WINNERS IN THE 9TH ANNUAL ALL-IOWA PARK GOLF TOURNAMENT
... from left, Randy Alsop, Dolores Hamilton and Keith Gillen.

Winners all first-timers

Three first-time winners were named following Friday's ninth annual All-Iowa Park Golf Tournament.

Randy Alsop earned first place in the scratch scoring, Keith Gillen in the handicap, and Dolores Hamilton had the low score in the ladies' division.

Carmen Lozipone, who has twice claimed the tournament's lowest scratch score, came in second this year, and James Frazier was third.

Despite the extremely gusty winds, Alsop posted a 78, Lozipone 80 and Frazier 81.

Gillen continued a tradition in winning the handicap scoring. No player has ever won that division more than once.

Gillen's net score, after the Callaway Handicap system was applied to his scratch score of 100, was 68.

Vern Mikkleson, who won the handicap division in 1992, was second with a net 69, after a tie between him and Dale Allen was settled by figuring best scores on high handicap holes.

Winners of the closest to the pin on par three holes were Johnny Miller, Steve Moody and Bob Rhodes.

Earl Bennett won two of the four long-drive holes, and Jim Frazier won once, as did Mike Negri.

A new competition, in which player scores were averaged, was the blind team pairings. First place went to Darrell Gow and Johnny Miller, while Dick Bennett and Bob Hamilton came in second.

This year's tournament attracted 46 entries, including four school-age players who were not eligible for any of the prizes that were awarded.

The tournament is sponsored by the Iowa Park Chamber of Commerce.

Uniforms on agenda for trustees' meeting

School uniforms are back on the agenda for discussion at tonight's meeting of the Iowa Park school board.

Several parents appeared before the board at the May meeting, asking trustees to consider the possibility of having school uniforms.

They were told that a study would be made, and the board would see what input it gets from parents.

Five hundred and ten letters were sent out to parents of middle school students asking their opinion on the matter, and a self-addressed postcard was included for a response.

So far, the response cards indicate 65% support the issue, 21% are not in support, and 14% are unsure.

School Superintendent Mike Caplinger said they are still interested in having everyone's response and asks those who have not returned the survey card to do so within the next two weeks.

The Iowa Park Leader asked several parents of middle school students for their opinions on school uniforms and got the following responses:

"Done right, it would be a tremendous boost to the morale. If it's not done right, it would defeat the whole purpose." - Janice Newman

"If I wanted my son to wear a uniform, I would send him to a private school. If the school votes to do it, I think they should provide the

uniforms." - Shawnee Raines

"In and of themselves it would be good, but past that I'll wait and see. It's a good idea, but it may not have the impact they are anticipating." - Lou Ann Baugh

"I don't like the idea. Our school board had more important things to focus on, such as education, than uniforms." - Sudda McLaughlin

Michelle Archer, one of the parents who spoke at the last meeting, has requested to address the board again this evening.

In addition to the regular business, items on the agenda calling for action include:

- * certify superintendent of schools to the Regional Advisory Committee, Region IX Education Service Center;

- * adopt/reject commissioner recommended Student Performance

Domains for the Appraisal of Principals and Superintendents;

- * appoint board committees;
- * approve/reject Credit by Exam dates for school year 1999-2000;

- * accept/reject Athletic Supply and Equipment bids;

- * accept/reject General Maintenance Supply bids; and

- * accept/reject purchase of Tractor/Mower.

During his report, Caplinger will discuss the new TEA procedures for appraisal of administrators.

A closed session to discuss personnel matters is also scheduled during the meeting. This includes accepting resignations, employing new personnel, and employment and/or reassignment of administrative personnel.

The meeting will begin at 7 p.m. in the W.F. George Middle School Library.

Unpaid fines results in man being jailed

Michael Dean Cox, 23, was transported to the county jail Saturday after being taken into custody by Iowa Park police.

He was picked up at 8:15 p.m. in the 700 block of South Bond, when it was determined he had numerous outstanding warrants for his arrest, including 11 issued here and another by the county sheriff's department.

Cox faced total bonds estimated at more than \$2,000, according to the police blotter, and had not reported to court to answer the charges.

The local warrants, dating back to 1994, included no motor vehicle inspection sticker, exhibition of acceleration and disorderly conduct.

The county warrant was for driving while license was suspended. Two other arrests during the

week resulted in individuals also being transported to jail in Wichita Falls.

Christopher Alan McRae, 18, was taken into custody at 3 a.m. Friday in the 400 block of East Aldine, for driving with an invalid license, according to the blotter entry.

Shortly after midnight Saturday, Shaun Roy Cronister, 21, was taken into custody in the 800 block of South Texowa, on a warrant for theft by check. He was taken to the jail under a \$500 bond.

Floyd Van Yarbrough, 71, was taken into custody Friday night in the 200 block of Poe, on a charge of public intoxication. He was released nine hours later, after signing a promise to appear in municipal court, according to the police blotter.

City looks to improve fine collection method

If approved by the city council Monday night, two proposals could lead to a vastly improved program of collecting thousands of dollars in unpaid fines owed the city.

City Administrator will ask the council for authorization to enter a contract with American Municipal Services Corporation, and also authority to enter a contract with the Texas Department of Public Safety for participation in the "Failure to Appear" program.

Iowa Park and other entities have long suffered the problem of collecting fines which were levied in courts, until these new programs were introduced.

The American Municipal Services Corporation will serve as a collection agency to gain municipal court fines, along with costs and warrant fees.

The "Failure to Appear" program will, if approved, prohibit a vehicle owner from renewing his/her license until all fines are paid.

The council's meeting is to get underway at 7 p.m. Monday, in council chambers.

Two items on the meeting's tentative agenda relate to topics which have been discussed during previous meetings.

One concerns a request made by Stanley Wright for permission to allow the Church of Christ to install a walkway cover and handrails on a portion of North Bond Street right of way.

Action on that request was delayed, allowing aldermen to visit the location before making a decision.

The other topic involves the council's consideration allowing a fireworks stand at Lake Iowa Park during the Fourth of July celebration.

At issue is granting a lease to Fireworks Unlimited, which would provide the fireworks to be sold as well as insurance.

The stand, if approved, would be operated by the Iowa Park Police Officers' Association.

Three resolutions are included on Monday's agenda, including one that would result in a lease agreement concerning the right of way that would be used by the Church of Christ walkway cover and hand rails.

The second would authorize the city administrator to enter an agreement for the purchase of nine lots in the Texas Addition, "contingent upon the city receiving grant funds from the Texas Department of Economic Development through its Texas Capital Fund Real Estate Program."

Third among the resolutions would, if approved, authorize the city administrator to purchase replace-

ment portable radios for the police department with new equipment.

Three of the four ordinances the council will consider Monday involve abandoning of city right of way: in the 500 block of East Jefferson; the 300 block of South Alcott, and the 1000 block of South Yosemite.

The other ordinance, if approved, would permit construction of porches associated with manufactured housing closer than the 25-foot setback requirement.

EARLIER MEETING

The council met in called session this past Monday, to take their initial look at next year's proposed budget.

No action was taken during that session, other than approving a resolution to pay the \$8,000 fee to Grant, McGee and Baber, Inc. for auditing last year's books.

ABOUT WATER'S TASTE

Residents cry foul!

Iowa Park's drinking water had a foul taste during the past week, but the problem is being corrected, according to Mike Price, city administrator.

Not since the city was forced to take water from the irrigation ditch back in the early 1970s, when the lakes were completely dry, has the city received so much criticism over the taste of its water.

The problem, Price explained, was an algae bloom that developed in Lake Iowa Park.

The city normally takes little or no water from that lake, relying primarily on Lake Buffalo for its source.

But workmen had replaced the pump at Lake Iowa Park, which forces water to the city's treatment plant, and it was put into action as a test.

Workers at the time were unaware of the algae bloom problem.

But it didn't take long, once the raw water was treated and pumped into the city's system.

Price said Monday that the water department had flushed the system, and water that remained in pipes was mostly that which could not be flushed by the city.

Residents began commenting as early as Tuesday that the water was beginning to taste more normal.

Net scores of all entries were:

Leader to print early

Next week's edition of the Leader will be published one day earlier than usual.

This necessitates all deadlines to be one day earlier than usual: all display advertising, 4 p.m. Monday; all classified advertising, 12-noon Tuesday; and all copy for stories on Monday.

The edition will still carry a June 17 dateline, but it will actually be printed Tuesday evening and put into the mail and on news stands

Wednesday.

The day-earlier than usual printing is necessary in order to allow members of the staff to attend the summer convention of the Texas Press Association.

The paper's office will remain open during regular business hours on Wednesday, Thursday and Friday, however.

All deadlines will return to their usual days and times for the June 24 issue.

NEWS BRIEFS

Storm drops over quarter inch

A brief rain storm literally blew through Iowa Park Sunday morning, depositing .27 of an inch in precipi-

tation, according to Virgil Woodfin. The rain was accompanied by high winds and lightning.

No OTHER PUBLICATION IN THE WORLD WOULD MAKE THAT STATEMENT!

Shook, Doyle vows read in May 29 ceremony

In an elegant candlelight ceremony May 29, Sarah Katherine Shook became the wife of William Tyler Doyle at First Baptist Church.

Rev. Steve Beckwith, pastor, officiated the double-ring vows for the children of Murray and Annette Shook of Iowa Park and Lt. Col. and Mrs. Williams Doyle of Burkburnett.

Fifteen-branch candelabras flanked a white archway at the altar, where the couple exchanged nuptial vows. The archway featured a cascading spray of lavender, larkspur and lilac. Brass urns filled with ivy and fern completed the altar setting.

During the ceremony J.T. Doyle and Hillary Coombs sang "Where Your Road Leads," and Brandi Catlin and Joe Corne offered "Household of Faith."

Given in marriage by her father, Sarah wore a sleeveless gown styled with a tight beaded bodice, pleated waist and long beaded train.

She carried a nosegay bouquet of sterling silver roses, stephanotis, white miniature carnations, white freesia and dark green ruskus.

Bridesmaids were Erin Shook, sister of the bride, Sharla Hughes, and LeAnn Jordan, all of Iowa Park.

Each wore identical purple sleeveless dresses and carried a rose bouquet.

Catherine Calvert, cousin of the groom, was flower girl. She wore a purple lace and satin dress.

Groomsmen were J.T. Doyle and Trent Doyle, brothers of the groom, and B.J. Roberts, all of Burkburnett.

Cletus Schenk of Wichita Falls, and Toby Catlin and Micheal Swenson, both of Iowa Park, were ushers.

Elliot Leath of Iowa Park, cousin of the bride, was ring bearer, and Zachary Whisnand was a paige.

Mrs. William Tyler Doyle
(Sarah Katherine Shook)

Following the ceremony, a reception was held in the Fellowship Hall of the Church.

The bride's cake was a three-tiered confection with fresh flowers between layers.

The groom's cake was a chocolate cake with a basketweave design, topped with chocolate-dipped strawberries.

White lace tablecloths covered the tables, which were centered with fresh flower arrangements.

Racheal Pendergrass and Russell Leath, cousin of the bride, presided at the registry table.

Members of the house party

were Shellye Hughes, Beckiey Whisnand and Claire and Tyan Cathey.

Special wedding guests were Mr. and Mrs. Preston Leath of Iowa Park, and Mr. and Mrs. Harold Schreiber of Windhorst, grandparents of the bride; and Mr. and Mrs. Bill Calvert of Allen, grandparents of the groom.

The bride is a graduate of Iowa Park High School and attended West Texas A&M Univ. and Vernon Regional Junior College. The groom was graduated from Burkburnett High School and attended Panhandle State Univ.

Bauer graduates Duke University

Iowa Parkan Kristen Noel Bauer was among some 3,400 students who received degrees May 16 from Duke Univ.

The daughter of Nancy Bauer of Iowa Park earned the Master of Science, Nursing.

Duke President Nannerl O. Keohane presided over the ceremony and Cokie Roberts, ABC News' chief congressional analyst, delivered the commencement address.

PhytoPharmica[®]

Your natural choice for a healthier life™

If you haven't heard of PhytoPharmica before, you soon will. Doctors, pharmacists, and health-conscious people nationwide are quickly learning that PhytoPharmica creates the most beneficial natural products available for the human body. We were the first U.S. company to introduce scientifically proven compounds such as glucosamine sulfate, ginkgo biloba, saw palmetto berry extract, and many more. Our products include:

- Nutritional supplements
- Homeopathic remedies
- Natural OTC medicines
- Standardized herbal extracts
- Phytosome™ products

Unlike medicines that cover up symptoms and cause side effects, PhytoPharmica products strengthen your body, helping it work the way it should. PhytoPharmica is your natural choice for a healthier life.

Ross Dillard awarded \$5,000 FFA scholarship

Ross Dillard, a 1999 graduate of Iowa Park High School and member of the Iowa Park FFA Chapter, has been awarded a \$5,000 scholarship by the National FFA Organization.

The scholarship is sponsored by the National FFA Foundation as a special project of the National FFA Foundation, Inc.

Dillard plans to use the funds to pursue a degree in General Agriculture/Soil Science at Tarleton State University.

He is the son of Mr. and Mrs. Richard Dillard Jr. of Iowa Park. His FFA Advisors were Ray Dillard, Wendy Meadows, and the late George Martin.

The Georgia M. Hellberg Memorial Scholarship is one of 1315 scholarships awarded through the National FFA Scholarship Program this year. Over 200 corporate sponsors generously contribute more than 1.5 million dollars to support this program. This is the 16th year that scholarships have been made available through the National FFA Foundation by business and industry sponsors to reward and encourage excellence and enable students to pursue their educational goals.

Scholarship recipients were selected from more than 8,000 applicants from across the country. Selections were based on the applicants' academic record, FFA and other school and community activities, supervised agricultural experience pro-

ROSS DILLARD

grams in agricultural education, career plans and financial need.

FFA is a national organization of 447,880 members preparing for leadership and careers in the science, business, and technology of agriculture. The organization has 7,503 local chapters located throughout the United States, Puerto Rico, Guam, and the Virgin Islands. FFA's mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. Local, state, and national activities and award programs provide opportunities for students to apply knowledge and skill learned in the classroom.

Iowa Parkans on MSU honor rolls

An unusually large number of Iowa Parkans attending Midwestern State Univ. were named to the Dean's List and University Honor Roll during the past spring semester.

Among the 196 students who made the Dean's List were Deborah Roslyn Ford, Jacqueline Renee Fuselier, Dani Marie Goin, Kevin Dan Haley, Jonathan David Matthews, Lacie Kaye Nichols and Sara Amanda Cole Reed.

To make the Dean's List, a student must complete a semester schedule of at least 12 hours with no grade lower than an "A."

The University Honor Roll, which requires completion of a semester of at least 12 hours with a minimum grade point average of 3.5 and no grade lower than a "C," included 481 students.

Iowa Parkans on the Honor Roll included Brandi Sue Beavers, Charles Gregory Bradberry, Samra Kate

Collier, Joseph Edwin Come, Blain Aron Hefner, Jolene Thomas Hodges, Shellye Renee Hughes, Lori Dawn Kasparek, and Doni Elizabeth Peeler Kaufhold.

Also, Cynthia Ann Brashear Lee, Misty Dawn Gibson Lucre, June Elizabeth Reitz, Christen Don Shelton, Christine Diane Smith, Violetta C. Luckey Thornton, Randi Nicole Tigrett, Lori Ann Wiggins and Cody Shank Witherspoon.

As I See It...

By Bob Hamilton

The two most-common topics of comments I receive, and there are a lot of them, concern the walking track around Lake Gordon, and "when are we going to get a golf course here?"

Hardly a day passes that someone doesn't stop to talk to me about them.

Concerning the walking track, the people are thrilled with it already, even though it is not yet completed.

They tell me they are using it -- often with a spouse -- at least once, and even twice daily.

And, no, they're not worried about when it will completely encircle the lake. They are just highly appreciative that this major quality of life facility is being made available to them.

Most of them have been walking along the streets and roads around the city, which obviously is somewhat dangerous and not as good a surface as the track.

And of course, they are also interested in what future improvements will be made along the facility.

Well, as I understand, plans are in the making for numerous benches to be placed along the route, to allow for handy rest areas, a couple of drinking fountains, lighting and at least one restroom.

There also will be a lot of flower beds created, as if any beautification was needed to be added.

As to the track's completion, which includes the elevated walkway which will join the bridge that is already in place, that work will most likely be finished before fall, as I

understand it.

And then there's the other major quality of life topic -- the golf course.

There's been little or no talk among the city leaders concerning this topic in recent months.

It was two years ago that local realtor Tommy Key announced his plans for a course in the northern edge of the city, but financing has been the big problem. He even had an 18-hole course laid out.

Then, a few months ago, contractor Jim Stevens told me he and a partner were considering a development with a golf course nearby, but I've not heard anything about that one since.

Think there's not a need for such a facility here? Think again.

We had a record number of people, 46, who took off work last Friday afternoon to play in the All-Iowa Park Golf Tournament -- at Burkburnett's River Creek Golf Course.

And the following day, there were almost that many who played at the same course in an event sponsored by the First Baptist Church.

We have a large number of residents who play golf, and are forced to travel elsewhere to do it. And there's no telling how many have told me they would play regularly, or take up the activity, if only we had a course here.

There are a number of areas in the immediate vicinity where a good golf course could be located.

I know the city has its hands full right now with the track and its development, but if the leaders were encouraged by residents to take an active look into its prospects, maybe something could come out of it.

Financing? How about bonds which could be paid off or financed with a half-cent sales tax? We are the only city in Wichita County with no such tax.

The issue could be put up for a

vote, possibly with the specification that the extra tax would be cut off after a five-year period. And if additional time were needed, another election on the issue could be held.

Yeah, I know, you are aware that I am a golfer. I'm going to continue traveling to play my sport, if we don't get a course here anyway.

But a golf course is the most significant quality of life facility not now offered by our fine and outstanding community.

What do you think about it?

I am getting a lot of help from my friends in staying in trouble with my daughters. This week, my friend Bruce Cotton provided me with another blonde joke. Here it is:

Letter from a blonde Y2K engineer:

I hope I haven't misunderstood your instructions. Because to be honest, none of this Y to K problem makes any sense to me. At any rate, I have finished converting the company calendars so that the year 2000 is ready to go with the following new months:

- Januark
- Februark
- Mak
- Julk

Trouble getting paper

Dear Editor:

The delivery on my paper is nothing to brag about but you just write the thing and mail it and the rest is up to the post office. You do a good job but they leave something to be desired. Would you believe that on April 12 I got the April 1 paper and I thought that was real good until the next day I got March 25 and April 8. At my age I'm not interested in daily news from Iowa Park just so I get it.

I do have one complaint about the paper and that is the obit section. When some lady dies it never tells what her maiden name was, the only way you can find out is if she has a surviving brother. If she doesn't have a surviving brother then you can just guess. That's pretty bad when you guess wrong and see the one you thought it was at the next class reunion. What the heck it makes for good conversation.

Send me my paper and I'll try to take care of the rest.
Sincerely,
C.C. Anderson

Picture was misleading

Dear Mr. Hamilton,

As a parent and a sponsor of Project Graduation I would like to address the photo of the kids on wrong page of the paper this week.

I would like for parents who were unable to attend to know that all of the kids seemed to have a great time and many hours went into planning this event. It is a very special and important project. None of this would be possible without the work of Mrs. Venhaus. She is a wonderful person and educator.

Although there were a few boyfriend-girlfriend groupings, this was the exception and not the rule. Most all of the kids played hard and were still going strong when the sun came up. My concern comes in not wanting parents to think that there were a lot of kids in the floor in each others laps. This is a very healthy environment and very well organized. Good clean fun for good clean kids.

Thank You
Julie Ray

As I See It... By Bob Hamilton

The two most-common topics of comments I receive, and there are a lot of them, concern the walking track around Lake Gordon, and "when are we going to get a golf course here?"

Hardly a day passes that someone doesn't stop to talk to me about them.

Concerning the walking track, the people are thrilled with it already, even though it is not yet completed.

They tell me they are using it -- often with a spouse -- at least once, and even twice daily.

And, no, they're not worried about when it will completely encircle the lake. They are just highly appreciative that this major quality of life facility is being made available to them.

Most of them have been walking along the streets and roads around the city, which obviously is somewhat dangerous and not as good a surface as the track.

And of course, they are also interested in what future improvements will be made along the facility.

Well, as I understand, plans are in the making for numerous benches to be placed along the route, to allow for handy rest areas, a couple of drinking fountains, lighting and at least one restroom.

There also will be a lot of flower beds created, as if any beautification was needed to be added.

As to the track's completion, which includes the elevated walkway which will join the bridge that is already in place, that work will most likely be finished before fall, as I

understand it.

And then there's the other major quality of life topic -- the golf course.

There's been little or no talk among the city leaders concerning this topic in recent months.

It was two years ago that local realtor Tommy Key announced his plans for a course in the northern edge of the city, but financing has been the big problem. He even had an 18-hole course laid out.

Then, a few months ago, contractor Jim Stevens told me he and a partner were considering a development with a golf course nearby, but I've not heard anything about that one since.

Think there's not a need for such a facility here? Think again.

We had a record number of people, 46, who took off work last Friday afternoon to play in the All-Iowa Park Golf Tournament -- at Burkburnett's River Creek Golf Course.

And the following day, there were almost that many who played at the same course in an event sponsored by the First Baptist Church.

We have a large number of residents who play golf, and are forced to travel elsewhere to do it. And there's no telling how many have told me they would play regularly, or take up the activity, if only we had a course here.

There are a number of areas in the immediate vicinity where a good golf course could be located.

I know the city has its hands full right now with the track and its development, but if the leaders were encouraged by residents to take an active look into its prospects, maybe something could come out of it.

Financing? How about bonds which could be paid off or financed with a half-cent sales tax? We are the only city in Wichita County with no such tax.

The issue could be put up for a

vote, possibly with the specification that the extra tax would be cut off after a five-year period. And if additional time were needed, another election on the issue could be held.

Yeah, I know, you are aware that I am a golfer. I'm going to continue traveling to play my sport, if we don't get a course here anyway.

But a golf course is the most significant quality of life facility not now offered by our fine and outstanding community.

What do you think about it?

I am getting a lot of help from my friends in staying in trouble with my daughters. This week, my friend Bruce Cotton provided me with another blonde joke. Here it is:

Letter from a blonde Y2K engineer:

I hope I haven't misunderstood your instructions. Because to be honest, none of this Y to K problem makes any sense to me. At any rate, I have finished converting the company calendars so that the year 2000 is ready to go with the following new months:

- Januark
- Februark
- Mak
- Julk

OBITUARIES

Perry A. Blaylock
1921-1999

Perry Alexander Blaylock, 77, of Wichita Falls died Thursday in Wichita Falls.

Graveside services were Monday in Highland Cemetery with Rev. John Klappenbach of Vernon and Rev. Andrew Freeborn of San Antonio, officiating. Arrangements were under the direction of Dutton Funeral Home.

Mr. Blaylock was born Sept. 17, 1921, in Charlie. He and Opal Richter were married Jan. 3, 1941, in Walters, Okla. He served in the Army during World War II as a sergeant and was stationed at Batangas Pass. He was a supervisor for the City of Wichita Falls. He was a barber in Iowa Park and Wichita Falls. He was a resident of Wichita Falls for 32 years.

Survivors include his wife; a daughter, Pat Grona of Wichita Falls; a son, Mikel T. of Wichita Falls; two sisters, Daisy Hair of Oklahoma City and Dorothy Jinkins of Archer City; two grandchildren; and one great-grandchild.

Memorials may be made to Hospice of Wichita Falls, P.O. Box - 4804, Wichita Falls, Tx. 76308.

Glenn Wilson
1920 - 1999

Glenn Wilson, 79, of Wichita Falls died Saturday in a Wichita Falls care center.

Services were Monday at Westside Baptist Church with Rev. Gordon Highfill of Dallas and Revs. Jim Montgomery and Eugene Dean, both of Westside Baptist Church, officiating. Burial was in Crestview Memorial Park.

Mr. Wilson was born May 9, 1920, in Vashu. He and Ernestine McCord were married April 4, 1943, in Waurika, Okla. He served four years in the Army in the First Armored Division and worked in the supply room for Lone Star Tool Co. for 34 years. He was a member of Westside Baptist Church and a resident of Wichita Falls since 1945.

Survivors include his wife; two daughters, Glenda Inman of Wichita Falls and Debra Williamson of Iowa Park; a sister, Maxine Johnson of Bellevue; and five grandchildren.

Card of Thanks

The family of Steve Brown wish to express our heartfelt thanks and appreciation to each person who has shown kindness and sympathy during the illness and loss of our husband, father and grandfather. God has blessed us with such loving family and friends who supported us with prayers, visits, phone calls, cards, food, floral pieces and memorials.

A special thanks to the Rev. Raymond Pettit of Douglasville, Ga., the Rev. Clifton McFadden, pastor of Iowa Park Church of God, and the ladies of the church who prepared and served a wonderful meal. Also, to the family members who blessed us with music and song (singing). There will be a great void left by his separation from us but your thoughtfulness warmed our hearts and will always be remembered.

Appreciation to Home Care Home Health Services, Inc. of Wichita Falls for your kindness in caring.

Methodist Church schedules revival services June 13-15

The First United Methodist Church will be having revival services beginning Sunday and running through next Tuesday.

Evangelists will be Sylvesta Shed, pastor of Mt. Calvary United Methodist Church, Jay Cantrell, a former Iowa Park resident, who is a lay speaker from Floral Heights Methodist Church, and Mary Cantrell, pastor at Joy.

At the Sunday morning service, beginning at 10:30, there will be praise and worship led by Mt. Calvary praise and worship team, and Shed will be speaking.

Following the service, there will be a covered dish luncheon in the Fellowship Hall. This will also be a farewell gathering for John Besse, who is leaving to pastor a church in Avery.

The Sunday evening service will begin at 5:55 with praise and worship led by Mt. Calvary praise and worship team, and Shed will again be the

speaker. Special music will be provided by the Gospel Messengers, accompanied by Phil Lemond.

Monday's service will begin at 6:55 p.m. with Jay Cantrell as the speaker and music by the Mt. Calvary Youth Choir.

Tuesday's service, beginning at 6:55 p.m. will begin with hymns of praise and worship, led by Chad Widder and Mike Kaigler. This will be followed by a teaching lesson with group interaction led by Shed and Cantrell. Mary Cantrell will deliver the message.

Refreshments will be served after each of the evening services, and a nursery will be provided.

WHAT DOES GOD SAY?

By Ross Saunders

The time of the second coming Christ? There have been over 200 attempts to predict the time of the second coming Christ; at least twenty-one by the year 500. Widespread hysteria arose again due to predictions of the Lord's return on January 1, 1000, followed by no less than ten or eleven other guesses for the year. It is not surprising that another outbreak of predictions comes as we near 2000. There are about forty-five such predictions from August, 1999, to September, 2047. Who is right? Electronic evangelists claim to have it all figured out, but they differ! God said, "When a prophet speaketh in the name of the LORD, if the thing follow not, nor come to pass, that is the thing which the LORD hath not spoken, but the prophet hath spoken it presumptuously: thou shalt not be afraid of him" (Deuteronomy 18:22). And again in Jeremiah 28:9, "The prophet which prophesieth of peace, when the word of the prophet shall come to pass, then shall the prophet be known, that the LORD hath truly sent him." How many times must one fail before believing what God has said about it? "But of that day and that hour knoweth no man, no, not the angels which are in heaven, neither the Son, but the Father" (Mark 13:32). But what of the year? It is obvious from Jesus' statement that God alone knows the time of Christ's return. The picture is well-painted by our Lord in Luke 12:36-48, where Christ speaks a parable concerning His return, urging constant readiness, "for the Son of man cometh at an hour when ye think not." If even the year could be determined, people would fulfill their sinful desired until the time came, then clean up their act, which violates the point of the parable-constant readiness. He will return when we are thinking He will NOT come! The careful student of the Word will consider other errors as well.

How about the doctrine that we will not be judged according to what we have done, but whether or not we have believed that Jesus is our personal Saviour? Although faith is necessary, God says we shall be judged according to what we have DONE! In Matthew 25:31-46, Jesus elaborates on His judgment, condemning those who had not DONE for Him, and rewarding those who had. "For we must all appear before the judgment seat of Christ: that every one may receive the things done in his body, according to that he hath DONE (Emphasis mine, RTS), whether it be good or bad" (2 Corinthians 5:10). In John 5:28-29 Jesus said, "marvel not at this: for the hour is coming, which all that are in the graves shall hear his voice, and shall come forth; they that have DONE GOOD, unto the resurrection of life; and they that have DONE EVIL, unto the resurrection of damnation." Instead of trying to figure out the TIME, shouldn't we be trying to meet His TERMS. See Matthew 7:21-23.

COOK of the WEEK

Wendy Meadows

Wendy Meadows grew up in Iowa Park and graduated high school here. Her parents are Linda Ayres and the late Ray Hicks.

Wendy met her husband, Keith, a native of Weatherford, while they were students at Texas A&M in College Station. They graduated together, both receiving a degree in Agricultural Education.

Before coming back to Iowa Park, where Keith is involved in farming and ranching, Wendy taught at Bellevue and for five years she and Keith taught together at Chico.

In 1991 Wendy was employed as a teacher by the Iowa Park school district. She started teaching horticulture in 1995, and last year was made Career and Technology Director.

Newcomers, who didn't get to know Wendy while she was growing up here, quickly become aware of this energetic young teacher through her work with the horticulture students.

Along with their regular work and the popular plant sale in the spring, Wendy's students have participated in many public service projects. They have worked with the Iowa Park Clean & Green committee by planting flowers in the pocket park downtown, and cleaning up the west side of Oscar Park during the city-wide clean-up week.

In cooperation with the Texas Department of Transportation, the corner at West Highway and Johnson Rd. was landscaped and is being maintained by Wendy's students.

Wendy and Keith have two children, an 11-year-old daughter, Kaley, and Casey, their eight-year-old son. Kaley will be in the sixth grade when school starts, and Casey will be a third grader at Bradford. They are both active in 4-H and involved in showing animals.

The family lives on a farm southwest of Iowa Park, and some of Wendy's favorite activities include taking care of the yard, flowers, and working in her greenhouse. She also

helps Keith with the farm and cattle work.

The family attends Faith Baptist Church. Wendy and Keith are members of the FFA Booster Club and both have worked as 4-H project leaders. Wendy is also a member of the Vocational Agricultural Teachers Association of Texas.

Wendy said that most of her cooking is done without a recipe, such as chicken fried steak, potatoes, etc. But she does use her grandmother Hicks' recipe for "Pecan Pie," and another, "Kiss Cookies," is a favorite of Keith's.

Plum Cake

Part 1:

- 2 cups sugar
- 3/4 cup oil
- 3 eggs
- 2 small jars plum baby food
- 1 tsp. red food coloring
- 2 tsp. vanilla

Part 2:

- 2 cups flour
- 1/4 tsp. soda
- 1/4 tsp. salt
- 1 tsp. cinnamon
- 1 tsp. cloves
- 1 cup chopped pecans

Mix part 2 slightly and add to part 1. Beat for 3 minutes. Pour into Bundt pan. Bake at 350 degrees 1 hour. Take out of pan and cool on rack. Glaze.

Glaze:

- 1 cup confectioners sugar
 - 1 Tbsps. lemon juice
- Glaze cake while still warm. Sprinkle with chopped pecans.

Breakfast Pizza

- 1 lb. pork sausage
- 1 - 8 oz. pkg. refrigerated crescent rolls
- 1 cup frozen loose pack hash browns, thawed
- 1 cup shredded Cheddar cheese
- 5 eggs, beaten
- 1/4 cup milk
- 1/2 tsp. salt
- 1/8 tsp. pepper
- 2 Tbsps. Parmesan cheese

Cook and drain sausage; crumble and set aside.

Separate crescent dough into 8 triangles; place triangles with elongated points toward center in a greased 12-inch pizza pan.

Spoon sausage over dough; sprinkle with hash browns and Cheddar cheese.

Combine eggs, milk, salt & pepper; pour over sausage mixture. Bake at 375 degrees 25 minutes. Sprinkle with Parmesan and bake an additional 5 minutes. Yield: 6-8 servings.

Top with ketchup or picante sauce. Reheats well in microwave.

- 1/2 cup sugar
- 1/2 cup brown sugar
- 1/2 cup shortening
- 1/2 cup peanut butter
- 1 egg
- 2 Tbsps. milk
- 1 tsp. vanilla
- 48 Hershey kisses

Mix all ingredients (except Hershey kisses) together. Roll in balls and place on cookie sheet. Place a Hershey kiss in the top of each ball and bake 10-12 minutes at 375 degrees.

GARDENING HINTS

BY MARK TERNIG

Q. My St. Augustine lawn in Iowa Park has this black, slimy growth in certain areas. What is the cause of this substance? It is a mess when you walk in the lawn. Please advise.

A. I have noticed this strange occurrence in several lawns over the past week. Once again, we can blame these unusually humid and wet weather conditions.

The turf problem is a Slime Mold. A common fungal growth associated with wet conditions. This is alarming, but poses no threat to your lawn.

Most common turf fungicides will eliminate the problem, or you can take a broom and brush the fungal growth away.

Dry or more arid conditions of summer will inevitably take care of the Slime Mold in time.

Pork Chops and Wild Rice

- 1 small green onion, chopped
- 6 pork chops
- 3 Tbsps. butter
- 1 pkg. long grain and wild rice
- 1 cup thinly sliced celery
- 1 can cream of chicken soup
- 2 1/2 cups water
- 1/2 tsp. salt
- 1/4 cup pimentos

Brown chops on ONE SIDE ONLY in 2 tablespoons butter, remove and add remaining 1 table-spoon butter. Stir in rice and seasoning package, celery, onion, soup, water and pimento. Heat til bubbly. Pour into shallow dish, top with chops, browned side up. Sprinkle with salt and cover with foil. Bake at 375 degrees 1 hour, uncover and bake about 10 minutes more. Can substitute chicken for chops.

Pecan Pie

- 4 eggs
- 3/4 cup brown sugar
- 1 tsp. vanilla
- 3/4 cup Karo syrup
- 1 - 1 1/2 cup pecans
- 1 Tbsp. butter

Beat eggs with spoon. Add remaining ingredients and mix well. Pour into unbaked pie shell and bake at 325-350 degrees 30-40 minutes until the middle is firm. Makes 2 small or 1 large pie.

Kiss Cookies

- 1 1/2 cup flour
- 1 tsp. soda
- 1/2 tsp. salt

Texas Historical Commission to meet today in Wichita Falls

Larry Oaks, executive director of the Texas Historical Commission (THC), and other THC staff members are holding a public meeting in Wichita Falls on June 10, to introduce a new agency initiative, the State of the State of Preservation. The THC is conducting a statewide survey to determine what constituents see as the condition of the preservation community and what their preservation-related goals are for the next five years. The results will determine how the THC can best assist communities across the state in the coming years.

"We are laying the groundwork to build preservation partnership for a new millennium," said Oaks. "By talking with people across the state to learn their needs, we can determine how to most effectively channel our agency's resources towards the common goal of protecting and preserving the archeological and historical resources of Texas."

The goals of the State of the State of preservation public meetings are to: Learn what various communities see as their biggest challenges in preservation, and how the THC can help:

* Ask what assistance local communities need most to save their historic and archeological resources.

* Bring attention to preservation tools that the public may not know about.

* Identify the elements of a new vision for preservation in Texas and

determine what training is necessary to empower local communities and the THC to fulfill a shared mission.

The Texas Historical Commission is the state agency for historical preservation. The agency administers a variety of programs to preserve the archeological, historical and cultural resources of Texas.

For more information on Texas Historical Commission programs, call 512-463-6100 or see the agency's web site at www.thc.state.tx.us.

Senior bike riders heading to the hills

Bike riding the mountains of eastern Oklahoma is a method being used by a group of senior athletes to train for the upcoming North Texas Senior Olympics, Sept. 9 - 12, in Wichita Falls.

An Iowa Park group will join about 1500 other bike enthusiasts to travel the 450 mile Oklahoma Freewheel, June 12 - 19, from Broken Bow to Baxter Springs, Kansas. The seven day trip averages 60 - 70 miles per day.

"This will be an extremely challenging route this year," according to Roger Scarborough who was reared in eastern Oklahoma. He says, "We will be crossing the Kiamichi Mountains and the Sanabois Mountains the first four days then the remainder of the route in northeast Oklahoma is extremely hilly. It will definitely be a great physical training experience. The journey also crosses into Arkansas, Missouri, and Kansas."

Local senior riders include Tim Donovan, Roger and Becky Scarborough, Dr. Benard Burton, and Don Decker. Other non-senior participants are Keith Kruger and Ed Poore.

Don Decker said, "With the spring weather pattern we are almost certain to hit some rain, wind, and or lightning storms." He added, "Everyone is water sealing their tents and carrying rain gear. The group will seek refuge in barns or buildings when lightning gets close."

This annual Freewheel bicycle ride across Oklahoma is sponsored by the Tulsa World Newspaper in cooperation with several bicycle clubs across the state. A different route is made each year. The sponsors pro-

vide a baggage truck, sag vehicles, bike repair van, medical support, severe weather emergencies, camping grounds in the overnight towns, police and highway patrol support, and route marking. Churches, service

clubs, and youth organizations in the overnight towns usually prepare breakfast and supper meals for a nominal fee.

"Sponsors do a great job in keeping the route on low traffic roads which makes for a much safer ride," according to Tim Donovan, a veteran cyclist of the Freewheel. He added, "Descending the mountains can be dangerous because of switch back roads and the high speeds which can be reached by a bicycle. It is easy for a bike to reach 50 - 60 m.p.h. on a long steep descent. I prefer to "feather" the brakes and keep the bike from going over 40 m.p.h."

Hawk in Greenbelt Bowl

For most of the seniors that graduated from last year's football team, the playoff loss to Crane was the last game they would play.

But for at least one, his season will continue.

Tommy Duerson, who has signed to play football at San Angelo State University this fall, will put on the pads and his Hawk helmet for one more time when he takes part in the 50th Greenbelt Bowl, to be played at 7 p.m. Saturday at Fair Park Stadium in Childress.

7-ON-7

Football season opens tonight

It's football time again in Iowa Park.

No, the 1999 season is still over two months away, but for several Hawks, action on the gridiron begins tonight.

Iowa Park will again be playing in the 7-on-7 passing league consisting of teams from around the area. The Hawks' division will include Rider, Wichita Falls High School, Hirschi, Burkburnett, Vernon and Holliday.

Several players including Tyler Pulley, Chase Wright, Chris Simmons, Scotty Mitchell, Dustin

Shierry, Jessy Robertson, J.R. Matot, Mason Adams and others will open play tonight in the all-passing league.

"I think it's a good thing," said head coach Weldon Nelms, who will be looking to take his Hawks to the State playoffs for a fifth straight season. "It gives our quarterbacks and receivers a chance to work on their timing and it gives them a lot of conditioning work as well."

"They've taken this 7-on-7 league to the next level to where you can now play for a State Championship," Nelms added. "You have to play in a Certified Tournament and advance just like you do in the play-

offs from that point on, so it keeps the competitive juices going throughout the summer."

In accordance with University Interscholastic League rules, there can be no coaches involved with the athletes.

The games will be played at Memorial Stadium and at McNiel Field in Wichita Falls, with two games going on at each field at the same time. The playing field is only 40 yards long, with points being awarded on both offense and defense.

This year's schedule was being revised and was not available at this time.

THE HEAT - Members of the team are (front row) Ali Dreher, Brittany Palacios, Erin Herrman, Sidnee Lawson and Ashley Zachary; and (back row) Ashley Davis, Jenny Drury, Taryn Howard, Jacy Roberts and Mackenzie Roth.

NT Heat takes 2nd in tourney

The North Texas Heat, coached by Larry Zachary, Kevin Drury and Kim Scobee, took second place last weekend in the White Settlement Fast Pitch 12 and under tournament.

Saturday, the team took its first loss 12-3 to Arlington No Mercy. Sunday, they played a total of six

games winning the first five 10-4, 16-5, 6-4, 7-0 and 10-5.

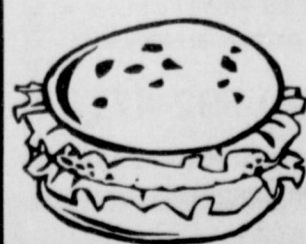

The Heat fell again to No Mercy in the final game of the tournament, 12-5.

The Heat will play in their next tournament June 18-20 at the Wichita Falls Optimist Club.
