MISS BRYANT WEDS HERE IN EARL GILLESPIE HOME

Before a fireplace banked with greenery accented with tapers and flanked by basket arrangements of white gladioli, Miss Janet Bryant became the bride of A2C Jim Gore at 3 p. m. Sunday, April 15th in a double ring ceremony read by Rev. Ernest D. Stewart in the home of the bride's uncle and aunt Mr. and Mrs. Earl Gillespie.
Parents of the couple are Mr. and Mrs. J. M. Gore of Avon Park, Fla. The bride wore a tailored suit of white linen with matching accessories. Her corsage was pink rosebuds. Miss Jackie Sullivan of Lubbock was maid of honor. She wore a pale blue linen suit with blue accessories and a pink carnation corsage. A2C F. A. Smith of Lubbock served as best man.

Immediately following the ceremony, a reception was held in the home. Pink carnations centered the bridal table which was laid with a white lace cloth over pink. Assisting with hospitalities were Mrs. Vernon Bryant of Levelland and Miss Ann Walker of Lubbock.

For traveling the bride chose a pink silk print dress with pink accessories. Mrs. Gore is a 1955 graduate of Pecos High School and attended Draughon's College in Lubbock. A graduate of Avon Park High School, Fla., her husband is presently stationed at Reese AFB. Following a wedding trip to Florida the couple are at home in Lubbock.

Forbes Is New Canadian River Director

At its regular monthly meeting Thursday night, the Council of the City of O'Donnell gave the oath of office to newly elected mayor S. M. Clayton, Jr. and alderman Homer Hardberger. Harvey Line, re-elected as an alderman, was absent.

Business coming before the city duds included appointing Mrs. Darius Sumrow as acting secretary in event of the absence of Tom Brewer, Secretary of the Council. A motion was made by Mr. Hardberger and seconded by John Earles that all dogs be vaccinated again this year and later the public will be informed when Dr. Bucy of Lamesa will be here.

Forbes Named To Board
J. T. Forbes was named to be the local representative on the Board of Directors of the Canadian River Authority.
Dates for a big all-out clean-up were discussed and further information will be given later.

To Publish Audit
Also the group plan to publish a condensed audit of the City in an effort to keep the citizens better informed on City's business.

Attending were Hardberger, Earles, Clayton, Hugh Lott and Dub Middleton as well as retiring mayor, L. J. Hash, who retired to run for county commissioner.

Mr. and Mrs. Tom Vandell visited in Lubbock Sunday.

LOCAL GIRLS WIN IN 4-H CONTEST LAST WEEK

In looks, too, Ford's out-front—with styling that only the Thunderbird could inspire

Ford goes First!

In Performance

At NASCAR's Speed and Safety Event at Daytona, Ford won the Manufacturer's Trophy for best all-around performance. And Ford's 225-h.p. Thunderbird Special V-8, in one day, smashed 30 world speed records at Kingman, Arizona. No wonder Ford is the world's largest-selling eight.

In Safety

When the editors of "Motor Trend" unanimously voted Ford's safety program "the top car advance" of 1956, they had in mind Ford's Lifeguard Design... a whole family of safety features, including a deep-center steering wheel and double-grip door latches, to help protect you in case of accident.

In Economy

In this year's Mobilgas Economy Run, a Ford Customline V-8 with Fordomatic won over all cars in its class. The sturdier, heavier Ford carried more weight with greater gasoline economy per pound than any competitive car... "sixes" as well as "eights"! Ford proved itself a regular gas miser.

The way a Ford performs, the way it saves, the way it protects you, go hand-in-hand with the way it looks and lasts. Ford's look was inspired by America's most exciting car, the Thunderbird. Its rugged K-bar frame and carefully-built body give it the endurance and reliability traditional with Ford. These are the facts behind Ford's reputation as the car that's worth more when you buy it... worth more when you sell it, too! Come in and let us show you!

Elvin R. Moore

determined to bring about my defeat. I welcome their opposition, confident in the belief that the people want a man in State Senate who will represent them without fear or favor rather than be the errand boy of certain power-hungry big shots who want a rubber stamp Senator; that will represent them and their interests rather than the voters of this district.

I have never dodged or hedged on any issues. In the last session of the Legislature I fought almost alone the greedy and corrupt practices of the political machine which has sought to dominate and control our State Government for a decade. Subsequent events have proved I was correct.

The unfair effort to saddle an ad valorem tax on the high plains counties to build dams downstate had my vigorous opposition. The long filibuster which I conducted for over 28 hours contributed to the defeat of this effort.

I have never yielded to the whip-lash of any pressure group, be

they the Avalanche Journal of Lubbock, the oil, gas and insurance lobbies, or any other crowd trying to use the office of State Senator to their selfish advantage.

Among the accomplishments of my tenure of office are the re-districting of the State for legislative purposes, the first passed since the 1920 Census, and giving West Texas its share of representation. I have supported all beneficial farm legislation including underground water legislation which established ownership in the landowner and local control. The farm-to-market road program consisting of Fifteen Million Dollars a year from State funds to be matched by Federal funds has had my support. I have supported soil and water conservation legislation administered on a local level. I have supported the gasoline tax refund for farmers and oppose its repeal. During my term of office extensive school reform has had my support, including the Gilmer-Aiken Program, and I have supported more pay for public school teachers including the full \$600.00 a year pay raise. I have worked for Texas Technological College, and during my tenure the State appropriation has been roughly \$2,000,000.00 a year with a building program in excess of \$5,000,000.00. I was the author of Senate Bill 83 passed by the last Legislature creating the new 149th District Court for Lubbock County. In the tax field I have

always favored natural resource taxes and have opposed all sales taxes including the Gasoline Sales Tax raise of last session.

Based upon this record I again submit to you my candidacy and renew my pledge made to you in my campaign to render the best service which I am capable of to the fine people of this district.

Senator Corbin was reared on a farm at Lamesa. He was educated in the schools there, attended Texas Technological College and the University of Texas Law School. Prior to his election to the State Senate, he taught school and served as principal in schools at Lamesa, was licensed to practice law in 1942,

and elected County Judge at the age of 23. In the judgeship Corbin served three terms, and when elected to the Senate was the youngest member. Almost since his service in the Senate began, he has practiced law in Lubbock.

Corbin, 36 years of age, is married, and he and Mrs. Corbin have three children: Barry, age 15; Blaine, age 12; and Jane, age 11. He is a member of the Baptist Church, a 32nd degree Mason, a Shriner, Past-Master of Lamesa Masonic Lodge, a member of the Knights of Pythias, Lubbock Lions Club, the State Bar of Texas and the Lubbock County Bar Association.
