ON Friday and Saturday, September 27 & 28.

MRS. MILLER and her noble assistants will show the Finest Line of Millinery ever opened in Baird. We don't expect to make a big talk but a big show and a big sale. The people of Baird and Callahan County know when we say it will be the Grandest know it will be a fact. Everybody knows Mrs. Miller's ability to design hats and please the ladies, she has been in the Eastern Markets for 30 years or more, selecting designs and the newest things on the market. Remember 30 days among the pattern hats of the World, and an expert will surely get the best ideas. As every lady in Callahan County knows Mrs. Miller's ability therefore it will be useless for me to try to give you the names of the different designs of pattern hats, all I can do is to invite you to call and see them, and you will be surprised at the beauty. Don't fail to attend our opening.

SAN ANTONIO INTERNATIONAL FAIR.

The San Antonio International Fair having its opening date October 1st, ending October 30, concerns itself chiefly with the affairs of live stock and agriculture. Its dominant purpose is to illustrate progress in these industries, and to lay a strong and enduring foundation for international commerce between the United States and Mexico. The Fair's scope, nevertheless, is so broad as to take in almost all departments of human efforts. In several respects this year's Fair surpasses all former ones.

The main building will contain a great variety of exhibits, chiefly of American manufacture, and of a wide and wide in their great variety, under all sorts of conditions. Under their proper classification farm management and processes, experiments with various crops in different soil, reports from different States and showing the aggregate of crops and products of all kinds; exhibits of all products of farm and garden.

The livestock exhibit will be extensive. Never before have there been so many well bred cattle brought together. Two classes are to attract much attention will be the display of range and beef cattle, for which exceedingly liberal prizes have been offered. Never in the history of the South have there been so many liberal premiums offered in a live stock show.

Grand arena exhibits, to be held on six days, will be among the prominent features. There will be a large display of dairy products, modern machinery and apparatus used in and about the dairy. All the popular fruits will be displayed in a suitable refrigerating room on the grounds, which will make possible to have a fresh exhibit daily.

Minerals will be fully represented, covering every representation, both useful and ornamental, mined from the earth. Mexico and the United States will contribute specimens. It will be the purpose of the fine art exhibit to show the progress made in the culture of painting and drawing. In the music hall there will be given recitals of all kinds. There are also two outdoor concerts. Prof. Cassin's band of 25 pieces, famous the world over, has been engaged as the leading musical organization. In the evening music hall will be the scene of the

presentation of "Battles of Our Nation," a musical war spectacle portraying the events from the colonial wars to the present date.

The amusement features of the Fair will cost a vast sum. To stray upon a Mid-way of such wonders as is being provided has not been the privilege of those attending Texas Fairs. The immense Ferris' wheels will take the visitors revolving high above the earth. "The beautiful ornate" will be another attraction. It is described as a dazzling, romantic and realistic display of the manifold charms of the East. There will be electric fountains and theaters, dazzling in their brilliant beauty of rainbow colors in addition there will be "A Trip to the Moon," War Cyclorama, Cinematograph, Glass and "Dramas and Plays," Animal Show, Dreamland, Moving Pictures, old Nuremberg, Scenic Railway, and many other objects of interest.

Visitors to the San Antonio International Fair will be assured the lowest rates ever granted by the railroads entering in San Antonio and their connections.

Something to Remember.
When a cough or cold is long continued consumption almost invariably follows. Remember Mexican Syrup only costs 25 cents a bottle, and yet has proven in many thousand cases an absolute safe cure for coughs, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. It is the only drug that keeps it in safe, food the seemingly miraculous cure it has effected, printed on the wrapper around the bottle. Sept.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Bradford county, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when Editor Ward, of the Laceyville Times, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the road. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time one dose cured me." Sold by R. Phillips, Baird, V. A. Orr, Putnam.

MR. EDITOR—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief. Finally I got a bottle of this valuable medicine, which has completely relieved me.—W. S. BROCKMAN, Daguerre, Mo. This remedy is for sale by R. Phillips, Baird, V. A. Orr, Putnam. Sept.

CROSS PLAINS LOCALS

Sept. 11.—Mr. Dick Postagost, one of Cross Plains' most prominent merchants was in town Tuesday.

Miss Jesse Wagner visited in Baird last week.

The ice cream festival at the Methodist church Friday evening was a grand success. Excellent music was furnished by Messrs. Hall, Nordhous, Phillips, Bailey and others whose names we did not learn. Prof. Watson made the welcome address. The proceeds amounted to \$40.25, which will go towards seating the church.

Bro. Bullard will preach at the Methodist church next Sunday.

John E. Roach of May came on Sunday to see his brother, returning Monday.

Mr. Clarence Russell, of Baird, was visiting in the city Sunday, the guest of Miss Jesse Wagner.

Jeff Clark and Hub Barwell, of Cross Plains, came up Sunday. They seem to be a considerable attraction at Cross Plains for these young men. Come again boys.

The girls at this place have given 20 halves up to this writing (Monday morning).

Mr. and Mrs. Foster Bond left for Dallas yesterday. Mrs. Bond will need drummers to whom she will give orders for their fall stock. Mrs. Bond will visit at Thorp Springs, before they return.

Health of the country very good. Grandpa Roberts is able to be on the streets again after a long spell of sickness. We are glad to see Grandpa able to stir again.

Uncle John Ray has returned from his western trip where he has been on a hunting expedition.

Mr. Marion Moore was called to the bed side of his aged father and mother in Nolan county last week. He returned yesterday and stated that his father much improved, but his mother still low.

Leander Farmer has sold his crop to George Swan and will move in a few days to Jones county, where he has bought land and has just finished him a new house. We regret to lose Mr. Farmer as he is one of our best business and farmers, but our best wishes go with him.

Thomas Davis has been hauling beans to some of our business men the past week, but has not supplied the demand yet.

Ed Bolen and lady were in town this morning trading with our merchants.

Nick Brightwell came in Saturday afternoon looking pleasant and commented and says if he can get a shower of rain every week like it has been for the past six weeks, he has no kick coming.

Joe McClure has taken a few days lay off from business on account of severe carbouncle on his wrist.

The Christian church people hold their church meeting at the arbor every Sunday afternoon.

PUTNAM NEWS.

Sept. 15.—Not having been anything in the way of rain from Putnam for sometime, I take the privilege to send a few notes.

Cotton in this section is opening very fast, and is being picked out and ginned rapidly.

The gin at this place has been tolerable busy for past two weeks.

More rain is needed to make good fall grass and feed.

The stores in our little town are filling up with new goods as though some business is going to be done.

The school under the management of Mrs. F. A. Duke is progressing nicely. We have a larger attendance at this time than ever before. An excellent opportunity is offered here for learning and first-class instruction. Mrs. Duke has been a teacher for fifteen years or more, and has won notoriety wherever she has taught for her methods, management and course of instruction. A PUPIL.
