Dr. Wilson was called by telephone, Tuesday morning, to see Aunt Becky Gilliland, who is very ill at W. L. Gilliland's ranch.

W. L. Henry sent up a lot of fine chickens to the Abilene Fair. Mr. Henry has some splendid fowls, and if he doesn't take several premiums, we will be badly mistaken.

See J. F. Barton's announcement for Commissioner from the Tecumseh Precinct. Jim is so well and favorably known that it is useless for us to say anything about him.

Mr. M. R. Haley announces for Surveyor, this week. We are not personally acquainted with Mr. Haley but we are informed that he is well qualified for the position and will make a good officer. He will probably have the field to himself, as we have heard of no other candidate.

The fleecy staple is coming in rapidly. It is not an exaggeration to say that Baird is the best cotton market in America or Europe, counting freights.

If you want your name on the ticket deposit the necessary fee forthwith if not sooner. No man's name will be placed on Election Tickets unless paid for in advance. This is official.

It is said that there is not a single vacant dwelling house in Baird. Mr. P. B. Cross is having a dwelling built in the east part of town, and there are three more to be built right away. This shows that Baird is growing some, if we do not do so much blowing as some other towns.

Prof. A. Ryan delivered a course of free lectures at the Court House, beginning last Friday night and closing Sunday evening, with a lecture on the "Immortality of the Soul." Mrs. J. L. Lea and Miss Vera McMurray are out riding, last Friday. They called at Mr. Turill's, south of the railroad, and were preparing to leave when the horse attached to the buggy started suddenly, throwing Miss McMurray rather violently to the ground as she was entering the buggy. The horse ran some distance with Mrs. Lea in the buggy, and struck a mesquite tree, throwing her out of the buggy. Fortunately neither of the ladies were seriously hurt, though the buggy was completely wrecked. W. C. Asbury was near by and caught the horse and brought him back to town.

**To Aid the Yellow Fever Sufferers.**

There was an informal meeting at the Masonic Lodge, last Saturday night, of the Masons for the purpose of aiding the yellow fever sufferers at Jacksonville, Fla. The Knights of Pythias, at this place, have also sent money to aid their brethren at that place. Every Masonic Lodge in this Grand Jurisdiction is called upon to aid the brethren in the stricken city. There are 600 Masonic Lodges in this state, and a few dollars from each lodge will be of untold benefit to our distressed brethren. We hope every Lodge in this section will respond promptly, and as liberally as their ability will permit.

**For First Place 3**

A great amount of political engineering will be done by friends of candidates to secure for their man the first place on the ticket, and the best man will probably secure the coveted place.
