

COOPERS COMMENTS

By Albert Cooper

This is Thanksgiving time, when we enjoy turkey, baked hens, or roosters, sometimes yellow yams, and all the trimmings. In the midst of our devotion with the blessing of the good earth, we are prone to forget that all good things come from the Father. It is a time when we really should sit down and count our blessings. One item appeared in a Kansas newspaper: "I wish to thank the City authorities for quarantining my family and me for three weeks recently because one of them had the smallpox. During that time my wife caught up with her sewing; we had three square meals a day, as no one came in and she was not permitted to leave, we enjoyed 3 weeks of good night's sleep; and best of all, a cousin with four children who had arranged to visit us, saw the smallpox sign on the door, and left town so scared she and never come back again. So for these and other blessings we are very thankful for the quarantine."

The young pastor of a Baptist church in a small town made his report to the District Convention and said: "I have not much to report this time, as we have done very little. But, thank the Lord, the Methodists did not do any better than we did." (I didn't call any names).

Have you seen the glow on the face of Hugh Ross this week? How he is rejoicing, and we rejoice with him and Mrs. Ross for those two grandchildren, Ann and Matthew Ross Donnell, born in Dumas on Nov. 14th. Made me think of a story I read one time. A young minister became a father for the first time. He was in dire straits financially and wondered how he would pay all the bills. One of his parish members had a heart of compassion and quite a lot of money. He proposed to give the young minister a check for two hundred dollars. At the close of a proper meeting the check was presented, and the preacher, trying to express his thanks, both to the member and to the Lord, said: "O Lord, I thank Thee for this timely SUCCOR." A little later, the donor of the two hundred commenting on the thankfulness of the minister, remarked: "I didn't quite get his meaning when he spoke of a timely succor. Did he mean the money, the baby, or me?"

When Mrs. Berg's new fur coat was delivered to her home about Thanksgiving time, she fondled it ecstatically for a moment, and then developed a sad look on her face.

"What's the matter? Aren't you satisfied with it?" inquired her husband. "Oh, yes," she answered, "but I feel so sorry for the poor skunk that was skinned for it."

"Thanks, very much," said Mr. Berg.

Counted your blessings lately? HAPPY THANKSGIVING.

Banks Install Burglar Alarm

BAIRD — Robert Barnhill was the first to answer the newly installed burglar alarm at the First National Bank of Baird. The alarm was accidentally set off and Barnhill ran from the Methodist Church to the bank, entering hatless and breathless, but none-the-less answering the alarm.

Both banks, The Peoples State Bank of Clyde and First National Bank of Baird request the public's cooperation in notifying the authorities or bank officers if the alarm bell is set ringing. Caution is added not to go to the bank alone.

The A. C. Andrews Co. of Dallas installed the automatic alarms, in compliance with recent federal laws relating to banks that are members of the Federal Deposit Insurance Corporation.

CALLAHAN FORMS FARMERS UNION, ELECTS OFFICERS

CROSS PLAINS — Texas Farmers Union president Jay Naman of Waco was at Cross Plains Thursday night to present the charter to the newly organized Callahan County Farmers Union. The meeting was held in Odom's Cafe.

In his address to area farmers and their wives, the farm leader stated that the primary objective of Farmers Union during the coming year will be to get legislation passed in the Congress to permanently extend present farm programs with amendments that will improve farm income.

Naman explained that the peanut program, strongly supported by Farmers Union, is an example of an effective commodity program that works in the interest of the producers. He warned that the effectiveness of the present peanut program would be jeopardized if other commodity programs are drastically changed.

Naman said, "If the parity concept is taken out of the programs applying to wheat, feed grains, and cotton and if the marketing quota is abolished for cotton, peanut farmers can expect a barrage of opposition to their program, which includes these basic principles."

"One of the most significant recent developments in agriculture has been the establishment of a coalition of farm groups in support of the permanent extension of present farm programs. The peanut organizations have joined all general farm organizations, with the exception of one, and the other commodity organizations in support of the Purcell Farm Bill which will permanently extend the present programs with amendments to improve them."

BUSY WEEK FOR PEOPLE IN UNION COMMUNITY

Hi neighbor! We had some cold weather - got down to about 25 a night or two. Killed all the cotton leaves so it won't be long now - the ones who had not defoliated their cotton can pull. Some had already begun pulling cotton.

The past week was a busy one. Monday night, Youth Rally at Putnam Baptist Church. Monday afternoon the Study Club met in the high school dark room to see the film The Big Thicket, which was real good. Tuesday night a ball game.

Thursday evening the 88 Club met in the home of Mr. and Mrs. Chub Low. Those present were Mr. and Mrs. Henry Bailey, Mr. and Mrs. Roy McCoy, Mrs. Bill English, Mrs. Emma Jean Allen, Mrs. Sybil Harris, Burette and Johnnie May Ramsey and little great-granddaughter, Tammie Taylor of Midland who is visiting the great-grandparents. Also at the party was Ollie Burnam and I.

And Friday evening, Ollie Burnam, Mrs. Viola Everett, Mr. Charlie Everett and I went to Cottonwood to their annual Thanksgiving supper and musical. They had turkey and all the trimmings. It was a good supper and good music and a huge crowd. It was reported there were 450 or 500 people there. I really don't know but sure was a lot there. Everyone seemed to enjoy being there. Burette and Johnnie May Ramsey and Tammie were there too.

Mr. and Mrs. Clayton Burnam of Lake Leon spent last Thursday with Ollie Burnam.

Our pastor, Bro. David Claxton and family had Sunday dinner with the Burette Ramseys, so did the Walter Franciscos of Putnam.

with Mr. Weldon Isenhower. Louise Isenhower and Mr. Dock spent the weekend in Midland. Louise was to come home this afternoon, but Dock was to spend a few days visiting his two daughters who live in Midland.

I visited a little while Saturday morning with Mr. and Mrs. Henry Bailey and got some more of those good turnips the Baileys raised.

Ollie Burnam is having a new fence built all down the north

side of her place. Really looks good. There is nothing that helps the looks of a place any more than a nice fence. Makes my fence look terrible. I might have to build a new one.

We hope you have a good Thanksgiving and hope to see you next week.

Farmers Can Raise Registered Weight of Farm Vehicles

We are at the time of year when many farmers are using trucks to gather and deliver their crops to various places. Many of these trucks are seldom used on the public highways and therefore, the owners would like to know how to register these vehicles at the least possible cost and still operate legally.

A farmer who uses commercial, in connection with his own farming operation only, may register these vehicles at a 50% reduction of the commercial fee.

The following example is typical of farm trucks operated in this area. The empty weight varies from truck to truck, but we will use the following figures for a two (2) ton truck.

Empty truck weighs - 8,700 lbs.
Carrying capacity (2 tons) 4,000
Minimum gross registered

weight 12,700
Annual registration fee... \$91.42
50% reduction for farmers \$45.71

This registration is sufficient for the general farm usage when light loads, 4,000 lbs. or less, is being transported. Then comes the harvest season when the truck is needed to haul larger loads. What can be done to raise the registered weight for a short period of time?

Farmers may raise the registered weight of their vehicles to the necessary amount by purchasing a Quarterly Permit. These quarters are: FIRST QUARTER, April - May - June; SECOND QUARTER, July - Aug-

ust - September; THIRD QUARTER, October - November - December; FOURTH QUARTER, January - February - March. The farmer can raise the registered weight of his vehicle for any of these quarters by paying 30% of the annual fee for the amount of registration purchased.

EXAMPLE: A two ton truck with an empty weight of 8,700 lbs. Annual fee for minimum amount of registration is \$45.71. Fee to raise registered weight to gross of 22,000 lbs., by Quarterly Permit method for each quarter is \$11.79.

This enables the farmer to register his vehicles for the minimum amount on an annual basis and raise the registered weight to the amount necessary

to haul maximum loads during seasons of peak use. This method of registration is available at the County Tax Assessor and Collectors Office on a voluntary basis only. Once a vehicle has been appraised for being over registered weight, the owner must purchase the necessary amount of registration for the full registration year and if convicted of the charge of Over Registered Weight be fined not to exceed \$200.00.

Another method of raising the registered weight on a vehicle is to purchase 72 hour registration permits. This type of permit is good for the maximum legal gross weight of any vehicle. It can be used by itself and meets all registration requirements or can be used in conjunction with regular registration to raise the registered weight. This permit is only valid for 72 hours as the name implies. These permits are available at the County Tax Assessor and Collector Office and Texas Highway Department Permit Offices at a cost of \$10.00. Again this type of registration must be purchased on a voluntary basis and is not available to a vehicle owner who has been charged with the violation of Operating an Unregistered Vehicle for being Over Registered Weight.

The Texas Statutes require the operator of any commercial vehicle, including farm trucks, to carry the license receipts (registration receipts) in the vehicle and display them upon request to any peace officer.

The operator of any commercial motor vehicle with a manufacturers Rated Carrying Capacity in excess of 2,000 lbs. is required to have and display a Commercial Operators License upon request by any officer. This means that a person driving a truck up to and including a one (1) ton truck may legally do so with an operators license. The driver of a truck larger than one (1) ton capacity must have a Commercial Operators License when hauling a load.

Entry Deadlines Announced For Fort Worth Fat Stock Show

FORT WORTH — W. R. Watt, president and general manager of the Southwestern Exposition and Fat Stock Show, has announced that premiums for the 1970 exposition will exceed \$240,000.00.

The figure includes prize money and entry fees for the Stock Show, the Horse Show and the Rodeo. It is an increase of more than \$8,000 over the 1969 total. Premiums for the 1970 Livestock Show alone, at \$134,444, are up by more than \$6,000.

The 1970 Southwestern Exposition is scheduled for Jan. 30 through Feb. 8. Entry deadlines are Dec. 15 for cattle, horses, sheep and swine, and Jan. 15 for poultry, pigeons and rabbits.

Premiums have been boosted in a number of categories, Watt said. Major increases include \$1,135.00 more for Open Steers, \$1,440.00 for Carcass Steers, \$2,235.00 for Junior Heifers and

\$1,850.00 for cattle in Carlots and Pen competition. Charolais premiums have been doubled, from \$2,400 to \$4,000.

Premiums for the Horse Show amount to \$26,815.00, plus entry fees in the performance classes.

Watt said over 500 professional cowboys are expected to compete in the 20-performance rodeo, where more than \$80,000 in prize money and entry fees will be at stake.

Approved Crops Changed for 1970

There is a major change in eligible crops to be planted on diverted acre under the wheat and feed grain program for next year.

The planting of sweet or forage sorghums will be authorized for acreage diverted in 1970. Red top cane is a sweet sorghum and cannot be planted. Any sudan or sudan cross that will have a grass type seed can be planted as a cover.

Sale and Lease Of Cotton Allotments

An important change in regulations regarding the transfer of cotton allotments has been made. For the first time cotton acreage may be leased, bought or transferred by owner to farm without cotton allotments. All sales and leases must remain within the county. Next year's allotment and yields should be determined by December 1, 1969 and mailed to producers.

December 31, 1969, is the final date to lease, sell or transfer cotton acreage. A list of those desiring to lease or sell and those wishing to secure additional acreage is being maintained in the county office for the benefit of cotton producers.

Remember all sales and leases must be completed by December 31, 1969.

CofC To Sponsor Window Contest

The Chamber of Commerce will offer cash prizes for business window or store front Christmas decorations. Individuals or clubs may enter.

In the past, some clubs and organizations entered front of vacant buildings or store windows were taken over by clubs and decorated.

Three cash prizes will be given and entries will be taken through December 15, at the Chamber offices, by telephone or in person. Judging will be December 22, or before, by capable judges.

These decorations will add much to the appearance of Baird, and will also add to the spirit of the season.

CLYDE — The Bulldog Boosters will meet Wednesday evening, Dec. 3, at 8:30 p. m. in the school cafeteria.

The boys and girls high school varsity basketball teams will be introduced during the meeting.

The Way The Ball Bounces

By GAYL MIKESKA

From Clyde HS

The girls game Friday night, Nov. 21 at Albany was an exciting one. Clyde won by a score of 62-33. High scorer of the game was Kathi Smith with 29 points. Next came Becky Bailey with 18, Doris Shelnut had 9, Becky Spears 4, and Linda Bryan added 2. The forwards had an unusually good night, making 70% of their shots from the floor.

Guards playing for Clyde were Linda Bryan, Charia Hawk, Linda Anderson, Sherry Kennard, Vonda Poindexter and Debbie Caraway. Linda Bryan had 11 rebounds, making her the leader for the game.

The boys game was equally exciting with a score of 59-61. Terry Rosinbaum was high scorer with 15 points. Johnny Pierce tallied 14, Jimmy Newman, 12, Tim Copeland netted 8 and James O'Shields made 2.

O'Shields had an excellent rebound record, leading with 13. Pierce rebounded 11 times, putting him in second place for the night. Copeland scored on

80% of the field goals he attempted, the best percentage of the game. Jimmy Newman made 100% of his free throws.

Freshman Jackie Fleming made a good showing in his first high school game.

Monday night the girls won at Anson by a score of 47-37. This is the first time in several years the girls have won over Anson. Kathi Smith scored 31 points, Becky Bailey and Becky Spears each contributed 6 points. Doris Shelnut added 4 points to make the total.

Becky Bailey was also leading rebounder, capturing 12.

The forwards were helped tremendously, as always, by a good defensive team, including Linda Bryan, Linda Anderson, Charia Hawk and Sherry Kennard.

Clyde boys lost their game Monday by a score of 52-62 at Anson. Pierce was high scorer with 18 points Rosinbaum and Engate Hawk each netted 10 points. J. Newman scored 8, O'Shields 6 and Copeland 2.

Pierce had the best field goal percentage, hitting 67%. Rosinbaum hit 62 percent, Rosinbaum 57 and Newman 44. The boys did some good work Monday.

We're watching you Bulldogs, so come on strong!

Clyde Girls B Wins Over Albany 45-15

CLYDE — The B team girls made a trip to Albany and defeated the Albany B girls 45-15. High scorers for Clyde were Jan Dowden with 27 points, Peggy Patton with 11 and Sandra Shoemaker, 7.

Albany's High scorers were Rogers with 8 points and Beall with 5.

The Clyde guards played good defense throughout the game.

The B team will enter the Wylie Tournament on Dec. 5.

FAT ALBERTS TOOK ON THE WEIRD HAROLDS HERE NOV. 20

BAIRD — What is a Fat Albert and a Weird Harold? The names of two girl football teams, of course.

Tension was in the air last Thursday night, Nov. 20, as the Fat Alberts met the Weird Harolds. The game went back and forth with a lot of good blocking and a lot of handker-

chief pulling, but no score. The teams were too evenly matched and neither could carry the pigskin for a TD.

The Fat Alberts, combining the talents of the Freshmen and Juniors, went against the Weird Harolds, made up of Sophomores and Seniors. Mentioning just a few of the Harolds, with such nice nicknames and positions: Moose Myers, wayback; Earthquake Elliott, block & tackle; White Elephant, swayback; Creamed Corn, soft center; Fearless McPherson, rearend; and Piggy Parker, fishing tackle. Coaching the Harolds were Roger Weeks, Ruben Suniga, Johnny Voigts and Ray Walker.

The Fat Alberts nice nicknames started with Mobil Goble, Wild Woman Williams, Torturous Tollet, and Vicious Varner, coached by Sonny Collins, Donny Rowe and Tom Windham.

Halftime ceremonies would not have been complete without the crowning of a sweetheart. This year's honor went to "Tippy Toes Stovall," who was presented a lovely bouquet by Corn and Odom.

Bears Get Second Victory, Bearettes Fall To Mountaineers

BAIRD — Last week the Bearettes defeated the Putnam Panthers to the tune of 51-34. Vicki Varner took scoring honors with 23 points, ably assisted by Marian Odom 12, Jo Lynn Whitehead 6, Vicki Griggs 6 and Debbie Haas 4.

Leading the scoring for the Panthers was Elaine Isenhower with 23 points.

The cold shooting the Bearettes helped deprive them of their second victory last Friday night as they went against the Santa Anna Mountaineers. The Bearettes could only cough up 19 points to the Mountaineers 49. Marian Odom made a contribution of 12 points and Vicki Varner chipped in 6.

Mountaineer Vicki Neff led her team to victory with 38 points.

The Bears took their second victory of the young season, piling up 62 points to the Mountaineers 31. Tommy Varner's 22 points headed the Bear offense with a big assist from Howard Gordon with 19. Sonny Collins had 9, Tom Windham 3, Ruben Suniga 6, Roger Weeks 2 and Billy Denman 1 helped round out the score.

R. Beal had 20 points for the losers.

Clyde Jr. High Wins 2nd In Eula Tourney

CLYDE — The Junior High boys began their basketball season last Thursday night by defeating Hawley by a score of 30-21. Paul Beeman and Johnny York led the scoring.

Saturday afternoon, the Bulldogs came from behind to defeat the Lueders-Avooca team by a score of 32-26 to advance to the finals.

The Clyde Bulldogs were no match for the more experienced Eula Pirates as they were beaten by a score of 52-22. However, with only three days practice time the Bulldogs did an acceptable job for the beginning, by winning second place in the tournament.

Jarrell Hurst was named to the All-Tournament team.

Jr. High Teams Fall to Jim Ned

BAIRD — The Jr. High girls and boys traveled to Jim Ned Monday night, only to be disappointed by the Jim Ned Indians.

The A team girls took a beating from the Indians with the score 52-18. Eleven of Baird's 18 points were scored by Angie Holland.

Cheryl Greenway took scoring honors for the B team with three of the four points scored by Baird, to Jim Ned's 18.

The A team boys came a little closer to the Indians with a score of 34-20. Andy Vestal took the spotlight on scoring with 11 points.

The Jr. High A & B boys and girls will host the Eula Jr. High here Monday, Dec. 1, starting at 5:30 p. m.

JUNIOR HIGH GIRLS TAKE CONSOLATION AT EULA

CLYDE — The Jr. High girls won consolation at the Eula Tourney last weekend.

The girls lost their opening game to Hawley Thursday night 13-30, with Gienna Chrane holding scoring honors. Saturday morning Linda Smith was high point as the girls beat Lueders-Avooca 22-19.

Karen Long led the scoring department Saturday night as she defeated Wylie 27-25.

Forwards for the tournament were Karen Long, Teresa Carson, Linda Smith, Gienna Chrane and Kay Williams. The guards did a fine job on de-

fense. Guards were Lynn Key, Cristal Hawk, Gail Yarbrough, Cindy Johnson, Deborah Franklin and Connie Windham.

Lynn Key made the all-tournament team as a guard, and Linda Smith received the sportsmanship trophy.

Other members of the team are Jeri Pruet, Donna McIntyre, Rhonda Poindexter, Shirley Gray and Cindy Barber.

Bears Take 3rd Win Tuesday

BAIRD — The Bears have won their third straight game, rolling over the Cisco Lobos Tuesday night in Cisco.

Three boys, scoring in double figures, helped run the score up to 70-22. Varner lead the Bears with 20 points, followed by Weeks with 14 and Gordon's 13. Baird showed a pretty strong defense, allowing the Lobos only two more points than Varner chalked up.

The Bearettes came on strong Tuesday night, scoring 74 points to down the Cisco girls team. Defense showed up good, holding the Lobos away with 64 points. Vicki Varner popped the nets for the scoring honors with 36 points, assisted by Kathy Reeves 28, Marian Odom 8 and Cindy West 2. The girls have begun to show some polish and ready for their next game here Tuesday night, Dec. 2 with Santa Anna, and for the Eastland Tourney coming up next weekend, Dec. 4, 5, and 6.

Nine Teams Compete In Florida Scramble

BAIRD — A Florida Scramble was held at Shady Oaks Recreation Center Sunday, Nov. 23, with nine teams competing for the three top spots.

Placing on the number one spot and shooting a new record with a 61 were John Wright III, Ken Preston, Curtis Sutphen, and Helen Curtis.

Second place honors went to A. E. Dyer Jr., Pat Dyer, Charles Walker, JoAnn South and Mary Denman with a 64.

Rounding out the Scramble with third place were Gene Anderson, Bo Pruitt, Betty Hardwick, Lanetha Walker and Bess Bruno shooting a 65.

TRUE OR FALSE?

If the heart is right, is that all that matters to God? Many are heard to say so. What does the Bible teach?

God cursed Cain because he did not offer what He had commanded, though he did make an offering. Gen. 4:1-15.

God punished Lot's wife because she looked back when she had been commanded not to look back. Gen. 19:17,26.

Nadab and Abihu, Old Testament priests, were consumed by fire because they presumed to use fire which the Lord had not commanded in burning their incense. Gen. 10:1, 2.

Uzzah was smitten of the Lord because he touched the ark of God when it appeared about to fall 2 Sam. 6:6,7.

Each of these teaches us that God is an exacting God, and He will not permit tampering with His word. Man's heart does not make things right in the sight of God. We will be judged by His word, not by our hearts. John 12:48. Rev. 20:12-15.

Jesus made it plain. "Not everyone that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father in heaven." Matt. 7:21. Are you doing the will of the Father? Or are you following your own heart?

TAX MAN SAM SEZ:
 If you don't know about the new income tax form, you will shortly after January 1. Internal Revenue Service has issued a fact sheet on the new form 1040. Here are some of the facts. The new 1040 not only replaces the card form 1040A, but also the old 1040 form. The new form is a one page basic form to which schedules can be added to cover any tax situation. IRS says that 77 million returns will be filed for this year - 1969. An estimated 31 million will use only one page. Another 22 million returns will consist of the new one-page form and one additional attachment. Thus, about 75% of all the 1969 income tax returns will require only one or two pages.

IRS assures taxpayers who formerly filed the little card form 1040A that the new form will not complicate filing nor require additional information of them. The new form simply provides a different place for the information that should actually be easier to use. The good tax folks feel that the new form will help 1040A filers take advantage of all the deductions available to them, especially those who overpaid their income taxes because they were not aware of, or could not take advantage of, the various tax benefits available to them. Internal Revenue gave the problem long and thorough study before they changed the tax form. Let's all hope it will make the job easier and save us a few bucks.

THE FIRST THANKSGIVING

By Beulah Hoake

When Pilgrims came to this fair land,
The year was Sixteen-Twenty,
They asked God for a helping hand
To assure them food and plenty.

For all was new, and things that grew
Were not their usual fare,
But a miracle would see them through
Of this they were aware.

Then God sent a noble Indian Chief . . .
The great Samoset, his name,
With wisdom far beyond belief,
This wilderness to tame.

He came with precious fertile seeds
Of beans and squash and corn,
And taught them how to meet their needs,
Their table to adorn.

They tilled the soil and planted seed
From dawn till set of sun,
And nurtured it with care indeed
Till the battle had been won.

And when the harvest time was o'er
With it's bounty for good living,
Great thanks unto the Lord they bore
With the Pilgrim's First Thanksgiving.
