DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

HOMEcoming QUEEN - Dee Lynn Smith, daughter of Mr. and Mrs. Rip Smith, was crowned Iowa Park High School Homecoming Queen Friday night in ceremonies prior to the Iowa Park-Azle football game. She is a senior.

Citizens may vote again on new charter

A third try to have Iowa Park's city charter changed to home rule appears in the offing.

Procedures for calling an election on the issue were discussed in depth Monday during a regular meeting of the city council.

Attorney Mike Hubbard read from Texas Civil Statutes, Articles 1165 and 1166, while explaining that an election could be called by either two-thirds vote of the council, or petition from 10 per cent of the eligible voters in the city.

Two referendums are required, Hubbard said. The first is when the people are asked if they want a new charter drawn. On that same ballot, a charter commission of not less than 15 members are named, who will start to work if the first proposition is approved.

The second voting takes place after the proposed charter is completed. Copies are mailed to all voters, and they decide if they want the charter as written.

January 15 would be the first date an election could be held, under new laws passed last year by the legislature, Hubbard explained.

Should the council continue as was indicated, this would be the third time in five years residents of Iowa Park have been asked to vote on the issue. In the two earlier cases, they always approved the drafting of a new charter, but when the proposed

charters were voted on, both were defeated.

OTHER BUSINESS

The council took no action following a discussion on revising water, sewer and trash rates for apartment complexes and certain businesses outside the city limits. They voted to table the issues until the next regular meeting, at which time it was indicated that a decision would be made.

Management of Woodbriar Apartments complained that the city services fees were increased too much when a recent ordinance was passed, raising the rates. In that ordinance, the apartment was charged on a per-unit basis, rather than a single business rate as had been in the past.

Sewer rates for both Cryovac and the highway department's rest stop west of town were both said to be excessive, also.

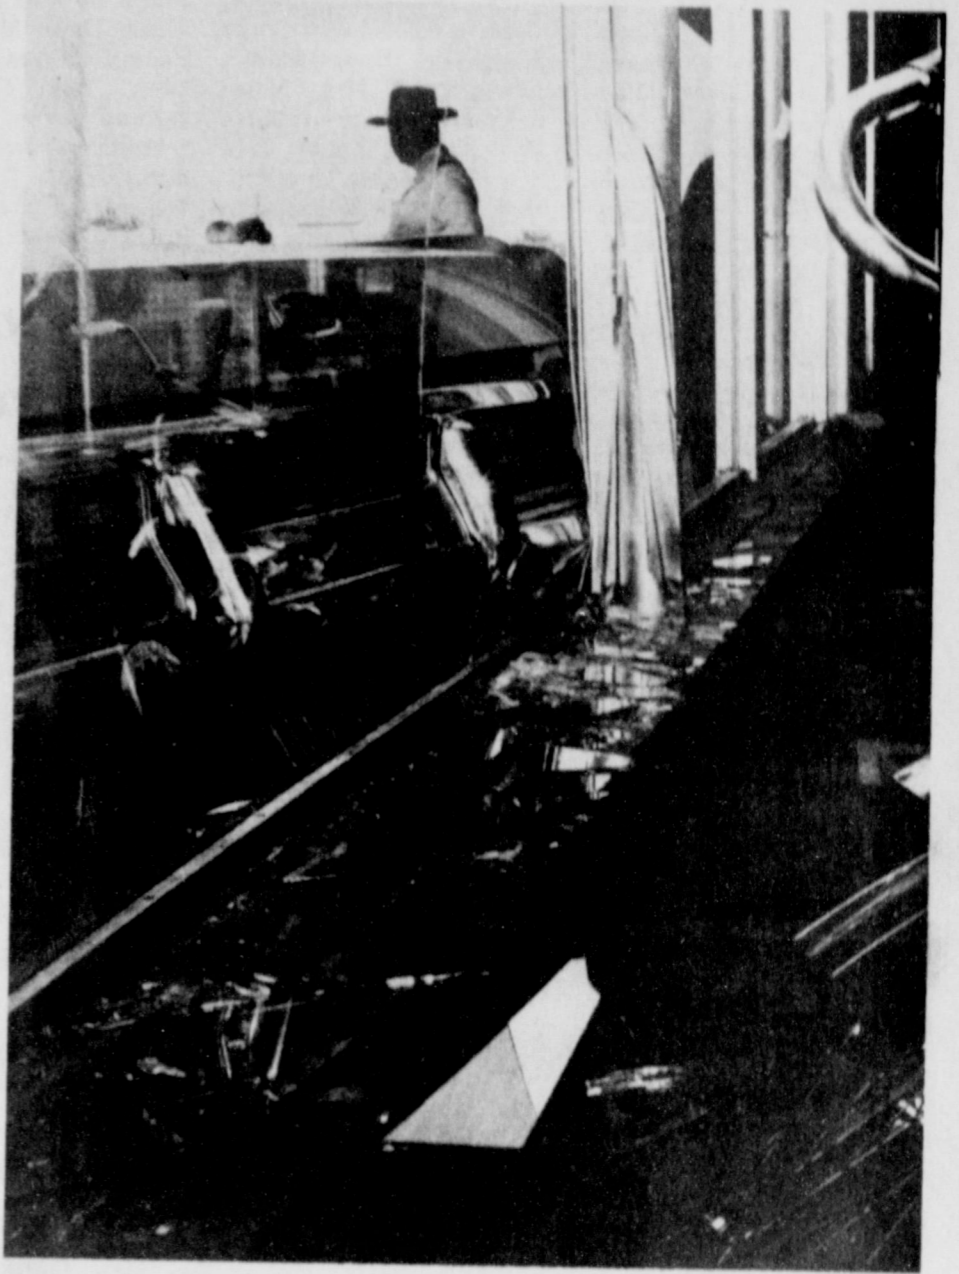

Ten citizens were appointed to the newly created Citizens Traffic Safety Council by Mayor Johnny Crawford, who said he would name two more, making it a 12-member unit.

Those named were Rip Smith, Bob Birk, L.W. Teel, Harold Cowley, Bill Bates, Ralph Beall, John Mixon, Charles Tillery, Bill Cook and Richard Ashton. Police Chief Charles Beaver, City Administrator Gene Britton and Street Superintendent Charlie Helms were named ex-officio members.

The council approved a contract with G.A. Benesh, Wichita Falls attorney, to serve as collector of delinquent taxes. The contract, is to expire next July, or terminate before then should the city and school agree to turn over the city's tax collections to the school's department.

Aldermen approved calling a special meeting for Oct. 6, a Wednesday, to study the recently completed city audit. That meeting will begin at 7:30 p.m. at the Texas Electric Service Reddy Room.

Approval was given for hiring a new police officer, Nick Barnes, at the established salary of \$3.19 per hour.

RUNAWAY-Large panels of glass in the front of Western Auto Store here were shattered last week when an automobile absent its driver came crashing through. Mrs. Louis Sefcik had left the car engine running while she scammed off for some quick shopping. The driverless car made its way across the street, over the curb and crashed into the store windows.

Free swine flu vaccinations not expected here for month

Private physicians in the Iowa Park area are expected to begin administering a limited number of Swine Flu vaccination shots next week, but it will be about another month before Iowa Park's free vaccination clinic is in operation.

Dr. Charles Parker, director of the

Wichita Falls City-County Health Unit, said 6,000 doses of two kinds of Swine Flu vaccine would arrive here this week.

He said about 60 private physicians in this area had expressed a desire to obtain the vaccine for their patients.

Because the initial shipment will be so limited, it will go to private doctors first.

A second, larger shipment is expected to arrive here in coming weeks, Dr. Parker said, and will be used to treat persons attending free clinics.

The free clinic in Iowa Park is expected to be established in one of the public school buildings.

The clinic here is expected to be in operation in three or four weeks and probably will be operated on Saturdays, Dr. Parker said.

Weather Report

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.

| | |
|-------------------|-------|
| Rainfall for week | 5.2 |
| Total for month | 5.44 |
| Total for year | 22.50 |
| Total last year | 32.61 |

IOWA PARK LEADER

THURSDAY, SEPTEMBER 30, 1976

VOL. V III NO. 4

IOWA PARK, WICHITA COUNTY, TEXAS 76367

15 CENTS

Hawks open conference play here Friday night

The Iowa Park Hawks, feeling much better about their possibilities of winning now that they've posted their first victory since 1974, open Dist. 4-AAA play here tomorrow at 8 p.m. against the Stephenville Yellow Jackets.

The Mean Green defeated Azle here Friday before a jam-packed homecoming crowd, 18-3, to end a 12-game losing streak.

For years, Stephenville occupied the cellar of the tough conference. But last year, the Yellow Jackets put the Hawks in that position by handing them their 10th loss of the 1975 season, 27-7.

Going into the game, Iowa Park had been favored. But the Hawk

defense couldn't stop the outside running of the tall and lean Jacket backs.

Stephenville comes into tomorrow's game with an undefeated record. The Jackets have posted impressive wins over Fort Worth Nolan, 17-13, Granbury, 47-6, and Breckenridge, 10-0.

Iowa Park lost its opener to Oklahoma power Lawton High, 35-0, and then was edged by Wichita Falls Hirschi, 3-0, before taking a week off to prepare for the Azle battle.

Both the Hawks and Jackets depend on a five-man defensive line to stop rushing attacks.

Stephenville averages slightly more weight than do the Hawks, though only one of the 200 pounders

listed on the roster is a starter. Two fullbacks are listed at 190 and one halfback is 185.

Starting offensive line includes Jimmy Grissom, 180, David Peters, 192, Roger Moore, 220, Dickie Caudle, 170, David Martin, 180, Brent Wolf, 180, and Perry Grooms, 168. Mark Manley, 170, is quarterback. He is backed by Everett Shelby, 150, Phil Landers, 184 and Mike Dalby, 155.

Defensive starters include Danny Malone, 165, Brent Wolf, 180, David Morton, 180, Terry Johnston, 187, and Jimmy Grissom, 180, on the line; Mike Dalby, 155, Ricky DeLoach, 190, Dickie Caudle, 170, and Bill Parham, 185, at linebacker, with Perry Grooms, 168, and Greg Derrick, 150 in the secondary.

Arson suspected fire

Iowa Park Police Department is investigating a suspected case of arson-theft at the home of John Gregory, 701 W. Magnolia.

The case was reported to police here Sunday afternoon and is believed to have occurred Saturday or Sunday, according to a police report.

The police report said an unknown fluid had been poured on a bed in the master bedroom, and a natural gas water heater had been tampered with allowing gas to escape into the house.

The bed had been set on fire and the house had been closed up, the report said.

Police and fire department officials theorized oxygen was not sufficient in the house, and the bed fire was smothered before natural gas could build up and explode.

The police report said varnish and paint in the bedroom had bubbled because of heat.

The antique bed destroyed by fire was valued at \$500, the police report said.

Items taken from the home included a 17-inch color television, dining room set, eight-track tape player and 20 or 30 stereo tapes, a lawn edger, a box of pool balls and a box of pool chalk.

Rip Smith reported the burglary of an unoccupied house at No. 16 Surrey in Shilo II. A new microwave oven, still in the shipping box, was believed

to be removed from the home between Thursday morning and Saturday morning, according to police reports.

Billy Stewart, 605 E. Alameda, reported a citizens band radio was taken from his automobile sometime between Sunday night and Monday night.

Burglars used a wire to gain entry into the auto. The radio, valued at \$350, is believed to have been taken while the vehicle was parked at 605 E. Alameda or at the Wichita Clinic parking lot.

Bill Bates reported the hoods of ten new 1976 automobiles had been painted with shoe polish sometime Thursday night. The cars were on a lot at 300 W. Highway.

Iowa Park man taken in raid

An Iowa Park man was among 17 persons arrested Saturday in a marijuana raid near Petrolia.

The man, who gave his address as Iowa Park, was Robert Gene Fairchild, Clay County Judge Conner Fletcher said Wednesday.

Fletcher said Fairchild was prosecuted for possession of marijuana, not more than two ounces.

The judge said Fairchild was fined \$100 plus \$51 court costs and sentenced to 10 days in jail.

According to an agreement

Fletcher had with several of the offenders, Fairchild served "three or four days" of the jail sentence and was released early when his fine was paid.

The marijuana raid took place early Saturday in a mobile home in Petrolia.

Clay County Sheriff's Department, Texas Highway Patrol and Petrolia city officers took part in the raid.

Fourteen adults and three juveniles were arrested in the raid. Other offenders listed their addresses as Wichita Falls, Byers and Petrolia.

MORE CANDID SCENES from Homecoming and Whoop-T-Do can be found on pages 12 and 13 of this issue.

Art, craft show exhibitors told

Thirty-six adults and 33 juniors entered exhibits in the Arts and Crafts Show Saturday.

Adult exhibitors from Wichita Falls were Linda Benesh, Margaret Binger, Joyce Brown, Mrs. Milda Debel, Gladys Graham, Ed Kieren Jr., Patty Lawrence, Mary Lue Taylor, Mrs. Ann Nowell, Mrs. Judy May Puder, Mrs. J.R. Small, Mrs. Ingrid C. Snyder and Laverne Tidwell.

Other out of town exhibitors were Mrs. Elizabeth Brady and Mrs. Lillie Neal, Burkburnett; Belle Durbin, Geronimo, Okla.; Mrs. Burson Scott, Henrietta; Mrs. Erma Barton, Holliday and Mrs. Alice Wells, Oklahoma City.

Those exhibiting from Iowa Park were Mrs. Jeanie Anderson, A.L. Brown, Mrs. Ruby Caldwell, Mrs. Jimi Clark, Mrs. Skeet Eddins, Darlene Gardner, Jake Jacobi, Mrs. Essie Johnson, Helen Reed, Mrs. Mabel Schramm, Bailey Smith, Mrs. Tommie Smith, Jack Stevens, Rose Thurlkill, Mrs. Charles Tillery, Miss Sue Williams and Mrs. Jack Witherspoon.

Junior high exhibitors were Jackie Cole, Steve Cooley, Barby Harbuck, Deena Helmer, Lee Allen Miller, Toby Smith, Keith Taylor, Tommie Whitener and Russie Williams.

Elementary school students who exhibited were: Lee Birk, Keith Brown,

Deana Callaway, Robin Hawthorne, Alisa Hicks, Betsy House, Michelle Lee, Renae Lee, Rusty Lee, Lisa Jones, Edward Jones, Tom Jones, Dawn Miller, Janie Padgett, Chandra Quick, Deryl Roy, Gary Roy, Johnny Roy, Christy Schrieber, Michelle Solomon, Mike Tone, Mitch Tone, Dana Trantham and Bruce Whitaker.

Mrs. James is speaker

The president's message by Mrs. D.O. James on "We Begin" highlighted the meeting of the Iowa Park Lioness Club Thursday evening. Mrs. W.F. Booher and Mrs. W.E. Karstetter were hostesses in the home of Mrs. Booher.

Mrs. Keith Aulds brought the devotion on "Courtesy" stressing its merits and how to improve it. She gave a resume of the programs for the year planned around the theme "Tomorrow Starts Today".

Others present were Mmes. Sam Hill, O.E. Lochridge, T.C. Berry, Wm. Nunn, L.E. Brooks and Homer Blalock.

60th anniversary commemoration set

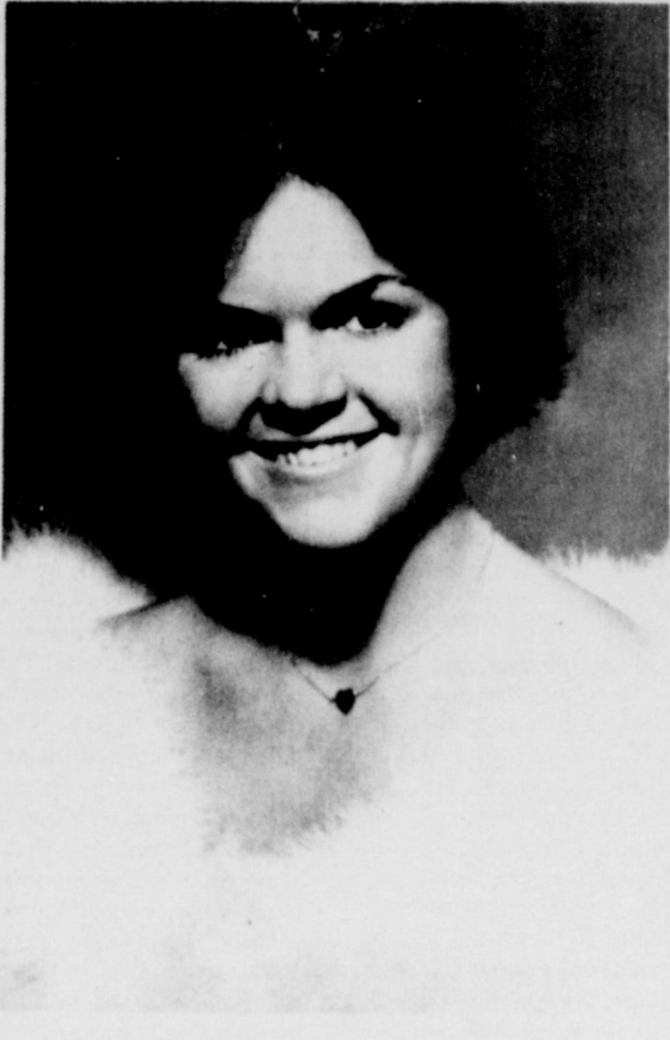

Mr. and Mrs. E.E. Sargent 400 E. Alameda, will be honored at a dinner party this evening in commemoration of their 60th wedding anniversary. The affair will be hosted by their children and their spouses who are Mr. and Mrs. Bill Sargent of Iowa Park, Mr. and Mrs. Eugene Sargent of Lake Granbury and Doris Taylor of Azle.

Mr. and Mrs. Sargent are members of Faith Baptist Church. He is a retired jailer for Wichita County. They have 11 grandchildren and 15 great-grandchildren.

Betsy Burrell in opera role

Betsy Burrell, daughter of Mr. and Mrs. D.D. Burrell, a sophomore at East Texas State University, will play the role of Vera Boronell in the Gian Carlo Menotti opera "The Consul", the first presentation of the year by the ETSU Department of Music.

The opera will be for four nights, including Oct. 11-12 and Oct. 14-15 in the opera theater of the Creative Arts Village.

DEBRA RENEE CATLIN

Announce engagement

Mr. and Mrs. Delbert Catlin are announcing the engagement of their daughter, Debra Renee, to Gregory Duane Frazier, son of Mr. and Mrs. James W. Frazier.

The wedding will take place Jan. 8.

Miss Catlin was graduated from Iowa Park High School and is a senior at Midwestern State University where she is a member of Cap and Gown, scholastic and honorary organization,

president of MSU Secretarial Association and president of Chi Omega. She is employed by the City National Bank in Wichita Falls.

The future groom was graduated from Iowa Park High School and attends Texas Tech University in Lubbock where he is majoring in architecture and playing football for the Red Raiders. He is a member of the Christian Athletes at Tech.

FOOTBALL SPIRIT--Leading the cheers for this year's Iowa Park junior high gridiron stars is this cute and energetic bunch. On the front row, from left to right, is Donna Cook, Mary Gray and Lori Carter. Back row, from left, is Kristi Lemons, Connie Fitzgerald and Tammie Robertson.

Art show date set

Top O' Texas Sidewalk Art Show will be from 8 a.m. until 5 p.m. Oct. 9 in downtown Wichita Falls.

Headquarters for the annual show will be at 10th and Scott, said Erma Barton of Holliday, art show chairman.

Artists entering work may do so from 8 a.m. until 10 a.m. on show day. No late entries will be judged, according to Bob Pardue, president of the Wichita Falls Art Association, sponsors of the show.

A \$3 entry fee will be

charged artists entering five or less works. An artist may enter as many works as they wish for \$7.50.

Categories to be judged include oil and acrylics, watercolor, pastels, mixed media, graphics, sculpture, ceramics and crafts.

"Best of Show" award will include a \$100 payment. Best of each category will receive \$50. Howard W. Joyner, professor emeritus of the Art Department at the University of Texas-Arlington, will be judge.

TRAVEL GREATEST DISTANCE - Two Iowa Park High School graduates meet and converse for the first time when they are recognized Saturday night at the alumni and ex-students banquets as having traveled the greatest distance to attend the reunion. On left, Erschell Wigley Davis from San Diego, Calif. chats with Theresa Beasley Bianco from Cleveland, Ohio.

200 attend banquet

Approximately 200 ex-students and guests attended the Iowa Park High School Alumni and Ex-Students banquet Saturday evening in the high school cafeteria.

Bob Birk served as emcee.

Featured after dinner speaker was Miss Ethyle Kidwell, former teacher and principal of the elementary school that bears her name, and the consensus of those who have attended the banquet regularly was that her address was one of the most outstanding and meaningful that has been given.

Choosing "Stand Tall" for a topic, Miss Kidwell stressed the importance of standing tall in family, business, civic and religious areas in the community, county, state, nation and world.

"Stand tall proudly in whatever job you have", she said to her listeners, many of them her former students. She continued by reminding

them that living was a very personal thing and that they advertised themselves each day by the way in which they lived.

"I fear that our nation is probably insensitive to true values today and that the dignity of mankind is certainly being insulted through violence, low morals, pornography, etc. and if there were ever a time when people need to stand tall, it is now", she concluded.

Preceding the address, a male quartet from Iowa Park High School composed of Norman Flowers, David Morton, Keith Latimer and Chris Lester entertained with several barbershop selections.

Danny Parkerson of Lubbock, vocalist, and Mrs. Otis Gray of Iowa Park, pianist, both graduates of Iowa Park High School, directed a singsong.

Harrel Sullivan was in charge of the recognition period when members of the

classes from 1908 through 1976 were recognized and introduced themselves. Gale Lowrance, a member of the class of 1908, received a gift for representing the earliest class in attendance. The children and grandchildren of the late Mr. and Mrs. C.E. Peterson, with nine in attendance, claimed the honor of having the most ex-students present.

Gifts were presented to Erschell Wigley Davis of San Diego, Calif. and Theresa Beasley Bianco of Cleveland, Ohio for having traveled the greatest distance to attend the reunion and banquet.

Officers for 1977 were elected to include Harrel Sullivan, president; Robert Wilcox, first vice president; Donald Hill, second vice president; Mrs. Leo Cook, secretary; Mrs. Ruth Gard, treasurer; Mrs. E.T. Patterson, corresponding secretary; and Mrs. Homer Blalock, reporter.

Cook of the Week

According to a poem by Owen Meredith Lucille, we may live without poetry, music, art, friends, books, etc. "but civilized man cannot live with cooks". A good cook naturally gains high stature with family and friends, and in a time of tight economy, she, or he, is always looking for ways to dress up everyday foods.

Sweet and Sour dishes have climbed high on the ladder of taste popularity, particularly in meats, in recent years. Daisy, (Mrs. Pete) Walls, a checker at Discount Food Store, shares her recipe for Sweet and Sour Cabbage with readers this week. The Hominy Pie recipe sounds like it will be a real winner during the fall and winter months and all of her recipes indicate that she is a good cook and is conscientious about preparing good, wholesome meals for her family.

The wife of Pete Walls, who is employed by the City of Iowa Park, she was born in Holliday and attended school at Electra. She is a member of the Fundamental Baptist Church and the Rebekah Lodge at Fletcher, Okla. The couple's children are Martha, Nellie and Terry of the home and Mrs. Jack Winkler of Edgewater, Fla. They also have three grandchildren.

Mrs. Walls particularly enjoys gardening and needlework, when she has time.

Mrs. Pete Walls

SWEET AND SOUR RED CABBAGE

4 strips of bacon, diced
1 medium onion, chopped
1 small head red cabbage, shredded
1/4 cup sugar
1/2 cup vinegar
1 cup water
2 t flour

Let bacon and onion cook 10 minutes in skillet. Add the shredded cabbage and remaining ingredients. Cook for about 45 minutes, then taste and add additional salt, sugar, water or vinegar as needed and finish cooking.

HOMINY PIE

1 1/2 lbs. ground beef
1 T flour
Salt and pepper to taste
2 cups canned tomatoes
1 No. 2 can hominy
1 medium onion, chopped
1 t chili powder
1/4 lb. grated American cheese

Brown meat in hot fat; add flour, tomatoes and seasonings. Brown hominy with onions in hot fat and add to meat mixture. Place in casserole dish and sprinkle with cheese. Bake in 350° oven for 30 minutes.

SWEET POTATO PATTIES

4 medium sweet potatoes
1/2 cup brown sugar
2 T butter
1/2 t salt
Post Toasties, crushed

Peel and cook potatoes until done. Drain, mash and add butter, salt and brown sugar. Mix together, form in medium patties. Roll in crushed Post Toasties and

bake in 350° oven for 10 minutes.

HEAVENLY FRUIT SALAD

1 can (16 oz.) fruit cocktail, drained
1 cup sour cream
1 regular bag miniature marshmallows
1 cup coconut (optional)

Mix thoroughly but gently and chill.

This can be served with chocolate chip snacking cake for a tasty dessert.

MEXICAN PECAN CANDY

2 cups sugar
3/4 cup milk
1/2 t soda
1 T butter
1 1/2 tsps. vanilla
1 1/2 cups pecans

Cook sugar, milk and soda until it forms soft ball or 250 degrees on candy thermometer. Remove from fire; add butter, vanilla, nuts and beat until creamy. Drop on

greased paper sprinkled with salt.

SWISS STEAK IN FOIL

2 lbs. round steak, 1 inch thick
1 cup catsup
1 large onion, sliced
1/4 cup flour
2 T lemon juice
Salt to taste

Tear off a five-foot length of foil; fold double. Combine catsup and flour. Spoon half the mixture in center of foil and place steak on top. Salt and cover meat with onion slices and remaining catsup and flour mixture. Sprinkle with lemon juice; fold and seal tightly. Place in shallow baking pan and bake at 350° for 2 hours or until meat is done.

PINK LEMONADE PIE

1 graham cracker pie crust
1 small can frozen pink lemonade
1 can Eagle Brand milk
1 small carton Cool Whip

Mix all ingredients together and pour in a graham cracker crust. Chill and serve.

Twenty-seven students from Iowa Park High School qualified at the All-Zone Auditions held at Hirschi High School Saturday and will represent the school at the All-Regions Auditions in Sweetwater Oct. 30. The local school had the largest number to qualify in the North Zone.

Those who qualified from Iowa Park were: Carrie Cole, Robin Doan, Tandra Wilkerson, Robin Walsh, soprano I; Cynthia House, soprano II; Norman Flowers, Charles Mattis, David Morton, tenor I; Chris Lester, Lowery Bartow, Coy Lee, Steve Cleghorn, Bruce Hammonds, Mark Aulds, tenor II.

Also Elaine Cole, Cindy Flanagan, alto I; Cheryl Horsky, Sandra Hammaek, Holly Burrell, Kay Baca, Mary Bludnick, alto II; Ricky Blair, Scott Fowler, bass I; Kevin Hamilton, Butch Saddyberry, Lee Gwin, David Hutson, bass II.

Other schools in the North Zone participating and the number of students qualifying for Region auditions were: Rider A Cappella, 25; Wichita Falls High School, 18; Hirschi, 10; Rider Boys,

3; Rider Girls, 3; Burkburnett, 4; Mineral Wells, 3; Vernon 2; and Henrietta, 1.

In the South Zone were: Abilene Cooper, 25; Abilene High, 23; Snyder, 18; San

Angelo Central, 15; Sweetwater, 10; San Angelo Lake View, 4; Abilene Mann, 1.

27 vocalists qualify for all-region auditions

BETTY AND JOHNNY COLE

Iowa Park couple elected square dance club leader

Swinging Stars Square Dance Club of Wichita Falls has elected Johnny and Betty Cole of Iowa Park to serve as president for the 1976-77 dance season.

The club will be offering square dance lessons for beginners each Monday night from 8 to 10 at Square Dance Land, 812 Travis, Wichita Falls. E.B. Thompson, caller for the club and his wife, Betty, are instructors and other club members are assisting them. The deadline for joining the class will be Monday.

Swinging Stars Club dances the second and fourth Saturdays September through April at Square Dance Land. Twelve area square dance clubs and one round dance club comprise

the Red River Valley Square and Round Dance Association, according to the Coles, and the club of which they are president is the oldest active club in the area and the only remaining charter member of the R.R.V.A.

The State Festival will be held at the Astrobball in Houston next June. There are 17 associations in the state of Texas.

Booster Club set Tuesday meeting

Band Booster Club will hold its regular meeting at 7:30 p.m. Tuesday at the band hall.

Solar energy project for SAFB housing

Several new energy conservation projects are either underway or in the final planning stages at Sheppard Air Force Base according to officials.

Four units of Bunker Hill Housing will obtain a new look with the addition of the Sheppard new Solar Energy Project.

These units will be 102, 104, 106 and 108 Orion Court.

The project will include three different manufacturer's solar energy panels installed on the carports. They will use a water tank storage and a pumping system to provide indirect water to water heating for the domestic hot water

supply. It will also provide hot water for the water to air heating coil used for winter space heating.

The new solar energy system will not replace the existing system now. The existing system will, however, only be used for back up for extended periods of unfavorable weather.

Sufficient monitoring devices will be installed with the system to monitor a comparison between the utilities consumed by housing using solar energy versus identical housing not using the solar energy.

Installation is expected to begin in December of this year.

The mechanical engineer-

ing section of the Base Civil Engineering Squadron has announced that the project involving boiler water settings and watersaver shower heads was completed in August.

Contracts for two water main projects, involving the water mains on G, H, I and J Streets, are to be awarded in early October according to Procurement Office at the base.

The other project, one to install an extensive electronic energy management control system (EMCS) was just awarded to Honeywell Company of Dallas. The contract price was about \$3,500,000.

The EMCS is a centrally located electronic control center with the capability of monitoring and controlling basewide heating, ventilation and air conditioning

(HVAC) as well as other large mechanical systems.

The system will have the capability of reducing electricity costs by minimizing base peak-demand, displaying instantaneous maintenance alarms, allowing the EMCS operator to override enough HVAC controls to trouble-shoot a complete HVAC system without actually being present at the HVAC system itself.

After troubleshooting by the EMCS operator, the fault information is relayed through service call to a shop mechanic who proceeds to the troubled unit much better prepared to correct the problem.

It is expected that this system, by improving maintenance response and reducing electricity costs, at present utility rates, will pay for itself within eight years.

Construction on this system is expected to begin this year.

Senior Citizens

Thirteen members took part in the diversion this week. Those were Mr. and Mrs. L.C. Perry, Mr. and Mrs. J.A. Berg, Mmes.

Gladys Thompson, Jettie Sampley, Hill Spruiell, A.L. Hofer, Ralph Sisk, M.L. Hines, Ed Hayes, T.M. Clark and R.L. Good.

For Senior Citizens their meetings on Monday get the week off to a good start. They have a luncheon the first Monday of each month and the other meetings are afternoon meetings devoted to playing games. R.L. Good is president.

REMEMBERING...

By BILL D. BROOKS

WINDCHARGERS

Before rural electrification many country homes were supplied with electrical power by the wind. A windcharger was a low voltage generator powered by wind currents. The generator was mounted atop a tall tower resembling a windmill tower except usually of lighter construction. A propeller facing into the wind turned the generator and wires led from the generator to a series of storage batteries. The batteries supplied electrical current for lights and small appliances.

We used a windcharger at our place until I was about five years old. The wooden tower stood some thirty feet tall and was located right next to our house. A small box-like structure attached to the house contained about four, six-volt storage batteries that were hooked up in series. We had one light socket in each of the three rooms. The lights were dim by today's standards but when the wind was strong they were brighter than kerosene lamps or candles.

More important than lights to us kids however, was the radio. It was a large wood cabinet model with a big round dial with lots of numbers and marks on it. It had about a dozen knobs, some of which we were instructed never to touch. We could pick up broadcasts

from lots of short wave stations and even from other countries. We kids didn't care much for that, what we liked mostly was the mystery shows. We would gather around the radio, our ears usually no more than a foot away from it. And for some reason or another we would watch the dial as we listened. I guess we expected it to do something.

Windchargers could be bought or homemade. I think Dad made ours. The store-bought kind looked more sophisticated. They usually had three-bladed propellers whereas ours had only two. Ours was made from a Model "A" car generator. The shaft was fitted with a large bracket and to this bracket was bolted the wooden propeller. The propeller was made from a pine two by six with good straight grain and no knots. It was shaped with a draw knife and hand plane and

finally finished by scraping and sanding. Holes were drilled for the bracket, then it was attached to the shaft and balanced by removing small amounts of wood from each end until it turned true. A metal tail piece was used to direct the propeller into the wind.

A cradle for the generator was made from a piece of iron pipe split in half. The generator was put in it and

an iron band was fitted over the top to hold it tightly in place. A smaller pipe was welded to the bottom of the cradle to serve as the rotating pin. It slipped into another pipe slightly larger that was fixed to the top of the tower. The entire top assembly could revolve a full circle freely. Two large brass washers were fitted to this connection, one to the top part and one to the tower. The assembly pivoted on the two washers. The wire from the generator was soldered to the top washer. Another wire, soldered to the bottom washer, lead to the storage batteries.

Winds during the daytime usually provided enough charge for the batteries to last into the night, providing us with adequate light and an abundance of entertainment, entertainment that was "free as the wind".

WORTH QUOTING

Hamilton's new football coach, Red Martin, was a sergeant in the Armored Force in Europe in World War II, so he is qualified to tell his story.

Martin says a candidate to become an officer, a gentleman or a 90-day wonder - whichever you prefer - was going through his final oral examination before graduating from Officer Candidate School.

Having been asked how to erect a pup tent, the candidate went into a detailed explanation, reciting from the proper Army Field Manual. For several minutes he spelled out the details: how to erect the poles, how to

stretch the tent, how to drive the pegs, etc.

He was flustered when the examining officer interrupted with "That's the wrong answer." Having memorized the Field Manual, the candidate politely queried, "Then how do I put up a pup tent, Sir?"

With years of experience behind him, the examining officer knew the proper answer: "Just call in the sergeant and say, 'Here, sergeant. Put up this tent.'"

Bob Miller
Hamilton Herald

Hereford's football season opens

here tomorrow night, and it should be a great contest before a packed crowd. I called Coach Fred Upshaw this morning to ask a question about football programs, and he was about as nervous as Elizabeth Ray trying to type!

A few other folks will probably have the first-game "jitters" tomorrow night besides the coaches and players. They would include the band members, cheerleaders and twirlers - all of whom add so much to the spirit and pageantry of the football games.

Speedy Nieman
Hereford Brand

We need to figure out some way to

As I See It....

by BOB HAMILTON

Considerable attention has been given during the past few days in the Wichita Falls newspaper about education, or lack of it, for public school students today. It's nothing new, and has received attention all over the nation the past few years.

One group blames teachers and the system, while some educators blame parents. Both have points worth noting.

The groups that were left out, however, is the state school board and the liberal wing of higher education. These are the ones who injected "modern math" and want to change all the time what has been tried and proven.

Realizing that may sound rather ultra conservative, let me first make my point.

Virtually none of our scientists who can figure out the exact moment a rocket can launch from earth and land on Mars received the "benefits" of "modern math." These brains did a pretty good job with the foundation they received from the old math in public school, enhanced of course by education in college.

Our "modern math" high school graduates today, on the average, are not capable of passing freshman math in college. At least not from many of our public schools in the state.

But this information, to me, is hearsay, I'm only telling what I've been told.

What I know is, our children virtually are losing out in the time-honored forms of communications. I mean writing, spelling and

keep other school districts from grabbing our tax money and using it for themselves. In Oklahoma, where a move has been underfoot for several years to take all school tax money into Oklahoma City and then let state officials send back to local districts what they think they should have, the smaller schools have been building like mad. That's the big reason that Beaver and Balko and Forgan and Turpin have built such fine school facilities, the local people figuring that the state can't move permanent improvements to Oklahoma City and once built, they will get to keep them.

Harold Hudson
Perryton Herald

speaking.

A very large percentage of our high school graduates today, not Iowa Park alone (it may be better here than in most other schools), can neither write nor print so someone else can read it. Sentence structure, spelling and punctuation are all but forgotten. And verbal grammar is embarrassing.

I read copy from three high school classes and one college journalism class regularly, and realizing that these writers are probably some of the better ones in the school gives me serious doubt about the abilities of the other students.

I won't attempt to list all the reasons for the problems of education today, but here are a few:

*There is not enough emphasis in elementary schools today on handwriting, punctuation and spelling;

*Teachers if communication subjects are not adequately supported by the other teachers;

*Homework, other than special

projects like preparing for a term exam or theme, is all but nonexistent. This likely is pressure from parents who don't like to be bothered by children in the evenings, too much television, too many extracurricular activities, and teachers not wanting to grade reports;

*There are too few dedicated teachers in the profession today;

*There are too few parents who support what schools try to do for their children, and in fact take the side of the whining child instead;

*New teaching systems and books are injected into public schools without adequate exposure;

*Education attempts to inject subjects into elementary curriculum which could and should be left to junior and senior high courses;

*Schools appear to be becoming places of fun and entertainment, rather than houses of learning.

Again, very little of my criticism has to do with Iowa Park's system, though some of it does. The most is general, over the state and nation.

How sweet it is! **Hawks 18**
Hornets 3

The television entertain-
er's quip "How sweet it is!"
couldn't be more descriptive
of Friday night's 18-3 victory
by the Hawks over Azle's
Hornets.

End of a 12-game losing
streak for the Mean Green
was earned before a capacity
crowd of Iowa Park High
homecoming fans.

It was the first varsity
football victory for any of
the members on the Iowa
Park team.

Though Coach Pat Tone's
charges dominated the first
quarter, there was no
scoring. Then the Hornets
took command in the second
period, and it looked like
more of the same for Iowa
Park, another loss.

But when the Hawks came
back onto the field following
an impressive halftime
performance by the Hawk
Band, it was clear the game
was their's. Azle was all but
run off the field as the Mean
Green scored three touch-
downs.

Converted tackle Ray
Cook was too much for
Hornet defenders, as he
carried the ball 26 times and
produced 159 yards rushing,
scoring the first touchdown.

After returning the open-
ing kickoff 18 yards, Keith
Rains fumbled when he was
tackled, and the Hornets had
the ball on Iowa Park's 38
yard line. However, three
plays later, they had to punt
from the 32.

After each team exchang-
ed the ball, Azle punted to
Jim Stevens on his 27, and
the speedy running back
returned the ball, behind a
wall of blockers, to the
Hornet 40. Iowa Park's drive

took the ball to the visitors'
24, where the effort stalled.

It was in the third quarter
that Azle dominated play.
The Hornets outgained the
Hawks 6-1 in first downs,
81-20 yards rushing and 16-8
yards passing.

Azle was knocking on the
Hawk scoring door, the 13
yard line, when a fumbled
pitchout was claimed by
Steve Lane back on the 21.
But two plays later, Randy
Blair pass was intercepted
on the 42, with 52 seconds
remaining in the half.

Azle's longest run of the
evening, 23 yards, was
followed by two passes, both
incomplete, and then a
three-yard gain on a draw
play. Then, with 17 seconds
showing on the scoreboard
clock, Hornet place kicker
Danny Admire toed a 32
yard field goal to give the
visitors a 3-0 lead as the
teams went to the dressing
rooms for halftime.

HAWKS SCORE
On the first play from
scrimmage after the second
half's opening kickoff, Azle
fumbled and Robert Dillard
covered the ball on the
Hornet 40.

Cook's number was called
six consecutive times, and
he carried the ball to the 10
yard line. Blair gained two,
and Cook crashed over the
final eight yards, dragging
three tacklers with him the
last four yards, to score.

Kip Fuller was to attempt
the extra point kick, but a
bad snap from center
nullified the try.

After another exchange of
ball possession, Cook broke
loose with one of his
patented long runs, as he

TOUCHDOWN RUN - Jim Stevens breaks into the clear
on the final play of scrimmage of Friday's game against
Azle, and scampers 23 yards for his first touchdown of the

year. Stevens carried the ball eight times for 38 yards in
the game

had the previous two games,
this time a 43-yarder to
Azle's 39 yard line.

Six plays later, Dillard
skirted his right end 18
yards, breaking two tackles
inside the five, to score. The
Hawks led 12-3 after a
fumbled pitchout thwarted a
two-point conversion at-
tempt.

Iowa Park appeared to be
on the drive for another

score after the Hawks took
over possession on their own
43 yard line, and David Dyer
ran for 29 yards. With a first
down on the Hornet seven
yard line, Iowa Park
appeared a cinch to score
again, but a fumble was
claimed by Azle on the eight.

The visitors were unable
to pick up a first down, and
punted a 58 yarder to the
Hawk 35. It was on this final

possession that the Hawks
scored their last touchdown.

The drive was keyed by a
21-yard pass from David
Wright to Shane Kimbrow.

Ten seconds showed on
the scoreboard clock when
Stevens started around his
left end, put a fake on the
cornerback, and darted into
the end zone, 23 yards and
eight seconds later, to score.

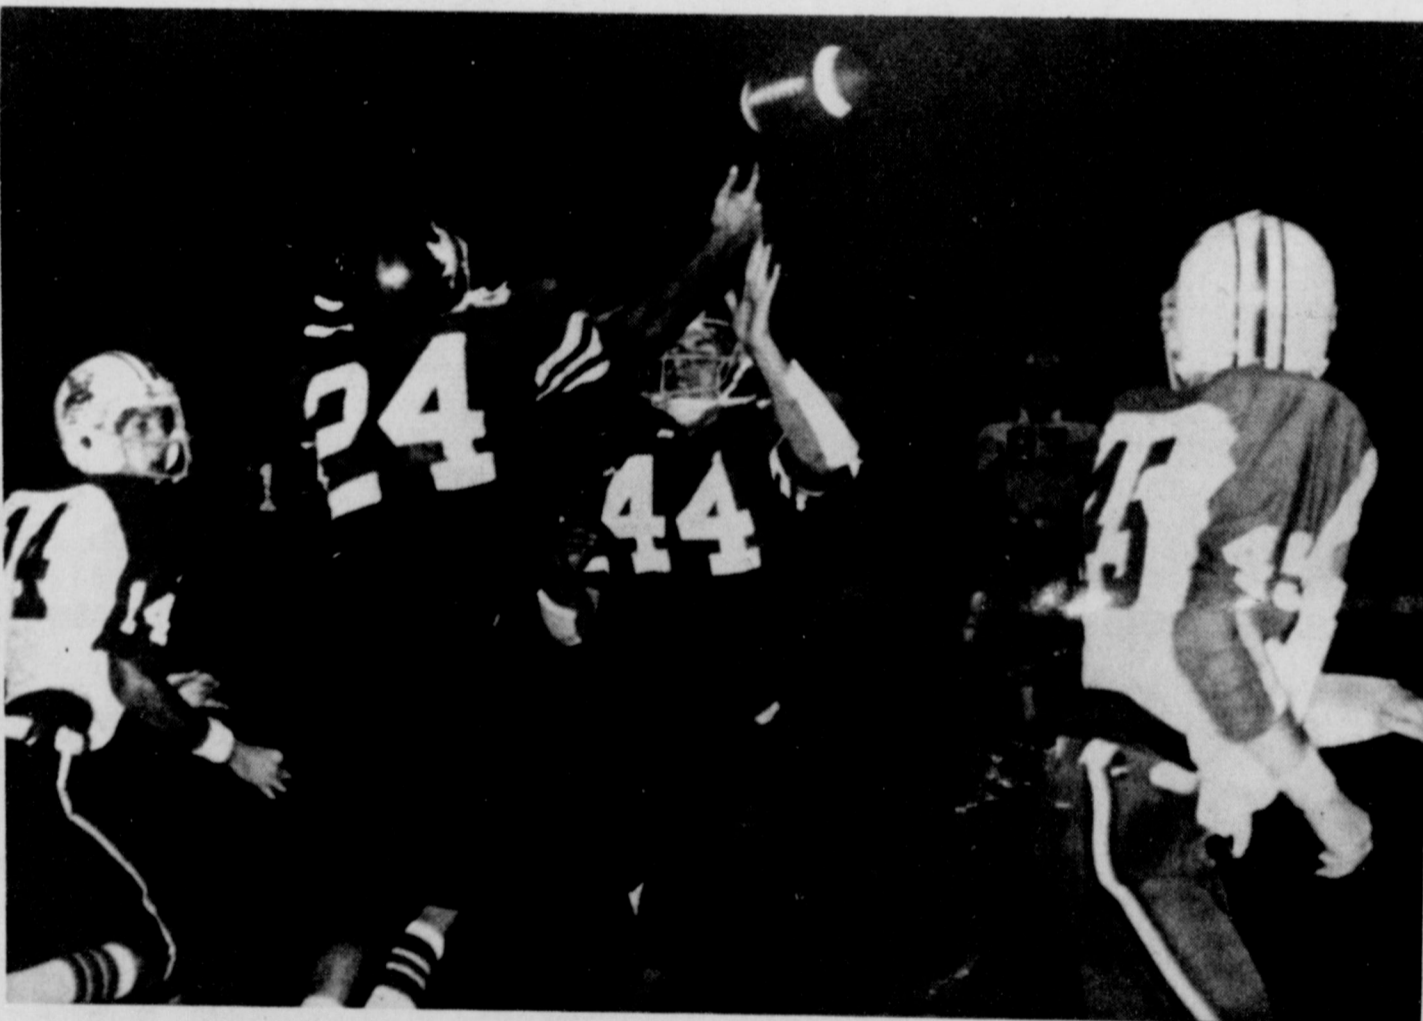

Fuller's kick for the extra
point was short, but the
Hawks didn't care, they had
the game sewed up.

Following Cook in the
yardage gained department
were Stevens, eight carries
for 38 yards, Blair, five for

19, Dillard three for 18, and
Dyer, one for 29.

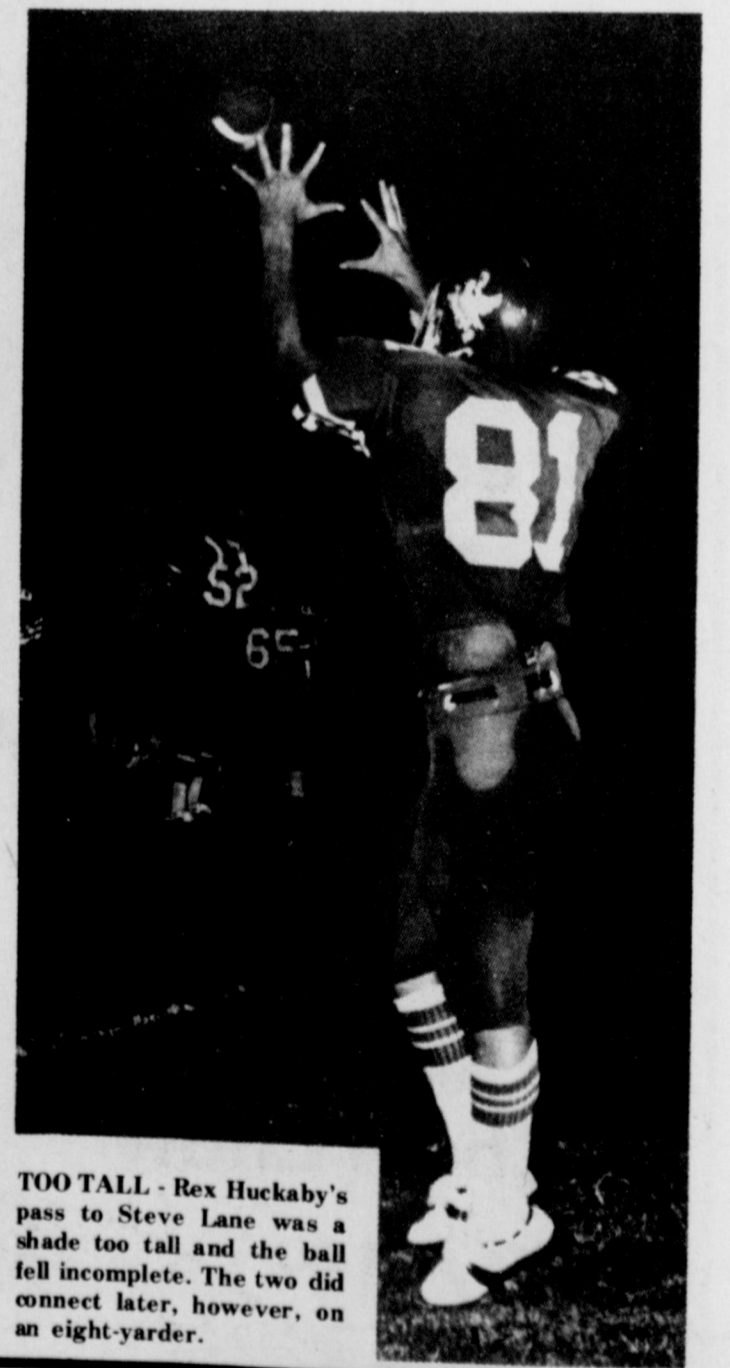

The Mean Green defense
was so dominating during
the fourth period, Azle
runners were held to a
minus four yards on the
ground.

| | I P | A |
|------------------|------|------|
| First Downs | 11 | 11 |
| Yards Rushing | 142 | 261 |
| Yards Passing | 37 | 29 |
| Total Yards | 179 | 290 |
| Passes | 5/11 | 2/8 |
| Fumbles Lost | 2 | 0 |
| Interceptions by | 1 | 0 |
| Punts | 5/39 | 3/27 |
| Penalties | 6/54 | 3/35 |
| Offensive Plays | 52 | 52 |

NEAR INTERCEPTION - Hawk defenders Robert Dillard,
24, and Johnny Bentley, 44, collide as both attempt to
intercept an Azle Hornet pass during the second quarter

Friday night. Though the Hawks failed to make an
interception, they still won, 18-3.

TOO TALL - Rex Huckaby's
pass to Steve Lane was a
shade too tall and the ball
fell incomplete. The two did
connect later, however, on
an eight-yarder.

We're Proud of the Hawks!

It's Round Up time

Homecoming activities on tap this weekend

A full slate of activities are on tap in Holliday this weekend beginning with Friday night's homecoming gridiron clash and continuing into Saturday with a barbecue and carnival.

The weekend activities will signify the climax of the annual Round Up Week festivities at Holliday High School.

Festivities will begin in earnest with the crowning of the homecoming football queen slated prior to the 8 p.m. Friday kickoff of the Eagle-Henrietta Bearcat game.

Four HHS students are vying for the football queen honor.

Football queen nominees include Sylvia Holton, se-

nior, daughter of Mr. and Mrs. Cecil Holton; Amanda Wood, junior, daughter of Mr. and Mrs. Raymon D. Wood; Lisa Talley, sophomore, daughter of Mr. and Mrs. Don Talley; and Kim Addison, freshman, daughter of Mr. and Mrs. Leon Addison.

Escorts for the football queen nominees will be

James Porter, Matt Cavanaugh, Larry Ayres and Gary Dolberry.

HHS band sweetheart will be crowned during half time.

A trio of musical juniors have been nominated for that honor including Bridget Talley, daughter of Mr. and Mrs. Don Talley; Traci Anderson, daughter of Mr. and Mrs. Phil Anderson; and

Donna Ruth, daughter of Mr. and Mrs. Don Ruth.

Band sweetheart escorts will be Steve Parnell, Kevin McAlister and Bobby Berry.

Sponsored by HHS seniors as a money-making project, Round Up Week will conclude Saturday with a barbecue, carnival, talent show and crowning of Mr. and Miss Round Up.

Catered by seniors and their parents and sponsors, the barbecue is slated from 5-8 p.m. Saturday on the school campus.

A western theme will be carried throughout all the activities and everyone is urged to dress western, according to Paula Beighley, senior class reporter.

A carnival will be

scattered across the campus with such attractions as bingo, spook house, fish pond, ring toss, car smash, basketball throw and football throw.

Stuffed animals and other prizes not won at the carnival along with furniture and lamps will be auctioned after the carnival closes, Miss Beighley added.

Mr. and Miss Round Up are slated to be crowned during ceremonies at 8 p.m. Saturday in the old gymnasium.

Nominees are Vickie Flowers and Randy Berryman, seniors; Pam Barton and Gary Drummond, juniors; Laurie Mauldin and Barry Lawson, sophomores; and Sandra Davis and Jody Collier, freshmen.

ROUND UP NOMINEES—Nominated for this year's title of Mr. and Miss Round Up at Holliday High School are, from left, Randy Berryman, Vickie Flowers, Gary Drummond, Pam Barton, Barry Lawson, Laurie Mauldin, Jody Collier and Sandra Davis.

BAND SWEETHEARTS—The spotlight will fall on one of these three girls during halftime of Friday night's homecoming game here when this year's band sweetheart is disclosed. Contending for the title this year are, from left, Donna Ruth, Tracy Anderson and Bridget Talley.

FOOTBALL QUEEN NOMINEES—One of these four girls will be crowned football queen of Holliday High School prior to Friday night's homecoming dash with the Henrietta Bearcats. Nominees include, from left, Sylvia Holton, Kim Anderson, Amanda Wood and Lisa Talley.

Eagle-Bearcat clash here Friday

Holliday fans will enjoy a relative rarity Friday night, a home game, when the Eagles host the Henrietta Bearcats.

The Bearcats, who compete in District 2 AA, will

enter the game with a 2-1 season record.

In a season opener, Henrietta was upended by Bowie 31-6. Henrietta's first win came at the hands of Archer City in a 41-0

decision.

Last week, Henrietta defeated Nocona 12-7.

The Bearcats are predicted to finish in the bottom of their district, and are said to lack speed, depth and size.

Experience is listed as one of Henrietta's strong points, fielding seven returning starters.

The homecoming contest with Henrietta will mark Holliday's final outing before beginning district play.

Holliday News

Tom Hall named municipal judge

Tom Hall was hired Tuesday night by the Holliday City Council to assume responsibilities as municipal judge here.

"We need very much to have a city judge," Mayor Leo Chappell told the council and Hall.

"We have quite a number of tickets that have not been collected. If we had a city judge that was working, we might get these people in to pay their fines more quickly," the mayor said.

"We need someone who will show no partiality," Chappell said, adding councilmen should be fined the same as any other violator.

Hall said he had visited with city patrolman Lomax Campbell and assured the council the two men could work in harmony.

Hall indicated he felt the same as the council in regards to assessing fines to all violators, regardless of their position.

The new city judge, who was hired on a unanimous vote, said he could be available any time day or night and would prefer to hold court in Holliday City Hall.

He agreed to charge the city only for cases in which he collects the fine. Hall will be paid \$5 per case collected. The state takes out \$2.50 of each fine, the major noted.

A consensus of councilmen was that the minimum fine should be \$27.50 for traffic and other offenses. A fine of \$17.50 will be levied in certain minor instances, it was agreed.

Hall will be responsible to levy fines, issue warrants for arrest and keep record books.

In other action Tuesday night, the council discussed the problem of stray dogs.

Chappell said the Wichita Falls Humane Society would accept the dogs caught after a 72-hour waiting period.

However, the council still is unable to find someone willing to assume the job as dog catcher.

Financial woes still are plaguing the council. The council received an

estimate from Red River Equipment Co. that it would take about \$2,583 to repair heavy equipment used at the city dump ground.

Breaks on the road grader also are not functioning, it was reported.

But the city does not have enough money to repair either piece of equipment.

City Sec. Evon Carter reported the city has about \$1,000 in the general fund, and that it will be 30 days before ad valorem taxes begin coming into municipal coffers.

So that means the city dump ground will continue to pile up and a drainage ditch in the north part of the city cannot be cleaned out promptly.

Alderman Fred Ford Maier was absent Tuesday night. The meeting lasted about an hour.

Footballers win 2 at Olney

Holliday picked up two wins during a triple header in Olney.

Holliday's seventh grade defeated Olney 22-14, and the Junior Varsity Eagles upset the hosts 28-8. Olney's eighth graders defeated Holliday 19-0.

In the seventh grade contest, Joe Chase set up Holliday's initial second quarter scored on a 28-yard romp. Ray Looney made the score on a six-yard plunge.

Holliday picked up the extra points, and the game was tied 8-8 at the half.

Looney scored again for Holliday early in the third quarter on a 75-yard romp. Chase scored again for Holliday late in the game on a 75-yard run.

Olney scored touchdowns in the first, second and fourth periods to upend the eighth grade Eagles.

In the Junior Varsity game, James Porter handed off to Rusty McDaniels who ran 75-yards for Holliday's first score in the initial period.

McDaniels crossed into pay dirt again in the first period on a 30-yard romp.

Rusty Barnes made a two-yard run to score for Holliday.

Holliday's junior high and JV teams will host Windthorst today with the first game to be played at 5 p.m.

Holliday School Menu

Chicken noodles, peas, corn, cranberry sauce, milk, bread

FRIDAY, Oct. 8
Fish sticks, macaroni and cheese, tartar sauce, carrots, milk, bread, dessert

Midgets roll over Capehart

Holliday Midgets rolled over SAFB Capehart in 28-0 fashion during Saturday's Top Of Texas football action.

Holliday's Pee Wee team was defeated by SAFB Capehart 6-0.

On the first play from scrimmage, Holliday's Gil Gilbert recovered a Capehart fumble. Mike Parker scored the Midget Eagle's first TD, and the extra point try failed.

Quarterback Tod Stevens made Holliday's next TD on a four-yard run, and Brad Harmon provided extra points.

Bradley Lawson inter-

cepted a Capehart aerial threat to set up Holliday's next touchdown, a one-yard plunge by Jeff Belcher. Parker ran for the extra points.

Belcher later scored again for the Eagles on a two-yard run. Point after failed.

Led by Bruce Bynum, Clint Sissom, Gilbert and Johnny Trainham, Holliday's line opened holes to help boost the Eagles' rushing to 204 yards as compared to Capehart's 37 yards on the ground.

Quarterback Stevens was 3-5 in the passing category, connecting with Kevin

Blankenship and Michael Wright.

Defensive standouts for Holliday were Tracy Wood, Michael Wright, Tim Stubblefield, Harmon, Gilbert and Guy Gilmore.

Holliday picked up 15 first downs to Capehart's three.

In the pee wee contest, Capehart outlasted Holliday 6-0. Capehart garnered three first downs to Holliday's single conversion.

Holliday's Top Of Texas teams, coached by Fred Crampton, Eldon Alderman and Gary Whitehead, will travel to Iowa Park for Saturday's contests.

Pulls game out of fire for 7-6 win over Seymour

Big Red defense does its thing

RED MACHINE MENTOR
...Don Lucy studies Eagles' next move

A touchdown behind at the half, the Holliday Eagles came back in the third quarter to sneak past the Seymour Panthers in a 7-6 defensive squeaker Friday night.

In its most impressive showing of the season, the Eagle defense provided Holliday with its lone third quarter TD.

Regulars Andy Barton, Bob Gilmore, Clark McDaniel and Clay Carver shared the defensive limelight along with Timmy Teafattiller at linebacker.

Teafattiller impressively filled a void left by veteran linebacker John Ruby, who did not suit up Friday night but walked the side line recovering from injuries sustained in an automobile-truck mishap last Wednesday on FM 1954 south of Holliday.

The win over Seymour marked Holliday's fourth Class AA victim of the season.

Ranked second among Texas Class A schoolboy teams, the win boosted Holliday's season record to 4-0.

However, Friday night the Holliday team and fans did not enjoy the aura of victory they had grown accustomed to in earlier outings.

There were moments of doubt when it appeared the Panthers had managed to get the upper hand on Holliday.

The first moment of doubt came with less than three minutes used in the first period when a fumble controversy gave Seymour its initial first down of the night when officials ruled Panther possession.

On Seymour's second play from scrimmage, perky Dirk Davis scampered 53 yards to score for the Panthers. The ensuing two-point conversion run failed, and ultimately would play an important part in Holliday's slim victory.

After taking Seymour's kickoff, Holliday was unable to gain substantial yardage and was forced to punt.

Seymour fumbled on its next possession, and Eagle senior Bob Gilmore recovered for the Big Red Machine.

Two miscues forced Holliday to boot it away again. The Eagles picked up their first penalty of the night two plays later on a face mask infraction.

The second quarter was a defensive stalemate as Holliday's offensive unit continually found itself in a box canyon, taking possessions on its own five and seven yard lines.

Late in the second period Seymour found itself in excellent scoring position in the wake of a controversial call that had Holliday fans on their feet.

Seymour had been forced to punt the ball, and after the dust had cleared, the officials ruled the Panthers had possession. Officials ruled the ball touched Holliday receiver Jay Wright, making it a live ball when Seymour recovered.

Holliday's Danny Mayfield was injured on the last play of the half and spent the remainder of the game on the side line with a shoulder injury.

Misfortune awaited Holliday at the outset of the third quarter. Holliday blocked a Seymour punt, only to have it recovered by the Panthers for a first down.

When things seemed to be going right for the Eagles, a miscue in the backfield caused a fumble giving Seymour possession on their own 30.

Then things took a turn for the better as Andy Barton threw Seymour for

three and eight yard deficits.

Bob Gilmore popped leather with a Panther running back and jarred the ball loose.

Somewhere in the confusion, Holliday's Lynn Ayres landed on the ball in the end zone marking the lone Eagle TD.

With 3:31 left in the third period, Steve Lucy took the snap, placed the ball on the tee and Randy Berryman sent it through the uprights for Holliday's PAT.

Those few seconds proved to be the winning edge for

Holliday.

Still suffering from miscues, Holliday again fumbled early in the fourth period, but the Eagle defense continued to bull dog the Panthers with Clark McDaniel and Larry Veal pacing the Eagle defense.

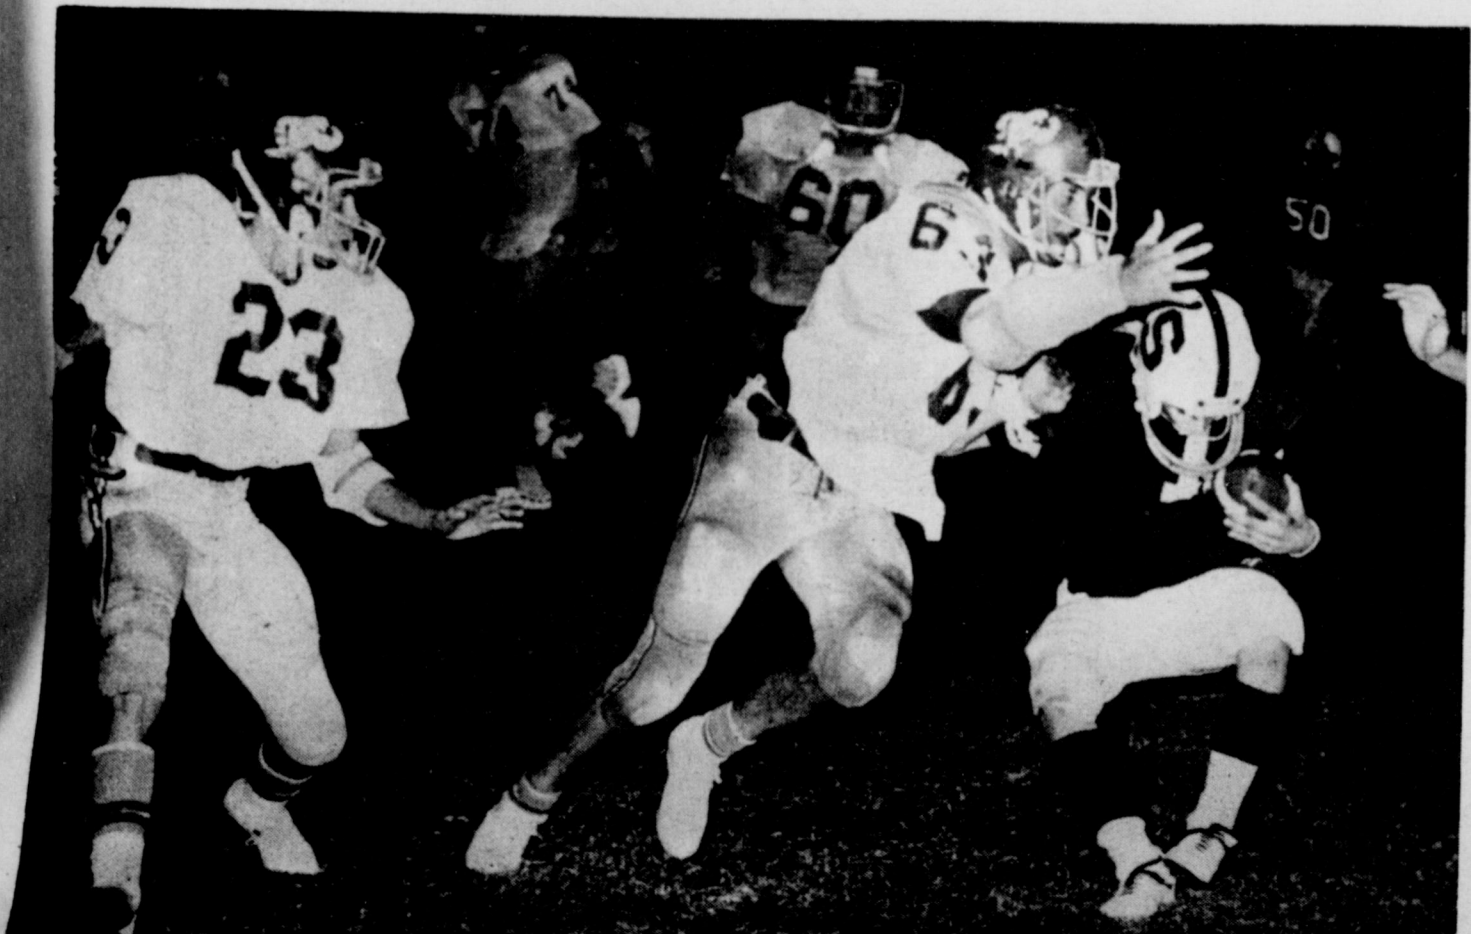

With less than a minute remaining in the game, Holliday fumbled again and Seymour took possession on Holliday's 12.

The Panthers didn't move the ball on the first two plays, and on the third call Barton threw the hosts for

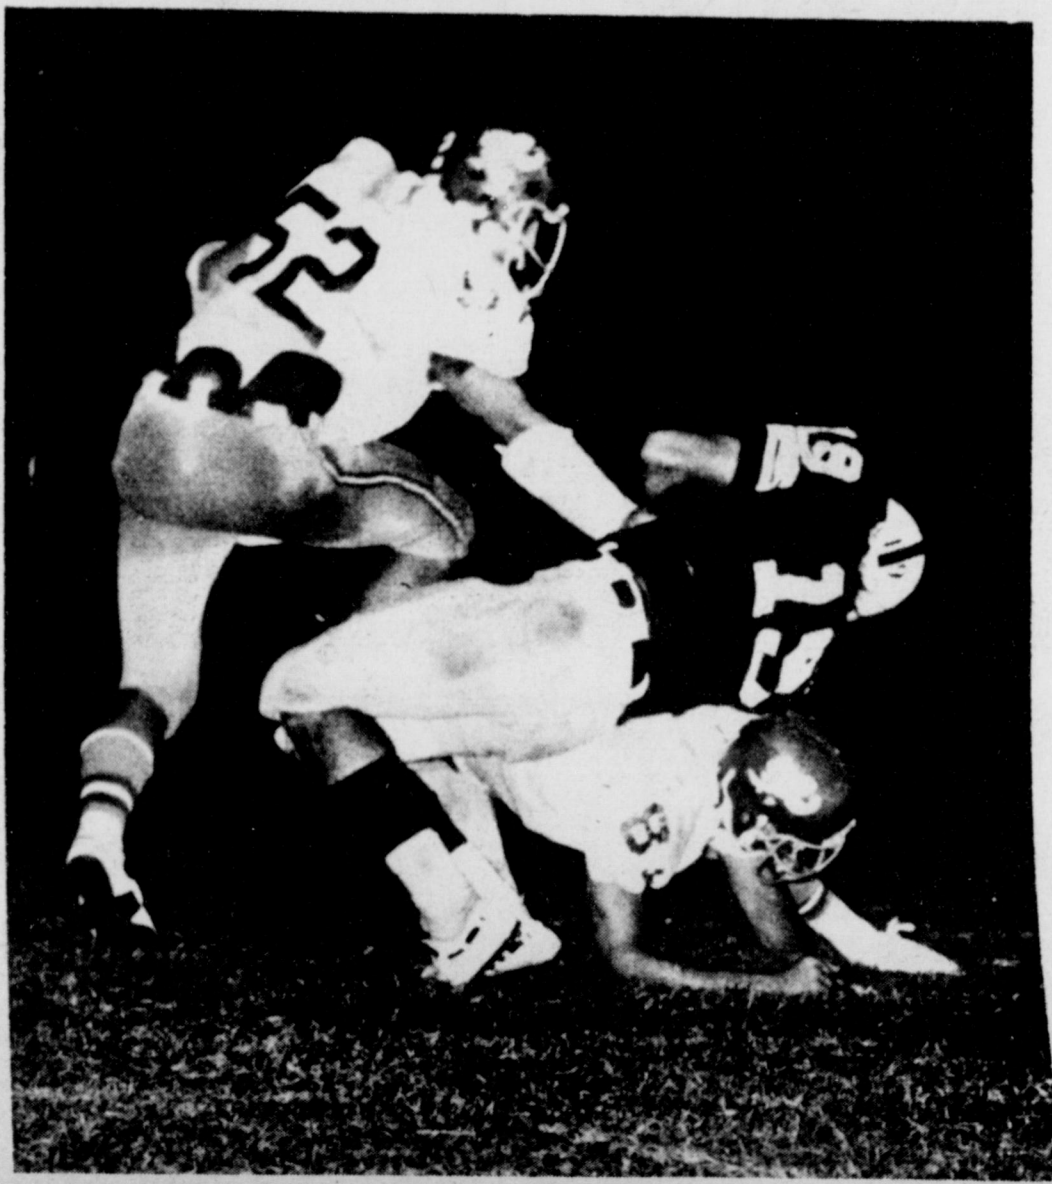

an 11-yard loss.

Sixteen minutes showed on the clock when Seymour decided to go for a field goal on a fourth down situation. It was the hands of Lynn Ayres that batted down Seymour's attempt and secured Holliday's victory.

BATTLING CAGES—Holliday's big defensive tackle, Andy Barton (63) moves in for another kill during Friday night's squeaker against Seymour. Backing Barton up is Jay Wright (23), Steve Parnell (60) and Clay Carver (74).

SANDWICHED—Eagles Larry Veal (52) and Clark McDaniel (81) put a top to the efforts of this Seymour Panther running back. The Eagle defense, in one of its better showings of the year, stopped several Panther drives and provided Holliday's only TD of the night.

Area Cub Scout olympics scheduled for Saturday

The third annual Northwest Texas Council Cub Scout Olympics has been scheduled for Saturday at three locations in the 13-county council. The primary effort will be staged at Perkins Reservation, near Burkburnett, where about 200 Cubs are expected to compete in five

fitness events including a standing broad jump, a softball throw, modified push-ups, sit-ups and a 50-yard dash. Similar program will be conducted in Bowie on the same day and in Vernon one week later. At each location, the competition is due to begin around 9 a.m. and

should conclude by mid-afternoon. All activities are part of the President's Council on Physical Fitness and Sports as well as the Webelos Athlete activity requirements. Awards will be presented to the championship pack

team scoring the highest points in all five events and to the individual winners for each of the five events in the three age groups (8, 9, 10). A pack team consists of 8, 9 and 10-year-olds in the same unit whose total scores in all five events are the highest for each of the three age levels.

ALUMNI OFFICERS-The Iowa Park High School Alumni and Ex-Students banquet Saturday night was climaxed with the election of officers for 1977. Back row, left to right, Harrel Sullivan, president; Robert Wilcox, first vice

president; front row, Mrs. Ruth Gard, treasurer; Mrs. Leo Cook, secretary; Mrs. E.T. Patterson, corresponding secretary. Not pictured, Donald Hill, second vice president.

UNITED EFFORT-Groundwork for participation in this year's United Way drive was laid at Lone Star Gas Company's distribution center located north of Iowa Park.

Discussing Lone Star's participation are, from left, R.R. Summers, Earl Jones, Walter Thomas and Glenn Criswell.

Glenn Criswell wears two hats

The old saying that a person wears "two hats" is certainly true of the Loaned Executive, the specially trained liaison volunteer with the United Way. One such devoted worker is Glenn Criswell, whose full time job is credit supervisor with Lone Star Gas in Wichita Falls. During the current United Way drive,

however, Criswell is also serving as a busy "L.E.," the term by which these individuals become known. Last Friday Criswell, along with Walter Thomas, regional manager of the Lone Star Gas Transmission Division's Northwest Region, met for a 30-minute film, question and answer, and explanation period with the 20 employees of the Iowa Park headquarters unit.

Although Criswell has worked on UW drives previously, this is his first year as a loaned executive. Several weeks before the drive actually begins, the special volunteers are recruited by United Way Campaign officials from businesses and organizations throughout the community to work in the Public Relations area of the United Way.

Each company that agrees commits its individual employee to two and a half days a week with the United Way while still paying his full salary for the full time of the campaign. "We tour all the agencies and have several intensive orientation courses so that we can answer all questions given to use with knowledgeable answers," Criswell said.

"Our biggest job is to help the Major Firm volunteer with his presentation to

businesses. Some firms like rallies of the entire employee force. Some prefer smaller groups on a timed basis, and some like to use us to train their key personnel so that they, in turn, can conduct their own campaign."

Criswell added that all LEs are trained to handle any kind of meeting. "We just want to get the United Way message across the best way we can."

At the close of the meeting at the gas transmission unit, employees were given agency profile sheets and United Way pledge cards which they were asked to fill out and turn back in.

The goal for this year's United Way Campaign is \$983,803. The victory day deadline is Nov. 3, with the first report session set at 10 a.m. today in the Texas Electric Reddy Room in Wichita Falls.

"How is lignite coal helping my electric bill?"

UNDERSTANDING YOUR ELECTRIC BILL

By using lignite coal to generate electricity, Texas Electric will be saving its customers \$44 million in 1976.

We've turned to lignite because natural gas, our main fuel, is running out. New supplies of gas just aren't available in the huge quantities we need. Those supplies that are available have soared in cost.

In 1976 the lignite and the plants that use it will cost less than new natural gas alone. Here's how:

\$86 million - The additional natural gas we would need in 1976 if we weren't using lignite.
- 42 million - The cost of lignite and the one-year cost for plants to use it in 1976.
\$44 million - Money our customers won't have to pay in 1976 because we're using lignite coal.

These savings will continue in the years ahead. In fact, they will increase as we add more lignite power plants and our nuclear plant.

This doesn't mean rates will go down. But we will be able to keep increases in your electric bills as low as possible.

Top O Texas League Play
Both the Kidwell Pee Wee and Midget Hawks defeated Sheppard teams Saturday. The Pee Wees shut out the Bandits 24-0, while the Midgets were edging the Rangers 12-6. Outstanding on offense for the Pee Wees were Donnie Dietrichson, Van Hedrick, Bret Cappleman and Darrim French. Lauded for defensive play were Bobby Whisnand, Doug Smith and David Dietrichson. The Pee Wees remain undefeated this season. Offensive standouts for the Midgets were Mark Klinkerman and Jeff Lawson, who caught two touchdown passes. On defense, Jeff Tigrett, Crag Whisnand and David Hildebrand were singled out.

Today, a "popinjay" is a conceited, empty-headed person, but the word was originally the name for a parrot!

Junior high teams win over Electra

Iowa Park's junior high football teams picked up two wins over Electra Tuesday night, while the freshmen and junior varsity both fell to Burkburnett. Biff Billingsley came up with the touchdown and then connected with Clay Schultz for the extra point to give the green seventh graders an 8-0 edge over Electra. Tuesday's win gives Iowa Park's seventh graders a 3-1-0 season record, according to coach Neil Billingsley. The eighth grade boosted its record to 2-2 by stomping Electra 30-6. Mike Ray made Iowa Park's first TD, and came back to provide the extra points. Curtis Martin connected with Ricky Wharton on a 45-yard aerial attack for Iowa Park's second TD. Ray made the extra points. Wharton was credited with Iowa Park's third TD, and he made a clean sweep for the extra points. Ray supplied the eighth graders' final TD. Coach Marvin Brixey's freshmen were outdistanced by Burkburnett 22-6. Iowa Park's Troy Thompson provided the lone TD for the Hawks when he snatched up a fumbled Burkburnett punt return and galloped 60 yards to pay dirt. Freshmen defensive standouts were Joe Stevens, Perry Schroeder and Greg McLaughlin. Coach Greg Clary's junior varsity couldn't get rolling against Burkburnett either. Anthony York scored on a one-yard plunge for Iowa Park's only touchdown in the 23-6 defeat. Iowa Park's seventh and eighth grade teams will travel to City View for next Tuesday's contest, while the freshmen and JV will host Hirschi here on Tuesday.

Former Hawk good thief

Teams aren't being too successful passing against the Texas Tech Red Raiders this season, and one of the reasons is former Hawk Greg Frazier. In the two games played so far, the Tech secondary has intercepted eight passes, two of which were claimed by Frazier.

PAST MASTERS OF IOWA PARK LODGE 713 A.F. & A.M.

Past Masters feted at Masonic Lodge

Past Masters of the Iowa Park Masonic Lodge were honored Thursday evening with a chili supper and program. Of the 57 Past Masters of the local lodge, 32 are still living, and 24 of them were present at the meeting. The remaining eight reportedly live considerable distance from here now.

During the program the Past Masters conferred the Master's degree on a candidate. Members of area lodges, friends of those being honored, also attended the Thursday event.

At the end of the program, W.C. Probst was awarded a 50-year emblem by E.R. Bearden, district Deputy Grand Master of the 88th Masonic District.

Club honors Miss Barge

Rhonda Barge, a senior at Iowa Park High School, was named the outstanding student of the month by the Opti-Mrs. Club Monday following an interview with her by the president, Mrs. Robert Sumner. The honor is in recognition of her being outstanding in English.

RHONDA BARGE

Sgt. and Mrs. Paul Ruske, Laughlin AFB, announce the birth of an eight pound daughter, Jennifer Lynn, August 13th. Mrs. Ruske is the former Linda Blair of Iowa Park.

Grandparents are Mr. and Mrs. Bernard R. Blair of Iowa Park and Mrs. Faith Ruske of Buffalo, N.Y.

The daughter of Mr. and Mrs. Don Barge, she is a member of the A Cappella Choir, FTA, Tri-Hi-Y and a two-year member of the pep squad. Her hobbies are cooking, sewing and reading.

Rhonda plans to further her education after graduation at Hardin-Simmons University majoring in therapy or music.

Scholarship recipient practice teaching here

Pat Davis, a senior at Midwestern State University who is doing her practice teaching at Kidwell Elementary School, has been notified that she has been selected to receive a Travis White Student Teaching Scholarship Award for the fall semester 1976.

She is one of two students to receive the \$125 scholarship given to outstanding professional candidates in student teaching. In the spring, Mrs. Davis was the recipient of the 1976 Zeta Sigma Recruitment Grant. A graduate of Harmon High School where she was class valedictorian, she attended Kilgore Junior College and East Texas State University. She transferred to MSU in January 1975 where she belongs to Cap and Gown, a senior

women's honor organization and Alpha Chi National Honor Scholarship Society. She has maintained a 4.00 grade point average at the university.

The wife of Richard Davis, vocational agriculture teacher at Iowa Park High School, she is leader of the five-year old Sunday School department at First Baptist Church. The couple's children are Scott, 7 and Karie, 6.

PAT DAVIS

Cemetery group meeting Sunday

The Highland Cemetery Association will hold the quarterly business meeting Sunday at 2:30 p.m. at First Christian Church.

George Richter, president, stated that one item of business on the agenda would be the election of a nominating committee.

Obituaries

Fred T. Hays

A nine-year resident of Holiday Hills, Lake Tawakoni, he was employed at Skillern Drug Store in Sulphur Springs at the time of his death.

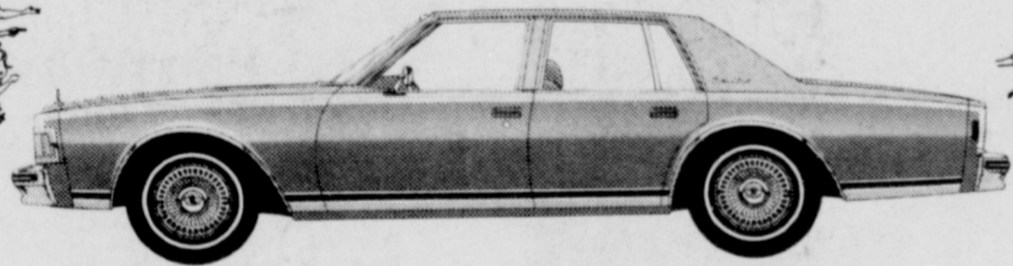

Survivors include his wife, Maxine; a son, Mike of Fort Worth; three daughters, Mrs. Nancy Lynn Schmidt of Blytheville, Ark., Mrs. Kathy Wood of Caddo Mills and Mrs. Rosa Allen of Fort Worth; a brother Earl Hays and a sister, Mrs. Modena Hamilton, both of Hatfield, Ark.; and six grandchildren.

The Rev. John Klaepfenbach of Dallas, former pastor of Faith Baptist Church in Iowa Park, officiated. Burial was in the Forest Park Cemetery at Greenville.

ORD# 230

AN ORDINANCE GRANTING TO LONE STARGAS COMPANY, A DIVISION OF ENSERCH CORPORATION, A CORPORATION, ITS SUCCESSORS AND ASSIGNS, A FRANCHISE TO FURNISH AND SUPPLY GAS TO THE GENERAL PUBLIC IN THE CITY OF IOWA PARK, WICHITA COUNTY, TEXAS, FOR THE TRANSPORTING, DELIVERY, SALE, AND DISTRIBUTION OF GAS IN, OUT OF, AND THROUGH SAID MUNICIPALITY FOR ALL PURPOSES; PROVIDING FOR THE PAYMENT OF A FEE OR CHARGE FOR THE USE OF THE STREETS, ALLEYS, AND PUBLIC WAYS; PROVIDING THAT IT SHALL BE IN LIEU OF OTHER FEES AND CHARGES, EXCEPTING AD VALOREM TAXES; AND REPEALING ALL PREVIOUS GAS FRANCHISE ORDINANCES. BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF IOWA PARK, TEXAS:

SECTION 1. That the City of Iowa Park, Texas, hereinafter called "City," hereby grants to Lone Star Gas Company, a Division of ENSERCH CORPORATION, hereinafter called "Company," its successors and assigns, consent to use and occupy the present and future streets, alleys, highways, public places, public thoroughfares, and grounds of City for the purpose of laying, maintaining, constructing, operating, and replacing therein and thereon pipelines and all other appurtenant equipment needed and necessary to deliver gas corporations, including all the general public, within the City's corporate limits, said consent being granted for a term of twenty-five (25) years from and after the date of the final passage and approval of this ordinance.

SECTION 2. Company shall lay, maintain, construct, operate, and replace its pipes, mains, laterals, and other equipment so as to interfere as little as possible with traffic and shall promptly clean up and restore to an approximate original condition, at its cost, all thoroughfares and other surfaces which it may disturb. The location of all mains, pipes, laterals, and other appurtenant equipment shall be fixed under the supervision of the Board of Aldermen or an authorized committee or agent appointed by said Board.

SECTION 3. When Company shall make or cause to be made excavations or shall place obstructions in any street, alley, or other public place, the public shall be protected by barriers and lights placed, erected, and maintained by Company; and in the event of injury to any person or damage to any property by reason of the construction, operation, or maintenance of the gas distributing plant or system of Company, Company shall indemnify and keep harmless City from any and all liability in connection therewith. Company shall repair, clean up, and restore to an approximate original condition all streets and alleys disturbed during the construction and repair of its gas distributing system.

SECTION 4. In addition to the rates charged for gas supplied, Company may make and enforce reasonable charges, rules, and regulations for service rendered in the conduct of its business, including a charge for services rendered in the inauguration of natural gas service, and may require, before furnishing service, the execution of a contract therefor. Company shall have the right to contract with each customer with reference to the installation of, and payment for, any and all of the gas piping from the connection thereof with the Company's main in the streets or alleys to and throughout the consumer's premises. Company shall own, operate, and maintain all service lines, which are defined as the supply lines from the Company's main to the consumer's curb line, when mains are located in the streets and to the consumer's property line when mains are located in the alleys. The consumer shall own, operate, and maintain all yard lines and house piping. Yard lines are defined as the underground supply lines extending from the point of connection with Company's service line to the point of connection with consumer's house piping.

SECTION 5. Company shall not be required to extend mains on any street more than fifty (50) feet for any one consumer of gas.

SECTION 6. Company shall be entitled to require from each and every consumer of gas, before gas service is commenced, a deposit of twice the amount of an estimated average monthly bill, which said deposit may be retained by Company until service is discontinued and all bills therefor have been paid. Company shall then return said deposit to the consumer, together with six percent (6%) interest thereon from the date of said deposit up to the date of discontinuance of service. Company shall be entitled to apply said deposit, with accrued interest, to any indebtedness owed Company by the consumer making the deposit.

SECTION 7. The rights, privileges, and franchises granted by this ordinance are not to be considered exclusive, and City hereby expressly reserves the right to grant, at any time, like privileges, rights, and franchises as it may see fit to any other person or corporation for the purpose of furnishing gas for light, heat, and power to and for City and the inhabitants thereof.

SECTION 8. Company shall furnish reasonably adequate service to the public at reasonable rates and charges

therefor; and Company shall maintain its property, equipment, and appliances in good order and condition.

SECTION 9. Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the 1st day of March, 1977, and on or before the same day of each succeeding year during the life of this franchise, up to and including the year 2001, a sum of money which shall be equivalent to three percent (3%) of the gas receipts received by Company from the sale of gas to its domestic and commercial consumers within the corporate limits of said City (expressly excluding, however, receipts derived from sales to industrial and governmental users and consumers in said City) for the preceding calendar year, which annual payment shall be for the rights and privileges herein granted to Company, including expressly, without limitation, the right to use the streets, alleys, and public ways of said City. And it is also expressly agreed that the aforesaid annual payment shall be in lieu of any and all other and additional occupation taxes, easement, and franchise taxes or charges (whether levied as an ad valorem, special, or other character of tax or charge), in lieu of municipal license and inspection fees, street taxes, and street or alley rentals or charges, and all other and additional municipal taxes, charges, levies, fees, and rentals of whatsoever kind and character which City may now impose or hereafter levy and collect, including without limitation of the above, the street rental set by Ordinance No. 91A, amending Ordinance No. 222, of the City of Iowa Park, Texas, passed and approved by the City Council of the City of Iowa Park, Texas, on December 8, 1969, excepting only the usual general or special ad valorem taxes which City is authorized to levy and impose upon real and personal property. Should City not have the legal power to agree that the payment of the foregoing sums of money shall be in lieu of taxes, licenses, fees, street or alley rentals or charges, easement or franchise taxes or charges aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such taxes, licenses, charges, fees, rentals, easement or franchise taxes or charges.

In order to determine the gross receipts by Company from the sale of gas (expressly excluding the sale of gas to industrial and governmental consumers) within the corporate limits of City, Company agrees that on the same date that payments are made, as provided in the preceding paragraph of this Section 9, it will file with the City Clerk a sworn report showing the gross receipts received from the sale of gas to its domestic and commercial consumers within said corporate limits for the calendar year preceding the date of payment. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein.

Receipts from sales to governmental users or consumers shall include all those receipts derived from the sale of gas to federal, state, county or city governments or branches and subdivisions thereof, school districts, or other similar districts, it being the intention to include within the term "governmental users and consumers" all tax-supported institutions owned or operated directly or indirectly by said governments and branches or subdivisions thereof, such as schools, colleges, hospitals, eleemosynary institutions, army or training camps, airports, courthouse, city hall, and other institutions of like or similar kind and character.

"Industrial users or consumers," as herein used, are those generally and commonly classified as such by Company.

The payment herein provided shall be for the period January 1 to December 31 of the respective year that the payment is made.

SECTION 10. When this franchise ordinance shall have become effective, all previous ordinances of said City granting franchises for gas distribution purposes which were held by Company shall be automatically cancelled and annulled, and shall be of no further force and effect.

SECTION 11. Company shall file its written acceptance of this franchise ordinance within sixty (60) days after its final passage and approval by said City.

PASSED AND APPROVED on this the 9th day of August, A.D. 1976.

ATTEST:
Alonzo G. Britton
City Secretary
STATE OF TEXAS
COUNTY OF WICHITA
CITY OF IOWA PARK

Johnny Crawford
Mayor City of Iowa Park, Texas

I, Alonzo G. Britton, Secretary of the City of Iowa Park, Wichita County, Texas, do hereby certify that the above and foregoing is a true and correct copy of an ordinance passed by the Board of Aldermen of the City of Iowa Park, Texas, at a regular session, held on the 9th day of August, 1976, as it appears of record in the Minutes of said City, in Book 16, page 176.

WITNESS MY HAND AND SEAL OF SAID CITY, this the 21st day of September, A.D. 1976.

Alonzo G. Britton
City Secretary
City of Iowa Park, Texas

PERSONALS

CARD OF THANKS
Thank you to everyone who contributed toward the success of the Arts and Crafts show by showing or buying, or working on the show.

Special thanks to Jack Stevens for giving us his demonstration painting to be auctioned and to Mr. and Mrs. Buddy Henderson for purchasing it and to the Bee Hive for donating the canvas.

Special thanks to the Leader and the Chamber of Commerce for the good publicity.

Special thanks to the Philia Club who made the lovely quilt given away at the show for conducting the Children's Art Exhibit.

Mrs. Earl Watson

CARD OF THANKS

My heart overflows with deep gratitude for all the kindness and interest shown for me during my stay in the hospital and while I am recuperating at home by the precious members of my church and friends in other churches and the community. Your prayers, visits, flowers and cards gave me strength and encouragement and I shall remember each of you with warmest thoughts. May God bless you richly.

Mrs. W.F. Williams
