New Physician

William E. Huddleston, M.D., is now associated with the Park Clinic for the general practice of medicine and surgery. He began his work in Iowa Park July 1 after receiving his discharge the last of June at Sheppard AFB where he had served as flight surgeon since October 1954.

Dr. Huddleston was born in Independence county, Ark. He completed high school at Batesville. After two years of study at Arkansas college, Batesville, and a year at Arkansas Teachers college, Conway, he entered the University of Arkansas school of medicine in Little Rock, September 1949 and was graduated in June 1953. He did his internship at the Methodist hospital, St. Joseph, Mo. Dr. Huddleston entered the air force in July 1953 and was married to Miss Pauline Coffman of Russellville in September that year.

Mrs. Huddleston is a registered nurse and formerly was employed at Wichita General hospital in surgery.

The Huddlestons have made their home at 205 West Washington for several months. They attend the Methodist church.

Dr. Huddleston's home phone is 8168.

Tennis Tourney Set for Adults

Summer recreation program under leadership of James Reese will conduct an Adult Tennis Tournament Friday and Saturday afternoons, July 20 and 21.

Play will be on the high school tennis courts, beginning each evening at 5:00.

All players interested are asked to contact Reese or Miles Thompson. Each contestant is expected to furnish his own racket and two new balls.

Coach Reese invites the public to come and watch these games. Some interesting matches should develop from this tournament as there are some fair players who have been working out some this summer.

Coach Reese was state champion of Arkansas in 1950 while a student at Conway.

He reports a large number of young people have been taking part in the recreation program sponsored by the Iowa Park United Church Women.

Delbert Todd, son of Mr. and Mrs. James Todd, received his discharge from the air force June 25 in Seattle, Wash., and has returned home.

Delbert has just completed approximately two years in Alaska. Before being sent there he was stationed at Sheppard AFB two years.

He was a member of the 1952 graduating class here before he entered service in July 1952.

Delbert plans to enter Midwestern university this fall.

In talking of Alaska, Delbert said it was a beautiful country and a land of good sports and hunting, which he enjoyed. The main drawback, it was a long way from home!

Delbert expressed his appreciation of what the Iowa Park Herald meant to him while he was in service.

REPAIR SURGERY FOR BILLY JAMES CHILDREN

Both children are in the same hospital room.

Christie Makes Announcement

O. C. Red Christie, Wichita Falls insurance man, issued a formal statement Saturday on his candidacy for state representative from District 81, Place 2, embracing Wichita county. The statement follows:

I am for the average person. You do not need to worry about Big Business. They will take care of themselves. The citizens I am interested in are the working men and women who are trying to make a living and pay for a home and raise a family and educate them in a decent school staffed by instructors that are paid a living wage with a retirement plan, something worthwhile to look forward to.

For Aged I want to increase the old age assistance and will work at all times to do so. I want to really represent this group of people. Being a representative of the people is a fulltime job, one that requires one's time when the legislature is not in session.

I will when elected, work to your interest at all times. I also want you to understand when I am elected you will not have to go to see some of these supposedly "Big Shots" to get me to look into any business you may have in Austin or any other place.

If you want me for anything, I want you to feel free to write or call me. If you do not I am going to be disappointed in you the people.

Unfettered I am going to the Legislature obligated to no group or special interest. This is the only way I will accept the office. I am not going to buy this office. I am not going to let my friends spend a lot of money in my behalf.

When you see money spent for TV and Radio in this race you can rest assured that someone is getting something on the side out of this office. The office only pays a little over \$3,000 dollars for two years of work. If there is an extra session they make a little more. Do you think this warrants TV and Radio campaigning? I tell you definitely, no. The candidate is going down there belonging to some group or special interest that does not care for your interest, Mr. Average Citizen!

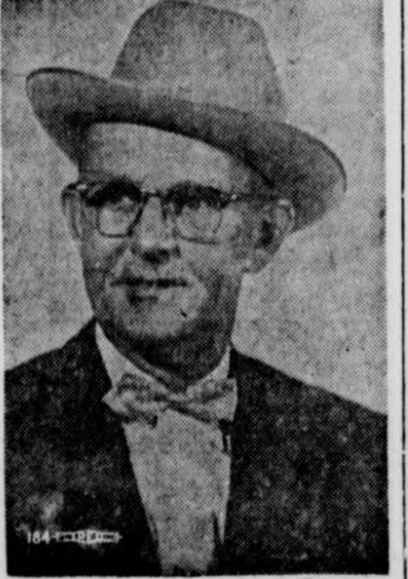

I will vote to increase the benefits to the injured workman. I will never vote to take away his or her right to have his case decided by a jury.

I will promote the welfare of the Wichita Falls State Hospital and will work for its best interest in the Legislature.

Boyt Smith sr. is in Wichita General hospital for treatment.

Ann Self Weds Ralph Brown

Miss Ann Self became the bride of Ralph Brown last Saturday evening in the home of his parents Mr. and Mrs. Henry Brown, on East Washington.

Rev. L. H. Hood of Pleasant Valley Baptist church read the ceremony. Only members of the families and close friends attended.

Ann is the daughter of Mr. and Mrs. C. M. Self.

The young couple stood before an arrangement of tall white tapers in Swedish steel candleabra flanked by baskets of white gladioli.

Mrs. Otis Gay, pianist, provided traditional wedding music.

Given in marriage by her father the bride wore a street-length dress of white embossed nylon over white taffeta. The dress featured a shirred fitted bodice fashioned with rounded neckline and full skirt. She wore a small fitted blue nylon hat and completed her costume with a blue rhinestone necklace borrowed from the groom's sister.

She carried a bouquet of white carnations atop a white Bible.

Miss Linda Robinson was maid of honor. She wore a street-length princess style dress of blue taffeta. Her hat was white lace and she carried a crescent bouquet of white carnations.

Bruce Hughes served his former classmate as best man.

The couple knelt on a white satin covered prieu-dieu for the benediction.

A reception honored the couple immediately following the ceremony. The table was covered with a white crocheted cloth over blue. Centerpiece was an arrangement of white carnations and greenery.

Miss Glenna Archer presided at the crystal punch service while Miss Lenora Brown, sister of the groom, served the cake.

Miss Sue Bedford secured signatures for the bridesbook.

Gilbert Steele's Father Dies

Funeral services were conducted for Daniel M. Steele, 66, father of Gilbert Steele of Iowa Park, in the Church of Christ in Quannah last Sunday afternoon. Burial was in the Quannah cemetery.

Mr. Steele died in a Mansfield hospital early Saturday morning, July 7. He was a long time resident of the Quannah area and worked as a cotton ginner.

He was born July 22, 1889, at Batesville, Ark., and moved to Texas while a small child. He had lived in Sherman the past two years.

Surviving are three sons: Gilbert of Iowa Park, Kenneth of Pampa and Hoyett of Mansfield; four daughters: Mrs. Edgar Owens of Clarksville, Mrs. Dorothy Ellis and Mrs. James O. Wood, both of Wichita Falls, and Mrs. Doris Beatty of Quannah; a sister Mrs. Lula Peck of Quannah; and 11 grandchildren including David Steele of Iowa Park.

Costs too High

Keith D. Swim, school superintendent, gave a report on the status of plans for the construction of a gymnasium for the school district at Noon Lions luncheon Tuesday.

"Prices are so much higher now than we had estimated they would be—and are likely to go higher—we will have to scale down on the original design," Swim reported.

"By substituting concrete beams for steel beams, and concrete walls instead of masonry walls, it is possible that we can get the space needed at a cost we can afford."

The board of education recently had to refuse all bids on the band hall and gymnasium because costs were too great.

Hammett Vance, former sheriff seeking re-election, was the only visitor this week. He was introduced but made no speeches.

Pres. Buck Voyles urged Lions to attend the Little Boys' baseball games held here three days a week. He also invited members of the executive board to meet at his home that evening to discuss committee assignments for the year.

Mrs. Atchley of Kamay Dies

Mrs. Clara Etta Atchley died at her home in Kamay, Thursday evening, July 5, after a lengthy illness. Funeral services were conducted there Saturday in the Baptist church, with Rev. J. D. McDaniel, pastor, in charge.

The refreshment table was covered with a white lace cloth over blue and was adorned with a bouquet of blue carnations. Mmes. Mills and Berry presided at the crystal punch bowl.

Guests included members of Eta Lambda and Eta Nu chapters of Wichita Falls and Epsilon Eta of Iowa Park.

ESA Convenes in Vernon

District VI of Texas Epsilon Sigma Alpha had its quarterly meeting in Quannah at the B & PW hall on July 8. Twelve members of Epsilon Eta of Iowa Park attended.

A luncheon was served preceded by a musical program. Tables were decorated with tepees and cornucopias, as the American Indian theme was used throughout the meeting room.

Mrs. Malcolm Mills of Iowa Park, district president, directed the business session, at which time she presented Marjorie Irby of Fort Worth, newly elected state president. She reported that the International Council convention of Epsilon Sigma Alpha at Albuquerque, N.M. in June was attended by 44 from Texas, with a total attendance of 526 from 30 states.

The host chapter's project for the meeting was a needy family, and the response was generous.

An executive board meeting followed the closing ritual. Mrs. Glen Miller of Iowa Park was elected vice-president to replace Mrs. Jack Coleman, who is moving to Omaha, Neb.

As we were making the usual round of the business blocks this week we saw something the C of C and other civic minded folk try to teach and practice.

You know in the Bible we find "and a little child shall lead them." Well, Roger Sullivan, better known as Shorty, was taking a newly found friend, James Jernigan, around to make him acquainted with the stores and storekeepers of our fair town.

James has just moved here with his parents Capt. and Mrs. Arthur O. Jernigan and sister and brother from the Philippine Islands where Mr. Jernigan was stationed with the armed forces. At present Mr. Jernigan is stationed at Sheppard AFB. He has been in the service 18 years.

James is 14 years old, Mary is 10 and John is 3. The Jernigans reside at 406 N. Yosemite and attend the Baptist church. They are originally from Seminole, Okla.

Mr. Jernigan is a teacher and taught two years while they were in the Philippines. Let us take a lesson lesson from Shorty and really make this a "town of friendly living."

Lester E. Brooks and Wilfred McDonald have called a joint conference of incoming and outgoing cabinet members of District 2-E, to be held at Riverside Lions club building in Ft. Worth next Sunday at 1:00 p.m.

Purpose is for outgoing members to brief incoming members on their duties and help them plan their work.

Iowa Park folk planning to attend are Messrs. and Mmes. Bill Sawyer, Rollins Woodall and Lester E. Brooks.

Eighteen members and three visitors attended Evening Lions club Tuesday. James Todd gave the invocation.

Lion Tamer Wayne House introduced James Elms, Ernest Hartfield and H. B. Jones as guests.

George Trammell reported on the directors meeting in the home of Pres. Jimmy Stewart, Friday evening, July 6.

A traveling award will be presented to the winning team of the Kids Baseball play at the end of the season. Also a sportsmanship award will go to the outstanding player. Members serving on this committee will be George Trammell, Arch Hughes and Doc Waters.

Lion House reported on the first half of the baseball program. There are five teams with five managers. Approximately 96 boys are taking part in the practices and games. Virgil Woodfin reported sufficient material and paint has been donated by Steele Lumber company and Williams Lumber company to build portable benches for the players. Woodfin and John E. Sibley will have the benches completed soon.

A special edition will appear in the Iowa Park Herald next week dedicated to the Kids Baseball program. The Evening Lions club is sponsoring this edition. Working on the committee with Stewart are Elden Cole, Arch Hughes and Waters.

A complete report will be given at the next meeting on the candy sales. Mrs. Thelma Gay provided dinner music for the meeting.

Herald:

Sorry I'm late with the \$2, but here it is, I'm glad I'm getting the paper for it's just like a visit home — for you see I grew up and married there. Have been away ever since in 1929. But our hopes are when Buster retires from the Ft. Worth & Denver Railroad to make our home there.

We both have a lot of kinfolks and friends there. Husband is the son of the departed W. G. Ketchum and I'm the daughter Ruby of the departed T. E. (Tom) Hall.

Thanks, Mrs. J. B. Ketchum P.S. When a girl at one time I worked with Ina Mae Smith (now Mrs. Robert McGee) in the Herald office.

Miss Kathleen Gee of Kingsley, Kans., spent the weekend in the home of Mr. and Mrs. D. O. James. She accompanied their daughter Mrs. Dale Hansard of Pratt, Kans. They are both members of the Pratt high school and junior college, and are attending a short course at TSCW, Denton.

YOUR HIGHWAYS BY JAY SCOTT

So you think things are messed up out there on your highways? Well, just wait another ten years! By 1966, says The National Safety Council, an endless swarm of 82 million motor vehicles will jam your streets and highways. . . . 20 million more than now.

They will be piloted at various times by 90 million drivers. They will travel approximately 825 billion miles a year.

The traffic toll in 1966 will be around 53,000 . . . unless some genius manages to pull down the prevailing death rate by getting to those 90 million drivers with a real safety sales talk.

USE THE CROSSWALK!

Faced with this foreboding future, the Council has worked out a specific traffic safety program . . . designed not only to hold down the traffic toll but to expedite traffic.

Here's the plan in brief:

1. Make sure everyone walks and drives sensibly.
2. Make traffic law enforcement rough and tough.
3. Build as many miles of safe, modern accident-resistant highways as possible . . . as fast as possible.
4. Cut legislative red tape to get uniform traffic laws.
5. Make driver education a required high school course.
6. Make it tough to get a driver's license.
7. Back your traffic courts to the limit.

Kay Quick has Charming Voice

By Mrs. Homer Blalock

Miss Kay Quick was presented in a voice recital Tuesday evening at the First Baptist church. A charming picture and a charming lyric soprano voice, the pupil of Mrs. Keith Garrison of Wichita Falls brought to Iowa Park a most delightful evening.

Kay's vocal endowments have been known to her friends and her church where she is a faithful member of the choir for several years. For the past year she has had private lessons. Her recital, a tribute to both pupil and teacher, revealed almost unbelievable maturity and developed talent in so short time.

Kay's recital ranged from Old Italian and Old English including "Caro mio ben" (Giordani), "La Serenata" (Tosti), "The Lass with the Delicate Air" (Arne) to open the program, to the modern "You'll Never Walk Alone" (Rodgers), the closing number.

Other numbers included "Solvejos Lied" (Grieg), "Calm as the Night" (Bohm), "Serenade" (La Forge), "Jurame" (Greger), "Such a Lil' Fellow" (Dichmont) and "My God and I" (Wihlto).

Mrs. Garrison provided piano accompaniment.

Miss Carol Thomas and Miss La Wanda Darnell served as ushers. Following the recital a reception was held in the church parlor. The table was covered with peach colored linen and centered with an arrangement of blue carnations. Kay's mother Mrs. J. Louis Quick presided at the crystal punch service.

Assisting with the reception were Mmes. O. E. Lochridge, Earle Denny and Homer Blalock.

SHOWER FOR RECENT BRIDE

Mrs. Rocky Lee Cowley, the former Miss Mary Lynn Verble, was honoree of a miscellaneous bridal shower Friday evening the parlor of the First Baptist church.

Hostesses were Mmes. Bert Caddell, R. R. Brubaker, J. W. Thomas, Sam Hill, George Lewis, J. W. McLemore, Homer Blalock D. O. James, Dorothy Thompson.

Mrs. McLemore presided at the bridesbook. Assisting with the gift display were Mrs. Gus Rich and Mrs. Lewis.

The refreshment table was covered with a lace cloth and centered with an arrangement of white and orchid flowers. Summer flowers were used throughout the room.

Misses Kay Quick and La Wanda Darnell presided at the punch and cake services.

Mrs. Blanche Hall was admitted to Wichita General hospital this week for treatment.

Mrs. Emma Gauntt, Miss Jane Gauntt and Miss Jane Flippin of Wichita Falls returned home last weekend after vacationing in Canada and on the west coast. They visited friends in Oakland, Calif.

Emma reports wonderful weather and scenery. She is thinking of retiring on the west coast in her later years.

Reflections from the Bible

By Ray Marcum, Minister, Iowa Park Church of Christ

Last week our first article appeared in our local paper and we announced that each week with our Lord willing we would bring you Reflections from the Bible for you to meditate upon. Since our hope is based upon the Bible we need some concrete evidence of why we believe the Bible as being the word of God. The Bible is the only authentic source from which instruction can be derived. In relation to the knowledge of God; His various dispensations to mankind, and the duties required of men by their Creator. As it claims to be regarded as the book of God, a Divine authority, so it claims to be the only authority. It is not a rule, it is the rule both of faith and practice.

The Bible itself claims to be the word of God. Over two thousand times the expression, "Thus saith the Lord," is inscribed upon its pages. It tells us that "God has spoken" (Heb. 1:1-2). It says that "Holy men of God spake as they were moved by the Holy Ghost" (II Peter 1:21). The Scriptures are inspired (II Tim. 3:16-17). Some say the Bible is a good book but not inspired of God. This cannot be. If it is not the word of God, it is a fraud. The volume called the Bible is composed of sixty-six books, read them and study them, you will find God's will toward all mankind.

Gas Tax Refund Due to Farmers

Farmers are entitled to claim a refund of the federal tax on all gasoline bought and used for farming during the 6-month period January 1 through June 30, 1956, B. T. Haws, county agent, reminds Wichita county producers.

Any owner, tenant or farm operator who buys gasoline for use on a farm may file a claim, says Haws. A farmer may also request a refund of the tax on any gasoline used on his farm by a custom operator or a neighbor in connection with cultivating the soil, or raising or harvesting a crop.

Under the law enacted April 2, the amount claimable this year is 2 cents on each gallon of gasoline purchased and used on a farm for farming purposes during the first six months of 1956. In future years claims will be filed for a full 12-month period from July 1 through June 30.

Claims must be filed on Internal Revenue Service Form 2240. It may be obtained from county agents or district directors of internal revenue. Date for filing this year's refund is June 30 through October 1, 1956. The law does not permit payment of claims filed late.

Refund claims must not be made for gasoline used off the farm, according to Haws, or for gasoline used for other than actual farming purposes, as described in Form 2240. This applies to gasoline used on the highway, for personal use such as mowing the lawn, or for processing, packaging, freezing or canning operations. Sufficient records should be kept to enable the Internal Revenue Service to verify accuracy of the refund claimed.

Mrs. Dan Clark and children Frances and Danny of Norman, Okla., are visiting with her parents Mr. and Mrs. Carl Walsh.

Mrs. Frankie Hendrick visited her parents Mr. and Mrs. J. A. Pharr of Blair, Okla., for several days this week.

COUNTY AGENT SUGGESTS . . .

Planning a family trip? If so, Thelma Wirges, county home demonstration agent, suggests you put aside road maps and travel folders long enough to place valuable household papers in order.

Loss of a valuable paper from theft, fire or carelessness could spoil your vacation. A safety deposit box at your bank is one of the best places for wills, stocks and bonds, insurance policies, family records of birth, marriage, citizenship, military service, deeds, leases, promissory notes and other documents.

A household inventory is another valuable record. Before leaving on your trip, make duplicate copies or bring existing ones up to date. One copy can be placed in the bank box and the other kept at home. You'll be glad you did if you have to settle a theft or fire claim.

Take with you a list giving the name of your automobile insurance and hospitalization insurance companies. Include the number of each policy and the names and addresses of the agents.

If you carry travelers' checks, don't forget to make one or more lists of check numbers to be carried separately from the checks.

Does your child suffer with asthma?

If so, read about this child and what happened to him under chiropractic and then ask yourself: "Have I done all that is possible to solve my child's problem?"

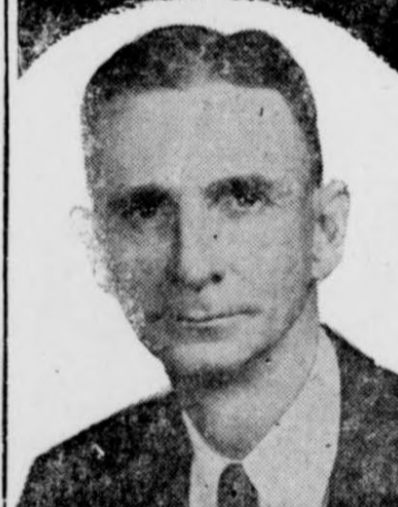

Case No. 1237, a boy, age 10, was brought to this office and this simple case history was given:

"ASTHMA SINCE BIRTH." But behind these three words was a history of suffering and anxiety by the child and his mother. Repeated efforts to find a solution to this child's problem were to no avail.

Spinal analysis, including X-ray pictures, proved that a spinal fault existed which was disturbing nerves and preventing normal function. A correction of this spinal fault was started and, today, this lad is enjoying a life free from asthma and the years of suffering and anxiety are an unpleasant memory.

If your child is suffering from asthma do not fail to include Chiropractic in your efforts to obtain a solution for your child's difficulty.
