sister Mr. and Mrs. Roy D. Smith
last week.

Best Game To Date

The Friendship Tigers ruined
the O'Donnell Homecoming last
Friday nite as they downed the
Eagles 19 to 7 for the Tigers 8th
straight victory.

Frenship opened the game with
H. B. Donnie Durham romp up the
middle for 50 yards and the opening
score, F. B. Dick Baker plowed
across for the extra point.

The visitors stopped the Eagles
dead and went down the field on
another march with Baker scoring
from 5 yards out. O'Donnell came
fighting back in the second canto
with H. B. Ben Richbough hitting
for 8 yards and the T. D. Jerald
Barton kept the ball on a quarter
back sneak for the extra point.

Both teams fought on even terms
throughout the remainder of the second
half until Frenship put on another
scoring drive with only minutes
left as Baker again hit pay dirt
from the five.

Looking good for the visitors
on the defense were guard Neal
Perry and tackle Roger Huffaker.

Also looking good for the Eagles
were Melvin Proctor and Levi Mod-
esto.

Ruthnell Jackson was crowned
homecoming queen before a large
homecoming crowd.

Election Voting Heavy Here

EISENHOWER RE-ELECTED

Lynn County went for the Demo-
cratic Party as expected by 1800 to
861 and incomplete returns show
Stevenson leading in 19th Cong.
District. Lynn, Dawson and Borden
Counties went for all the amend-
ments. Unexpectedly Mr. Eisenhower
was re-elected by a complete land-
slide. A big upset was Texas and
Louisiana going GOP.

HOW BIG O VOTED

O'Donnell results (483 votes) -
Stevenson 354, Ike 114. (75 per
cent) - Governor: Daniel 394, O'
Daniel 35, GOP Bryant 30 - Sam
Singleton 61 to White's 415. The
Teachers Amendment led 415 to
61.

Marvin Pierce is home after an
appendectomy last Wednesday at
Lamesa General Hospital.

Firemen Tuesday near noon an-
swered a fire call to a chicken
house of a Latin-American living
just south of the Co-op gin.

LAMESA BUSINESSMAN DIES

Funeral services were held at
First Christian Church of Lamesa
at 3 p. m. last Wednesday for Lee
Billingsley, 68, respected busi-
nessman of that city for many years.
A half brother, Johnny Billingsley of
here is among the survivors.

Visiting Mr. and Mrs. Dick Simp-
son over the week end and attending
homecoming were their children:
Clarence Simpson and children of
Amarillo, Mr. and Mrs. Arthur
Romines and children of Slaton, Mr.
and Mrs. Jack Walker and girls of
Slaton and Mr. and Mrs. J. W. Tuck-
er and children of Odessa.

Near 14,000 Bales Ginned

A roundup of the local gins Tues-
day showed 13,875 bales of cotton
being ginned to date as compared
to 10,373 bales being ginned to
October 23rd. The crops are turn-
ing out much better than expected
in early September. A revised es-
timate of the total should be near
15,000 bales.

The first killing frost was ob-
served here Monday Nov. 5th and
machine harvesting of cotton is ex-
pected to be in high gear within
the week. The average killing
frost is Nov. 4th.

Business was reported as continu-
ing good as of last week end but
many hands are moving on.

Eagles Near End Of Season With Game At Seagraves

Good Game Expected

Friday nite a revitalized, fighting
Eagle team will tangle with Sea-
graves there in what promises to
be a real chiller, thriller. Coaches
Palmer and Agnew boys played a
very fine brand of ball last Friday
nite with Frenship and if they play
as good a brand of ball this week
end, the dope-bucket could easily
be upset. Seagraves will enter the
game as a favorite.

The next Friday, Nov. 16th the
Eagles go to Ropes for the conclud-
ing game of the season.

Jr. Hi. Football Boys Look Good This Year

The O'Donnell Junior High foot-
ball boys are showing great im-
provement as the season advances.
To date the 7th grade has won one
and lost two while the 8th grade
has dropped all three. Thursday the
Junior Eagles play at Plains.

Boys on the two teams include -
Sammy Anderson, Martin Howell
Dennis Jordan, Jimmy Tucker,
Gary Bowles, Jim Collier, Larry
Stokes, Sammy Rogers, Tom Mc
Kibben, Bobby Burton, Jim Garrett
Joe Gary, Glenn Norris, Marvin Al
len, Mack Isaacs, Don Gass, David
Skinner, Douglas Pierce, Micky
Pearce, Charles Cathey, Buster
Snellgrove, Billy Bob Arnold, Sal-
ome Ktos, Finis Rogers, John Crut-
cher, Ernest Stewart, Billy Russ,
Ossian Smith and Jim Crouch.

Looking good for 7th graders is
Jim Collier and for 8th is Buster
Snellgrove who has shown much
talent as q. b. and picking plays -
nearly as good as the varsity.

Seed of White Granex, a first
generation hybrid onion, should be
available this fall in limited quan-
ties from commercial seed stores.
It is similar to Granex in appear-
ance and shape except it is white.
It is intermediate in resistance to
pink rot, is a good yielder and
stores well.

Final date for farmers to enter
Int'l Conservation Reserve con-
tracts under the Soil Bank for this
year, 1956, has been extended
from October 15th to Nov. 30, the
U. S. Department of Agriculture
said this week.

Mrs. Cleon Eason, was wed to
Miss Dolores Hoffman of Lamesa.
The couple left Tuesday nite for
Beeville where Mr. Eason will be
stationed in the Navy.

Mr. and Mrs. Wilbur Line attended
the Texas Tech homecoming.

Mr. and Mrs. Boyce Allen and
family of Odessa visited their par-
ents over the week end and attend-
ed home coming.

Dr. and Mrs. Carl Page and
family attended homecoming and
visited home folks over the week
end. He is a physician at Dimmitt.

Mrs. W. T. Huff of Florence,
Colo. is in the Methodist hospital
at Lubbock, room 611 for obser-
vation. She is the mother of Mrs.
Chas. Cathey of here and formerly
lived here until about 12 years ago.
Her husband is at her bedside.

As parents of school children
know, pictures of school children
arrived Thursday hitting the Ed.
for a fin note.

BREAKS LEG

Ted Franklin, one of the star
Eagle players, suffered a broken
leg just above the knee in practice
last Wednesday afternoon.

Mr. and Mrs. B. H. Scott of
Houston were guests in the Warren
Smith home over the week end.
Mrs. Scott was homemaking teacher
here and was sponsor of the
1931 class which was honor class
at homecoming. Mr. Scott was coach
here at the time.

JACKPOT AT \$260

manager of the project.

LOCAL MEN HEAD DAWSON FARM BUREAU

Ralph Gary was elected president
of the Dawson County Farm Bureau
at the monthly meeting of the
Board of Directors held last week
in Lamesa. He succeeds Fred T.
Haney. Bill Snellgrove was named
first vice president and will head
the membership committee. Purvis
Vandivere was named second vice
president and legislative chairman.
The state convention will be in
Houston Nov. 10th and a bus will
be chartered. During the October
drive for members the group re-
ported a total of 926 members on
the rolls.

New 'Leash' on Life!

THE FATE OF 50,000 PETS, ranging from puppies to porcupines,
rests each year in the hands of the Illinois Citizens Animal Wel-
fare League, Chicago. At its privately-supported shelter, kindness
to animals is practiced 24 hours a day, every day.

DOGS ARE MOST POPULAR
"QUESTS." But after holidays,
shelter takes in scores of
chicks, ducklings, rabbits who
outgrow accommodations.

GOAL OF LEAGUE is to find
homes for deserted or unwant-
ed pets. Abandonment is one
of cruelest things that can hap-
pen to domesticated animals.

NEWEST AID TO HUMANE WORK is "Animal Ambulance" unit,
on duty from 8:00 a.m. until midnight. Specially designed cages
in International-Metro truck handle animals as large as goats
and ponies. Vehicle picks up only animals in distress.

RIGHT OR WRONG

In the "Religion Today" column of the Nashville Tennessean on July 25, 1953, George W. Cornell gave the results of a religious poll conducted by the Catholic Digest, as follows: "Today's average American believes in God, considers religion 'very important' attends church at least twice a month, and thinks he'll go to heaven when he dies. . . . Ninety nine percent believe there is a God; one percent are atheists. . . . Seventy two percent believe there is a heaven where the good are eternally rewarded. . . . Fifty eight percent think there is a hell where the bad are everlastingly punished. . . . Only twelve percent see any possibility whatever of their going to hell.

It is interesting to note that eighty-eight percent of the people polled see no possibility of their being eternally lost. At first these are rather encouraging statistics, for they are evidence that a large portion of the people desire to go to heaven, as well as an evidence that they expect to go there. However, when one remembers the statement of the Lord, it is rather discouraging, for Jesus said, "For narrow is the gate and straitened the way, that leadeth unto life, and few are they that find it." (Matt. 7:14) In the words of the old Negro spiritual, "Everybody talking 'bout heaven ain't going there." It is quite obvious that man too generously appraises his own life and that he is often tragically wrong in his expectation of spending eternity in heaven. One is reminded of the apostle Paul's statement, "Let him that thinketh he standeth take heed lest he fall." (I Cor. 10:12) Since it is so easy to be wrong, each of us urgently needs to be concerned about whether his own religious beliefs are right or wrong. — B. B. Baxter.

Who says dream cars never come true?

Dynamite from Detroit

Coming! America's first production dream car—
it will influence the shape of cars for years to come.

The old Detroit rule was to introduce new features gradually, to make little changes each year. Sometimes a new grille, an engine improvement, or new colors and trim.

We broke that rule. In fact, we broke all the rules. *This is dynamite!*

For you are not the only one who has dreamed of a totally modern car, a car that has everything you find at automobile shows, in illustrations, and in custom-built experimental cars.

Detroit has had that dream, too. And that's why the 1957 Mercury is the car that has honestly excited the most car-jaded, the most sophisticated of Detroit's automotive experts.

When you see the new 1957 Mercury, you'll see America's first full-production dream car—a car that

will influence the shape of cars for years to come.

You'll see a dream car you can own and drive—a car that has far more than startling years-ahead beauty.

THE BIG M for '57 boasts dream-car features never before found outside a designer's dreambook: a Keyboard Control that makes ordinary push-button driving old-fashioned; an exclusive Floating Ride with a revolutionary new cushioning action you have to feel to believe. There are Mercury "firsts" everywhere you look. A Power-Booster Engine Fan in the Montclair series that saves horsepower other cars waste. And many more Mercury exclusives.

You'll see THE BIG M—the new Mercury for 1957—soon. You'll see it. You'll drive it. The first dream car that can be yours. The dynamite is on its way from Detroit to your dealer's—now!

During 1956 more than 900 Texas communities have done something about existing conditions by organizing to solve some of their problems. 187 communities were enrolled in the Neighborhood Progress program and that group interest and action achieved amazing results in communities which were on the verge of dying out.

Pecan growers are advised not to become unduly alarmed about the present market outlook for pecans. Prices later are expected to follow the trend of past years and if this happens, prices should pick up. Growers should harvest their pecans as early as possible.

Fertilizers are a lot better today than in years past but more improved fertilizer materials can be expected in the future.

There isn't a deer, duck, turkey dove or quail in Texas worth the price of a permanent injury or death to a hunter. There is little excuse for hunting accidents if the basic rules of safety are observed. See that fellow hunters respect and obey the same safety rules you follow.

Fire hazards should be spotted and removed, give the electrical system and the heating and cooking equipment a special check for all are prime contributors to building fires.

Grass judging contests for 4-H and FFA members and in some instances for adults, are credited by A. H. Walker, extension range specialist, with spreading useful range management information. They have resulted in a new found appreciation for range plants and range management practices have been changed in order to utilize the new knowledge.

State Agricultural Conservation and Stabilization offices in Arizona, Colorado, Kansas, Nebraska, Nevada, New Mexico, Oklahoma, Texas and Utah have been designated as contact points for teams of livestock buyers from Mexico. The first teams from Mexico will start buying in Texas. The program was made possible thru an Export-Import bank loan to Mexico for buying U. S. Cattle.
