

Folks You Know

We wish that West Texas fall weather could be bottled and sent back to South Texas. Should make quite an impression down in the swamp root belt. We are entering the most delightful season of the year with nites just cool enough for light covers. The mornings with just enough nip for zesty living just enough for zesty living just enough for zesty living...

Mr and Mrs. James Wiese and children of Odessa visited with Mr. and Mrs. Glen Gibson Sunday

Phil Bairington spent several days last week in a Lamesa hospital with pneumonia.

Mr and Mrs. Earl Seay and family and Nancy Gail Everett spent week end in Midland.

Mr and Mrs. L. E. Robinson of Lamesa visited here Sunday.

Mr and Mrs. Sam Singleton and Mr and Mrs. L. L. Birdwell returned Sunday from a fishing trip to Possum Kingdom.

Mrs. Ted Gillespie of Levelland is visiting Mrs. J. P. Bowlin.

Mrs. H. C. Warren spent the week end with her daughter and family at Hobbs, N. M.

Mr and Mrs. C. C. Casey of Plainview spent Sunday with her mother, Mrs. L. A. Nichols.

Grandma McKenzie of Plains is visiting Mr and Mrs. Pete Page.

Mr and Mrs. Kenneth Sutton had as guests for the week end his sister and family of Odessa.

Mrs. Ted Gillespie and Mrs. J. P. Bowlin visited the Bill Orsons Sunday nite and Monday.

MEETING NOTICE The Good Neighbor Club will meet Thursday afternoon of this week with Mrs. Mildred Furlow at 2 p. m.

Mr and Mrs. B. E. Foreman of near Plainview were Sunday visitors of Mr and Mrs. McGee of the Harmony Community.

Mr and Mrs. A. H. Boales and family of Brownfield visited the C. Boales family Sunday.

Mr and Mrs. Joe Eakers and Dr. Joe Lehman visited in Dallas last week with C. Boales accompanying them as far as Ft. Worth.

Mr and Mrs. Ralph Lindsey of Lubbock spent week end with her father, Buster Henry.

Madams Vera Vaughn, Ethel Carroll and Myrtle Thompson attended a tea in the home of Mrs. B. S. Burks Sunday p. m. in Lubbock honoring Lillian Bernard and Flora Best Boon.

JUDGE CAN'T SEE BEAUTY IN AN AIREDALE; CAN YOU?

The Junior Friends of the O'Donnell Methodist Church enjoying a fun-packed pet show and bake sale Saturday morning on lawn of the church with more than 30 assorted pets including horned toad, cats, ponies, dogs, duck, rabbits and chickens. Robbie Hale took first prize with a Chihuahua and 2nd to Sherry Harris for a matron dog and a litter of pups. Sue Lott took 3rd with a pony wearing a straw hat. In connection with the event a bake sale was held which netted about \$25. Included in the bake sale were the usual cakes, pies, candy, etc. contributed by parents of the children. Workers of the group includes Rev. and Mrs. H. A. Longino, Mrs. Frankie Cook, Mrs. C. W. Stubblefield and Mrs. S. M. Clayton, Jr. Supt. John Morris did the judging (which aint no position to win friends and influence small fry. The Ed's prized Air Mail dog got what Patty gave the drum!)

Look Who's New

Congratulations to Mr and Mrs G. R. Pearce of Notrees on the arrival Sept 16th of a fine baby boy weighing 6 lb 12 oz and named Cecil Kent. Mr and Mrs. Pearce formerly lived here moving away about a year ago.

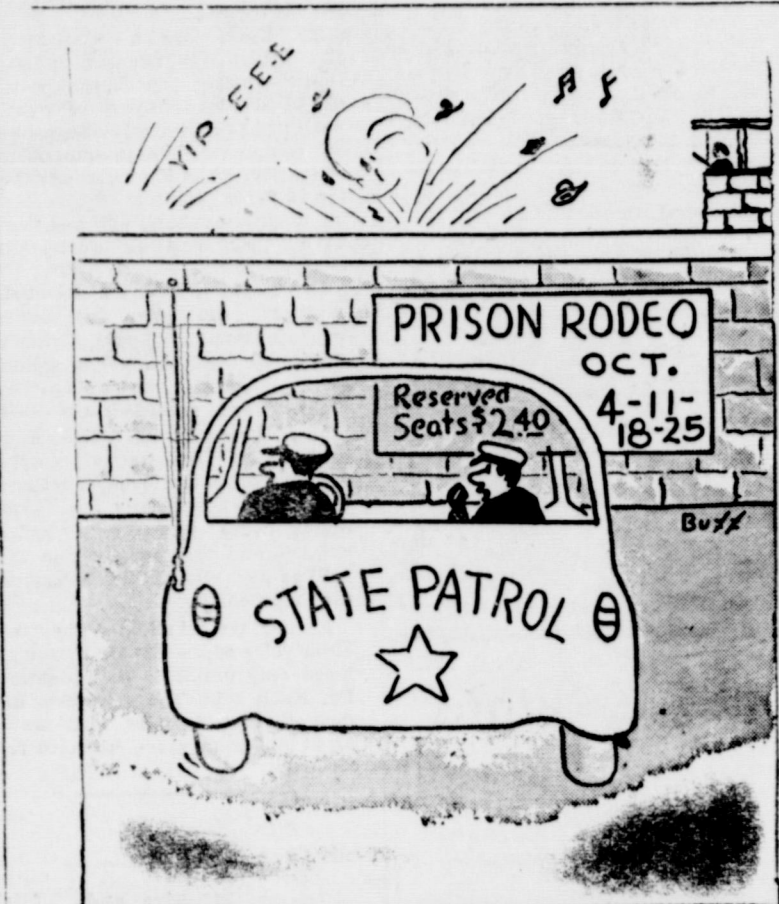

Congratulations to Mr and Mrs John R. Towles of Perryton on the arrival of a fine 8 lb girl born Sept. 17th. Grandparents are Mr and Mrs Jake Gates.

MRS HOLTZCLAW WEDS

Mrs. Opal Holtzclaw of here and Ray Nevill of Tahoka were wed in Clovis, N. M. recently. They were accompanied to Clovis by Mr. Nevill's mother and by Mrs. Holtzclaw's daughter and husband, Mr and Mrs Fannon. After the wedding the couple proceeded to Flagstaff to visit sisters and relatives of the groom. Mr. Nevill is a veteran of World War II and he is a carpenter. The bride is a long time employee of the O'Donnell Telephone Co. and will continue in that position. Our best wishes.

Attending the birthday celebration of P. A. Mansell Sunday were the following members of the family: Mr and Mrs. J. E. Mansell of Rochester, Mr and Mrs W. J. Bragg of Rochester, Mr and Mrs G. L. Sutton of Lubbock, Mr and Mrs T. J. Mansell of Ballinger, Mr and Mrs. Ralph Caldwell and family of Odessa, Mr and Mrs. Paul Mansell and family, Mr and Mrs. C. A. Doss and family, Mr and Mrs. Claude Bloodworth of Ft. Worth and Mr and Mrs. C. A. Mansell of Ft. Worth.

Eagles Set For Tahoka Here Friday Nite

"Riot? - Heck no, Chief; that's the crowd at the Rodeo here in Huntsville!"

'39 Club Opens Year

The 1939 Study Club opened their club year with a breakfast Wednesday, Sept. 16th with Mrs. E. T. Wells as hostess and assisted by Mrs. Earl Gillespie and Mrs. Roy D. Smith. Mrs. A. H. Koeninger, president of the club, was in charge of the program. The study theme for the year is "Our American Heritage". Mrs. Koeninger gave an interesting and instructive presidential message. Mrs. J. L. Shoemaker, jr. presented the year books. The next meeting will be Oct. 7th in the home of Mrs. Ben Moore, sr. and the study period will be devoted to the American Indian

Mr and Mrs. J. J. Hodnett and Miss Florence Carpenter visited Mr and Mrs. Owen Egger at Plainview Monday.

James Mack Noble III reported at Lubbock Thursday to take his physical for induction into the Armed Forces.

SERVICE GUILD MEETS

The Wesleyan Service Guild met with Mrs. H. A. Longino Thursday nite. The program included reviewing the duties of the officers. Refreshments were served to the following members: Madams: Sutton, Farrington, Everett, Sanders, Line, Gibbs, Townsley, Harris, and the hostess, Mrs. Longino.

CARDS TO SELL

The Assembly of God Ladies have Christmas cards to sell. Contact the parson's wife, Mrs. H. C. Lonis at the parsonage; Mrs. Peck the same line of cards as Mrs. Peck sold. Thank you, Mrs. Lonis.

CRUSHED ICE AT JACKSON'S DRIVE IN CAFE

Mr and Mrs. Jesse Murphy of near Plains and Mr and Mrs. Lon Light of Seagraves spent Sunday with the J. F. Rogers, jr family

Mr. and Mrs. Paul Turner of near Plainview, formerly of New Moore, are the proud parents of a fine baby girl born Sept. 14th and named Bobby Jo.

Will sell Sudan bundles or will trade for stock trailer. Valton Harris, Rt. 1 2tp

DOES LIFE BEGIN AT 80

The people around New Moore have begun to wonder if there is not more truth than poetry in this old saying. J. F. Rogers, sr., better known as Uncle Frank, saw his 86 birthday Sept. 18th. Despite the years, he is quite an active old gentleman. Although the drouth has not permitted him to have a crop on his farm, there has been a pretty good growth of weeds. That Uncle Frank won't have! There has not been many days since the weeds began to peep out that he hasn't been out bright and early after them. You won't find a cleaner piece of land around and he and that hoe of his has played the leading role in keeping it that way.

Uncle Frank has been thru drouths before and he says this one is not going to get him down. Oh, yes, his 13 children and others around think it foolish to see him out in the heat of day - chopping weeds, but we wonder if his active life hasn't had something to do with his long years of living. Thou his life has been a lonely one since his wife passed away two years ago, he has managed to stay busy and seems happier that way. So here is wishing him many more active years and again we wonder: "Does Life Begin At 80?"

T. M. Wilson Is Claimed

Funeral Services for T. M. Wilson, age 77, who died in his home Sept 15th at Seagraves, were held Wednesday afternoon in the Seagraves Church of Christ. Officiating was Minister Lilly. Burial was in the Seagraves Cemetery.

Mr. Wilson was a pioneer Lynn Co. resident moving here in 1914. For a number of years he was a butcher and later he farmed. He moved to Seagraves about 7 years ago in 1946. He had been in poor health for a number of months.

Surviving are his widow, Mrs. Albanie Wilson, three daughters, Mrs. Ruby Russell of Torrance, Calif., Mrs. Herbert Royce of Seagraves, Mrs. Claude Chairs of Dallas; one son, T. J. Wilson of Bakerfield, Calif., five grandchildren and two great grandchildren. He has two brothers, Carl Miller of Hobbs, N. M. and Esten Miller of Colorado City and one sister of Ballinger.

Mr. Wilson was one of the most popular and likable citizens to ever lived here and his passing is mourned by all who knew and loved him. Our sympathy to his loved ones.

Reunion Date Set

The second annual reunion of former residents of Henderson Co. will be held Sunday, Sept. 27th at McKenzie State Park in Lubbock. Each family is to bring a basket lunch. It will be an all day meeting with lunch served at 1 p. m. Signs will be posted at both entrances to direct you to picnic area. Mrs. H. T. McKissock, Sect'y.

Finish Project

Approximately seven months of extensive work by Texas Electric Service Company personnel culminated in the recent completion of the 22 KV (22,000 volts) line extending from Lamesa to O'Donnell. Announcement is made by James H. Lemons, local TESCO manager.

The line, formerly 12 KV, was changed over for the approximate cost of \$100,000 and is a part of the \$73 million expansion program for 1953-54, originally made known by J. B. Thomas, TESCO president.

According to Mr. Lemons, better voltage regulation will result from the line change over, and by increasing the voltage, the load capacity of the line is approximately doubled.

12 Crews Work On Job

Some of the work involved in the voltage increase included the changeout of about 165 transformers between Lamesa and O'Donnell the installation of three 22 (12 KV 3 phase transformers located at Lamesa, O'Donnell and Welch; reinsulation of the line and the transfer of the 12 KV regulator from Lamesa to O'Donnell. This work was accomplished by 12 crews from the Lamesa and Big Spring distribution offices.

Appreciation is expressed by Mr. Lemons for the cooperation of the residents of O'Donnell during the power interruption made necessary by this change over.

Good Game Expected

The great event of the year will be here, drouth or not, Friday nite when the annual Bulldog - Eagle social will unroll to band music, yells and gnashing of teeth and... We hope... real hustle by both teams in a good, clean pigskin classic.

Last Friday the Bulldogs bit Denver City Roughnecks and are rated one of the better teams in their AA district. The Eagles have lost both games this year but in the Post game they looked like a NEW team. On paper, and perhaps in the final score, the Bulldogs are top heavy favorites.

However, of all sports, football is best known for upsets. With spirit, fight and some breaks, we can't help but see the Eagles... by an upset. O'Donnell is determined to win even if we have to use the Gail team, the Lamesa team and Coaches Robertson and Reddell in line and Bill Gravitt would look good in backfield running Oklahoma plays.

Tahoka rates your ed. as a good sports writer with a season pass; O'Donnell school says we aint so hot so we'll take a dollar from piggy bank like you and be there.

PTA Has Open House Tuesday Nite

Tuesday nite a large group of school patrons, parents, children and teachers enjoyed the first PTA meeting of the year when the PTA held open house at the school. The school band played and later the parents visited in the home rooms of their children. A number of New PTA members joined at the meeting. Mrs. C. R. Burleson, jr. is president of the organization and she looks forward to a very active program of school improvement

Eagles Win Moral Victory

A surprisingly improved Eagle team fought on even terms for 3 periods at Post last Friday nite before a 4th quarter fumble gave the surprised Post Antelopes a 13 to 13 win over O'Donnell in a non conference but traditional game.

All who saw the game said the Eagles outplayed Post. Compared to the Meadow game, the Eagles made a remarkable improvement.

Post took a first period lead as Q. B. Moody Graham slipped across the double chalk after H. B. D. Bruton set up the ball with a 32 yd. run to the 8. In the 2nd go round the red hot Eagles scored twice. After taking the ball on the Post 14 when a wind blown punt back fired, H. B. Red Rains went all the way. Later in the period a fifty pass from Q. B. Derry Moore to end J. Worthington was good for 23 and the 2nd Eagle t. d. Rains ran the extra point over.

The game was tied in the third when HB Chas. Chandler of Post intercepted one of Derry's passes on Post's 20 and raced 80 yds. T. Murry converted to tie game 13 all.

The deciding score came in the last go round when the Eagles were back on their own 2 and Moore dropped the pigskin behind the goal. End N. Williams of Post covered the slippery ball for Post to give them a freak victory. High winds of a fresh Norther didn't help either team.

So long as the Eagles play this brand of ball, the fans want care if we loose all the games of the season.

Barton Gets First Bale

Amos N. Barton who farms on an irrigated place on the Gum Minton farm about 1 mile east of town, got O'Donnell's first bale of 1953 season last Wednesday, Sept. 16th. The bale weighed 650 lbs. and was ginned at Farmer's Co-op here. There was 2130 lbs of seed cotton gathered from about 4 irrigated acres with 940 lbs of seed, \$200 in premiums was made up by local business men with Mayor L. J. Hash and C. N. Hoffman soliciting the premium for the award.

The bale will be sold Saturday at 3 p. m. with Jess Merrick doing the Auctioneering.

800 Bales This Year?

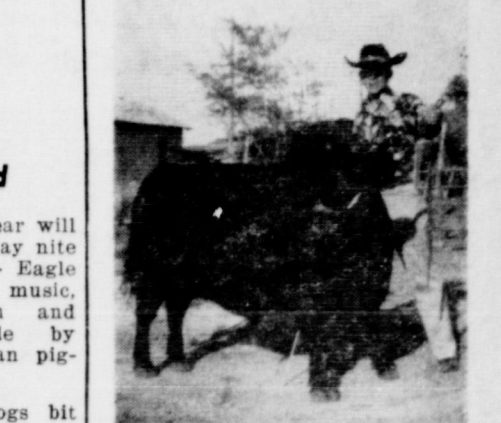

Talking with ginners and farmers, we believe the town will gin about 800 bales compared to 6,000 bales last year. There are as estimated 600 acres in irrigated cotton good for at least 600 bales with about 930 dry land acres in cotton good for not less than 200 bales... probably more.

Two gins will operate out of the 7 gins in town; others may open later.

Needs A Drink

Grain is holding on but Clyde Fannon says "It sure needs a drink". The 2 inch rain of early September is gone, farmers say. More rain and the date of frost still leaves the grain situation uncertain locally, but chances for an extra good grain crop are gone.

Edwards Set For Show Circuit

Wendell Edwards, on of Mr and Mrs. Clyde Edwards has an interesting as well as a profitable hobby, that is, raising sheep and registered Angus cattle.

Wendell will show the above 1110 B 15 month old Angus calf at the Heart of Texas Fair Sept. 26 thru Oct. 4th at Waco and at the Dallas Fair Oct. 16th thru Oct. 26 th. He graduated from high school last spring and plans to enter Tex as Tech in the spring.

Wendell is known more widely over West Texas for his registered sheep and he has taken awards in the show circuit.

Mr and Mrs. Mack Haymes visited in Plainview over the week end.

Mr and Mrs. Elvin R Moore visited their uncle and aunt, Dr. and Mrs. Berry Squaires in Bowie last Thursday.

Sunday guests of Mr and Mrs. Guy Bradley were Mr and Mrs C. A. Massey of Tullia. Mrs. Etta Abernathy who has been visiting there returned home with them.

Mr and Mrs. Tom Vandell visited relatives in Brownfield Sunday

Mr and Mrs. W. T. Bentley of Austin visited in the home of Mr and Mrs. E. C. Harris.

Mr and Mrs. C. E. Sutphen of Andrews visited their daughter Mr and Mrs. James Reed Sunday.

Mrs. H. Kenley of Lubbock is spending this week visiting her son Mr. and Mrs. Luther Kenley

Mr and Mrs. E. E. Gleghorn and children of Lamesa spent Sunday in the R. O. Lane home.

Mrs. H. A. Longino, Mrs. Paul Gooch, Mrs. Wilbur Line and Mrs. Ervin Jones attended the district Guild meeting in Denver City Sunday.

MRS. JOHNSON WEDS MR. SELF

Mrs. Claude Johnson of Tahoka and Roy Self of West Point were united in marriage in Lovington, N. M. last Saturday morning and returned to Tahoka the same day. Mrs. Johnson has been living at the old W. J. Crouch home with her brother, Herman Crouch, the past few years and Mr. Self is an employee on the Mrs. W. D. Norvels ranch near West Point.

Mrs. Johnson's maiden name was Velma Crouch being a daughter of the late Mr and Mrs. W. J. Crouch. Her late husband, Claude Johnson was deputy sheriff in O'Donnell for a number of years. He was killed four years ago on the square in Lamesa while arresting a criminal.

Mr and Mrs. Zanzant recently attended the wedding of their grandson in Houston.

Mr and Mrs. Joe McLaurin of Ruidoso visited here last week.

Lifetime Now At 70

As the life span of man increases more attention must be given to the diseases that occur more frequently among those over fifty, declares Dr Geo. W. Cox, State Health Officer. Most retirement plans set age 65 a ripe time to quit work. This has given rise to the misconception that when a person reaches that age he is unfit for gainful employment.

Such an indictment fails to recognize experience, ability, training and capacity which may be far superior to younger groups and will only add to the relief rolls thru out the country. The later years of life can be productive and the employment of such persons can do much toward solving the economic and social problems of this age group.

Special attention must be given by physicians and public health personnel in preventing chronic illness such as arthritis, cancer, heart disease and senility, says Dr. Cox.

Non medical problems are acute because of inattention. The value of older workers must be recognized or the problem will become greater each year.

Methods of prevention by immunization, sanitation, personal hygiene, and treatment all combined have proved that communicable diseases can more or less be controlled. It is this work that has made possible the expectancy of life at birth to be 70 years and far beyond. Now similar work and research is necessary in order that those reaching old age can be gainfully employed and enjoy their latter years free of many of the chronic illnesses.

Mr and Mrs. Walter Teeter are moving to Mulshoe this week where Walter has a sweet shop. Also moving this week was Mrs. E. Clemage to Earth with her dry goods store

Letters To Editor

Dear Sir, I am serving a two year term in Texas Prison, Huntsville on a \$50 worthless check. I will have 6 months up on my term in November. As I will be eligible for parole in November, my case is to be reviewed in Austin at the Board of Pardons and Paroles. Providing they make a favorable recommendation for a parole, I could get out if I had a job and a place to live. Perhaps you may be able to assist me by getting me a farm job. I have a family, and am 22 years of age and am experienced in farm work. I would sign a contract for 1 or 2 years on the farm. Ed. note: any farmer interested in this youth may have the original letter by dropping in at Index)

Gail Tops Loop

Friday nite in a home game, Gail walloped Loop 46 to 0 in the season's opener. Some 13 boys are on the team. Paul Mosley of Cisco Jr. College and McMurry, is coach and Eddie James of Sul Ross is the assistant coach. All of Gail's home games will be at night under the lights which have recently been installed. Seats will be added in the future. On the team are Marvin Franklin, 127, Jerry Smith, 154, Jim Cary, 197, Shory Farmer, 167, Borden Reeder, 162, Larry Smith, 131, Donald Reddell, 156, Richard Zedlitz, 157, Lonnie Doyle, 191, Mike Smith, 114, E. L. Franklin, 159, Glen Kingston, 129, and Alvin Branshaw, 122. All but Marvin Franklin, Cary and Bradshaw were members of the squad in 1952.

Dale Karpe has entered Texas U. for his sophomore year. He is a pre-medical student.

Miss Virginia Sanders is again attending North Tex. State at Denton.

Dave Taylor Is Death Victim

Funeral services were read last Friday for David Wayne Taylor, 61 at Spur. He had lived here with his sister and family. Mr and Mrs. Bob Goughly since 1945. He was a former resident of Spur and died last Wednesday in a Temple Hospital after a 6 month illness. He had lived in Spur 30 years before moving to O'Donnell. Among the survivors are his widow, Mrs. Ida Mae Taylor, one daughter, Mrs. Dorothea Graham of Hawthorne, Calif., one son, Eugene Taylor of Gardena, Calif., and two sisters, Mrs. R. E. Goughly of here and Mrs. Mamie Redmond of Houston.

Special event for the Rex Thea re showing Friday and Saturday, Oct 2nd and 3rd. You've never seen such a picture like "SHANE", the finest Technicolor Western ever made.

Rotary Club To Lubbock

The O'Donnell Rotary Club was guest Tuesday nite of the Lubbock Rotary Club. Senator Lyndon Johnson was the speaker for the Inter-city meeting. Those from O'Donnell enjoying the chicken barbecue were: S. M. Clayton, Jr. E. T. Wells, John Morris, Jimmy Lemons, Truett Hodnett, Harvey Line, Phil Raught and Ross Stark.

**Telephone Man**  
**HOMER, N.Y.**—When Denis Hartnett, local telephone installation and repair man retired recently, there were many words of praise and affection for him.  
 A local business man asked the newspaper here if he could run an ad about Mr. Hartnett as a tribute to 45 years of faithful service to the community. The advertiser was the proprietor of a real estate agency.  
 The ad ran in part as follows:  
 We have known you, Deny Hartnett, thru all these 45 years of splendidly rendered service to the local telephone companies and to their patrons.  
 Your accented, booming, happy tone of big-hearted, courteous, good nature has been of great value to us, to your telephone company, and to thousands of individuals through the years.  
 If, as we believe, "real friends and their appreciation makes one rich" when we know of no one who is wealthier than you, Deny.  
 We thank you, Deny Hartnett, and may future joy and comfort "ring you up" for many healthy years to come and your priceless laugh continue to echo happiness.

**No Skeeters Pester Ormond Beach, Fla., After Experiments**

**ORMOND BEACH, Fla.**—There are no mosquitos left in this small village, reports Dr. Morton C. Kahn, Cornell university medical college professor.  
 Last spring, the insects were so thick in town that the residents dared venture outside only when it was necessary. Mayor Leo Foley heard of Dr. Kahn's experiments and invited the professor to help Ormond Beach rid itself of mosquitos. Dr. Kahn promised to experiment.  
 Dr. Kahn took his assistants, Dr. William Offenhauser Jr., Dr. Daniel Alvarez and Edward Berg, all of the department of public health of the medical college, and his equipment. The equipment, on which Dr. Kahn has been working for 14 years, consists of a recording device, a phonograph and loudspeaker, and an electrically charged grill.  
 In Ormond Beach the scientists captured specimens of aedes triseriatus, bothering Ormond Beach by day, and aedes sollicitans, bothering the village by night. They recorded the low-pitched love cry of a female of each insect. Then they set up the grill in front of the loudspeaker and turned the electricity on. Mosquitos were lured from miles around, and they perished on the grill as they plunged headlong into the loudspeaker.  
 Earlier tests indicated that the siren voice of the female mosquito lured only males to their deaths. Dr. Kahn said. The new tests indicated that females also were lured by female mosquito voice recordings.  
 A cheap, effective and fairly easy to apply formula for controlling the spinose ear tick has been developed by the USDA. Crude cottonseed oil, kerosene and lindane are used in the mixture.

**Campaign Is On To Teach British How to Drink Tea**

**LONDON**—A campaign is underway to teach the British how to make tea. Some tea producers think the British have lost the art. The world's big tea producers are worried about this loss. They blame the niggardly use of their product for the lack of excellent cups of tea in Britain and for the drop in the tea business.  
 The tea moguls, owners of huge plantations in India, Ceylon, East Africa and Indonesia, say a dozen years of rationing have knocked the know-how out of British tea-making.  
 They say the art has become so lost that a whole generation of Britons has never had a decent cup of tea.  
 Through their London-based tea bureau the tea men have just finished a survey showing that a lot of British youngsters don't drink tea any more. The reason—British mothers just don't make it right.  
 The main trouble seems to be they don't put enough tea in the pot. And some don't even use a pot—they dip little bags of tea into the cup, American-fashion. To old-style tea-drinkers this is as horrifying as drinking it from the saucer.  
 To put things right the Tea Bureau has launched a king-sized campaign to put Britain back to these golden rules:  
 (1)—Use a pot—china or earthenware and warm it—first.  
 (2)—One spoonful of tea for each person plus one for the pot.  
 (3)—Bring fresh cold water to the boil—but don't let it boil too long. Pour it on.  
 (4)—Let the pot stand five minutes.  
 To get the greatest total production of forages containing the highest percentage of protein and minerals and the longest grazing season, the planting of a combination of a grass and a legume is recommended for the winter pasture.

*A message to every prospective new car buyer:*

**You can have**

**the most popular automatic transmission to be found in any low-priced car**

**Chevrolet's Famous 1953 Powerglide!\***

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

**Much More Economical**  
 Chevrolet's 1953 Powerglide Automatic Transmission—teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you *entirely new operating economy* in city driving and on long trips.

**Far Livelier Getaway**  
 Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in *seconds*.

**Important New Gas Savings**  
 You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a more efficient use of engine power, make it extremely thrifty.

In fact, bring you the most important gain in gasoline economy in Chevrolet history.

**Great New Passing Ability**  
 The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

**Smoothest No-Shift Driving at Lowest Cost**  
 Driving is almost incredibly easy, changes of speed almost unbelievably smooth... for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

**Safe Eyes-on-the-Road Driving**  
 Safety is served in *many* ways. And one of the most important, perhaps, is that Powerglide permits you to *concentrate* on driving. You can keep your hands always on the steering wheel and your eyes always on the road.

**Full Engine Braking-Power on Hills**  
 Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

**Rock Out of Trouble**  
 Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

**Push-Proof Parking**  
 Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

**Time-Proved, Owner-Proved Dependability**  
 Come in. Drive a Chevrolet with this finer, more popular automatic transmission. *Test it and you'll want it.* It's time-proved, and road-proved by hundreds of thousands of owners, in over a billion miles of driving.

**MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!**

**CHEVROLET**

**ELLIS CHEVROLET CO.**  
 Chevrolet Sales and Service  
 O'Donnell, Texas

\*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and "Bel Air" models. Power Steering available on all models.

**HIGHER YET?**

PRICES and the cost of living are out of this world. Your home and everything in it is worth more than ever before.

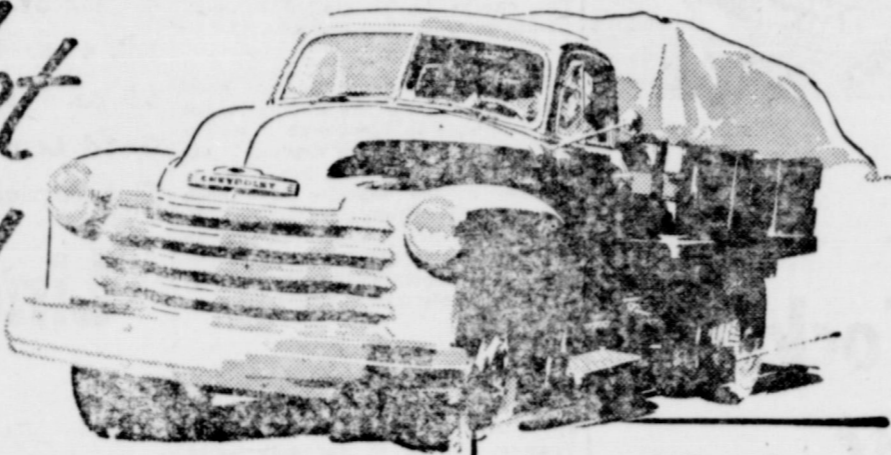

Will Values go ever higher?

Nobody knows... but we can tell you this: unless your insurance has kept pace with your growing values, you are wide open to loss. Ask us for a protection check up.

### Jr. Friends Meet

The Intermediate group of Junior Friends met in the Fellowship Hall at Methodist Church with 11 members present Monday afternoon. The meeting opened with singing followed by roll call with members giving a verse from the Bible. This was followed by parables of The Prodigal Son; The Lost Sheep; and The Good Samaritan. The stories were told by Sue Lett, Sarah Prather and Lonny Brewer. Parables were assigned for the next meeting. All children of intermediate age are invited to attend.

### Brownie Leaders Meet

Brownie leaders for the year met in the home of Mrs. Sumner Clayton, Jr. Tuesday afternoon to discuss and plan the program for the year. Present were: Mrs. Joyce Stubblefield and Mrs. Elvin Moore, leaders of Troop No. 1 and Mrs. Joe Harris and Mrs. Hale, leaders of Troop No. 2 and Mrs. Darius Sumrow and Mrs. Hendon, leaders of Troop No. 3.

The first Brownie meeting will be Friday Sept. 25th. Brownies are to meet immediately after school at the Methodist church. Members of Troop 3 and 4 will be 3rd and 4th grade girls who ride the bus and will need to make arrangements to get home if they plan to be Brownies.

### THE COUNTRY ED . . .

dod of man. Again we read in the daily paper of a proposed flight to Mars. The perfection of the stars and the planets and their split second timing. Then again we read in Reader's Digest of a new theory of death and life after death. We urge our readers to read "There is No Death".

Which brings us to the meat of our thoughts. The fact that man can read and write. Our younger son entered the first grade this year and the elder boy is in the 5th. Both have begun, or are beginning to master the difficult art of reading and writing . . . the KEY to civilization.

Without the written word, each generation would have to work out the problems and facts that past generations have solved. With the written word and recorded works of science and art the learning process is progressive and the youth of today uses the experiment of past years to make his new discoveries of today and tomorrow. Our blessings are on the teachers of the grade school. . . teachers of reading and writing. Let us not forget to guide our children toward reading GOOD books and GOOD magazines.

Let us not fall victim to the entertainment of the oral and visual word of T. V. and radio and have our children miss the wealth of being able to read and UNDERSTAND what you read.

If we had to lose all but one of hearing, speech, sight, taste and feeling . . . we take sight . . . to Read! Would you?

Dues are one dollar per year; uniforms may be bought at Hemphill-Wells in Lubbock but are not required.

If you wish your girl to become a Brownie, remind her to come Friday, Sept. 25th. The organization is sponsored by the 1946 Study Club. Mrs. L. G. Schuessler is club representative for the Brownie organization and Mrs. S. M. Clayton, Jr is counselor. Mothers are cordially invited to visit the Troops at any meeting. The group needs your interest and support.

### NEW MOORE CLUB FORMED

The New Moore Civic Club met with 12 members present. They cleaned the club house and then visited awhile. Everyone enjoyed the meeting. The club will meet Thursday of this week to discuss yard work and set the regular meeting date. Everyone is invited. "Let's make a better community for our young folks."

### Gas Deposits Are Returned Here

Distribution of approximately \$1 million in cash to residents of the Panhandle, Plains, Permian Basin area is being made by West Texas Gas Co. in the return of all meter deposits to the company's 85 thousand customers. P. C. Raught, representative, said. Customers of the Company in O'Donnell received approximately \$4200 including interest. Many received the checks Saturday.

Mailing of checks that started the early part of August has been completed during the past few weeks in the northern area served by the company. Another group of customers will receive checks during September and October.

The Company has been paying 6 percent interest on the deposits. The checks to be mailed to each customer will approximate \$10.45 including interest.

Most of the deposits have been made in recent years during which the Company in the towns it served have under gone tremendous expansion and growth, but a large number of the deposits have been held by the Company since 1928 when they first started service in O'Donnell. Mansell Bros. holds the oldest deposit in O'Donnell being no. 4, dated July 2nd, 1928.

Of interest locally is a long write up in Houston Chronicle dateline Yaokum telling of farewell party honoring Rev. E. C. McDonald who is retiring from Baptist ministry after 46 years. He was formerly pastor here about 12 years ago and is an uncle of Guy Bradley.

## Eagles Meet Slaton Here Friday Nite

### Tigers Are Rated Good

Friday nite at Johnson Field O'Donnell will play host to the Slaton Tigers in the last non-conference game of the season. Slaton probably will not field as smooth and well balanced team as Tahoka but none the less the Tigers will enter the game as slight favorites although by not as wide a margin as Tahoka. With the same heads-up brand of ball as at Post, the game could well be O'Donnell's. Injuries suffered by the Eagles in the Post and Tahoka game will be a factor. Friday week the Eagles open loop play at Stanton and there is excellent prospects there. The week following Denver City's Roughnecks play here and that's bound to be a toughie. Keep boosting the Eagles. Spirit is more of a factor in football than any contact sport.

### CRY "HOVOC"

Did you hear the midnite fire alarm recently? Seems a lady awoke to find her husband gone from home and thinking to call him by contact with nitewatchman, she phoned in to turn the blinker on Mr. Proctor to contact hubby down town. By mistake the operator punched the fire alarm button. P. S. Hubby is taking quite a ribbing, so says James Lemons and Wayland Taylor

### Rites Read For Kenneth Cooley Here

Funeral services were read Saturday afternoon at 3 p. m. at the First Methodist Church for one of O'Donnell's finest and best loved youths, Baltus Kenneth Cooley, age 22 who died at home of his parents, Mr. and Mrs. B. K. Cooley, Thursday. Services were conducted by his pastor, Rev. H. A. Longino assisted by Rev. Jack Strickland of Colorado City. Burial followed in the local cemetery under the direction of Stanley-Jones Funeral home.

Mr. Cooley had lived here the greater part of his life being born Jan. 18, 1931 here and later receiving his schooling here. He enlisted in the Army March 23, 1951 and served for two years at Ft. Sill, Okla with 3582nd Trucking Co. with rank of Private First Class. He received his discharge March 22, 1953 and later went to work for General Geophysical Co. On June 3rd of this year he was wed to Miss Donna Sue Hodges here at Belen, N. M.

Kenneth had been in rapidly declining health for the past two months and on August 19th he professed his deep faith in his Savior and this abiding love Kenneth kept and cherished until called home.

We counted Kenneth as one of our finest boys having known him since a lad of 12 years and he so lived his brief life span that he was a joy to those nearest him and an inspiration to all with whom he came in contact.

Survivors include his widow, his parents, Mr. and Mrs. B. K. Cooley, and two sisters, Mrs. Una May Horsley of Ruidoso, N. M., and Mrs. Sue Mensch of here. Active pall bearers were Jack Walker, R. G. Ledbetter and Mr. Smith and Mr. Lewellyn. Honorary pall bearers were R. T. Rains, Wayne Bradshaw, C. M. Finley, Bill McCarty, J. D. Stuart, Bob Clark, Elvin R. Moore and J. C. Harris.

The Community extends its most sincere sympathy to the loved ones.

### Folks You Know

Mr. and Mrs. Marvin Brewer of Lovelland visited in the Joe Eaker home Sunday.

Mrs. Phil Barrington and children and Mrs. Preston Stokes visited in Winstboro last week.

Mr and Mrs. Alvin McMillan visited Mr and Mrs. Oran Hickerson and family, Mr and Mrs. Elzo McMillan and Mr and Mrs. Dols Provence and their new baby girl at Plains over the week end.

Mr and Mrs. Alvin McMillan will leave next Monday for Port Aransas to spend the winter.

Mr and Mrs. Alton McCullough and Mrs. Putman of Itasca visited with Mrs. Effie Bazer Thursday

Mr and Mrs. Dick Reed of Paducah visited in the Glen Gibson home Sunday.

### MRS LOTT HOSTS CLUB

Mrs. Hugh Lott was hostess of the Thursday Bridge Club last week. Mrs. Glen Gibson won high score, Mrs. J. T. Forbes, second high, Mrs. Mack Noble, bingo. Others present were Madams Ralph Beach, L. L. Birdwell, James Bowlin, C. N. Hoffman, L. G. Schuessler, Sam Singleton, Wayland Taylor, W. E. Singleton and Ed Robertson.

Have you seen the Dawson Co. Soil Conservation display at the local bank. It is sponsored by Texas Electric Co. and we feel you will enjoy it. School children especially should see it.

We are again taking subscriptions for all daily papers and the Ft. Worth Star Telegram Bargain rate \$13.95 is now on. We'll appreciate your renewals to daily papers.

Mrs. Prentis Scott visited in Sweetwater over the week end. Mr and Mrs. Weldon Hancock and family are moving to Abernathy for the ginning season.

Mrs. W. T. Burks returned Sunday from a two week visit at Seagraves. Mrs. T. M. Wilson and Mr and Mrs. Herbert Royce and Cathy Wilson returned with her to visit relatives here over the week end.

Mr. and Mrs. W. J. Keely of Post visited L. D. Evans and family Saturday.

Mr. and Mrs. Morgan Jones of Amarillo visited in the Sid Jones home Sunday.

Mr and Mrs. Cecil Pearce visited Mr and Mrs. G. R. Pearce in No-trees Sunday.

Mr and Mrs. E. C. Harris visited their daughter Mr and Mrs. Gene Proutchouse at Roswell over the week end.

Oscar Veach is working at Hale Center during the fall season.

Marcus Pearce has moved to Jal. N. M.

W. D. Street and family of Earth visited in the B. B. Street home over the week end.

### Calls Pastor

The Berry Flat Baptist Church has called as their new pastor Rev. Charles Uzzle of Plainview who is attending Wayland College and formerly lived near Draw.

There will be preaching services on each first and third Sundays.

The Church has recently paid for their new building despite the drought and are going to have a special dedication service on Sunday October 18th. There will be a more detailed announcement later. Everyone is cordially invited to attend church services and Sunday School every Sunday.

Mr and Mrs. Bob Davis of Olney visited Mr and Mrs. B. L. Davis over the week end.

Wednesday afternoon Mrs. Tom Brewer had a few of her neighbors in to meet her sister, Mrs. H. R. Morgan of Wichita Falls who had been visiting Mr. and Mrs. Brewer.

Mrs. C. R. Brock, 4th grade teacher suffered a broken wrist when she fell one day last week on the side walk of the grade school.

Mrs. Alton Hobdy and son and daughter of Bovina visited relatives here for the week end.

Mr and Mrs. Billy McCarley and Charles Hill of Roswell, N. M. visited with Mr and Mrs. Charley Hart Saturday.

Mr and Mrs. Bill Yandell and family of Olton visited his parents Mr and Mrs. Tom Yandell over the week end.

Mr and Mrs. Carlisle and daughter, Miss Margaret Carlisle of Seminole visited relatives here over the week end.

Mr and Mrs. Clinton Fannon of Lubbock visited his parents here over the week end.

Mr and Mrs. Reed Yandell of Littlefield visited here Saturday.

The week end guests of Mr and Mrs. Jesse Lane were their son and family, Mr and Mrs. Doyle Lane of Lubbock and Mr and Mrs. Boyce Allen and family of Odessa. Mr and Mrs. Dick Harris and daughter visited in Ballinger and San Angelo for the week end.

### LOYAL WORKERS ENJOY CLASS PARTY

The Loyal Workers class of the Methodist Church enjoyed a social in the home of Mrs. F. M. Jones Monday nite. Co-hostesses were Madams; Ervin Jones, Carl Sanders, 18 guests enjoyed ice cream and cake and played 84.

### FORMER LOCAL LADY IS CLAIMED AT MARLIN

Mrs. Allen Bray, the former Miss Christine Barber of here, died Saturday afternoon in a Marlin hospital. Funeral services were read Sunday afternoon at Chilton, her home town with interment there. Mrs. Bray was a sister of Mrs. Hamp Thompson, Mrs. Lloyd Davis and Mrs. O. E. Robinson. Our sympathy.

### FHA Off To Good Start

Our enrollment was lowered slightly because of the drought. Boys enrolled in Vocational Agriculture I are: Tony Amaro, Leo Barrington, Johnny Billingsley, Danny Curry, Bobby Dan Griffin, Jack Hoskins, Johnny McLaurin, Clifford Lamberon, Howard Owens and Donald Parker.

Boys enrolled in Voc. Ag. II are: Coleman Baker, Franklin Eaker, Raymond Harris, Carroll Meeker, Jimmy Moore, Douglas Moses, Travis Pearce, Marvin Pierce, Gerry Sherrill, Homer Dan Vaughn and Dwain Reeves.

Enrolled in Voc. Ag. III are: Weldon Brownlow, Jack Gleghorn, Slaton Harris, Bobby Long, Tommy Modisette, James Shaw, Rex Stokes, Wallace Thompson and Tommy Todd.

Prize Money At Fair The boys brought home \$36.00 from the Dawson Co. Fair. In the sheep division, Wendell Edwards and Johnny Billingsley brought home the ribbons. Jimmy Moore won in the poultry division. The Future Farmers Educational booth won 3rd place. The booth featured the "Cage System of Egg Production".

District Banquet Oct. 5th The Future Farmers are looking forward to a very successful year despite the drought. One of the high lights of the season will be the District Banquet and officers training school to be held at Meadow on Oct. 5th. Rex Stokes is the new district vice president and Jack Gleghorn is the voting delegate. The sweetheart, yet to be elected, will compete for district sweetheart. Others to attend will be Supt. and Mrs. John Morris, Mr. and Mrs. Choyce Robertson and Mr. and Mrs. James W. Reed.

Lost: Hub cap from 1950-51 Plymouth; reward; C. B. Morrison.

### WEDS IN CALIFORNIA

Just back from their wedding trip to Laguna Beach, Lake Arrowhead and Hollywood, Calif., are Mr and Mrs. Bill E. Lockwood (nee) Miss Alice Nadine Fannon, daughter of Mr and Mrs. Raymond Clyde Fannon of here. They were wed in the chapel of the First Methodist Church in Reno, Nevada on Saturday, August 15th at 6 p. m. They had a beautiful candlelight ceremony with a few close friends attending.

The bride wore a ballerina gown of white nylon and net over slipper satin and the illusion fingertip veil fell from a Juliet cap covered with tiny seed pearls. Her bouquet was of white rose buds outlined

with white gladiolus and carnations and streamers of pinched carnations.

The Matron of Honor wore a ballerina gown of pale yellow and carried a similar bouquet of pale yellow roses and gladiolus. Immediately following the ceremony was the reception and dinner held in the Sky Room of the Mapes Hotel.

The bride graduated in 1944 from the O'Donnell High School. The couple are at home at 1357 MacArthur Blvd., Oakland, Calif., where Mr. Lockwood is employed by the Hospital Service of California.

### Church Buys House

The O'Donnell Methodist Church last week purchased the dwelling immediately east of the Church from Chas. Cabool. The young people of the Church are considering the property as a Youth Center. If this does not develop, the building will be used as classrooms for adult Sunday School classes, according to the pastor, Rev. H. A. Longino.

Sunday will mark the beginning of a new Sunday School year for the Church with, in some cases, new class officers and teachers.

### Nail Picker In Pct. 3

According to County Commissioner Mrs. McLaurin of Precinct 3 Lynn County, a magnetic nail sweeper will operate thruout Pct 3 covering the mail and the bus routes as well as other roads. Mrs. McLaurin said that farmers may secure the services of the machine around their farm or ranch by meeting the machine ahead of their property as the machine travels along the road. As large as the equipment is, it would be difficult to turn around and retrace a part of the route. For additional information, you may see Mrs. McLaurin. The machine is operated by C. W. Nance.

### Little Girl Injured

Sherry White, young daughter of Mr and Mrs. Willie White suffered a cut above the eye and a cut knee Tuesday night last week at the PTA open house. The little girl in the 2nd grade, was running across the street in front of the grade school when hit by a local youth riding a motorcycle. The youth tried to dodge the child but was not successful. Sherry remained in a Lubbock hospital from Tuesday thru Friday and her friends will be glad to know she is doing fine.

R. O. Lane and Mr and Mrs. Jesse Lane attended the funeral of a brother in law at Comanche Monday.

Mr and Mrs. Mack C. Bradley of Lubbock visited their parents here over the week end.

Mr and Mrs. Mack Haymes visited in Artesia N. M. over the week end.

Mr and Mrs. Bill Autry visited friends in Lubbock Sunday.

### CARD OF THANKS

I wish to take this opportunity of thanking the merchants and other folks of O'Donnell for the fine premium made up last week for the first bale of cotton; also my special thanks to Jimmy Forbes for buying the bale at auction at 46c per lb. AMOS BARTON

### W. MC CLENDON HEADS SOPHOMORE CLASS

The Sophomore Class held its initial meeting recently electing Mrs. Glee Robertson as Class Sponsor. She was Senior sponsor last year. The following officers were elected:

President, Wendell McLendon; vice president, Doug Moses. Secretary and treasurer, Travis Pearce, reporter, Sue Wheat; snap shot editor, Mary Lou Simpson; cheerleader, Patsy Moore. The president asked the class to be thinking about the Halloween queen nominee, class dues and means of raising funds for the forth coming year.

### John Saleh Speaks To Study Club

The 1946 Study Club of O'Donnell met Wednesday afternoon in the home of Mrs. Truett Hodnett, hearing a program on the United Nations. Guest speaker for the afternoon was John Saleh, local attorney. Mrs. Burl Koeninger, president, was in charge of the bus iness meeting and projects for the year were discussed by the 17 members present. At the next meeting October 15th Mrs. Vernice Ford of Lubbock will be the guest speaker and the meeting will be at First Baptist Church.

### Look Who's New

Congratulations to Mr. and Mrs. Geo. Childress of Lovington, N. M. on arrival of a fine 7 lb 5 oz baby boy born Sept. 14th and named George Franklin, Jr. Grandparents are Mr and Mrs. Clyde Childress of Draw and Mr and Mrs. Earl Gillespie of Harmony.

### Lamesa Educator Speaks At Rotary

The local Rotary Club met in its regular meeting Tuesday with all members present. Visiting Rotarians were Hap Smith, Calloway Huffaker, H. W. Carter and Granville Ayer of Tahoka and Rev. L. D. Ball, Owen Taylor, Swanson Hurt and Will Morris of Lamesa. Glen Gibson was a local guest. Supt. C. E. Tarter of the Lamesa Public Schools was the speaker for the luncheon. His topic was "Our Wonderful World".

### Colored School Has 31

According to teachers of the local colored school, there are 31 students enrolled and of that number 18 are in the 1st thru 3rd grade with 13 being in the 4th thru 8th. Citizens, so far as possible, should see that Negro students attend school because education of the colored citizens is one of the keys to further advancement of the South and a strong nation.

Phil Hardberger, son of Mr. and Mrs. Homer Hardberger, is nite editor of the daily Baylor U. LARIOT and during the day is an employee of Waco TRIBUNE as well as taking a full course in the University.

### REDELL HEADS BORDEN 4-H CLUB

The Borden County 4-H Club met at Gail recently with the following officers being elected:

President, Jerry Reddell, vice president, Jerry Staggs, Secretary treasurer, Don (the last name we could not read) reporter, Norman Ledbetter, Committeeman, Travis Walker. Projects for the new year were discussed.

### SENIORS RECEIVE RINGS

The Senior Class of '54 got off to a good start with a class meeting last Thursday. Mrs. Roleh and Choyce Robertson were selected as sponsors with Nolan Porterfield as president, Ann Singleton as vice president, Mary Sanders as secretary and treasurer. Ralph Simpson, reporter and snap shot editor and Peggy Pearce as pop leader. Recently, to the delight of the seniors, their rings arrived.

Mr and Mrs. Doc Beach visited in Tecos Sunday.

Country Editor

As a Saturday morning q. b., his corner believes the O'Donnell Eagles put up a whale of a good fight Friday nite although the score 44 to 7 would not indicate it to anyone but a rabid Eagle fan. As the estimated crowd of 2,000 will testify, Tahoka fielded a nifty, fast, smart, almost perfect, team of which it was a joy to watch. Both teams played very hard ball and the game was as clean as a hound's tooth. O'Donnell and Tahoka can both be proud of that. J. B. Ables was the big gun for the County Seaters with Gordon Smith and Jimmy Bragg cashing in some and Tahoka had a back blue field man who made perfect spins, unusual in run of the mill teams. Tahoka's wide and inside end runs featured the attack with the visitors showing few wares in the air lanes.

Every last Eagle did well with many of the youths playing a majority of the 60 minutes. Derry Moore cashed in on a beautiful t. d. but his team mates looked good as well. The line held well considering the bag of Bulldog tricks with Sanders, Moore, Copening, Worth, and all the gang fighting every inch. So, here's a fan who thinks the Eagles will win more than they lose.

We noticed Friday nite, as we have before, that the visitors stand on the East appeared too small for the capacity crowds. In years to come the school should enlarge these stands. Many of our visitors had to find seats in the west stands.

O'Donnell Band Is Tops! Also a good word for the Tahoka and O'Donnell Bands. They did very well. We believe O'Donnell's band is the best yet under Mr. Jones. He would do justice to a city school.

Check Us On This Of the six conference games yet to be played, we believe O'Donnell will split the series taking Stanton Morton and Soagraves but dropping Denver City, probable champ, White face and Sundown. And next year the team will be better and more seasoned with a champ of a team in about 3 years. Why, The Junior team and training, training. Teams may sometimes be born but more often its training. Incidentally, the boys need our cheers. They want to win far more than you want them to.

### 1st Bale Brings More \$600

O'Donnell's first bale of 1953 cotton was auctioned off Saturday by Jess Merrick bringing 46c per lb or a total of \$300 and was purchased by Jimmy Forbes, local Ford dealer. The grower, Amos Barton, realized \$696.97 from the bale of which \$24.44 was from the seed, \$300 for the cotton, \$236.50 in cash premiums, \$28 in trade and 18.93 in ginning at Farmer's Co-op gin. This is by far the highest premium of any small town on the Plains. Mayor Jimmy Hash said Monday and reflects much credit on all who had a part in the first bale premium. Elsewhere Mr. Barton thanks the public. O'Donnell does things BIG even when the "doing" is most difficult.

### New Moore Party Set For Emmitt Vernon Parker

Sgt. Emmitt Vernon Parker, son of Mr and Mrs. N. S. Parker of New Moore has arrived home after 33 months as a P.O.W. in Korea. Vernon has lived in New Moore all of life going to school at New Moore and at O'Donnell. The New Moore community invites all his old classmates, teachers and friends to be at the New Moore school building on October 11th at 3 p. m. for a big informal party. Cake and ice cream will be served. Come on friends, let's show Sgt. Parker how GLAD we are to have him back.

(Ed. note: To Mayor Hash and Tahoka Chamber of Commerce: let's make this an all Lynn Co. party in cooperation with the folks of New Moore.)

### Freshmen Elect Officers

The Freshman class elected John McLaurin as president, Leo Barrington, vice president, Donna Rogers, secretary, Mack Forbes, treasurer, Patsy Clark, reporter, Frances Rogers, pep leader and Mr Sutton, sponsor.

The class plans a bake sale Saturday, Oct. 3rd and two one-act plays Oct. 26th. The class has 6 new students: Donnae Parker, Frances Rogers, Jack Hoskins, Danny Joe Curry and Joe Snider from New Moore and Scotty Lonis from Eakly, Tex.

### CARD OF THANKS

To our friends, neighbors and all who were so thoughtful of us during our bereavement of our dear son, husband, and brother. We thank all for food, floral offering, and helping hand which made it so much easier to bear our loss. Also our special thanks to Curt Finley and the American Legion. May the Lord bless and keep you.

Mr. and Mrs. B. K. Cooley, Mrs. Kenneth Cooley, Mr and Mrs. Leroy Mensch, Mr. and Mrs. Hodge.

Mr and Mrs. J. P. Hale and children visited her parents Mr and Mrs. Cole Gallagher at Midland Sunday.

### "SHANE"

You have never seen a man like Shane and you have never seen a picture to equal "Shane" showing Friday and Saturday Oct. 2, and 3 The Rex Theatre wishes to tell the people of O'Donnell that "SHANE" is the biggest and finest Technicolor Western we have ever seen.

**Keys to the City  
Come in All Kinds  
Of Sizes, Meaning**

NEW YORK CITY—First tenants in all new apartment houses in New York will receive "keys" to the city, but they are not likely to unlock any doors.

The "keys" are on the letterhead of welcome distributed over the signature of the mayor and consist of a simple code, or key, to aid newcomers in finding their way around the city.

Presentation of some sort of a key to a city is an ancient custom, even if the gates of European cities locked at night it proved practical and convenient to give keys to particularly distinguished or wealthy—and trusted—visitors so that they could come and go as they pleased at any hour without challenge from the guard.

The custom of giving keys to the city has even been given a reverse twist. In Washington, a District of Columbia commissioner greeted the visiting Mayor of Lima, Peru, with the traditional key and was surprised when the South American official returned the favor and presented him with a beautifully worked silver key to Lima.

Various cities give various kinds of keys. In Baltimore, distinguished visitors receive a suitably inscribed wooden key, carved from the beams of the old flag house where one of the first American flags was made. Miami has honored guests with cypress keys, and in Portland, Oregon, plywood has

Will sell Sudan bundles or will trade for stock trailer. Valton Harris, Rt. 1 Stop

**Hometown Observes  
Birth of 'Avionics'  
In Plane Industry**

FARMINGDALE, N.Y.—This manufacturing community is welcoming a bustling new baby in the house of science—an offspring of the wedding of electronics to aeronautics. Its name is "Avionics," and its parents predict it's headed for a rich, full life that will make his hometown proud of him.

"The higher and faster man flies, the more electronic gadgets he'll need to supplement his thinking," says Alexander Kartveli, vice president and chief engineer of Republic Aviation Corporation. "Jet planes are already flying so fast that human reflexes can't respond quickly enough. Think what the problem will be in the 1,500-mph planes of the future."

Some of the electronic devices which designers have installed, or are thinking of installing, in jet planes are:

Electronic 'feelers' to tell the pilot where the enemy is in the sky;

An electronic computer to tell him what course to fly to get there;

An automatic pilot to keep him on course;

A device that will signal automatically whether an approaching plane is friend or foe;

A radar gunsight to fire his machine guns when he's on target;

An electronic device to guide him home.

All of this equipment must be scientifically tailor-made for the plane it's in and the job it's to do. That's where 'avionics' comes in.

**Woman Leaps Quicker  
Than Coiled Rattler**

PANAMA CITY, Fla.—The snake missed, Mrs. Woody Laffoon didn't.

She battered the 14-inch ground rattler, which she had found coiled at the foot of her small son's crib, with a short-handled coal shovel.

The wife of the Panama country club golf pro, who says she has been "terrified of snakes" all her life, found the reptile in her two-year-old son's bedroom when she answered his call.

"For a moment," she says, "I was panicked. Then I happened to think of a short-handled coal shovel which hung near the back door."

"I kept my eyes on the rattler while I got the shovel from the hook."

As the reptile, one of the most poisonous of its species, struck, so did the frightened mother. She connected squarely.

Is he in business "to stay?"

When you buy a used car from a Ford Dealer, you're dealing with an established businessman who has a large investment and his good name at stake. We're here today, and we'll be here tomorrow!

Check the used car, sure!  
But check the dealer too!

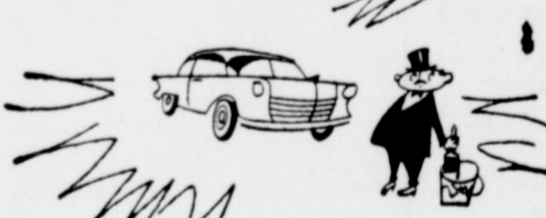

Does he really know cars?

Ford Dealers are in the service business, too; work with cars day in and day out. We know how to spot trouble fast. And our expert mechanics have the equipment and "know-how" to handle any service job.

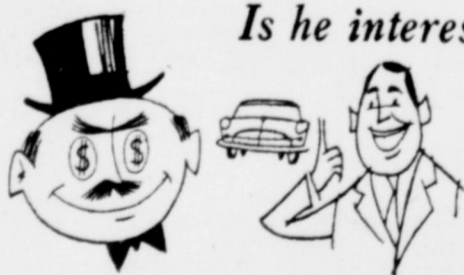

Are his prices really fair?

Ford Dealers handle used cars and trucks as a service to customers who trade them for new ones. We get a lot of trade-ins. And we keep them moving to free our working capital. That's a good reason why we offer our used cars and trucks at rock-bottom prices.

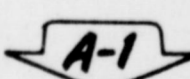

Is he interested in you?

Remember—we Ford Dealers want to keep your good will because we want to take care of all your automotive needs. Someday we hope to sell you a new car, or another used car, and in the meantime, we want your service business.

Do his cars meet A-1 standards?

When you go to a Ford Dealer's and see the A-1 label on a car, you know it has met with the dealer's A-1 standards. And because you can trust the man you bought it from, you can trust the car.

IT'S WHERE YOU BUY IT THAT COUNTS!

See Your Ford Dealer

### New Pyramid Is Found in Egypt By Scientists

CAIRO—A heretofore unknown pyramid has been discovered at Saqara on the edge of Egypt's Western Desert, 50 miles from Cairo.  
 It is a step pyramid like the nearby Pyramid of Zoser, the earliest known building in the world made entirely of stone. The step pyramids were built in ascending stages, each smaller than the last, as contrasted with the smooth outline of the later true pyramids.  
 Scientists think the new pyramid probably was built for King Zoser's successor about 2700 B. C.  
 Discovery was made by archeologists sinking trial pits in late 1951. They found a vast terrace, 1803 feet long and 558 feet wide, surrounded by remains of an enclosing wall, one section of which was perfectly preserved.

**Ruined Temples**  
 Within the enclosure were piles of broken stone and masonry suggesting the temples, shrines, and secondary tombs which make up a pyramid complex. A pit dug in the exact center of the terrace uncovered three parallel leaning walls.  
 The scorching heat of the Egyptian spring stopped work for a time, and the dimensions of the central structure have not yet been ascertained. When digging begins again, efforts will be concentrated on search for the well hidden burial chamber.

Egyptian officials say legendary curses will not stop the excavators. The most blistering curses inscribed on many tombs were directed more against violators of endowments than against grave robbers. Set up in lands and revenues, endowments insured proper religious services for the care of the departed soul.

**Man Is Restrained From Marrying Again**  
 DETROIT—Some repeat performances can be avoided by the use of a little foresight. A Detroit man found a way out. On obtaining his second divorce he made a special request.  
 "Your Honor," he pleaded, "there are just too many good-looking women around. Can't you fix it so I'll be safe for just a while?"  
 The court then ordered a special order on his divorce restraining him from another marriage for two years.

### NOISY CELEBRATION Harmonica's Home Town Is 500 Years Old

TROSSINGEN, Germany—The harmonica, usually associated with the ear-assaulting first musical attempts of children was an honored instrument recently as this south German town celebrated its 500th anniversary.  
 The honor comes naturally, because Trossingen, in the Frenchzone province of Wurttemberg-Hohenzollern, owes much to the harmonica. One of the world's largest and best known makers of mouth organs is located there, and the factory provides much of the town's employment.

The harmonica, or, more correctly the mouth harmonica, is much younger than Trossingen itself. It was invented by Friedrich Buschmann in Berlin in 1821 and employs an originally oriental system of producing music by passing air over "free" reeds—vibrating metal reeds that fit exactly the wind aperture.

**Some 14 Feet Long**  
 There were oriental mouth organs long before Buschmann produced his "Mundharmonika." The Chinese and Japanese models were made with a gourd, or a gourd-shaped piece of carved wood, as an air reservoir. 13 or more slender canes were inserted into this windchest, each cane producing a note form a different free reed. Some Chinese mouth organs use bamboo pipes, or canes, 14 feet long.

Come in and see... value check... and test drive a Ford today!

No doubt about it...  
**Ford's the one fine car in the low-price field!**

Feature after feature... part after part...  
 Ford is as fine as the finest...  
 yet it's priced with the lowest.

No car ever built has won such enthusiastic and growing preference as the '53 Ford... and no wonder. For no other car with such a wealth of fine-car features costs so little as Ford.

Yes, Ford, with all its fine-car quality, is offered at a price that's easy to pay.

You can have a Ford with a V-8 engine—the same type of engine that powers America's most expensive cars—for hundreds less than many Six-cylinder

cars. And a Ford powered with the high-compression Mileage Maker Six costs even less.

Then, too, Ford's body is built like the best, with steel body panels of the same quality and thickness as in the most expensive cars.

Ford also proves that a car doesn't need to carry gas-thirsty extra weight to "gentle" you over the bumpiest roads! For Ford's smooth, level ride blots out the bumps... cuts front end road shock alone up to 80%!

Also, you can have your Ford V-8 with Master-Guide, the last word in power steering. Master-Guide cuts up to 75% of turning

effort yet it leaves you with the natural "feel" of steering on the straightaway.

There are many other fine-car features, too! Ford Full-Circle Visibility... foam-rubber cushioned seats front and rear on all models... finishes that are baked on over a complete rust-proofing treatment... to mention a few.

It takes all these features to make a fine car truly fine... worth more when you buy it... and in resale, too! A survey of used car lots proves that people are willing to pay a larger percentage of the original cost for year-old Fords than for any other used cars. No doubt about it, Ford's your best buy!

Worth more when you buy it... worth more when you sell it!

If you're interested in used cars, be sure to see our selections!

 Ford Sales and Service O'Donnell, Texas

### Delta, Colo., Scenery Is Tourist Paradise

DELTA, Colo.—This and several neighboring towns sell scenery of spectacular proportions. The road south from Grand Junction through Delta, Montrose and over the "million dollar highway" to Durango is traveled daily by many tourists. Despite the new boom in tourist entertainment, the main industries in this community are mining, cattle raising, and fruit growing.

About 20 miles out of Montrose traveling south is the Black Canyon of the Gunnison river, a narrow gorge which rises almost straight up from the banks of this famous trout fishing stream. Thirty-six miles south of Montrose you come to the little mountain town of Ouray, almost completely hemmed in by towering peaks. Box Canyon at Ouray, headwaters for the rushing Uncompahgre River, houses a rearing waterfall.

Beginning at Ouray, the motorist starts south over a spectacular road built of ore containing gold, silver, copper and other precious metals. That's where it gets its million dollar name.

This road crossing the San Juan range, provides scenic splendors not matched in the west. One towering peak after the other comes to view and there are more after you leave Silverton.

None of the mining towns is more picturesque than Silverton, now a center of uranium production. Durango is a sort of headquarters for the Mesa Verde National Park where a long lost race of Indians built their dwellings in the sheer canyon walls.

### Oklahoma Farmers Are Crowding PMA Office

CHICKASHA, Okla.—The embattled farmers of Grady county are crowding the counters at the PMA office these days to get in on the alfalfa, vetch and sweet clover subsidy which the United States is paying this year.

The subsidy this year will be the smallest ever paid. Only 23 cents a pound on 3,000 pounds, or 69 dollars a farm will be paid for alfalfa planting and only ten cents a pound on three thousand pounds of vetch will be paid for the same amount of sweet clover.

One farmer said he sure wanted to get in on the alfalfa planting this year for he was afraid if like it in they wouldn't give away alfalfa money next year. The vetch and sweet clover subsidy meets with general farm approval but a considerable number of farmers doubt the wisdom of the alfalfa subsidy.

### Cotton Babies Throng Goldsmith, Ind.

GOLDSMITH, Ind.—Dr. S. M. Cotton was given a big day recently in this town of 300 population. He celebrated his 50th year as a "country doctor" with the aid of more than 3,000 persons.

Fifteen hundred of the celebrators wore cards on their lapels proudly proclaiming "I Am a Cotton Baby."

The slender, blue-eyed doctor thought he must have delivered between four and five thousand babies. Tipton county records show Cotton's name on 4,467 birth certificates.

Cotton was honored at a big dinner in the Methodist Church. Afterwards, the Jefferson Township led a parade down Main St. to the Old Settlers' Grounds, where the doctor, his sandy hair shot with gray, presided over a picnic.

### Maine Town Collects Big Sum for Orphan

WATERVILLE, Me.—This is a bustling, thriving town, aglow with civic pride. The reason for the glow began on a September day five years ago when Connie Grindell, 5, felt weak and took a headache. At the hospital, the dread verdict was that the little girl had polio.

She fought an uphill battle against the crippling disease for two years. And when she was almost ready to walk, tragedy struck again. In an automobile wreck her grandmother was killed instantly. Her father and mother died from injuries received in the wreck several days later. The seven little Grindell children were orphans.

Carleton Brown, owner of Radio Station WTVL had a talk with the treasurer of the local bank. Then they dropped by the newspaper office. The Grindell fund drive was launched.

The movement swept Waterville and nearby Winslow. Piggy banks, sugar bowls and wallets were opened. Children put on benefit shows. Mothers sold pies and cakes. Home talent and professional actors put on a benefit show in the Opera House. Even a woman being expelled from town by police gave her last dollar to the Grindell benefit fund.

The governor's wife in Augusta gave a benefit tea. The Maine Magicians Society put on a benefit show. Ex-Mayor of Waterville, Russell Squire says the effort begun in Waterville gave the whole state a feeling of "togetherness."

The drive collected \$18,000 for the Grindell orphans. The trustees of Colby College voted free tuition to all the children when they become of college age. The cash has been put in a trust fund.

### Utah Town Snags Ohio Tourists Passing By

BRIGHAM CITY, Utah—Failure to stop at this northern Utah peach growing center was the charge against three Ohio tourists who were arrested near here. The town is named after Brigham Young, Mormon colonizer.

Mr. and Mrs. Howard Stephens and Briggs Barrett, all of Wilmington, Ohio, were picked up by an officer. They pleaded that they were in a hurry to get to Yellowstone park. The officer was a Utah highway patrol trooper.

When they were returned to town, a judge told them they should have stopped to see the sights. They entered the spirit of the civic promotion, pleaded guilty—and were sentenced to spend 24 hours in the city and vicinity as guests of the local 20-30 Club.

### Note-in-Bottle Love Affair Dies in Cork

CORK, Ireland—The breathlessly awaited love affair between the Irish milkmaid and the American pen pal she found in a bottle is not to be.

Breda O'Sullivan, 24, told reporters: "There is no romance, and there will be no wedding."

"That's right," agreed Frank Hayostak, the 27 year old arc welder of Johnstown, Pa.

He started the whole business when he tossed a bottle with his address in it from a ship taking him across the Atlantic in 1945 as a homeward bound GI. She plucked the note off the beach, and they started to correspond.

Recently he flew from America to meet her. The visited Blarney castle to kiss the famed Blarney stone, as all tourists must. The stone is supposed to impart to those whose lips touch it the gift of moving eloquence.

### Doc Advises Hot Pack For Bullet in Head

BALLSTON SPA, N.Y.—Ricky Matrizzo, 4, went home several weeks ago with the complaint that "something hit him behind the ear."

His mother treated what she thought was a scratch. When the scratch didn't clear up and the pain had not departed from Ricky's head, she took the child to a doctor.

The doctor prescribed hot pack treatments. Finally the hot packs brought out the cause of the trouble. It was a .22 calibre bullet. The doctor removed it.

The boy evidently was hit by a spent or ricocheting bullet. Deputy Sheriff Edward Williams believes.

### Girl Goes to School On First Day of Life

SALEM, Ore.—This little girl went to school—the very first day of her life.

She is the daughter of Mr. and Mrs. Arthur Bassett of Mill City, Ore.

In the early hours of the morning Mrs. Bassett asked her husband to drive her to the hospital. Bassett began the drive from Mill City to the Salem Memorial hospital.

But the stork was faster than the Bassetts' automobile. Just in front of the school at Aumsville, several miles east of Salem, a daughter was born to the couple and the wife and child were carried into the school.

Only the father was in attendance.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912 AS AMENDED BY THE ACTS OF MARCH 3, 1933 AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT AND CIRCULATION OF O'Donnell Index-Press, published weekly at O'Donnell, Texas for September 26, 1953.

1. The names and addresses of the publisher, editor, managing editor and business managers are: O. G. Smith, Jr., Box B, O'Donnell, Texas.

2. The owner is: O. G. Smith, Jr. Box B, O'Donnell, Texas.

3. The known bondholders, mortgages, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages or other securities are: None.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statement in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of

the company as trustee, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, thru the mails or otherwise to paid subscribers during the 12 months preceding the date shown was 765.

## Every 3 days a new diesel joins the Santa Fe fleet!

A 10-year record of "building new" on the Santa Fe

Christened with California champagne, Santa Fe's first multiple-unit diesel locomotive rolled out of Chicago on Tuesday, May 12, 1936.

It powered the first Super Chief.

39 1/2 hours later it rolled into Los Angeles—and the new age in railroading was born.

There were 3600 "horses" in that one.

Five years later, the first multiple-unit freight diesel rolled on Santa Fe rails.

There were 5400 "horses" in that one.

Today, there is more than 2,100,000 diesel horsepower on the Santa Fe—1524 mighty diesel units.

From 1943 through 1952, a total of 1261 diesel units were placed in service. Better than one every 3 days for a 10-year record!

And still they come! 222 in 1953!

Every diesel added, every mile of heavier rail, makes America's New Railroad a little more completely new. Why, enough new rail has been laid on the Santa Fe in the last seven years alone to reach from Chicago to Los Angeles!

All new—but always the old pride that all this building new costs you, the taxpayer, not one tax penny.
