**25 CENTS**

# Hawk title hopes on line tomorrow

When the Hawks travel to Burkburnett tomorrow night, they will not only be fighting to stay alive in the Dist. 4 AAA title race, but also to end a four-year domination by the Bulldogs.

Burkburnett, which shared the conference crown with Vernon last year and represented the district in the state playoffs, has already clinched a share of this year's title. With the Bulldog defeat of

Weatherford 14-9 last week, they advanced their district record to 4-0-1, and a loss tomorrow would give them no less than a share in the title.

Iowa Park carries a 2-1-1 loop record into the game. A win over Burkburnett in the Bulldogs' last game of the schedule, plus a win the following week over Vernon, would give the Hawks a share in the district championship, and the right to represent the district in the playoffs.

district games, while the Hawks rank third with 11 points.

Based on district games, Burkburnett holds a decided advantage over the Hawks in the turnover department. The Bulldogs have gained four more turnovers than they have given up, while the Hawks are just the opposite, turning over the ball four more times to their opponents than they've gained.

### HAWKS HEALTHY

The Hawks are well and healthy after a two-week layoff. The open date last Friday allowed the Hawks to heal from the usual bruises and twisted joints. Burkburnett, however, went through the season without an open date.

The layoff also allowed starting fullback Mike Ray to get back into condition after missing the Weatherford game with a blood disorder. Ray, who has gained 483 yards this season on 91 carries, figures to take a lot of Burk's attention off Troy Thompson, the district's leading rusher.

Thompson, thanks to his 260-yard performance against Weatherford, now has 940 yards for the season, 567 of which has come against district opponents, on 92 carries.

Hawk field general Curtis Martin stands second among district quarterbacks in the passing department. He has connected on 18 of 48 pass attempts for 266 yards. His leading receivers in 4-AAA competition have been Ron Taylor (4 for 50) and Randall Schram (4 for 37).

Iowa Park fans will be watching two Bulldogs in particular. One is quarterback Tom Darland and Shannon Combs. Darland is the son of principal Bill Darland, and the nephew of L.S. and Bobby Whitsand of Iowa Park. Combs is the son of Gerald Combs, an Iowa Park High graduate and former assistant coach here.

Since almost all the Hawks are returning from last year, their memories will be fresh of the 20-0 shutout. Some, like tackles Tommy Ross and Billy Maupin who were starters in 1977, remember the 35-0 blanking. And they are all aware of the records showing Burkburnett winning 30-14 in 1976, and 24-0 in 1975.

It was way back in 1974 that the Hawks defeated Burkburnett, one of their oldest rivalries, 34-8. They edged the 'Dogs the year before, also, 17-14. But the Burk club dominated 1972 and '71, winning 21-14 and 12-6, respectively.

Burkburnett holds a 4-6 edge over the Hawks over their last 10 meetings.

### EVEN MATCH

Friday's game pits the district's number one team in offense against the number one team in defense.

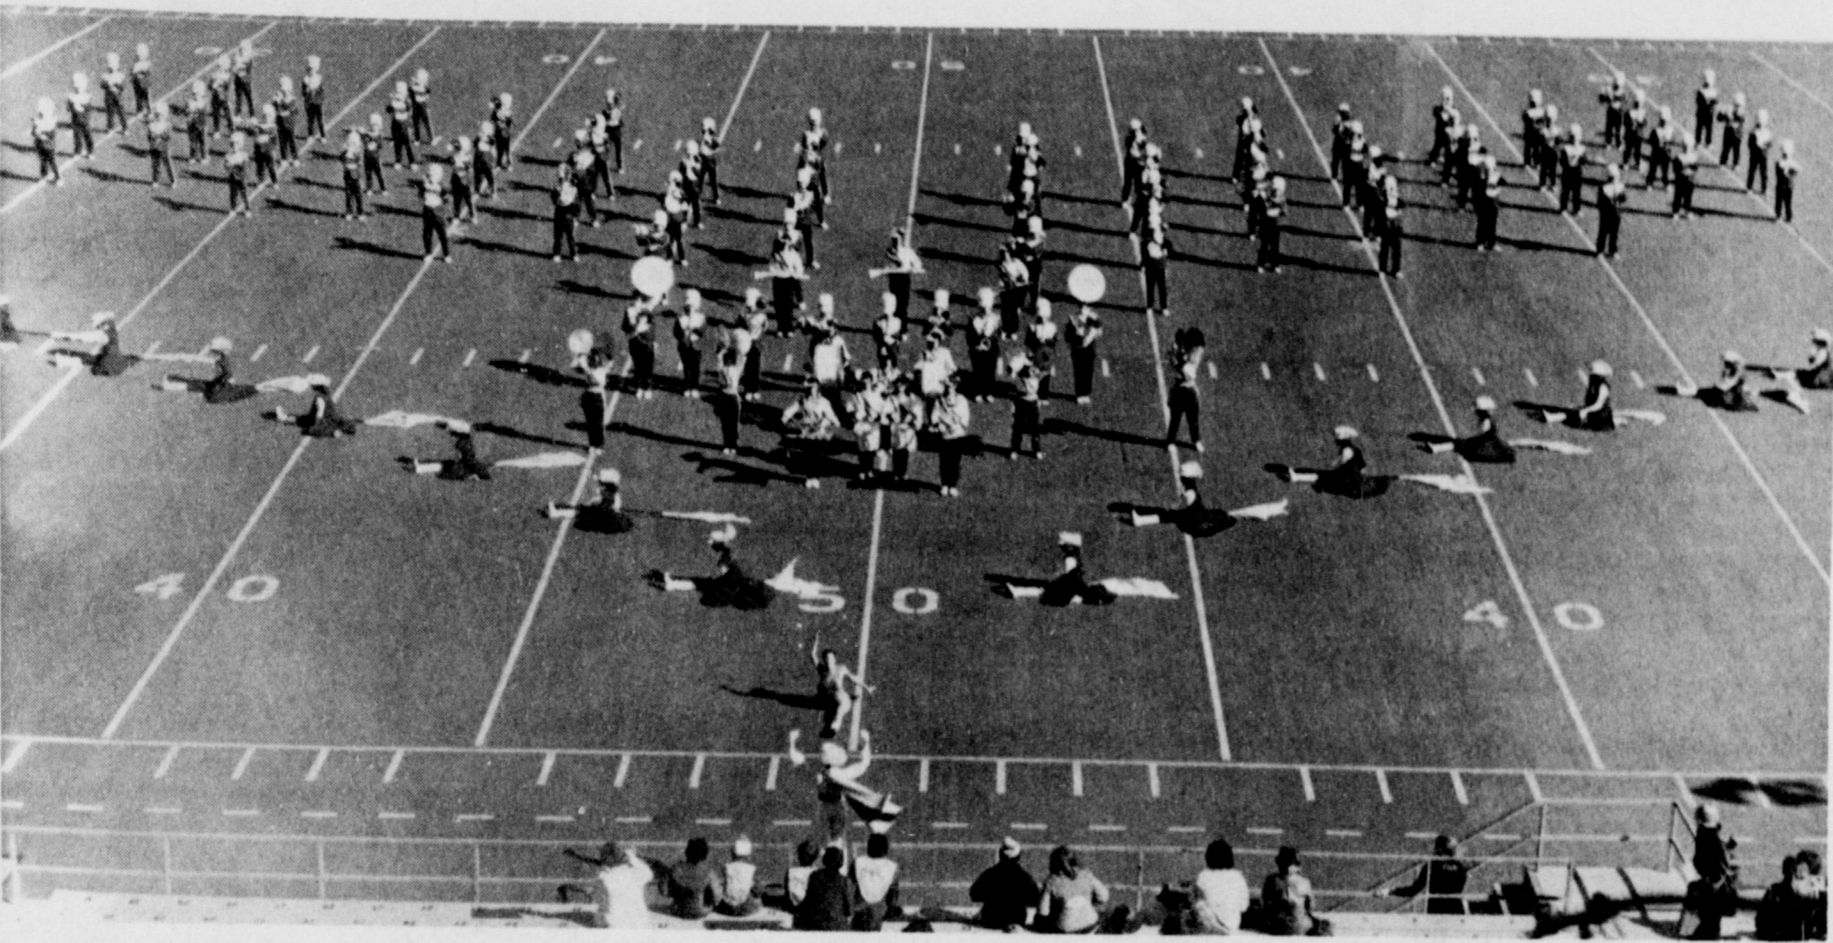

Iowa Park leads all district teams in total offense, averaging 315 yards per contest. Burkburnett ranks fourth with 242 yards.

Burkburnett holds the best defensive record, allowing an average of 153 yards total offense by district opponents. But the Hawks are second in that category, with 190.

The Hawks are second in team rushing, 248 yards, just three behind Mineral Wells. But Iowa Park leads in passing offense with 66.5 yards per outing. Burkburnett is fourth in rushing, 166, and the same in passing, 51.

Defending against the rush, Burk leads all district teams by allowing only 103 yards per game. Iowa Park is allowing 147. Against the pass, Iowa Park is tops, allowing 36 yards, while Burk again is fourth, allowing 50 yards.

The Hawks lead district teams in scoring with an average of 21.5 points per game, and Burk is fourth with 13.2 points. Burk has allowed an average of only 3 points in its five

1979 MEAN GREEN MARCHING MACHINE

## Iowa Park bands rated 'superior'

Both Iowa Park bands earned Division I ratings in the University Interscholastic League marching contest held Tuesday in Wichita Falls Memorial Stadium.

The Iowa Park High School band

was one of five AAA bands earning the top rating.

Some of the judges' comments included: "Good show!"; "Beautiful sound!"; "Fine flag work. Interesting visual effect for percussion feature";

Only one other band beside the Iowa Park Junior High group was given a Division I rating.

Some of the judges' comments were: "In general, good attention to basics"; "General appearance and discipline excellent"; "Band you do many things well. Keep working";

"A performance such as you did today takes dedicated students and pride - Congratulations"; "General appearance and discipline - Super!"; "Congratulations to a fine band that shows a lot of good hard work"; and "Good drum section and feature."

"Good sound!"; "Nice drills!"; "Flags and twirlers do a good job of complimenting the band!"; "Good job! Enjoyed your group!";

This is the first year the Hawk Band has been under the direction of Greg Miller, who said, "This was probably the finest performance from the band all year long." Mark Cartwright is director of the junior high band.

Judges for the contest were Billy Harrell of San Antonio, Bill Goodson of Greenville, Dick Whitten of Lubbock, Sharon Arber of Arlington and Diana Millsap of Dallas.

## Local store burglarized

Iowa Park Police Department personnel are investigating a burglary of JRB Supermarket.

Burglars took approximately \$80 in change and did considerable amount of vandalism to merchandise some time Saturday night, according to officers. Entry was gained through metal doors on the west side of the building.

Two thefts were reported yesterday morning at 322 S. Bond, where Mrs. Wanda Beavers said a citizen

band radio valued at \$64 was taken from a pickup, and from an automobile a CB radio and seven tapes, valued at \$171.

Police reported an automobile taken last week from Deryl James' Garage was recovered Wednesday of last week. Found abandoned on Peterson Road, some \$4,000 worth of tools from the garage had been removed and as yet are not recovered.

## New homes boost total

Two new homes and five mobile homes helped boost the October building permits to \$157,650.

The month's total raised the year's sum above the million dollar mark.

Permits for the year now total \$1,098,052, as compared to \$1,520,455 for the same period in 1978.

Permits issued during October included:

IPHS Building Trades, new residence, \$36,000;

A.J. Wood, 1029 Foley, new residence, \$28,000;

Jimmy Kasperek, 511 E. Ruby, mobile home, \$23,000;

George Smith, 1610 Karen, addition, \$6,000;

Benny F. Holloway, 905 E. Pasadena, addition, \$300;

Andy Arrington, 620 W. Louisa, addition, \$500;

Andy Arrington, 620 W. Louisa, mobile home, \$10,000;

Wally West, 616 W. Washington, mobile home, \$16,000;

Charles Hensley, 806 E. Pasadena, addition, \$450;

Keith Dyer, 1307 Emma, addition, \$400;

Tip Martin, 608 E. Pasadena, addition, \$150;

Paul E. Miller, Bogan Acres, mobile home, \$1,200;

Delbert Sigafus, 405 S. Victoria, addition, \$1,000;

Mark Bottles, 411 W. Poe, addition, \$750;

Mel DeMoss, 406 S. Hawthorne, mobile home, \$33,000;

Andy Arrington, 620 W. Louisa, addition, \$500;

Gale Whitaker, 523 W. Magnolia, addition, \$400.

## Local voters are divided

The four election polls in the Iowa Park district went pretty well along with the rest of the county in approving the three state constitution amendments. One of the issues, however, apparently had failed on the state level.

On the first proposal, changing the terms of notaries public, voting was: Pct. 32, 55-43; Pct. 33, 19-18; Pct. 34, 12-5; Pct. 60, 13-4; County, 1306-622.

Amendment two, providing for legislative review of rule-making of state agencies: Pct. 32, 46-50; Pct. 33, 19-18; Pct. 34, 9-8; Pct. 60, 11-5; County, 1079-85.

On the proposal to use state funds to guarantee loans for purchase of farm and ranch land: Pct. 32, 45-53; Pct. 33, 16-21; Pct. 34, 16-1; Pct. 60, 12-4; County, 1157-778.

Early indications were that the second issue had failed on the state level.

Local voting, as over county and state, was very light.

## City, school meetings scheduled next week

While the city council's agenda for Monday night appears heavy, due to holding only one meeting in October, the school board list of subjects appears to be unusually light.

Three resolutions are proposed for council action, when the meeting is begun at 7 p.m. in council chambers. Each is to authorize the mayor to sign agreements with the Evening Lions Club, to lease the building to be used by the Friendly Door; to lease property owned by Deryl James on West Highway, possibly for use as a library building; and to lease land on South Park to Billy James.

Also to be proposed will be permission to advertise for bids for a new police car, two compact pickups and a one-ton truck. Bids are to be opened for purchase of traffic signs.

Aldermen are slated to discuss

insurance benefits for employees, also.

Following the regular council meeting, council members will convene as the city's board of adjustments to hear two proposals for variances.

One request is from Charley Heacox, who wants to build a garage beyond the required setback line at his 1132 W. Louisa home. The other request is for a variance of minimum lot size for homes in block 102 of the original townsite.

### SCHOOL BOARD

Personnel changes, naming of a textbook committee, discussion of insurance for personnel and reports from the elementary campus principals are the major topics on the school board agenda.

The meeting is scheduled to begin at 7:30 p.m. Tuesday.

## Bloodmobile here Monday

The American Red Cross Blood Services, Red River Region will be in Iowa Park Monday for the regular bloodmobile.

Blood services chairman, Glenda Hall, of Epsilon Sigma Alpha, the sponsoring organization, has announced the bloodmobile which will be set up at the First Christian Church from 1 to 6 p.m., with the goal set at 75 units of blood.

The Red River Region provides blood for residents of 28 counties in North Texas and Southern Oklahoma.

Regular deliveries are made to the 41 regional hospitals on a once or twice a week basis. Whenever there is a need for more blood than is at the hospitals, a call is made to the Blood center in Wichita Falls. If the need is for surgery or on a non-emergency basis, the blood might be sent to the hospital by bus. However, if there is an emergency and the blood is needed quickly, drivers from the Blood Center make the delivery.

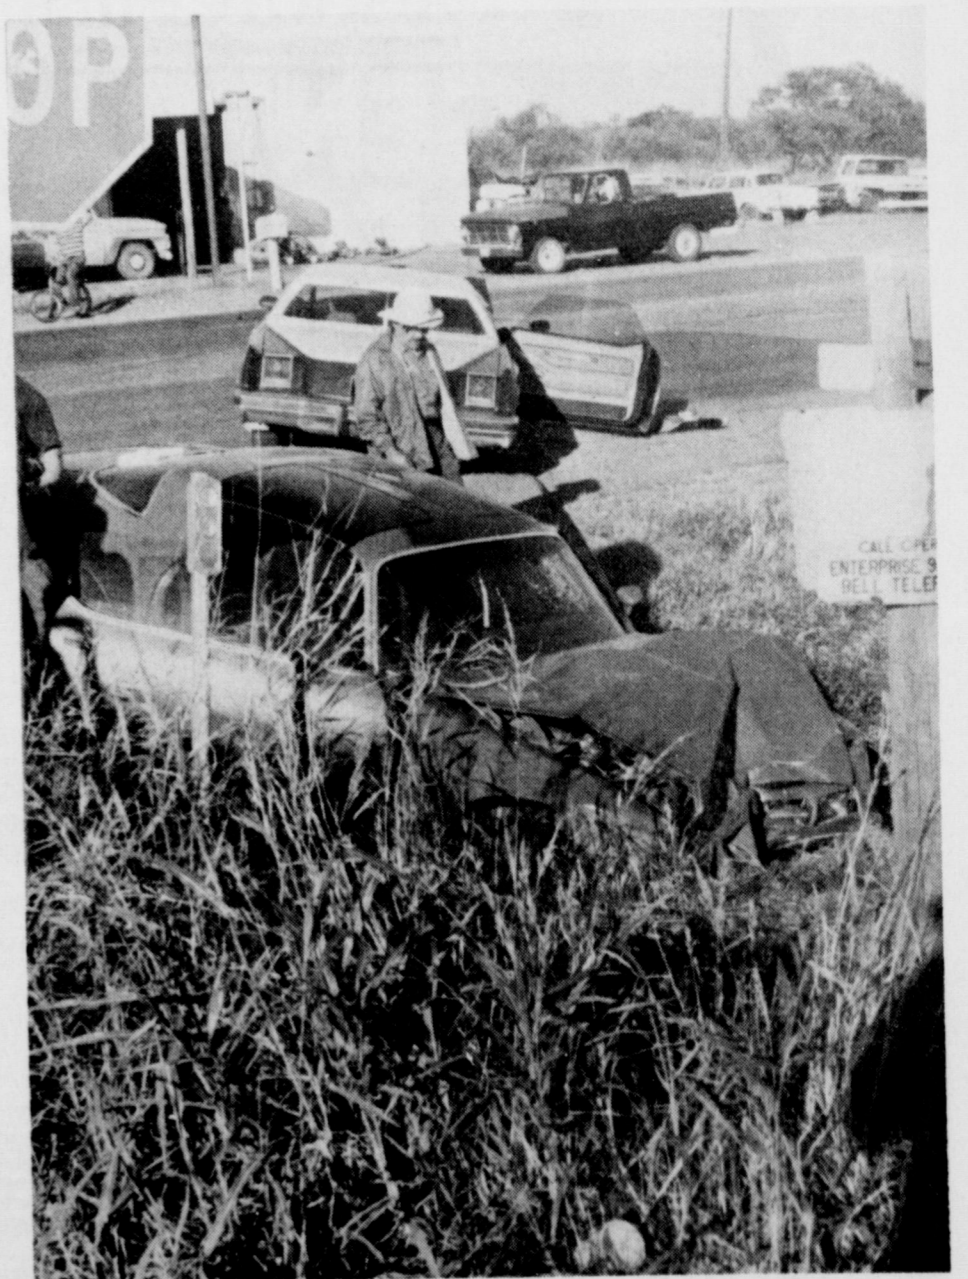

Blood donors must be between the ages of 18 and 65.

## Pep rally tonight

A town-wide pep rally to help the Hawks get ready for their game with Burkburnett will be held at 7 tonight at the junior high stadium.

## Tickets on sale

Reserved seats for the Burkburnett football game are on sale at the Iowa Park High School principal's office. Price is \$3. Sales will end at 3:30 p.m. Friday, and all other tickets will be sold at the gate in Burkburnett.

WRECK SCENE - Although two automobiles received heavy damage in a wreck at Bell Road and East Highway Friday afternoon, only minor injuries were sustained by the occupants of one car. Treated and released from Wichita General Hospital were Allen Bernstein, 17, owner of the vehicle in the foreground, and 15-year-old Sarah Lowe, a passenger. Driver of the other vehicle, Nancy Jo Kenyon, 23, was not injured. All are residents of Iowa Park.

# Williams-Haire wedding vows exchanged Saturday

A double-ring ceremony was performed Saturday evening in the presence of relatives and close friends in the chapel of First Baptist Church uniting in marriage Miss Kim Williams and Michael Gene Haire. She is the daughter of Mr. and Mrs. Wayne Williams of Iowa Park and he is the son of Mr. and Mrs. M.T. Haire Jr. of Vernon. The Rev. Howell Farnsworth, pastor, was the officiating minister.

The couple recited their marriage vows before the lighted stained glass window flanked by candelabra enwreathed with greenery and centered with white satin bows holding glowing white tapers. On either side stood palm trees, and the nuptial decorations were completed with an arrangement of white silk carnations on the piano top.

Traditional wedding music was furnished by Mrs. Glenn Schell, pianist, and Glenn Schell, vocalist, who sang "The Lord's Prayer."

The bride was given in marriage for both parents by her father who escorted her to the altar. She wore a candlelight Altair silky knit dress with a flattering point d'esprit yoke outlined with lattice braid. The blouson bodice was detailed with pearl buttons fastened with silk loops at the mandarin neck and an elasticized waist accented with bow trim. The shirred shirt fell to street length. She carried white silk carnations and glossy white silk leaves intermingled with puffs of white net and baby's breath in cascade arrangement.

The bride wore her mother's necklace, the first gift given to her by the bride's father, for "something old and borrowed", and a garter made by her maternal grandmother, Mrs. Edna Lemond, for "something blue."

Miss Carolyn Zipperle of Vernon was maid of honor. She was attired in a yellow knit street length dress designed with a matching jacket and A-line skirt. She carried a long stem white silk carnation tied with white silk ribbons.

MRS. MICHAEL GENE HAIRE

The groom and his best man, Buck Morris of Electra, wore brown suits and white carnation boutonnières. Ushers were Kyle Williams, brother of the bride, and Arthur Mason of Vernon.

The bride's parents gave the reception in the Fellowship Hall of the church immediately following the wedding.

The bride's table was draped with yellow satin overlaid with yellow net bordered with wide white lace. The centerpiece was fashioned of three votive candles uprising from a mound of white carnations, gladioli and lilies of the valley accented with a sprinkling of white wedding bells.

The bride's cake of traditional style was a beautiful creation that delighted the hearts of the newlyweds and guests alike. one set of filigree dividers added height to the three-tiered white cake attractively touched with yellow and white confection roses at the sides and a cluster of white satin wedding bells complemented with sprays of lilies of the valley for the top ornament.

The groom's table was laid with an ecru cutwork linen cloth and appointed with a fall arrangement of cat tails, leaves, fruits, and nuts in a wooden bowl flanked by amber votive candles in wooden votive candlesticks. The chocolate cake encircled with yellow mums and silver coffee service added further interest to the table setting. Miss Penny Hughes and Mrs. Freddie Glover of Arlington, aunt of the bride, presided.

The table where guests registered was covered identically to the bride's table. It held a yellow pillar candle in a ring of white silk carnations and wedding bells, a hurricane lamp, bride's book and feather pen. Mrs. Buck Morris of Electra registered guests.

Houseparty members were Mmes. Clyde Patterson, Jack Railsback and Cloyd Dodd.

Christi Kingcade, cousin of the bride, passed out rice bags from a white basket trimmed with yellow and white silk ribbons.

The new Mrs. Haire was graduated from Iowa Park High School. A graduate of Vernon High School, the groom is employed by M.T. Haire Jr. Paint Contractors

The crystal punch service completed the table decor. Mrs. Diann Fulfer and Miss Charla Glover of Arlington, cousin of the bride, served at the table.

The couple will live in Vernon, where the groom's parents were hosts for the rehearsal dinner Friday evening at the home of the bride's parents.

Decorations on the white linen-covered tables consisted of hurricane globes, filled with yellow silk daisies and white candles, on brass holders, yellow ceramic napkin holders and matching yellow ceramic place cards.

Out-of-town relatives of the couple attending the wedding included Mr. and Mrs. Freddie Glover and Miss Charla Glover of Arlington, Mrs. Mattie Niemtschk, Miss Patty Niemtschk and Miss Carolyn Leist, all of Vernon.

## Peru mission work reported

A slide presentation and program concerning mission work being done in Peru will be presented at the Iowa Park Baptist Chapel at 7:30 p.m. today.

E.G. Nielson, pastor of the South Union Baptist Church at Dangerfield, which sponsors the work in Peru, will give the program. The Iowa Park Baptist Chapel helps in the support of the work.

The public is invited to attend the special service, according to Larry Washburn, pastor. The chapel is located in Park West Shopping Center, next door to Louis Jewelry.

## TOPS meets

Queen honors for the week were earned by Mrs. Era Mae Baxter for KOPS and Mrs. M.L. Towns for TOPS at the meeting Monday night. Silk flowers were presented to Mrs. Don Wynn and Nina Baker, KOPS and TOPS members who lost the most weight in October.

Announcement was made that a turkey contest would start next week and run for a six weeks period, ending with a turkey being given to the winner.

Eighteen members weighed in.

## FD members to hearing

A group from Friendly Door will attend a public hearing on alcoholism and aging needs Monday at 2 p.m. at Nortex Regional Planning Commission.

Others interested in attending are asked to contact Myrna Robinson, site manager of Friendly Door.

Rev. Wayne Dunson of Dallas, former minister of the United Methodist Church, will speak Tuesday at 12:30 at the Friendly Door, on "Nutritional Needs."

## Epsilon Eta meetings center around pledges

The two meetings of Epsilon Eta chapter of Epsilon Sigma Alpha during the week have centered around the eight pledges, Mmes. Barry Spruiell, Howard Davis, Craig McCord, Robert Needham, David Parkey, Roy Reid, Tim Hunter, and Sharon McRoberts.

The first event was a dinner party for pledges, members and their husbands Saturday evening at the ASCS building. The theme was "Voyage for Treasured Friends."

Decorations arranged by Mrs. Richard Hicks and her committee were governed by a pirate ship atmosphere. Mrs. Larry Hall, favors chairman, provided pirate hats for guests to wear, and the sword-shaped name tags were furnished by Mrs. Paul Tigrett.

Mrs. Phil McDonald planned the meal of foods to a "pirate's liking" and Mrs.

Jim Spears, program chairman arranged for the entertainment which was presented by the Madrigal Singers of Iowa Park High School.

The model meeting highlighted by the pledge pin ceremony was held Tuesday evening in the Texas Electric Reddy Room.

Mrs. Allen Gilstrap, rush captain, conducted the pledge pin ceremony, and Mrs. Bud Mercer, president, directed the model meeting when each officer explained the duties of her office.

During the business, Mrs. Carter Pirkle was appointed social chairman and Mrs. Sharon McRoberts was named contact chairman. Mrs. Kennie Jones reported that the Halloween face painting project netted \$97.75 for the St. Jude Hospital.

Mrs. Lary Hall reminded members that the Red Cross Bloodmobile would visit Iowa Park next Monday. Mrs. Mercer announced Nov. 13 as the date for the Thanksgiving dinner at the First Christian Church.

It was decided to hold the annual Christmas Bazaar Dec. 8 following the Christmas parade.

During the social hour, a cake decorated as an ESA pledge pin and made by Mrs. Richard Hicks, was served to eight pledges and 14 members.

## Library News

Six new adult fiction books and five non-fiction books have been placed on the shelves at the Iowa Park Library, according to Mrs. Billy Mashburn librarian.

The adult fiction books are LaChingada by Jane Brandt, Unholy Child by Catherine Breslin, The Establishment by Howard Fast, Memories of Another Day by Harold Robbins, The Passionate Rebel by Frank Slaughter and Domino by Phyllis Whiteny.

New non-fiction books include Quest for the Best by Marcus Stanley, The Right Stuff by Tom Wolfe, A Story of the Astronauts, Kilgallen by Lee Israel,

Silent Missions by Vernon A. Walters and Serpentine by Thomas Thompson.

Mabel Noland, Elsie Kingcade, Mattie Kate Jaynes and Mabel McCleendon from Wood Convalescent Center toured the library Thursday. They were accompanied by Janie Metzinger and Susan Goss.

According to a legend of the Guatemalan Mayans, the first four men created were made of corn paste.

# 'Year of the Child' is topic of program

"The 1979 Year of the Child" was the theme around which the 23 Study Club program revolved Thursday afternoon, and the

focal point of interest was an address by Miss Ethyle Kidwell, an esteemed educator of the area, on "The Rights of the Child."

She introduced her talk, which evinced thorough research and study, by lauding the efforts of the General Assembly of United Nations to improve the lives of children everywhere in declaring 1979 the International Year of the Child. She reminded, too, that the efforts begun this year must be a continuing program because the future definitely belongs to the children, and global realities will demand great courage, wisdom and artfulness from them.

Miss Kidwell gave the alarming figure of 250-million children on a global basis who are hungry, homeless, uneducated, in ill health and many others who suffer from "neglect, shameful and criminal abuse."

She added poignancy to her address by using a portion of a quote from Estefama Aldaba Lim, the U.N. special representative, who said "children are the most fragile, defenseless, innocent and wretched victims of our collective neglect and indifference. Their survival in conditions of mental and physical deprivations is no less than a miracle." The representative described the International Year of the Child as an occasion to dedicate ourselves to the highest human values.

Miss Kidwell discussed

separately the ten principles of the declaration designed to changing the collective neglect and indifference to collective compassion and concern for children worldwide.

She gave a bird's eye view of some of the efforts that are being expended in Mexico, Germany, Netherlands, Sweden to make 1979 really "The Year of the Child". In conclusion, she said that the U.S. is participating in the program both nationally and locally, and that President Carter had established a national commission to initiate a program to work out the problems of children which can be shared with the world.

Miss Chauncey Weiler was program co-ordinator. Mrs. Rollins Woodall was inspired by the theme of the program for the devotion which featured a poem "The Cry of the Child" by Mamie Jean Cole, another short poem by Nikki Scribner and lines by Carl Sandburg.

For the arts number, Mrs. C.A. Hicks read "What Is a Grandmother?", a humorous, yet touching, article by a third grade student of Oakland, Calif.

Mrs. Erwin F. Soell conducted the business following the program.

Mrs. Earl Watson, federation counselor, introduced two special guests, Mrs. Don

Rice, president, and Mrs. Robert McIlroy, a committee chairman of the recently organized Amity Study Club.

Mrs. D.O. James and Mrs. Travis Smith were hostesses for the meeting in the home of Mrs. James.

Refreshments were served from a table draped with a gold net Thanksgiving cloth accented with felt harvest symbols. A turkey figurine and ceramic plaque lettered with "Everybody Needs a Grandmother" formed the centerpiece.

The 23 Study Club will be hostess club for the 17th annual meeting with the Philia Study Club Nov. 19 in Texas Electric Reddy Room.

## The Living Word

The second situation in which marriages appear to be hopeless is when there is no determination on the part of husband or wife, or both, to make the marriage work. Some couples seemingly have no real desire for their marriage to succeed. Whenever one of the marriage partners is deeply determined that the marriage will survive, it often does survive.

The third situation in which marriages have the appearance of being hopeless is when living conditions, work situations, intimate friends and in-laws constitute a strongly negative environment. Sometimes marriages seem to exist in an almost totally hostile environment, with every influence seemingly determined to cause the marriage to fail. In such situations a move is imperative. A fresh start in a new environment will often help and may even make the difference whether the marriage survives or not.

The sea of matrimony can be dark and stormy. However, the storms, more often than not are of a couple's own making. God speaks to us through His precious word, the Bible. All who are experiencing marital difficulties would do well to listen as He speaks. We have a number of proverbs or adages in our language which often contain a great deal of meaning. For example, one says, "Where there is a will, there is a way." "While there is life, there is hope." The Apostle's statement in Philippians

4:13 also is important, "I can do all things through Christ who strengtheneth me." If either the husband or the wife is a Christian, and if he or she will work diligently and pray fervently for the survival of the marriage, I believe that the Lord will help to find the way for that marriage to succeed.

Man's great capacity to be transformed is a major reason for believing that even those marriages that appear to be hopeless may not be hopeless in reality. This transformation process is what Christianity is all about. Christ came that He might lift men from their hopeless involvement in sin to live on a higher plane and ultimately to live again with God. Again and again we read in the New Testament about men being transformed and becoming new creatures. For example, to the Romans Paul wrote, "Be not fashioned according to this world; but be ye transformed by the renewing of your mind that ye may prove what is the good and acceptable and perfect will of God." Rom. 12:2. To the Corinthians Paul wrote, "Wherefore, if any man is in Christ, he is a new creature, the old things are passed away; behold, they are become new" II Cor. 5:17. The fog of doubt and discontent that hovers over a troubled marriage can be dissolved by the "son of righteousness" Christ our Lord. (To be continued)

## Christmas crafts, gifts topic of RAC speaker

Craft and gift ideas for this year's Christmas season will be the subject of Mrs. Anita Chaney when she speaks at 1:30 p.m. Wednesday at the Iowa Park Recreational Activity Center.

The Consumer Information Specialist for Lone Star Gas Company will present her program, "A Christmas to Enjoy" at a meeting to which there is no admission and the public is invited to attend.

Mrs. Chaney's responsibilities include giving home economics and consumer related information as well as providing information about Lone Star's utility operations by presenting programs to men's and women's organizations and by calling on educators, appliance dealers and consumers.

Tuesday - 7:00 p.m., Renee Christie will teach belly dancing.

Tuesday - 8:15 p.m., Rhythmic Aerobics will begin. Renee Christie is instructor.

### UMW officers to take posts

Officers of United Methodist Women who will assume their duties in January were elected during the meeting Tuesday morning held in the Wesley class room. Mrs. Margaret Carter was in charge of business.

Those elected were Mmes. Gene Owens, president; George Trammell, vice president; James Owens, treasurer; and M.L. Hines, secretary.

Mrs. James Owens gave a report on the successful bazaar project held Saturday and Mrs. Gene Owens, chairman of the project, was given a vote of thanks for the efforts she expended to make it a success.

Mrs. Gerry Thurlo, delegate to the recent Wichita Falls District meeting, gave a report. Mrs. Miles Thompson gave a devotion on "I Came to You, Lord" to dismiss the meeting. Twenty-one were present.

## Put your money where it does the most.

We put your deposits to work in all parts of the economy, by investing and lending to business, individuals and government.

So, even though other financial institutions may offer you some of the same services, only your local bank loans money that creates new jobs, builds roads, parks and schools, and finances community development. No other financial institution does all that.

That's why no financial institution can help you and your community more than State National Bank.

And isn't that where you want your money to work?

We appreciate your business here in Iowa Park.

# UW drive passes \$1-million mark

The United Way passed the million dollar mark on its way to the 1979 goal of \$1,314,500, and Iowa Park turned its campaign "dead man" award over to Burkburnett.

Local Chairman Keith Aulds and "pall bearers" Steve Morath, Bill Steger and Charlie Lee accompanied the award from an Aulds Funeral Home hearse on a stretcher to the podium at the Thursday meeting for the presentation to Burkburnett citizens.

Jessie Williams, President of the

Burkburnett Boys' Club, accepted the award for Rev. Lamoin Champ, Chairman of the Burkburnett campaign.

With only one more report meeting scheduled, today, before the final Victory dinner on Nov. 15, the United Way campaign stands at 79 percent. Chairman Tom Locke told volunteer workers from the three cities that "the campaign is down to the wire. We have two weeks to raise the remaining 20 per cent, and we're going to need all the help we can

muster to make up this difference by the final date."

Campaign funds are raised annually for the United Way to provide money for 33 agencies in Wichita Falls, Iowa Park and Burkburnett. The two agencies in Iowa Park funded by the United Way are the Friendly Door (Senior Citizens) and the Iowa Park Recreational Activities Center.

Aulds asked all local workers to "pick up their packets and turn them in before the next report meeting so that Iowa Park can wind up the local campaign with "flying colors."

# As I See It....

I'll walk or ride a bicycle. I'll burn mesquite wood for heating. I'll do without about anything, but I don't want any more of this stuff from Iran.

Teddy Roosevelt, where are you? How much longer will our government take abuse from those primitives in Iran? They found out they could break our banks by raising the price of their precious oil, and now they are shaming us in the eyes of the world by taking over our embassies and flaunting their

"issues" before the world press.

Give us a Teddy Roosevelt, or maybe even a Ross Perot, to get our people out of Iran...with dignity. And that means force, now crawling on our knees. And if their neighbors don't like it, step on their toes at the same time.

I want some pride in my country once more. The lickings we are taking at the hands of the Arab nations, close on the heels of Viet Nam and Korea, is more than any true American should be able to bear.

Like Will Rogers, all I know is what I read in the newspapers. I don't know all the inside stuff that apparently is holding our government back. But I do know this nation once had pride and world respect. We don't, anymore.

Every move that is taken in Washington today has political overtones. Every decision is based on whether the politician can be re-elected.

I'll give you a good example. Just this week, the politicians from Massachusetts have really been crowing, because they found a federal judge who would put a stay on off shore leases for drilling rights in that area. Those are the same people who have been crying about the price of heating oil, that heating oil has priority over gasoline at the refineries, that they should get more natural gas from the southwest, that the price and availability of gasoline and diesel was too high...and so on.

By golly, I'm tired of satisfying politicians and foreign governments. If I'm going to sacrifice, let me do a good job of it, just to gain a little pride.

Let's cut off all importation of oil from the middle east. Let's get our people out of all middle east countries. Let's let them have what they have, and let's get some pride and respect for ourselves, and our country.

## Letters to the Editor

Dear Bob Hamilton:

I don't write many "Letters to the Editor" but I feel that this time it is appropriate.

We are all receiving catalogs and pamphlets from big out of town stores urging us to do our Christmas shopping with them. If we will only take the time to go down town in Iowa Park, I can assure you that our merchants have the same thing - in some cases better - for as much as 10% to 20% less cost. Our dress shops have the same fine "name brands" as Perkins, McClurkans and Dillard's - but for less cost.

We have lovely gifts in our gift shops and drug stores - anything they have out at Sikes you'll probably find here.

Our own furniture and hardware stores can compete with Sears and J.C. Penny or any furniture store or hardware for quality and price. And most of our merchants, if they don't have it, can get it.

But the biggest bonus of all is that the sales tax dollars we spend at home comes back to OUR town and will benefit us. Needless to say, we will also save the fuel to drive out of town and we will avoid the milling crowds.

So why don't we all follow the slogan "Shop Iowa Park First" and you won't have to look anywhere else.

Faye McAllister

Dear Mr. Hamilton,

Words can never express the heartfelt thanks, love and gratitude that we feel for all the people who came to the aid of our children in their accident Friday afternoon. To all the concern of friends and neighbors, the volunteer firemen, the people who stopped to render aid. To our pastors,

all who called and came by to see about our children. We especially want to thank Dr. Soell who stayed by our sides at the hospital. It truly makes you appreciate Iowa Park and its people for caring. This could have been a very serious accident and we are very fortunate that it wasn't more serious, which without God, who had to be with them at their sides during their accident would have been. So we hope God will bless all these people, friends and neighbors whose kindness alone we could never repay. And we will always remember that the people of Iowa Park helps make our lives more beautiful and hope we never again take them for granted.

The Families of  
Allen Bernstein and  
Sarah Lowe

Dear Mr. Hamilton,

As an ardent fan of the football team and after talking to some of the football players, I feel there are certain things that need to be said to the rest of the fans.

We should let the boys know we are always behind them regardless of the outcome. By putting ourselves on the field in place of the boys, ask yourself this question: how would you feel if you saw your fans leaving before the game was over? As fans who care, it's our job to constantly cheer our team on, to keep the boys fired up, so they'll want to play better, not just sit there doing nothing while their spirits deflate completely. We should have the pride in our team to yell even when doing badly to help increase their confidence to do the best they can because they know we care.

Let's get 'em Hawks!  
Susan Hutchins

## Worth Quoting

In this space recently, we blasted away at those sponsoring the demonstrations against "Big Oil" including the National Education Association of which the Texas Classroom Teachers Association is a member.

But evidently, NEA doesn't speak for all its members.

We received a letter from a group of teachers in Midland, ten in number, who voiced strong objections to the NEA headquarters in Washington for running a political notice in the organization's house organ, "NEA Reporter" without polling the full membership.

The teachers enclosed a copy of the letter they mailed to their national organization... and the gals make some good points:

"Dear NEA Reporter:  
"Attached you will find a notice that appeared in the October issue of NEA Reporter. We are interested in finding out why such a notice merited space in your publication; and more importantly, whose decision it was to run the notice.

"Perhaps those responsible would be better advised to concern themselves with educational matters. To our knowledge, members were not polled regarding their feelings on the matter and we object to your nearsighted approach to our

country's problems of high energy costs.

"The nation's recent experience with price controls on oil and gas strongly suggests that price caps discourage domestic production subsidize costly imports, and postpone development of alternative energy sources. If there had never been government price controls and attendant regulations, domestic production of oil and gas would be much higher today and O.P.E.C. countries would not have been able to charge the prices they now receive.

"The billions of dollars which domestic producers have paid in coping with government regulations would have been spent in exploring for and developing additional reserves and taxpayers would not have had to pay the billions of dollars of D.O.E. expenditures.

"Inflation would be less severe under free market operations. If anyone seriously believes that government operations are superior to that of a free and competitive private sector, we suggest that he take a closer look at conditions within the socialist countries.

"An open mind would quickly discern who is better served."

Sic 'em, gals!

## Jayvees, Frosh blank Wichita Falls teams

Iowa Park junior varsity and freshmen shut out Wichita Falls High in Hawk Stadium Thursday night.

The Jayvees won 9-0 and the freshmen 14-0. Scoring on their first possession of the game, the freshmen salted the game in the fourth quarter, and then

added a two-point conversion to blank their visitors. The Hawk JV frustrated the visiting Rowdies, causing numerous turnovers and completely stymying their offense in the second and fourth quarters.

After Wichita Falls dominated the first quarter by amassing 70 yards offense to

Iowa Park's three, and three first downs to one for the hosts, the tables turned.

In the second period, Barry Bleeker kicked a 27 yard field goal to get the Hawks on the scoreboard, while they were rushing for 57 yards and passing for an additional 16. The Rowdies,

on the other hand, lost the ball three times on fumbles and once on an interception in the same quarter, while gaining only seven yards.

The Hawk defense held the Rowdies to a minus six yards in the final quarter, during which two passes were lost on steals. It was during the same period that

Chris Nethery scored the game's only touchdown, on a five yarder.

Iowa Park gained 174 yards total offense to the Rowdies' 91, and the first down count was 12-5. In all, the Rowdies lost the ball five times on fumbles and had four passes intercepted. Iowa Park lost possession twice, both on fumbles in the third quarter.

The teams will host Burkburnett in Hawk Stadium tonight, and travel to Vernon for the season's finale next Thursday.

## UIL shakes up districts

The University Interscholastic League did considerable reshuffling of districts and changes in classification designations, it was announced this week. Weatherford was taken from Iowa Park's district, cutting its membership to six schools.

All classifications will now be in "A", as the old Class B is no longer. The B schools are now A, A was moved to AA, AA moved to AAA, and so forth.

Iowa Park's new classification is AAAA, and the district was changed from 4 to 3, making the conference 3AAAA. Members remaining are Iowa Park, Burkburnett, Graham, Mineral Wells, Vernon and Hirschi.

All changes become effective for the 1980-81 school year.

Weatherford was moved into District 5-AAAA, along with Azle, Fort Worth

Brewer, Carter-Riverside, Castleberry, Diamond Hill, Jarvis, Northside and Polytechnic, Gainesville, Keller and Saginaw Boswell.

Former district opponents Brownwood and Stephenville are now in District 4-AAAA, along with Cleburne, Crowley, Everman and Granbury.

Four districts make up Region I.

District I includes Borger, Brownfield, Canyon, Dumas, Levelland and Dunbar and Estacado of Lubbock.

In District 2 are Andrews, Fort Stockton, Lamesa, Monahans, Odessa Ector, Pecos, San Angelo Lake View, Snyder and Sweetwater.

The other districts are 3 and 4.

In the case of districts being made up of 10 or more schools, such as 5-AAAA, the UIL has provided for them to schedule a regular 10 game slate. The districts are to be divided into two zones, and then the zone winners to play an 11th game to decide the district champion, which will advance to the bi-district playoff.

The new AAAA enrollment figures were changed, also. Enrollment for the conference now is from a minimum of 615 to 1309. This is determined on the basis of the previous two years average daily enrollment and current year's

daily enrollment to the date figures are obtained.

### SCHEDULE PROBLEMS

Coach Tommy Watkins said this week he was having serious problems scheduling non-conference games for next season.

Besides two schools, Jacksboro and Decatur, refusing to play the Hawks any more, Watkins has to pick up an extra non-conference game to replace Weatherford.

As of Tuesday, Watkins had one team scheduled for next fall, and one possible, Wichita Falls Rider is set to play here Sept. 26. The possible is Fort Worth Nolan.

Bowie has not said whether or not it will sign for another two-year pact, and the school administrators don't want to schedule Dallas Bishop-Lynch any more because of the travel involved.

Watkins has been keeping his telephone hot for more than two weeks, trying to find a school to schedule.

Scheduling is not a problem for Iowa Park alone. Reports from Burkburnett indicate that school is having the same difficulty.

## 2 bandsmen All-Region

Two percussion players of the Iowa Park High School Band were selected to the All-Region Orchestra after auditions which were held Saturday at Abilene High School.

They are Denny Anderson, tympanist; and Tim Adeock, xylophonist, who was also selected to the All-Area Orchestra, and qualified for the All-State Orchestra auditions.

The All-Region Orchestra Clinic and Concert will be held Jan. 11-12 in Wichita Falls.

### Identification said confusing

Confusion of identity concerning a listing in the municipal court records, reported in the Nov. 1 issue of the Iowa Park Leader, has been called to the attention of the editor.

The William L. Guthrie in that issue of the court report is not the Bill L. Guthrie who lives at 106 W. Magnolia. The Guthrie in the report is a resident of Santa Fe, N. Mex, according to Iowa Park Police Department records. The Leader regrets the confusion.

### Scheffe leads Tech team in soils judging contest

The Texas Tech University soils team has one win and one to go. The five students placed first in the regional competition and have been selected to compete nationally next April at Penn State University.

Sonora and Randy Roberts, Fort Worth. All are seniors except Roberts who is a junior. Scheffe placed second in individual honors, Lorenz, fifth, and Stewart, sixth.

Dr. B.L. Allen of the Texas Tech faculty in plant and soil sciences has been coach of the soils team 18 years. Assistant coach this year is Mark Walthall, Anton, graduate research assistant.

Teams are required to identify and characterize soils during the competition. Second place went to the University of Arkansas and third to Tarleton State University.

### Municipal Court Records

Results of municipal court held Thursday were:  
John Joseph Greenwood, excessive noise, \$28.50;  
Joyce Gafford Blagg, speeding, \$33.50;  
Bennie Eugene Bagley, speeding, \$28.50;

# Nocona 47-0 victim of Big Red Machine

The Holliday Eagles scored a 47-0 knockout over the Nocona Indians before a less-than-capacity home crowd last Friday night. Eagle head coach Don Lucy apparently decided to use the Nocona game to test the talents of sophomore quarterback Joel Mankins in the passing department, and Mankins completed 10 of 17

passes for 215 yards and two touchdowns. Holliday so dominated the game, Lucy pulled most of the first team before the second units game experience of which they took complete advantage. For instance, John Dyer, recently promoted from the junior varsity, ran the ball

47 yards in his first carry of the night. Dyer finished the evening with 56 yards in eight carries. Kyle Stone raced 45 yards from his tailback position for a touchdown in the third quarter, proving the Eagles' depth at the runningback position. Two players returning for the first time in several

weeks due to injuries contributed to the Eagles' fourth district win of the year without a defeat. Jeff Smyers and Kent Lemons, both ends, made several plays both offensively and defensively for the Eagles that were either for scores or contributed in Holliday's scoring. Holliday's two workhorse

runningbacks, Jim Ezzell and Ray Looney, saw little action in the game, but with just half a game under their belts, rushed for 66 and 68 yards, respectively. Nocona was held to 39 yards rushing in 29 tries, but completed 21 of 39 pass attempts for 177 yards against the Eagles. Holliday scored twice in the first six minutes of the opening stanza, one on a 10-yard run by Joe Chase and a 50-yard bomb from Mankins to Looney. Joe Collier kicked two of his five successful attempts for the night, giving Holliday a 14-0 cushion with 6:19 left in the first quarter.

After Nocona failed to move the ball for a first down on the following kickoff, the Eagles set up shop at the Holliday 17 following the Indian punt. Mankins unloaded another bomb, this one to Lemons for 47 yards, setting up a 17-yard scamper by Looney for the score. Nocona again failed to record a first down, and punted to the Eagle 44. Holliday took the pigskin 56 yards in three plays, including another aerial from Mankins to Looney for 48 yards. Ezzell got the call twice and covered the remaining eight yards for the score, giving the Eagles a 28-0 lead with 5:05 remaining in the half.

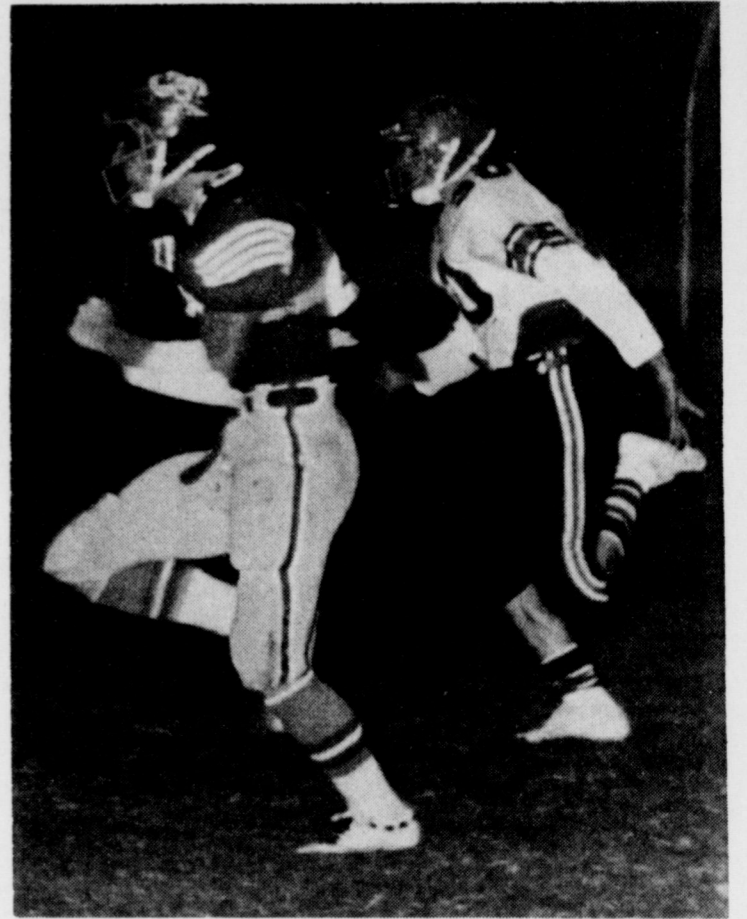

On the next kickoff, the Nocona receiver fumbled the ball where Looney recovered at the Indian eight. Looney scored on the next play from eight yards out, and Holliday led, 34-0 with a matter of nine seconds gone from the clock following the Eagles' last score. Holliday's initial drive of the second half went for a score, this time taking five plays, capped by Stone's 45-yard touchdown jaunt. Larry Boydston intercepted an Indian aerial on Nocona's next possession, claiming the ball for the Eagles at the Indian 41. Three plays later, Eagle punter Cameron Honea showed some apparent rust caused by the successful Eagle offense, punting on his first attempt in three weeks for 18 yards.

Before Eagle fans could muster a sigh, Lemons unloaded on the Nocona quarterback on the next play, with Collier recovering for Holliday at the Indian 16. Three plays later, Smyers was on the receiving end of a Mankins aerial covering 12 yards for the score. Smyers broke three tackles at the five in his determined effort to score. Following the Eagle score, both teams traded the ball back and forth on miscues, with the Eagles fumbling once, and Nocona losing the ball three times, twice on fumbles recovered by Stone and Boydston, and an interception by Gerry Graves. Nocona came very close to scoring on the Indian's last possession of the night, but the Eagle second unit defense held its ground in an exciting goal-line stand that denied the Indians their only hope for a score. Nocona marched down the field from the Indian five following a Nocona interception, completing passes for 16, 29, 14, and 11 yards, all the way to the Eagle one. With a first and goal at the one, Nocona attempted to run twice and pass twice, but to no avail as the stubborn Eagle defense held its ground, sealing Nocona's fate.

Holliday	Nocona
230	Rushing 37
215	Passing 177
445	Total 214
10-17	Passes 21-39
2	Interceptions by 2
2	Fumbles 5
8-50	Penalties 4-30

# City takes steps to build plants

## Holiday News

The Holiday City Council passed a resolution during Monday night's meeting granting Mayor Tom Hall authority to sign contracts for the construction of Holiday's new waste water treatment plant and city water works.

Present at Monday's meeting was J.I. Colville, president of Wes-Tex Construction Company, of Borger. Wes-Tex was granted two contracts in the amount of \$143,153 and \$284,354.92 for the construction of the

new waste water treatment plant, and the city water works. Service Enterprise Corporation of Evansville, Ind. was granted the contract for the purchase of an elevated water tank at the cost of \$64,000.

Wes-Tex Construction Co. recently completed construction of a new treatment plant in Graham, and Colville told the council Monday night the crew in Graham is ready to begin work in Holiday.

During general business discussion, council members

tabled a request to tap the eight-inch water line, heard a report from the city attorney concerning delinquent tax collections, discussed the city's tri-system garbage rates, heard a report from police chief Don Pennington, and discussed purchasing a roto-roooter for the city.

Bob Vincent's request to tap the eight-inch water line was tabled until permission was given by Wichita Falls, which sells water to the city.

City attorney James Cook advised the council to draw

up a delinquent tax letter to be sent to city residents as a word of warning as to the city's authority in collection of delinquent taxes. Cook felt the letter would entice delinquent tax parties to pay in advance, eliminating legal complications.

City council members voted to form a committee to discuss and study the city's tri-system garbage rates, citing two local businesses the city is encountering problems with in trash collection.

Police chief Don Pennington read a report to the city council, citing nine speeding citations given the last month as a reference to the decline in speeders on the road compared to the past.

Pennington also stated that Halloween was unusually quiet and complemented the Holiday School System and the city council for their efforts to inform residents of the new ordinance put in effect earlier concerning egg throwing.

City Council members voted to pay \$25 to the Deputy Marshall of Pleasant Valley for his services rendered to the city Halloween night.

Council members tabled discussion of the purchase of a roto-roooter for the city. City workers have used the services of a roto-roooter for the city sewer lines on five different occasions this year, and feel the purchase of one for the city will help defer costs in the future.

Junior Troop 10 of the Holiday Girl Scouts held their formal Investiture Ceremony Monday night at the Church of Christ in Holiday.

### Girl Scouts hold events

The flag ceremony was conducted by Debbie Armstrong, Stacy Miller, Becky Noll, and Shannon Shores. Seretha Fennell was in charge of the guest register.

Readers Lesa Rodgers and Dianna Miller administered Investiture Rights to Tammy Pannybuck, Rayna Echols, Seretha Fennell, Cheryl Whitting, and Pam Wilkinsons. Cadet aide Lesa May conducted the candle lighting ceremonies. Proficiency badges were presented to Stacy Miller and Kristie Schmittou.

Last Friday, Junior Troop 10 attended an overnight camping trip at Camp Stonewall Jackson. Troop members cooked their own dinner, and participated in songs and games.

The following day, Troop 10 was joined with Brownie Troops 4 and 7 for a fun day directed by Judy Edwards, where the girls were instructed in fire building, knot tying, knife safety, and nature trail. Supervising the group were Mr. and Mrs. Eddie Miller, Mr. and Mrs. Aubrey Rodgers, Lesa May and Sonya Echols.

### Eagle Band rated tops

The Holiday High School Eagle Marching Band earned a superior rating (1) Tuesday at the U.I.L. Marching Contest held in Memorial Stadium in Wichita Falls.

The Eagle Band is under the direction of Tom Woody.

One other band in the district, Archer City, also received a superior rating.

### P-TA sponsors style show

The Holiday Parent-Teacher Association recently held a style show in the school auditorium.

Twenty-one models were used to show fashions from The Willow Tree of Wichita Falls. Jewelry was furnished by Cardan & Co., and settings were furnished by Whites of Holiday.

Pianists for the show were Charlene Hines and Jack Eestine.

Mrs. Doris Jones' sixth grade class won the class prize for having the most parents at the meeting.

## Annual Eagle-Wildcat battle set tomorrow

Tomorrow night the Holiday Eagles, and perhaps all of Holiday's residents, will venture to the southern edge of Archer County in hopes of claiming the county bragging rights for another year.

The team Holiday will meet is of course the Archer City Wildcats, a team the Eagles have no problem getting psyched up for, whether or not either team is in the district race.

Of course, Holiday is undefeated in district with two games to play, with the Boyd game November 16 looking to be the District 13-A championship game for the second year in a row.

The last game of this season for Holiday will be the Eagles' last game in the soon to be defunct District 13-A. Re-alignment time for the UIL has the Eagles, along with the rest of the district moving up to Class AA. The good part about the

re-alignment is that all teams in the state will be moving up one class, at least, with the instigation of Class AAAAA and the departure of Class B.

The only difference in the district will be the addition of Windthorst, currently in Class B. Pressed for comment, Eagle head coach Don Lucy remarked, "Well, we have to play somebody."

Last year, Holiday fell behind 6-0 to A.C. before

staging a second half comeback to win 32-12. In that game, quarterback Rusty McDaniel was intercepted twice, while the Eagles as a whole racked up 95 yards in penalties.

Asked what to expect from A.C. tomorrow night, Lucy said, "No matter what the records are, Archer City is looking forward to playing us. It will be a close game, and hopefully our boys won't get too tired."

Game time is at 8 p.m.

## Wheat studies noted in area

Don D. Decker County Agent

Demonstrations are being conducted aimed at answering two of the most controversial subjects among wheat growers - drill spacing and fertilizer placement. The quickest way to start an argument is to mention 18-inch vs 10-inch drill spacing or broadcast fertilization vs fertilizer placement with the seed.

Clarence and Barry Mahler have a trial aimed at settling the question on

whether an 8-inch drill or a 10-inch drill is best for sowing. Their plot is just south of Iowa Park on FM 367. The soil type is a Winters loam, which is a "middle of the road" type soil.

A comparison is being made between crop response planted with an 8-inch disc drill and a 10-inch hoe drill. Both drills were operated side-by-side under the same conditions planting 75 pounds of wheat seed per acre.

A record will be maintained on the time required for plant emergence from these two different planting methods. Yield checks will be made to see if there is any significant difference in performance of the wheat between these sowing procedures.

Fred Dwyer is conducting two demonstrations on different type soils comparing fertilizer placement with the seed vs broadcasting the fertilizer prior to planting. One site had been fertilized

with anhydrous ammonia prior to planting, and the other has no additional nitrogen fertilizer.

The opinion of most is the seed placement fertilizer will help to get the wheat started a little sooner and provide early grazing. However, we expect there will be no grain yield difference between the two methods of fertilization. We will get the correct answer at harvest.

### Iris Society sets meeting

The Benson Area 12 Iris Society will meet with Mr. and Mrs. L.E. Brooks at 11:30 a.m. Saturday for a luncheon and short business period conducted by Mrs. Bertha McDonald, president.

For the program, Brooks will present an iris slide program.

Mrs. McDonald stated that anyone who is interested in joining the iris society could contact her at 592-5410 or Mrs. Brooks, the secretary-treasurer, at 438-2328. Mrs. Alburn Jones of Quanah is the area chairman.

### Holiday School Menu

Thursday, Nov. 8 Breakfast: Toast, jelly, peanut butter, milk.

Lunch: Fried chicken, cream potatoes, gravy, green beans, dessert, milk.

Friday, Nov. 9 Breakfast: French toast, syrup, milk.

Lunch: Fish, tartar sauce, cole slaw, macaroni & cheese, dessert, milk.

Monday, Nov. 12 Breakfast: Cereal, milk, juice.

Lunch: Chili burritos, Ranch Style beans, rice with sugar and butter, milk.

Tuesday, Nov. 13 Breakfast: Biscuits, bacon, gravy.

Lunch: Corn dogs, corn, French fries, dessert, milk.

Wednesday, Nov. 14 Breakfast: Pancakes, syrup, butter, milk.

Lunch: Hamburgers, lettuce and tomatoes, onions and pickles, chips, dessert, milk.

Thursday, Nov. 15 Breakfast: Buttered toast, jelly, milk.

Lunch: Chili beans, whipped potatoes, spinach, corn bread, dessert, milk.

## Obituaries

### Emil Schroeder

Emil Schroeder, 87, died Saturday in a Burkburnett nursing home. Services were Tuesday afternoon at Trinity Lutheran Church of Clara with Rev. Fred Darkow, pastor, officiating.

Burial was in Clara Cemetery under direction of Owens and Brumley Funeral Home.

Born May 5, 1892 in Byron, Mo., he was a retired farmer and had been a resident of Burkburnett 48 years.

He is survived by three sons, Richard of Iowa Park, Herbert of Boys Ranch and Raymond of Burkburnett; four daughters, Mrs. Helen Eaton of Burkburnett, Mrs. Linda Rogers of Iowa Park, Mrs. Juanita Tonn of Haven, Kan., and Mrs. Lorene Finstad of Grapevine; 26 grandchildren and 16 great-grandchildren.

### Mrs. Ethel A. York

Services for Mrs. Ethel A. York, 88, a resident of Wichita Falls for 38 years, were Saturday morning in Owens and Brumley Funeral Home.

The Rev. Jerry Ensey, pastor of First United Pentecostal Church, officiated. Graveside services were in Live Oak Cemetery near Blum, Texas.

Mrs. York was born Aug. 25, 1891 in Hill County. She was the retired owner of Roye's Laundry and a member of First United Pentecostal Church.

Survivors include five daughters, Floy Jones of Holiday, Herstene Holley of Longdale, Okla., Doris Fanchier, Veda Muse and Ethelene Anglin of Wichita Falls; one son, Sanford Shelton of Holiday; 23 grandchildren and several great-grandchildren.

### Mrs. Judy Neskorik

Services for Mrs. Judy Neskorik, 27, of Throckmorton, sister of Mrs. Brenda Starnes of Iowa Park, were Friday afternoon in the First Methodist Church in Throckmorton.

The Rev. Robert L. Strittmater of Breckenridge, officiated. Burial was in Throckmorton Cemetery under direction of Morrison Funeral Home.

Born in Quanah, June 26, 1952, she moved to Throckmorton County in 1976.

### Mrs. Thelma M. Marine

Services for Mrs. Thelma M. Marine, 69, of Wichita Falls, mother of Billy Bob Marine and Mrs. Gloria Jones of Iowa Park, were Friday in Owens and Brumley Funeral Home in Burkburnett.

Rev. Ray C. Morrow, pastor of Calvin Baptist Church, officiated. Burial was in the Burkburnett Cemetery.

Mrs. Marine was born Sept. 9, 1910 in Waxahachie and had lived in Burkburnett 50 years before moving to Wichita Falls 10 years ago.

Other survivors include a son, James Payne, and a daughter, Mrs. Brenda Martinez, both of Wichita Falls; a sister, Mrs. Floy Thomas of Wichita Falls; 19 grandchildren and four great-grandchildren.

### W.V. 'Bill' Andrews

Funeral service for W.V. "Bill" Andrews, 65, who died Sunday in a Wichita Falls hospital, was Tuesday in Owens and Brumley Funeral Home.

Hugh Tinsley, associate minister of 23rd and Grace Church of Christ in Wichita Falls, and Bill Jones, associate minister of the Iowa Park Church of Christ, officiated. Burial was in the Highland Cemetery in Iowa Park.

He was born July 16, 1914, in Hearnsville and was a longtime resident of Wichita Falls. He was a retired machinist for Wilson Manufacturing Co.

He is survived by his wife, Letha Mae; three sons, Bobby Andrews of Monahans and Raymond Andrews of Wichita Falls and Melvin Smith of Iowa Park; a brother, Roy Andrews of Wichita Falls; seven grandchildren and a great-grandchild.

Joshua Lee, a nine pound son, was born to Mr. and Mrs. Freddie Daume Nov. 3. They have another son Justin, four years old.

The grandparents are Mr. and Mrs. Fred Daume Jr. and Mr. and Mrs. Buddy Patterson of Holiday. Great-grandparents, all of Holiday, are Mr. and Mrs. Bill Spradlin, Mr. and Mrs. Lee Minyard and Mrs. Fred Daume Sr.

### Friendly Door Lunch Menu

Thurs. Nov. 8 - Meat balls, yams, green beans, relish plate, cobbler.

Fri. Nov. 9 - Sloppy Joe, tater tots, salad, cookies.

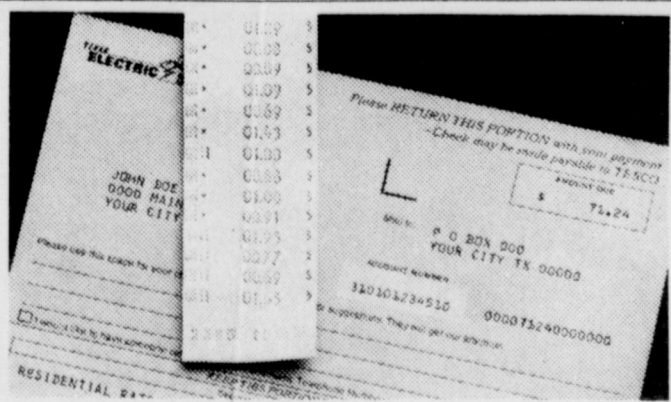

Mon. Nov. 12 - Baked ham, sweet potatoes, green beans, salad, pineapple.

Tues. Nov. 13 - Chicken and dumplings, peas, carrots, salad, cake.

Wed. Nov. 14 - Liver, potatoes, tomatoes, cole slaw, plums.

Thurs. Nov. 15 - Meat loaf, mixed greens, beans, beets, pudding.

## Inflation affects your electric bill even more than your grocery bill.

Every time you go to the grocery store you can see what inflation's doing to your food bill. But because you don't buy electricity by the can, you probably don't realize how inflation affects the cost of electricity.

Fuel costs are up, particularly natural gas. Equipment costs are up. Power lines, transformers and poles cost us more every day. Just like milk costs you more every day.

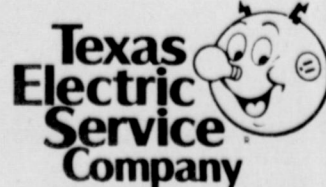

The millions of dollars we must borrow to build plants to ensure your electricity needs in the future are costing us more.

The cost of building these plants is higher, too, because of inflation. And because of the time and money it takes to comply with an ever-increasing number of government regulations. The longer it takes to build, the more inflation takes its toll.

Inflation, overregula-

tion and rising fuel costs are all making your electricity cost you more. But by using electricity wisely you can do your part in keeping that cost down in your home.

At Texas Electric, we want you to know what you're paying for.

# Cook of the Week

As well liked as rhubarb is by so many people, we have not had many recipes calling for its use since the Cook of the Week section of the Iowa Park Leader started, so we appreciate Mrs. Peter Duffy's Rhubarb Crisp recipe this week.

Rhubarb, originally a medicinal plant, dates back to 2700 B.C. in China. The present sort is believed to have originated in the desert region of Siberia around the Volga River. It was introduced to Europe in the 17th century, and gradually found its way to America where New Englanders frequently called it "pie plant". It is perhaps most popular for pies, but it is delicious in other desserts, jams, sauces and stews.

Patricia Duffy is a native of Iowa City, Iowa, where she was graduated from high school. Since her marriage, she has devoted most of her time to being a homemaker, wife and mother, but she did work for seven years for the American College Testing program in Iowa. She and her husband, who is a building contractor, and family have lived in Iowa Park a month. They attend the Sacred Heart Catholic Church in Wichita Falls. She especially enjoys bowling and caring for plants.

Mrs. Peter Duffy

The couple's children are Joe and Glenn, who are associated with their father in Duffy & Sons, Inc., and a daughter, Rachel an eighth grade student.

Scald milk; soften yeast in water with 1 tsp. sugar. Add the lard, 1/2 cup sugar and salt to the milk. Add flour and mix until a soft dough is formed.

**EPICUREAN DRESSING**  
1 qt. Kraft Mayonnaise  
1/4 cup Wishbone Italian Dressing

Fresh or frozen chives, according to taste. (Try 1/4 cup milk to make pouring consistency)

**PUMPKIN BARS**

1/2 cup shortening  
1 cup brown sugar, packed  
2 eggs  
1/2 cup pumpkin  
1 cup flour  
1/2 t soda  
1/2 t baking powder  
1 t cinnamon  
1/2 t nutmeg  
1/2 t ginger  
1/2 t vanilla  
Nuts, as many as desired  
Combine shortening and sugar, add eggs and pumpkin and mix well. Add rest of ingredients. Put into 9x13 inch pan and bake 20 to 25 minutes at 350 degrees.

**FROSTING**

Combine 1-3 oz. pkg. cream cheese, 4 T margarine, 1 1/2 cups powdered sugar and 1 t vanilla. Blend well; spread over mixture. Cut into bars.

**PORK CHOPS**

**AND SAUERKRAUT**  
Season and flour desired number of pork chops, and brown in skillet. Cook, covered, over low heat until almost done. Drain and add sauerkraut and continue cooking till kraut has absorbed the pork drippings and is good and brown.

**CHICKEN CASSEROLE**

1 chicken, cooked and cut off bone  
Melt 1/2 sticks oleo in pan, add:  
1 onion, chopped  
Salt and pepper  
1 or 2 tsps. sage, to taste  
Add 3 or 4 cups bread cubes. Use 4 cups broth and thicken. Add chicken and pour over bread mixture in 13x9" dish. Bake at 350 degrees 30 to 45 minutes.

**OVEN STEW**

2 lbs. meat  
6 carrots  
1 cup celery  
4 potatoes  
1 large onion  
2 T tapioca  
2 t sugar  
Seasoning  
2 cups tomato juice.  
Cover and bake at 225 degrees for 4 hours.

**RHUBARB CRISP**

4 cups rhubarb  
2 cups sugar  
1 cup flour  
4 T butter  
1 egg  
1/8 t nutmeg  
Cut up rhubarb and mix with 1 cup sugar and 3 T flour. Place in a well buttered baking dish. Beat egg with fork, stir up 1 cup sugar and remaining flour. Sprinkle mixture over rhubarb. Melt butter and drizzle over top. Sprinkle with nutmeg. Bake at 375 degrees 30 to 35 minutes.

**KOLACHES (BOHEMIAN DOUGH)**  
1 1/4 cup scalded milk  
1/4 cup lukewarm water  
2 pkgs. yeast  
1 t salt  
1/2 cup sugar  
1/2 cup lard  
6-7 cups flour

## New study club is organized

The Amity Study Club was organized Tuesday evening in a meeting held in the home of Mrs. Don Rice. Mrs. Earl F. Watson, president, and Mrs. Deryl James, secretary, of Santa Rosa District, Texas Federation of Women's Clubs, assisted with the organization. Officers were elected to include Mmes. Rice, president; Philip Welch, vice president; Leo Thames, secretary; Richard Dietrichson, treasurer; Earnie Reusch, historian; and Grant Thompson, parliamentarian. Mrs. Robert McIlroy was named chairman of the constitution and by-laws committee. The group decided to meet each third Tuesday of the month. They chose green and white for the colors and the daisy for the flower. The next meeting will be Nov. 27 in the home of Mrs. Dietrichson.

### PUBLIC NOTICE

Pursuant to TEX. REV. CIV. STAT. ANN. art. 1446c §43(1975), Lone Star Gas Company hereby gives NOTICE of the Company's intent to implement a new schedule of rates effective on the latter of December 10, 1979 or such other date as new rates become effective in the City of Iowa Park, Texas to be charged for natural gas service to residential and commercial customers in the environs areas (outside incorporated limits of Iowa Park, Texas). The rate schedule is expected to furnish a 6.56% increase in the Company's gross revenues in the environs of Iowa Park, Texas. A Statement of Intent has been filed with the Railroad Commission of Texas and is available for inspection at the Company's business office located at 406 W. Park St. Iowa Park, Texas. Any affected person desiring to contest such changes in rates can file a complaint with the Director of the Gas Utilities Division, Railroad Commission of Texas, P. O. Drawer 12967, Capitol Station, Austin, Texas, 78711.

**NOTICE**  
**CARD OF THANKS**  
We come again to express our many, many thanks to our friends, family doctors and nurses for the kindness and loving care shown to us during the sickness and death of our darling mother. You were constant in supplying our needs and doing all the things that you could to alleviate our sorrow. We appreciate the beautiful flowers and cards, the prayers and food, the spiritual ministry of the Rev. Ken Cole and those who provided the music at the funeral service. The Family of Artie Henson

**CARD OF THANKS**  
The First United Methodist Church wants to say "Thank You" to everyone who supported our Bazaar November 3. It was a great success. Mrs. Gene Owens
