

Kate's Korner

By Katie Burleson

This reporter, accompanied by Helen Curtis of Baird, attended the Thursday night performance of the Fort Griffin Fandangle last week. We were indeed entertained by this original performance of early day life in our country.

What impressed us most was the community support of this production by the people of Albany. Their cooperation is what has made this production a great success. It is amazing to see just what a town can do—that holds together in organizations, work and play.

The cast consists of all ages, from an infant to the old, and from the old it gained its originality. On the stage, an open prairie under the starry western sky, the old West re-lives again.

Performing in the 1968 Fandangle were two young ladies from Baird who had the privilege of participating each night in the production. They were Paula Godfrey, daughter of Mr. and Mrs. Jimmy Godfrey, and Charlene Black, daughter of Mr. and Mrs. Ray D. Black.

Mr. and Mrs. H. S. Holloway of Cisco celebrated their 68th Wedding Anniversary recently. The Holloways eloped and were married June 27, 1900 in Baird. They were married by a Church of Christ minister in the Texas & Pacific Depot.

The Rev. Bob Eklund, former pastor of the First Baptist Church of Baird, and pastor of the First Baptist Church of Anson for the past four years, has resigned and accepted the pastorate of the Park Heights Baptist Church in San Angelo.

Mr. and Mrs. Adell Turner, Dana, John and Nancy, left Baird Monday for various points in Texas before returning to their home in Tripoli, Libya, North Africa. They spent 12 days here visiting his parents, Mr. and Mrs. L. E. Turner. She is the daughter of Mr. and Mrs. John Scott of Denton Valley.

The Turners have lived in North Africa for almost two years, where he is assistant supervisor for Mobil Oil Co. The other sons also visited the senior Turners—they are J. D. Turner and family of Lovington, N. M., and Harlan Turner of El Paso. Three nieces and their families were also guests in the Turner home: Mrs. Ebert Turner and family, Mrs. E. J. Brown and family, and Mrs. Wesley Coughran and family, all of Abilene.

Mr. and Mrs. Adell Turner are the second known family from the Baird area living in Tripoli, Libya. Mr. and Mrs. Don McLaughlin and family have just recently moved there. Mrs. McLaughlin is the former Wanda Jo Windham.

Braves-Giants Tied With 7-3 Records

Braves and Giants are tied in the Texas Freshman League play after Thursday, June 27. The Braves beat the Giants 13-8. Each team has a 7-3 record.

The Yankees remain in third place with a 4-6 record, and the Tigers have a 2-8 standing.

During the 4th of July week, no games will be played. Next games will be Monday, July 8 when the Giants and Tigers play at 6:30 p. m. The Yankees will meet the Braves immediately following. Ten games remain to be played in the Freshman League before playoffs begin.

Baird Team Falls To Clyde Braves; Clyde Cougars Leads League

By Gary Goble

The Clyde Cougars took the Big Country Junior League lead as Baird fell to the Clyde Braves Monday night at Clyde.

Baird held a temporary share of the lead by trouncing Albany 15-10 Thursday night at Baird. Albany took a 4-0 lead in the first inning, but Baird came from behind in the third and breezed on to their 4th straight victory. Bill Windham relieved starter David Strickland in the third, and was credited with the win. Johnny Garcia took over in the fifth and turned in a fine relief job. Catcher Ricky Vestal was again the big bat for Baird as he drove home 5 runs with a double and triple. Windham, Strickland, Garcia, Efriam Rodriguez, Manuel Gonzalez and Gary Goble collected the other Baird hits.

Monday night, the Clyde Braves downed Baird, 7-5, for their first win of the season. Roger Weeks, Bill Windham and Johnny Garcia shared mound duties for Baird. Windham, Garcia, Danny Vestal, Ricky Vestal, Jay Reeves, Zeke Rodriguez and Gary Goble had hits for Baird. Scoring runs were Windham, Jackie White, Ricky Vestal and David Strickland.

The league standings, without the results of the Clyde Cougar-Albany game Monday night, are as follows:

	Won	Lost
Cougars	5	2
Baird	5	3
Albany	4	3
Braves	1	7

Baird is idle Thursday night

Former Sheriff Visits Baird

Former Callahan Co. Sheriff Robert Edwards, now a resident of San Angelo, was a visitor in Baird Friday. Mr. Edwards was sheriff of the county from 1930-39. A native of the Eula Community, he planned to attend the Homecoming, held at Eula, June 27.

During the time he was sheriff of this county, Clarence Nurdyke served as his deputy. Both men became Texas Rangers after being with the county law enforcement. Nurdyke is deceased.

When Edwards was elected sheriff back in 1930, someone told him he did not know one thing about the law. He said "I know that, but one thing I will not stand for, and that is, I better not catch anybody mistreating the natives."

In the county sheriff's office in the court house, you will find pictures of the first sheriffs of this county, and Edwards is placed among these men.

UNION USUALS AND UNUSUALS

BY VEDA YARBROUGH

Hi neighbor! I tell you, I believe summer has got here. Really hot weather out here and the wind has blown like a storm the past two days and nights.

It is Saturday afternoon and I just had a long nap.

Had company last night, Mr. and Mrs. Ray Burton and boys of Andrews spent the night, and this morning with me. They visited a while this morning with John and Roma McIntyre. Mrs. Burton is the former Betty Ramsey. We were really glad to have them and wish they could have stayed a lot longer. They were on a two-week vacation, going to Dallas to see a brother then on to Mount Vernon to see Ray's mother, then on to Washington, D. C.

Ollie Burnam spent Friday and Friday night with James and Gayle Isenhower in Baird. Dillie and I visited in Baird one afternoon last week with A. Yarbrough, and also visited with Mabel Carrico, and with Gayle Isenhower and children. Everyone seemed to be doing OK.

I just now talked to Mildred Carter in Vernon to see how Gerald, her husband was, as he has been sick and in the hospital. He has been sick about two weeks and in the hospital for 8 days. He came home from the hospital Friday. He is doing OK but has been real sick. I tell you, I never saw cotton grow like it has the past week. But I think we could use a shower of rain after all this awful wind and hot weather the past few days.

I had a letter from Ima Crosby Wells this week, who lives in Arlington, Va., telling me of the passing of her sister, Emma Crosby Littlepage Giancy, who lived in Hartford City, Ind. She passed away June 21. She lived around Putnam several years. She had one son named J. T. Littlepage. He is the only one I remember. Ima writes she is sick and not able to attend her sister's funeral. Ima, you have my deepest sympathy.

Mrs. G. S. Pruet is home after spending several days visiting in Odessa.

Mrs. Travis Chapman and children attended the Fandangle parade Thursday afternoon.

I guess all the grain has been combined out this way. Some made pretty good, some not so good. Hay cutting and baling is going on out here now. Farmers will start soon breaking grain stubble.

Good morning, this windy

Monday.
 Visiting with me Sunday afternoon were Mr. and Mrs. Clayton Burnam of Lake Leon, Fay and Emmett Wood and Lucille Kelly of Cisco. They also visited with Ollie Burnam.

John and Roma McIntyre visited Sunday evening with Louise and Weldon Isenhower and boys.

Guess I better get busy so be good and I hope to see you next week.

 Send these, the homeless, tempest-

 I lift my lamp beside the golden

AUSTIN — "Heads up" driving can save many lives in Texas during this long July 4 holiday weekend, Texas Department of Public Safety advises.

DPS hope to help bring about a reduction in the estimated toll of 38 expected to die in traffic tragedies during the four-day, 102-hour period.

"Operation Motoreide," designed to place special emphasis on dangers of holidays travel, began at 6 p. m. Wednesday and will continue through 11:59 p. m. Sunday.

DPS will tabulate traffic fatalities during this period and release totals three times daily to news media in order to keep dangers prominently in minds of drivers.

"Is a known fact that the usually crowded conditions of the highways on Independence Day holidays makes driving more hazardous than usual," Acting DPS Director Wilson E. Speir reminded.

On the average, said Speir, one person will be killed in traffic every two and a half hours on Texas highways, roads and streets.

As part of its overall effort to lower the anticipated toll, DPS is utilizing additional personnel from other uniformed services to augment the regular Highway Patrol force during the entire weekend.

But drivers themselves must make the most important effort, cautioned Speir. Despite mechanical defects, inadequate highways and other accident-causing factors, the vast majority of all wrecks and fatalities are traced directly to misbehavior, misjudgment, recklessness,

negligence and drinking while driving.

LCB RAPPED — Former Liquor Control Board Administrator Coke Stevenson Jr. took the brunt of the blow from the report on the investigation of the LCB by Atty. Gen. Crawford Martin and the Department of Public Safety.

Attorney General found that Stevenson had not been watching the shop, had accepted expensive gifts from persons in the liquor and beer industries along at the shoddy operations of the agency.

Investigators said that most of the difficulties of the Stevenson administration now have been overcome under Acting Administrator O. N. Humphreys Jr.

APPOINTMENTS ANNOUNCED — Gov. John Connally named Garrett Morris of Fort Worth of the State Highway Commission to succeed Hal Woodward of Coleman, a new federal district judge.

Connally selected Marion T. Key of Lubbock to replace Morris on the Public Safety Commission and named Jack Kullgren of Waco to Woodward's chairmanship on the Highway Commission.

Other appointments by Connally include:

Ford Albritton Jr. of Bryan to Texas A&M University Board of Directors; William H. Atkinson of Kenedy to Texas A&I University Board at Kingsville, reappointments to Lewis W. W. Maples of Kingsville and Leo J. Welder of Victoria; and Robert E. Davis of Waco to Texas Library and Historical Commission with reappointment of Fred Hartman of Baytown.

ATTORNEY GENERAL RULES

Pinball or marble machines which show number of free games won are illegal, Attorney General Martin has ruled. In other recent opinions, Martin concluded that:

Cities under civil service police systems have no authority to create a police reserve of amateur friends of the force, but special officers can be summoned in time of emergency.

A commissioners court does not have to advertise for electronic services to prepare tax rolls when the annual charge is less than \$2,500 paid out of current funds.

A person cannot serve as director of Texas Turnpike Authority and political party precinct chairman (acceptance of Turnpike post would automatically vacate precinct chairmanship.)

A motor carrier may not transport gravel from gravel pits to processing plants under specialized motor carrier permit.
