MATTRESS MAKING CENTER OPENED AT DRAW

The Draw Mattress Center opened Tuesday, according to Miss Maurine McNatt, county home demonstration agent. Another work center will open at New Lynn today. Miss McNatt says that the women of the county are entering into this project with great enthusiasm, which is very gratifying to her and to the H. D. Club women of the county, who are sponsoring the movement. The women who make the mattresses, with the aid of their friends, will receive them, Miss McNatt states. Further information about this program will be given as the work progresses.

"POLITICS" HITS RESULTS OF O'DONNELL'S HIGHWAY WEST

County commissioner Waldo McLaurin of O'Donnell states that the survey for the proposed highway from that city to Seagraves has been completed by the state Highway Department.

A slap in a political way was taken in connection with the O'Donnell-Seagraves highway at Judge P. W. Goad this last week in one section of the county, and an effort undertaken to nullify the work already done by the commissioners court and the state department. The town of Wilson is also interested in a road proposal, and one prominent citizen of that town declared that "we want a judge that will build our road and not a road for O'Donnell."

Such last-minute "politics" was aimed at Goad, and if successful, might cause the O'Donnell-Seagraves highway to become a "football" and thereby be kicked around and stalled indefinitely. Goad, aroused over the Wilson action, bluntly told the Wilson voters Monday in a political rally, that as long as he was county judge he intended to work unhampered and work for the county as a whole, and that the O'Donnell road, already designated by the state as a highway would be given fair consideration as any other part of the county. No partiality would be shown one way or any section. He has also given like effort in every-way for Wilson.

Interested Wilson voters believe they can elect a commissioner favorable to the Wilson road and another judge and secure their road with the possible shelving of the O'Donnell-Seagraves highway.

The state has authorized designation of the route if and when built of a road from O'Donnell west to the chemical plant, thence southwest to Pride, west of Welch, Loop, Seagraves, and Denver City. Though the first step has been completed in securing a paved state highway, Mr. McLaurin is none too optimistic for its early paving, which would have to be done by the state and federal government or by a bond issue. However, the fact that the Commissioners Court has been able to secure a survey lends encouragement for the future of the road project.

REVIVAL STARTS SUNDAY AT MESQUITE

A ten day revival meeting will begin at the Mesquite Church of Christ on Sunday, July 28, according to an announcement by the members of the church.

Rev. Hoyt Genry of Dallas will be in charge of the preaching, and everyone is invited to attend.

Mrs. Marshall Whitsett accompanied her sister, Mrs. C. A. Eiland and daughter of Lamesa to Dallas and Mabank for a short trip last weekend.

CONDUCT REVIVAL

Last minute appeals for votes are now being made by candidates for public office before the primary Saturday.

A rousing political rally was held here Tuesday night, with most of the district, county and precinct candidates present. A large crowd listened attentively to all the speakers.

A huge election board is to be organized here on Saturday night and all county, district and state results will be posted just as swiftly as possible, according to E. M. Hayes. People of this city and surrounding territory are invited to come here to secure the election results.

Radio will be pressed into service also.

"Vote early" are the words sent here by C. H. Cain, county chairman. Poll taxes and exemptions issued in the county last winter total 3,444, according to Assessor-Collector Abra M. Cade. Exemptions are issued only to young persons who became 21 years of age on or after the first day of January, 1939, and before the first day of January, 1940. Exemptions are not issued to persons becoming 21 years of age since January 1, 1940, nor to persons who were not required to pay a poll tax for last year on account of being over 60 years of age.

Mr. Cade estimates that voters not requiring exemptions certificates amount to about ten per cent of the total number of persons holding poll tax receipts and exemptions. On this basis there should be about 340 or 350 such voters in the county, running the total number of potential voters up to near 3,800.

Poll taxes and exemption receipts issued in the various election precincts of the county are as follows:

1. South Tahoka	440
2. Wilson	249
3. Three Lakes	48
4. New Home	317
5. Draw Mattress	239
6. North Tahoka	616
7. O'Donnell	637
8. Grassland	143
9. Gordon	88
10. Magnolia	75
11. West Point	44
12. Newmore	83
13. Dixie	113
14. Moran	137
15. Lakeview	113
Total	3,444

Mr. and Mrs. Harvie Jordan went to Houston Tuesday. Paul Morris accompanied them there.

Mr. and Mrs. Grant Winston and Judy were visiting in Brownfield Sunday.

Mrs. J. E. Garland visited in the home of Postmaster and Mrs. J. Mack Noble the past fore part of the week.

Mr. and Mrs. E. T. Wells made a business trip to Ft. Worth last weekend.

JOE BAILEY CASE TO HIGH COURT

Seven patrons of the Joe Bailey school filed an appeal last Thursday in the Court of Civil Appeals from a decision rendered here recently by District Judge Louis B. Reid which, in effect, gave approval to the Joe Bailey-O'Donnell school district consolidation.

An election for consolidation had been declared to have carried by a small majority, but a number of Joe Bailey patrons contested the election on grounds that several votes cast were by ineligible voters and that there were certain other irregularities.

Those petitioning the Court of Civil Appeals for an opinion included Lonnie Williams, J. D. Kyle, L. G. Warren, L. S. Lightner, W. E. Brewer, Woodson Brewer, and Ed Vickers. Signing the bond for court costs were A. R. Hensley and J. A. Williams.

BAPTISTS TO BEGIN REVIVAL HERE SUNDAY

Revival services will begin at the First Baptist church here Sunday and will continue through August 11, according to Rev. J. L. Lunsford, pastor.

The Rev. Lawrence Trott, pastor of the Rotan church will have charge of the services, while Mr. J. West of Altus, Okla. will direct the singing.

Services will be held outdoors, between the church building and parsonage at night and comfortable seats arranged.

An appeal to all the church's members to make their plans now to attend the services was also made by Rev. Lunsford.

Morning services will beat 10:00 P. M. There will be groups meeting in prayer thirty minutes before each evening service.

COMMITTEE ATTENDS SCHOOL OF INSTRUCTION IN AMARILLO

B. J. Emanuel, Salah L. Williams and R. J. Maeker, county committee members of Lynn county, accompanied by Wynon J. Welch, county supervisor, and Argen Hix, home supervisor of the Farm Security Administration, were in Amarillo Monday and Tuesday of this week to attend a school of instruction in regard to purchasing farms under the Bankhead-Jones Farm Tenant Act.

Applications are now being received in the County office in the courthouse. All tenants, sharecroppers, and farm laborers interested in making applications are urged to file them as soon as possible and not later than August 15th. Loans are made for a period of forty years at three per cent interest to purchase family size farms. Families selected by the committee are required to make farm and home plans and keep a record book of their income and expenses.

NEW LYNN H. D. CLUB

"Obedience is more than what is generally implied when casually used in relation to children", stated Mrs. Newman Bartley at the club meeting with Mrs. Doyle Terry, Tuesday, July 16.

Whether children are obedient or disobedient is to a great extent dependent on the standards and requirements of the environment and

the attitude of those in authority. Adults must beware of the danger of checking normal responses to fundamental impulses in order to gain obedience to some unimportant demand of their own. If the child finds that obedience to these impulses is associated with pleasure and satisfaction he will continue to obey them.

Members present were: Mmes. Dick Bailey, Bill Rowland, Roy Kelley, P. K. Fleming, Newman Bartley, Doyle Terry, Susie Bartley, R. W. Barton, and John Meeks.

The next meeting will be with Mrs. John Meeks, August 6, at 2:30 P. M. Visitors are welcome.—Reporter.

Army Air Cadets Are In Demand

An opportunity to earn \$75.00 per month while learning to be an aviator with all expenses paid by the United States Government is now available to young men of the Nation.

Unmarried men between the ages of 20 and 27 years are eligible to receive this training. They must be citizens of the United States and must have two years college work or pass a written examination in lieu thereof.

They also must be of excellent character, sound physique, and excellent health.

Graduates of the Flying Cadet course will receive commissions as Reserve Officers in the United States Army Air Corps. They will serve to the extent permitted by Congressional appropriations as Officers of the Regular Army Air Corps, and will receive Regular Army Officers' pay during this service.

During the period of training with tactical units of the Air Corps, the Air Corps Reserve Officer has the opportunity to observe all various phases of aviation and, in addition to build up his flying experience toward the objective of every Air Corps Reserve Officer a total of 1,200 hours flying time.

This accomplished, he will be eligible as to total flying time to secure a rating from the Civil Aeronautics Authority as an Airline transport pilot.

At present Airline pilots receive an average of \$600 per month and co-pilots from \$190 to \$350 per month.

In addition to intensive flying training the Air Corps Reserve Officers during his tour of extended active duty, receives instructions in

Air Corps Navigation, Engineering, Radio, and Armament.

This special training helps to qualify the Air Corps Reserve Officer for administrative and executive positions in the industry.

Aviation leaders agree that the best foundation for the majority of positions in the field of aeronautics is through pilot training. Eligible young men interested in

the opportunities offered to Flying Cadets should apply in person at the U. S. Army Recruiting Station, Room 217 Post Office Building in Lubbock or at the Army Recruiting Stations in Amarillo, Plainview, Childress, Pampa, Sweetwater, or Big Spring, for physical examinations and application blanks.

These stations also have openings in other branches of the Army for

young men not eligible to be Cadets or who are more interested in another branch of the Service.

During the time that I have served you as County Judge of Lynn County the current expenses of the county have been reduced approximately three thousand dollars per year and same applied to much needed improvements. P. W. GOAD
COUNTY JUDGE

Gains In Race

Joe Peterson Has Statement For Dawson Voters

To the Voters of Dawson county:

In asking you to elect me County Judge, I do so realizing the importance of the office and the many responsibilities that will be mine should I be elected. I do not think I would be fair to you, or to myself, relative to some of the major problems that would confront me as County Judge.

Cooperation

No county official can be successful unless he has the cooperation of the people, as well as his associates in the Court House. This cooperation can be had only, by honest, efficient and courteous service to all. This is the only promise that I will make.

County Court

The County Judge, as presiding officer over the County Court, is charged to uphold the honor and dignity of the law and see that justice is meted out alike. The County court has jurisdiction over the criminal and civil cases in which two years in jail or a fine of one thousand dollars might be imposed. The County judge tries probate cases involving all amounts and tries lacy cases. Last, but not least, he is the trial judge in juvenile cases involving the youth of this county. This not only involves those that deliberately violate the law, but those that through the wrong influence, unintentionally violate the law. As to the first group the law is clear and definite. The second group is the one to which justice can largely be meted out, through my and your cooperation, to discourage the youth of our county in participating in those things that are wrong and assist in setting up conditions that will direct his thoughts and actions in the right direction. To those in which we fail and it becomes necessary for them to come into court, I will cooperate with the prosecution, as well as the defense, to keep an open mind, respect for the law and a heart of love to save that boy or girl from a criminal career.

The State laws provide, that questions of law should be taken to the

County Attorney's office, which office is the only one in the County Official Family, that must be filled by a lawyer.

The County Judge, as a member of the Commissioners Court, has a very responsible position. His influence, whether good or bad, will be felt through the court. I would not be honest, efficient or courteous, if I did not cooperate with the Commissioners in that every one will be served. The Commissioners Court has the authority to pass on property values, to set your tax rate, to collect taxes and the expenditure of the tax dollar.

In making out the County budget, careful consideration, and much study should be given as to what the taxpayers want their money spent for, to be sure and include those things that are necessary and exclude those things that would not be good economy, an amount not meet with your approval. Before the budget is approved, I will ask the Court to give notice through our local papers that if you are interested, you can come and see what we propose to spend your money for, and if you have constructive suggestions to offer, consider those suggestions before making final approval.

The County Judge of Dawson County serves as purchasing agent for County supplies and through his hands much of your tax money passes. If I am your Judge, I pledge you the same care and prudence in handling county funds, as I would use in handling my own. It would be my policy to keep as much of Dawson County's money in Dawson County as possible, by patronizing home concerns or home representatives, in so far as good business acumen would allow.

Now that we are in a tremendous re-armorment program and that it will be necessary to increase taxes makes it tremendously important that we watch our local expenditures. Economy should be our watchword. Economy does not mean no spending, but careful spending. I am one hundred per cent in favor of progress-Economical progress. I believe in good roads, however, I question the economy to continue to drag dry sand out of the bar pits to be blown away by the next windstorm. I believe our roads should be worked immediately after a rain, as we do our farm land, and use the difference with the help of the State and Fed-

To the Voters of Tahoka and all Lynn County:

CHESTER CONNOLLY

will appreciate your vote and influence for

County Judge

on Saturday, July 27.

Chester Connolly, if elected, will be a county judge for the people, by the people, and of the people.

I have no friends that I would shield nor any foes that I would persecute.

I would be economical in all the affairs of the county; would see that you get 100 cents value on every Dollar of Tax Money spent.

I would be honest, fair, and unbiased in all my dealings.

Would give you a report of all expenditures of your county.

I will appreciate the vote of every man and woman in Lynn county. Thank you.

CHESTER CONNOLLY

eral governments, to build a few miles of permanent farm to market roads. In a few years we can have farm to market roads out of each community to our main highways without any additional cost to the tax payer. I will offer this idea to the commissioners for their consideration.

The Federal government is appropriating tremendous sums of money for WPA. I am of the opinion Dawson County was included, and I am sure Dawson County will be included when pay day comes. I will cooperate with the court to see that we get our full share. Don't mis-

understand me to say that we are not getting our fair share now, I don't know. If we are not, we should.

We are living at a time we have no idea as to what tomorrow will bring. In this connection I want to say that should a National crisis arise and Dawson County called upon to cope with any emergency, I will lend my fullest cooperation to the Commissioners Court in laying aside precinct problems and serving the best interests of the county as a whole, as well as the nation.

I am 44 years old, was reared in Taylor County. My College training was received at Simmons University

and West Texas Teachers College. Served in the U. S. Navy during the World War and upon my discharge, came to Dawson County.

It has been my privilege to live as a citizen of this county more than twenty years. During this time I have given my best in the building of a great county. I am asking you for this office upon my own merits. If in your opinion, I merit your confidence and your vote, I will certainly appreciate it. I assure you that I will exercise every ounce of energy that I possess to make a County Judge worthy of that vote of confidence— Joe M. Peterson.

the voters of the 106th Judicial District of Texas: report has been circulated have withdrawn from the District Attorney due to my illness. It is true that I make a supreme fight for my severe the serious illness I have had to endure since this year, and now it is the good Lord has spared me for a purpose, and that in a few weeks my health will be normal. I am glad to be improving daily, but my doctor advise no vigorous campaign for another three weeks. I call on all my friends with me in the coming Primary this give me a last chance as you as District Attorney in some fighting spirit which I had to put up in my illness. I assure you your loyalty to me will be remembered and I feel I can see many of you before the Primary if you will put in the run-off.

**Congressman Geo. Mahon Has Place
On Powerful Committee In House**

(Excerpts from article in the Houston Post, June 7, 1940, by Geo. Stimpson, Washington Correspondent and former President of the National Press Club.)

WASHINGTON, June 6.—(Sp)—In every crisis younger men, little noticed before, rise to positions of responsibility and leadership.

Keep an eye on George H. Mahon, 39-year-old Texas congressman from Colorado City.

Six years ago Mahon was elected to the House of Representatives from the newly created Nineteenth district, which produces more cotton than any other congressional district in the United States.

Like most wise beginners in Congress, young Mahon accepted the minor committee appointments as-

signed to him without complaint and made no special attempt to push himself forward beyond his experience. But he had ability, a pleasing personality, a thirst for knowledge of public affairs, and the faculty of making friends and tackling every problem, irrespective of importance, with vigor and thoroughness.

After James B. Buchanan was removed from the House Appropriations Committee by death and William D. Macfarlane by defeat, George Mahon was the unanimous choice of the Texas delegation for the vacancy on that powerful committee to which the Lone Star State was entitled. Of course, there was a reason. Mahon had

proved himself in small things and was now asked by his elders to undertake bigger ones. That committee passes on billions of dollars of appropriations every session. It controls the purse strings of the nation. Without fanfare George Mahon set to work to do his new job.

How well he has succeeded may be gathered by the fact that the other day Edward T. Taylor, the 82-year-old chairman of the Appropriations Committee, asked the young Texan, less than half his age, to serve on the War Department subcommittee, which is handling the enormous defense program. Mahon was not asked to perform this job because he is primarily interested in military affairs. From the first day he entered Congress he has been a strong advocate of adequate national defense as a means of keeping this country out of war, but primarily he was interested in the problems facing the farmers in his district and throughout the country.

He was asked to serve on the military subcommittee because the job requires good judgment, tremendous industry and a broad understanding of national problems.

His father, J. K. Mahon, still lives on the farm where George spent part of his boyhood, and the congressman is chiefly interested in agriculture, freight rates and related problems. His heart has always been with the people who must dig their living out of the soil.

You just can't help like George Mahon. More than six feet tall, handsome, kindly in disposition, considerate of everybody, fair in debate, clear in thought, conscientious almost to a fault, he was bound to attract attention in Washington and to go places in public life.

Now his days and nights are occupied with an enormous emergency program that contemplates no less

than the defense of the Western hemisphere against the rest of the world.

**GEORGE
MAHON**

FOR CONGRESS

He has remained at his post of duty in Washington during grave national emergency with a firm resolve to serve the people in every possible way regardless of political considerations. Congress is still in session and he is working for a program of strong national defense and a foreign policy designed to keep the Nation out of war. He is the only Texan on the Appropriations Committee and he has a vital part in the national defense program.

He has served the 19th District faithfully and efficiently throughout his term in office, and has acquired a place of influence in the House of Representatives.

He has worked for and voted for legislation to promote the interests of the District and the Nation.

He has given prompt and diligent cooperation on the many community and individual requests made by the people of the District. Let's give George Mahon an overwhelming vote of confidence Saturday's Primary. He will deeply appreciate it.

WITH THE FREE MILE-DIAL

CAREFUL SHOPPER type tells you:

"I'm driving the car all day while my husband's at work, so I really buy most of the family gasoline out of my own budget. If I can get even 2 or 3 miles more to a gallon I want to know it. That's why I went to a Conoco station for my Mile-Dial—not just because it's free, but because it really lets you know your true mileage, exactly as a woman wants to really know about anything she pays for. I like buying tested things—the same as any up-to-date consumer—and this certified Mile-Dial is like giving us consumers our own easy way of testing Conoco Bronz-z-z for mileage.

"Anyway, it's almost like a game, dialing your correct mileage on the Mile-Dial—awfully clever. My husband says so, too. By the way, my driving is just as economical as his, the way it proves out on my Mile-Dial. Isn't that interesting? And we're keeping on dialing to make sure of our average in all different driving. Right now, after 61 gallons of Bronz-z-z in all, we're a good 200 miles ahead of what we used to expect from that much gasoline."

"DIDN'T CARE" type of driver says:

"I didn't much care what gasoline I bought as I went along. But this Mile-Dial being free, and really daring you to keep your own close tabs on Conoco Bronz-z-z gasoline, I went for it. And now I know why they've got the gimp to let the Mile-Dial tell all. For you can see by my Mile-Dial right on the dash that I've gone 633 miles on 37 gallons of Conoco Bronz-z-z.

"Now if you'll watch this smart Mile-Dial work—next to automatic—you'll see it giving the answer: . . . above 17 miles to the gallon of Bronz-z-z in this big eight, around town here. But I'm leaving for about a 700-mile trip—mostly open country. So don't be surprised if I even get better mileage. And don't say that's a brag, because you can't help believing the Mile-Dial. Besides settling the economy of Conoco Bronz-z-z it's sort of swell fun dialing your honest mileage. The Conoco boys must know what their gasoline's got, to give you a Mile-Dial free. I'll bet you would like one yourself and they're free as air, around a Conoco station. You ought to go quick and get yours."

School Receipts From State Large

Total amount of money which the schools of Lynn county received from the Equalization Fund for the years 1939-1940, as shown by the

books of Mrs. Lenore M. Tunnell, county school superintendent, is \$24,991.00, she informs the Press.

Last week we published a statement to the effect that the report of the State auditor shows that Lynn county had received \$16,504 "rural school aid" during the last fiscal year. This report evidently included only such funds as were granted to the rural schools of the county and aid granted to the high schools at Wilson, O'Donnell, and Tahoka. It doubtless did not include funds expended for transportation. Both these items, on the contrary, are included in the total by Mrs. Tunnell. Vocational aid does not come out of the "rural school aid" fund at all; we understand that transportation expenditures do come out of this fund. The figures as given by Mrs. Tun-

nell are as follows: "Equalization Fund", which includes transportation, tuition, and salary aid, for the schools of Lynn county during the past fiscal year amounted to \$20,319.00.

Vocational aid received was as follows: Tahoka, \$1,726.00; Wilson, \$1,355.00; O'Donnell, \$1,891.00; Total, \$4,672.00.

The report furnished us last week came from the headquarters of S. R. LeMay, candidate for state superintendent of public instruction. Whether the figures were correct or not we do not know, but it is evident that they did not include some of the items which Mrs. Tunnell includes in her statement. They purport to include only "rural state aid" funds, while Mrs. Tunnell's statement includes total "Equalization" funds.

May I Present My Platform!

TO THE VOTERS OF LYNN COMMISSIONER'S PRECINCT 3:

I am taking this opportunity to solicit your vote and influence again in my race for Commissioner, Precinct 3.

Realizing the responsibility of the office, and that it is of vital interest to every voter, at the same realizing I have no previous record to offer, I think it but fair to you and myself to state some of the things I propose to do if elected.

- (1) Giving my time to the duties of the office.
- (2) Rendering an important and economical service.
- (3) Keeping the people as free from tax burden as possible.
- (4) Build and maintain roads for safe travel; removing all debris from roads frequently.
- (5) Furnishing work for the unemployed of our precinct wherever practical.
- (6) The publication in our local newspapers of all necessary court proceedings in accordance with the present state laws.

Let me thank you again for your good vote two years ago, and to those who did not vote for me, I again ask for your consideration. As I stated in my opening announcement, I WILL NOT ASK FOR MORE THAN TWO TERMS.

MRS BURLISON IS HONOREE AT GIFT SHOWER

Misses June Gibson, Corine Proctor and Mary Francis Fowler, assisted by Mesdames Ralph Kiser, John Spears, and Miss Verdie Hodnett, were hosts Thursday afternoon for a lovely gift shower at the Baptist Church, honoring Mrs. C. R. Burlison Jr. a recent bride.

The Reception room was beautifully decorated with cut flowers and a blue and silver color scheme was used.

Miss Corine Proctor presided at the Brides Book where more than 100 guests were registered.

Misses June Gibson and Mary Francis Fowler welcomed the guest. Misses Aubra Lee Shook, Nila Rae Miller, Jessie Jean Long and Margie Buchanan poured punch from a crystal punch bowl.

Miss Katherine Teter sang "Faithful Forever", and "At The Balalika" accompanied at the piano by Miss Allie Jo Schooler.

Out of town guests were Mrs. Glen P. Lee of Marlow, Okla. and Misses Genalee Henderson and Jean Barham of Tahoka.

Mrs. Burlison was before her marriage in June, Miss Lena Mae Singleton.

MRS. HAFER WAS CLUB HOSTESS

Using a variety of summer flowers to decorate rooms, Mrs. C. L. Hafer was hostess Tuesday to a delightful party at her home on East Eighth Street.

Mrs. William G. Forsy won high score prize, slam prizes were won by Miss Thelma Palmer and Mrs. J. E. Garland of Lamesa and Mrs. J. W. Hughes of Lubbock.

A delicious stuffed tomato salad, sandwiches, ice box cookies and ice tea was served at the tea hour.

Guests included Mesdames Bradley, Noble, Henderson, Hughes, Hoffman, Forsy, Robinson, Wells, Cather, Cabool, Garland, Johnson, and Miss Thelma Palmer.

Mrs. J. W. Hughes of Lubbock was a tea guest.

MISS RUTH SUDDARTH TO WED PLAINVIEW MAN

TAHOKA, Texas, July 25.— Friends have learned of the approaching marriage of Miss Ruth Suddarth of this city to Mr. Prentiss C. Windsor of Plainview, which event will take place in the Methodist Church here on Friday morning, August 2.

Only members of the immediate families will be present, we are advised. Immediately following the wedding ceremony, the bride and groom will make a trip to Estes Park, Colorado.

Miss Suddarth is the daughter of Mr. W. E. Suddarth of this city and is a graduate of the Tahoka High School and of the State Teachers College at Canyon.

Mr. Windsor was reared at Plainview and also is a College graduate. He is a teacher in the Muleshoe high school. Miss Suddarth has also accepted a position as teacher in that school for the coming year.
