520 W. CLARA
IOWA PARK, TEXAS

TOMORROW AT MINERAL WELLS

Hawks open district against speedy Rams

The Iowa Park coaching staff will have their first test of what the Hawks have learned through the young fall season tomorrow night, when they venture to Mineral Wells for the District 4-AAA opener.

Iowa Park has earned a 4-0 non-conference record, but there is a question of the competition the Hawks have faced. At the same time, Mineral Wells has broken even, winning two and losing as many, and

the competition the Rams faced is equally in question.

Mineral Wells was the odds-on favorite among sportswriters to take the conference crown this season. Coaches, however, had picked defending co-champion Burkburnett.

This will be the fourth meeting between the two clubs in recent history, and the Rams have come out on the long end in the three previous outings.

The first year Mineral Wells dropped down from Class AAAA, the Rams barely edged the Hawks 13-6. And that was the year Iowa Park won only one game. The second game, Mineral Wells romped to a 28-12 decision, the same season the Hawks went 0-10.

Coach Tommy Watkins mainly credited the kicking of Ron Taylor for keeping the Rams in poor field position all the game last year. Mineral Wells was said to have superior personnel, but was able to do no more than a 21-14 decision. And Watkins said he felt his club had two different chances to pull that game out of the fire in the latter stages.

He's counting heavily on Taylor and his toe again this year. The Rams lost only one starting back from last year, and their line is big.

Mineral Wells is led by its athlete of all seasons, Jesse Kimbrough. He's in his second year as starting quarterback, following a junior year in which he rushed and passed for over 1,300 yards. The talented senior became a starter on the basketball team as a sophomore, and was the district 100 and 200 meter champion last spring.

The Rams have defeated Cleburne 27-26 and last week wholoped Granbury 47-0. Their losses, and 40-14 to Stephenville.

Watkins has had his charges working hard, both this week and last, to improve their physical conditioning. "I think this will be a real close ball game. . . probably be decided in the fourth quarter," he said.

"If we can give them the same field position as we did last year, with the team we have this year, we can beat them," stated the Head Hawk.

But Watkins will possibly be

shorthanded in his effort. Doubtful to be ready to play are receivers Randall Schram and Wes Klinkerman. Both suffered severely painful twisted ankles early last week, and both stood on the sidelines in civilian clothes during the Jacksboro game.

About the game with the Tigers, Watkins complimented his players when he said the backs did a good job and the blocking was much improved, especially as the game progressed.

TICKETS AVAILABLE

Reserved seat tickets for the Mineral Wells game are on sale at the Iowa Park High School principal's office, for \$3 per adult.

The stadium, for those who have not been there before, is located just off Highway 180. When entering Mineral Wells from the north on 281, turn right on 180 about five blocks. A sign will be on the left, pointing to turn left a block to the stadium.

Game time will be 8 p.m.

SCOTT DENTON had the winning entry in the annual Turtle Trot, a feature of distance in 19 seconds flat. Chairman of committee presented trophy and the presented Scott with a savings bond as first prize.

VOL. XI, NO. 5 25 CENTS

City council, school board slate meetings next week

The county-wide tax assessing eight members, according to a decision made at a meeting here Thursday evening.

Creation of a county-wide board to assess taxes equally for all taxing entities within the district was directed by legislation during the past session in Austin.

The legislation specified the board would be made up of five members, unless more were desired, and the specific number decided by three-quarters of the entities within the district.

According to the voting at the meeting held in the high school cafeteria, Iowa Park, Burkburnett and Electra will each have one representative on the board, Wichita County and City View School District will be represented by a board member, and the city of Wichita Falls and Wichita Falls School District will both have two members.

Because of the format set up by the legislation, had the board consisted of five members, four of them would have been named by Wichita Falls and its school district, based on the

amount of tax money collected by entities indicated they wanted more representation on the board. They held a meeting the week before Friday to discuss the issue, and decided they would like to vote on more representation.

Also discussed was having a seven, nine and 10 member board.

At one point during the discussion before voting, a proposal was made to have the county judge sit in as a voting delegate, to break any ties which might occur with an even-numbered board.

Some delegates, including Supt. Faris Nowell, said their respective boards had voted specifically to have an eight-member district board, and therefore they were empowered only to vote on that issue. Any change would have required separate meetings of the taxing entities, and another general meeting, so the issue was dropped.

Nominations for the district board must be made by Oct. 15, according to County Judge Tom Bacus and County Clerk Jerry Padgett. Election of

board members will be held Nov. 14. "I'm glad to see all segments of Bacus. The purpose of the board is to discuss and eliminate problems, not create them."

Building permits include 3 homes

Three new homes and additions to homes were the major topic of building permits issued during September by the Iowa Park city hall.

Permits totaled \$120,560 for the month, bringing the year's total to \$940,402. This compares with the \$1,422,375 issued for the same period in 1978 and \$1,303,526 in 1977.

Permits issued during September included: Freddie Simmons, 710 E. Ruby, addition, \$260; Jerry Wood, 1005 Foley, new residence, \$28,000; Jerry Wood, 1031 Foley, new

Continued on page 5

County-wide tax board to have eight members

Both the city council and school board will hold regular meetings next week.

City aldermen will meet in council chambers at 7 p.m. Monday, while school trustees will be called to order at 7:30 p.m. Tuesday in the administration building.

A lengthy agenda faces city aldermen, who are to act on three ordinances to establish the tax rate for the new fiscal year, set the annual budget, and set a trash rate for non-profit organizations.

A public hearing will be held prior to the regular meeting, to explain increase in taxes. Aldermen expect to set the same tax rate as last year, \$1.75, but due to reassessment of values at 100 percent of market value, the increase will take place.

City administrator Steve Morath will ask permission to advertise for bids to purchase traffic signs, and also advertise to sell a 1967 garbage truck.

Bids will be opened for warning sirens. Morath was instructed to re-advertise for bids on the sirens at the last meeting, when only one bid was received.

Aldermen are expected to act on a petition by Deryl James to annex property he owns at 902 W. Highway. This tract of land was the subject of two previous council meetings, when another owner wanted water service without being annexed, and aldermen at the second meeting rejected the proposal.

A resolution will be proposed, authorizing Mayor Johnny Crawford to enter into a lease agreement with Billy James for leasing city-owned land behind his place of business.

Under a topic of other business, aldermen will hear a request from the city administrator to write off bad debts incurred during the past year, and council members will discuss the city's mobile home ordinances.

SCHOOL BOARD

Reports will take up most of the time of the school board meeting, according to the early agenda set out by Supt. Faris Nowell.

Trustees will hear a report on the county-wide tax appraisal district; construction progress of the new gymnasium at the high school; and

Jimmy Howell is to tell trustees about the national convention of Future Farmers of America.

Board members are to act on proposed vocational class trips and fund raising projects; act on resignation of a teacher and elect a replacement; and also consider amending some policies.

Pickups popular with burglars

Pickups were the targets of thieves during the past week, according to reports filed at the Iowa Park Police Department.

Of six complaints filed during the past week, four concerned pickups.

Joe Gann filed a report that a drive saw valued at \$200 was taken from his pickup Saturday night, while it was parked at 1314 N. Fourth.

Two tool boxes and two skill saws were reportedly taken from a pickup at 105 Wood Circle Friday night. Value was set at \$200.

A citizen band radio was allegedly taken from a pickup owned by Franky Hardin Tuesday evening last week. Burglars pried open the vent window of Hardin's pickup while it was parked at 615 W. Texas.

A tail gate from a new pickup was reportedly stolen off a vehicle on the Bates-Barrios Chevrolet lot at 216 N. Yosemite some time Friday night. It was valued at \$265.

Leroy Decker of 1910 Gilbert, Wichita Falls, reported some \$2,500 worth of possessions were taken from a garage at 305 W. Jefferson. The items included a 350 V-8 engine with transmission, three-cushion couch and two-cushion love seat, recliner and assorted children's toys.

United Way workers make first report

United Way leaders and volunteers from Iowa Park, Burkburnett and Wichita Falls reported in a total of \$308,480 at the first update meeting of the annual campaign.

The annual drive is seeking \$1,314,500 to fund 33 agencies, two based in Iowa Park.

The Friendly Door and the Recreational Activities Center receive a large portion of their funding from the United Way.

"Iowa Park citizens can see how we're directly benefited from the United Way, so we're always more than ready to pull our share of the load," local chairman Keith Aulds said.

When reporting each city's

donations are tallied together to get a combined total, according to Aulds.

This year the goal of each division has been raised 10 percent over what was collected in that area last year.

"This increase is due to inflation and preparation for any expansion in programs or agencies," Aulds explained.

The campaign will continue through Nov. 15.

Working with Aulds as leaders for Iowa Park are David Parkey, Verne Horsky, Steve Morath, Dr. Carter Pirkle and Bill Steger.

The next report meeting is set for next Thursday at 10 a.m. in the Texas Electric Reddy Room in Wichita Falls.

1979 IPHS HOMECOMING QUEEN K.K. Connor poses with her court after coronation ceremonies Friday night which preceded the Iowa Park-Jacksboro football game. Other nominees were Angie Guyton, Stephanie Frazier and

Lisa Stone. Crown and flower bearers were Steve Berry and Shang McKenzie. In the background are Jeff Shaw, Student Council president, and Kevin Davis.

Energy saving topic of Epsilon Eta program

Anita Chaney of Lone Star Gas Co. gave the program for the Tuesday evening meeting of Epsilon Eta chapter of Epsilon Sigma Alpha held at Texas Electric Reddy Room. Hostesses were Mmes. Bud

Mercer and Bill Hrncirik. Introduced by Mrs. Phil McDonald, the speaker used "Energy Savers" for her topic, concentrating on heating and cooling since they constitute the largest energy users in the home.

Some of the suggestions she offered to conserve energy in the home included blown-in fiberglass and rockwool insulation for walls and attics; water flow restrictors, new appliances and the thermostat. She said that windows and doors play an important part in energy conservation and mentioned the advantages of storm windows, shades and solar glass.

Mrs. Mercer was in charge of business following the program. Mrs. Dalton Bleeker reported that the Whoop-T-Do Queen project netted \$491.95 and the face painting project brought in \$25.98, and that the proceeds will go to St. Jude's Children Hospital.

The Whoop-T-Do Queens crowned Saturday afternoon were Jeanine Blair in the 4-7 group, and Tina Reasor in the 8-12 group.

Mrs. Barry Mahler discussed the sale of portrait certificates as another fundraising event to benefit St. Jude's Hospital.

Mrs. Mercer announced the District VI meeting at Burkburnett Oct. 13-14. Thirteen members were present.

Cook of the Week

Niki (Mrs. Bill) Reed is evidently not a slave to a cookbook. Instead, she uses a lot of ingenuity in cooking and concocting dishes that whet her family's appetite. Attesting to this is her Fried Hominy and Eggs recipe, which is one way she has found to get their children who "don't like eggs to eat them."

The recipe calls for several vegetables which make it more nutritious. One of the vegetables is frozen peas, and a lot of people do not like peas unless they are "dressed up," so her recipe could be the answer for tempting people to eat peas as well as eggs.

The pea is an ancient vegetable. It is a native of Europe and Northern Asia and some seeds were found in an ancient tomb at Thebes. It was not generally grown until the Norman Conquest of England, when records note its cultivation in monastery gardens. Eventually, the English perfected the vegetable, and colonists brought fairly fine seed to the New World with them. The Indians also grew the legumes.

A graduate of Abilene High School, Mrs. Reed attended Vernon Regional Junior College and graduated from Aladdin Beauty College. She is a hairdresser at State 1 in Wichita Falls. Her husband is a truck

salesman at Longhorn Chevrolet Co. and a crop duster. They are members of Faith Baptist Church. Their children are Becca, a kindergarten student at Bradford Elementary School, and Casey, two years of age.

Niki is a member of Bradford P.T.A. She is taking art and guitar lessons and likes to play tennis.

FRIED EGGS & HOMINY

- 4 eggs
 - 1/2 t salt
 - 1/2 t pepper
 - 3 T oil
 - 1 cup hominy
 - 1 cup frozen peas
 - 1 small green pepper
 - 4 medium green onions
 - 1 T soy sauce
- Slightly beat eggs with salt and pepper. In skillet, heat oil. Add eggs, cook until almost scrambled. Stir in remaining ingredients. Cook 5 minutes.

BROCCOLI-MUSHROOM LASAGNA

- Mushroom soup (1 can)
 - 1 - 8 oz. pkg. lasagna noodles (cooked and drained)
 - Pepper to taste
 - 1 - 10 oz. pkg. frozen broccoli (chopped)
 - 1 lb. cottage cheese
 - 8 ozs. Mozzarella cheese
 - 1/2 cup grated Parmesan cheese
- Preheat oven to 350 degrees. Put 1/2 cup mushroom soup in greased pan. Layer noodles, seasoned with pepper, broccoli, cottage cheese, Mozzarella

Mrs. Bill Reed

cheese. Add remaining mushroom soup and Parmesan cheese. Bake for 45 minutes.

SHRIMP SALAD

- 1 can deveined shrimp (medium size)
- 1 large tomato, wedged
- 1 small cucumber
- 1/2 can pitted black olives, sliced

3 cup salad dressing
3 medium size fresh green onions
Garlic salt to taste
3/4 pkg. macaroni
Cook macaroni, drain. Add salt and salad dressing. Mix well, then add remaining ingredients.

TUNA-RICE PIE

- 1 cup rice
 - 1 egg, well beaten
 - 1 can cheddar cheese soup
 - 2 t Worcestershire sauce
 - 1 can green peas
 - 1 can tuna, drained
 - 1 - 2 1/2 oz. jar mushrooms
 - 2 T pimentoes
- Cook rice and cool; stir in eggs. Put rice in buttered 1 1/2 quart dish. Press rice on bottom and sides to make pie shell. Combine soup and Worcestershire sauce in pan and bring to boil, and add remaining ingredients. Pour into rice shell. Cover and bake at 375 degrees for 20 minutes or until hot. A 5 or 6 1/2 oz. can of boned chicken may be substituted for the tuna.

Bradford PTA sets workday

The Bradford PTA held a business meeting preceding open house Tuesday night. Mrs. Garland Lehman, president, was in charge.

During the business, it was voted to hold a workday for playground improvements on Oct. 22 starting at 9:30 a.m., and to buy "Tupper and bingo party" Nov. 3. The shirts will be lettered with "Bradford Elementary Learning Power by the Hour", and the prices were set at \$5 for adults and \$4 for children.

It was also voted to hold a Santa's workshop in conjunction with the Christmas parade to give children an opportunity to purchase inexpensive gifts for parents and friends.

Mrs. Jack Witherspoon reported on the recent workday activity acknowledging the contributions of Richard Schroeder, Carl Catlin, Gulf Station, Kamay Electric, Roy Fullerton,

Judy Duke and Robert Sumner.

George Taylor, principal, introduced the teachers before open house. The rooms of Mrs. Bob Cole and Mrs. Dixon won the attendance prizes.

Friendly Door Lunch Menu

- Thurs., Oct. 4 - Meat loaf, beans, mixed greens, beets, pudding.
- Fri., Oct. 5 - Lasagna, mixed vegetables, salad, lemon cup cakes.
- Mon., Oct. 8 - Chicken fried steak, carrots, potatoes, salad, peaches.
- Tues., Oct. 9 - Chicken tetrazzini, green beans, relish plate, pudding.
- Wed., Oct. 10 - Beef tips, potatoes, corn, salad, dressing, prunes.
- Thurs., Oct. 11 - Ham, macaroni, beets, pineapple salad, oatmeal cookies.

Cemetery group to meet Sunday

The Highland Cemetery Association will hold the quarterly business meeting Sunday at 2:30 p.m. at First Christian Church.

A nominating committee will be elected and other important items of business are included on the agenda. Dallas Ralston is president of the association.

'The Incredible Hawk' is alumni banquet theme

"The Incredible Hawk" was the theme of the annual Iowa Park High School alumni banquet Saturday night. The theme was preeminent in the table decorations highlighted by many of the trophies the Hawks have won for the school, the programs, and wall posters that "papered" the cafeteria where the banquet was held.

Tommy Watkins, athletic director of Iowa Park High, was the after dinner speaker. His talk in which he paid tribute to the team of 1969, "the outstanding team of the decade," which he coached and won the state championship, drew a standing ovation from the large crowd in attendance.

Band Boosters hear reports

The Band Boosters Club meeting Tuesday night was directed by David Robnett and devoted for the most part to reports and announcements.

The president stated that the calendar sales would end Friday and that those who were interested in purchasing them should call 592-4455.

Gregg Miller, band director, announced the UIL marching contest for Nov. 6 at the Memorial Stadium.

Mrs. Jesse Flick reported a profit of \$188 on the dunking machine project at the Whoop-T-Do.

Employment film to be shown here

Elray Hardy from the Texas Employment Commission, will speak to Friendly Door members at 11:30 a.m., Friday on employment for the aged and handicapped.

Rev. Jerry McFather from Eden Hills Baptist Church in Wichita Falls will provide special music Oct. 10 and Mrs. Earl Watson will show a film "Senior Power"

Watkins was introduced by Don Harrison, a member of the 1969 team, now an assistant coach at Abilene Christian University. "Kids haven't changed.

Our team in 1979 wants to represent you well, just as the 1969 team, that has become a legend, did," the head mentor stated. He continued by showing that

the boys on the team 10 years ago were just normal boys so far as practice, discipline and halftime activities were concerned, but above average in the

opening game with Burkburnett, playoff game in Lubbock, and state final game where they "inspired the coach to predict victory."

He praised the townspeople and faculty for their loyal support that year and gave them a good share of the credit for inspiring the boys to bring home the state championship.

Robert Wilcox, president of Iowa Park High School Alumni Association, served as emcee.

Danny Parkerson led the audience in singing "Onward Christian Soldiers," one of the late Supt. W.R. Bradford's favorite songs. Mrs. Otis Gay was the piano accompanist. He later introduced special guests and conducted the introduction of graduating classes by years. The class of 1945 had 16 present and the class of 1939 followed closely behind with 13 in attendance. The Van Horn families were represented with seven ex-students present.

Vernon Cowart, a former student now living at Kelo, Wash., was recognized as the one who had traveled the greatest distance to attend the reunion.

Special musical entertainment was provided by the high school Madrigal Singers, directed by Janet Walker. Pam Foreman was the accompanist.

Officers elected to serve during 1979-80 were Danny Parkerson, president; Jim Medlinger, first vice president; Kenneth Via, second vice president; Carolyn Mahler Richter, secretary; Ruth Dorris Gard, treasurer; Josephine Ellis Patter-

SEEMS LIKE OLD TIMES for Vernon Cowart, of Kelo, Wash., right, who was recognized Saturday night during the Iowa Park High School Alumni banquet as the former student traveling the farthest to attend the banquet. He is

being congratulated by Danny Parkerson, new president of the association. A record crowd attended the banquet highlighted by an after dinner speech by Tommy Watkins, athletic director of the school.

Finnell announces new safety programs

State Rep. Charles Finnell announced this week the start of four traffic safety programs in the 53rd District with grants totaling \$199,217. Pending final approval by the Texas Department of Highways and Public Transportation, the programs will begin Oct. 1 and run through Sept. 30, 1980.

The programs are the Traffic Safety Coordination Program, the hiring of a regional public education specialist, comprehensive increased traffic law en-

forcement program for the city of Electra to be continued from fiscal year 1979.

The Traffic Safety Coordination Program has been funded \$47,276. A committee will investigate traffic control problems in the Wichita Falls area. A regional public education specialist will serve to implement local, state and national efforts in traffic safety. Both programs are funded through Midwestern State University.

this area but also throughout Texas and the rest of the nation," Finnell said. "I am confident area citizens will do all they can to help promote traffic safety."

The city of Electra has been awarded funds for additional traffic signs within the city limits.

The Comprehensive Increased Traffic Law Enfor-

cement Program has funded the Wichita Falls Police Department \$114,105. Police officers will be sent to areas of traffic congestion on

certain times and days of the week of known traffic problems.

Lioness Club resumes meetings

The Iowa Park Lioness Club held the first meeting of the new club year Thursday evening in the home of the president, Mrs. Sam Hunter. Mrs. Gerry Thurlo, a new club sweetheart, was co-hostess.

Mrs. Bill Boucher, music teacher at Kidwell and Bradford Elementary Schools, and Missy Logan and John Teel, fifth grade students at Valley View Elementary.

Mrs. Boucher accompanied the young vocalists for their duet numbers, "It's a Grand Night for Singing" and "You Light Up My Life," and for Missy who sang "Talk to the Animals" and John for his solo, "Bless Be the Beast and the Children."

John presented piano renditions of his own arrangements of "What A Friend We Have in Jesus" and "Star Spangled Banner."

Mrs. Keith Aulds was program leader.

Mrs. Philip Welch was introduced as a new member.

The next meeting will be Oct. 25 when Mrs. Faris Nowell and Mrs. Sam Hill will be the hostesses.

Santa Rosa Districts slates fall meeting

The Santa Rosa District, Texas Federation of Women's Clubs, will hold the fall business meeting and workshop Oct. 13 at the Wilbarger Auditorium in Vernon. Hostess clubs will be The Forum, Home Science Club, Sorosis Club and the Crowell Adelpian Club.

Presidents of the clubs are Mmes. C.L. Boynton, Sid Wright, J.L. McCowan and Warren Haynie. Mrs. James Golden will serve as chairman for the Adelpian Club.

Morning registration and coffee will take place between 9-9:30. Mrs. Earl Watson, Santa Rosa District president, will be in charge

of a brief business meeting between 9:30-10.

Two topics of vital interest will be discussed by qualified speakers during the morning session.

Mrs. L.B. Campbell, Hands Up chairman and past president of Santa Rosa District, will speak on "What's New About Crime Prevention?" Kathy Whit-

aker Lamb, associate psychologist, Region IX Education Service Center, will use for her topic "Child Abuse - It Can't Happen Here, or Can It?"

Mrs. Harold Campbell, first vice president, will conduct the period devoted to reports. Others taking part in the morning session will be Mrs. Joe Roberts and Mrs. Graydon Moseley.

Mrs. Philip Carpenter, past president, and Mrs. C.L. Boynton, president-elect, will take part during the lunch hour.

The afternoon activities will start with a skit, "You Can't Con Me, or Can You?" by members of the Philia Study Club of Iowa Park. Mrs. Robert Norris, past district president, will discuss another timely topic, "Shoplifting? So What?" and will later give a report on the Amarillo convention. Others who will appear on

the afternoon program will be Mrs. James Golden, chairman of the district loan fund, and Mrs. Charles Bowles, legislative chairman.

Awards will be presented to the federated club with the most members registered and the club with the most members from the greatest distance.

Mr. and Mrs. Ron Morath announce the birth of a daughter, Rochelle Jean, September 18. She weighed six pounds, nine and a half ounces.

The new baby has a brother Richard, 11 years old, and a sister Ronda, three years of age. Grandparents are Mr. and Mrs. Leroy Threet of Iowa Park and Mr. and Mrs. Robert Morath of Wichita Falls. The great-grandparents are Mr. and Mrs. W.A. Morath of Scotland, Mrs. Frank Veitenheimer of Windthorst, Mr. and Mrs. John Grissom of Noble, Okla. and Mrs. Hazel Luse of Calif.

Mr. and Mrs. Gary Steger of Aurora, Colorado announce the birth of a daughter, Gina Sheryl, Oct. 2. She weighed seven pounds and five ounces. She has a brother, Gregory Scott, six years of age.

Grandparents are Mr. and Mrs. Bill Steger of Iowa Park and Mrs. Juanita Tucker of Commerce. The great-grandmothers are Mrs. R.L. Steger of Oklahoma City and Mrs. Lavona Hartness of Iowa Park.

The American Bible Society conducted an interesting experiment in Chicago. They targeted a five-block area in the district with the highest crime rate in the city and flooded it with 7,000 copies of the Gospel of John. They included an invitation for anyone who wanted more reading material to send for a copy of the entire New Testament. They received 200 requests. The district police captain reported that crime rate dropped drastically in one month's time. The same experiment was then conducted in another area with a high crime rate with similar results.

Does the Bible really make a difference? The bitterness, animosity, tensions, and wars between men and nations come from the discontent and restlessness in human hearts. The Bible asks, "What causes wars, and what causes fightings among you?" The answers, "It is not your passions that are at war in your members?" "You desire and do not have; so you kill. And you covet and cannot obtain; so you fight and wage war" James 4:12. The root cause of man's inner turmoil is sin - his rebellion against God. And when a person is not at peace with God he cannot be at peace with himself or his fellowmen. Isaiah 57:20,21.

"For I am not ashamed of

the gospel; it is the power of God for salvation to every one who has faith. . . For in it the righteousness of God is revealed through faith for faith; as it is written, 'He who through faith is righteous shall live' Romans 1:15-17. The Bible is powerful, dynamic. The power of Rome could rule the world. But only the power of the gospel can change and save the world. The Word of God is at work in believers. I Thess. 2:13. In other words this power - the mightiest power on earth - can do nothing for a person, in a person, or through a person until he believes. Hebrews 5:8,9. The faith in God created in the heart through the Bible can so completely change the life of the person who believes that it can only be described by saying, "the old has passed away, behold, the new has come" II Cor. 5:17.

The question we want answered about any product is, "Does it work?" The Bible works. Wherever it has gone it has made people peaceful, loving, compassionate, and happy. What it has done for others, it can do for you.

Night WMU in meeting
The Night WMU of First Baptist Church met Monday in the home of Mrs. Homer Blalock. Mrs. Wm. Nunn directed the program taken from the Royal Service publication on "Looking Back from 1999 on Goals Set in 1979." She used charts to focus attention upon the goals set by the Home Mission and Foreign Mission Boards in 1979 to attain by the end of the century. Assisting with the presentation were Mmes. V.I. Woodfin, C.L. McKinnon and E.T. Patterson. Mrs. Bill Curry was in charge of the missionary birthday calendar period. Thirteen members were in attendance.

Girls' groups leaders needed
The Girl Scouts and Brownies have resumed meetings for the year and meet each Tuesday afternoon. Mrs. Michael Brown is the service unit director. She said this week that a number of girls were interested in joining and that leaders were needed to enable them to become members. Mrs. Burl McCormick is leader of Brownie Troop 32 which has 15 girls. Mrs. Harold Silvers and Mrs. John Church are assistant leaders. Brownie Troop 37 has 12 members. Mrs. Johnson and Mrs. Smith. Mrs. Steve Ming is leader of Junior Girl Scout Troop 29 which has 19 girls in it. The assistant leaders are Mrs. George Jones and Mrs. Dave Peak. Each troop rode on a float in the homecoming parade and is making plans for a Do-It-Yourself outing. Mrs. Brown requests anyone interested in leading one of the troops to call her at 592-5564.

REMEMBERING...

By BILL D. BROOKS

The Haunted House
Mother used to travel once a month to different churches outside our community to what were called worker's conferences and we usually got to go along.
At one such meeting we were standing around the church yard wondering what to do when a local boy came up and asked if we wanted to have some fun. "Sure!" we said. He told us of a big house at the edge of town that everyone said was haunted. He had never been in it but he would like to if we weren't scared and wanted to go in with him. "We ain't a sceeerd, 'sides, we don't believe in ghosts anyhow."
Shortly we were standing in front of the old house, breathing heavily from our run, not at all sure of our previous statement. It was a two story house, dark and unpainted. The windows were boarded up and the doors had big rusted padlocks. The yard was

overgrown with weeds and littered with rubbish. We glanced around to see if anyone was watching, then bravely went up to one of the windows to peek inside. There was a musty smell as we neared the house like old rags or a cellar. The boy we were with said the smell could be dead bodies under the floor.
Through a crack between the boards on the window we could see the front room. Our view was hazy because we were looking through a thick, dusty spider web but we could make out a stairway and a few pieces of old furniture. The boy said he was pretty sure we could get into the house through a loose board by the back door. That's how a friend of his, who was being initiated into a secret club, had gotten in. On the way around the house he told us how the owner had been murdered there several years before and that no one would ever live in the house

after that. Lots of folks in the community had heard screams coming from the house on dark nights and a light sometimes glowed from the upstairs window, the only one not boarded up. He told us that many people had seen huge bats flying out of holes in the roof.
In the driveway by the side of the house the ground was staturated with oil but upon inspection our friend said it looked more like blood stains to him, probably human blood. A cloud covered the sun about that time and the old house turned dark and more forbidding. We came to

the loose board he had spoken of. He said, "Are you guys ready?" My brother said he didn't believe he could get through such a small hole. I said I could but I had my best Sunday clothes on and Mother wouldn't like it if I got 'em dirty. "We better be gettin' back anyhow 'cause it's just a few hours before time to go home."
The boy called us chickens and said he would just have to go in by himself. But as we stood there he suddenly remembered he was supposed to meet a friend to play baseball.

HAUNTED HOUSE

As I See It....

I think I have the answer to the confusion which led to the early start of the second half of Friday night's ball game...which blotted out the announcing of names of the 1969 football players who were being introduced.
It was a small stack of papers. Some folks were pretty upset when they couldn't hear announcer Robert Wilcox as he announced the men's names as they walked on the track in front of the stands. They felt that since the men had gotten together for the first time since high school, many of them traveling several miles, due recognition should have been given.
Well, it was nothing more than a comedy of errors. No one was really at fault.
Sometime during the halftime, some papers...programs or something, had been set atop the instrument box of the public address equipment in the speaker's room. Heat inside the box is normally vented through holes in the top. The papers prevented the heat from escaping, and there was a reaction on the equipment.
When Wilcox first attempted to speak, to announce the players, he couldn't be heard. The sound improved as the equipment cooled off.
Prior to the game, both coaches of the teams had agreed to allow an additional five minutes for the halftime in order to give recognition to the team of '69.
Coach Tommy Watkins explained that he thought it was all over. "We stuck our heads out the door of the field house and couldn't hear the band playing or the announcer, so we thought it was all over," said Tommy.

So the team hit the field just after Lee Dawson, first to be introduced, was announced. The Hawk band started playing the fight song, as it always does when the team appears.
Both teams went onto the field and lined up, as the officials had indicated. And the kickoff of the second half was signaled.
It was to Watkins' surprise, because he was over on the track, shaking hands with his former athletes. He didn't even know the game had started himself.
It was a shame. Our townspeople really were geared up to give a roaring welcome to their one-time heroes.
And well they deserved it. That 1969 club gave Iowa Park its first state football championship.
They were something else. How many teams do you know that go through a 15-game schedule and amass 638 points while holding their opponents to only 112.

The initial game of the season was the omen. They hammered Burk-burnett, then a AAA club, 44-7. They also edged Hirschi, also AAA, 21-14 in a game that was so exciting a Hirschi fan died of a heart attack at the end of the game, sitting in the stands.
First district game was against Wellington, a 68-6 routing. Worst score was with Memphis, 80-8. They shellacked Dalhart in the bi-district game 61-16, took Floydada 35-6 for the regional crown, edged Reagan County 14-7 in the quarter finals, shut out Jacksboro in the semi-finals 21-0, and then whipped up on Klein 31-14 for the state crown.
That team is the reason we have the beautiful football stadium we now have. It was pretty well built by and for them.
Like I said, it was great to see the former Hawks. I'm glad everyone got to see them, either in the parade or at the game. I'm just sorry you couldn't hear their names.

Worth Quoting

How would we survive without the Department of Energy? This bureau spends as much as all the major oil companies make in profits, but has yet to produce any energy.
We noted in the mail the other day an excerpt from form CLC9004A instructing service station operators how much to charge for gasoline: "If the amount shown on Line 8 is greater than the amount on Line 1, then multiply the difference by the unit cost shown on Line 5. If the amount on Line 8 is less than the amount shown on Line 1, then go back to each succeeding delivery prior to the delivery used in computing Line 6 and add these deliveries to the amount shown on Line 6 until the total number of gallons delivered equals or exceeds the amount on Line 1. Additionally add to Line 7 the total costs associated with these deliveries. If Line 8 now exceeds Line 1, then multiply the difference by the unit cost of the earliest delivery used to adjust Line 6."
This sounds very simple, if you are a bureaucrat working for the Department of Energy. If you are a

service station operator trying to figure out what the devil the government means by this gobbly-gook, then it is not so simple.
Comptroller Bob Bullock has embarked upon a public relations campaign designed to win sympathy for the underpaid state employees. He says that the average state employee makes only \$936 a month and this qualifies most of them for welfare and food stamps. By our calculations, a monthly salary of \$936 figures out to \$216 a week and if Bullock is looking for sympathy from the small newspaper people of Texas he can look elsewhere because \$216 a week is a pretty good wage in this business. Of course some people make a lot more, but we find it hard to look upon a wage like this as on the poverty line.
After all, \$216 a week translates to \$5.40 per hour and there are plenty of people in Perryton who make less and

work harder than state employees.
And they don't get their Social Security paid for by the state, they don't have a fat retirement program paid for by the state, they are apt to pay their own hospital insurance. And they don't get the paid vacation time and the paid holidays such as the Lyndon B. Johnson Birthday, enjoyed by state employees. If state employees making \$936 a month are poverty stricken, what does that make the other wage earners of Texas?
HAROLD HUDSON

Family fetes David Bradys

Mr. and Mrs. David A. Brady, 108 Hope, were honored at an informal party and family dinner Tuesday evening in observance of their 25th wedding anniversary.

Mr. and Mrs. Leo Brady of Burkburnett were hosts. They were given a trip to Las Vegas, Nev. as a gift from family members.

A white sheet cake decorated with white roses and silver leaves was served

from a table covered with a white embroidered cloth, appointed with silver and white accessories. A crystal vase, filled with pink roses, served as the centerpiece.

Two special out-of-town guests were Susan Brown of Ann Arbor, Mich., and Cheryl Stalder of Kansas City, Mo. Twenty-five family members and friends, attended.

TOPS meets

Thirteen members weighed in and Mrs. Hoyett Baker was welcomed as a new member at the TOPS Club low calorie salad supper Monday.

Mrs. Don Wynn and Mrs. Allen Little won the KOPS and TOPS Queen honors, respectively.

Mrs. J.C. Helms reported that the flea market the club had at the Whoop-Do was successful and profitable. Secret pals were revealed and gifts exchanged.

ABOUT TOWN

Tuesday's program at the Noon Lions Club meeting was provided by Mike Isbell, of the Soil and Water Conservation District.

Garden Club makes float

Twelve members of the Iowa Park Garden Club met Friday morning at the home of Mrs. W.A. George to decorate the float for the homecoming parade that afternoon.

Plans were made for Dutch George to drive his 1930 Model A car in front of a float where 20 players on the 1969 state championship team, rode. They were easily identified with two large signs on the float, one reading "Here Come the Champs" and the other "State Champs of 1969."

Obituaries

Robert Lee Howell

Funeral services were held September 22 in the First Baptist Church in Hattisburg, Miss. for Robert Lee Howell, 74, who drowned Sept. 11 at Mississippi Gulf outlet when a barge sank during the Frederic hurricane. His body was not recovered until a week later.

Dr. Brooks H. Wester, pastor, officiated and burial was in Roseland Park Cemetery.

A native of Comanche County, Texas, he was employed as a petroleum drilling consultant for Dabney Engineering Service. He was a member of the Baptist Church.

Survivors include his wife, Marguerite; two sons, Robert of Houston and Keith of Birmingham, Ala.; four brothers, Charles of Odessa, L.A. and Fred of Neches and Virgil of Denton; four sisters, Mrs. H.L. Payton of Iowa Park, Mrs. Mable Duval of Houston, Mrs. R.C. Lister of Fort Stockton and Mrs. A.L. Ramsey of Wichita Falls; and four grandchildren.

Larry Wayne Seale

Services for Larry Wayne Seale, 37, who died Monday in Chickasha, Okla., were Wednesday afternoon at Owens and Brumley Funeral Home. The Rev. Jim Andrus, Baptist minister, officiated. Burial was in Crestview Memorial Park.

Born July 5, 1942, in Wichita Falls, Seale was a truck driver for A.J. Little Trucking Co. He was a graduate of Holliday High School, a former employee of the Wichita Falls Police Department and a member of the Church of Christ.

Survivors include two daughters, Deborah and Pamela of Wichita Falls; his father, Lee W. of Electra; a sister, Mrs. Peggy Peterson of Electra; three brothers, Raymond of Bridgeport, Durward Lee of Midlothian and Billy J. of Jal, N.M.

Mrs. Minnie Conner

Services for Mrs. Minnie Conner, 75, who had lived in Iowa Park five years, were Wednesday afternoon in Elliott-Hamil Funeral Home in Abilene.

The Rev. Frank Griffith, pastor of the Grave Baptist Church, officiated and burial was in Cedar Hill Cemetery.

Mrs. Conner died Monday and Tanner-Aulds Funeral Home was in charge of local arrangements.

She was born Sept. 13, 1904, in Ellis County, and had lived in Abilene for 25 years before moving to this area. She lived in Wichita Falls one year before she moved to Iowa Park. She was a former public

school teacher and a member of the Baptist Church.

Survivors include two sons, James of Iowa Park and Jerry of Hamlin; three daughters, Mrs. Jimmie Southall of Denver, Colo., Mrs. Joy Moore of Lancaster and Mrs. Janis Johnson of Altus, Okla.; one brother, Angus Jarvin of Midland; one sister, Mrs. Stella Jones of Phoenix, Ariz.; 12 grandchildren and 10 great-grandchildren.

Mrs. Abbie Perkins

Services for Mrs. Abbie Perkins, 74, who moved to Iowa Park six months ago, were Monday afternoon in Hillcrest Church of Christ in Gainesville. She died Friday in a Wichita Falls hospital.

Burial was in Fairview Cemetery in Gainesville under direction of Owens and Brumley Funeral Home in Wichita Falls.

Mrs. Perkins was born Jan. 29, 1905, in Stratford, Okla. She was a charter member of the Hillcrest Church of Christ in Gainesville and had lived in Pauls Valley, Okla. seven years before moving to Iowa Park.

She is survived by two daughters, Mrs. Barbara Smith of Wichita Falls and Mrs. Madelyn Robbins of Ada, Okla.; five sisters, Mrs. Forrest Boardman of Long Grove, Okla., Mrs. Luther Kimbrell of Pauls Valley, Mrs. Rube Perkins of Overton, Mrs. John Davis of California, and Mrs. Jack Thompson of Tempe, Ariz.; and three grandsons.

Charlie W. Wadsworth

Services for Charlie W. Wadsworth, 68, will be today at 2 p.m. at the First Baptist Church in Holliday with the Rev. Darius McKay, pastor of Trinity Baptist Church, officiating.

Burial will be in Holliday Cemetery under direction of Owens and Brumley Funeral Home.

Born Jan. 12, 1911 in Alba, he died Tuesday in a Wichita Falls hospital. He was a veteran of World War II and a retired oil field worker.

He is survived by his wife, Bonnie of the home; four daughters, Nancy Lovorn of Wichita Falls, Bertha Whiting, Robbie Toler and Lamesa Wadsworth, all of Holliday; two sons, Charles Jr. and Don, both of Holliday; a brother, Adrian of Blanco; two sisters, Mary Sneed of Odessa and Irene Draper of Lodi, Calif.; and 10 grandchildren.

20 singers to region

Iowa Park High School vocalists were well represented at the district choir tryouts held Saturday in Wichita Falls. Twenty qualified for regional tryouts.

Results of the tryouts are: First soprano - Jane Dickey, third chair; Joanni Jennings, sixth; Michelle Mueller, seventh.

Second soprano - Mari Lynn McIlroy, fourth chair. First alto - Kerri Edwards, fourth chair.

Second alto - Lorena Smith, first chair; Pamela Edwards, fourth; Carla Kent, seventh.

First tenor - Wendell Burnan, fourth chair; Jim Hodges, sixth; Robert Walker, seventh; Buddy Mercer, eighth.

Second tenor - Bryan Gibson, fourth chair; Matt Curry, tenth; Kevin Robnett, eleventh; Eric Birk, twelfth.

First bass - Scott Fowler,

first chair; Tim Adcock, twelfth.

Second bass - Ernie Soell, fifth chair; David Horsky, sixth.

Alternates - Jayna Evans, first soprano; Terri Raymond, Kay Hamilton, alto; Brian Dowell, tenor; Russell Shawver and Mike Ray, first bass.

NOTICE OF TAX INCREASE

The City of Iowa Park proposes to increase your property taxes by eight and seven-tenths (8.7) percent.

A public meeting to vote on the proposed increase will be held Monday, October 8, 1979 at 7:00 p.m. in Council Chambers in Iowa Park City Hall, 103 N. Wall, Iowa Park, Texas.

The City of Iowa Park City Commission has considered the proposal and voted in a meeting of the City Commission as follows:

FOR the proposal to Increase Taxes:

Johnny Crawford, Mayor
Lita Watson, Commissioner
Lita Watson, Alderman
Johnny Lee, Alderman
Bud Adams, Alderman
George Hammonds, Alderman
Billy Gilmore, Alderman

AGAINST the proposal to Increase Taxes:

None

PUBLIC NOTICE

The Iowa Park City Council has published the accompanying Notice of Tax Increase to Comply with Article 7244c, Civil Statutes of the State of Texas

IT DOES NOT, HOWEVER, REPRESENT A TAX INCREASE, BUT RATHER AN INCREASE IN THE TAX RATE PRODUCED IN THE STATE REQUIRED FORMULA PROVIDED FOR IN ARTICLE 7244c.

The Truth in Taxation Tax laws of 1977 require that tax offices annually publish a calculated rate to reflect the tax rate required to collect the same revenue within three percent (3%) that was collected the prior year.

The increase noted in the accompanying notice does not represent an increase in the actual tax rate set by your City Council but reflects only the increase in Valuation set by the Board of Equalization.

The Tax Rate set by the City of Iowa Park in 1978 was \$1.75 and it is anticipated that the 1979 tax rate will remain at \$1.75.

The rate of increase in the accompanying notice is an average only; individual changes may be more or less depending on the property involved.

**Hawks blitz
Tigers 35-0**

The Iowa Park Hawks wound up their non-conference schedule in fine fashion Friday night, defeating long-time rival Jacksboro 35-0 to the delight of a capacity homecoming crowd that included many of the 1969 state championship team.

The Hawks scored in all four quarters, completely dominating the visiting Tigers both offensively and defensively.

Workhorse Troy Thompson, who carried the ball 27 times, but never got the ball in the final stanza, was the leading ground gainer with 120 yards. He scored one of the touchdowns.

Junior fullback Mike Ray was close on his heels, amassing 119 yards though having his number called only 11 times. He scored twice, including a 27-yarder the first time he got his hands on the ball.

Alternate tailback James Spears almost reached the century yardage mark, carrying 20 times for 95 yards, and a touchdown.

The other Mean Green score was a three-yarder pass from Jeff Crenshaw to Robert Brown, who caught two other passes during the evening and also had an interception to his credit.

So dominating were the Hawk defenders, Jacksboro, 2-1 on the season, was forced to punt six times during the game, and get but 37 plays off from scrimmage. The Hawks had 71 running plays and 12 passes.

Hawk Stadium was all but completely full on the home side, as fans turned out for the homecoming game. The '69 championship team was the honored guest of the event, and they saw something of what they used to give the fans...a big score.

Spears lit up the scoreboard first, on a three-yard sprint over right end to cap a 52-yard drive. The play came with only four seconds remaining in the first quarter. Ron Taylor's kick for extra point was wide right.

The Hawks needed only three plays to score on their next possession.

Starting from the Tiger 48 yard line, Thompson was held for no gain, and then Curtis Martin lofted a pass to Brown, who cradled it to his chest with a spectacular one-handed catch, covering 21 yards.

Ray broke a tackle at the 19 yard line, and romped the rest of the distance untouched for his first TD. Martin, who connected on four of six aerials during the evening, hit big tight end Ronnie Reusch for the two-point conversion.

Iowa Park scored on its sixth play. Martin pass to the ball to the three yard line. Ray blasted over right

TAILBACK TROY THOMPSON FLIES THROUGH THE AIR
...senior Hawk gained 120 yards against Jacksboro.

kick, with 5:02 remaining in the half, made the score 21-0.

The third-quarter touchdown was highlighted by three big plays: Thompson's 16-yard run; Martin's pass for 16 yards to Brown; and a 21-yard Martin pass to the ball to the three yard line.

Ray blasted over right

guard the remaining distance on the next play, and Taylor's kick made the score 28-0.

Only one second remained on the scoreboard clock when reserved quarterback Jeff Crenshaw hit Brown on their three-yard scoring drive again good.

A Crenshaw pass, 30 yards to Reusch, was the

major play of the 72-yard scoring drive.

Holliday 7, Seymour 15 Penstripes+yellow flags=heartbreak

After overcoming such obstacles as fumbles, interceptions, timing, and mental errors earlier in the season, the Holliday Eagles found a more potent one in yellow flags thrown by the men in pinstripes as they dropped another heartbreaker to Seymour Friday night, 15-7.

strange things began to occur. James Porter took the ball on the first play to within inches of the goal line. Then, flag number one was tossed. Five yards were marked off against the Eagles for offsides. Now facing first and seven, Ray Looney took the ball around the left side, using a second effort to push the ball past the goal line. The referees marked the ball inches away from the line, saying his knee touched the ground before he broke the plane of the goal.

With second and one, Porter lost two, only to have Looney gain it back, giving the Eagles a fourth and goal at the one. Jim Ezzell bulled over for another apparent touchdown. This time flag number two comes into play, charging the Eagles with another offsides infraction. Holliday, doubtlessly frustrated, now faced a fourth and goal at the six. Quarterback Gregg Graves found Kent Lemons between two Panther defenders in the endzone, but his pass fell harmlessly to the turf as

Lemons was pushed by a Panther defender before the ball reached him. Nevertheless, the referees claimed the defender was going for the ball, and the Eagles came up empty-handed. The Big Red defense took its frustrations out on Seymour's offense, especially on the Panther's stellar running back, Willie Beamon. Every time Beamon handled the ball during the first half, he was met either behind the line of scrimmage or at the line by a pack of rampaging Eagle defenders. If statistics mean anything,

Beamon was held to minus-eight yards for the first half. He finished the evening with just 45 yards, including a third quarter touchdown jaunt of 46 yards. So, other than the TD run, Beamon was held to minus-one yards in 17 carries for the evening. The Eagle offense gained a good amount of respect before a packed house of homecoming fans, as they rushed for 239 yards in the game, compared to Seymour's 86. Porter had another fine evening, handling the ball 22 times for 95 yards. Ezzell punished Panther defenders with his no-nonsense running style as he rushed for 78 yards in 11 tries. Looney rushed 13 times for 40 yards, Chase three times for 20, with the rest picked up by Graves and Kyle Stone. The Eagles attempted eight passes, completing one with one interception.

Holliday recorded 11 first downs to Seymour's five. Ironically, Holliday had completely dominated the entire game until the waning seconds, with the Eagle offense on the field almost two-thirds of the time. Major penalties played a major role in keeping either team from scoring in the first half, as they took to the fieldhouse at halftime dead-locked, 0-0. Coach Don Lucy obviously had his team's mind on more than the men in black and white at the start of the second half, as the Eagles jelled together for a picture-perfect drive of 57 yards for the first touchdown of the evening after receiving the opening kick-

off. The scoring drive took only four plays, with big runs by Ezzell and Porter. Porter ran the ball three yards on the initial play from scrimmage. Then, Ezzell (the chisel) dissected the Panther defense, running the ball down to the Panther 23. A personal foul called on Seymour put the ball at the 12 yard line, where Porter used his gifted running style, first starting to the right sideline, then cutting against the grain, racing the remaining distance untouched. The extra point by Joe Collier was true, and the Eagles led, 7-0, with 11:04 left in the third quarter. The remainder of the third quarter showed some fine defensive play by both teams, as neither could gain much of an advantage.

Ezell lost his grip on the ball, and the Panthers recovered. At this time, the referees apparently became trigger-happy again, throwing flags left and right. Supposedly two or three misdeeds on the Eagles were cited by the officials, and after first counting off 15 yards, then backing up to the line of scrimmage, marking off five yards in Seymour's direction, realizing their mistake, then taking it back 15 yards in Seymour's favor where play finally resumed. The Eagles and Panthers traded the ball back and forth with neither able to sustain a consistent drive. With over two minutes to play in the game, Seymour punted the ball 33 yards to the Eagle five, where Holliday now faced first and 95 yards in order to win. Holliday attempted three passes, missing on each try. Facing fourth and 10 with their backs against the wall, the Eagles attempted a fake

JV unbeaten

The Holliday junior varsity remained unbeaten by defeating the Jacksboro junior varsity 32-8, while the junior high teams went down in defeat against their opponents from Jacksboro in games played last week.

Dyer scored three times, once on a 60-yard run. The Holliday junior high teams didn't fare so well, as the 8th grade lost to Jacksboro 48-8. The 7th grade also lost to Jacksboro 12-6.

EAGLE RUNNINGBACK James Porter picks up good yardage Friday against Seymour behind the blocking of Gregg Graves [11] and Lindy Dolberry [80].

Eagles look to Chico for conference opener

The Holliday Eagles, fresh off a disappointing preseason, record-wise, will attempt to improve in that area as they travel tomorrow night to Chico for their 1979 debut in District 13-A competition.

Although the Eagles have not fared well in the won-loss column so far, head coach Don Lucy is far from counting the Big Red out of the district race.

"These boys are playing better and better each game," commented Lucy. "We even played Seymour better than we did Henrietta," Lucy added.

The Eagles did in fact play better last Friday night, and the progress they are making is quite noticeable.

The offense, although not gaining as many yards against the Panthers as they have in previous weeks, showed good execution in the running plays, and the defense is looking more and more awesome each week.

Chico, after finishing last year without a win, looks as if they are on the same track this year, after finishing preseason without a win. They have faced three Class B teams thus far, and bowed to Class A Muenster in their

season opener. Chico has 10 returning lettermen, including six offensive and four defensive starters. Most of those returning are linemen, and the Eagles will face a totally new backfield this year.

Although Chico's record is 0-4 in preseason, Coach Lucy isn't taking them lightly. "Our record is 1-3," Lucy remarked.

But Friday night the Eagles will face, for the first time this year, an opponent in the same classification as their own. It should prove interesting. Game time is 8 p.m.

1979 FOOTBALL QUEEN, crowned during festivities prior to the game Friday, is Lonnita Moore, daughter of Mr. and Mrs. Lonnie Moore. She is escorted by Jody Collier. Miss Moore was also named Miss Roundup during festivities Saturday night.

ELLEN PARKER, daughter of Mr. and Mrs. Mike Parker, was crowned 1979 Holliday Band Queen at halftime of Friday night's homecoming game. Miss Parker is escorted by Doug Peters.

HIGHLIGHTS of Saturday's Roundup festivities was the barbecue dinner served to the public on the high school football field, where attendance for the feed and the carnival looked to be well near 500.

City, school meet Monday

Both Holliday city council and school board will hold their regular meeting Monday night.

The city aldermen will meet at 7 p.m. at the city hall, with the school board meeting at 7:30.

On the city council agenda according to city secretary Laverne Slatton, will be the final passage of the city waterworks and sewer system revenue bonds, discussion of the mobile home ordinance, clarification of the city's furnishing services to new home sites, as well as general business discussion.

School board members will discuss teacher and administration contracts in a closed session, then will hold an open meeting for discussion of a new fence to be built around the high school track, and the five-year plan A coop.

Thursday
Breakfast: Cinnamon toast, syrup, milk.
Lunch: Chili beans, spinach, whipped potatoes, dessert, milk, cornbread.

You may be food poisoning

By Barbara Cornelius
County Agent

When kids come home from school with the cramps, diarrhea, vomiting, fever - the tendency is to dismiss it as just "a bug that's going around." Or when you miss a couple of days work with the same symptoms, you figure you merely "caught something somewhere." But the bug you caught or that caught you - may well have been food poisoning. And you might have sent the bug to school or work in that innocent brown bag lunch.

The real key to packing a safe "brown bag" lunch is good sensible sanitation, personal hygiene, and sound food care. Following a few simple, easy precautions now will save you and your family a lot of grief later. First, cook food thoroughly. If it's meant to be hot, keep it hot. If it's meant to be cool, keep it cool. Bacteria thrive between 45° and 115° F. Keep utensils and

countertops used in preparing lunches clean. Wash them thoroughly with soap and hot water.

The same goes for your hands. If you have cuts or sores, use rubber gloves. Also, wash vacuum bottles and rinse in boiling water after each use. In short, keep hot foods hot, cold foods cold, and everything clean. Use tongs or a fork to place meat, poultry or cheese in the sandwich - not your fingers. Fingers spread bacteria.

The familiar vacuum bottle is a good way to keep certain kinds of food hot or cold. There are several other ways to keep food cold. Ideally, you should put your lunch in the refrigerator - if you have one. If not use a freezer gel device, or make one by cleaning out a plastic margarine tub, filling it with water and freezing it. Put it in the lunchbag to keep the lunch cold 'til you're ready to eat. Or you might try

freezing certain types of sandwiches, though you will experience some loss of quality.

Lunch boxes, especially insulated ones, hold the cold much better than paper bags.

Gulley-Ramirez wedding held Saturday evening

The home of the bride's parents, Mr. and Mrs. Kenneth T. Gulley, Lakeside City, was the scene of the wedding Saturday evening where Miss Susan Ann Gulley and Joseph John Ramirez exchanged nuptial vows. The bride is the granddaughter of Mrs. G.Y. Lofland of Iowa Park, and the groom is the son of Mr. and Mrs. Lou Ramirez of Scottsbluff, Neb.

MRS. JOSEPH JOHN RAMIREZ

The Rev. Johnnie Haney, Methodist minister, officiated the ceremony before the fireplace flanked by three-branched candelabra covered with greenery. The mantel was centered with a bouquet of large mums and spider mums in yellow and orange shades.

The bride carried a bouquet of white silk roses and baby's breath to complement her organza gown trimmed in Venice lace designed with a tiered skirt and train. Her illusion veil was held by a wide brim lace hat.

Mrs. Gary Higginbotham of Lubbock, sister of the bride, served as matron of honor. She wore a long beige skirt and print blouse with

County history author to visit

Jack Loftin, author of "Trails Through Archer", a history of Archer County, will be at Texas Electric in Holliday Monday at 8 p.m. to deliver the books that he has already sold and to sell them to anyone desiring them.

He will hold an autograph party at 3 p.m. Sunday at Archer County Courthouse. Loftin compiled the book with the cooperation of Archer County Historical Commission.

sheer jacket and carried silk and dried brown, orange and beige fall flowers with brown and rust ribbon streamers.

Lynn Coats of Holliday was best man and Gary Higginbotham was usher.

The bride's parents were hosts for the reception following the wedding. The refreshment table featured a bouquet of orange, rust and beige silk flowers, eucalyptus and baby's breath.

Assisting with the reception were Mmes. Olin Bridges, Michael Bridges, Clark McDaniel, Miss Gayle

Marah and Miss Surinda Higginbotham.

The bride was graduated from Holliday High School where she was salutatorian, cheerleader and played basketball. She is employed by Gulley Tire Co. The groom, who is employed by Lone Star Gas Co., served in Vietnam in the U.S. Marines. The couple will live in Wichita Falls.

Texas Electric TIPS help keep home electric bills down.

Saving energy - and energy dollars - in your home can be as simple as using energy wisely.

For example, make sure filters are kept clean in your furnace, air conditioner and clothes dryer. This ensures units are operating efficiently. And using less energy.

For additional savings on heating and cooling, keep drapes closed for

extra insulation on overcast winter days and hot summer days. But on sunny winter days, open them to let the warm sunshine in.

And, turn off ALL appliances when you're not using them. When you stop and think of the many ways you use electricity, you'll see what an energy saver this can be!

For more information - and a lot more tips - get the TIPS booklet from Texas Electric. Just call Texas Electric or ask for the booklet on the comments section of your next electric bill.

At Texas Electric, we're trying to help you keep your electric bill down.

"SAVING ME MONEY?"

HOW?"

Lone Star has the lowest
distribution costs of the
4 major gas utilities in Texas.*

We've done a better job of controlling our operating costs than any other major gas utility in Texas three years in a row: 1976-1977-1978. * And we plan to do it again in 1979, because it's one way we can save you money.

Lone Star's operating-distribution costs include wages and salaries, the leases on our offices and facilities, taxes, supplies, maintenance, repairs, depreciation on our equipment, and scores of other things.

Gas is naturally efficient, naturally economical. Our low distribution costs make it an even better value for you.

*TOWN PLANT EARNINGS STATEMENTS FILED WITH THE TEXAS RAILROAD COMMISSION, 1976-1977-1978, BASED ON OPERATING EXPENSES OF THE TOTAL DISTRIBUTION SYSTEM.

Gas. It's plentiful, efficient and right for the times.

One hundred thirty persons registered to participate in the first annual Whoop-T-Do marathon, sponsored by Boy Scout Troop 38 Saturday.

Participants were from Iowa Park, Burkburnett, Wichita Falls, Sheppard AFB, Lakeside City, Muenster, Vernon, Windthorst, Richardson, Fort Sill, Lubbock and Byers.

There were 52 entered in the special mile run, and 92 competed in the 10,000 meter classic.

Trophies were presented to the overall first, second and third place winners in the 10,000 meter race, and to the youngest and oldest to compete in the event.

Burkburnett's 1979 state Class AAA mile champion, Andrew Daniels, was the overall winner of the 10,000 meter classic. He ran the course in 34:02. Second place went to Wayne Chinsano, Ft. Sill, 35:13; third to Gerald Stuber, Wichita Falls, 35:50.

Oldest to compete was Richard Affannato of Wichita Falls, 47, and youngest was nine-year-old Chris Keilberg of the Wichita Falls Boys Club. Affannato ran the course in 47:43 and Keilberg in 46:35.

News

National 4-H Week is the focal point of the annual 4-H calendar, a time when members and leaders can look at the past with pride as well as look to the future with anticipation.

National 4-H Week this year will be observed Oct. 7-13, with the theme being "Expanding Horizons," points out Jackie Hopkins and Lance Hanson, county 4-H program coordinators with the Texas Agricultural Extension Service. The extension service is the parent organization of 4-H. Hopkins and Hanson explain the 4-H week theme this way:

4-H is expanding youths' horizons as they seek new knowledge, acquire life skills and build on personal strengths. 4-H inspires youth to stretch the limits of learn with others. 4-H challenges youth to set high goals and to achieve them. And 4-H strengthens citizenship and leadership abilities and encourages youth and their leaders to assume positive roles in a free democratic society.

By broadening oppor-

tunities for greater understanding and service to community, nation and world, 4-H is expanding horizons.

RAM QUARTERBACK
Jesse Kimbrough is the Mineral Wells man who has to be stopped, according to Hawk Coach Tommy Watkins. Kimbrough was the district sprint champion last spring, and has a rifle arm when he has to throw.
