

the Iowa Park Herald

M. L. Hodges, Naval Air Force, patrol squadron 4, Whidby Island, Wash., recently spent a 30 day furlough here with his parents Mr. and Mrs. Grover Hodges.

M. L. has been in the service three years and his time was recently extended a year. With the exception of five months in Hawaii he has been stationed at Whidby Island since entering the service.

While overseas he made a trip that carried him over the fighting area in Korea and on into Japan.

M. L. attended Iowa Park High School before joining the navy.

You and your Congress

The public is about to hear a great deal of talk in congress about wings and groups.

It has to do with the Air Force. It involves billions of dollars. It is apt to become quite confusing.

The reason for the probable confusion is that many members of Congress are confused about wings and groups.

The other day Chairman Vinson (D-Ga.) of the House armed services committee, declaring that this country still is dangerously vulnerable to air attack, launched a legislative drive for expansion of the Air Force to 163 wings.

The Air Force now has 87 wings and the defense department budget request includes \$20 billion for an expansion to 95 wings.

Senator Lodge (R-Mass.) has advocated an expansion to 153 groups, which he estimates would cost near \$33 billion a year.

The terms are erroneously used interchangeably in Congress.

Many members and their aides aren't sure exactly what a wing is—or a group, for that matter. The general impression is that they are approximately identical.

What, precisely, is a wing? Efforts to answer that question have thrown more than one Air Force officer. But the other day a major, who used an Air Force organization manual as a crutch and applied himself diligently, came up with this reply:

A wing is an elastic, self-contained unit, designed to operate independently and to be self-supporting.

A wing consists of four groups—one each for combat, medical care, maintenance of aircraft, and air base installation and operation.

The number of aircraft in the combat wing will vary, with the total depending on the type of operation or mission involved. A fighter group contains 75 aircraft. A heavy bomber group contains 30 aircraft. Other types of combat groups, of which there are quite a few, contain between 30 and 75.

In peacetime, a combat group consists of three squadrons, each of which contains a third of the total aircraft in the group. In time of war, an extra squadron may be added to certain types of combat groups.

Therefore, it is not enough for a member of Congress to speak of wings. Because wings vary in type and size. And besides, the major said, while he had described the basic structure of a wing, certain exceptions to that wing architecture are made for special purposes.

Describing a wing, he inferred wearily, is somewhat like trying to sketch a portrait of Mother Nature.

Keith Blalock Gets Degree from Baylor

James Keith Blalock, son of Mr. and Mrs. Homer Blalock, received his bachelor of arts degree from Baylor university, Waco, in summer convocation Thursday, Aug. 23. The exercises were held at the football stadium at which time master's degrees were granted 142 students and bachelor's degrees to 184.

Keith was born and reared here and was graduated from Iowa Park High School with honors in 1944. He was president of the class in both his junior and senior years, and was voted most representative boy of the senior class.

He attended Baylor for 1 1/2 years before entering the army during World War II. While in service he was stationed at Aberdeen Proving Grounds, Maryland and at Fort Sheridan, Chicago. Following his discharge from the army, Keith reentered Baylor.

He attended Midwestern university at Wichita Falls last year and went back to Baylor this summer to complete work toward his degree.

Keith was ordained to the ministry by the First Baptist church of Iowa Park in December 1947.

He was married to Miss Marjorie Howard of Denton, head of the home economics department of Iowa Park High School, Dec. 23, 1948. The couple has one child, Ronald Keith, 15 months of age.

Attractive New Area In Iowa Park Houses Thirteen Families

Thirteen attractive houses on West Magnolia street are the most recent addition to the residential section of Iowa Park. All the houses have been sold, 11 are already occupied by families who realize the consequences of establishing happy homes.

A representative of the Herald made house to house contacts in the new addition Monday afternoon and on no occasion has she ever been received more cordially or treated with more gracious hospitality. Permit us to introduce you to the fine people who dwell in the West Magnolia addition:

Mr. and Mrs. Jimmy Voyles and son Jerry, 7. Mr. Voyles works for Walker-Neer in Wichita Falls. Mrs. Voyles has been elected as one of the cafeteria workers in the local school for this year.

Mr. and Mrs. E. L. Kirkland and their two children Eddie Mack and Gwendolyn Jo. Mr. Kirkland is with the John B. Barbour Trucking company.

Mr. and Mrs. R. E. Kays and son Ronnie, 2 1/2 years of age. The family came here from Whitesboro. Mr. Kays is employed at the Al Reed Humble Station.

Mr. and Mrs. Buster Reaves. Buster works for the Industrial Supply at Kadane Corner and Mrs. Reaves, the former Miss Jan Bedford, is employed at the Wichita Falls Clinic hospital.

Mr. and Mrs. Billy Capehart are another young couple who realize the advantages of owning a home. Billy is a truck driver for Cox Drilling company, Wichita Falls.

Mr. and Mrs. C. L. Griffin, who recently moved back to Iowa Park from Houston. Mrs. Griffin is a sister of Mrs. Penton Dale, Mrs. Bess Smith and Mrs. Ida Chatelain. The couple has two children Mrs. W. M. Nelson of Memphis, Tenn., and Carl L. Griffin, division seismologist for United Geophysical company of Houston.

Mr. and Mrs. Perry Blaylock and daughter Patricia. Perry is a truck driver for Frank Wood associates in Wichita Falls. The Blaylocks are already well known in Iowa Park.

Mr. and Mrs. Allen Ray Watson and sons Danny Ray and Robert Allen. Mrs. Watson is the former Miss Bernice Muntz and is a graduate of the local high school. Her husband is a carpenter foreman in Wichita Falls.

Sgt. and Mrs. W. L. Watson and daughters Sharon and Brenda. Sgt. Watson is stationed at Sheppard AFB.

Mr. and Mrs. E. E. (Buck) Voyles and sons Danny and Ranny. Buck is commissioner of Precinct 3 and is well known in the county.

Mr. and Mrs. Weldon D. Vaughn and 7 months old daughter Jeri Kay moved into their new home last Saturday. Living with them temporarily are Mr. and Mrs. Richard Ludeman and 3 months old daughter Barbara Ann. The men are civilian instructors at SAFB.

The two unoccupied houses have been sold to Mr. and Mrs. Richard Musto and Sgt. and Mrs. L. W. Eldrege. The Mustos are from Detroit, Mich., and plan to move into their home by Sept. 25. They have three children.

Sgt. and Mrs. Eldrege have recently returned from a 3 1/2 years stay in Alaska. He is stationed at SAFB. Mrs. Eldrege is the sister of R. J. Butts. There are two children Larry Lee and Linda Louise.

Back Row (left to right): Victor Kilman, Bob Robinson and Ed Stone. Front row: Doris Jones, Wanda Schwartz and Jimmy Hooten.

Two Local Boys in Youth Revival Team Here Next Week

A Youth Revival will begin at the Baptist church Sunday, Aug. 26 and run through Sunday, Sept. 2, according to the Youth Publicity committee.

A visiting team made up of two young ladies and four young men will lead in the revival effort. The team is made up of students from North Texas State college, Denton.

Victor Kilman from Denton, now pastor of First Baptist church at Lols, will be the principal preacher assisted by Bob Robinson and Jimmy Hooten.

Mr. Kilman is a senior, married and has two daughters.

Bob Robinson is the son of R. C. Robinson of Iowa Park and is a senior. He is a graduate of Iowa Park High School, class of 1948, and is a licensed preacher.

Ed Stone of Dallas will be in charge of music for the revival. He is educational director at First Baptist church of Denton, is married and a senior. He is an excellent soloist.

Jimmy Hooten, son of Avery Hooten of Iowa Park, is a sophomore. He is a missionary volunteer and will share responsibilities of the visitation and fellowship program.

Miss Doris Jones of McKinney, a senior, will be pianist and director of the Junior Booster Band.

Miss Wanda Schwartz of Palmer is doing graduate work this summer and will return as teacher of high school English at Ferris this fall. Miss Schwartz will be in charge of visitation and fellowship, assisted by Jimmy Hooten.

Each member of the Youth Revival team has had considerable experience in youth revivals over the state in the last three years.

Local planning and preparation committee members are:

Spiritual preparation: Franklin Farmer, Charlene Metz, Katy Merie Sumrall.

Visitation: Barbara Butts, Jimmy Easterwood.

House: Wayne Williams.

Music: Katy Merie Sumrall.

Publicity: Members of all committees.

The youth revival will have "Turn Your Eyes upon Jesus" as its theme and the theme song will be the hymn by the same title.

Young people of the church will meet Sunday afternoon at 2:30 to launch their visitation program.

There will be services daily 7:15 to 7:50 each morning and at 8:00 each evening. A Booster Band will be conducted each evening in the church auditorium at 7:30 by Miss Jones.

Prayer services are being held at 7:30 each evening this week in preparation for the coming revival.

All the young people and the general public has a cordial invitation to attend these services.

The youth committee emphasizes that although this is designated as a Youth Revival, the adults are expected and urged to attend every service.

There will be an ice cream social for young people and adults at the church Saturday evening at 8:00. The purpose of the get together is to afford opportunity for everyone to get acquainted with the youth team.

Plans Completed for Celebration Opening New Water's Use

Iowa Park's big water celebration is taking shape for a grand opening of use of Lake Iowa Park on Monday, Sept. 3 (Labor Day).

The entire day will be devoted to sightseeing, with a trip to the lake a must on most people's list; family picnics and visiting with the water celebration visitors. Then at 7:00 p.m. the formal ceremony will take place on the city park block.

A prelude of music will be rendered while the throng gets settled. Then Alan Berry, president of the Chamber of Commerce, as master of ceremonies will introduce Mayor Penton Dale.

The mayor in a short speech will explain the purpose of the celebration and introduce Ernest Andrews, engineer on the lake and the sewer projects, who will briefly review the steps taken in providing Iowa Park with its new supply of soft pure water.

With appropriate ceremony a representative of the Water District will present the lake to the citizens of Iowa Park and show samples of the water.

As added entertainment and to give citizens of this area an opportunity to meet and hear the several candidates for congress in the special election Sept. 8, all the candidates have been invited to speak. Several have accepted the invitation and will be allowed some eight minutes to bring their candidacy to the attention of the voters.

Small vials of Lake Iowa Park water will be given as souvenirs of the celebration.

Mr. and Mrs. Jim Beasley returned last Thursday from a three weeks trip to Colorado. While on the trip they spent several days at Creole, a famous fishing spot. They also stopped at Colorado Springs, Manitou and Meeker, the latter city holding special interest for Jim since he has gone there several times to hunt deer and elk.

Jim Miller Graduates From Midwestern

James P. (Jim) Miller, son of Mr. and Mrs. L. F. Miller of Route 20, Iowa Park, will receive the bachelor of science degree in business administration from Midwestern university at graduation exercises in the university auditorium, Aug. 24.

Jim graduated from Wichita Falls high school in 1939 and from Hardin junior college in 1941, one week before he was married to Geardene Cannedy of Iowa Park.

He worked in the shipyard at Mobile, Ala., for two years and served 18 months in the army during World War II.

Upon his discharge from service, Jim was employed as agent in the Wichita Falls office of Miller and Miller Motor Freight Lines, his father's firm.

When he was made accountant in the firm, he decided to get his degree in accounting, so he reentered Hardin (now Midwestern) in June 1950.

The Millers' three children are Janice, 9, Peggy 8 and Robert Dale, 5 1/2 months.

Mahlers Visit John, Take Bill to Camp

Mr. and Mrs. Herman Mahler and son Bill visited last week with their other son John, who is in Memphis, Tenn., attending a navy air mechanics school. Bill is in the Ranger Division of Infantry in Colorado. His parents took him back to camp. He expects a transfer soon.

En route to Memphis the Mahlers visited in Texarkana with his nephews and family.

Epsilon Sigma Alpha sorority met Tuesday, August 21, at Sand Beach for a watermelon feast. The following members and their families were present: Annie Lee Hill, Mary Guthrie, Faye Guthrie, Bonnie Medlinger, Mary Miles Mixon, Helen Mitchell, Raydean Brown and Roberta Hill.

Death Takes Brother Of Iowa Park Men

Walter H. Bradford, 72, died at his home in Arlington, Saturday morning following a lengthy illness. He was a brother of B. L. and W. R. Bradford of Iowa Park.

Funeral services were held Monday morning at the Arlington Church of Christ, with Claud McClung, former minister, in charge. Burial was in Rosemont cemetery near Fort Worth.

A native Texan, Mr. Bradford was reared in Parker county and moved to Arlington 22 years ago, where he has operated a large chicken ranch most of the time.

Survivors include his widow; two sons Theo of Fort Worth and Chauncey of Arlington; four brothers, B. L. and W. R. of Iowa Park, Emery of Newark and J. C. of Arlington; two sisters Mrs. L. B. White of Newark and Mrs. W. J. McConnell of Denton; and four grandchildren.

Your C. of C.

What will be the 1952 Program of Work for the Iowa Park Chamber of Commerce will be largely determined by replies to questionnaires recently mailed out by Manager Ruth Hill Yeargan for President Alan W. Berry.

To date some excellent suggestions have been received which will give the committee plenty of food for thought and will be a definite challenge to the Chamber membership.

The aim of the organization is to develop a Program of Work which will be of mutual benefit to both farm and city.

Chamber officials realize attention should be first given to the immediate and most important problems in the community.

Since the suggestions and support of many persons are needed for the success of any Program of Work, men, women, college and high school students who wish to express their ideas on a plan to improve their town are encouraged to send post cards to the Chamber of Commerce.

Your suggestion is invited before the directors meet on Tuesday, September 4.

Valley View Man Bring First Cotton To Iowa Park Gin

The first bale of cotton for 1951 received by the Iowa Park Gin was ginned Tuesday morning, Aug. 21, according to Elmer Price, manager.

The cotton was grown by W. L. Hogan on his farm one mile northwest of Valley View. The Iowa Park Gin processed the cotton free of charge and bought it from Hogan at 32 1/2 cents a pound.

The Iowa Park Chamber of Commerce has a standing offer of \$25 bonus for the first bale, which is to be given Mr. Hogan.

Those who assisted Mr. Price with ginning the first bale of cotton were Pete Walls, Grover Hudges and Curtis Price.

The gin has undergone repairs within recent weeks and is in tip top condition, according to Mr. Price. He offered no prediction as to the probable number of bales that will be produced here this year. Due to drought conditions and insects, he stated it was difficult even to guess at the cotton yield at this time.

J. F. Glosup has been released from the hospital and is now at the home of his daughter Mrs. J. C. Roby. Recent visitors with Mr. Glosup have been Eddie Dean Glosup and son Eddie Jr. of Burbank, Calif.; Jimmy Dean Glosup of North Hollywood, Calif.; Mr. and Mrs. R. A. Glosup of Houston; V. E. Glosup of Seattle, Wash.; Mr. and Mrs. Quentin Roberts of Houston; and Thomas P. Glosup of Duncan, Okla.

Miss Brubaker Earns Diploma in 3 Years

Miss Bobbie Ruth Brubaker, youngest daughter of Mr. and Mrs. Robert R. Brubaker, will receive the bachelor of business administration degree from Midwestern university, Wichita Falls, in commencement exercises Friday morning at 10:00. Her minor subject was secretarial science.

Dr. W. W. Kemmerer, president of the University of Houston, will deliver the address. Baccalaureate services for the 45 graduates were held at Floral Heights Methodist church Sunday morning, at which time the sermon was delivered by Rev. Earl Hoggard, the pastor.

Miss Brubaker has won the distinction of being the first member of the 1948 class of Iowa Park High School to receive her college diploma.

At Midwestern, Bobbie Ruth has been student assistant in the Martin Library during the entire time of her college career. She has also been affiliated with the Business club and P. E. club.

After a vacation trip to Louisiana, Miss Brubaker is anticipating a secretarial position in Wichita Falls.

Texas Ranks High in Training of Drivers

More than two million youths have received special courses in their schools during the past four years to make them safer drivers when they take the wheel of an automobile, the Association of Casualty and Surety companies said this week.

School-trained drivers in the 48 states now compose more than 3 per cent of the nation's 60 million drivers and are increasing at the rate of 660,000 a year.

Ten states have won the association's Superior Awards for offering courses in driver education during 1950-1951 in at least 50 per cent of their secondary schools, with not less than half of the eligible students enrolled. These are Arizona, California, Illinois, Massachusetts, Michigan, Minnesota, New Jersey, North Dakota, Oklahoma and Wisconsin.

Seventeen states and the District of Columbia will receive Meritorious Awards for giving driver education courses in at least 25 per cent of their secondary schools, with not less than 25 per cent of eligible students enrolled. These are Connecticut, Delaware, Indiana, Montana, Nebraska, Nevada, New Hampshire, New York, North Carolina, Ohio, Oregon, Texas, Utah, Vermont, Virginia, Washington and West Virginia.

New Jersey, North Dakota, Oklahoma and Vermont also won a special award given for the first time to states in which parochial and private schools have shown unusual progress in driver education, with more than 25 per cent of schools and students participating.

Driver education has been found to be one of the best answers to the problem of reducing the growing toll of death, injury and damage on the highways.

Mrs. Jack Ralston and children May and Allie Jack spent last week with her mother Mrs. A. S. Noble at Sherman. Last Wednesday evening they went to Ft. Worth to attend a choral club recital at TWC in which Anne Ralston participated. Anne arrived from TWC, Tuesday to spend a few weeks here before the fall term starts. She and Miss Elga Ann Denny, daughter of Mr. and Mrs. Elgin Denny, will be roommates at TWC next year.

Mrs. Ikard, Former Iowa Park Resident, Buried at Archer City

Mrs. Bonnie Ikard, 45, of Archer City, who will be remembered here as Miss Eleanor Burney, died Friday night in the Hamilton hospital at Olney following an extended illness.

Mrs. Ikard was a niece of O. M. Jones and a cousin of Mrs. Lowell Spruiell and George Jones.

Mrs. Ikard moved to Iowa Park with her parents from Burkburnett about 1925. She attended Hardin junior college at Wichita Falls and was later employed as bookkeeper at the Golden Hardware company here.

Several years later the family moved to Archer City where the deceased was employed at the Archer county courthouse for many years. She also served as financial secretary of the Methodist church there.

Funeral services were held at the church in Archer City, Sunday afternoon with the Rev. Eldon H. Cole officiating. Burial was in the Archer City cemetery.

Survivors include her husband, a rancher and former sheriff of Archer City; her mother Mrs. W. B. Burney of Archer City; three brothers, Ewing Burney of Archer City, Dick Burney of Graham, W. B. Burney Jr.; a sister Mrs. L. D. Banks of Dallas.

Those from Iowa Park who attended the funeral service were Mr. and Mrs. O. M. Jones, Mr. and Mrs. George Jones and Dr. and Mrs. Lowell Spruiell.

YOUR CHAMBER

On the supposition that the risk of an all-out atomic attack on our country grows greater each day, we are told no industrial area in the nation can be considered safe from attack.

The National Security Resources Board advocates an industrial dispersion program; the putting of several miles between industrial facilities is the simple military measure of using space employed on the battlefield to protect men and supplies, reducing the vulnerability of any one concentration.

This move does not apply to old established plants, but to new ones or those seeking expansion. This, says the NSRB, is not only a defense measure but also an investment in future welfare and progress.

With an adequate supply of good soft water, Iowa Park may expect to expand industrially.

With this thought in mind we study again the information needed by plants seeking location. Among other things, they must know:

- Location; accessibility to market; transportation and service; freight rates, highways.
- Climate.
- Supply of raw material.
- Labor—wage scale in their classification; people and their attitudes; living conditions in the town.
- Utilities—rates.
- Taxes.
- Capital.

A pretty concrete idea on how they can make money in our town.

Oscar Monrad, vice-president, industrial department, First National Bank and Trust, Oklahoma City, says that of 127 new industries coming to the town he was in, not one went for anything he got for nothing. New industries, said Monrad, do not want bonuses nor gifts, they want to be on their own.

To meet competition, he added, we must WORK.

Cotton Harvest Labor Is Subject of Study

"Harvesting West Texas' Largest, Most Valuable Cotton Crop" is the theme of a farm labor conference which will be held Aug. 16 in the Kemp hotel at Wichita Falls.

The conference is one of three like meetings being held in West Texas under sponsorship of the Texas Cotton Ginners' association, Texas Farm Bureau Federation, local chambers of commerce and the West Texas Chamber of Commerce. The other two meetings will be held at Big Spring, Aug. 30 and Lubbock, Aug. 31.

A get acquainted and coffee hour will begin at 9:00 a.m., followed by an explanation of the reasons for the conference.

The entire day will be given to discussions of labor problems of the cotton farmer by men high in the United States employment service, by the state commissioner of agriculture, and by experts from the Texas Employment Commission.

A luncheon will be served honoring these guests.

Rev. Floyd A. Boulware of Bowie, former pastor here, was a visitor in Iowa Park, Wednesday morning. The many friends of the Boulwares regret to learn that one of their twin sons, Ronald, suffered a broken ankle at Fort Worth recently. The other twin is Donald, and their younger sister is named Jeri.

Mrs. Allie Girard and Mrs. Alan Berry have returned from a week's vacation trip to Biloxi, Miss.

Wichita County FARM BUREAU Newsletter

Maurice Howell was guest speaker when the Wichita County Farm Bureau directors met last Friday evening in the Farm Bureau office. President Wymore Downing was in charge and Howell, district service agent, talked on the importance of a full time service agent in our county with the new financial responsibility law becoming effective January 1, 1952.

A committee composed of W. T. Jenne, Arthur Evert, Gale Lowrance and T. H. Eckelkamp was appointed to contact prospects.

Lucille Wesley, who attended the Farm Bureau Institute at College Station about three weeks ago, gave a report. She said the Wichita County Home Demonstration clubs would like to co-operate with the Farm Bureau in bringing Miss Lucille Moore, recreation specialist of Texas A and M who directed recreation at the Institute, to come to our county to hold a recreation school for Farm Bureau, 4-H and HDC leaders. Directors were enthusiastic about having the school.

Present were Wymore and Solon Downing, W. T. Jenne and County Agent H. E. Shahan of Wichita Falls; Arthur Evert of Burkburnett; T. H. Eckelkamp of Electra; Mr. and Mrs. John Wesley and Lucille, George Lewis and Gale Lowrance of Iowa Park; and Mr. Howell of Abilene.

Mrs. Wesley asks that those who are going to need warfarin rat bait soon, contact the office so it can be ordered in plenty of time.

Family Party Honors Fourth Birthday

Mr. and Mrs. Tommy Sims entertained with a family party for their daughter Nancy on her third birthday, Friday, Aug. 17.

Nancy was delighted with the cake and its three candles, which was served with punch.

Present to help Nancy celebrate were her grandparents Mr. and Mrs. W. O. Watkins and Mrs. Della Sims; Mr. and Mrs. Keith Watkins, Mr. and Mrs. Johnny Watkins, Mr. and Mrs. Ted Zeck and children Margaret and Paul.

Mr. and Mrs. R. D. Fillman and daughter Susie were weekend visitors of Mr. and Mrs. O. E. Ray.

Notice to Long Distance Telephone Users

Certain changes in charges and practices pertaining to long distance calls within the State of Texas will be made effective September 1, 1951.

Basic Station-to-Station Day Rates
There will be increases on only 124 of the 815 mileage distances. In no case will the increase amount to more than 5 cents for the initial period of conversation on day station-to-station calls. There will be no increases in the station-to-station day rates over 202 miles.

Station-to-Station Night and Sunday Rates
A discount of approximately 20 per cent from the station-to-station day rate will continue to apply on all station-to-station calls costing over 50 cents completed during night hours and all day Sunday.

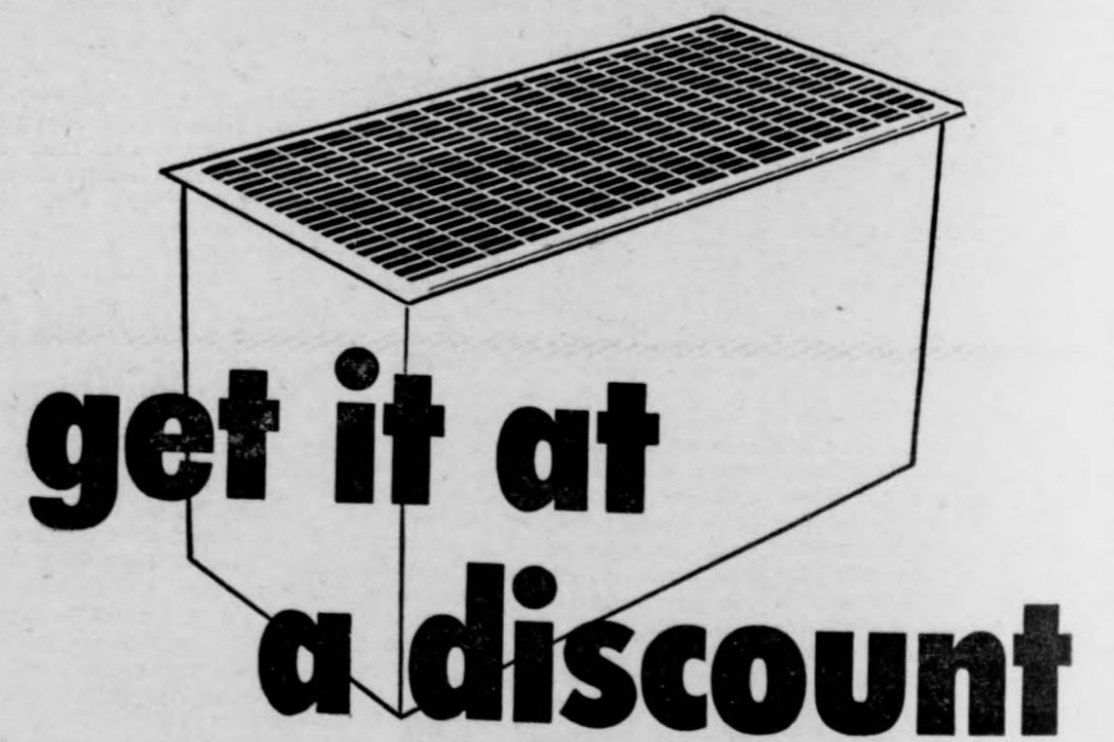

Person-to-Person Day Rates
Rates for person-to-person calls, which cost more to handle, are based upon the station-to-station rates. The differential will be 50 per cent instead of the present 40 per cent. The minimum differential of 15c will be continued.

Person-to-Person Night and Sunday Rates
The night and Sunday discount on person-to-person calls generally will continue to equal in amount of money the discount on station-to-station calls between the same points.

The principal changes to be made are described above. More detailed information may be obtained at any company business office.

WESLEY FAMILY GETTING READY FOR REUNION

Last Sunday the John Wesley family along with Amon White, Melvin Mitchell and Mrs. Allan Tucker and children went to work at the reunion grounds near Margaret in Poard county, on his father's farm. The latest project is showers and rest rooms on the grounds.

Their big family reunion is held annually on the Labor Day weekend and this will be the 17th consecutive reunion. Approximately 300

persons from all over the U.S. will attend.

Mr. and Mrs. Ben Griffin and children are among the new residents of Our Town. They moved here last week from Dalhart and are living at the Park hotel.

Mr. and Mrs. Alva West of Henrietta visited Sunday with Mr. and Mrs. W. B. Roling.

Mr. and Mrs. Paul Zink spent Sunday in Duncan, Okla.

Iowa Park Led County In X-ray Program

The Wichita County x-ray survey came to an end Saturday, August 18. During the three weeks' program 10,491 persons were photographed.

An analysis of x-rays given at the different towns in the county reveals that Iowa Park had the highest percentage of population x-rayed.

In congratulating the citizens of Iowa Park for its highest percentage, Miss Margaret Hall, executive secretary of the county tuberculosis association, observes that "the success of an undertaking of this magnitude means simply that the persons responsible did exceptional jobs. It means that everyone did more than was expected of him, that he put his heart as well as his hands to the task."

The tuberculosis association, Miss Hall said, wishes publicly to acknowledge its appreciation to:

Earle Denny, general chairman
Mrs. C. E. Birk, chairman of volunteer workers.

C. L. Metz of the Metz Appliance store for a base of operations. Alan Berry for general assistance. Ladies of the churches who made the clerical work possible.

Chamber of Commerce for furnishing 1,000 handbills and for the loud speaker announcements.

The Camp Fire girls and Boy Scouts for distributing the leaflets.

The ministers for their announcements.

The merchants for displaying posters in their windows.

The Herald for carrying stories about the survey for three consecutive weeks prior to the survey.

The city electrician who inspected and connected the x-ray machine with the electrical source.

The TB board members of Iowa park for their interest and assistance.

The people who recognized the importance of being x-rayed and availed themselves of the service.

Mass x-ray surveys are conducted to find unknown cases of tuberculosis preferably in its early curable stages, but cancer and tumor of the lungs and heart conditions also show up in x-ray pictures.

The pity of tuberculosis, Miss Hall pointed out, is that "in addition to being extremely difficult to cure unless found in its early stages, it is contagious. Contrary to the general belief that older persons do not catch the disease, anybody at any age can catch and

Jenkins Objects to Income Tax Increase

Walter Jenkins, candidate for Congress in the special election on Sept. 8, this week blasted proposals that income taxes be increased in the lower brackets.

"I am against any increase now in personal income taxes," he declared. "The average American — man, woman or child — is now paying \$360 a year in taxes to federal, state and local governments. That's right at a dollar a day per capita. It's too much."

The road back to a balanced spending program is a long, hard one, Jenkins conceded, but it is a road that must be taken.

"We have to save money, not only on what we spend abroad, but on what we spend on ourselves here at home," he said. "We must save money on administrative costs, on operations and by increased efficiency."

Jenkins said a fundamental flaw in the budgetary system is that the president, instead of congress, now has control over the federal budget.

"Congress is closer to the people," he pointed out. "Congress knows what the people want, what they need, what they can afford to pay in taxes. Under the present system, the people who are spending the money are the ones who decide how much to spend. We must change that. The people who pay the bill — the taxpayers — ought to control the purse strings."

"To do that, Congress must control the budget."

Rogers Family Gathers for Visit

Miss Ona Rogers entertained a group of relatives at dinner Saturday evening in honor of Mr. and Mrs. Taylor Rogers, who are visiting here from Oklahoma City.

Others present were Mr. and Mrs. Bart Rogers and children Jim, Jerry, Christina and Sheri Faye of Iowa Park; Mr. and Mrs. Tom Cunningham and son Lowell of Wichita Falls; Mr. and Mrs. Pete Rogers of Wichita Falls; George Teller of Oklahoma City; Tom Rogers and son Bill of Iowa Park.

Mr. and Mrs. Carroll Duke and daughter Lou Ann visited with the J. C. Horn family in Nocona, Sunday afternoon. Lou Ann remained for a few days visit with Patricia.

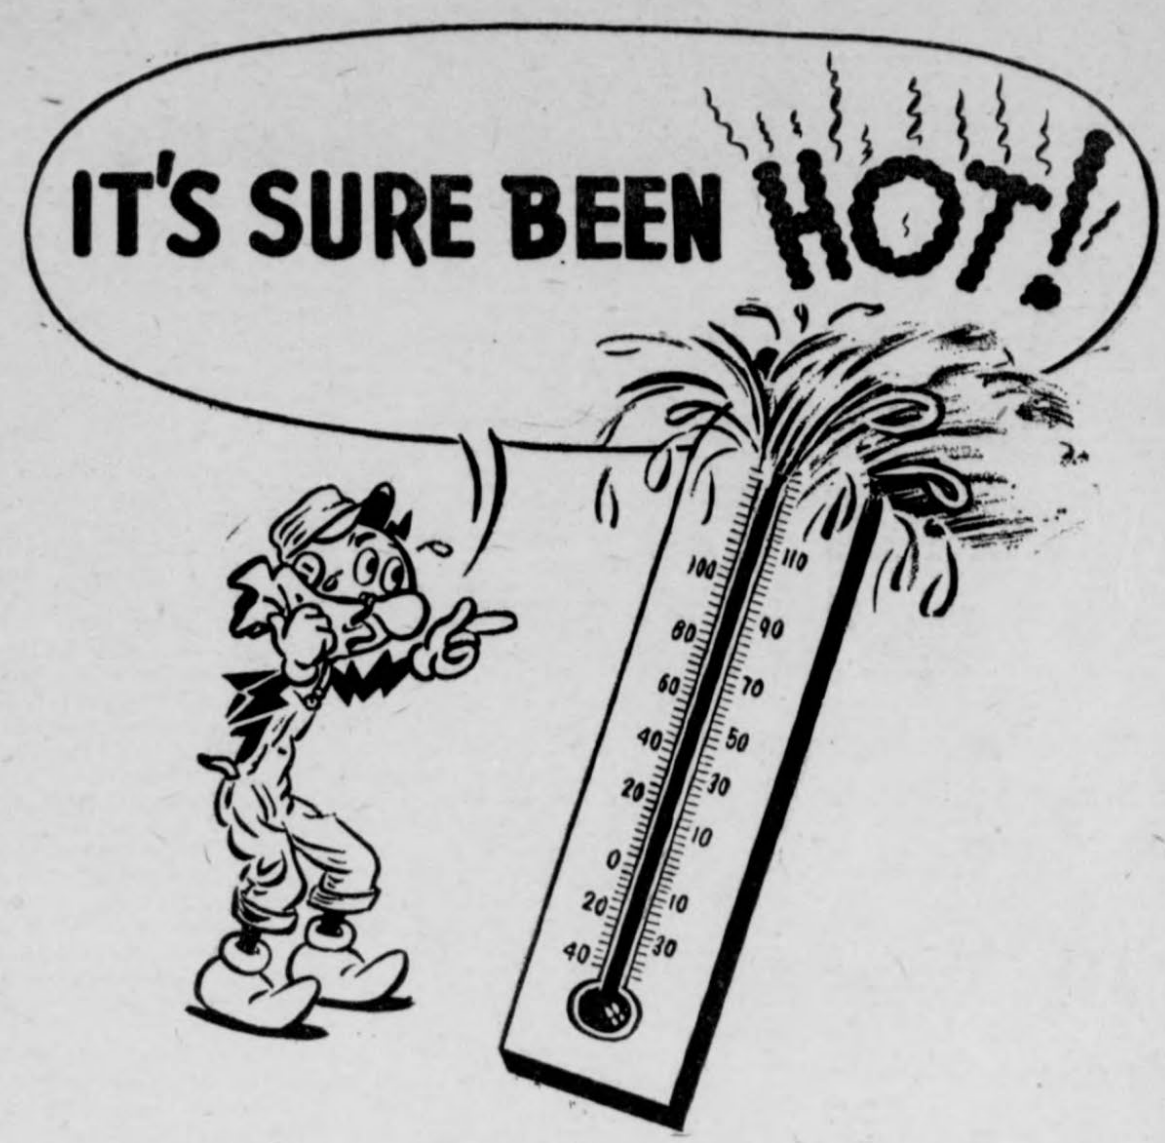

Millers Buy Station, Store from Osborne

Mrs. J. E. Osborne has sold her grocery store in the southwest section of town to Mr. and Mrs. Chester Miller. She will sail from Houston, Sept. 15 for La Harve, France, thence to Casa Blanca where she is to join her husband. He is engineer for Atlas Construction company. Mr. Osborne has been working in Arabela and Casa Blanca for the past three years.

Yell Leaders Study Job in Wichita Falls

Five cheerleaders of Iowa Park High School are enrolled in the yell leaders school being held at Wichita Falls this week and next. The school started Monday, with classes being held at high school under some of the best instructors in the business. The five from here are Tina Andrews, Betty Pybus, Martha Lambert, Wanda Long, Janice Kight.

W. R. Duke of Wichita Falls was in Iowa Park on business Monday.

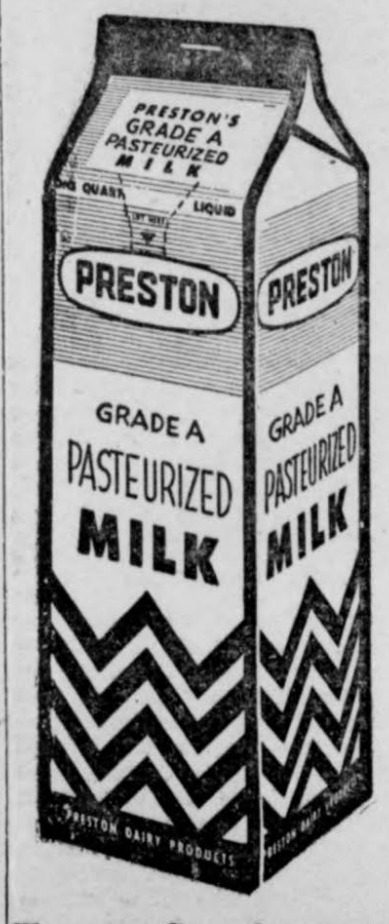

IT'S SURE BEEN HOT!

"This summer, I have put in a great many extra hours of work for my customers every day.

"Air conditioners, attic fans, evaporative coolers, and portable fans have been going full blast around the clock — 24 hours a day practically every day. High temperatures, lack of rainfall and many nights without our usual cooling breeze have combined to make it an exceptionally hot summer. Electric refrigerators have had to call on their reserve power to keep food fresh and wholesome at constant temperatures under 40 degrees and to maintain ready supplies of ice cubes and cooling beverages.

"Some electric bills may be higher during such extreme hot weather because of this extra work but now — when you're able to stay cool and comfortable in spite of the heat — is when your electric service really proves to be the biggest bargain in your home."

WALTER JENKINS
Will Make Us a Good Congressman

and Doctor... please hurry!

A sick baby . . . an anxious mother . . .
What's a telephone worth at a time like this?
How can you really measure the value of a telephone call that brings help in a matter of minutes?
Yet the average cost of each local call, including tax, is about 2½¢.
Can you think of a better bargain?

EVERY HELLO IS A GOOD BUY

WHAT A BARGAIN. Telephone service today actually takes a smaller part of the average family budget than it did ten years ago.

Republicans Rescue Texas Tidelands

Ben F. Schulz, Jr., Wichita Falls

When the House recently passed Ed Gossett's Bill proposing to restore to the States ownership of their submerged coastal lands by a vote of 265 to 109, or by more than a two-thirds majority, we Texans naturally felt greatly relieved.

But what we Texans ought to know, and what very few of us even suspect is that we owe this wonderful victory to the Republicans. Yes, the Republicans!

Let's take a look how both parties voted:
For the Bill: 156 REPUBLICANS, 109 Democrats.

Against the Bill: 17 Republicans, 91 DEMOCRATS.

This voting record clearly shows the Democratic Party split wide open on an issue of State's Rights. Fortunately, 90% of the Republican vote was FOR State's Rights.

I think the time has come for all Texans to state publicly: "Thank God for the Republicans. We needed them and they didn't let us down." Soon, we will need them again to override Harry Truman's promised veto. They won't let us down the next time either; the Republican platform is for State's Rights.

The present so-called "Democratic" platform is AGAINST State's Rights.

I am sure very few of us know that in 1948 at the Democratic National Convention, Dan Moody of Texas introduced a resolution which demanded that State's Rights be fully supported by the Democratic Party. THIS RESOLUTION WAS DEFEATED.

As a Texan, I will never forget this insult. If the Republicans in the House had treated Texas the way we Texans have treated Republicans in the past, our Tidelands would belong to the present socialistic administration at this very moment.

It is high time we return to a Government that will conduct the affairs of this country strictly according to The Constitution of the United States.

That is why I am going to vote for JOE JACKSON.

All his opponents are members of a party that just doesn't know what the words Morality, Honesty, Economy and Courage mean.

This is not the time for party politics.

We must be Americans first September 8th.

I hope we will make that day ring with real Texas independence.

This ad is paid for by Ben F. Schulz, Jr.

HOUSE JOINT RESOLUTION NO. 22 proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be numbered 43 and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county; providing the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein; and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III; providing for the calling of an election and the publication and issuance of the proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: That Article XVI of the Constitution of the State of Texas, be amended by adding thereto a new Section, to be numbered Section 43, which shall read as follows: "Section 43. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary and shall first be authorized by vote of the qualified voters of such county; provided further that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors at an election to be held throughout the State on the second Tuesday in November, 1951, and at said election the ballots shall have printed thereon the words: "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees." Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed Amendment.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Section 4. If at said election, a majority of the votes are "FOR" the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees, the foregoing proposed Amendment shall become Section 43 of Article XVI of the Constitution of the State of Texas and proclamation shall be made by the Governor therefor.

HOUSE JOINT RESOLUTION NO. 4 proposing an Amendment to the Constitution of the State of Texas amending Article III, Section 51a, providing that the Legislature shall have the power to provide assistance to aid provide for the payment of sums to residents of the State of Texas who are needy aged persons over the age of sixty-five (65) years, needy blind persons over the age of sixteen (16) years; removing the Thirty-five Million Dollars (\$35,000,000) limitation upon expenditures for such purposes and providing for a limitation of Forty-two Million Dollars (\$42,000,000) upon such expenditures; providing a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; providing for the acceptance of financial aid from the Government of the United States of America for such assistance; providing that the payment of such State funds shall never exceed the payments from Federal funds; providing for the necessary election, and providing for the form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: That Section 51a of Article III of the Constitution of the State of Texas be amended, and the same shall be amended so that the same shall hereafter read as follows: "The Legislature shall have the power, by general laws to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions, and regulations as may be provided by the Legislature, to provide for the payment of assistance to: (1) Needy aged persons who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, nor to any person who is receiving any other form of assistance from the State; (2) Needy blind persons who are over the age of sixteen (16) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, nor to any person who is receiving any other form of assistance from the State; (3) Needy children who are under the age of sixteen (16) years; provided that no such assistance shall be paid to any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application; (4) Needy children who are under the age of sixteen (16) years; provided that no such assistance shall be paid to any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application; (5) Needy children who are under the age of sixteen (16) years; provided that no such assistance shall be paid to any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application."

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors at an election to be held throughout the State on the second Tuesday in November, 1951, and at said election the ballots shall have printed thereon the words: "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees." Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed Amendment.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Section 4. If at said election, a majority of the votes are "FOR" the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees, the foregoing proposed Amendment shall become Section 43 of Article XVI of the Constitution of the State of Texas and proclamation shall be made by the Governor therefor.

Section 5. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Section 6. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Iowa Park PTA Leaders Make Ready for Year of Progress

The Parent-Teacher association programs for 1951-52 have been compiled and are ready for printing, according to the president, Mrs. J. T. New, who has worked with the program committee to formulate plans for the year.

The theme "The Citizen Child: His Destiny a Free World," has provided inspiration for the monthly programs. Mrs. Bratton Reaves is program chairman. Others on the committee include Mrs. Malcolm Mills, Mrs. T. E. Gilbreath and Miss Ethyle Kidwell.

Other officers of the local PTA are Mrs. Lloyd Lowe, vice-president; Mrs. Orville Bell, secretary; Mrs. Wilburn Bedford, treasurer; Mrs. O. R. Owens, parliamentary; Mrs. Ray Herring, historian; Mrs. Miles Thompson, membership; Mrs. Taylor, Mrs. George R. Huckaby, publicity; Mrs. J. A. Caphart, publications; Mrs. Justin Butts, Mrs. S. E. Watson, Mrs. George Jones, finance and budget; Mrs. U. G. Barnhart, by-laws.

These officers with the school principals, Miss Kidwell and W. D. Jeter, compose the executive board of the local PTA.

Mrs. Archie Bryant of Iowa Park is president of the Wichita County Council and Mrs. D. O. James is district vice-president.

PTA meetings are held on the second Wednesday of the month at 3:00 p.m. in the high school auditorium. Deviations are made for special occasions.

The first meeting of the year will be held Thursday evening, September 6, and will be a reception honoring the school staff. Mrs. Geo. Lewis and Mrs. Lowell Short are arranging for the occasion and indications are that the event will be one of the most enjoyable ever given to honor the faculty and to start the new school year off right.

Members of the school board will be in charge of the November program, with Pres. H. B. Klinkerman as leader. A question box period will feature the program. Members of the board are Herman Mitchell, D. O. James, Arch Hughes, Herman Kight, Burk Scott and Rollins Woodall.

Fathers' Night is set for Tuesday, Feb. 12. Supt. W. R. Bradford will

MRS. J. T. NEW

MRS. LLOYD LOWE

MRS. TAYLOR GEORGE

MRS. ARCHIE BRYANT

serve as program chairman. Dads and mothers will attend classes and study the same subject matter their children are studying. This will afford opportunity for parents to acquaint themselves with the teachers and their techniques. While parents are in school, the children will be enjoying a movie in the auditorium.

A high school panel frequently becomes one of the best sources for solving immediate educational ills. On March 22 a panel discussion on "What Makes Good Schools?" will compose a large portion of the program. Mrs. M. J. McDonald is to be the leader.

Caption for the April 9 program "The optimist is often as wrong as

the pessimist, but he is far happier" is a challenge. Homemaking demonstrations and physical education demonstrations and a display of work of the elementary students will add interest to the program.

"Music Through the Years" has been selected as the theme for the annual Spring Festival, May 1, sponsored by the PTA. Committee on arrangements is composed of Mrs. Taylor George, Mrs. Lester Hawkins, Mrs. Helen Kilpatrick and Miss Ethyle Kidwell.

Final meeting is calendared for May 14. Installation of new officers will be conducted by Mrs. D. O. James, district vice-president.

Mrs. New stated this week that a Rex-O-Graph machine has been placed in Miss Kidwell's office on a trial basis. The executive board has approved it and the association members will vote on whether to purchase it on the evening of September 6.

the pessimist, but he is far happier" is a challenge. Homemaking demonstrations and physical education demonstrations and a display of work of the elementary students will add interest to the program.

Mountain Climbing Birks Enjoy Trip

C. E. Birk and son Bobby returned Saturday night from a two weeks vacation trip to Colorado. While there they camped with the Chicago Mountaineering club, a group of some 50 persons, near Glacier Basin Camp Grounds in Rocky Mountain National Park. The group took hikes every day. The highest peak climbed was Long's Peak, over 14,000 feet in height. Bobby took the difficult route up the peak which required using ropes, but Ernest did not feel so daring, so he took the conventional route.

DRAFTEES MAY STILL HAVE CHOICE OF SERVICES

Choice of service in the army or the air force is still available to Selective Service registrants who have received pre-induction physical examinations, but not yet ordered for induction, provided they volunteer prior to August 31, according to SFC. Boyd L. Sullivan of the recruiting service at Wichita Falls.

"If a man can choose his branch of service," Sullivan commented, "he will feel he is serving where his talents can best be utilized toward the security of his country"

Mr. and Mrs. Clyde Hatfield have returned to their home in Pampa after a vacation visit with her mother Mrs. J. L. Wolfe.

Mrs. D. O. Black of Fort Worth visited over the weekend with her daughter Mrs. John Williamson of Valley Farms.

Jim Smith sure knows how to use a floor mop, in case some of you girls would like to know!

Mr. and Mrs. O. L. Burros of Wichita Falls visited with the Tanner family here Monday.

Master's Degree to Be Granted Young Parkan by N.T.S.C.

John Bradford, son of Mr. and Mrs. B. L. Bradford, will receive the master of science degree from NTSC at Denton, Friday night. Commencement exercises will be held in the men's gymnasium.

For work on his master's degree John has majored in public school education and minored in elementary education. He wrote his thesis on "Audio-Visual Aids."

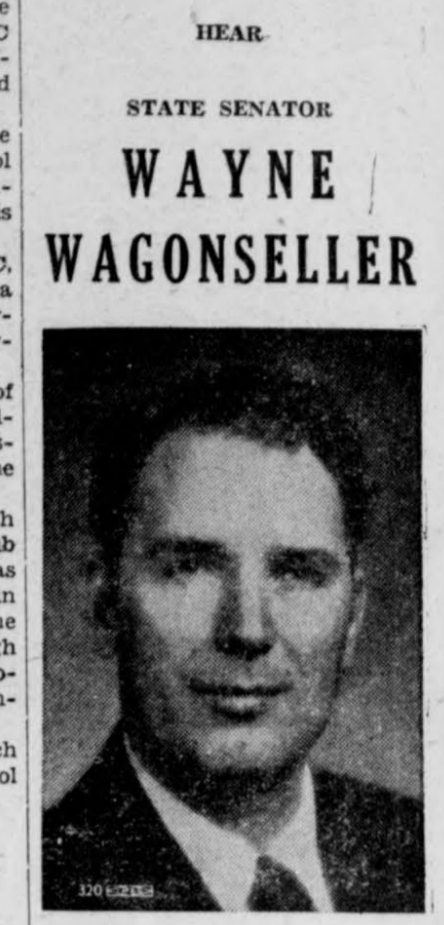

During his year spent at NTSC, John held membership in Phi Delta Kappa, national education fraternity, and Future Teachers of America club.

John received the bachelor of science degree, majoring in secondary education and minoring in history and chemistry, from Abilene Christian college, in 1950.

At ACC, he was affiliated with the Science club, North Texas club and Future Teachers club. He was a member of the college chorus in his junior year. While a senior he taught chemistry in ACC high school and assisted in the audio-visual department as laboratory instructor.

John has been elected to teach science in the demonstration school at ACC next year.

Will Make Us a Good Congressman

Congress

Many members of Congress find themselves suffering from what can be called the billion dollar jitters. The malady results from being required to pass upon legislation appropriating billions of dollars when there is a great uncertainty as to the actual need for much of the money in question. The situation frequently produces a certain frustration that is one of the more apparent symptoms of the billion dollar jitters.

An excellent example of the situation is to be found in the handling by the House of military appropriations for the current fiscal year.

The defense department asked for \$57.5 billion. The House appropriations committee pared that down by \$1.5 billion when the House itself finished voting the bill called for slightly over \$56 billion. The vote was 348 to 2.

A few days later the House also approved an additional \$5.7 billion for military construction, mostly air bases in this country and abroad.

for travel or whether the military could get by on \$145 million for travel or whether it may become necessary to spend \$300 million for travel. So we are shooting in the dark.

"I do know the average American has the idea that our military forces are wasteful in many of their expenditures and endeavors and often demand public moneys which they do not need."

Mr. and Mrs. Ted Overbey attended the East-West all star game in Childress last Friday as guests of T-O Fair Director H. C. Presler. Ted also attending the opening performance of the Possum Kingdom rodeo at Graham, Wednesday night.

Mr. and Mrs. William John Bennett of Hillsdale, N.J., are guests this week of their son and daughter in law Sgt. and Mrs. Allen W. Bennett.

Mr. and Mrs. Bess Brock of Grapevine and daughter Mrs. A. M. Whitwell of Childress visited Mr. and Mrs. Aaron Brubaker, Wednesday morning.

Sanje Downham of Electra visited Janice Wilson here over the weekend.

Mr. and Mrs. Taylor Rogers of Oklahoma City are visiting Miss One Rogers and other relatives here. Taylor has been state chemist in Oklahoma for about 25 years. He is a graduate of Iowa Park High School and of the University of Oklahoma.

Mr. and Mrs. D. O. James, Douglas and Deryl are in Junction City, Kans., visiting their son and brother Pvt. Bobby Don James. They will attend the wedding of Don and Miss Arlene Hotovy in Lincoln, Neb., Thursday and visit with relatives in Wichita, Kans., on the way home.

Mr. and Mrs. W. R. Pastusek and family have returned from a week's visit in New Mexico and North Texas. While gone they dropped in for a visit with Mr. and Mrs. C. W. Coppock, who were vacationing at their cabin on Eagle's Nest Lake.

Mr. and Mrs. H. P. Boyd and daughter Pauline left Monday for a two weeks vacation which they will spend in Graham.
