Mrs. E. J. Smith was hostess to the Thursday Bridge Club last week. Mrs. Clyde Winaus won high score, Mrs. Jimmy Forbes won second high and bingo went to Mrs. Paul Mansell. Mrs. W. E. Singleton will be hostess at the next meeting.

### CUB SCOUTS MEET

The O'Donnell Cub Scouts, pack 89, met at the school cafeteria for their monthly pack meeting last Tuesday. Songs, games and skits were enjoyed by the cubs and their parents. Any boy between ages of 8 and 11 interested in scouting, may contact the Scout Master Mrs. W. E. Singleton.

### SUPPER TO HONOR EAGLES

The Men's Brotherhood of the local Methodist Church will honor the 1956 Eagle Football team with a supper Oct. 22nd. Don Davidson of Levelland will be the speaker, according to Naymon Everett. The two coaches are also guests.

### JACK POT UP TO \$142

In the Drawing Saturday afternoon at 3:30, James Lemons said that the name of Pete Gonzales was drawn but he was not present. This Saturday the pot will be \$142 and drawing at bank corner. A 50 percent ticket would be worth \$71. Not bad, these GOP days!!

### School Menu

Monday: lunch meat, green beans, buttered potatoes, bread, milk, pineapple salad.  
Tuesday: ham, celery stick, English peas, candied yams, bread, milk, peach pie.  
Wednesday: roast beef, Spanish rice, vegetable salad, rolls, butter, milk, bread, prune preserves.  
Thursday: meat balls, pinto beans, fresh vegetables, corn bread, butter, milk, bread, ice cream.  
Friday: salmon loaf, tomato wedge, black eye peas, buttered corn, bread, milk, jello with fruit.

### Look Who's New

Congratulations to Mr and Mrs Shorty Farmer of Gail on arrival Oct. 7th of a fine boy weighing 8 lbs 6 oz. and named Frank James.  
Congratulations to Mr. and Mrs. Otho (Bud) McClendon of Kermit on arrival of a fine son last week. Grandparents are Mr. and Mrs. O. L. McClendon of here.

Congratulations to Mr and Mrs Blanton McLaurin of Roll, Ariz. on arrival of a fine 8 lb 4 oz. son born Sept. 29th named Bruce Blanton. Grandparents are Mr and Mrs. Joe McLaurin of Ruidoso and R. G. ### 1939 STUDY CLUB OPENS SEASON

The 1939 Study Club opened their 1956-57 year with a brunch in the home of Mrs. D. E. Sumrow with Mrs. Roy D. Smith as co-hostess.

The table was laid with an imported cloth of white center with an arrangement of pink roses. Mrs. Smith presided at the silver service. The program was opened with the Club Collect. Mrs. Ben Moore, sr., president of the club, brought the greetings and outlined the plans for the year. Mrs. J. L. Shoemaker presented the Year Books and discussed the programs for the year. 17 members were present.

### Egg Producers To Meet Thursday Nite

A meeting of the O'Donnell Egg Producers Association will be held in the Vocational Ag. Building at O'Donnell High School Thursday Night October 11th. The meeting is for all those in the egg business and interested in going into the egg business under a 100 percent finance plan.

### 6500 Bales Are Ginned

A roundup of the five local gins at 5 p. m. Monday showed 6528 bales being ginned of this year's crop. Up to the same time last week 4195 bales had been ginned or a net increase for the week of 2333 bales. The crop is now estimated as of Monday as being 60 percent complete. The beautiful weather and a gradual increasing number of hands combine to speed the crop harvesting. Most of the early feed is harvested and late feed will not be gathered in much quantity until after frost. The average date of killing frost is Nov. 4th. Production of grain is some better than expected as is the cotton production. Area gins at Wells and New Moore are having a good run but gins in the east trade area are hit by the drought more so than to the west.

Doc Forte has returned from a visit with friends in Amarillo, Arkansas and Oklahoma.

### Speaks At Rotary

David Hester, Lubbock's Good Will traveler to Sweden, spoke Tuesday to the Rotary Club.

Mrs. John Johnson and Mrs. Myrtle Thompson visited the Guy Thompsons over the week end.

Mrs. Naymon Everett and Mrs. W. T. Burk visited in Plainview Saturday and Mrs. Burk remained for a longer visit.

### DINNER OPENS STUDY COURSE

Mrs. Marvin Fisher entertained the Wesleyan Service Guild and both circles of the WSCS with a dinner Thursday evening of last week which marked the beginning of a study on South East Asia. Mrs. Fisher will direct the study for the next several weeks.

A most clever and picturesque background telling of the nature and customs of Southeast Asia was arranged. Heavy foliage and flowers intermingled with soft glowing rays from many different colored lights perfectly attuned for the evening. Each guest wore a costume representing a country in Southeast Asia. Guests were registered by Mrs. Naymon Everett and Mrs. Weldon Skinner served tomato juice cocktails to each upon arrival.

Mrs. Mack Noble gave a welcome and short message from United Nations to the group. She also discussed and directed games of recreation typical of the customs of the islands. Mrs. Warren D. Smith presented an interesting map study after which Mrs. Fisher showed a film pertaining to the study.

Mrs. Paul Gooch brought the evening meditation. About 25 ladies attended.

### 1957 Chevrolets Carry Individual Beauty

Distinctive styling and trim treatments for each of the three series of 1957 Chevrolet passenger cars are emphasized dramatically in this two-level photo of the "Two-Ten" sport sedan, at top, and the Bel Air convertible. Bodies plus wide range in color choices total 460 for the line.

## Eagles To Play At Coahoma

### Eagles Topple Stanton

Friday nite the Eagles trip to Coahoma for their final non-conference game. Coahoma usually fields a neat ball club and the Eagles will have to play heads up ball to bag this one but they can.

Friday week district play opens here with Sundown (a tough game) as the visitors. Last Friday nite a smooth Eagle team easily won over their guests from Stanton 25 to 6. Led by Q. B. Mack Forbes and H. B. Ben Richbourg the Eagles nabbed two T. D.'s in first quarter, one in second quarter and led it down with a 4th quarter tally. The Eagles were never in trouble. Maurice Jackson and John Billingsley, guards, looked good on the defense which was unusually good. Richbourg had one 70 yd. T. D. run called back. Thursday the 7th and 8th grade teams lost both of their games to visiting Ed Robertson Plains boys.

### CAR CRASH NEAR HERE

Sunday afternoon at 6:15 5 miles south of here a pickup driven by Ben Richbourg, 17, and a car driven by Clem Virden, 55, a Negro of Lubbock collided. Injured was J W Putman, 18, of O. K. Community, a passenger in Ben's pickup. Putman suffered a fractured pelvis, cuts and bruises. Ben received a gash on his leg and will be out of the Coahoma game.

### GIRL SCOUT DRIVE IS SET FOR NEXT MONDAY

A knock at your door on October 15th may be your invitation to contribute to the Girl Scout Council for the South Plains. Interested adults have banded together to promote the cause of Girl Scouting on the South Plains. We are proud that O'Donnell was one of the original 9 towns in this section to express its willingness to back the new council. E. J. Smith, local drive chairman, said that he was proud of the response of advanced gift donors. To date \$150 has been raised and he is confident that the drive Oct. 15th will put O'Donnell over the top.

### 33RD ANNIVERSARY

#### O. E. S. Meets

The O'Donnell Chapter, No. 725 Order of the Eastern Star met Monday nite in a stated meeting with Myrl Huffhines, Worthy Matron and W. J. Shook, Worthy Patron presiding.

A program honoring Charter Members, Past Matrons and Past Patrons was presented on the 33rd Anniversary Night. The Charter Members were introduced and presented with miniature gavils. Those present were Mrs. Buiah Orson, Mrs. Ben Moore, sr., and Mr and Mrs. J. W. Gates. Also Past Matrons and Past Patrons were introduced and presented with miniature gavils. The officers, lit candles which surrounded a beautifully decorated anniversary cake and sang "Happy Birthday" to the Chapter.

After close of the chapter, the officers, members and visitors from Brownfield were invited into the dining room and were served the anniversary cake and coffee by the hostesses, Mrs. Fleta Allen and Mrs. Ethel Carroll.

### FHA WINS \$150 PRIZE

At 8 p. m. the Texas Electric Service Co. presented a check of \$150 to the local FHA chapter for winning the best farm electric project in this district of about 800. The FHA chapter, R. L. Beale of Big Spring presented the check. Also here was LeRoy Olsak of Lamesa. J. m O'Brien of Lamesa took pictures of the event.

### WOMEN AGE 62 AND OVER MAY CAN DRAW S. S.

Of importance to all women is the recent change in the law which permits those who have reached 62 years of age or older and would otherwise be eligible to receive social security benefits, to begin doing so as early as November of this year.

This new law also affects women whose husbands are drawing social security benefits, dependent mothers and widows of insured persons, and women who have established their own social security earnings account by having worked in employment covered by the Social Security Act or operated their own businesses.

Benefits may be paid to these younger women beginning in November. However, they may make application for those benefits as late as November of 1957 and still not lose any payments as they can be retroactive for as much as 12 months.

A representative of the Lubbock Social Security Office will be in O'Donnell Oct. 17 at 3 p. m. at the post office and will be glad to help in all matters pertaining to Social Security.

### Mrs. Edwards Hosts Club

The 1946 Study Club met Sept. 26th with Mrs. Clyde Edwards as hostess and Mrs. Darus Sumrow as co-hostess. The interesting program was on interior decorating presented by a Mr. Fritzgerald of Dunlap in Lubbock. Cherry tarts and coffee were served from a silver service on a lace covered table. Bronze mums completed the table decorations. 35 guests and members enjoyed the event.

Mrs. Warren Smith attended the conference executive meeting of the Methodist Women's Society at nails Saturday.

### MRS. GIBBS HOSTS 1939 STUDY CLUB

The 1939 Study Club met in the home of Mrs. A. W. Gibbs Wednesday, October 3rd for a program on Federation. Mrs. J. L. Schooler gave an interesting talk on The Ethics For a Club Woman. Mrs. Nettie Richards spoke on Advantages Of Federation.

Tuna fish salad, cake and coffee were served to 17 members.

Mrs. Ruth Jolly and daughter were Sunday visitors in O'Donnell.

Mr and Mrs. Mitchell Williams and son visited friends here Sunday.

Mr and Mrs. G. H. Parks of Dallas visited her sister and family. Mr. and Mrs. Albert Koeninger and Mr. and Mrs. Halford Smith.

W. L. Randall of Grapevine visited Mr. and Mrs. Glenn Allen and Mr. and Mrs. A. H. Koeninger Sunday.

### IT'S A BOY !!!

Congratulations to Mr. and Mrs. Elbin R. Moore on arrival in Big O Saturday of a fine adopted son born Sept. 25th weighing 6 lbs 5 oz. and named Charles Elvin. Grandparents are Mrs. Ben Moore, sr. of here and Mr. and Mrs. H. E. Wood of Tahoka.

### 3 PERCENT DISCOUNT ON COUNTY TAXES

All 1956 State and County taxes and poll taxes are now due and payable at County Tax Office, according to Tax Collector J. E. Red Brown of Lynn County. If paid in October, 3 percent discount will be allowed on State and County taxes. O'Donnell City and School taxes are now due but no discount is allowed.

### EDWARDS WINS AT FAIR

Mr. and Mrs. Wendell Edwards last Thursday carried away the Grand Champion place in sheep of all breeds with their Southdown buck. They also won Grand Champion with a ewe in the West of The Pecos Fair at Pecos.

A WAY TO GET A FREE COLLEGE EDUCATION

Senator Lyndon B. Johnson has announced that Civil Service exams for Texas boys seeking appointment in 1957 to the Army, Navy and Air Force service schools will be held November 20 at 71 cities and towns thruout the state. Senator Johnson uses the results of these exams as a guide in making his appointments to the academies. Entrance requirements vary, but all three academies require that appointees be United States citizens. In the case of applicants to be considered by Senator Johnson, they must be residents of Texas. They must be between the ages of 17 and 21 years upon entry, must be single and must pass a rigid medical exam and a physical aptitude test. Candidates for the Air Force Academy must be able to pass the medical exam for flying training and a pilot aptitude test.

Boys interested in taking the competitive exam on Nov. 20th are advised to write Senator Johnson, Sesate Office Bldg., Washington, D. C. not later than Oct. 15th.

NO HELP IN BEING FEARFUL OF CANCER, SAYS DOCTOR

Fear of cancer cannot help its victim, and unreasonable fear should be replaced by intelligent action concerning this disease, is the opinion of Dr. Holle, Commissioner of Health.

The doctor said that cancer can usually be cured in its earlier stages, before it spreads to other areas of the body. This has been demonstrated by the fact that many persons have been treated successfully by surgery, radium, or x-ray and are now living, many years after a definite diagnosis of early cancer was made. Many people postpone diagnosis when they suspect cancer either because they dread to hear the truth or because they believe that a cure is impossible.

In the treatment of cancer, time is the most important factor, according to Dr. Holle. To produce satisfactory results, treatment must begin early in the course of the disease while the cancer is confined to a small area.

Persons suspecting cancer should consult their doctor as soon as they notice any unexplainable lump, unusual discharge, a persistent sore on any part of the body or any change in the appearance of a mole or wart. It is disastrous to wait for pain as this is a late symptom that usually doesn't occur until the malignant growth has made much advance.

Since most Texas livestock, due to prolonged drouth, are being fed, the job of controlling lice and ticks can be effectively and economically carried out. Herds generally are confined to smaller areas and thus are readily accessible for spraying or dipping. Parasite free livestock will better utilize the feed they receive and will go into the winter season in stronger condition.

Egg prices during the first six months of 1956 averaged 11 percent above the same period for last year while feed prices declined by 7 percent. It now appears that prices during the latter half of 1956 will be lower than for the same period a year ago. There are two good reasons—the nation's laying flock will be larger and the trend toward a higher rate of lay will continue.

THE PRICE OF VICTORY

"... If any man would come after me, let him deny himself, take up his cross, and follow me." (MK. 8:34). There is always a price for victory. Our goal in life is to live in such a way as to please our God, thus having a hope of Eternal Life. This is the sacrifice of one's life, that is, giving our life to God's service. Jesus gave his life that we might have salvation. We do not have to give as much as he gave, but we must do what we are able of doing, as he commanded. We so often have the attitude "How little can I do and get by?" or "How far can I go and still be a Christian?" This attitude will not characterize one who follows Jesus. (John 14:15). We should want to know, "How much can I do for the Lord?"

We must enlist in his service, "Whosoever will come after me and then there is a great sacrifice to be made. "Let him deny himself." In denying ourselves, we must say as did John the Baptist, "He must increase, but I must decrease." John 3:30; and as Paul exhorted Timothy: (2 Timothy 2:3). Jesus said, "Whosoever will save his life shall lose it; and whosoever shall lose his life for my sake and the Gospel's shall save it." (MK. 8:35).

The Christian life is not an easy life. It is a life of sacrifice and joy. There is a hope and a reward for every Christian.

### Accountant Can Get Goods on Credit Easier Than Others

URBANA - CHAMPAIGN, Ill.—When you want to buy goods on credit, you will find it a lot easier if you are an accountant or auditor than if you happen to be a laborer or farm hand, regardless of your income. Your occupation doesn't determine your credit rating, but it helps.

"The more specific factors which aid in determining reliability of risk are occupation, the amount and regularity of income, age, reserve assets of various kinds, character, and reputation," says Robert S. Hancock of the University of Illinois marketing faculty.

He recently studied occupations in relation to credit in cooperation with the Associated Credit Bureaus of America. He reports findings in "Current Economic Comment," quarterly journal of the University's Bureau of Economic and Business Research.

Business executives, accountants, and auditors got the best ratings from credit bureaus and department store credit managers. Next were independent and chain store retail managers, and a group including physicians, surgeons, and dentists. Public officials—federal, state, and local—ranked 19th in a list of 42 occupations. Transient and seasonal workers got the lowest rating.

A similar study made in 1941 at Illinois by marketing professor P. D. Converse gave army and navy officers next to the top rating, and ranked the medical men 12th and 14th as credit risks. In Hancock's study the officers dropped to 8th place, while doctors and dentists upped their rating.

### Spiderweb Business Proves Profitable In California Town

YUCAIPA, Calif.—Such precision devices as sunsights, astronomical instruments and survey instruments require crossed hairs. Mrs. Nan Songer supplies spider webs with which the "hairs" are made.

Her business goes back to her childhood when, because of her frail health, her parents encouraged her to be out-of-doors as much as possible. She became interested in insect life—first moths and butterflies, then crickets, and finally spiders.

By 1939, when 37, she had been experimenting with extracting the silken web from spiders for several years. The government was inquiring whether the web would be produced commercially.

Human hairs had been utilized for years in sunsights, bombsights and periscopes, but were susceptible to extreme temperatures. They contracted and broke in the sub-zero cold of the stratosphere—and sagged in high temperatures. An extremely fine, sturdy and elastic strand was needed—and the spider web was the answer.

Using fine needles, Mrs. Songer draws the silk from one of the spider's spinnerets and reels it on a metal frame for shipment.

### Ding Dong Daddy Is Charged by Wife No. 16 With Bigamy

LOS ANGELES—Wife No. 16 of the Ding Dong Daddy of the "D" Line, Francis H. Van Wie, 66, has charged her husband with bigamy. Mrs. Martha Moyle Van Wie signed a complaint that she married the former San Francisco motorman unaware of his 15 previous marriages.

The complaint accuses the roly-poly motorman of marrying Martha in Yuma in 1951, then eloping two months ago with wife No. 17, Mrs. Amelia Pritchard Van Wie, 73.

Mrs. Martha Van Wie agreed to testify as a witness if the district attorney issued a bigamy complaint. She made her promise a few hours before a warrant was signed against Van Wie.

She told Walter Sullivan, district attorney's investigator, that she met Van Wie early in 1951 at a social gathering here and he proposed marriage, hinting that he was wealthy and would take her off the old age pension rolls. Mrs. Van Wie said they separated after two weeks, were reconciled for a few weeks longer and finally separated four months after their marriage.

Mrs. Van Wie filed suit for divorce in Long Beach and a few days later learned of Van Wie's marital record as the "Ding Dong Daddy of the D Line" in San Francisco back in 1945.

### Gravediggers Profit From Will of Corpse

NAPLES—The will of the deceased man made the gravediggers very happy. Of course, they realized that digging his grave would be a more arduous task than their job usually required. The dead man weighed 270 pounds.

### Commuter Snags Train But Can't Hold It

EUREKA, Calif.—Loafers around the railroad station here tell this for the truth. Seems the station agent heard a loud crash on the platform. He ran out and saw the rear end of a train disappearing around a curve. A disheveled gent lay prone on the ground, surrounded by the contents of his banged-up suitcases.

An owlish youngster stared at the gent, but made no effort to assist him. "Was he trying to catch the train?" the station agent asked the youngster.

"He did catch it," replied the youngster. "but it got away."

### A WAY TO GET A FREE COLLEGE EDUCATION

Senator Lyndon B. Johnson has announced that Civil Service exams for Texas boys seeking appointment in 1957 to the Army, Navy and Air Force service schools will be held November 20 at 71 cities and towns throughout the state. Senator Johnson uses the results of these exams as a guide in making his appointments to the academies. Entrance requirements vary, but all three academies require that appointees be United States citizens. In the case of applicants to be considered by Senator

Johnson, they must be residents of Texas. They must be between the ages of 17 and 21 years upon entry. They must be single and must pass a rigid medical exam and a physical aptitude test. Candidates for the Air Force Academy must be able to pass the medical exam for flying training and a pilot aptitude test.

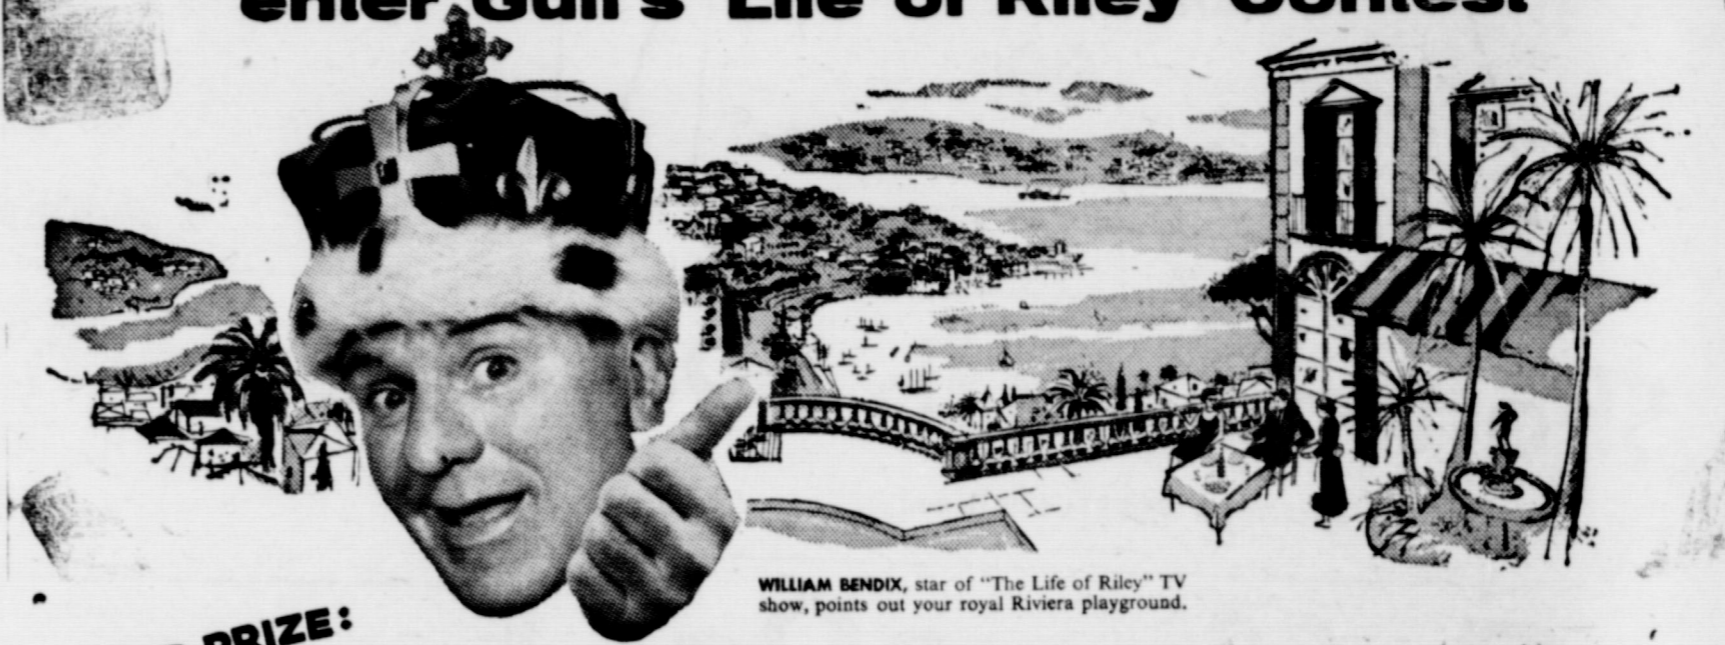

Boys interested in taking the competitive exam on Nov. 20th are advised to write Senator Johnson, Senate Office Bldg., Washington, D. C. not later than Oct. 15th.

Since most Texas livestock, due to prolonged drought, are being fed, the job of controlling lice and ticks can be effectively and economically carried out. Herds generally are confined to smaller areas and thus are readily accessible for spraying or dipping. Parasite free livestock will better utilize the feed they receive and will go into the winter season in stronger condition.

Egg prices during the first six months of 1956 averaged 11 percent above the same period for last year, while feed prices declined by 7 percent. It now appears that prices during the latter half of 1956 will be lower than for the same period a year ago. There are two good reasons—the nation's laying flock will be larger and the trend toward a higher rate of lay will continue.

If soil samples are to be submitted to the Soils Lab for testing now is the time to get them in as business is slack and service is fast.

# Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket at straight and always expected to—you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidlands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep up OUT of war.

That's why I still like Ike—better than ever!

Yours truly,  
Tex

# Here Today!

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides without a bobble, the curves without the pitch... and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

# A new kind of FORD with the mark of tomorrow

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."

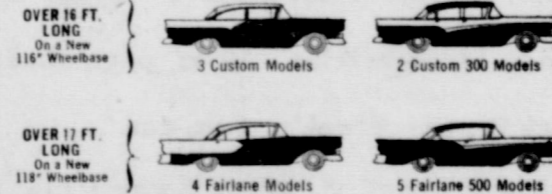

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Fords library-like quiet is built in. And the new "Inner Ford" is why. For never before in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

### IN TWO NEW SUPER SIZES

### PLUS 5 NEW MODELS IN THE STATION WAGON SERIES

The Fairlane Fords for '57, like the Fairlane 500 models, have no equal... no counterpart, in the low-price field.

LYNN COUNTY BUDGET IS SET

Lynn County's tax rate and budget for 1957 have been set up at virtually the same as for last year according to County Judge W. M. Mathis.

Altho Lynn County voted \$200,000 in bonds last year to buy right of way for the new four lane US 87 paying across the county, a raise in the tax rate or valuations was NOT necessary. This was made possible by transfer of 20 cents from the Series 1946 bond rate to the rate for retiring the 1956 bonds.

Broken down the \$1.55 county tax rate is as follows —

Jury fund 5c, road and bridge, 20c, permanent improvements, 15c road and bridge refunding, 1948, 5c, road and bridge series 1946, 55c (was 75c) and road and bridge series 1956, 20c. The budget, as proposed, is virtually the same as the budget for 1955 and 1956 except expenditures from the 1956 bond issue for damage to property along U S 87.

Based on 90 percent collection, county taxes are expected to bring in \$135,720. Added to this will be an estimated \$75,000 from car registrations, \$54,000 from fees of office and \$32,000 in lateral road monies.

The useful life of irrigation equipment can be extended thru proper maintenance. As soon as the season is over, it is time to check and store, for the winter season, the equipment.

The nation's turkey producers are raising 16 percent more turkeys this year than last. In Texas, production is up 47 percent. The favorable prices the last half of 1955 and during the 1956 hatching season and lower feed costs were primarily responsible for the increase. The price outlook, compared to last fall, is not too good.

According to research studies made at the Spur Experiment Station over a 14 year period, growing weaned beef calves during the fall and winter has provided a practical and economical means of utilizing and marketing small grain pasturage, native grass, stalk fields, sorghum silage and bundle feed and affords farmers of the Rolling Plains area an opportunity to increase farm income.

Joe Daniel of the Sparks community of Bell county whipped the heat problem in his poultry laying house by installing a sprinkler system. The cooling system has eliminated hen losses during periods of excessive heat and has kept egg production up.
