmed about the present market outlook for pecans. Prices later are expected to follow the trend of past years and if this happens, prices should pick up. Growers should harvest their pecans as early as possible.

Fertilizers are a lot better today than in years past but more improved fertilizer materials can be expected in the future.

There isn't a deer, duck, turkey dove or quail in Texas worth the price of a permanent injury or death to a hunter. There is little excuse for hunting accidents if the basic rules of safety are observed. See that fellow hunters respect and obey the same safety rules you follow.

Pharmacy Is Celebrating 100th Birthday

NEW YORK—Modern pharmacy, which celebrates its 100th birthday this year, is as far ahead of the old as the new is of the old, in turn, overshadowed the old. In the days of medieval times, when the pharmacist was a priest, according to R. Q. Richards, president of the American Pharmaceutical Association.

Black Magic
The 24 men who founded the Ph. A. in 1852 were to witness the effect of drugs now commonplace in the modern pharmacy, they'd certain they were seeing black magic or a miracle. Mr. Richards pointed out. "Yet they were among the most accomplished and highly skilled pharmacists of their day."

In contrast to the "shotgun" prescriptions of a century ago which often included a dozen ingredients and required hours for preparation, today's pharmacist has miracle drugs and other "rifle-aimed" specialties that knock out baneful germs and viruses overnight. Yet, paradoxically, even though he seldom manufactures his own drugs and compounding is greatly simplified, the modern pharmacist must have more skill and knowledge than ever before!

Pharmacy Grows
Tracing the progress of pharmacy since the original group organized to combat importation and sale of inferior or adulterated drugs and to raise educational and ethical standards, the A. Ph. A. president reported that the six colleges of pharmacy with a few hundred students that existed in 1852 have increased to 71 with more than 20,000 undergraduates. In contrast to the 6,000 apprentice-trained pharmacists who practiced a century ago, there are now 102,000, the great majority college-trained. And, instead of fewer than 5,000 drug stores, most of them physician-owned, today there are more than 53,000, all with qualified pharmacists.

Ruffles on many seasonal blouses and dresses give away and fray before the body of the garment does. Add new ruffling and increase the life of the clothing and at the same time give it an interesting new look.

Smooth, silky gabardine is tailored by Frank Gallant into a wonderfully wearable suit. The jacket is simple and slightly curved over a slender skirt.

Coffee 'Sneak' Becomes 'Break' in Los Angeles

LOS ANGELES—The first municipal recognition of man's inalienable right to drink a cup of coffee during working hours on the bosses' time is working out fine for both the City of Los Angeles and its 15,000 employees, according to Samuel Leask, Jr., administrative officer.

Los Angeles became the first U.S. city to legalize coffee breaks for municipal workers when it passed an ordinance authorizing employees to take 15 minutes each morning and afternoon at no loss of pay or time to themselves. Previously, city workers had been permitted to take such breaks but the time was deducted from their lunch periods when—and if—employees reported it.

According to Leask, replacement of the coffee "sneak" with the regulated coffee break has been a decided "plus" operation for the city.

"The purpose of making the coffee breaks legal and regulated was to increase work output and thus promote efficiency and economy in the conduct of city business," he said. "After several months of observation, it certainly seems to be working out that way."

"Just like the coffee break in offices and factories, our city rest periods have ended time-wasting 'sneak outs' and other abuses which were costly to taxpayers."

Commuter Snags Train But Can't Hold It

EUREKA, Calif.—Loafers around the railroad station here tell this for the truth. Seems the station agent heard a loud crash on the platform. He ran out and saw the rear end of a train disappearing around a curve. A disheveled gent lay prone on the ground, surrounded by the contents of his banged-up suitcases.

An owl youngster stared at the gent, but made no effort to assist him. "Was he trying to catch the train?" the station agent asked the youngster.

"He did catch it," replied the youngster, "but it got away."

WOMEN WHO COOK ELECTRICALLY KNOW

Electric Cooking is CLEAN

Helps keep your kitchen color-fresh and new-looking longer

It's so easy to keep your kitchen bright, cheerful and color-fresh with clean electric cooking. Electric range surface units provide heat as clean as electric light and transfer it to utensils by direct contact for maximum efficiency and cleanliness. Electric ovens are designed to keep waste heat and cooking vapors to a minimum. Your utensils, walls, curtains, woodwork and venetian blinds stay bright and new-looking . . . with much less cleaning and care. Find out for yourself how CLEAN electric cooking can be . . . and enjoy its coolness, accuracy and better results, too!

For a full measure of cooking pleasure . . . **COOK ELECTRICALLY**

See your favorite electric range dealer soon for the model that's exactly right for your family's needs and budget. You'll find electric cooking one of the nicest things about living better . . . electrically!

Cancer Killer That Spares Life Sought

BERKELEY, Calif.—What would be the ideal chemical to kill cancer cells and at the same time leave normal tissues of the body unharmed?

A new approach to this difficult question will be undertaken by a team of scientists in the University of California School of Medicine, San Francisco, with the aid of a \$10,000 grant from the Damon Runyon Fund.

At the present time the trial and error method usually guides the search for cancer-fighting chemicals. Chemicals are made in the laboratory, then tried on cancerous mice. If they have some effect on cancer, they are then tried on human patients.

There are at present two chief classes of cancer-fighting chemicals.

In each case the chemicals that inhibit cancer growth so far tried have not been able to make a sharp enough distinction between cancer cells and normal cells.

The scientists will study the basic chemical reactions that take place between the chemicals and both cancer and normal tissue.

Their goal is to learn enough about the reactions to be able to write specifications for chemicals that would carry out the desired inhibiting reactions with cancer cells but not with normal cells.

Man Passes 100, Then Sows His Wild Oats

BROOKLYN—When he was 100 years old, Mosha Byron was reprimanded for shooting craps.

When he was 102 he was arrested for practicing medicine illegally.

Recently, he was hauled into court again, this time for cursing a neighbor. He was ordered by a doubting judge to go home and get his birth certificate to prove that he was 108. The judge couldn't believe a fellow so old could stir so much trouble.

New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

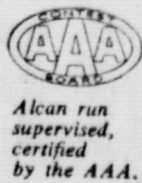

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Alcan run supervised, certified by the AAA.

Proved on the Alcan Highway
Champs of every weight class!

Only franchised Chevrolet dealers **CHEVROLET** display this famous trademark

CONFESSING CHRIST

From Romans 10:9 we learn, "If thou shalt confess with thy mouth Jesus as Lord, and shalt believe in thy heart that God raised him from the dead, thou shalt be saved." The confession of "Jesus as Lord" implies that the person making the confession has accepted Jesus as the Ruler of his life. This means that in all of his activities, both social and religious, he is governed by the teaching of the New Testament.

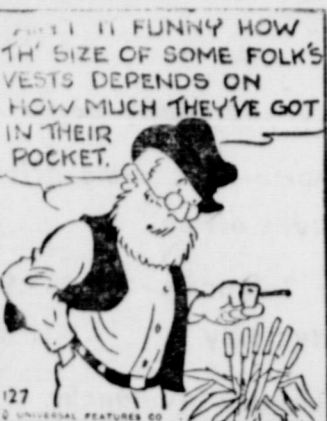

The apostle Paul informs us of certain individuals who professed to know God, but by their works they denied him, being abominable, and disobedient, and unto every good work reprobate. (Titus 1:16) The true Christian realizes that the failure to abide by the teaching of the New Testament is just as emphatic a denial of Jesus as Lord as though that denial was made by word of mouth. He realizes, also that his failure to abide by these teachings will result in him being denied before God. Jesus said, "Everyone therefore who shall confess me before men, him will I also confess before my Father who is in heaven. But whosoever shall deny me before men, him will I also deny before my Father who is in heaven." (Matthew 10:32, 33.)

A consideration of the above facts should create within the heart of every professing Christian a desire to rededicate and reconsecrate himself to the performance of God's will. And it should also cause him to search the Scriptures daily to learn whether or not his manner of life, both religious and social, is in accordance with the teaching of the New Testament. Jesus said, "Not every one that saith unto me, Lord, Lord, shall enter into the Kingdom of Heaven; but he that DOETH the will of my Father who is in heaven." (Matthew 7:21)

1956 more than 900 Texas counties have done something to solve some of their problems. The communities were enrolled in the Neighborhood Progress program and that group interest, and in achieving amazing results in the communities which were on the verge of dying out.

The Agricultural Conservation Stabilization offices in Arizona, Kansas, Nebraska, Nevada, Mexico, Oklahoma, Texas have been designated as live-in points for teams of live-in buyers from Mexico. The teams from Mexico will start in Texas. The program was possible thru an Export bank loan to Mexico for U. S. Cattle.

THE NEW Pontiac is Completely New from Power to Personality!

Fresh from 100,000 miles of road tests, the '57 Pontiac goes on display Friday! Even a brief once-over of Pontiac's sleek new lines tells you that you're in at the start of a styling revolution. And that glistening sheath conceals a carload of engineering "firsts!"—all polished to watch-work perfection in the toughest test ever given a new car.

This '57 Pontiac pounded the road through 100,000 miles of tests . . . through it all Pontiac engineers refined and perfected every feature of this great car.

They made Pontiac's big, new power plant even more efficient than its predecessor, the engine that set over fifty new world records and led all eights in miles per gallon! They perfected the new suspension system, new controls and new Strato-Flight Hydra-Matic* to give you the smoothest riding, easiest handling—and safest—new car ever to hit the road!

See and drive this new '57 Pontiac. Sample in a single mile all that's been proved by 100,000 miles of testing.

AND THE FIRST CAR AT ANY PRICE WITH . . .

STAR FLIGHT BODY DESIGN—a Pontiac Exclusive—longer and lower than ever before—the year's most distinctive new automotive styling.

NEW INTERIOR STYLING—WITH THE "OFF-THE-SHOULDER" LOOK—a fashion "first" for '57—perfectly color-matched with the exterior.

NEW STRATO-STREAK V-8—270 h.p. in Star Chief and Super Chief, 252 h.p. in the Chieftain—with smoother Strato-Flight Hydra-Matic.

CLOUD-SOFT, LEVEL-LINE RIDE—the ride sensation of the year—a new suspension system based on a big 124- or 122-inch wheelbase.

THREE POPULAR-PRICED SERIES—Star Chief • Super Chief • Chieftain.

See America's Number 1 Road Car—On Display Friday!
