VOLUME 43

IOWA PARK, TEXAS, THURSDAY, JULY 5, 1951

NUMBER 18

## Outdoor Life Calls For Protection from Typhoid Fever

Now that summer has come to Texas, it is time for people who expect to enjoy camping and swimming to be sure they are adequately protected against typhoid fever.

Although public health strides of recent years have practically eliminated typhoid as a threat to those in communities with approved water supplies and good sanitation, the disease remains a real danger to those who swim, camp or picnic in remote rural areas.

Typhoid fever is transmitted by means of water, food or milk that has been contaminated by discharge from a victim of the disease or from an apparently well typhoid carrier.

There have been 95 cases of typhoid and paratyphoid fever in Texas in 1951, in spite of community efforts to improve sanitation, isolate patients and supervise the known carriers. It is still highly desirable for individuals who may be exposed to unfavorable conditions to safeguard themselves by seeking protection at the beginning of the vacation season.

Immunization is a simple and safe procedure. Since this immunity lasts only three years, anyone who has not been inoculated since 1948 should receive new protection this year. Persons who have never used this preventive measure should do so now if they plan to participate in outdoor pleasures.

All who are due for immunization against typhoid fever in 1951 should go to their physicians without delay.

## ★ Park Clinic News

Mr. and Mrs. Pat Green of route two, Iowa Park, announce the birth of a son on June 28.

Eddie Whittenberg, son of Mr. and Mrs. L. H. Whittenberg of route two, Iowa Park, was admitted to Wichita General hospital on July 4 for diagnosis.

## Reader Ads. . .

LOST — Male Collie dog named "Dusty" with Los Alamos, N.M. license tag. Reward. Phone 4541. Mrs. Whitaker.

**SUMMERTIME NEEDS**  
Fly spray, Dairy spray, all kinds of Livestock sprays, D.D.T., Clordane, Chigger Choke.

Everything for the home and barn, yard and garden — tools and sprayers, gas lawn mowers, pint and quart fruit jars.

After one application of T-4-L if not pleased your 40c back. This mobile liquid PENETRATES faster, quicker, deeper to make the kill. T-4-L at any drug store. Today at Rexall Drug Store.

## Farmers Union speaks

By Don Staber

The July meeting of the Iowa Park Farmers Union was keynoted by our guest speaker Walter Jenkins. Mr. Jenkins was introduced by another guest, Prof. A. P. Edwards of Midwestern university. Mr. Jenkins has been an assistant to Sen. Lyndon Johnson until recently, when he resigned to run for representative from the 13th congressional district. The post is now held by Ed Gossett who is quitting to accept a job with Southwestern Bell Telephone.

Mr. Jenkins gave an interesting talk about the different aspects of farm legislation carried on in Washington. Credit was given to the Democratic administration for past farm legislation. Especially mentioned were the Rural Electrification Administration, Rural Telephone and Soil Conservation. Also the fact that farmers are now more prosperous than they have been under previous administrations. He pointed out that if farmers are prosperous, then the rest of the nation's economy will be on top.

About price controls Jenkins said they should have been put into effect immediately after the outbreak in Korea, instead of waiting until January to try to put rollbacks into effect. Jenkins pointed out that you never hear about rolling back the wages of automobile workers or pushing the prices of manufactured goods back. However, farmers become the scapegoats for congress, because of the lack of representation of the farmers' interests.

The talk by Jenkins was enjoyed by some 30 members of the local Farmers Union. Also during the evening Mr. Lovell gave an up to date talk about the progress of the Co-op. Lee pointed out that the elevator had stimulated prices of wheat in this area, which would not have happened if there hadn't been a Co-op.

L. J. Lane, chairman of the entertainment committee, told of the plans for some kind of social event to be held later this month, which the whole community will be invited to attend.

After the meeting was over, refreshments of punch and cookies were served by Mrs. Lee Lovell and Mrs. Neil Johnson.

## Parkans' Grandfather Dies at Sweetwater

Hiriam Smith, 94, a retired rancher, grandfather of Mrs. L. B. Lovell and Mrs. Paul Peterson and of D. H. Capps of Wichita Falls, died at the home of a son in Sweetwater last Friday morning.

Funeral rites were held at the West Side Baptist church in Sweetwater, Sunday afternoon. Conducting the services were Rev. J. D. Gates of Fort Worth and Rev. J. C. Parks of Rotan.

Interment was in the Rosemont cemetery at Rotan. Mr. Smith, father of the late Mrs. Dallas Capps, was one of the oldest living male twins in the United States. His twin P. L. Smith of Brownwood attended the funeral services. Both men have possessed unusual energy and mental alertness for people of their age. Even when they were nearing 90 they were traveling extensively together through the U.S., driving their own car from place to place.

Survivors include four sons, four daughters, 29 grandchildren, 91 great and great-great grandchildren. Mrs. Dan Spruiell and Miss Lynn Lovell of Iowa Park are great grandchildren.

Mr. and Mrs. Paul Peterson and Mrs. L. B. Lovell went to Sweetwater, Thursday and were there when death came to their grandfather.

## Certificates Given

Mrs. John B. Barbour, chairman of the home nursing courses here, has received and delivered 33 certificates to women completing the work recently taught by Mrs. Wilmer T. Swink. She stated that the pins would be delayed due to a shortage of materials, but that they will be shipped at the earliest possible time after necessary materials are available.

## SOMETHING "EXTRA" FOR SIDEWALK ENGINEERS!

A special Spectators' Gallery, with cushion seats and awning, has been erected by the Republic National Bank of Dallas during the construction of its new 40-story building — the tallest and most modern bank and office building in the Southwest. The gallery also has soft drink vending machines and a telephone for members of the Republic Bank Chapter of Society for the Promotion and Encouragement of More and Better Sidewalk Engineers. A membership card is issued to all visitors and periodically a newspaper giving progress of the new building is mailed to all members of SPEMBSSE.

## Equipment Added To Playground at Methodist Church

On behalf of the Iowa Park Council of Church Women, Mrs. C. E. Birk, the president, desires to thank publicly those responsible for setting up the new basketball goal on the recreation grounds at the Methodist church.

The expression of appreciation from the Council, which sponsors the recreation project, is backed up by the large number of young people who are enjoying the use of the goal.

Those responsible for the work are Thompson Tool company, who made the goal; W. R. Pastuszek, J. H. Hatten and Lee Trimm, who set it up.

The Christian church has furnished workers to assist the directors this week. Mrs. Rollins Woodall has served as chairman of the group comprising Meses. Forest Bates, Gilbert Steele, R. B. Sisk, John B. Barbour, Burk Scott, Chester Miller, Pete Hall, Will Dellefs; Messrs. and Meses. Chester Gleason, Rollin Roberts, Fred Vealey, George R. Huckaby, Johnnie Cole, Halle Chastain; Messrs. Rollins Woodall, A. L. Reed, E. L. Hartfield and Jim Swartz.

## • Presbyterian News

The Women of the Presbyterian church assembled for their only meeting in July in an all day session at the church Monday.

Mrs. J. B. Ridenour conducted the business meeting of the morning. She also led the Bible study which was given immediately after lunch. Taken from the book "These Things Abide," the lesson stressed the third commandment with the thoughts being developed through two pertinent questions: "Do you take God lightly?" and "What will you do with Jesus?"

Mrs. T. A. Uhrich contributed the devotional which preceded prayer by Mrs. C. Birk. Taking part in topical discussions were Mrs. C. E. Birk, Mrs. Gale Lowrance.

The circle program was concluded with the article "Christian Citizenship" from the Presbyterian Survey, by Mrs. K. P. Abernathy.

Miss Clara Lowrance was in charge of the general program, "The Loom of Time," a continuation of "Christian Patterns of Life." She was assisted by Mrs. C. Birk and Mrs. Abernathy. Others present were Mrs. L. Lovelace, Beverly Birk and Rev. and Mrs. M. C. Yeargan and Miss Cecilia Yeargan, the latter three attending the luncheon during the noon hour.

## Unique Spectacle to Be Feature of State Fair Agriculture Exhibit at Dallas

A unique new type of agriculture show—more of a spectacle than an exhibition—will be presented at the 1951 State Fair of Texas, Dallas, October 6 through 21.

A "Storybook of Texas Agriculture" will tell the glamorous true story of how the soil of Texas is tilled to produce the necessities and many luxuries of life.

The mammoth free show in the Agriculture building will portray agricultural products of prime importance in each of the 14 extension districts of the Texas A and M college system.

In 14 colorful sets, simulating giant-size pages of an open book, the story of each district will be told with three dimensional effect. The districts are: Panhandle, South Plains, Rolling Plains, North Texas, Northeast Texas, Big Bend, Edwards' Plateau, Heart of Texas, Piney Woods, Central Texas, Hill County and Winter Garden Area, South Texas, Gulf Coast and Rio Grande Plains.

The plot for the "Storybook" has been furnished by the people of Texas through their endeavors in growing cotton, fruits and vegetables, harvesting grass and grain, breeding and marketing poultry and livestock, and converting products for home consumption.

The Storybook material has been compiled and edited by Ray W. Wilson, the fair's agriculture manager, in collaboration with Texas A and M district agents in agriculture and home economics, county and home demonstration agents, and farm and ranch leaders.

Live animals, animated figures, drawings, miniature farm homes and buildings, models and mannequins, and actual farm products will be used to create an impression of reality in the sets. In triangular panels between sets, color photographs will be enhanced by spectacular lighting effects.

Three additional sets will depict the work of 4-H club members, Negro extension workers and Future Farmers of America.

The featured display in the center of the Agriculture building will be a huge turntable with a relief map of Texas showing the cities and physical characteristics of each district. Fourteen islands will rise from the map, delineating their chief products. A huge ledger on the turntable will denote the far-reaching importance of agriculture in Texas economy.

## STOP THESE INVADERS!

## sHUCKs

Boll weevils and other cotton insects in 1950 robbed Texas farmers of 943,712 bales of cotton and 396,746 tons of cottonseed. These losses amounted to more than \$231,000,000 or an average of about \$1270 per Texas cotton farm.

Our national need for cotton is urgent and farmers should do everything possible to meet the 16 million bale goal set for this season by the U.S. department of agriculture. A 25 per cent reduction from the full yield such as occurred in 1950-51 due to insect damage could seriously jeopardize that goal.

To realize the high yields necessary for maximum cotton production, farmers must follow closely their state cotton insect control recommendations.

## Past Matron Honored At Iowa Park O.E.S.

The Iowa Park Chapter No. 42, Order of the Eastern Star, met in regular session Tuesday night, June 26, with a good attendance.

The officers put on the drill and following the opening of the chapter, the Junior Past Matron, Mrs. Ida Mae Spence, was escorted to the East and given a hearty welcome. Seven past matrons and one past patron were asked to rise and introduce themselves.

Reports from sick members were that each was improving. Mrs. Ann Vogel and Mrs. Kathleen Hatten had each undergone surgery.

The Junior Past Matron expressed appreciation to her officers for the gift which they presented her and stated she was glad to be back and that she would come each and every time possible even after she has moved to her new home.

The chapter was called from labor to rest for the purpose of putting on the Obligation Program, which was beautiful and impressive. All joined in singing "Holy, Holy, Holy" at the close of the service. The chapter was then called from rest to labor and closed in regular form with the officers retiring the badges in an unusual manner, which also was especially effective.

Refreshments of cookies and punch were served in the dining room, where the table was decorated with candles and a huge bowl of flowers.

## CARD OF THANKS

We are deeply grateful to all of our friends, who were so kind during the recent loss of our infant baby. We especially wish to thank those who visited us, and those who contributed the beautiful floral offerings.

Mr. and Mrs. A. C. Mann and family.

Mr. and Mrs. Jack Holmes and daughter Linda, 11, are new residents of Iowa Park. They are moving here from Eagle Bend. Linda will be in the sixth grade this fall. The two sons Jerry and Joe are students at Texas Tech, Lubbock.

## Iowa Park Club Aids War Orphans School In Switzerland

The 23 Study club has received acknowledgment of a contribution made to Pestalozzi school in Switzerland by Mrs. John L. Whitehurst, chairman of the Council of International Clubs, GFWC.

The club also received the second edition of the booklet "Kings Gastronomic Guide der Schweiz," a story of Swiss eating places.

The idea of the Pestalozzi Kinderdorf International Children's Village, Trogen, Switzerland, was conceived in 1944 by Dr. Walter Robert Corti, as an effort to help restore Europe's war orphans to normal living following World War Two.

Switzerland was the country chosen for the home because it had been less damaged than other countries of Europe. The village was constructed at Trogen in 1946 and was called Pestalozzi in memory of Heinrich Pestalozzi, outstanding Swiss educator of the 18th century. He had undertaken a similar project for Swiss children whose parents had been killed trying to defend their village against Napoleon.

By 1946 twelve houses had been completed and children from Poland, France, Germany, Austria, Greece, Finland, Italy and Hungary composed the village. The children have been helped back to health, given regular schooling, taught crafts and made to understand and appreciate each other.

A new school building has been planned for the village and the American Women's club of Zurich, Switzerland, has a special project of raising funds for construction of a workshop unit within the new building.

The contribution sent in by the Iowa Park 23 Study club will be applied to that fund.

## Bradshaw Taking Refresher Courses

J. K. Bradshaw, instructor in vocational agriculture at Iowa Park High School, is taking a three-weeks orchard course at the Stephenville experiment station.

There are more than 200 varieties of peaches being studied at the station for commercial uses. Tom Demman is superintendent of the project.

Upon completing the orchard course, Bradshaw will start immediately into a range management course offered by Texas A and M college. A group of 20 graduate students and county agents will start at Sonora, and after spending six days at the experiment station there, they will be on the road for two weeks. They will travel 2,200 miles studying range conditions. The tour will terminate at San Antonio.

Mr. and Mrs. Mack Best and son are visiting with her parents Mr. and Mrs. T. M. Clark.

## State Draft Director Discusses Features Of New Service Act

The draft law has been extended in amended form to July 1, 1955, Brig. Gen. Paul L. Wakefield, state draft director, reminded Texas people this week.

Wakefield noted the following important changes in the Selective Service act:

1. Men inducted will serve 24 months. Males must register at the age of 18.
2. Men are liable for induction at age 18½. No man below 19 can be inducted so long as a board has eligible older men.
3. Physical and mental standards for service have been lowered, with the result that some men now in IV-F will be found suitable for I-A.
4. Strength of the armed forces can be raised to 5,000,000 men.
5. Except for cases of extreme hardship, a man may not be deferred for dependency on the basis of a wife alone.
6. Men now or hereafter deferred on educational, occupational, farming or dependency grounds will remain liable for service until age 35. Men not deferred are liable only to 26th birthday.
7. Conscientious objectors to military service shall be ordered by local boards, subject to regulations prescribed by the President, to perform civilian work in the national interest for 24 months.
8. Men entering the service by way of a draft board are obligated to serve six years in the reserves after discharge.
9. High school students will be deferred until graduated, until they attain age 20, or until they fail school work.
10. Some college students may be deferred on the basis of class standing during last completed school year, or on the basis of a government sponsored test. The local board is not bound to defer on the basis of this information, but can defer on consideration of it. Some other college students may be deferred on a less competitive basis.
11. No inducted man may be assigned overseas until he has had four months training.
12. All enlistments in the armed forces, reserve and regular, which expire after July 9, may be extended by the President for one year. No person shall have his enlistment extended a second time.

## Speaker Tells Lions Theocracy Is Needed To Save Democracy

Dr. Paul Southern, head of the Bible department at Abilene Christian college, who is currently holding a gospel meeting in the Iowa Park Church of Christ, told Lions at their weekly meeting Tuesday, that plans to save democracy must include God. "Theocracy is needed," he said, "to strengthen and save democracy."

He referred briefly to world history and pointed out that breakdowns of morals inevitably led to breakdowns in political machinery. Mr. Carpenter was introduced by Lion Boyd Taylor, minister of the local church, who said that he had studied under the speaker and had received great benefits from that association.

The meeting at the local church will be ended Sunday evening.

## CARD OF THANKS

Please accept our heartfelt gratitude for the many acts of kindness and sympathy extended to us during our recent bereavement. We are also deeply grateful for the beautiful floral offerings.

Carl Troutman  
Miss Mina Troutman  
Mr. and Mrs. Leon Troutman  
Mr. and Mrs. Noel Troutman  
Mr. and Mrs. W. G. Steele  
Mr. and Mrs. Ted Overbey  
Bill Overbey

Mr. and Mrs. Sam Ferguson and Marvin Ferguson went to Ft. Worth, Sunday to attend a George family reunion at the home of her nephew Bill George Jr. Approximately 35 relatives attended the get-together. Traveling the greatest distance to be with the kin were Mr. and Mrs. Earl George and son of New York City.

## Do's and Don'ts for Your Summer Vacation Automobile Trip

Automobile travel on the nation's highways is expected to reach a new peak this summer. To help travelers get the most pleasure out of touring, and to help keep their cars in the best possible condition, the Buick Service Department reminds owners of the following DO's and DON'T's:

- DO be particularly careful to watch crankcase oil level on long trips.
- DO remember to switch tires and to watch pressure, especially on hot days.
- DO wash your car once a week to remove road film and chemicals.
- DO sit in a comfortable, erect position and rest frequently.
- DO keep the windshield free of dust and dirt at all times.
- DO give your car a Lubricar treatment.
- DO remember that most drivers can get 10 per cent more miles per gallon by observing economy rules.

- DON'T neglect inspection and adjustment of brakes before starting a long trip.
- DON'T allow grime and dirt to accumulate on chrome. Clean as frequently as necessary.
- DON'T take chances with improperly aimed headlights. Your safety is at stake.
- DON'T put off having the air cleaner cleaned and refilled with new oil.
- DON'T forget in warm weather your battery needs water frequently. Check it often.
- DON'T block vision with gadgets and stickers.
- DON'T drive faster than conditions warrant, don't run risks on the highway, and don't drive if you are fatigued.

Iowa Park Herald

Published Thursday of each week at Iowa Park, Texas. Entered at the Post Office at Iowa Park, Texas, as second class matter under Act of Congress of March 3, 1879.

then and there to answer Plaintiff's Petition filed in said Court, on the 8th day of June A.D. 1951, in this cause, numbered 48-904-B on the docket of said court and styled W. D. Vestal, Jr., Plaintiff, vs. Geo. E. Thorne, and his unknown heirs, devisees and legatees, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

This is a trespass to try title suit wherein the plaintiff alleges that on or about May 1st, 1951, he was and still is the owner in fee simple of Lot Five (5) in Block Sixty-eight (68) of the Original Townsite of Iowa Park, Wichita County, Texas.

That on the day and year aforesaid defendants unlawfully entered upon and dispossessed plaintiff of such premises and withhold from him the possession thereof to plaintiff's damage of \$100.00. Plaintiff further pleads the five and ten years Statute of Limitation, alleging that plaintiff and those under whom he claims by mesne conveyances and those whose title he holds have had peaceable possession of the property above described, cultivating, using and enjoying the same, paying taxes thereon, for more than ten years preceding the filing of his petition herein, claiming under deed or deeds duly registered purporting to convey such lands and tenements, and that such lands have been actually enclosed for more than ten years by a substantial fence, and that plaintiff and his predecessors in title have claimed same openly, adversely and

notoriously as owners during said period aforesaid.

Wherefore, plaintiff prays that citation issue and that on final hearing he have judgment for title and possession of said lands, for damages, for costs of suit, and for such other and further relief as he may be entitled to, either in law or in equity.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas this 9th day of June A.D. 1951.

Attest: (SEAL) FLORA COBB, Clerk, 78th District Court, Wichita County, Texas.

(Published in the Iowa Park Herald June 21, 28, July 5, 12, 1951)

THE STATE OF TEXAS To: H. L. Haynes and his unknown heirs, devisees, and legatees, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House thereof, in Wichita Falls, Texas at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 30th day of July A.D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 15th day of June, 1951 in this cause, numbered 48932-B on the docket of said court and styled J. D. Spruiell, Plaintiff, vs. H. L. Haynes and his unknown heirs, devisees, and legatees, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title suit wherein the plaintiff alleges that on or about June 1, 1951, he was and still is the owner in fee simple of Lots Eleven (11) and Twelve (12) in Block 159, of the Original Townsite of Iowa Park, Wichita County, Texas.

That on the day and year aforesaid defendants unlawfully entered upon and dispossessed plaintiff of such premises and withhold from him the possession thereof to plaintiff's damage of \$100.00. Plaintiff further pleads the three, five, ten and twenty-five year Statutes of Limitation, alleging that plaintiff and those under whom he claims by mesne conveyances and those whose title he holds have had peaceable possession of the property above described, cultivating, using and enjoying the same, paying the taxes thereon, for more than ten years preceding the filing of his petition herein, claiming under deed or deeds duly registered purporting to convey such lands and tenements, and that such lands have been actually enclosed for more than ten years by a substantial fence, and that plaintiff and his predecessors in title have claimed same openly, adversely and notoriously as owners during said period aforesaid, and that under the three year statutes of Limitation, only one instrument in the chain of title does not show of record.

Wherefore, plaintiff prays that citation issue and that on final hearing he have judgment for title and possession of said lands, for damages, for costs of suit, and for such other and further relief as he may be entitled to, either in law or in equity.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 15th day of June, A.D. 1951.

Attest: (SEAL) FLORA COBB, Clerk, 78th District Court, Wichita County, Texas.

Mr. and Mrs. Keith Vinson and daughter Sandra of Tyler were here the first part of this week visiting in the home of Mr. and Mrs. Carl McKinnon. Mrs. Vinson is Mrs. McKinnon's sister, and a former member of the Iowa Park school faculty.

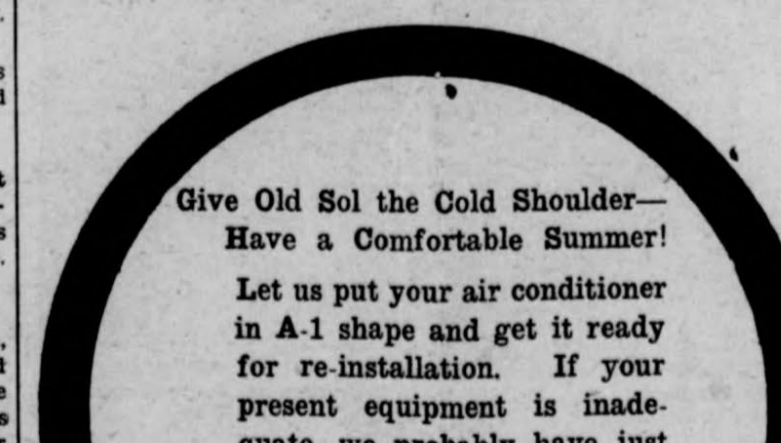

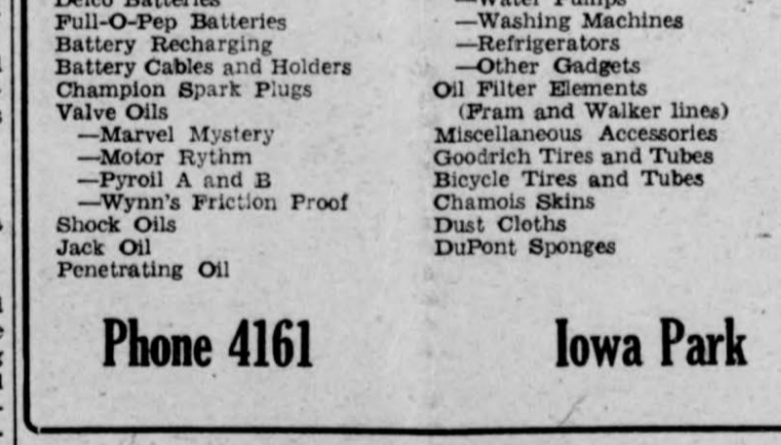

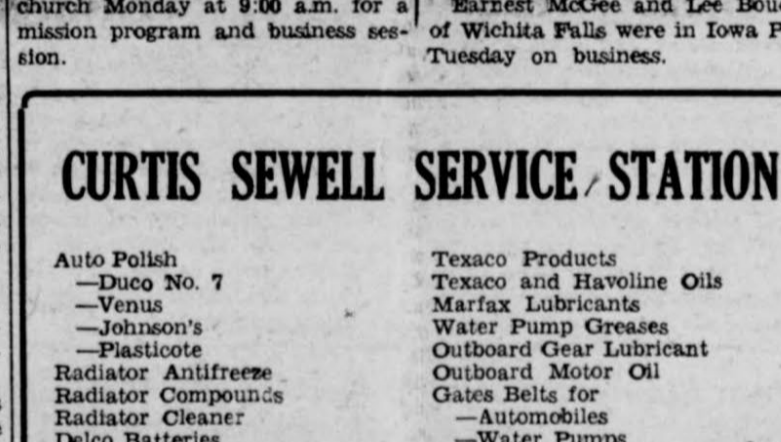

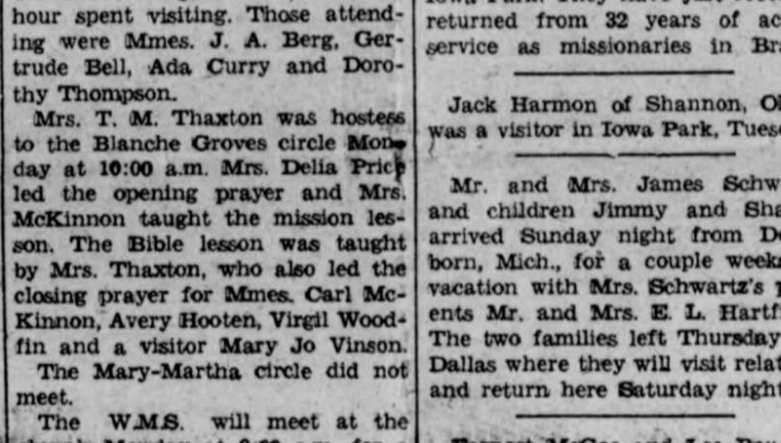

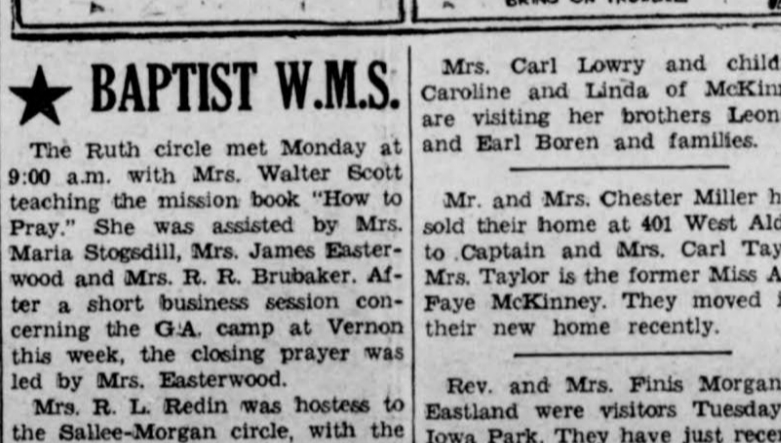

Mrs. Nettie Brown of Dallas is visiting her sister Mrs. Leonard Boren this week.

Miss Martha Kate Hudson spent the past weekend here with her mother Mrs. Bonnie Hudson. She was accompanied by Miss Josephine Lee. Both are employed in Dallas.

Mr. and Mrs. J. D. Thompson, Mr. and Mrs. L. C. Perry, Mr. and Mrs. S. E. Watson attended the Weir family reunion which was held at Lake Quannah Parker near Lawton, Okla., Saturday and Sunday. Three of Mrs. Thompson's sisters and an uncle were among the 73 persons who attended the celebration.

John Maier of Wichita Falls, Mr. and Mrs. Cleburne Maier, Katy, Linda Jo and Connie of Houston were Tuesday guests in the Herman Mahler home. Mrs. Maier will be remembered here as Miss Joe Nell Acuff.

WARM WEATHER DRIVING TIPS

Valley View

By Mrs. Roy Lakey

(Held Over from Last Week)

As one looks out toward the horizon on the last day of spring in '51, it really reminds of a winter day, for it has a hazy or smoky look. As we meet our neighbors at the little grocery store, they look tired and sleepy. The problem was solved when they said they have been running all over to cellars for so many nights they are dead tired. Guess the Lakeys will get blown away someday, for Roy will not get up and look at a cloud. Leroy and I don't have any confidence in his judgment of a cloud anyway, for not many years ago he predicted it was going to rain cats and dogs when in a second we heard our porch post leave us. Our windows fell in at our feet and the wind picked up our radio and out the window it sailed. We flattened ourselves against an inside wall. When it was over, what was left wasn't much. The west wall could be moved by pushing with one finger. We were lucky however, for most of the houses were made into kindling wood around us.

The other night the wind did some damage at several places. The Malabar farm barn roof, Noel Hasley said it blew rain in their house where it had never been, broke some limbs out of our peach trees and green peaches covered the ground. Topped a willow tree and I noticed at the Reeveses a small building is folded up and on its side. Expect there are others about that we did not see.

Mr. and Mrs. Noah C. Kelley of Fort Worth spent a while with us one day. They were enroute to Oklahoma for a visit with relatives. They brought some good pictures of Patsy Ruth's recent wedding. They picked up Mrs. Paul Coppock in Wichita Falls, so we had a good short visit.

Mrs. J. C. Farris of Longview visited last week with her parents Mr. and Mrs. Swan Reeves.

Young Jim House of Bryson is enjoying a visit with his grandparents Rev. and Mrs. G. C. House. He enjoys fishing in the ditch.

Miss Franchelle Snow and her brother Courtney Hodges of Ada, Okla., are visiting in their grandmother's home.

Guests of the Belya Joneses one evening recently were Mr. and Mrs. Johnny Taylor and small son Tommie and their mother Mrs. Dickey of Wichita Falls.

The home of Mr. and Mrs. Ezra Jones was the scene of a birthday dinner Saturday evening honoring Mrs. Belya Jones. Out of town guests were Mr. and Mrs. Butts of Burkburnett and Miss Gwen Groves of Wichita Falls.

Marvin Dale Childers called his parents Mr. and Mrs. O. D. Childers, Wednesday night from Treasure Island, telling them he was to sail for Japan at 7:00 a.m. Thursday. We wish him a nice voyage over and may all his experiences be nice ones. We hope it won't be too long, for how well I remember when our one and only sailed across those wide blue waters. He may be 16 days sailing, he is on a transport vessel.

Mr. and Mrs. Odie Evans drove to Arlington last weekend to attend the wedding of a niece. Their son in law and daughter Mr. and Mrs. Joe Wall of Austin were also there. Mrs. Evans returned with them to Austin to spend the week. Then on Sunday she met Odie at Frisco Lake when the Evans family were having a family reunion. Two sisters of Odie from Tucson, Ariz., and Midland, came home with them.

They all drove to Vernon Wednesday evening to visit with their mother, who is visiting another son Henry. A grand time was reported. Thursday evening the Odie Evans were dinner guests of friends in Wichita Falls.

Mr. and Mrs. Hut Buzbee's daughter and family Mr. and Mrs. Gilbert Kress and two daughters, visited them recently. The children stayed for a week with their grandparents.

Mr. and Mrs. Kenneth Gulley and small daughter spent a few days in Houston recently.

Mr. and Mrs. Clovis Childers of Fort Worth visited recently with his mother Mrs. Guy Childers. They all went fishing. I hear Mrs. "Guy" caught the most. Anyway they had enough to make a nice meal, so they drove up to north Vernon where her daughter Mrs. Drennan lives, Saturday and had a big fish fry with her and her husband.

Mr. and Mrs. Clark Wilkes drove his mother home to Little Rock, Ark. after she had visited with them several weeks. The Wilkes will return soon after the first of July.

The recent Methodist Fellowship picnic was a pleasant affair. Not as large a crowd as usual but those attending enjoyed the swimming, eating and skating. Some went to see "Ma and Pa Kettle on the Farm."

An ice cream supper is planned for July 9 in the evening. So clean up that ole freezer!

Mrs. Clota Custis went to Abilene Tuesday to spend a couple days with her son Owen Custis and family.

BAPTIST W.M.S.

The Ruth circle met Monday at 9:00 a.m. with Mrs. Walter Scott teaching the mission book "How to Pray." She was assisted by Mrs. Maria Stogsdill, Mrs. James Easterwood and Mrs. R. R. Brubaker. After a short business session concerning the G.A. camp at Vernon this week, the closing prayer was led by Mrs. Easterwood.

Mrs. R. L. Redin was hostess to the Sallee-Morgan circle, with the hour spent visiting. Those attending were Mmes. J. A. Berg, Gertrude Bell, Ada Curry and Dorothy Thompson.

Mrs. T. M. Thaxton was hostess to the Blanche Groves circle Monday at 10:00 a.m. Mrs. Della Prief led the opening prayer and Mrs. McKinnon taught the mission lesson. The Bible lesson was taught by Mrs. Thaxton, who also led the closing prayer for Mmes. Carl McKinnon, Avery Hooten, Virgil Woodfin and a visitor Mary Jo Vinson.

The Mary-Martha circle did not meet. The W.M.S. will meet at the church Monday at 9:00 a.m. for a mission program and business session.

Mrs. Carl Lowry and children Caroline and Linda of McKinney are visiting her brothers Leonard and Earl Boren and families.

Mr. and Mrs. Chester Miller have sold their home at 401 West Aldine to Captain and Mrs. Carl Taylor. Mrs. Taylor is the former Miss Alice Faye McKinney. They moved into their new home recently.

Rev. and Mrs. Finis Morgan of Eastland were visitors Tuesday in Iowa Park. They have just recently returned from 32 years of active service as missionaries in Brazil.

Jack Harmon of Shannon, Okla., was a visitor in Iowa Park, Tuesday.

Mr. and Mrs. James Schwartz and children Jimmy and Sharon arrived Sunday night from Dearborn, Mich., for a couple weeks of vacation with Mrs. Schwartz's parents Mr. and Mrs. E. L. Hartfield. The two families left Thursday for Dallas where they will visit relatives and return here Saturday night.

Earnest McGee and Lee Boucher of Wichita Falls were in Iowa Park, Tuesday on business.

A. A. SPENCE COMPLETES TRANSFER TO CARTHAGE

Mr. and Mrs. A. A. Spence were back in Iowa Park last week moving their household furnishing to Carthage, where Mr. Spence was transferred by the United Gas company.

While in town the couple was entertained by Mr. and Mrs. H. W. Weaver, Mr. and Mrs. C. M. Stringer and Mr. and Mrs. Ray Herrington.

The Spences lived in Iowa Park since 1935 and have a host of friends here. Mr. Spence was superintendent of the United Gas company here, and belonged to the Masonic lodge.

Mrs. Spence is immediate past worthy matron of the Order of the Eastern Star. They are members of the Methodist church.

M. L. Hodges, who is serving with the navy air force at Wildby Island, Wash., arrived Thursday morning to spend a 20 day leave with his parents Mr. and Mrs. Grover Hodges. M. L. has been in the service since June 28, 1948. He returned to the mainland in March after spending four months in Hawaii.

Mr. and Mrs. Paul Zink are spending a two weeks vacation in the northern states.

### WSCS

Mrs. Gordon Clark, vice-president presided over the meeting of the Woman's Society of Christian Service when it met at the Methodist church at 2:30, Monday, July 2.

A business meeting preceded the presentation of a program on the Philippines with Mrs. H. W. Weaver as leader. After the devotional and the reading of the purposes of the meeting by Mrs. Weaver, the historical background of the Philippines under Spain, the United States and Japan was given by Mrs. Scott Morris, Mrs. M. L. Smith and Mrs. C. C. Robinson.

Mrs. Elgin Denny, Mrs. Otis Gay and Mrs. L. C. Perry told of the healing mission of the Woman's Division of Christian Service in the Mary K. Johnson Hospital school of nursing, of the work in the rural areas of northern Luzon, and of the work among the students in the cities.

Mrs. Dave Harbour is to present

the next program on August 6.

The following members were dismissed with prayer by Mrs. S. L. Denny: Mmes. H. W. Weaver, M. L. Smith, Scott Morris, E. B. Taylor, J. N. George, Miles Thompson, S. L. Denny, Otis Gay, Sallie Matthews, L. C. Perry, Elgin Denny, Hugh Thompson, Dave Harbour, T. C. Scott, C. J. Simpson, C. C. Robinson, Gordon Clark and W. M. Owens.

Leonard Boren and family and Earl Boren and family spent the Fourth visiting their brother Ernest Boren at Crowell. They attended a picnic lunch honoring their mother's 79th birthday at which 53 were present.

Miss Frances Park and Miss Marian Pollard of Waskom have returned from a three weeks vacation trip to Georgia and Florida. While in the latter state they attended a meeting of the General Assembly of the Presbyterian church at Orlando.

Mr. and Mrs. S. E. Watson and family, Mr. and Mrs. J. D. Thompson, Mr. and Mrs. L. C. Perry and family attended a family reunion in the Wichita mountains last weekend.

S-Sgt. and Mrs. Bob Samuelson have returned from a visit with his parents Mr. and Mrs. Don Samuelson at Milton Junction, Wis., and with other relatives at Lake City, Minn.

Pfc. Dean Jackson left Camp Hood last weekend for port of embarkation at New Orleans. He sailed for Europe, July 4. His parents Mr. and Mrs. R. E. Jackson of Coleman and Miss Betty Jo Hatten visited Dean at Camp Hood before he left.

Pfc. Alton R. Hunter, son of Mr. and Mrs. Ky Hunter, is home on 10 day leave from Fort Jackson, S.C. Alton joined the army in February and is now assigned to the 167th Regiment of the 31st Division.

## You and your Congress

War news, both good and bad, is throwing sand into the legislative machinery.

First, there was a move in the direction of peace in Korea from Russia's Malik. Then came a full realization of the seriousness of the situation in Iran.

Both developments occurred as Congress, after just six months of scant accomplishment, was getting down to cases in four related fields—inflation controls, taxation, appropriations and foreign aid.

Incidentally, those four issues suddenly became both the minimum and maximum possibilities for Congressional action for the rest of this session.

These uncertainties abroad bring into sharp focus the question that has troubled Congress for months: What lies ahead?

Shall we accept the philosophy of officials of the State Department and of the mobilization program that no matter what happens, we must carry on our present mobilization for at least two more years?

Or is the situation clearing up so that we can slow down our preparedness efforts a bit?

In terms of wage and price controls and other provisions of the Defense Production Act, this situation was particularly acute.

The act expires this weekend. As the deadline approached, Congress was about to give up any hope of coming to a decision before midnight, June 30. There was talk in the Capitol corridors that a short stop-gap extension might have to be adopted to permit the legislative mill to grind out an answer.

The answer would have to come out of this new dilemma: Does the superficially bright Korean situation indicate that pressure on the economy will be relaxed and that controls can be softened? But even should that be the case, will Iran become another Sarajevo and produce a new and immediate emergency which might require more controls?

New taxes on both individuals and corporations and in the excise field have just been approved by the House. They total \$7.2 billion. That is—or is not—enough to balance the budget, as far as is known now, depending on your point of view.

Protracted hearings on this measure began this week in the Senate finance committee. At best, final congressional action can not be expected before Labor Day.

That gives Congress a welcome breathing spell. Perhaps in these next two months it will become apparent that the voice of Malik went around the world on the wings of peace, and the tax load can be lightened. Or that the oil of Iran has become the fuel for World War III, and still heavier tax burdens.

When it comes to appropriating money for whatever is ahead, Congress could take an easy way out.

Hearings are proceeding on a \$60 billion military appropriation. Final action may be delayed in the hope that the needs of the future will become known.

But if the uncertainties continue, Congress could simply approve all, or some parts, of the \$60 billion, then give the Defense Establishment carte blanche to proceed. That would shift from Congress to the military leaders the responsibility for guessing what the nation will need one year hence. Planes and tanks and guns can't be turned out overnight.

Just three days after Malik took to the air, the House Foreign Affairs committee started consideration of Truman's request for another \$8.5 billion for military and economic aid in many parts of the world.

Here again, the question was, "What to do?" Secretary Acheson of the state department had a ready answer. The thing to do, no matter what happens in Korea, is to continue to help as many countries as we can, he said.

Congress is troubled. On June 30, about all some of the members could do was to muster a faint smile and greet each other with a laconic "Happy Fiscal New Year!"

Girls who are attending the Baptist camp for Junior G.A. at Vernon this week are Kay Quick, Nancy Kagy, Sara Johnson, Geraldine Calhoun, Carol and Edna May Holloway and Mary Sue Hall.

Mrs. James N. Easterwood, young people's secretary, is also attending the camp. The group and their paraphernalia were transported to Vernon by Mmes. Nelson Johnson, Geo. A. Lewis and Silas Verble.

Mr. and Mrs. Gayle Park and daughter Mary Gayle left Saturday for Oxford, Miss., upon hearing of the death Friday of his uncle Joe Parks. Mary Gayle and her mother will remain for a week's visit with relatives in Oxford and with Mr. and Mrs. Carl Leggett in Memphis, Tenn. Mr. Park was due to arrive here on Thursday.

Mr. and Mrs. Graham Purcell of Archer City spent last Sunday with Miss Clara Lowrance and Miss Frances Park.

### Uncle Sam Says

Defense is YOUR job, too! Your U. S. Defense Bonds help maintain America's economic strength just as your boys in uniform maintain her military strength. Your Series E Defense Bonds are now a better buy than ever. They will return you 77 per cent more than your original investment if held for 20 years. When buying Defense Bonds you're building a cash reserve that will some day buy you a home, educate your children, or support you when you retire.

U. S. Treasury Department

Mr. and Mrs. Frank Campbell of Denver are visiting this week with Miss Clara Lowrance. They have a son Sgt. Roger Campbell, who is stationed at Sheppard Air Force Base. Mr. Campbell is a retired army officer.

Mr. and Mrs. L. C. Perry received word Thursday morning that their son Roy Lee Perry, U.S. navy reserve, has arrived back in Norfolk, Va., after engaging in Mediterranean maneuvers.

Mrs. Norma Ahoood and children Michael and Patti of Cleveland, Ohio, are spending the summer with her parents Mr. and Mrs. Leonard Boren. They plan to stay until August 1.

Mrs. B. A. Head of Waco is visiting this week with her son G. Y. Lofland and family.

Mr. and Mrs. A. W. Bedford and daughter Sue are visiting this week in Carlsbad, N.M.

Mrs. W. H. Clark of Luling is spending this week in Iowa Park as guest of her sisters Mrs. Bess Smith, Mrs. Ida Chatelain and Mrs. Fenton Dale.

Mrs. R. J. Helms Jr. of Richmond, Va., is visiting in the home of her parents Mr. and Mrs. F. E. Root on Kamay road.

Mrs. L. E. Brooks is improving satisfactorily from major surgery she underwent at the Wichita Falls Clinic hospital Friday morning, June 29.

Miss Lorene Farmer, who is employed as educational director of the First Baptist church at Olney, spent the Fourth of July with her parents Mr. and Mrs. U. G. Farmer.

A meeting of the board of directors of the Wichita County Farm Bureau is scheduled for 8:00 Monday night, July 9.

T. T. Thigpen returned Monday for a week's vacation with his family here. He has been working in Abilene, Odessa and Crane.

### America Depends on Family Car

Most car rides—68 per cent—are taken for essential or important reasons.

**DETROIT**—On an average day, at least one out of every three adults in the United States uses a passenger automobile for some essential purpose such as riding to work, conducting business or going shopping.  
This and some 20,000 other facts about how the American family car is used were revealed in a nation-wide survey recently conducted by the Alfred Politz Research organization.  
It was learned that 59 million people over the age of 14 ride in automobiles on an average day. This represents more than half of the U. S. adult population. Nearly half of these individuals use a car in connection with earning a living during a typical day, while almost one-fourth of them go shopping by automobile.  
About 40 per cent of all rides taken in motor cars, and nearly one-half of the total passenger miles traveled, are for livelihood purposes, the survey showed. Shopping accounts for another 17 per cent of the rides and 11 per cent of the passenger mileage.  
These indications of America's growing dependence upon the family car for essential transportation are borne out by automobile and population statistics of the past 10 years. While our population has grown 15 per cent since 1940, car ownership has increased about 50 per cent. Passenger car registrations for 1950 totaled 40,167,000 compared with 27,372,397 in 1940.  
This growth in the automobile population has taken place despite the fact that motor vehicle production between 1940 and 1950 was less than in either of the two preceding decades. Consequently there are more older cars on the road today. The average passenger car is about eight years old, compared with the prewar average of 5 1/2 years. Likewise, there is a lack of middle age cars as a result of the wartime halt in automobile production.  
In addition to the need for motor cars as essential transport tools, the nation relies on them as a major source of business activity, employment, and tax revenues. The automotive industry directly creates business for at least half a million separate enterprises, or one out of every six firms in the country. One out of every seven jobs, for a total of more than nine million, are automotive.  
The average automobile buyer pays about \$95 in Federal excise tax on his new car. Last year, total automotive excise payments contributed nearly two-billion dollars to Federal tax coffers. In addition, highway users paid some \$2.5 billion in special state motor vehicle taxes and fees for an average of nearly \$55 per vehicle.

### Miss Louise Koonce Weds James Kuehler In Wichita Church

Miss Louise Koonce became the bride of James Kuehler in marriage rites performed at 8:00 Monday morning, July 2. The ceremony took place at the Sacred Heart church in Wichita Falls with Rev. Father Anthony Daly directing the exchange of vows.  
Louise is the daughter of Mrs. E. C. Koonce of Iowa Park, and James is the son of Mr. and Mrs. Fred Kuehler of Wichita Valley Farms.

Organ interpretations of appropriate musical selections by Mrs. Carl Edwards created an impressive atmosphere as guests assembled. "Ave Maria," was a vocal contribution by a soloist. The organist also furnished the traditional wedding marches.

White daisies and red roses in four basket arrangements were the featured floral decorations in the nuptial space. White tapers burning in 12-branched candelabra provided the altar background.  
The bride was given in marriage by a friend L. G. Merrell. She wore a gown of white slipper satin fashioned with a fitted bodice and a full skirt which extended into a short train. Long sleeves which tapered to points and the yoke were of chantilly lace to provide soft contrast. The bride's finger soft veil of chantilly lace swept from a bandeau of orange blossoms. She carried a corsage of white roses surrounded by orange blossoms atop a white prayer book.  
For "something old and something borrowed" the bride wore antique pearl earrings and necklace belonging to Mrs. G. W. Merrell.

Attendant for the bride was Miss Jo Ann Moore. She was gowned in a formal yellow organdy frock and complemented her dress with a bouquet of blue carnations.  
Jerry Kuehler served his brother as best man.

Following the wedding, the couple left on a honeymoon trip for points in south Texas. For travel the bride wore a white linen dress with eyelet embroidery trim. Her accessories were white. Upon return the couple will be at home at 508 Lamar in Wichita Falls.

The bride was graduated from Iowa Park High School in 1947. She is employed in the office of Panhandle Steel in Wichita Falls.  
The groom attended high school at Lasara. He served in the army during World War II. After his discharge he attended business college in Wichita Falls. He has recently accepted a position with Halliburton Oil Co.

Miss Wanna Johnson of Munday spent the weekend in the home of Mr. and Mrs. Ky Hunter and Alton.

Mr. and Mrs. Buck Voyles and Mr. and Mrs. Jimmy Voyles have returned from a trip to Milwaukee, Wis. They were gone six days.

Otto and Johnson, two buddies of Bill Mahler, stopped by to see Mr. and Mrs. Herman Mahler, Sunday night. They were enroute from Fort Benning, Ga., to Camp Carson, Colo. They had an opportunity to sample Mrs. Mahler's delicious cooking, because she insisted on preparing supper for them and packed a lunch for them to take.

Mr. and Mrs. Carl H. Walsh and son Wayne of Lawton were recent visitors in the home of his parents Mr. and Mrs. Carl Walsh. Sunday guests were also Mrs. Dan Clark and children Frances and Danny of Norman, Okla., and Mr. and Mrs. Gerald Walsh and Cindy Gail of Holliday.

Mrs. Jim Sikes of Lubbock visited in the John Wesley home last week enroute home after a visit in Boston, Mass.
