V. A. Quiz

Q—My husband, a World War 11
veteran died recently of complica-
tions from injuries received in ser-
vice, and I wish to make application
for death compensation payments.
Will my present income have any
bearing on my eligibility?
A—No. So long as you are other-
wise eligible, you will receive death
compensation payments regardless
of your income. It is death pension
payments, based on deaths not due
to service, where income limitations
apply.

Q—I have listed my mother as ben-
eficiary of my GI insurance policy,
and have designated that she re-
ceive the proceeds in a lump sum.
Could she have the right to change
to some other method of payment
if she desired?
A—Yes. She may change the meth-
od of GI insurance payments from
lump sum to any of several install-
ment plans available.

Q—Is a peacetime veteran who is
blind in both eyes eligible for spe-
cial aid from VA, even though his
business is not service-connected?
A—Yes. If the peacetime veteran
is entitled to compensation for any
service-connected disability, though
not necessarily for his blindness,
he may receive special aid such as
approved electronic and mechanical
equipment, as well as a seeing eye
or guide dog.

Q—Now that it is legally possible
to convert my Korean GI term in-
surance to a permanent plan, I in-
tend to do so. But what about some
of the other advantages of perman-
ent plan GI insurance? Will I be
able to borrow on it?
A—Yes, provided your policy is in
full force, under the law. The policy
also will have other advantages of
permanent plan insurance, such as
a paid up and a cash surrender val-
ue, and, of course, a stable premium
rate.

FARM STORE IN O'DONNELL at North "Y"

These specific common sense features are the big reasons why Ford is the best seller:

1. Six passengers, not just four, ride in comfort. Yes, even the man in the middle. Because Ford's full-depth seats are extra thick all the way across—there's no hard spot in the center as in some cars.
2. The doors are wider for easier entry. Compared with Ford's major competitor, they open wider . . . and have two-stage front door checks.
3. Ford's styling is sensible. It's clean and simple like the Thunderbird. No useless wings that are easy to dent.
4. Ford's frame is safer. In its field, only Ford has a wide-base frame that seats all passengers within the protection of its husky side rails.
5. Ford's spacious luggage compartment is easier to load and unload. High rear trunk wall on Ford's nearest competitor makes loading difficult.
6. Ford's got the most sound and weather insulation—everywhere. No other low-priced car compares.
7. Ford is economical. You save up to a dollar a tankful with Ford's standard Six or Thunderbird V-8 engines—for they thrive on regular gas. You need change oil only after each 4000 miles. The muffler is aluminized to last twice as long as ever. And Ford's new Diamond Lustre Finish never—ever—needs waxing.

IN TEXAS

What's behind the big switch to FORD?

And here's good news for the economy-minded . . .

With all these exclusives, and with the usual optional equipment, Ford prices are as much as \$100 lower* than the nearest major competitor.
