Dec. 10th Christmas Tree Lighting

Christmas Program To Be Thursday Nite

The first annual lighting of the Community Christmas tree will be Thursday nite, Dec. 10th at 7:30. The program to be presented is under the direction of the 1946 Study Club. The tree is located on 10's just south of City Bakery and across street west of post office.

The Club, assisted by their husbands, will present a Nativity scene and a chorus of over 100 voices will give the musical background as well as other numbers. The program is being joined by members of all faiths and the full cooperation of the school. It will not be longer than about 40 minutes. The local fire department will be in charge of traffic and there will be chairs available for those wishing to be seated.

The first community tree for our town was generously donated by the City of O'Donnell. Lights and other decorations were either loaned or donated for the tree. The Texas Electric Service kindly installed the tree and street lights.

For purpose of effect and surprise, the planning committee wishes the program in its production to be kept on "Q. T." until the performance.

Be here Thursday nite with all the family for a fine Christmas experience.

Mary Ann Farrington, daughter of Dr. and Mrs. F. Farrington, celebrated her 7th birthday Friday, Dec. 4th with a party. Twenty four of her friends helped her eat cake, ice cream and soda pop.

Mistletoe Outlived Sinister Meaning

Mistletoe, once used as a weapon of death, is now almost a universal symbol of love and peace.

According to Norse mythology, there was a god named Balder, who personified the sun. Loki, another god, plotted to destroy Balder. Balder's mother, when she first learned of Loki's intentions to kill her son, obtained a promise from all living things that they would not harm Balder. All agreed, but the mistletoe, so it was with a mistletoe arrow that Loki induced Balder's blind brother, Hoder, to kill the sun god.

Higher powers intervened however, and Balder was restored to life. The mistletoe was placed under Frigg's care, and it was never again used to do harm.

The custom of giving a kiss of love or peace beneath the mistletoe is an assurance that it will never again be used as an instrument of evil.

The word "carol" is supposed to be derived from the Italian word "caroli", meaning "a song of devotion."

FFA Has Incubator

The FFA recently put up two FFA signs at the north and south "Y's". The signs were supplied by the State Association of Future Farmers of America. The local chapter has a 400 egg incubator. The machine hatched 300 chicks last week. The club will do custom hatching for two cents an egg.

Since the Republicans lost the elections, the public has been treated to a new dish... "warmed over spy". Like warmed over crow, warmed over hash, or warmed over several servings. Why doesn't the Fed nab the spies, hang the traitors to nearest tree and cut the headlines, which few of us read anymore. The Demos are no angels and have done the same thing in years gone by.
Using a strict definition by Mr. Webster, our four walls have undergone a revolution since plugging in a T. V. set.
The fair and square deal we made our mate was to put a set under the tree (ed. note: these trees are cut more sap than these West have more sap than these West). The poor soul, sensing a victory immediately, kindled a fire for the set immediately.
After two days of tuna fish salad, lettuce salad, apple and orange salad, we became so weak from hunger that we gave in. ALL flungering in our home won by the little woman are via the stove. We'd resort to murder to get corn bread, baked spuds with lavish amount of butter and fat juicy T-bones.
Here's a day by say score for the first days of the Smith revolution:
1st day: program cut on at 2 p. m. and we missed 1-2 day at the Temple being rooted in the chair until 11:30 that nite. The next day our lovely blue eyes were like sunny side up eggs. Had a can of vienna sausage for supper between "John's 4th Wife" and "Mary Had A Lamb"
2nd day: went home early from the salt mines, was glued to the same uncomfortable chair for 8 SHORT hours, finally falling asleep watching a flicker which was old 15 years ago when we saw it at Cline Box. Had crackers and cheese for supper... taking a heaping big spoon of city water before retiring.
3rd day: Put the devil of temptation behind and went home at 6 bells. Ellie said this was the best nite of week for shows with the superthriller "I Married Three Wives"... so she couldn't even think of cooking supper. Had an apple and "Jungle Joe" for supper.
(P. S. got so jittery over Texas rasslin' (new spelling) that we didn't fall asleep until 1 a. m.)
And so it goes... much like in your home. In the first 10 days we lost 15 pounds... and had to buy a new batch of rompers.
The living room is like a movie palace and only missing is the popcorn. We pulled the kitchen table to door of living room and watch T. V. 'tween hasty gulps of canned soup, canned beef, canned fish, etc. Wore out two can openers in first week.
The two heirs of Smith fortune are fit to be tied after repeated "Hush, shut-up, quiet" and other trade remarks. Book learning is out the window... and it all began that sunny November day we got the \$300 box.
T. V. is with us to stay... we either keep the wife and the con-founded electronic box... or no wife and no T. V. ... and all these 13 years we figured love ran deep. Oh, well...
Fool! aside, television is really nifty. We would not willingly be without a set... even though we are studying electrical engineering to run it. To us there seems no conflict between it and movies... if the movie is well written, well produced, etc. The two fields of entertainment are complimentary. But, for our money, "B" movies are out.
Programming, technique, and production in T. V. industry is today about where movies were 25 years ago. However, even with the imperfections and the "birdie on the wire", T. V. is the cat's eyebrows... after the end of our 6 "easy" payments.
School Menu
Monday: hamburger, pickles, English peas, potato salad, ice cream.
Tuesday: pork chops, sliced tomatoes, blackeye peas, candied yams, banana pudding.
Wednesday: weiners with kraut, pinto beans, beets, rolls, butter and jelly.
Thursday: bacon, vegetable salad, green beans, creamed potatoes, corn bread, pear half.
Friday: meat loaf, lettuce wedge, navy beans, corn, peanut butter cookies.
Mrs. Koeninger Hosts Club
The 1939 Study Club met Dec. 2nd with Mrs. A. H. Koeninger as hostess. Mrs. J. P. Bowlin was in charge of the program assisted by Mrs. J. L. Shoemaker, jr. The program was "Music - The Universal Language". Mrs. Bowlin read an instructive paper on "American Music As Related To American History" and Mrs. Shoemaker read an interesting paper on "American Folk Music." After a business and social hour the hostess served pineapple chiffon pie and coffee. The next meeting will be Dec. 16th and will be the Christmas party with Mrs. Koeninger as hostess.

Reduced foreign exports contribute directly to many of the present day farm program problems. Agricultural exports from the U. S. have dropped from 4 billion dollars in 1951-52 to less than 3 billion dollars for 1952-53. A drop of 30 percent.

Ford Tudor—America's lowest-priced V-8 Sedans

Check the other V-8's and you'll discover Ford's Tudor sedans and business coupes are the lowest-priced of all! Like all this year's Fords, they bring you the smoothest going ever. They give you a ride that's a wonder on any kind of road.

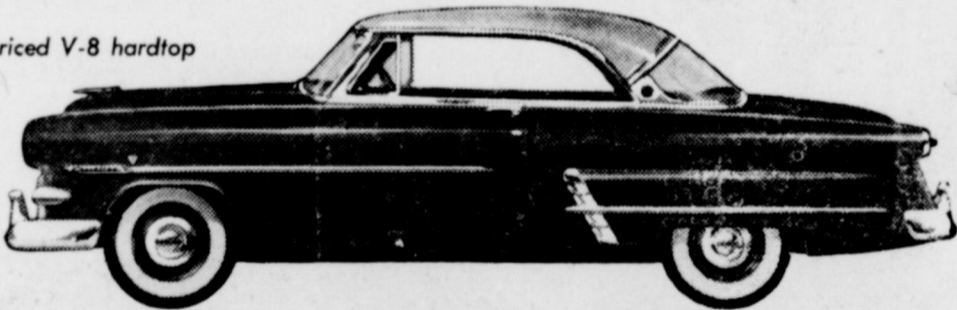

Here are America's lowest-priced V-8's...

and they're all worth more when you buy them, worth more when you sell them!

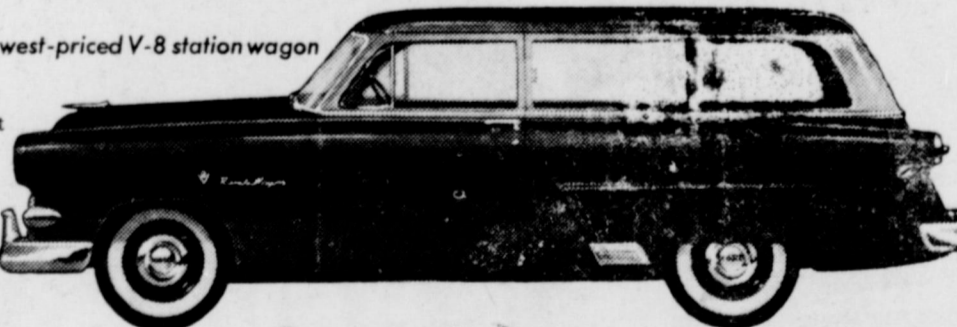

Ford Victoria—America's lowest-priced V-8 hardtop

Meet America's "Best Dressed" Car, the Ford Victoria. Its Crestmark body is brilliant. And under its baked enamel finish is the only V-8 in the low-price field. Trained with Ford's Automatic Power Pilot, it gives you 110-h.p. high-compression GO on "regular."

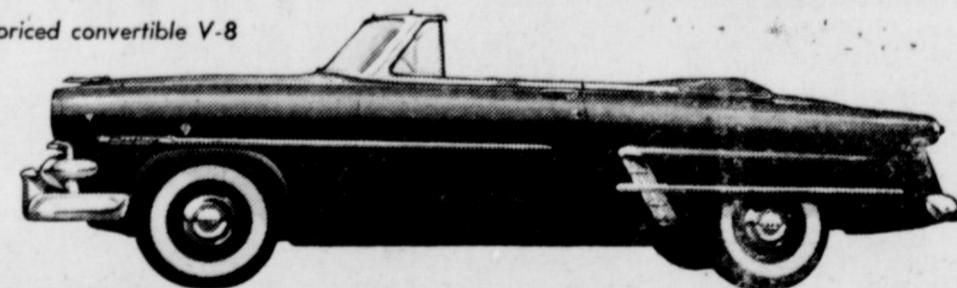

Ford Ranch Wagon—America's lowest-priced V-8 station wagon

The 2-door Ranch Wagon is also available with Ford's Six. It's six passengers big, yet converts to a cargo hauler in seconds... with 65½ feet to the end of the tailgate. Ford also offers the 4-door all-metal Country Sedan and the wood-trimmed Country Squire. Both are V-8 powered.

Ford Sunliner—America's lowest-priced convertible V-8

More people drive Ford convertibles than any other make. Its V-8 engine is the same type of engine as in America's costliest cars. You can have it with Fordomatic, Overdrive or Conventional Drive. Also you can have Ford Master-Guide power steering.

Ford Master-Guide, Fordomatic and Overdrive optional at extra cost.

Ford is the only V-8 in the low-price field.
