J. M. Christopher Asks Re-election As Constable

Announcement of his candidacy for re-election as Constable has been announced by J. M. (Jim) Christopher, and his name placed in the announcement column of the Press. Mr. Christopher had no statement to make at this time with the exception that he would do his best to administer the duties of the office in a fair and impartial manner, and that no advantage would be taken of any one just to enhance his own reputation as a peace officer.

Speech Schedule Error Corrected

Two weeks ago we published a schedule of speaking by the county candidates and after the paper was in the mails our attention was called to the fact that New Moore was listed twice and New Home not at all. This was an error made by those who compiled the list and furnished a copy to the News. We are now advised that New Home and not New Moore should have been listed for the date of July 9.

For the benefit of all the candidates and the people of the various communities of the county we are printing below the corrected schedule. All speaking dates are at night.

Tom Ellis Dies In Christoval

TAHOKA, TEXAS (SPL.)—Tom Ellis, 71-year old pioneer citizen of Three Lakes, died Monday afternoon at Christoval where he had been visiting a brother, Sam Ellis. Mr. Ellis had complained of illness for several days, but it was not considered serious.

Funeral services were held in the Baptist church here at 3 o'clock Wednesday afternoon, conducted by Rev. Walter Brian of Plainview, pastor of the Wells Baptist Church, assisted by Rev. George A. Dale, pastor of the Tahoka Church. The body was interred in the Tahoka cemetery under the direction of the Harris Funeral Home.

Pall bearers were J. J. Adams, B. R. Tate, M. A. Wadrep, Barnum Suddarth, H. A. Dial, Carroll Edwards, John Evans and J. W. Edwards.

Mr. Ellis had been a citizen of the Three Lakes community for the past eighteen years, having removed to this county from Ireddell in Bosque county in September, 1921. He enjoyed the esteem and confidence of his neighbors and many friends throughout the county, and the affection with which he was regarded by the members of his family is the strongest possible evidence of his devotion to them as husband and father.

Born in Cherokee county, Texas, on February 4, 1869, he was just past 71 years of age. He was married to Miss Georgia Ann Day at Ireddell in Bosque county on December 12, 1890. Surviving him are the widow and the following sons and daughters: Mrs. J. E. Laurence of Ireddell, Mrs. J. C. Sparks of Tahoka, Mrs. O. C. James of Seminola and J. H. Ellis, T. M. Ellis Jr., Bill Ellis, Joe Allen Ellis, and T. Ellis all of this county. Also surviving are nineteen grandchildren, two great-grandchildren, and other relatives, including one brother, Sam Ellis.

Postmaster and Mrs. J. Mack Noble and sons visited his parents near Tahoka Sunday.

CONSISTENCY SEEN AS KEY IN ADVERTISING

Fort Worth, Texas—Consistent advertising pays, but spasmodic advertising often is a loss. Carl V. Haecker of Chicago, display manager of Montgomery Ward and Company, told 400 delegates Friday at the Southwestern Sales Managers Conference.

"Advertising sometimes fails because the management has not informed the sales force of the advertising," Haecker said. "Proper advertising is the life of trade because it makes merchandise cheaper through increased distribution."

Special Singers To Be Here Tuesday At Nazarene Church

Ray DeBusk To Coach Eagles Coming Year

Ray DeBusk, one-time football star of the O'Donnell High school, and who went on to other triumphs as a member of the Abilene Christian College squad, is to pilot the 1940 football nest of O'Donnell Eagles, so Superintendent S. F. Johnson has announced. He is to serve as teacher of mathematics and coach of DeBusk is considered one of the best players ever to play on the O'Donnell squad, and until injuries laid him low, was an outstanding athlete in both football and track at A. C. C.

A rattled squad will confront DeBusk when he assembles the team due to the 18-year ruling, but the new coach expressed his confidence that the team would be "in there fighting", and would give the school a team it would be proud of even though victories might be few and far between.

To further make DeBusk's task harder, O'Donnell enters class "A" next season against such stalwarts as Brownfield, Slatt and Post. Tahoka, arch rival, will again be played, but is not feared as the better club.

Mrs. Ferguson To Announce Sunday

Mrs. Miriam A. "Ma" Ferguson will open her campaign for governor at Waco next Saturday night, her husband, former Governor James E. Ferguson, announced Tuesday.

Ferguson said the rally would be on the courthouse lawn if the weather was fair and inside the courthouse if it rained. The talk will be broadcast over a statewide hookup.

"Farmer Jim", now 68, said his wife, 64, who twice has been governor, would speak about 15 minutes and he would talk "35 or 40 minutes." He said he was feeling fine and ready for a long campaign.

Ferguson said he did not propose to attack Governor W. Lee O'Daniel other than to contend that O'Daniel is not qualified for the office.

Burton G. Hackney Makes Formal Announcement

BURTON G. HACKNEY

TO THE VOTERS OF THE 106th JUDICIAL DISTRICT OF TEXAS:

In making a formal announcement for the office of District Attorney I believe the voters are entitled to know something of the personal history of one seeking this important office.

I was raised on a farm in Hopkins county, Texas, and will be 33 years of age on August 3rd. Thus far I have fought my own battles, having worked my way through high school and three years of college training at Texas Technological college. I have lived in the 106th Judicial District for more than 14 years, coming to Tahoka in 1925 where I finished high school. In 1934 the Supreme Court granted me a license to practice law. In 1936 the citizenship of Terry county elected me County Attorney, over two worthy opponents, without the necessity of a run-off, in which place I am now serving. I have taken advantage of the opportunities offered me in the office of County Attorney to prepare myself for the duties of the office I now seek.

Duties of Your District Attorney
He is to investigate and prosecute without fear or favor those who trample under their feet your personal and property rights in violation of the criminal laws of this state.

Qualifications of a District Attorney
Honesty, ability, training, a real desire to enforce the law, courage to fight the criminal and his gang, and a sense of fairness that he may deal justly.

I invite you to make a thorough investigation of my character and ability.

I am not asking that you give me anything other than an opportunity to work and serve to the best of my ability, thereby earning advancement for myself and an honest living. If you believe that ambition and service should be rewarded by

promotion when one has qualified himself for the job then I believe you will vote for me on election day.

My only promise is to prosecute vigorously, be fair and just in all my dealings and to conduct the office in an economical manner.

BURTON G. HACKNEY.

Mr. and Mrs. Guy Bradley and Mr. and Mrs. Fred Henderson visited in the home of Mr. and Mrs. G. B. Johnson near Lamesa Sunday.

Mrs. Cass Lyons of Portales, New Mexico was the guest of her daughter, Mrs. J. W. Davis and Dr. Davis.

Mesdames Fred Henderson, J. W. Davis, B. J. Boyd and Guy Bradley were in Lamesa Saturday afternoon.

Copeland Is Candidate For State Office

JOHN D. COPELAND

AUSTIN, TEXAS, APRIL 24—In making his announcement as a candidate for Texas Railroad Commissioner subject to the Democratic primary, John D. Copeland, Jr., 35-year-old Austin drug store owner, calls attention to the great importance of that body.

He says "There are five divisions of the power of the railroad commission, as follows: (1) the regulation of railroad, express, dock, wharf and terminal companies, and of interurban railroads carrying freight and the enforcement of all laws pertaining to the operation of railroad and express companies; (2) the regulation of common carrier oil and gas pipe lines; (3) the regulation of gas utilities engaged in certain kinds of business; (4) the regulation of motor bus and motor truck transportation for hire over the public highways, and (5) the conservation of oil and gas.

Copeland worked for the Commission for nearly nine years, first as a bookkeeper, then as a deputy supervisor, in which latter capacity he devised the "tender" system and a uniform statistical set-up for the whole body.

Miss Lometa Robinson, Tech student spent the week end here.

Texas Family Goes To Washington

COLLEGE STATION, APRIL 25—The "how" of mattress making will be demonstrated to extension workers from every state in the nation late this month in Washington by a

Texas farm family.

Mr. and Mrs. Charles Jones and two of their nine children, Dorothy, 14, and Melton, 11, of Zephyr, Texas, have been designated to conduct a mattress demonstration in the patio of the huge Department of Agriculture building during the week of April 29th through May 6, according to an announcement of Mildred Horton, vice director and state home demonstration agent of the Texas Extension Service. They will be accompanied by Maysie Malone, who for nearly 20 years has been Brown county home demonstration agent.

Recently the Texas Extension Service was asked to assemble a mattress making exhibit for this meeting of workers who will represent a cross-section of all extension activities, and at the request of the Agricultural Adjustment Administration a farm family was designated to accompany the exhibit. Mrs. Bernice Claytor, extension specialist in home improvement, and Bess Edwards, assistant state home demonstration agent, will be on hand to assist with setting up the exhibit.

Mrs. Jones has been a member of the Zephyr Home Demonstration club since 1922, and the Jones children have been identified with 4-H club work in Brown county for a number of years. Melton and Dorothy the only ones now of club age, are following the Jones tradition in 4-H participation.
