The finest ride
you've ever known

You get the solid quality of Body by Fisher.

... starts with the wonders of wide-track wheels

ONLY CAR WITH WIDE-TRACK WHEELS

... acclaimed by experts as the year's top engineering advance! The wheels are moved out 5 inches for the widest, steadiest stance in America—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. Pontiac gives you roadability no narrow gauge car can offer!

You've never known a car to ride so smoothly or handle so surely ... because no car was ever built like this before. And that wide, solid stance is only the beginning. Engineering's hottest team really poured it on to produce this one for you: There's a great new Tempest 420 engine to give you the most breath-taking performance on wheels ... or, if it's extra economy you're after, Pontiac has, at no

extra cost, a new V-8 companion, the Tempest 420E, that actually delivers better gas mileage than many smaller cars with so-called "economy engines." There are great new True-Contour Air-Cooled Brakes for smooth, safer stops. And inside, seats wider than a sofa! Come on in and see for yourself. And remember, your quality Pontiac dealer displays the manufacturer's suggested retail prices on every new Pontiac!

PONTIAC MAKES V-8 HISTORY! A Pontiac Tempest 420E has set a NASCAR sanctioned and supervised 2,442 mi. coast-to-coast economy mark on regular gas—only 1 1/2¢ per mile at an average speed of 40.2 m.p.h.!

PONTIAC! America's Number 1 Road Car!
3 Totally New Series • Catalina • Star Chief • Bonneville

Scientists discovered the Navy-built base in Marie Byrd Antarctica, sits on ice 7,500 feet thick.

Pocket-size television and smaller, better radio production as the result of transistor discoveries by the at the Naval Ordnance Lab Silver Springs, Md.

Old Stove Round-up!

- BETTER VALUES...
- BIGGER SELECTIONS...
- HIGHER TRADE-INS...

There's no time like Old Stove Round-up time for takin' action on yer cookin' problems. Be you good cook or bad ... there's a better way to up-grade yer meals than with a new, completely automatic Gas Range. Outside of openin' cans and prepared-food packages, there's hardly anything to do 'cept throw it on and fergit it. The range does all the thinkin', watchin' and timin', and you'll be pleased as punch at the results. And say ... these new Gas Ranges shore are purty as a picture. Ma'am ... I just know you'd be proud as a peacock to own one. Better mosey down to yer dealer's and look 'em over.

While there, be sure to see the many special values on new Gas Clothes Dryers, too, and ask about the big Bonus Offer available to every new appliance purchaser.

A subject of increasing importance
 and interest, egg value, is the
 theme of a new bulletin, B-909, re-
 leased by the Texas Agriculture Ex-
 tension Service entitled "Know Egg
 Values."

Lawns, which receive proper care
 at this season, will remain green
 longer and will grow off earlier
 next spring, says E. M. Trew, exten-
 sion pasture specialist. A primary
 consideration should be the applica-
 tion of fertilizer.

Increased milk profits may be
 expected when dairy cows are fed
 all of the good roughage they will
 eat, advises A. M. Meekma, exten-
 sion dairy husbandman.

The air-sea base now being built
 at Rota, Spain, by the U. S. Navy
 will be the largest American naval
 facility in the European - African
 area.

The application of nitrogen at
 planting time in the fall will in-
 crease the grazing value of small
 grains and step up forage produc-
 tion during the fall and winter mon-
 ths, says W. F. Bennett, extension
 soil chemist. He suggests a visit with
 the local county agent for details.

Research work done in California
 indicates that additional cattle gains
 may be expected when cattle in feed-
 lots are given shade. U. D. Thomp-
 son, extension animal husbandman,
 believes the research findings would
 also have some application to
 cattle on pastures or ranches.
 One of the best shade materials
 studied was brush arbors.

One of the world's largest testing
 tanks is located at the Naval Or-
 dnance Laboratory, Silver Springs,
 Md. The huge vertical pipe holds a
 million and one-half gallons.

The Great Chicago Fire of 1871-
 the Hartford paid thousands
 of claims promptly and fully

Service is a tradition
 in our business

When losses occur, what
 policyholders want most is a
 prompt claim settlement.
 That's the cornerstone of

TOP TV-The Dinah Shore Chevy Show-Sunday-NBC-TV and the Pat Boone Chevy Showroom-weekly on ABC-TV.

The 4-door 9-passenger Kingswood with rear-facing back seat and automatic rear window

Be our guest for a pleasure test . . .
THIS IS THE ONE FOR WAGONS! 1959 CHEVY
 Chevrolet's five stunning
 new station wagons for '59
 are shaped to the new
 American taste with fresh,
 fine Slimline design. And
 they're beautifully practical
 -with roomier, quieter
 Bodies by Fisher, an even
 smoother ride, new ease of
 handling!
 Wagons were never more beautiful or
 dutiful. From low-set headlights to
 wing-shaped taillights, these '59 Chev-
 rolets are as sweet looking as anything
 on wheels. They're just about the
 handiest things on wheels, too—from
 their overhead-curving windshield to
 their longer, wider load platform.
 Besides additional cargo space, you
 also get added seating room (4 inches
 more in front, over 3 inches in back).
 And you'll find such other practical
 advantages as new easy-ratio steer-
 ing, Safety Plate Glass all around,
 bigger, safer brakes, smoother-than-
 ever Full Coil suspension and a roll-
 down rear window (electrically oper-
 ated as standard equipment on the
 9-passenger Kingswood). Your dealer's
 waiting now with all the details on
 why this year—more than ever—
 Chevy's the one for wagons.
