**Pink Beauty Makes Bride's Dessert**

Strawberry-frosted white cake gives a glow to a shower for bride.

Refreshments at a bridal shower should be dainty and pretty. A heart-shaped cake iced with Fresh Strawberry Frosting meets these requirements beautifully. If no heart-shaped pans are on hand, bake the batter in round pans. Then decorate the top with heart-shaped designs.

A white cake makes the nicest foundation for this cake. Use your own favorite white cake recipe, or one of the excellent white cake mixes. Fresh Strawberry Frosting beautifully dresses up either one.

The flavor of this tempting frosting is due to the combination of margarine and berries with confectioners' sugar. The margarine also gives the frosting a rich body which makes it hold its shape when spread on a swirl. The crushed berries give a wonderful flavor at the same time that they tint the frosting a delicate pink.

When icing the cake, reserve about 1/2 cup of the frosting to use as garnish. After the whole cake is covered, make a wreath of "leaves" or arrange them in heart shape. Simply dip up some frosting on the edge of a teaspoon, filling the spoon almost half full. With a knife or spatula push the frosting off the edge of the spoon on to the cake. The

frosting makes a sort of raised "leaf." Arrange these "leaves," spoonful after spoonful, overlapping them slightly to make a wreath or a crown. For further decoration, tuck quarters or halves of strawberries between the leaves. It's best to add the strawberries just before serving.

**BRIDE'S SHOWER CAKE**

(makes 2-layer 8-inch cake)  
1 package white cake mix  
Fresh Strawberry Frosting  
1 pint strawberries  
Mix cake according to directions on package. Bake batter in two greased heart-shaped pans, or in two 8-inch round pans. When cake is cool, fill and frost with Fresh Strawberry Frosting.

**FRESH STRAWBERRY FROSTING**

6 tablespoons margarine  
1/4 teaspoon salt  
4 cups sifted confectioners' sugar  
1/2 cup crushed strawberries  
1/2 teaspoon vanilla extract

Stir margarine and salt until creamy. Add sugar gradually, alternating with crushed berries. Beat well after each addition. Stir in vanilla extract and beat until fluffy. Spread on cooled cake. If desired, garnish with strawberries cut in halves or quarters.

**A 'Fresh' Approach to Dieting;  
 Get In Shape for Summer Now**

Fresh fruits and vegetables are among a reducer's best friends! Now that bathing suit season is just around the corner, thoughts are turning to reduction of bulging waistlines. Luckily, it is also the season in which fresh fruits and vegetables are most available. Dieting usually isn't fun. In the final analysis it gets down to plain will power. You just have to want to lose weight enough to give up tempting high calorie foods.

SITTING PRETTY among fresh fruits and vegetables, model Joan Van Pelt illustrates "the shape of things to come."

But instead of dieting—just change your attitude toward food and stay eternally slim! You can do this by substituting high nutrient-low calorie fresh fruits and vegetables for the high calorie foods you normally eat.

Taste is relative. If you like sweet foods, you will crave increasing sweetness in order to find satisfaction. If you decrease your need for sweetness, an apple or orange can taste as sweet as a gooey sundae. You can do this by deliberately substituting a nutritious fresh fruit when you get a yen for a high-calorie block buster.

If you are very much overweight, you should consult a doctor before dieting. If, like most of us, you are just suffering from a little winter puffiness, you ought to be able to fit into those summer suits or dresses by starting proper eating now. Simply increase your consumption of fresh fruits and vegetables, and cut down on the notorious weight-building foods.

**COUNTRY ED.**  
Continued from front page

tin) will find the problem almost cause for "rebellion". Especially will the racial problem be supercharged in states such as Georgia, Alabama, Louisiana.

The likelihood of the Court's ruling being effective for the school year 1954-55 here is remote as the Court has yet to hear problems in court set for next October. Mr. Morris and the local trustees indicated they would wait for a ruling by the State Board of Education.

Having lived so many years in deep east and south Texas, we can picture the upheaval in schools like Giddings, Calvert, Caldwell, Hearne, Bremond, etc. where the Negro school population is very large indeed.

The white South's real aim in past segregation has been to keep from sliding into a position of being a minority race in a sea of "blacks" and keep a bluff on the Negro for political and economic advantages.

We doubt if there are many Southern Negroes of responsibility in Texas who welcome this decision as one of IMMEDIATE execution . . . rather he would see his race grow into added responsibility which it is doing . . . rapidly. The big push of the Negro's climb up the democratic ladder in America has come from smartypants Yankee Negroes and politicians (some in Texas) who covet the very large potential Negro vote.

As in any general sampling of population, there are to be found a few bad specimens. A good American will not measure the many Negroes by the few who are a discredit to the many.

We like Negroes. As a child we had for many years a Negro man of advanced age as a personal nurse. Uncle Dan was a playmate, dad and mother rolled into one. Since then some of our BEST friends have been Negroes . . . the lovable Southern variety. They are far more loyal, generous, unselfish and religious than many races the white people "accept". They are splendid cooks, good athletes, good students and one of the most musical races on earth. They have some strange ways that you may not understand such as "borrowing" what is not theirs and they seldom bother with marriage or divorce - or at least a generation ago.

Something of the old South will be gone with the wind when the Negro is equal . . . and doesn't belong to a white family . . . as a child belongs to the family circle.

Such is progress . . . but we are too old now to approve with our heart . . . our mind tells us the decision is just, however. If we were a Negro like Uncle Dan . . . we would weep . . . for equality has replaced LOVE.
