Jimmy Gay Gardenhire, son of Mr. and Mrs. J. W. Gardenhire and a 1966 graduate of O'Donnell High School is member of the Tech Singers at Tech in Lubbock.

Tech Singers and Tech Choir participated in the inauguration of Dr. Murray as president of the college last Tuesday afternoon.

Tech Singers and Tech Choir presented a concert Sunday afternoon at the Tech Union Ballroom to an over capacity crowd.

Mrs. J. W. Gardenhire, L. T. Brewer, Mrs. Darus and Mary Ann, Mrs. Tom Gardenhire, Tommy II, and others attended the concert at Sunday afternoon.

WC President Speaks To Clubs

The 1946 Study Club was host to the State TFWC president, Mrs. Seay of Andrews, Nov. 9.

Mrs. Seay spoke on "The challenge of Tomorrow". She urged to make more scholarships available to deserving youth, that girl and boy desiring an education should be able to get it.

She stated that "dropouts were to be hired and the first hired were urged to be fired".

Organized clubs were urged to help the community improve, to contest and to keep their own in their own communities and also to help promote better safety legislation.

Harvest Festival And PTA Game Nite Dates Set

The annual school Harvest Festival will be held Nov. 21 at 7:30 in the school auditorium with an hour chock full of talent events followed by the coronation of the Harvest queen.

Tickets are 75c and 50c and will be dropped into a box on entering as a vote for the queen. Candidates by classes are:

Freshman—Rhoda Payne
Sophomore—Mary Moore
Junior—Cathy Woolam
Senior—Cathy Franklin

Master of ceremonies will be the President of Student Council Dwight Crawford.

The school always stages an excellent talent show. Lickly, on the program will be a high school colored jazz piano player—worth the price of admission alone. A list of talent events will run next week, if available.

Also of special interest will be the annual PTA game nite Nov. 18th at the school's cafeteria. Students 1st thru 7th grades will sponsor, rather help, in this event. Tickets are 50 cents. Plan now to attend.

There will be games of all kinds including bridge, dominoes, etc. A wide variety of refreshments will be served. Support the PTA by your presence and enjoy the fellowship.

Card of Thanks
It is with deep humility that we attempt to express our appreciation to our wonderful friends and neighbors who harvested our cotton—who gave of themselves, their time, their equipment, and their employees, while their own crops waited in the fields—to the O'Donnell Farmers Cooperative for trailers and other courtesies—and to Taylor Implement Company for lunches—so we say: "—Those good folks who never falter

When there's something they may do—
A burden to be lifted,
Or a friendship to renew.

"The kindly folks who linger at your bedside when you're ill, and think of naught but comfort as they do your bid and will.

"Our hearts are very happy As we thank God above
For the good folks 'round about us,
For their kindness and their love.

"For it truly is a blessing To have neighbors dwelling near,
Who are always spreading sunshine
With a word and smile sincere."

Coahoma Takes O'Donnell 55 to 0

Scoring with ease, Coahoma rambled past the O'Donnell Eagles, 55-0, in a District 5-A game here Friday night.

Phil Cockran and Chuck Pherigo got first quarter touchdowns and Pherigo added two points for a 14-0 lead. In the second period, Pherigo cut over tackle twice for five-yard scoring plays and Mike Childers passed to Ken Gregory for still another touchdown.

Two-point tries by Cockran and Troy Frazier made the score 36-0 at halftime.

Gregory returned an intercepted pass 25 yards for one touch down and Frazier ran 34 yards for another in the third quarter. A Frazier conversion upped the reading to 49-0. Childers ran 13 yards for a fourth-quarter tally.

The PTA of Plains will host a Thanksgiving dinner at the school Saturday at 7:00 p.m.

Area Man's Arm Hurt In Mishap

An O'Donnell man suffered a mangled left arm in a two-vehicle collision five miles west of here on a county paved road about 7 p.m. Friday.

Admitted to Brownfield General Hospital was William D. Raines, 43.

The Department of Public Safety said Raines was traveling north on the Lynn County Road, with a cotton trailer hitched to his pickup truck.

Another vehicle, headed south, collided with the cotton trailer in an attempt to pass another car, the DPS reported. The driver was identified as Silvestre Palmarez, Box 630, O'Donnell.

Cemetery Dinner Set

The O'Donnell Cemetery Association met last week and decided to have the annual Thanksgiving dinner catered by Jackson's Cafe. The Association will supply home baked pies to be served by members of the group. Due to scarcity of help, and because the group did not wish to drop this traditional dinner, the decision was made to have the meal catered. The price will be \$1.50 per plate and will be served at the school cafeteria. Cemetery patrons are urged to make contributions at the time for the annual upkeep. Serving will be from 11 a. m. thru 1 p. m.

ROTARY NEWS

The O'Donnell Rotary Club met Tuesday with President Wayne Noland presiding. Visiting Rotarians were Wilton Payne, Harold Green, and Mitchell Williams of Tahoka and George Worrell, E. P. White, Tom Headen, Gordon McGuire, and Stansell Clements of Lamesa. Tommy Woolam was a guest.

Lessons can be studied and programs planned, but until they are put into use and action, they are not worth much to a community. Paula Beach, charming daughter of Mr. and Mrs. Ralph Beach, brought a tried and successful program to the Club for their noon luncheon. The Youth Conference held in the state capitol of Texas each year is aiding the youth of Texas in a marvelous way.

Paula, one of O'Donnell's members of the Dawson County Youth Council, told the club how this Youth Council in Dawson County is aiding the teen agers to be better citizens. The O'Donnell Rotary Club salutes these fine and sincere young people and the O'Donnell Public Schools for their support of this very worthwhile program.

Visiting Rotarians were Tom Connor, George Worrell, and Wendell Strahan of Lamesa and Hugh Daniel, Mitchell Williams, Harold Reynolds, and Wilton Payne of Tahoka.

When 40,000 Future Farmers from all over these United States gather in one body as a group of very serious and sincere young men, it is a very thrilling experience. Greg Reed, son of Mr. and Mrs. James Reed, delegate to this convention in Kansas City, reported to the O'Donnell Rotary Club for the luncheon program. The F.F.A. Motto was the highlight of the convention and is—"Learning to do, Doing to learn, Earning to live, Living to serve."

ELLIE'S is glad to reopen her Christmas Club effective now.

Here's how it works. Your sales slip will be stamped "Christmas Club" and you will receive 5 percent credit on merchandise purchased through December 24, 1966.

Say if you have \$100 in sales slips stamped "Christmas Club" you have paid for in advance a \$5 item in the store or you may use it in part payment on a purchase.

It works like trading stamps and sales slips may be given to a friend.

This is important... The Christmas Club ends at the close of business Christmas Eve. Please do not cash it after that date.

Try it. Our goods are the same low price. You know our prices and know that this is just an extra help to you in holiday buying.

Sales tax is deducted from remaining value of slips.

SCOUT NEWS

The Eagle Patrol of Boy Scout Troop 789, led by Patrol Leader Mike Green presented a demonstration in First Aid. First Aid is a very valuable lesson to know.

Some general instructions in First Aid are— (1) Keep injured person warm and quiet. (2) Remain calm—but work quickly. (3) Do not give water or other liquids to unconscious persons. (4) Do not move persons with broken bones until authorized by a doctor or other qualified person or until splints have been applied.

Bleeding from small cuts usually stops quickly, but such injuries can become infected. Apply a mild antiseptic and keep covered with a sterile pad until healing occurs. Seriously injured persons who are bleeding should be kept quiet and placed in a position which will lessen blood loss.

Boy Scout Troop 789 reminds the O'Donnell Citizens to help keep O'Donnell clean. Troop 789 meets on Monday night at 7:30 at the home of Truett Hodnett. Lanny Brewer is Scoutmaster.

"—all is well, —God is nigh." TAPS that closes the meeting of Boy Scout Troop 789.

Final Joint Of Pipeline Is Laid

About fifty people from several interested towns attended brief ceremonies held two miles west of Wilson Wednesday of last week when the last 32-foot joint of pipe in the 322-mile Canadian River Municipal Water Authority aqueduct was laid.

H. B. McCord Sr., Tahoka mayor when the project was started in 1961 and now this member town's director in the Authority, and

Clint Walker, a former mayor and also director, were among those present from Tahoka and Walker made a brief talk.

Other speakers were from Lubbock, the Bureau of Reclamation, and R. H. Fulton Co., contractor C. O. (Spike) Crane, project engineer with the Bureau of Reclamation, said the \$84 million CRMWA dam and aqueduct system is being completed a year ahead of schedule at \$14 less than original estimates and at a saving of \$1 million in interest alone.

Crane said water will flow to Lubbock by the first of the year, and to Slaton, Tahoka, O'Donnell, Lamesa, Levelland, and Brownfield by next spring, with water deliveries promised not later than January, 1968.

Bob Drago of R. H. Fulton & Co., which has southern area construction headquarters in Tahoka, spoke for his firm. Minor "clean-up" work will not be completed by Fulton until about January.

Tuesday of last week, Mayor Meldon Leslie and Aldermen Alton Cain and H. B. McCord Jr. attended the dedication ceremonies at Lake Meredith on the Canadian River northeast of Amarillo when the speaker was Stuart Udall, Secretary of the Interior. Dess Chappelle, resident en-

gineer of the Bureau of Reclamation, informs The News that the regulating tank in northwest Tahoka, which controls flow of water to O'Donnell and Lamesa, is just about complete.

Contract was recently let for Tahoka's intake reservoir and connecting pipeline.

Girl Scout News...

There's no better investment than Girl Scouting. Maybe that's why our town responds so generously when the Girl Scouts ask for support. Today the girls want to say "thank you" to everyone whose generous contributions means that there will be more Scouting for more girls next year.

"Girl Scouting gave me an understanding and compassionate attitude towards life! It taught me fair play and self efficiency! Also it allowed me to practice leadership as far as leading singing and games is concerned, which I believe has helped me in my career. I first found my love of singing and performing in Girl Scouting."

This is a quote from Debbie Reynolds, Hollywood Actress, who has just attended the Girl Scout convention in Detroit and is still

active in Scout leadership along with her mother. Our own M. S. J. W. Gardenhire attended this meeting of scouts also and reported a very enlightening convention.

Tax Collections Show Increase

Tax collections through Wednesday last week totaled \$108,707.23, according to George McCracken, county tax assessor and collector.

In 1965 at this time in October taxes amounting to \$108,739.16 had been collected.

McCracken states that only 173 citizens have registered for voting purposes, which compares to 186 poll tax payments at this time last year. Local residents are being reminded to register as a qualification for voting under the new laws.

License plates for farm trailers are now on sale in several places of business throughout the county for the convenience of farmers. Among these places other than the local tax office is Moore Insurance Agency, O'Donnell.

YOUNG FARMERS MEET

John Saleh, local attorney was guest speaker at the monthly meeting Thursday night of the O'Donnell Young Farmers.

Mr. Saleh explained the amendment to the Constitution of the State of Texas which are to be voted on in the November 8th election.

Eleven members and the chapter advisor, James Reed, attended the meeting. One new member, Steve Stevens, joined the organization. Refreshments were served by the O'Donnell Young Homemakers.

Professor Speaks To Entre Nous

M. S. Barley Brewer entertained the Entre Nous Study club in her home on November 1 at 7:30 p.m.

The guest speaker for the evening was Dr. Foster Marlow, Professor of Applied Arts at Texas Tech, Lubbock, Texas.

He gave an informative program on art in water color, showing films and slides in techniques of painting with water colors. Also on display were his oil paintings.

Highest cotton carryover in history!

Lowest cotton acreage since 1872!

The carryover has hit an all-time record 16.7 million bales. Our acreage is the smallest in almost 100 years. And we will have more cuts unless we get more cotton products used. Make no mistake—acreage follows consumption as night follows day. If we want to keep on growing cotton at a profit, we must sell more cotton.

The only answer... Cotton Research and Promotion

Expanded research and promotion are cotton's only hope. With these same two tools, producers of higher-priced synthetic fibers have taken a total market now equal to nearly 7 million bales of cotton. They have gained over 2 million bales in the last 2 years . . . and new plants are scheduled with capacity equal to another 3.5 million bales.

Growers also can use these tools effectively. Experience has proved it. The only problem is to get enough money to use them on a big enough scale.

New legislation makes that possible. It enables farmers to vote, in a Beltwide referendum, on establishing a uniform assessment of \$1.00 per bale for research and promotion. The law provides that individual farmers who

do not want to participate can have their assessments refunded.

Funds from uniform collection will attract other money—more than two times as much on the average.

This plan originated with farmers. Thousands of growers and 61 cotton organizations across the Belt have endorsed it—overwhelmingly.

All projects must be initiated by grower trustees elected by cotton farmer organizations. Other provisions give equal assurance of producer control.

We, the undersigned, strongly endorse and recommend this uniform collection plan for research and promotion. We urge you to join us in working and voting for its approval in the upcoming referendum.

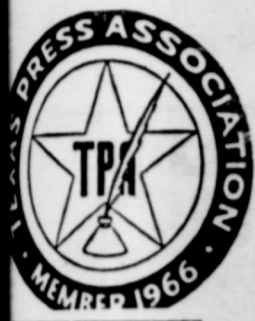

Help yourself to greater markets, acreage, profits

Card Of Thanks

There's no better investment than Girl Scouting. Mabe that's why our town responded so gen-

erously when the Girl Scouts asked for support. Today the girls want to say "thank you" to everyone whose generous contributions means that there will be more Scouting for more girls next year.

STRAYED— 2 black Angus Heifer calves.

Please notify Norman Shaw. Phone 428-3486.

Mr. and Mrs. T. M. Pearce of Garden City visited homefolks here over the weekend.

POST OFFICE HELPS COUNT LIVESTOCK

Rural mail carriers from the O'Donnell Post Office will leave some livestock survey cards along their routes beginning November 21.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms", the postmaster said.

Rural mail carriers distribute the cards at random in boxes along their routes. This means that not every box will get a card, for this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings.
