PATRICK

It's a big move up to the first grade

It's a tough life, the life of a first grader making the transition from kindergarten to elementary school.

They don't have snacks in the first grade like they did in kindergarten.

And talk about work, there are mountains of additional academic chores like learning to make capital letters and having to color inside the lines.

The Leader's roving notepad and camera visited Iowa Park's Bradford and Kidwell elementary schools to find out how this year's batch of first graders are handling the situation.

A random sampling of a dozen first graders disclosed two findings.

Finding No. 1: Nurses, policemen and teachers are still the most attractive professions.

SHEILA

Finding No. 2: First grade definitely is tougher than kindergarten.

"I like kindergarten more better. Snacks and everything like that makes kindergarten more better," said Sarah Tucker of Bradford.

Sarah, who wants to be a nurse, doesn't like the prospect of 12 years of public education.

"I'd like to be in junior high, but I wouldn't like to be in high school. My mamma wouldn't make me stay at school till 3 or 4. All I am is a freckle head," Sarah said.

Billy Chandler of Kidwell likes kindergarten more. "In kindergarten you get to play more than in the first grade," he said.

Billy wants to be a construction engineer, and adds the best part of first grade is "when we get to paint."

Jeff Huff of Bradford said kindergarten is tougher, "cause we're bigger than them."

He likes the idea of 12 years of public education, "Cause it's more gooder." He said he wants to be a newspaper reporter.

Nicole Tone of Kidwell said first grade is tough because you gotta circle things that aren't fun."

Nicole wants to be a ballerina, and said the best part of school was "drawing Indians."

Stacy Boren of Bradford seconded the motion that first grade is tougher than kindergarten because "you have to do much harder stuff."

Stacy wants to be a teacher, but a dozen years of public schooling doesn't bother her. "I'll probably get married," she quipped.

Mark Johnston of Kidwell said he wants to be a policeman. He said first grade was difficult because of all the coloring and writing.

Asked his favorite part of school, Mark quickly replied, "Recess."

Patrick Sellers of Bradford also was asked if first grade is tougher than kindergarten. "Sometimes, sometimes not. Middle sized, I guess. A little of it's hard," he said.

Asked about his future in public education, Patrick replied, "I'll probably get married before I get out." He wants to be a policeman at night and a doctor in the day.

Michelle Toole of Kidwell said first grade is hard because they "write hard, color hard and paint hard."

Michelle said the best part is painting, but the teacher makes her work too hard. She wants to be a nurse.

Bryan Hayley of Bradford said, "There's more work in the first grade. More writing and coloring and all that."

Bryan wants to be a fireman. About public education, Bryan added, "Yeah, I'll make it through."

Karie Davis of Kidwell explained, "You have to circle everything you didn't do in kindergarten."

Aspiring to be a nurse, Karie's favorite part of school is "playing." She didn't think first grade would entail that much work.

Sheila Moore of Bradford said first grade is very difficult. Asked what about it was hard, she shrugged, "I don't know."

Sheila wants to be a teacher and likes the idea of her coming educational years.

Allen Killingsworth of Kidwell said "the writing's harder."

Allen wants to be an "Army man." Asked his favorite part of school, Allen replied, "Going to lunch."

Commissioners to decide on petitions

Wichita County Commissioners are scheduled to decide Monday whether there will be an election in Iowa Park to decide the issue of legalized off-premise consumption liquor sales in JP Precinct 3.

Commissioners will convene at 10 a.m. Monday in Wichita County Courthouse, according to County Judge Calvin Ashley.

It is mandatory that the commissioners consider the election issue Monday since law requires commissioners address such an issue

at the first regular meeting after petitions have been filed, Ashley said.

Signature petitions seeking the election were filed with county officials on Aug. 19 by Leigh Holder on behalf of the Spirit of '76 Committee here.

Wichita County Clerk's Office which verified signatures on the petitions plans to present two certificates to commissioners at Monday's meeting.

One of the petitions will indicate 406 qualified voters signed the

petitions. That is the exact number needed to force the election.

A second certificate will indicate 274 persons signed the petitions in strict compliance with Article 666-32 of Vernon's Penal Code.

A portion of the code requires voters to sign the petitions exactly as their name appears on their voter registration cards.

The commissioners will be called on to decide which of the certificates best complies with the law and whether proper legal boundaries were followed to force the election.

UW leader list completed

The Iowa Park United Way organization was completed with the naming of additional chairmen by City Chairman Wayne House.

Chosen to head the Professional area is Joe

Singer, an active member of the Fellowship of Christian Athletes and member of the Iowa Park City Council.

Bill Steger, Iowa Park School tax assessor and collector and head of the

United Way Steering Committee, will lead the Public Service division.

Keith Aulds and Mrs. Bobbie Shaw will co-chair the Metropolitan division, which includes small busi-

nesses and individual donors not reached in other areas.

Aulds, an active worker on the swimming pool drive and member of the Lions club, is currently serving as a director of the Chamber of Commerce.

Mrs. Shaw, also a seasoned campaign worker, is a member of the Garden Club and ESA Sorority.

House said "With the official kickoff Tuesday, the chairmen of our committees and their volunteer workers are ready to deliver the United Way message to Iowa Park citizens and we feel confident of the city's support."

The goal for this year's drive is \$983,803.

House said "Though this is Iowa Park's first year to participate with the other area cities, our citizens will show their enthusiasm for the United Way through their generous contributions."

City, school meetings set

Both the Iowa Park city council and school board will hold their regular meeting at 7:30 Monday and Tuesday evenings, respectively.

Among the items expected to be on the city agenda are: discussions on continuing a lease on land which was to be used exclusively for dumping waste from Cryovac, but has never been used, and taking a second look at the new water and sewer rates; ordinances rescinding incorrect annexation ordinances; appointment of a Traffic Safety Commission; and possibly receiving the legal description of Colonial Heights for annexation.

City administrator Gene Britton said a complete report on annexation would be given the council, following

a trip to Austin where information was gained from authorities there.

At least one item to be brought up at the school board meeting will be a request from the Bradford and Kidwell Elementary P-TAs for the school to complete the airconditioning of the two buildings.

Kidwell has nine rooms and a cafeteria not yet airconditioned and Bradford has almost as many. All other classroom buildings in the school system are now cooled.

The P-TAs have been financing most units for the elementary buildings as funds could be raised, but the recent request points out the completion is necessary this year. P-TA funds are now needed in other areas, stated the request.

IOWA PARK LEADER

VOL. V III NO.1

THURSDAY, SEPTEMBER 9, 1976

IOWA PARK, WICHITA COUNTY, TEXAS 76367

15 CENTS

THE RECORDS SHOW:

It's Iowa Park's time

If things go as they should tonight, Iowa Park is supposed to beat Hirschi.

The two teams have been alternating wins since 1970, and this year is Iowa Park's turn.

Hirschi, playing as a AAAA club for the first year in 1975, edged the Hawks 14-7. In 1974, Iowa Park pulled the game out of the fire on a last-minute field goal to win 3-0.

It was Hirschi's time in '73, and the Huskies edged the Hawks 21-20. The year before that was the Mean Green's time, and they did it 28-19.

Hirschi ended a four year skein of losing to the Hawks in 1971, Iowa Park's first year in AAA. The Huskies captured the district championship that season by defeating the Hawks 12-6 in the final game of the regular season.

Expensive ring reported stolen

An expensive diamond ring was discovered missing from a home in Shiloh last week, and reported to Iowa Park Police.

Sandra Pautsky told police a three-quarter carat ring was taken from her jewelry box in the home's master bathroom sometime between Aug. 27 and last Wednesday. Value of the ring was set at \$1,700.

Parade entries need to report

Brian Catlin, chairman of the Iowa Park High homecoming parade Sept. 24, stated this week that it was necessary for organizations and groups who plan to have entries in the parade to get in touch with the high school office as soon as possible, either in person or by telephone.

Iowa Park won the 1970 game, 20-7. That was when the alternating started, because the Hawks also won in 1969, 21-14.

Coach Pat Tone feels his charges will have their hands full when the ball is kicked off at 8 tonight in Wichita Falls Memorial Stadium, however. He ranks the Huskies as every bit as good a team as were the Lawton Wolverines, though possibly not quite as big.

Nobody wants a win more than the Hawks and their coaching staff, however. Iowa Park has not won a football game since beating Stephenville in the final outing of the 1974 season, 11 games ago.

Tone said the only change he plans to make in his lineup for tonight's game, from last week's opener against Lawton, was to put Kevin Hamilton in as defensive tackle. He mentioned he might put the club's largest player, 250-pound Billy Ray, in at nose guard, also.

Hamilton says he is ready to play, after spraining his right wrist at the end of Thursday's game against the Wolverines. Tone reported Dick Elliott had been hampered by a pulled groin muscle since Friday, and was a question mark to start at linebacker.

While the Hawks were losing their opener 35-0, Hirschi fought off a late rally by the Burk Burnett Bulldogs to win 24-21. Three stars emerged from that game for the Huskies, quarterback Eric Jones, runningback Dwight Jones and lineman Dick Johnson.

E. Jones passed for one touchdown and ran seven yards for another. And while D. Jones is a speedburner, he was still called on for a one-yard plunge for his TD.

Johnson is a two-way starter, and his effort Friday drew praise from the Wichita Falls newspaper, which named him player of the week.

The Huskies actually gained more yardage passing, 88, than rushing, 82. But their defense appears vulnerable to the run, as Burk Burnett gained 173 yards for the evening on the ground.

Even at those games in the past when Hirschi won, there was one thing that didn't happen to fans. They were never bored. Iowa Park and Hirschi have produced some of the most exciting games over the past years, to be seen in Northcentral Texas.

The outcome has never been decided before the final gun.

Reserved seat

tickets on sale

Reserve seat tickets for the Iowa Park Hawk-Hirschi Husky gridiron clash in Memorial Stadium in Wichita Falls will be on sale at the high school principal's office here until 3:30 p.m. Thursday.

Reserve tickets are \$3 for adults and \$1.50 for students, said Bob Dawson, principal.

Area teachers to meet

Hundreds of area teachers and administrators are planning to attend the Texas State Teachers Association District IX fall workshop Wednesday evening at Iowa Park High School.

The workshop will run from 5 p.m.

registration until adjournment at 8:15 p.m., and will include a dinner meeting.

Teachers are expected from the 19 TSTA local associations in District IX, which includes the counties of Archer, Baylor, Clay, Foard, Hardeman, Jack, Knox, Montague, Throckmorton, Wichita, Wilbarger, and Young.

State, district, and local leaders of TTA will provide input into the association's 1976-77 program and will receive information and materials for use throughout the year.

Jim Coulston, superintendent of the Harrold schools and president of TSTA District IX, will be in charge. He will be assisted by Mrs. Ella Mae Jessel of Wichita Falls, president elect.

District leaders who will direct discussion groups will be Delton Stillel of Nocona, legislative; Jerry Woods of Wichita Falls, faculty representatives; Salina Smith of Wichita Falls, public relations; Linda Bonham of Wichita Falls, teacher education; Bob Jacobs of Harrold, professional rights and responsibilities; Darlene Bonner of Jacksboro, member services; Peggy Neeley of Burk Burnett, human relations; and Jane Owen of Vernon, instructional services.

Speakers will include Mrs. Grace Grimes of Austin, state president of TSTA; and Mrs. Edna Stephenson of Borger, a member of the board of directors of the National Education Association.

TSTA staff members who will provide information will be John Donaldson, Joe Tijerina, Leon Douglas, Preston Clark, Roger de los Santos, Selby Peter, Art Coltharp, Curtis Nixon, Earl Cantrell, and Margaret Janssen, all of Austin; and Bill Potts of the Plainview regional office.

SURPRISE AWARD - Rural mail carrier R.J. Butts was surprised just before he went out on his route Tuesday morning by a specially-designed cake made by Robbie Watts. It was in recognition of his 39 years as a carrier.

State National Bank Finances Autos

Adult education classes available in Iowa Park

The Iowa Park public school system will conduct free adult basic education classes again this school year. The classes will begin Tuesday, Sept. 21, at 7 p.m., and will be held in the "blue

building" annex on the Iowa Park Junior High School campus.

Classes will meet two nights each week, and a firm schedule will be decided upon after the first meeting. The adult education program is designed for persons over 16 years of age who do not have high school diplomas or GED certificates, or who are weak in basic academic areas.

Courses offered will include arithmetic, English, reading and social studies.

While it is hoped that all interested persons will be present for the first meeting, enrollment is open at any time during the school year.

Additional information may be obtained by contacting Ethel Jeter at 592-5745 or Dean Miller at the school administration office.

"If you want to test your memory, try to remember what you were worrying about one year ago today."

"I'm trying to use less electricity this summer, so why is my bill still higher?"

UNDERSTANDING YOUR ELECTRIC BILL

We know your electric bill is probably higher this summer - a lot higher - than it was last year. Even though you're making an honest effort to conserve electricity by doing things like turning lights off, raising your air conditioning thermostat and checking filters regularly.

A higher electric bill isn't much of a reward for that kind of effort. But, we want you to understand the reasons for it, and why it's important to continue using electric energy wisely.

The main reason for higher bills is that it's costing more to make electricity. Our rates had to be increased early this year.

On top of that, fuel costs have gone up - although Texas Electric has been able to keep these increases to a minimum.

We'll continue doing everything we can to keep increases in your electric bills as low as possible. But it's just as important that you keep conserving electricity as much as you can.

For a free copy of our newest booklet on how to save electricity, give us a call. Or request one on the comment portion of your bill.

W. N. HOUSE, Manager, Phone 592-4149

Cook of the Week

Mrs. David Williams

A treasury of heirloom recipes is reminiscent of a rich and fruitful past and reflects the joys of earlier years and places experienced by those who have handed them down. Mrs. David Williams' pride in having some recipes that were used by her great-grandmother, and grandmother and are still being used by her mother and herself attests to her appreciation of her cooking heritage.

Some of the mainstays of early American cookery, such as apples, cranberries, cornmeal, maple syrup and molasses can conjure up exciting visions of different sections of the U.S. where they were grown or produced. Now, in this modern Age of Space, Mrs. Williams is still using a Molasses Muffins recipe that has been in her family since before the Civil War, 1861. The Apple Tarts recipe was used by her late maternal grandmother, Mrs. J.W. Roach and the Cole Slaw recipe goes back even farther since it was one used by her late great-grandmother, Mrs. H.M. May.

Mrs. Williams, the former Diana Brookshier, daughter of Mr. and Mrs. Ralph O. Brookshier of Pampa, formerly of Burkburnett, was graduated from Burkburnett High School. She attended Texas Christian University and was graduated from South Plains Junior College at Levelland. She attended Eastern New Mexico University at Portales where she studied nursing.

A "sure enough" newcomer to Iowa Park, she and her family moved here a few weeks ago from Dora, N.M. for him to become girls varsity basketball coach and assistant football coach. She started to work Tuesday morning as a nurse for Dr. J.B. Nail Jr. in Wichita Falls.

The couple's children are Susan, 11 years of age, and Brook, six years old. They

belong to the Baptist Church. Her hobbies are sewing, playing tennis, collecting recipes and cookbooks.

MOLASSES MUFFINS

1 cup lard
1 1/2 cups sugar
2 eggs
1 t vanilla
1 cup sorghum syrup
Beat well. Sift together and add alternately with one cup boiling water:

5 cups flour
1 t soda
1 t salt
1 T ginger

Bake in greased and floured muffin tins at 350° until done.

APPLETARTS

Recipe for 2-crust pastry.
1 can or 2 cups fresh apples
1/2 cup sugar
1/2 t cinnamon
1 T butter

Mix all ingredients except butter. Roll out pastry and cut in rounds about 5 inches in diameter. Place 1 heaping T of apples in the center of each round. Dot with butter. Pick up 4 sides and pinch together. Place in muffin tins and bake in moderate oven (400°) about 15 or 20 minutes. Top with whipped cream before serving.

SPANISH PORK CHOPS

[Mrs. Williams' mother's recipe]

1 clove garlic
2 T fat
1 green pepper
1 medium onion
1 T flour
1/2 cup chili sauce
1 T Worcestershire sauce
1 T sugar
8 pork chops
Chop garlic, onion and pepper. Melt fat in skillet and cook garlic, onion and pepper until tender. Blend in flour, then add the chili sauce, Worcestershire sauce and sugar.

Place the pork chops and 1 cup water in skillet. Season with salt and pepper. Baste occasionally with sauce. Cook slowly until sauce is thick and chops are tender.

TEXAS CORN BREAD

1 cup yellow corn meal
1/2 cup flour
1 t salt
Mix in large bowl. Add: 1 cup buttermilk
1/2 cup sweet milk
1 egg
1 T baking powder
1/2 t soda
1/2 cup melted shortening
Grease corn stick pans well and heat. Stir up mixtures thoroughly and pour into hot pans. Bake at 450° until done. Bread will be moist and brown on the bottom.

BANANA CAKE

2 1/4 cups sifted flour
1 1/4 cups sugar
2 1/2 t soda

1/2 t salt
1/2 cup Crisco
1 1/2 cups mashed ripe bananas
2 eggs
1 t vanilla

Mix dry ingredients in large bowl. Add shortening, 1/2 cup mashed bananas and eggs; beat for 2 minutes at medium speed. Add remaining 1 cup bananas and vanilla; beat one minute longer. Spread in 9x13x2 pan and bake for 25 minutes at 375°.

BANANA FROSTING

1/4 cup butter or margarine
1 lb. confectioners sugar
1/2 cup mashed ripe bananas
1/2 cup chopped pecans
Cream butter, add half of the sugar, beat well. Add bananas and a pinch of salt. Add rest of sugar and beat until fluffy.

COLESLAW

1 small head cabbage
1 hot pepper
1 t salt
1 1/2 cups sugar
1 large onion
1 sweet Bell pepper
1/2 cup apple cider vinegar
Shred cabbage, onion and peppers. Add salt, vinegar and sugar. Chill. Serves 12.

Friends to bid couple farewell

Friends of Rev. and Mrs. Keith D. Pierce are invited to a farewell reception that will be held for them Sunday between 3-5 p.m. in the Fellowship Hall of First Christian Church. The membership committee of the church under the direction of Mrs. Faye McAllister will be in charge of arrangements.

Rev. Pierce, who has been pastor of the First Christian Church in Iowa Park for the past four and a half years, will assume duties as minister of education at the First Christian Church in Beaumont Sept. 15. He came here from Odessa where he was in charge of the educational and youth program at First Christian Church.

Invitations have been extended to churches in Wichita Falls, Burkburnett, Electra, Vernon and Henrietta to the Sunday afternoon reception.

REMEMBERING...

By BILL BROOKS

WHITTLING

If you walked by a certain spot in our little town, your feet would shuffle and rustle through a carpeting of curly wood shavings. Some would be clean, white, smelling good new ones but others had been there long enough to turn silver gray. It was the favorite spot of the unofficial "Spit 'n Whittle Club" and on any pretty day you could find some of the members there. They were mostly older fellows who gathered there to tell stories, pass the time and of course, whittle. There were two old, rusted chairs and a few dilapidated soda water boxes but late comers had to hunker down or lean against a post or wall of the building because the seats would be taken early in the day.

The favorite pocketknife would be opened, a piece of soft wood produced from the pocket, ground or wherever one could be found, then shavings would begin to fall. The wood was mostly just whittled down to nothing with no definite idea in mind but there were some tried-'n-true projects that all "real" whittlers attempted at least once.

For projects, whittlers selected woods like sugar pine or bass, both of which are soft and even-grained.

The most popular projects were the "ball in a cage," a chain of several links, swivels, pliers that worked — all out of a single piece of wood. Things like replicas of guns, swords and boats were favorites with some. Others produced caricatures of animals or people in humorous positions or garb.

None of the whittling was

ever done in a hurry but slowly, deliberately, as though it didn't matter if it was ever finished. The knives were special, the pride of the owner. They were hardly ever loaned out but were just about always sharpened to perfection with an Arkansas whetstone most whittlers owned.

At the whittling spot they talked about things like politics, crops, weather and prices. In fact, about the only thing not discussed was whittling. You could brag

about your knife, say it was better'n anybody else's, but you never criticized another person's whittling, no matter how bad it was because whittling was for relaxing and enjoying, not for making a living.

"Ain't you fellers got nothin' better to do than jest set around here makin' shavin's?"

"Nope, 'cause there ain't a thing on this earth better fer a man to do than whittle or fish, an' I hear tell the fish ain't bitin' jest now."

WHITTLING

WORTH QUOTING

What is happening in the Wayne Hayes case speaks volumes against sending a Democrat to the White House.

Congressman Hayes is accused by his former mistress, Elizabeth Ray, of keeping her on the payroll at \$14,000 a year for her services in the bedroom. Miss Ray, 40 years the congressman's junior, admits that she can't even type.

The ethics committee of a Democrat dominated House already had a resolution prepared dropping its investigation of the aging Lothario.

Democrat Speaker Carl Albert, himself reputed to have a serious

bottle problem, expressed regret that "a man would get him in that kind of a position."

As Albert appeared on television I thought I detected relief along with regret upon his acceptance of the Hayes resignation.

The truth is that very few members of our Congress would get an absolutely clean bill of health if their personal conduct were probed. It seems that members of the majority party can hanky panky until they get caught. Then they don't get the Halderman, Ehrlichman treatment that justice demands. These two turkeys would have been happy enough to resign without any cheese if only the other side of the aisle would have let them out of the trap.

Lyndon Johnson was not hauled down with Bobby Baker as he should have been. Democrats have a tendency to use their power to give only perfunctory scrutiny to the misdeeds of fellow Democrats.

They seem happy enough to let bygones be bygones if the unlucky culprit who has committed the high crime of getting caught will only slink away and let them continue having their fun.

The 67-year-old Hayes got one accolade and that from his 27-year-old consort although it is likely to bring little warmth between the ex-congressman and his new wife.

Miss Ray said Hayes was by far the best lover to come into her life so far.

As I See It....

by BOB HAMILTON

Though they don't understand it, and probably wouldn't admit it if they did, it appears young males are their own worst enemies, when you talk about automobile insurance.

The story's old, nothing's new, and I doubt if anybody will ever come up with a solution. But young males, in general, are just a bunch of accidents looking for a place to happen.

When I said the story was old, I

was exactly the same way, maybe worse. So I'm not offering myself as an exception.

Driving to the high school yesterday morning, I saw three different drivers not only endangering themselves, but anyone who happened to get in their way. And yesterday was no particular exception.

Now I know some teenage drivers are like old maids with their cars. They've worked hard to buy them, or want nothing to happen to them, and show their pride by avoiding any unnecessary chances to have an accident.

But then there are those who couldn't care less, whether they paid for their cars, or their parents did. They've just got to show off, and that's where the rub come in.

If those drivers think I'm being critical of them, maybe they should compare their insurance premiums with those of adults.

The rate on a medium priced 1976

Ford, Chevrolet or Plymouth, as of January of this year, was \$570 for a male under 21 years and unmarried. That's \$329 higher than the \$240 that I pay.

I know my reflexes are not as good as those of most 20-year-old males. So he should be a better driver, as far as that goes.

It's a shame those young drivers who are super careful with their cars have to pay such a high premium because of the others who are so careless. It would seem to me that if they would help calm down the careless ones, either by personal contact or turning them into police, the rates would eventually go down.

But I guess there is just so much show off in all young males, human or not. Mother nature made us that way, apparently.

Just wonder, though, if HEW has ever looked into the formula of rate setting by the insurance companies. You sure don't hear the women's libbers complaining about that.

Letter to the Editor

Dear Editor and Citizens of Iowa Park:

This is the best way I could think of to say, "Thank you, from the bottom of our hearts". From 10:30 p.m. Sept. 5, to 6:00 p.m. Sept. 6, was an important, happy, and heartwarming twenty hours all across the United States. Many of you in Iowa Park took the opportunity to help young people much less fortunate than yourself by making your pledges to Muscular Dystrophy. We just can't thank you enough.

Thank you, Luther Shaw, for paying for the ad in last week's Leader and for giving us the use of Shaw Motor Co. as the Iowa Park Pledge Center. Thanks, Bob, for the nice big space to run the ad.

There are three very special little girls in Iowa Park. Mary Ann Crittenden called us and asked if she could collect money in her neighborhood, and she turned in \$14.30.

At 4:45 p.m. Monday, Kristie Hazelton (6 years old) and Dawn Green (7 years old) came to the Pledge Center with Dawn's mother, Margaret Green. These two healthy pretty little girls got out and collected \$34.66 in just one hour. Thank you Dawn and Kristie. You are great!

In connection with the Jerry Lewis Labor Day Telethon, we received a total of \$486.00 in pledges and \$98.47 in cash at our Pledge Center. Thanks a million to all of you who called and gave your pledge.

FULLBACK RAY COOK was from the Hawk 30 yard line, with lots of blocking behind him, and races 46 yards before being brought down from behind on the third play of the

third quarter against Lawton High Friday. It was the longest gain of the night for the Hawks.

WOLVERINE DEFENDER Homer Alanis goes high into the air to block a pass attempt from Iowa Park's Rex Huckaby to David Correll late in the second quarter.

**Lawton's powerhouse
holds Hawks in opener**

Iowa Park's Hawks had the misfortune of running into the fifth-ranked AAAA team of Oklahoma in their season opener Thursday night, and came away licking their wounds after being defeated 35-0.

Lawton High's Wolverines earned their rating by displaying an awesome offensive machine, bolstered by big, fast backs, and a solid though not especially impressive defense.

The Hawks, playing their debut under new coach Pat Tone, were outclassed by the hosts, giving away some 30 pounds a man. But despite size and speed, and the score, the Wolverines were not able to take the fight out of the Green Machine.

Lawton scored once in the first quarter, three times in the second, and after scoring in the third started playing the reserves, and coasted to victory.

Two flaws were the major problems in Iowa Park's progress: fumbling and penalties. The Hawks lost the ball three times on fumbles, and drew six penalties.

Some of the penalty problems were a new rule in Oklahoma, called encroachment. That's where the defensive player cannot break the plane of the ball once the offense is set. It's worth five yards, and seemed to come at some sensitive times. Also some Hawks forgot to load their mouths with mouthpieces as play was to start, and that also is an infraction.

Lawton's reserves were apparently trying to make an impression of toughness, drawing five penalties in the final two periods, four of which were personal fouls.

Converted tackle Ray Cook, playing fullback, had his problems in the first two quarters holding onto the ball. But he showed the big

crowd of Texas followers why he was switched to the backfield by spurning 46 yards on one carry. That gave him a total of 65 yards on his eight carrying plays, tops for Iowa Park.

Tailback Jim Stevens followed Cook in the gaining department, netting 30 yards on 11 attempts.

Rex Huckaby started at quarterback. He was unable to connect on six passing attempts and was sacked six times to finish the night with a minus 21 yards.

Reserve David Wright completed one of three aerial attempts, for eight yards, and picked up nine yards on two carries before being dumped for a seven yard loss.

The punting of Robert Dillard was one of the brightest spots in the game

for Iowa Park. The senior was called on five times and averaged 38 yards per. His first three, going into a slight breeze, were for 42, 39 and 43 yards respectively.

Lawton scored four times running, from three, 14, 19 and 43 yards out. The final touchdown has still got fans talking.

On that TD bomb, quarterback Clint Douglas, who scored the first two touchdowns himself, stepped back and threw the ball as far as he could. Fleet Boris Green ran under it 55 yards down field, took the ball over his shoulder and coasted over the goal line.

Two plays later, the Wolverines covered the third Hawk fumble on the Iowa Park 22, but failed to pick up a first down.

Iowa Park reached scor-

ing territory only twice during the game.

Cook's long run was to the Wolverine 24 yard line. But three plays and a penalty

HEAD HAWK Pat Tone gives his charges a signal with only eight seconds remaining in Friday's game at Lawton.

BEING CUT OFF after a seven-yard gain during the first quarter is Hawk tailback Jim Stevens, 12.

later, Lawton took over on their 26, and scored on the bomb four plays later.

Then Wright led the last drive in the fourth period, but could reach no deeper than the 30.

Dick Elliott turned in the defensive play of the night for Iowa Park, setting up that final Hawk drive.

A Wolverine bobbed one of Dillard's punts, and while he and a team mate were trying to pick it up, Elliott dove into them, cutting

them both down, and covered the ball himself on the hosts' 35.

JV, Frosh lose here

Iowa Park junior varsity and freshmen will be looking for their first wins of the season after losing to Rider clubs here Saturday.

The two teams will play this Saturday at Vernon, with the Frosh leading off at 10 a.m. and the JV going at 12 noon.

Rider held the Hawk JV scoreless while rolling to a 36-0 victory. Three of the four visitor TDs were long runs, 18, 21 and a 52-yard punt return.

The Frosh got on the

scoreboard, though losing 44-14.

Trailing 28-0 at halftime, Troy Thompson returned the third quarter kickoff 65 yards for the season's initial score. Then in the final stanza, Joe Stevens scampered 20 yards for the other touchdown, and Thompson

bullied his way over for the two-point conversion.

**Junior high
splits wins**

Iowa Park's junior high football squads made an even swap with Burkburnett Tuesday with Iowa Park taking the seventh grade contest 12-0 and Burkburnett winning the eighth grade game 18-0.

The contests with Burkburnett marked the gridiron opener for Iowa Park players.

Both touchdowns for Iowa Park's seventh graders were made by Chris Nethery, a 157-pound fullback, who romped from near mid field for both scores.

Next outing for the junior high will be with Vernon here on Tuesday.

The seventh grade will take the field at 5:30 p.m., followed by the eighth grade at 6:30 p.m. Tuesday.

MAKESHIFT CLASSROOM—With total enrollment hovering at 600 pupils, Walter Lemons was assigned the old gymnasium to teach his classes in history, driver education and activity period. The students are using ping pong tables for desks. Perhaps an inconvenience to some

teachers, Lemons finds the new setting quite to his liking. He's head basketball coach at Holliday High School. Besides that, he says the old gym is one of the coolest spots in the building.

School groundbreaking within next 60 days

Architect for Holliday school system's construction and renovation project estimates ground for the new high school here should be broken sometime in late October or early November.

"We're still trying to get finished up with the plans," said Bob Pardue, architect. He expects it will take another two weeks before plans and specifications are complete.

Following a final review by the Holliday School Board, bidding procedures will be set up, Pardue explained.

The school district should go out for bids sometime in early October. Bids are expected to be awarded in late October, he said.

Under Pardue's original estimates, the plans would have been completed by late August or early September.

However, complete plans on the present Holliday High School were not available, thus accounting for addi-

tional man hours necessary to take measurements.

Bar any unforeseen difficulty in attaining construction materials, Pardue expects the project to be

complete by this time next year.

Providing inflation does not dip too severely into bond money coffers, next year's Holliday school complex will

be sporting a new classroom building, auditorium, 800-seat football stadium, additional athletic dressing room space and new tennis courts.

When the Holliday School Board proposed the \$1.2 million project last April, they styled the proposal so that some relatively minor improvements could be eliminated in the case of insufficient funds.

Trustees successfully made their plea to the district's voters in an effort to provide facilities to better handle the growing student population here.

In the past three years the student body at Holliday has increased 29 per cent, and currently hovers at the 600-pupil mark.

While a major philosophy in undertaking the construction and renovation project was to provide additional space, the revamped old high school and new structure also will be air conditioned.

HERO going on Tiger hunt

Holliday varsity Eagles will go on the road Friday night to battle the Electra Tigers in Electra.

Kickoff is set for 8 p.m. Friday.

Head coach Don Lucy said he is expecting tough competition from Electra which always proves to be one of the Eagles' roughest foes.

Last week the Tigers downed Archer City 20-0, so both teams will be going into the game undefeated after their first outings.

Predicted to finish second

in District 2-AA, Electra is returning 12 lettermen including seven starters from last year's squad.

On Holliday's contest against Nocona, Lucy said a review of the game film indicated some of the penalties called might have made it appear the Eagles played worse than they really did.

Lucy said he was pleased with his team's performance against Nocona, praising both first string and second string offensive and defensive units.

Holliday News

Cemetery group meets Sept. 20

Annual meeting of the Holliday Cemetery Association is set for 7:30 p.m. Sept. 20 at the Holliday Community Building.

Among items of business will be election of a new trustee.

Photo session next Wednesday

Pictures of seniors at Holliday High School will be made Wednesday.

Boys are asked to bring or wear white shirts. Girls should wear a skirt and blouse.

City, school meetings set

Holliday school board and the Holliday City Council will hold regular meetings next week.

Holliday school trustees are slated to convene at Holliday High School at 7:30 p.m. Monday.

Holliday City Council is set to meet at 7 p.m. Tuesday at Holliday City Hall.

REV. PAUL BURLESON

Kamay Baptist slates revival

Rev. Paul Burleson, pastor of First Baptist Church at Borger, will be the evangelist for a revival at Kamay Baptist Church Sept. 12-17 at 7:30 p.m. Bible study will be held each morning at 10 o'clock.

Ben Valadez of First Mexican Baptist Church in Wichita Falls will direct the singing and Dave Bridges of Faith Baptist Church in Iowa Park, will be the pianist. Rev. Roger Deerinwater is the pastor. A nursery will be provided.

Killians celebrate golden anniversary

Mr. and Mrs. John A. Killian of Holliday celebrated their 50th wedding anniversary Sunday afternoon with a reception at the Holliday United Methodist Church.

The reception was given by their son and his wife, Mr. and Mrs. John A. Killian Jr. of Hobbs, N.M.

They were assisted by two granddaughters, Mrs. Karen McCall and Miss Sharon Killian, and a great-grandson, Chris McCall, all of Hobbs.

Mr. and Mrs. Killian were married Sept. 26, 1926 in Burkburnett. She is the former Carmon Burnett of Sudan.

The couple has lived in Mankins and Holliday all their married life.

Sunday afternoon's reception was attended by 115

guests and relatives.

The golden anniversary theme was employed in decorating the church's fellowship hall.

Gold mums were displayed on white satin covered with white net.

Members of the house party were Mrs. C.C. Wooster, Mrs. Cecil Mankins, Mrs. James Hewitt, Miss Patti Hewitt, Mrs. Louis Hodge, Mrs. Ina Slover and Mrs. Pat Hubbard.

Other members of the house party included Mrs. Mildred Martin, Mrs. Ida Taylor, Mrs. Lila Haskell, Mrs. Donna Hootin, Mrs. Mary Nell Killian and Mrs. Floy Welch.

Out of town guests were Aronald Killian of Wichita Falls; Mr. and Mrs. E.T. Ellenburg of El Reno, Okla.; Mrs. Jennie Lynn Monhondo of Waco; and Mr. and Mrs. Douglas Teague of Anton.

Other visitors were C.L. Moore of Lubbock; Mr. and Mrs. Harry Young of Olney; Mr. and Mrs. M.E. Winton, Marilee and Dennis of

Sulpher Springs; and Mr. and Mrs. Loyd Cowden, Michele and Gena of Bridgeport.

Out of town guests included Mr. and Mrs. J.C. Neal and J.C. Jr. of Elmore City, Okla.; Mrs. Vivian Stevens of Ardmore, Okla.;

Mr. and Mrs. Henry Jenkins of Bridgeport; Mrs. Mike Goble, Grant and Brandi of Graham; Mr. and Mrs. H.O. Smith of Henrietta; Mrs. Bill Neimeyer of Wichita Falls; Mrs. Mildred Martin, Mrs. Ida Taylor and Mrs. Lila Haskell of Beaver, Okla.

MR. AND MRS. JOHN KILLIAN

Food class is slated

Nutrition and healthful food preparation classes designed to improve the inadequate, unbalanced diets on which more than half of all Americans are living, will begin at 7:00 p.m. Sunday in the Community Service Center at 1307 14th Street in Wichita Falls.

The four-night course is being sponsored by the Wichita Falls Seventh Day Adventist Church, and is open to all interested persons in the community.

"Ninety-seven million Americans are not getting in their diets the essentials to maintain optimum health and efficiency, according to the National Nutritional Council," Martha Crawford, instructor for the course, explained in announcing the classes.

Mrs. Crawford is a Certified Home Nutrition Instructor. She will give practical demonstrations in food preparation and distribute free food samples and recipes at each lecture. Special gifts, including

cooking lessons will also be awarded.

Her lectures will include a systematic discussion of the various types of food and the all-important vitamins and minerals. Tempting main-course dishes will be prepared, bread and cakes will be baked, and those attending will have a chance to taste the results.

The class is part of a health education project sponsored by the Wichita Falls Seventh Day Adventist Church at the Community Service Center in an effort to give the public the newest nutritional discoveries. Mrs. Crawford recently attended a school of health and food preparation offered by the Seventh-day Adventist Southwestern Union College at Keene, to qualified women from several states in order to train them to conduct community classes in healthful food preparation. The subject of the first class will be "The Advantages of the Better Breakfast."

Local teams play today

Holliday's seventh grade, eighth grade and junior varsity Eagles will confront their first foes of the bicentennial season today when they travel to Electra.

The seventh grade will kickoff the triple header when play begins at 5 p.m. today.

Cody West is coach of the seventh and eighth grade Eagles. Ralph Klunkerman coaches the junior varsity.

Dairy Queen opens Friday

Holliday's new Dairy Queen will officially open its doors to the public at 9 a.m. Friday, according to Doris Richeson of Richeson Restaurants.

The new eating establishment here is the eighth similar business operated by the Richeson chain.

Richeson Restaurants has two Dairy Queens in

Graham with other locations in Childress, Sanger, Ranger, Albany and Archer City.

Pictures available

Extra pictures of members of Holliday High School's Class of '76 are available at the high school.

Interested persons should contact Tommye Lofland at the high school.

Holliday School Menu

MONDAY, September 13
Steak fingers, whipped potatoes, green beans, lettuce salad, bread, milk, butter, peaches.

TUESDAY, September 14
Chili beans, spinach, slaw, cabbage, corn bread, milk, butter, cookies.

WEDNESDAY, September 15
Hamburgers, lettuce, onions, tomatoes, pickles, mustard, mayonnaise, potato chips, ice cream.

THURSDAY, September 16
Creole spaghetti, blackeyed peas, salad, batter bread, butter, milk, syrup.

FRIDAY, September 17
Frito pie, buttered corn, green salad, milk, bread, cake.

LOOK WHO'S NEW

A son, Jeremy Wayne, was born Friday in a Wichita Falls hospital to Mr. and Mrs. Tommy Case of Wichita Falls. Jeremy weighed seven pounds, 13 ounces.

Grandparents are Mr. and Mrs. Buddy Sellers and Mr. and Mrs. Clifford Case, all of Holliday.

Eagles survive flag blizzard, romp over Nocona

Despite a blizzard of yellow flags that cost Holliday more than 100 yards, the Eagles scalped Nocona 27-0 here Friday night to claim their first victory of the season.

By most standards, Holliday outclassed Nocona which is considered a perennial heavyweight in North Texas Class AA circles.

It was a game that ignited tempers, both on the field and in the grandstands.

Holliday's junior guard

Benny Ezzell and a Nocona player both were benched in the fourth quarter when the two players fell to the ground in a scuffle following a Holliday punt.

Tempers of Holliday fans in the stands and along the sideline were worn to a frazzle—especially during the first half of the contest—when officials continually launched yellow flags against Eagle wrongdoers.

While the Eagles displayed an obvious lack of the finesse that took them to the

Class A quarter finals last year, there was little debate that the Eagles would have produced an even more lopsided score if it hadn't been for the costly yellow flags.

The game's limelight was not occupied by any single player.

Bob Gilmore evolved as the leading rusher with 101 yards followed by Ayres with 82 yards.

A converted guard, quarterback Randy Berryman ran for 52 yards and proved

his abilities as a signal caller more than once on profitable pass action keepers.

Stray Nocona passes were nicked off by Clark McDaniel, Larry Ayres and John Ruby, who also came up with a Nocona fumble.

Following the initial Nocona kickoff, Holliday was unable to come up with the necessary yardage to produce a first down.

Nocona fumbled on its fifth play from scrimmage. Gilmore and Larry Ayres combined to chalk up a trio of Holliday first downs before Ayres capped off the 45-yard drive with a three-yard plunge into the end zone for Holliday's first TD.

The first score came with 4:10 remaining in the first quarter.

A penalty against Holliday for holding cost Holliday 15 yards on the conversion

which ended in an unsuccessful extra point boot by Berryman.

Ruby snatched up another Nocona fumble following the kickoff, but a tight Nocona line and a 15-yard walk against Holliday forced the Eagles to relinquish the pigskin.

In the wake of another Nocona fumble, Holliday's Larry Ayres ran three yards for another TD with 10:43 left in the second quarter. Berryman's kick was good.

Five Nocona plays after the kickoff, Larry Ayres lassoed a wild Indian pass and returned it to the Nocona 20—only to have the effort called back on a clipping call against Holliday.

Then it appeared the official's yellow flags were snowing on Holliday. During the next ten plays, five penalty flags fell on the Big

Red Machine.

Fans walking the sideline were yelling at the officials, and once at the extreme east end of the gridiron, one of the officials exchanged debate with a Holliday fan.

When the half came to a close it was Holliday on top 13-0.

Larry Ayres came up with another interception during the first volley of plays during the third period.

Holliday's campaign took the Eagles 60 yards in nine plays, capped off by another three-yard plunge into the end zone by Ayres with 4:38 remaining in the third period. Berryman's kick was good.

Holliday's backup unit took command on the Eagles next possess with Steve Lucy calling the signals to a backfield of Cory Smith and Lynn Ayres.

Midway through the

fourth period, Ezzell and a Nocona guard went to fist city. Both were benched.

Holliday's final score of the evening came with less than three minutes remaining in the game.

After a Nocona fumble, Holliday found itself on Nocona's 40 yard line. Berryman connected with Ruby on a 15-yard aerial attack, and then Gilmore rambled 25 yards to paydirt aided by a key block by McDaniel who erased Nocona's sole defensive threat.

Nocona's only serious threat of the night came on the following Holliday kickoff when a Nocona runner chalked up almost 40 yards before being stopped by Berryman.

| H | N |
|--------|--------------------|
| 19 | First Downs 7 |
| 230 | Yards Rushing 51 |
| 39 | Yards Passing 56 |
| 269 | Total Yards 107 |

| 4 | Interceptions by 2 |
| 0 | Fumbles lost 5 |
| 5-43.2 | Punts 2-42 |
| 11-115 | Penalties 8-55 |

QUESTION ON THE PLAY—Holliday's John Ruby [83] defends the threat of a Nocona aerial attack. Game officials penalized the Eagles for interference on the play, but it appears the referee didn't share the same view as the camera lens.

TRIPPED UP—Eagle Larry Ayres [20] has the skids knocked out from under him after gaining tough yardage for Holliday during the season's opener. Surrounded by Indians, teammates Randy Berryman [12], Andy Barton [63], Clark McDaniel [81] and Clay Carver [74] rush to the scene.

RAMBLING MAN—Larry Ayres [20] picks up additional yardage for the Big Red Machine while teammate Clark McDaniel [81] moves in to put a Nocona Indian out of commission.

PP&K deadline is next week

Aspiring young gridiron stars have until 6 p.m. Sept. 17 to enter the annual Punt, Pass and Kick Contest.

The annual event is sponsored by Shaw Motor Co. of Iowa Park.

Youngsters ages 8-13 are eligible to compete. Competition is set for 9 a.m. Sept. 18 at Iowa Park junior high school football stadium, according to Luther Shaw.

Entrants will be competing against youths their own age.

Prizes will be awarded according to scoring based on accuracy and range with one point added for every foot of punting, passing and kicking distance.

Muzzle loaders ready for hunt

Fifth annual muzzle loading shotgun dove hunt co-sponsored by the Red River Renegades and David "Big Foot" Williams will be held this weekend on Williams' ranch at Black Flat.

"Anyone with a muzzle loading shotgun and a valid Texas hunting license is welcome to attend," said Fred McNeil, president of the Red River Renegades.

Registration area and

camping area is located on Williams' ranch.

The area is accessible by taking Seymour Highway west, and turning south on the black top road between Mankins and Dundee.

The black top road eventually leads to Lake Kickapoo, but hunters should take a dirt road east near a large "S" in the black top road.

There will be signs directing hunters to the exact registration site,

McNeil said.

Hunters can begin registering at 2 p.m. Friday. Hunting will continue from noon until sundown on Saturday and Sunday, McNeil said.

The \$2 registration fee will entitle sportsmen to hunting, a Saturday night meal of "Red River Renegade Stew" and beverages.

McNeil said an authentic Civil War cannon would be fired to signal the beginning and end of each day's hunt. A plaque will be awarded the first hunter to bag his limit on Saturday.

While hunting may be the prime attraction for some sportsmen, the annual Saturday night picking and grinning session after supper claims the praise of many participants.

Persons so inclined are asked to bring their instruments to join in on the fireside entertainment.

The rustic setting provides plenty of space for persons who want to camp out Friday and/or Saturday nights, McNeil said.

Self-contained trailers also will be permitted, he explained.

Local field good omen for Notre Dame Knights

Perhaps indicative of a good omen for Wichita Falls Notre Dame High School, the Knights celebrated their first victory at their home away from home here

Friday night by downing Goree 16-6.

The Knights have adopted Bobby Gilbreath Stadium here, the same facility that began the Iowa Park Hawks' first drive for a state championship.

Notre Dame, rushing for 281 yards to Goree's 137, first hit paydirt on a 25-yard field goal by Joe Powers.

The Knights' Robert Powers scored from two out later in the first period, and J. Powers put it through the uprights for the extra point.

Notre Dame scored again in the second period on a pass from Keith Wasinger to Mark Jackson. J. Powers kicked the extra point.

Volleyball teams win

The Iowa Park varsity and junior varsity volleyball teams started their seasons off on a winning note, defeating clubs from Electra here Tuesday.

The varsity easily defeated the visitors 15-4 and 15-1. JV scores were closer, with the locals coming out on the long end 15-9 and 15-11.

In the unscheduled freshman game, Electra edged Iowa Park 15-10 and 15-13.

The three teams travel Tuesday to Childress for a triple header, with the Frosh starting off at 6:30 p.m. Next home game will be the following Thursday, when Graham plays here in a double header starting at 4:30 p.m.

PUBLIC NOTICE
SUMMARY OF PROPOSED
CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)
Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe. The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature. The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds. The wording of the proposed amendment as it will appear on the ballot is as follows:
"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

NUMBER TWO ON THE BALLOT (H.J.R. 99)
H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature. The wording of the proposed amendment as it will appear on the ballot is as follows:
"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."
