City orders more signs

Motorists will soon know exactly when they are entering Iowa Park's city limits, regardless of which route they are taking.

The city council Monday night approved purchase of five large signs, similar to those provided by the state highway department, at an estimated cost of \$71 apiece.

Action was in response to a case that was dismissed in municipal court recently, when a driver who was ticketed for speeding complained he did not know he was inside the city.

Aldermen also agreed to pass an ordinance at the next meeting which would set the speed limit on West Smith Street at 40 miles per hour.

Votes approved amending of two ordinances that had to do with bonding of city personnel and appointments to positions.

Several of the city's personnel had in the past been required by the ordinance to be covered by bonds, at the city's expense.

Administrator Gary Jones, one of those requiring bonding, said he felt "an oath of office serves the purpose and is a lot less expensive."

The council agreed and passage dropped the requirement.

The other ordinance amendment cleared the way for Jones to appoint Sue Goodknight as municipal court clerk and Donna Koehler as both deputy municipal court clerk as well as assistant city secretary.

Those appointments were confirmed by the council.

Water department superintendent Delbert Sigafus was twice recognized during the meeting.

Sigafus, an employee of the city since 1977, is retiring this week.

Mayor Wayne House read a resolution declaring Friday, Mar. 29, as

"Delbert Sigafus Day" in Iowa Park, and then recognized him as the city's Employee of the Month.

A proposal to authorize the administrator to advertise for bids for plumbing fixtures for the Recreational Activities Center was approved.

During a discussion period, Jones told the council he and Mayor House, along with H.M. Nipper, had attended a meeting earlier that day in Wichita Falls where various taxing entities in the county heard a report on proposed tax abatement offers to encourage expansion or location of new industries.

Plenty of eggs for hunters

There will be plenty of Easter Eggs for all the young hunters of the Iowa Park area, as three "hunts" for the public have been scheduled.

Sunday is Easter Day.

The traditional hunt sponsored by the Iowa Park Evening Lions Club will begin at 1:30 p.m. Saturday, in the area south of Hawk Stadium.

Areas will be designated for five age groups: 0-2, 3-4, 5-6, 7-8 and 9-10. They will be salted with 4,000 eggs, and

among them will be 10 that will earn prizes for their finders.

Saturday morning, Wal-Mart will hold a hunt for youngsters ranging in age from one to seven.

The Wal-Mart hunt is to begin at 10 a.m.

From 1 p.m. to 1:30 Friday, the Tom Burnett Memorial Library will sponsor an egg hunt on the grounds around the library.

No age specifications have been set for youngsters who can participate.

RALLY PARTICIPANTS - Flag and lighted candles were displayed throughout Sunday evening's Troop Victory Rally, held on the grounds of Tom Burnett Memorial Library. For more pictures of the event, please turn to page 6 of this issue.

CAUTION: tornado season here

It's tornado season again, as evidenced by two alerts being issued for the area during the past week.

Local spotters were called into action Thursday afternoon when the first alert was issued as a storm passed over the area producing light hail and rain.

Then, Tuesday evening the second alert of the season was issued when

storms developed several counties to the southwest, but dissipated before local spotters were needed.

This area has an outstanding warning system, developed over many years of tornado problems.

Besides the Weather Bureau's radar scanning of all potential storm systems, visual observations are made by

county deputies, local police and volunteers from the fire departments and ham radio operators.

Iowa Park's Volunteer Fire Dept. checks the city's tornado alert siren system once each month.

At 7 p.m. on the second Tuesday of each month, the sirens are sounded and their working conditions evaluated.

The sirens are not sounded for effect, however, whenever there are threatening clouds in the area.

There is only one shelter available to the public, in case of a tornado warning.

The shelter is the basement classroom area at Iowa Park High School. School officials are notified by the police department radio dispatcher whenever a take-cover alarm is issued, and a school representative unlocks the building for the public.

One note, however, the school has a policy that pets may not be taken into the school building when an alert is sounded.

For those who choose not to go to the school, or have a neighbor with available space in their cellar, the Department of Public Safety Division of Emergency Management has issued information which can be helpful to families in preparing for emergencies.

Families should periodically hold a tornado drill in case a tornado warning is issued.

The safest part of the house during a tornado traditionally is the basement, if one is available. Families should be aware of the potential for flooding if there is heavy rain in the area.

Interior bathrooms, hallways and closets on the ground floor also offer protection from tornadoic winds.

Avoid windows and outside walls.

Take along blankets or sleeping bags to protect yourself from falling debris and shattering glass, which are frequently cause of death and injury during a tornado.

Residents should have a portable radio and flashlights (with fresh batteries for both) as well as bottled water, extra prescription medications and a first aid kit in the shelter area.

Stolen vehicle report nets 2 for possession

A charge of vehicle theft was dropped against two men arrested here Wednesday of last week, but new charges of possession of marijuana were pressed.

As is the policy of local police, a check on a Colorado license plate seen on a late 1970 model Toyota wagon in Wal-Mart parking lot was made and the response was confirmation it was listed in that state as having been stolen.

The two occupants, identified as Dellas Frank Binion, 35, and Donald James Hopkins, 43, were placed under arrest and taken to the police station.

Inventory of the vehicle, also a policy, was made, and two containers of marijuana, with a total weight of 15 ounces, were found, according to Chief Wayne Parsons.

After being taken before Justice of the Peace Bill Robinson, Binion and Hopkins were transported to county jail.

When Colorado authorities were contacted about picking up the vehicle, local police were told a motel owner there had confiscated the vehicle after it was abandoned on his property, and given it to the two men.

So the charge of vehicle theft was dropped, Parsons said.

After a rash of vehicle and business glass damage by what is believed to have been done by bb or pellet guns, Parsons said four such guns were confiscated Tuesday, "For safe keeping."

Police began receiving complaints Tuesday morning from numerous business owners, mostly in the northwest part of town, about the damage.

Park Tank reported the windshields of five trucks, each valued approximately \$250, had been attacked.

Plate glass windows and a glass door were damaged at Tim's Fina, a plate glass window at Windy's Texaco also was broken. Both are located on Johnson Road at US 287.

At the nearby Woodbriar Apartments, a glass window of a telephone booth was broken, police were told Tuesday. Two males shooting a gun were observed by a witness, and that's where two of the guns were confiscated.

Two other businesses reported windows having been shot Wednesday, but the owners did not know if it had been done Tuesday night or Monday night. Neither was broken out. The damage was a small hole.

The businesses were Jim's Conoco and Parkway TrueValue.

Four theft reports, two from the same neighborhood, were received by police.

Thursday afternoon, a resident in the 100 block of James Drive told police a concrete nail gun had been taken from his pickup. It was valued over \$200.

Two days later, another resident of the same block reported the theft of a two-man "bass buggy" that had been kept in the yard.

The other two thefts were reported Tuesday to police.

One was a vehicle radio antenna, from a resident in the 800 block of South Wall, and the other was a

lawnmower taken from a shed in the back yard of a home in the 900 block of South Wall.

Two arrests, besides those charged with possession, were made during the past week, according to the police blotter.

Mark Allen Swanson, 30, was taken into custody at 11 p.m. Friday in the 300 block of East Lafayette, on a charge of assault with bodily injury. He was taken to county jail.

Police placed Thomas Cecil Sims, 24, into custody during the weekly session of municipal court Thursday after Sims declared he could not pay \$581 in fines.

Eight warrants had been issued against Sims, some duplicated, for having no drivers license, no vehicle insurance and failure to appear in court. Sims was taken to county jail.

Two juvenile boys were taken into custody Friday for allegedly having caused damage to a storage shed in the yard of a vacant home in the 1100 block of Louisa.

Parents of the youths agreed to pay all damages, according to the blotter.

Names drawn for ballots

Drawings were held Thursday morning to determine the order names will be printed on the May 4 city and school election ballots.

In both elections, three positions are to be determined this year.

City ballots will include, in the order as drawn:

Place One - Virgil Woodfin, Bob Birk and Ira Hambricht;

Place Three - Bob Hamilton, Bill Guthrie and Bud Mercer.

Place Five - Sherry Wood, Mark Raby, Jo Lynn Cockrum and Bruce Palmer.

School ballots and the order in which candidates' names will appear:

Place One - Buddie Bridwell, Walter Beeman, Martha Dudley, Sandra Lehman and Carmen Lozipone;

Place Two - Wendall House and Max Henderson;

Place Three - Sherri Kennedy (unopposed).

In-person absentee voting will begin Monday, April 15 and conclude Tuesday, April 30.

Persons who are not yet registered to vote in either or both elections have until Thursday, April 4 to register.

News Briefs

Administrator's pay reported

Gary Jones, hired last month as the city's new administrator, will be paid \$40,400 annually.

The sum includes a base salary of \$32,000, \$4,800 car expense and \$3,600 in lieu of medical insurance.

The information was made available Monday by Mayor Wayne House,

who had stated the night Jones was hired "There still are some things to be worked out -- no salary agreement yet."

The mayor was responding to a question posed by the *Leader*, since details had not been discussed at either meeting following Jones' hiring.

Early deadlines set next week

Deadlines for the April 4 issue of the *Iowa Park Leader* have been moved up slightly, according to Bob Hamilton, publisher.

The regular deadline for classified advertising, for next week only, has been moved up from 12-noon to 10 a.m.

All news reports should be in the office by 9 a.m.

The change is necessary to allow some members of the staff to attend the annual meeting of the North and East Texas Press Assn. in Nacogdoches, which starts Thursday.

.28 rainfall measured Thursday

Iowa Park received .28 of an inch in rain from a small storm Thursday afternoon, according to Virgil Woodfin.

Some residents reported having measured almost half an inch, however.

Small hail was reported by many residents during Thursday afternoon,

mostly in the southeastern part of the city and area.

Woodfin's measurements for the month are now .69 of an inch, and for the calendar year -- even without any measurable amounts the entire month of February -- now total 3.36 inches.

Trustees call meeting Friday

A called meeting of the Iowa Park school board will be held at 7:30 a.m. Friday in the administration building.

The first portion of the meeting will be held in executive session.

When the meeting is re-opened to

the public, the agenda calls for action to "consider recommendation on non-renewal of a staff member."

The agenda, posted Monday afternoon, does not state the name of the "staff member" being considered.

Woodfin gives Garden Club program on bee keeping

Virgil Woodfin presented the program for Iowa Park Garden Club, and a report of the recent District Convention was given by Mrs. Ray Copening when members met Friday at the TU Reddy Room.

Mrs. Gene Young gave the thought for the day, entitled "Spring Time Glory."

Mrs. Copening announced that the Iowa Park Garden Club received four awards at the District II Convention held in Burleson.

The awards included honorable mention for the president's report and the yearbook, second place for the scrapbook, and 100 percent for the president's book. The club also received a director's citation for sponsoring a poster contest on conservation each year for first grade students.

In addition, Mrs. Billy C. Gilmore and Mrs. Jim Gilmore also received citations for their work as district chairmen.

Club members attending the convention with Mrs. Copening were Mrs. John Clapp, Mrs. Deryl James, and Gladys James. The convention theme was "Plant, Preserve and Beautify."

Mrs. Clapp, president, presided during the Friday business session. She read a Certificate of Appreciation from the Iowa Park RAC for the monetary contribution made by the club.

Mrs. Gladys James announced that the Yard of the Month sign has been placed in the yard of Mrs. Margaret Wiese, 311 Kathleen.

Woodfin, retired superintendent of Texas A&M Experiment Station,

was introduced by Mrs. Deryl James, vice president. He gave an informative program on "Bees."

He gave the history of beekeeping, stating that it can be traced back 2,000 years.

Woodfin said the colonists who settled the new land brought honey bees with them from England. The Indians called the bees "white man's flies."

He explained that bees are important to agriculture as well as gardening because of their ability to pollinate the plants. Woodfin named the three types of honey bees, the queen, the worker, and the drone.

He said that it takes about 300 bees to make one pound of honey, and that most hives have 30,000 to 80,000 bees living in them. He added that honey is a perfect food that can be converted into quick energy.

The speaker brought several items to show to the group, including a wooden beekeeper's hive, a smoker, used to calm the bees, tools to loosen the frames inside the hive, and a hat with a net that he wears over his face when he robs a hive.

Mrs. Jim Gilmore brought the horticulture display which was several different varieties of cactus plants.

Following the program, the hostesses, Mrs. Kay Cole and Mrs. Jesse McCullough served refreshments from a table centered with an arrangement of pink silk lilies. Other decorative accents carried out the Easter theme with ceramic baskets, colored eggs, and rabbits.

TREE FOR CHAMBER - The belated Arbor Day observance of the 23 Study Club was held Monday morning, when Mrs. Joe Singer and Chamber of Commerce Secretary Sue Dillard planted a tree donated by the organization on the grounds of the Chamber office.

District convention held here

Nine clubs were represented when the Texas Federation of Women's Clubs' Santa Rosa District held its district convention recently at First United Methodist Church in Iowa Park.

Local clubs were hosts for the meeting, and include 23 Study Club, Philia Study Club and Amity Study Club.

Mayor Wayne House welcomed the guests and presented a key to the city to Lorene Howard, District President. He also gave "Town of Friendly Living" pins to all club presidents in attendance.

Dee Decker, of Philia Study Club, led the Pledge of Allegiance and Salute to the Texas Flag.

Topics discussed in the morning session were scholarships, conservation, beautification, environmental education, conservation of natural resources, continuing education, cultural exchange, public affairs, crime prevention, arts and crafts and M.D. Anderson Hospital.

Two representatives from First Step Inc. in Wichita Falls expressed concern for the growing need for a new shelter. The present shelter houses 17 individuals, but at they are presently housing 20 to 25 people. Plans for a new shelter are being made, but monetary contributions are needed. Services given by the shelter include emergency help for assault victims

and confidential counseling for women and children.

At noon, a luncheon was served, and the delegates had a chance to shop in the "country store." Kid's art items such as Crayon boxes filled with sizzors, paint brushes and chalk were used for the table decorations, and carried out the convention theme, "Sparkle Your World With Art."

During the afternoon the topics discussed included community improvement programs, outstanding club programs, membership, GFWC centennial celebration, public relations and communication.

Texas Heritage program highlights meeting

Twenty-three Study Club's March meeting was especially meaningful to members for two reasons.

It was annual guest day when members had the privilege of inviting special relatives and friends, and the Texas Heritage program, highlighted by Ruth E. Reuther's presentation, was superior.

The meeting was held in the First Presbyterian Church. Hostesses were Miss Frances Park, president, and Mmes. Joe Singer, Jim Medlinger, John Clapp, Howard Marlar and Homer Blalock.

Members and guests registered in a Texas-shaped card placed on a table in the entry. An antique crochet cloth covered the registry table that was appointed with a shovel painted with bluebonnets and a cowboy hat. Back of the table was an easel that held a large open book, "Texas: A Salute From Above."

Mrs. Singer served as program

chairman. Mrs. Erwin Soell showed special appreciation for the friendship of guests, as she presented the meditation in words that were like unto Robert South's quote for the day, "One good friend is not to be weighed against the jewels of all the earth."

Mrs. Soell also mentioned the sixth line of the Club Collect as a good guideline for treating friends, and closed with a poem, "From the Heart."

For the Texas trivia touch to the program, Mrs. Warren McDonald focused attention on the town of Marshall, and the important place it has in the state's history.

Mrs. Singer and Mrs. John Rentschler, pianist, led the group in singing "Texas, Our Texas."

Mrs. Reuther of Wichita Falls, a retired teacher in that public school system, has had more than 200 poems and six books published. Among the published books is "Gray C Circus Horse."

Included in the many honors that have been bestowed upon her are State Poet Laureate in 1987 by the Texas legislature, and being inducted into North Texas Woman's Hall of Fame in 1985.

Mrs. Reuther used some of her poems to depict Texas during the periods of missions, Civil War, forts, cattle, stage coach, and modern Texas.

She was assisted by Eddie Lake Buntin and Loraine Green, former music teachers in Wichita Falls schools and churches, who provided ballads and sound effects for the cattle and stage coach eras.

The reception hall where refreshments were served reflected the Texas theme in decorations. A small table at the entry which held a Texas flag was banked with chaps, a serape and cowboy boot. The piano top held a Texas-shaped basket painted with bluebonnets.

A table arranged for "show and tell" items of Texas memorabilia was covered with denim and held hats worn by pioneer Texas men.

Two of the hats were worn by the late Oscar Lochridge and T.M. Thaxton, pioneers of the local area. The table also held silvered cowboy boots worn by Tony Singer when he was three years old, and a bluebonnet plate.

The refreshment table was covered with a crisp white linen cloth bordered with wide lace. It was centered with a bouquet of feverfew, sage, pear blossoms, broomweed, daisies and leatherleaf in a cowboy hat.

A large sheet cake baked and decorated in a Texas motif by Mrs. Mark Patterson, was the center of decorative interest. The crystal punch service was at one side of the table and a silver coffee service set on a small table nearby. Napkins featured a patriotic theme.

Renea Edwards and Stacy Ward

June wedding planned

The engagement of Renea Edwards to Stacy Ward and their wedding date has been announced by the bride-elect's parents, Mr. and Mrs. Wayne Edwards of Kamay.

Parents of the groom-to-be are Mr. and Mrs. Mike Ward, also of Kamay.

The couple will repeat their wedding vows June 1 in Christ the King Catholic Church of Iowa Park.

Both Miss Edwards and Ward are graduates of Iowa Park High School. He is a junior and she is a sophomore at Midwestern State University.

Couple feted at pre-nuptial dinner

Dee Ann Todd and Dean Emberton were honored at a dinner party March 16 at the Texas Electric Building. Hosts were Mr. and Mrs. Afton Pike and Mr. and Mrs. Gene Owens.

Spring colors decorated the party room and tables were covered with white lace-edged linen cloths. Focal point of each table was a bouquet of fresh flowers in the bride-elect's chosen wedding colors that centered a long table runner in the same colors.

Southwestern food prepared by the hostesses was served from a table that was adorned with white linen and spring flowers.

Pike conducted party games for guest couples. Following the games the couple was presented tools and kitchen gadgets by the guests.

Special guests included parents of the couple, Mr. and Mrs. Delbert Todd and Mr. and Mrs. Dale Emberton,

and grandmothers of the couple, Hattie Wilson and Lily Lane.

The wedding is calendared for May 25 at First United Methodist Church in Iowa Park.

Mass CPR session scheduled April 27

The first mass training session for cardiopulmonary resuscitation, scheduled Saturday, Apr. 27, at the Woman's Forum in Wichita Falls, is expected to certify 500 people in the lifesaving technique.

"We expect a big turnout, probably over 500," said Marge Alexander, chairman of the American Heart Association Wichita County CPR Task Force.

"We have had a lot of requests from the community for CPR training. We are also encouraging people to pre-register."

As I See It ■ By Bob Hamilton

We apparently have a large number of rural residents who are of pioneer stock: independent and hard headed.

Not all of them are that way, of course, but there are a bunch.

Every year, especially at this time, fire departments plead with residents to let them know when control burns are going to be started.

It's a simple request, and simple to comply. If you're going to burn anything, just let the nearest police or fire department, or sheriff's office, know about it -- in advance.

All fire calls in the rural area of Wichita County are answered by volunteer firemen.

That means these caring citizens must leave their jobs, meals, families, beds, or whatever they are doing, to respond to a fire call.

Now then, not all fire calls are for emergencies. There are those control burns that haven't been reported.

I don't know the figures for all the other volunteer departments in the county, but the vast majority of fires Iowa Park firemen respond to are in the rural area.

And that figure doesn't include the ones where there is a "10-22" signal, meaning trucks can return to their base, there is no emergency.

That's what happens after these guys make their hasty run to a rural fire, only to determine it's a control burn.

Ever heard of the "cry wolf syndrome?" That's what happens when one continues to make a needless response, time and time again. The response time lengthens.

And anyone with an emergency needs the shortest response time possible, right?

We had another stupid situation the other day that I heard about on my scanner radio.

Someone north of Iowa Park had

decided they really did need to burn their trash.

The smoke was spotted by a citizen from a distance, and aware of a possible prairie fire, called in the report.

Let me qualify what I meant by stupid: the humidity was below 20 percent and the winds were gusting as high as 50 miles per hour.

With conditions like that, a grassfire started on our north side could wipe out the city of Burkburnett, and everything in between.

I'm not a volunteer fireman, but living with a scanner radio at all times, I know their problems.

People, please, if you're going to burn a field, waterway, fence row, tree stumps, old building, trash or anything, please let the radio dispatcher in your area know in advance.

We need these volunteer firemen fresh and ready when there really is an emergency.

Appreciates police

Dear Bob and City of Iowa Park:

As a business owner, I would like to thank the Iowa Park Police Dept. for the excellent job they do at night. I had a problem with hoses being taken, pump handles left on and trash in the parking lot. But not lately. I asked the police to please keep a watch at night and they have done an excellent job. Again let me thank the night shift and chief.

Tornado Continued from page 1

If a tornado strikes, electricity, gas, water and sewer service may be disrupted for several days.

Mobile homes and automobiles are dangerous places to be during a tornado. Families living in a mobile home should make sure all members know where the nearest substantial shelter is.

Persons in mobile homes who

cannot reach shelter as a tornado approaches are warned by the state group to go outside, lie down in the nearest ravine, ditch or culvert and cover your head with your hands.

A warning is issued to not attempt to get under a mobile home or car, because both can be easily picked up and carried away by a tornado.

Obituaries

Bertha I. Blair

Graveside services for Bertha I. Blair, 92, were at 3 p.m. Saturday in Holliday Cemetery.

Mrs. Blair died Wednesday at her home in Iowa Park.

Born Feb. 26, 1899, in what is now Meeker, Okla., she had lived in this area for nine years.

She was a homemaker and a member of First Baptist Church of Holliday.

Survivors are two sons, Earl of Iowa Park and Gene of Enid, Okla.; two brothers, Arlie Babb of Eldorado, Okla., and Merle Babb of Sacramento, Calif.; nine grandchildren; 12 great-grandchildren, and two great-great-grandchildren.

Elizabeth Bering Sledge

Services for Elizabeth Bering Sledge, 21, were held Wednesday afternoon at The First Baptist Church in Teague with Rev. Henry Davenport, pastor, officiating. Burial was in Greenwood Cemetery at Teague.

Miss Sledge died Monday afternoon in an automobile accident near Robbins.

Mrs. Raymond Long

Meredith (Mrs. Raymond) Long is a woman who views life as a sea of opportunity, and therefore she's not afraid to get her feet wet.

After teaching math at Iowa Park Junior High nine years and working two years for Region Nine Education Service Center as an education specialist in the field of drug education, she decided to fulfill a lifelong dream of owning a dress shop.

Meredith grew up in Vernon where her parents, James and Lela Huff, owned a grocery store. After graduating from Vernon High School, she attended Midwestern State Univ. where she received a degree in business administration, and later returned to get her teaching certificate.

Work with Region Nine required a lot of traveling, and when her parents (who now live in Iowa Park) became ill, Meredith felt like she needed to do something that would enable her to stay close to home.

Things began falling into place, and almost a year ago she opened Meredith's Boutique in Parkwest Shopping Center.

Meredith and her husband, Raymond, who is a sheet metal mechanic at Aircro Sheet Metal and Plumbing in Henrietta, have lived in Iowa Park since 1963. They are members of the Church of Christ where he is a deacon.

The Longs have two children. Their daughter, Lauri, is married to Anthony York. They live in Amarillo and have two children, Christopher, who is six, and three-year-old Olivia. Their son, Kyle, and his wife, Anissa, are students at West Texas State Univ. in Canyon.

With the responsibilities that go along with a new business, and caring for her family, Meredith says that she doesn't have much time for hobbies. When the opportunity is available, she likes to read and walk.

Her recipes are ones that she has collected from relatives and good friends. The recipe for "Vanilla Cookies", given to Meredith by her mother, is used for special occasions, and has been in the family for 45 years.

THE LORD'S SUPPER

I was amused recently when a company sent to us a ribbon that stated, "I attended church on Easter Sunday in glorious commemoration of the greatest event in all history." All my life I have read in the Bible the command to assemble (Hebrews 10:24, 25), mindful the early church did so on a regular basis (Acts 2:42). Certainly the death of Jesus Christ on the cross and His glorious resurrection are two of the greatest events recorded in the Bible; however the faithful child of God commemorates these two great events the first day of the week, the Lord's Day. Every first day of the week Christians are to remember the life, suffering, death, resurrection, and ascension of the Savior. (1 Corinthians 11:23-27; Acts 20:7). The Lord's Supper is a very important act of worship to the Christian because it brings to memory the things our Saviour has done for us.

The Lord's Supper had its origin in the mind of Christ (Matthew 26:26-28). This was one of the last things Jesus told His disciples to do before He laid down His life for the sins of the world. In the midst of such trying difficult hours He would not have wasted so much precious time in talking about that which was unimportant.

The New Testament church was diligent in observing the Lord's Supper. The custom of the early church was to meet on the first day of the week in order to partake that sacred feast. The early church was teaching and worshipping under the direction of men who were inspired and they were led into the doing of that which the Lord desired. The church today that desires to be like the church of the New Testament will meet on the first day of the week to break bread.

In the Lord's Supper, Christ is proclaimed in symbol. Christ has designated the bread and the fruit of the vine as memorials of His body and His blood. The proper observance of the Lord's Supper inspires us and makes us more consecrated. The one who truly loves the Lord will be diligent in observing the Lord's Supper. Meeting around the table of the Lord will be a joyful event toward which one looks in eager anticipation!

Iowa Park students compete for district literary honors

Iowa Park and Vernon will be vying for the Dist. 4-AAA Spring Literary Meet title today, when the final event, the one-act play, is judged.

Going into the final event, Vernon is leading in points 260-243.

Points which will be awarded are 20 each for the first and second place one-act play casts, and 15 for third place.

Additionally, the top-acting individuals will receive four, two and one points, respectively.

Iowa Park held a narrow edge over Vernon, 188-162, after the first day of activities.

But the second day's competition was speech and debate, one of Vernon's long-standing strengths.

Iowa Parkan Paul Schlaud was the only local student to win a place higher than third in the second day of competition. He was first in the Lincoln-Douglas Debate.

Violetta Luckey placed third in Poetry Interpretation.

Fourth places were award to Bill Alderman, Extemporaneous Informative Speaking, and Jessica Gallion, Extemporaneous Persuasive Speaking.

Steven Day was fifth in Prose Interpretation, as was the team of Melissa

Motl and Kim Welch in Cross Examination Team Debate.

Iowa Park Athletic Booster Club members will meet at 7 p.m. Monday, April 1, at the football field house. All parents are welcome.

Hawks beat Olney 16-8

Iowa Park's varsity baseball team knocked off Olney 16-8 Friday, and will see action again tomorrow at Nocona.

The Hawks scored 16 runs off 16 hits, while Olney was held to eight hits. Likely as big a difference in the game as the hits was the fact that the Cubs were credited with eight errors, while the Hawks had three.

Leading hitters for the Hawks were Patrick Kennedy, four hits in five at-

bats, including a double and a triple, and scoring four runs; Jeremy Carroll, three-for-four, including a double, and four runs; Tony Lozipone, three-for-five, three runs; and J'Bill Merrick pounding a double for his hit.

The Hawk game Friday at Nocona is to start at 4:30. The Green will have one more non-conference game, Childress here at 4:30 p.m. Tuesday, before facing Vernon there Friday of next week.

Lady Hawks win PK

The Lady Hawks earned first place in the final event of the day Saturday at Graham to bring home the championship trophy of the Possum Kingdom Relays.

And although the Hawks placed only fourth in their division, Gary Green established two personal bests in the shot put and discus, as well as giving a strong indication he is a contender for this year's state track meet.

Trailing 11.5 points behind host Graham when the 1600-meter relay, Iowa Park not only needed to win the event, but have at least two other teams finish ahead of the Lady Blues.

And that's exactly what they did, as Munday placed second and Abilene Wylie third, with Graham finishing fourth.

Iowa Park had earned a total of 127 points and Graham 126.5. Munday, the team that out-pointed the Lady Hawks a week earlier, finished in third place with 105.5.

Green had the only first-place points for the Hawks, and best his season-best

Making up both the 1600- and 800-meter relay teams are Christy Welch, Dee Ann Warren, Erica Knight and Keri Dorner.

Their 4:10.83 in the 1600-meter relay was a school record, according to Coach Lora Klankerman, and the 1:48.49 in the 800 was their best for the year.

In running legs on both the winning relays, Knight had five first places for the day and Dorner had three.

Individually, Knight won the 100-meter hurdles (15.85), triple jump (35-9), and high jump (5-0).

Dorner's other win was the 200-meter dash, and her 25.90 time was her best of the year.

Also picking up gold was Gina Inman, who earned first place in the 1600-meter run with a season-best 6:11.26.

Marcy McCarthy picked up third-place points in both hurdle events with clockings of 17.61 in the 100-meters and 50.72 in the 300-meters.

Jennifer Ricks earned second place in the discus with a toss of 97-3.

efforts in both the discus and shot put by several feet.

His 158-2 in the discus far bettered his previous best of 154-11 at Electra, and the 54-6 in the shot put exceeded his Hawk Relays best of 51-5 1/2.

Both of Green's efforts likely have put him among the top AAA distances in the state.

Also showing he has his eye on a trip to Austin in May was distance specialist Patrick Bark.

The senior runner placed second in both the 800-meter run with a 2:01.99, as well as in the 1600-meter run with a 4:45.20.

Joel McIlroy's 40-7 1/4 in the triple jump earned second-place points, and Joey Boyd cleared the bar at 11-6 to place third in the pole vault.

Vernon won the boys' division with 116 points, Decatur second with 96, and Jacksboro scored 86 points for third ahead of Iowa Park's 68 points. Host Graham finished in seventh place with 38.

The teams are slated to compete Saturday in Olney's Cab Relays. They'll have one more meet, April 6 at Seymour, before traveling to Brocktonridge on Friday, April 12, for the 4-AAA title meet.

Junior High teams compete

The Eighth Grade girls' track team placed highest of four Iowa Park Junior High teams that competed last week at Bowie, finishing in second place.

The Seventh Grade girls finished in third place, Seventh Grade boys fourth and Eighth Grade boys fifth.

AREA OIL & GAS NEWS

Wichita County's Regular Field will see developmental action when the No. 3 Pearl Boyd is spudded four and a half miles east of Kamay. Carrying permit for 1,999-ft., maximum drilling depth, the well is in a 150-acre lease in the John T. Lewis Survey A-462. Athena Resources, Inc., will be the operator.

total depth projected to 1,900 feet, it is in a 40-acre lease in the George Hezekiah Survey A-454. It is an exploration venture of S & J Operating Co., of Wichita Falls.

Tommy Swanson Oil Co., is preparing to make hole for the No. 61 Cunningham at a drillsite in Wichita County Regular Field, five miles southeast of Electra.

Exmoore Oil & Mineral, Inc., has posted first production figures for a new producer in the Wichita County Regular Field six miles north of Iowa Park.

It is scheduled for maximum hole of 1,000 feet. Location is in a 340-acre lease in the H&GN Ry Co. No. 13 Survey A-146.

The well is designated as the No. 182 Ruyle Unit "E."

Totaling over 120 barrels of daily potential, three new producers have been completed in the Wichita Field by Atapco Inc., of Houston.

It was taken to total depth of 1,740 feet and will produce from a set of perforations in the Gunsight Formation, 1,656 to 1,670 feet into the wellbore.

All three are located about four miles west of Burkburnett. They are designated as the Nos. 116, 120 and 124 Reilly "A." They potentiated at 32, 70 and 20 barrels of oil per day, respectively.

The well showed ability to produce 16 barrels of oil per day, plus 25 barrels of water.

Production is from perforations in the Gunsight Sand, ranging from 1,339 to 1,629 feet into the wellbore. Water production ranged from 159 to 16 barrels daily.

The well is located in a 441-acre lease in the SP Ry. Co. Survey A-437.

The No. 1 Denny "B" is scheduled for spudding in the Wichita County Regular Field with Patterson Production as the operator. It will be a 900-ft. test and is located in a 100-acre lease in the Cowherd Brothers Subdivision Survey A-81.

First production figures have been posted for the No. 2 and No. 3 Munger B Lease in Wichita Regular Field, about one mile northwest of Kamay. Don R. Talley is the operator.

The well is located two and a half miles south of Iowa Park.

The No. 2 well pumped 18 barrels of water and a slight show of gas, while the No. 3 well pumped 30 barrels of oil plus 10 barrels of water with a slight show of gas. Both wells were drilled to a total depth of 1,850 feet. The No. 2 well will produce from a set of perforations 1,238 to 1,243 feet, while the No. 3 will produce to a set of perforations 1,634 feet to 1,639 into the wellbore.

F.T. Johnson, Jr., has plugged and abandoned an unsuccessful developmental well in Wichita County's Regular Field, two miles south of Burkburnett.

The wells are located in a 70.6-acre lease in the Kemp-Wichita Valley Land Survey.

The well was spudded Sept. 27, 1989 and was drilled to total depth of 750 feet. It was known as the No. 1 Roller Estate and was located in a 156-acre lease in the Charles Larbaletrier Survey A-370.

Thanks for support

To our many supporters:
To all of you who had a part in the success of the Troop Victory Rally March 24, we would like to express our sincere thanks. No project is ever successful without support, and the support we received in this endeavor was overwhelming. It is our desire that each and every one who participated in any way accept credit for all the joy we experienced in this project. There are way too many to list, so please know that if you were involved in the smallest way -- you were greatly appreciated -- especially Zarl Johnson and Jim Cockrum -- without your moral support and patience we never could have done this. Thank you, again and again!
Sincerely,
Jo Lynn Cockrum & Leslie Johnson
