Cemetery Dinner Is Thursday Week

Big Dinner Planned

According to Mrs. Oscar Veach of the O'Donnell Cemetery Association, final plans are being made this week for the annual cemetery dinner to be held at the school cafeteria Thursday of next week, Nov. 28th.

Serving of the delicious home-cooked dinner will begin at 11 a. m. and continue until 1:30 p. m. Turkey and ALL the trimmings will be served. This annual dinner is one of the year's biggest events in Big O and an occasion of home-coming for many former residents of this area. The food is really "out of this world" and you get all you can possibly eat.

Business firms of the town will be closed all day Thursday of next week. The Christmas lights will go on the mad and merry pre-Christmas shopping season. You will send your uncle the "what-not" you got from Dad and thank heaven you can get rid of it. Unk will send it back to you next Christmas.

Back to Thanksgiving — cards were mailed this week to friends interested in the upkeep of the local cemetery for the next year requesting contributions to the fund.

Crop 60 Percent Over

With an estimated 16,000 bales of cotton in the bag at local gins, the harvest is from 60 to 65 percent complete. This estimate is confirmed by area gins as well. Although the "dew" of Sunday amounting to 1-10ths inches slowed work Monday, the harvest is again in full swing. Grain is moving rapidly to the elevators and the total should be about 700 cars. Although the grain and cotton harvest won't set a record due to weather, the harvest is far above any since 1949.

Week end business continues good with stores open until eleven Saturday nite. The harvest is expected to continue well into the new year.

The Golden Age Club will meet Thursday at 3 p. m. in Fellowship hall of Methodist church. All members are cordially invited to attend.

LODGE OFFICIAL VISITS HERE

Also attending Grand Chapter were Mr and Mrs. Glen Allen and Mrs. Ada Webb.

The Deputy Grand Matron, Dolly Hair, gave a very enjoyable talk to the Chapter.

SCOUT LEADERS MEET

The neighborhood meeting of the Girl Scout Council was held Thursday morning at home of Mrs. S M Clayton, Jr. Mrs. Avalon Maddox and Miss Mary Bells of the Council from Lubbock attended. Among other discussions were plans for a leader's training session on the next neighborhood meeting day which will be in January.

Mrs. Naomi Edwards was elected the new Neighborhood Chairman following the previous resignation of Mrs. Virginia Waldrip. A committee of three was named to nominate another voting delegate and alternate from the O'Donnell area. Ten ladies were present.

Eagles Drop Ropes 42-7

The O'Donnell Eagles clawed the Ropesville Eagles here last Friday nite 42 to 7 in the last game of the season. The home team batted 500 this year dropping 5 games and winning that number.

Jerald Barton returned the open ing kickoff for 85 yards and the first O'Donnell score. O'Donnell's defense held after their kickoff to Ropes and any scoring attempt was cut short as Larry James, tackle for O'Donnell trapped Ropesville H. B. Lowrin in the end zone for a safety.

O'Donnell scored three times with three conversions in the 2nd quarter. Neal Shaw, tailback, took two of the tallies capping drives of 40 and 60 yards with scoring punches of 12 and 6 yards and running both extra points. McKibben ran the other TD on a five yard effort over guard to climax a 50 yard drive. Shaw ran the extra point around left end. O'Donnell took two more tallies in the last ground. End Ken White took a pass from Barton for 50 combined yards and a TD. Tom Gardenhire, HB, ran the conversion. Then Barton, on a QB keeper, ran over 15 yards and the final tally.

About 800 persons saw the game in rather cool weather. O'Donnell won 2 and lost 3 conference games. The record does not indicate, however, that the locals had one of the best teams in recent years. Most of games lost were by small margins. The season featured two upset wins for Big O — namely Tahoka and Frenship. During the season big Larry James developed into one of the best players on team and he has two more years of play. Another sophomore Eagle, Tommy Gardenhire developed into one of the best players of district.

BROWNIES MEET

The Brownies met last week. Officers are — Katie Garrett, president, Jimmy Gay Gardenhire and secretary, Cleta Faye Massey. Reporter is Jolene Bolch. The group studied about the Flag, its proper use and respect. Games were direct ed by Marcie Hromas. Refreshments were served to ten members and the leaders, Mrs. Massey and Mrs. J W Gardenhire.

Friday nite the local fire department answered two calls — one was the Woolam gin and the other to Paymaster gin. The Woolam fire was minor but the Paymaster gin suffered damage to the gin stands which have been repaired. Saturday afternoon the fireboys answered a call north of the North Y where a transport had several burning bales. The fire was quickly controlled.

Harmful To Teeth

Riddling school lobbies and cafeterias of soft drink and candy vending machines would be one of the most important contributions school officials could make toward better dental health for children.

While the full relationship between diet and dental caries has not yet been firmly nailed down, researchers are in agreement on this: sugar-including that in candy and soft drinks—is a distinct factor in the process of decay.

Practically all pastries and confections contain quantities of sugar. A candy bar may have five to 20 teaspoonsful; a piece of cake has 15; a bottle of pop three to five.

We Americans consume 10 times as much sugar per person as our great-grandfathers did 100 years ago. We use three times as much as we need for energy requirements.

Not only does sugar intake provide food for acid-producing bacteria, but it also spoils the youngster's appetite at mealtime.

Saliva furnishes a buffering action against ordinary amounts of sugar taken into the mouth at mealtime. But if a person nibbles on candy or cookies several times daily between meals, saliva cannot cope with acid buildup.

Union Thanksgiving Service Planned Here

Plans are being made to observe a special community Thanksgiving Service Wednesday nite, Nov. 27th. The people of all of the churches will join in this union service to be at the First Baptist Church and Rev. Howard Marcom pastor of the First Methodist Church will deliver the message. Other ministers will take part in the service. There will be a choir composed of singers from all churches and led by Billy Mack Wells.

The plan is to rotate the meeting each year as well as the main speaker.

Small grain varieties developed and released by plant breeders of the Texas Agricultural Experiment Station during recent years have enabled Texas farmers to increase both grain and forage production from small grain crops. Extension Agronomist R. J. Hodges reports that 75 percent of the State's wheat acreage last year was planted to high improved varieties as Comanche, Wichita, Wester, Concho and Hannah.

The annual Dairywomen's Short Course, sponsored by the Department of Dairy Science, will be held December 5-6. All meetings are scheduled for Texas A&M's Memorial Student Center.
