

This District Is Ineligible For Boll Worm Compensation

In accordance with a request from local ginners and cotton men, we are herewith re-publishing statements recently made by Ben F. Chapman, secretary to the Compensation Board, in a letter to J. P. Rowlin regarding the boll worm compensation.

According to this letter, this territory is not eligible and will not receive compensation for expenses incurred in fumigation and sterilization.

"House Bill No. 162 which is the act of the 41st Legislature authorizing reimbursement was passed and became effective on February 26, 1929. For that reason no reimbursement had to be made for expenses incurred before February 26, 1929.

"The records here show that this section was relieved of the fumigation and sterilization on May 25, 1929. Therefore none of the 1929-30 crop had to be fumigated.

"The 1928-29 crop was fumigated and sterilized prior to February 26, 1929, no doubt, and would not come within the limitations of the law. That applies to reimbursement under the appropriation made by Senate Bill No. 51."

Waldo McLaurin Out For Re-Election

We are this week authorized to announce that Waldo McLaurin is a candidate for re-election to his office of Commissioner from Precinct 4.

Mr. McLaurin, one of the pioneers in this county, has received the support of the people of this precinct. He has faithfully and efficiently performed the duties of this office for the past two terms, at all times seeking to serve the interests of the majority of the people.

He has cooperated in every move for economy and efficiency in county government, and promises that, if he is returned to office, this policy will be continued.

Mr. McLaurin asks that we express our appreciation of the loyal support he has received from people of his precinct, assuring them that he will so appreciate a continuance of this friendship.

First National Bank Issues Splendid Report

Lynn county, and especially this territory, has been for six years according to the most recent statement issued by the First National Bank.

At the close of business on December 31, 1933, loans and discounts amounted only \$32,996.14 as compared with \$303,49 three months ago. In other words, farmers and other individuals have paid off \$40,307.35 worth of loans.

Deposits have almost doubled during that time also. At the close of 1933, deposits amounted to \$104,884; on December 30 they totaled \$211,877, or an increase of \$104,893 during three months.

Deposits reached a considerably higher peak several weeks ago just before the holidays, but much increased purchasing on the part of individuals and firms has lowered them during the last six weeks.

At the October report, the bank had only \$3,527.14 in public funds; at the time now totals \$11,949.44, indicating that property owners are making an effort to clear up taxes, which in itself an indication of better times.

L. J. Shoemaker, Jr., is cashier and E. C. Couch, president. Directors include John A. Couch, Roy Riddell, D. Couch, L. D. Tucker and J. L. Shoemaker, Jr.

Alleged Swindlers Arrested in Ft. Worth

Sheriff B. L. Parker has recently notified of the arrest of two men who posed as representatives of the American Optical Company, and schematically swindled at least eight individuals of sums ranging from \$16 to \$100.

The men were arrested by Ft. Worth officers, but are facing similar charges in Tarrant county and will not be turned over to Lynn county officers until the outcome of the trial there.

The two men represented themselves as being from the optical company, tested eyes, advised glasses, took the money for them. When the money failed to arrive at the expected time or any other time, some of the patients took the matter up with county attorney Truett Smith.

Legion Auxiliary Elects New Officers

At a business meeting Thursday afternoon of last week, the Ladies Auxiliary of the Fern Allen Post of the American Legion elected the following officers for 1934:

President, Mrs. John Earles; vice-president, Mrs. John Stokes, secretary, Mrs. Ross Stark; chaplain, Mrs. Irvin Stark; sergeant-at-arms, Mrs. L. E. Robinson.

Mrs. Earles will appoint her committees, and their personnel will be announced later.

It was voted to sell Texas Centennial stamps, and members will conduct this sale sometime this week.

Proceeds will be used in erection of the Texas American Legion Memorial Museum, devoted also to history and national history.

Sixteen members have enrolled in the local auxiliary up to the present time, with the membership committee hoping to increase this by a large percentage. Because of the increase in membership the Auxiliary is to receive a reproduction of the painting "In Flanders Fields."

Mrs. Robinson, retiring president, read notes of thanks from the families of veterans in the hospital at Legion, acknowledging the receipt of Christmas packages sent shortly before the holidays.

At this was the first business meeting of the school board, W. E. Singleton, 20, first vice president, and other members of veterans in the hospital at Legion, acknowledging the receipt of Christmas packages sent shortly before the holidays.

Plans for the community social were discussed, and are detailed elsewhere in this issue of the Lynx.

School Receives State Per Capita Funds

Receipt of \$397 by the treasurer of the school board, W. E. Singleton, is expected this week. This was the first payment of the 1933-34 apportionment, Mr. Singleton said.

The department of education finished paying the 1932-33 apportionment last week, when \$423 was received. The decline in scholastics this year was the cause of the lowered state money.

Mr. Woods, state superintendent of education, estimates that when the schools close in June this year, in all probability \$10 of the \$16 apportionment will have been paid, with an additional \$4 by August 31. This amount, instead of the \$5 deficit accrued at the close of the last fiscal year, there will probably not be more than a \$2 deficit this year, this amount to be cleared away by November.

Mr. Woods announced that the number of scholastics for this year is 1,576,666, an increase of 8,442 over the previous year. The total amount to be paid this year is \$25,210,656.

Legion Auxiliary To Entertain Husbands

All ex-territory men and their wives are invited to be guests Thursday evening (tonight) of members of the Ladies' Auxiliary of the Fern Allen Post of the American Legion, when a "family" social is to be held at Legion hall.

This family affair is for the purpose of reviving interest in the membership campaign now under way in Lynn county, and to perfect plans for the community social to be held Thursday of next week.

Every effort is being made this week to send personal invitations to as many ex-territory men as possible, but in case someone fails to receive a card in time, this announcement is to be taken as an invitation.

A social hour will be enjoyed by the ladies, and refreshments, refreshments will be served, and a thoroughly enjoyable evening is scheduled for tonight.

Gives Cold Checks; Is Now In Jail

L. W. Brown, who recently was charged with passing a number of cold checks, was returned from Georgetown late Monday afternoon by Sheriff B. L. Parker, and is now confined in the county jail at Tahoka.

Mr. Brown made the trip from Georgetown Sunday night, returning to Tahoka Monday.

There have been so many instances of cold checking that merchants and business men have about reached the limit of their patience, and many of them have expressed the hope that some offender might be made to serve as an example of the punishment meted out to one of his kind.

STRAYED: Red horse mule, 5 years old, branded Bar-C on right shoulder. Finder notify E. A. Roberts. 21p.

Mr. and Mrs. W. E. Payne have moved this week to their newly purchased home, the B. L. Parker residence on the highway south of town.

Thawing It Out

Release Week Beginning January 15

O'Donnell Defeats Draw Wednesday Afternoon 46 to 19

On Wednesday afternoon of last week the local basketball squad went to Draw to defeat the Longhorns by a score of 46 to 19.

Big Greenlee led the O'Donnell scoring ringing up 15 points in the last half.

The local boys took the lead in the first few plays but Draw soon tied the score. At the end of the first quarter the score was tied 7-7. In the second quarter, however, the Eagles took the lead and the half ended with a score of 10-13.

In the last half Greenlee opened up with his exhibition of goal shooting, and he and his team mates scored 29 points to Draw's 6. The Eagles played the man for man defense that proved an insurmountable obstacle for their opponents.

Only two players fouled out. Line play for O'Donnell and White for Draw.

Since the holidays the Eagles have defeated Wilson by a score of 43-26, New Home 48-19 and Draw 46-19. The Eagles have been victors in eight of their nine games so far, losing decisively to the Lamesa Tornados.

Community Sale Here Saturday Afternoon

Sponsored by the merchants and business men of the town, a community sale is to be held here Saturday afternoon. The services of G. C. Grider have been secured as auctioneer.

All residents of the territory are cordially invited to come and bring any stoves, implements, or other property which needs to be sold. The sale is to be held in the open square in the central block of the business district. Come and bring the folks—not to miss of course; just bring them to see the fun.

Lynn County Nurse Assumes Her Duties

Under appointment of the Civil Works Administration, Mrs. Jeff Fleming, trained nurse, has been employed to look after the sick members of indigent families of the county. Mrs. Fleming began her duties Wednesday of last week.

This action has been taken as a result of the health survey which has been in progress during the past month, and its purpose is to not only help these families but also to improve the general health of the county. Advice as to diet and general health rules will be given.

The salary of the nurse is to be paid by the CWA.

Weems Is Recognized For Efficient Work

J. J. Weems, superintendent of the City Water Works, has recently been recognized as one of the twenty outstanding superintendents in his class, by the Southwestern Waterworks Association.

The Association is composed of members from six states, Missouri, Kansas, Oklahoma, Arkansas, Louisiana, and Texas, and the recognition of Mr. Weems' merit by this organization is one of which he and his friends may well be proud.

As a part of his duties, Mr. Weems each month collects samples from four points, the reservoir, each group of wells, and hydrant, and sends them to the State Department of Health for analysis and check. This is done as a safeguard against any infection or spread of such diseases as typhoid fever.

Don't forget the Legion social next Thursday night. Admission 25c per couple.

City Finances Show Improvement for Year

A brief resume of tasks accomplished this year by the city council shows that finances of the City of O'Donnell are in much better shape than a year ago, according to records from Miss Claire Ruth Nichols, city secretary.

At the beginning of the term, the city council, composed of C. H. Doak, C. H. Mansell, C. E. Ray, O. D. Howard and John Earles, declared that a program of stringent economy in city government was imperative, and the aldermen set themselves steadfastly to that program.

The first step in this plan was a decrease in property valuation, with a consequent reduction in city taxes. A cut of approximately 40 per cent has been in effect this year on all property within the city limits, and property owners have thus been saved in several instances, hundreds of dollars.

With this initial step of decreased revenues, the council was faced with the burden of carrying on its work along more economical lines. Only the aldermen themselves could give any idea of the systematic plan which have been worked out in every department, to reach the point where the city can be said to be operating on a cash basis.

However, the council points out that even a city treasury occasionally needs additional funds, and that 1933 taxes are NOW DUE AND MUCH NEEDED. Through the foresight and wise judgment of the aldermen, taxes are now such that property owners can afford to clear up this item, and the council urges that this be attended to immediately. If a reduction in taxes is appreciated, the best way to show this appreciation and the best way to cooperate with the aldermen is to pay taxes in the office of county commissioner promptly.

Miss Nichols is tax assessor and collector for the city, and has all her records, tax rolls, and receipt book at the First National Bank, so that payment of taxes and water rent, or any other debt due the city can be looked after promptly and efficiently.

For the first time in several months the office of county commissioner and the city council emphasizes the vital necessity of swelling the treasury. January is taxpaying month—remember to pay yours NOW.

Taxes Now Due

However, the council points out that even a city treasury occasionally needs additional funds, and that 1933 taxes are NOW DUE AND MUCH NEEDED. Through the foresight and wise judgment of the aldermen, taxes are now such that property owners can afford to clear up this item, and the council urges that this be attended to immediately. If a reduction in taxes is appreciated, the best way to show this appreciation and the best way to cooperate with the aldermen is to pay taxes in the office of county commissioner promptly.

Miss Nichols is tax assessor and collector for the city, and has all her records, tax rolls, and receipt book at the First National Bank, so that payment of taxes and water rent, or any other debt due the city can be looked after promptly and efficiently.

For the first time in several months the office of county commissioner and the city council emphasizes the vital necessity of swelling the treasury. January is taxpaying month—remember to pay yours NOW.

J. M. Payne Announces For Commissioner

J. M. Payne, a resident of Lynn county for almost 18 years and of this territory for 14, has this week authorized us to place his name in the political column as a candidate for the office of county commissioner from Precinct 4.

Mr. Payne has many friends in the county who feel that he would make a most successful commissioner. In making his announcement, Mr. Payne pledges himself, if elected, to work in every manner to save money for the taxpayers, and to assist in county government to the best interests of the people.

Mr. Payne has had more than a little experience in public office, having served for five years as trustee of this school district, and is now serving as a school trustee. He has also taught in the public schools of Texas for five years.

Though he is, as he says himself, opposing a mighty good man, Mr. Payne hopes for the support and influence of the voters of the precinct in the Democratic primary.

Wells Resumes Place As Yard Manager

E. T. Wells, manager of the local Higginbotham-Bartlett company and 1932, has accepted the position again and resumed his duties this week. Mr. Wells had been manager of the yard for more than sixteen years.

For the past year he has been acting as manager of West Texas Dairy Products Company at Lamesa, and his resignation of that position was accepted reluctantly by the board of directors. Mr. Wells has been a most efficient and faithful manager there, and his departure will be keenly felt.

Replacing him as manager, Mr. Paul Rothelmer goes to Lamesa from Dalhart. Mr. Rothelmer is very well known in O'Donnell through visits to his sister, Mrs. J. L. Shoemaker, Jr., and his many friends here join in congratulating him in his new home.

Visiting Preacher Here For Services Sunday

We are requested to announce that Rev. N. L. Range of McCaney will conduct both morning and evening services at the First Baptist church Sunday, and that everyone is cordially invited to come and hear him.

Sunday School will meet at the usual hour, and Mr. Hobdy, superintendent, urges that all members of each class be present.

Community Social Is Planned For Next Thursday Night

Under the auspices of the Fern Allen Post of the American Legion and the Ladies' Auxiliary, every man, woman and child in O'Donnell or the territory is invited to a community social at the American Legion hall on Thursday evening of next week, January 25.

There has been several months since one of these socials and the Legionnaires have had numerous requests to arrange another. In accordance with former custom, admission fee for the evening will be 25 cents per couple. There will be provision made for bridge, forty-two, dominos, and other games, with orchestra music all ready arranged.

The ladies will have charge of the refreshments at this game, and the Legionnaires will be business managers. Mmes. John Stokes, Ferrell Farrington and Irvin Stark compose the refreshment committee, with Mmes. Jack Earles and Guy Bradley, in charge of the games. The men have not arranged their committees, but they, like the Mounted, always get their men, so the crowd will be there for the card games and will know the reason why.

Remember the date and make your plans now to attend the community social Thursday night of next week.

B. L. Parker Candidate For Third Term

B. L. Parker, veteran West Texas peace officer and sheriff of Lynn county, for the past three years, has this week authorized the Lynx to announce that he is a candidate for re-election to his office.

In making his announcement, Mr. Parker stated that he realized that the past three years, has been the most successful in his terms for public officials, that he asks for a favorable response to his campaign in this instance. He believes that the work of the sheriff's office has been carried on more efficiently and with less expense by one who has had experience in the duties of the office, and whose life work is the detection and apprehension of criminals.

O'Donnell has wholeheartedly supported Sheriff Parker in both former campaigns, and he asks for a continuance of this much appreciated backing. His announcement follows:

To the voters of Lynn County: For the past three years I have done everything within my ability to enforce the laws of your county fairly and impartially to every citizen, to believe that I am considerably more about how to catch the criminal and prevent crime in your county after the past three years of work and study. I have been a law enforcement officer for the past twelve years. This is my life work just as yours may be farming, merchant, doctor or day laborer. I never intend to do anything but to follow the law. I believe that I like my work and would like to keep my job for another term. If my work has been satisfactory to you, if you feel that I have been honest and faithful in your sheriff's office, I shall greatly appreciate your vote and influence in the coming primary.

Ed Payne Asks For Second Term

It is with much pleasure that the Lynx this week places the name of W. E. (Ed) Payne in the political column as a candidate for re-election to the office of public weigher for precinct 4.

Mr. Payne has lived in and near O'Donnell for a number of years, and numbers his friends by his acquaintances. During the term of his office he has spared no time, effort, or expense to serve the public in the best possible manner, and it is on a record of faithful performance of duty that he bases his plea for re-election.

Mr. Payne especially asks that we express his appreciation of the patronage and support of the public during his term, and assures the residents of the precinct that he will, if returned to office, continue in these efforts. Mr. Payne has incurred considerable expense in installing new platform scales at most of his offices to perform his duties. This fall he did, in about two months time, the work usually accomplished over a period of six months, and has consequently been free on the job, ready and eager to go.

Mr. Payne and his family will appreciate the vote and influence of residents of this precinct.

See you at the American Legion social next Thursday night. Admission 25 cents per couple.

Mr. and Mrs. J. W. Payne of Spangenberg were here Saturday on business and visiting the children.

**Lost 20 Lbs. Of Fat
In Just Four Weeks**

Mrs. Mae West, of St. Louis, Mo.,
writes: "I'm only 28 yrs. old and
weighed 170 pounds until taking one
box of your Kruschen Salts just four
week ago. I now weigh 150 pounds. I
also have more energy and further-
more I've never had a hungry mo-
ment."
Fat folks should take one half tea-
spoonful of Kruschen Salts in a glass
of hot water every morning before
breakfast—an 85 cent bottle lasts 4
weeks—you can get Kruschen at any
drug store in America. If not joyfully
satisfied after the first bottle—money
back.

STOP GETTING UP NIGHTS!
THIS 25c TEST FREE IF IT FAILS

Use this bladder laxative. Drive out

Few city dwellers know the getaway and speed of the jack-rabbit—but it parallels the performance of Conoco Bronze very accurately.

Instant starting, lightning pick-up are assured by a special blending of three types of gasoline. That is not all—so is long mileage, smooth performance at all speeds, great power and high anti-knock—features that will make this winning gasoline of 1933, the leader in 1934... No, there is not a premium price to pay.

Get a free Tony Sarg book of eighteen advertisements. Get a Conoco station or dealer, will give you a postpaid, dressed postcard. You will receive this large book of energetic advertising illustrations by

578,434 Steps to Nowhere!

Authorities estimate that the average housewife, in preparing three meals a day, takes 578,434 unnecessary steps every year. Just think of it!... over half a million steps that lead to nowhere. Is it any wonder that some women are always "worn out" at the end of the day?... that, try as they will, they are never able to find time for the things they'd like to do?

The biggest step you can take to save steps is to install a Modern Gas Range in your kitchen. You'll be literally amazed at the difference it will make... in steps... in time... in actual money savings. If you're the least bit inclined to doubt, call on your gas appliance dealer today, and see the new 1934 Gas Ranges. You'll need no further proof.

West Texas Gas Co.
 SELL GAS WITH RESPONSIBLE SERVICE

M. Wilson made a business trip to Lubbock Monday.

The six year old son of Mr. and Mrs. Grogan was quite ill the first of the week, suffering from flu which threatened to develop into pneumonia.

Mr. and Mrs. C. L. Davis left Monday for an extended vacation trip in South Texas. They expect to be away several weeks.

"EAGLES" SCREAMS

The Junior Class reports three new members since mid-term. They are Opal Talley, Margaret Vermillion, and Manning Collier.

The Junior class play, "Out Of The Ark" was presented at the high school auditorium on February 9th.

Grammar School
Seventh Grade: We are happy to have the nine new pupils who were promoted from the sixth grade. They are Dick Thompson, Irvin Simmons, Ivan Line, LaVerne Lawler, Orbin Houchin, Mary Jane Goddard, Bill Mack Clayton, Clifford Barnett and Louisa Bean.

We are putting up our picture of "Old Ironsides" which was given to us by Charles Cahoy McLaurin.

Since mid-term grammar school enrollment totals 266 pupils.

Sixth Grade: We welcome our new pupils from the fifth grade. They are Buck Preston, Betty Lynn Middleton and Martel Phillips.

Fifth Grade: We have elected our class officers for 1934. They are as follows: President, Betty Guy Simpson; vice-president, Yvonne Westmoreland; secretary Betty Lou Pierce; fire chief, Henry Tony; sergeant-at-arms, W. E. Lewis; reporter, Doris Nell Gates; board monitor, Junior McLaurin.

Fourth Grade: We have 44 pupils in our room this term. Emma Jo Hinkle is our reporter and our health captain. June Gibson is our librarian.

We have three new pupils, James Vaughn, Billy Joe Burnett and Junior Yarbrough.
First Grade: We are enjoying the beginning of a new term very much, and have lots of new plans for the rest of the year. Those making 100 on each day's written work get to ride on the train. Each child has his picture to put in the train when he makes 100. Frank Stokes is the engineer. Passengers so far are Zora Faye Harris, Betty Ruth McKee, Billie Jane Johnson, Glenna Fay Mires, Donald Cargal, Valerie Buchanan, and Doris Payne.

District Court Convenes February 12 At Tahoka

106th District Court will convene in Lynn county on February 12 at Tahoka, with a reasonably full docket to come before Judge Gordon R. McGuire. Members of the grand jury will be chosen this week.

County court will convene January 29, and we understand that there are a number of cases to be tried in this court.

ON TEXAS FARMS

By W. H. Darrow

Extension Service Editor

A little lesson in heredity was pointed out the other day by George Kemp Ballinger dairyman in conversation with the county agent. He exhibited half sister heifers. One with her second calf sired by the herd bull was giving 40 pounds of milk daily; the other by the same mother but sired by a scrub that broke in was barely giving enough milk for her calf.

The best turkey Miss Lila Young has been able to get in New York City this season was Texas canned turkey sent her by her mother in Jackson county. It was put up on shares with Mrs. A. E. Wilson of the Friendship Home Demonstration Club.

Reports received by the county agent in Kaufman county from 71 of the 116 boys enrolled in 4-H club work last year show that a total of \$332.10 was made by these boys as return on labor and investment in a variety of better farming demonstrations.

From a garden 100x50 feet, Nellie Maude Bennett, garden demonstrator in the Sandia Girls' 4-H Club in Jim Wells county, produced 2252 pounds of vegetables valued at \$54.35. The garden cost \$8.50 in cash.

Giving an account of the factors that led to his success as the champion cotton raiser in Washington county last year, Melvin Loesch, 4-H club boy said: "Good seed, proper preparation of the land and proper tillage is the main thing. If you do that much God Almighty will help you do the rest, but He won't do it all for you, you have to do your part."

A total of 2432 Dallas county farm women, not members of home demonstration clubs, were given help last year in living at home, making clothing and beautifying their homes through the efforts of the Dallas County Home Demonstration Council.

EXAMINATIONS FOR SOCIAL ECONOMIST

The United States Civil Service Commission will accept applications until February 2 for positions of Associate Social Economist and Assistant Social Economist to fill vacancies in the Children's Bureau, Department of Labor.

The entrance salary for Associate Social Economist is \$3,200 a year, and for Assistant Social Economist \$2,600 a year, less a deduction of not to exceed 15 per cent as a measure of economy and a retirement deduction of 3.1-2 per cent.

All States except Delaware, Iowa, Maryland, Vermont, Virginia, West Virginia, and the District of Columbia have received less than their share of appointments in the proportioned

partmental service at Washington. Full information may be obtained from the Secretary of the United States Civil Service Board of Examiners at the Post Office in any city which has a post office of the first or second class, or from the United States Civil Service Commission, Washington, D. C.

Mrs. H. E. Womack and daughter, Miss Merle, accompanied by Miss Ruby Saylor, were in Lamesa Sunday afternoon.

Mr. and Mrs. S. M. Mitchell of Lamesa were here a short time Sunday afternoon. Mr. Mitchell is county clerk of Dawson county.

B. L. Davis was in Lubbock on business Tuesday afternoon. See you at the Legion social next Thursday night.
