Bean-Allen

Assembly of God was scene of the Saturday evening ceremony uniting in marriage Miss Frede Elaine Bean of Iowa Park and A2c Russell Wade Allen of SAFB.

Rev. H. E. Allen, pastor, officiated in the 3:00 o'clock nuptials.

Parents are Mr. and Mrs. W. L. Bean of Iowa Park and Mr. and Mrs. Logan Allen of Elizabethton, Tenn.

Traditional wedding music was presented by Mrs. H. E. Allen, pianist, and Mrs. Jerry Perry of Wichita Falls, vocalist.

Wedding vows were exchanged before a bridal arch entwined with greenery and permanent orchids. Arrangements of the orchids in urns were used behind the arch and to flank it. White satin candles burning in tall candelabra marked the nuptial area extremities.

Presented in marriage by her father, the bride wore a street-length dress fashioned of white chiffon and lace. The lace bodice was styled with scooped neckline, long sleeves and topped a full chiffon skirt. Her waist-length veil of white illusion was attached to a tiara of seed pearls. She carried a purple-throated orchid atop a white Bible.

Miss Patricia Pyle was maid of honor, Miss Nancy Allen served as bridesmaid. They were attired in white sheath dresses fashioned of white lace bodices with three-quarter length sleeves and skirts of white silk rayon. They completed their costumes with orchid carnation corsages.

Candlelighters were Miss Phyllis Williams and Mike Allen.

Wendel Bean, brother of the bride, was best man. Dave Potter of SAFB was groomsman.

The bride's parents were hosts for a reception in fellowship hall of the church. Orchid and white were used in decorations. The bride's table was covered with white net over orchid and centered with an arrangement of permanent orchids flanked by white candles in white satin candelabra. The three-tiered cake topped with a bride and groom completed the table setting.

Mrs. H. E. Allen and Mrs. Jerry Perry presided at table. Miss Phyllis Williams secured signatures of guests. Other assistants were women of the church.

The couple will visit points in Texas and later go to Kentucky for a visit with his parents.

The bride attended IPHS where she belonged to FHA and played basketball for two years. She was pianist of the Young People's department of the church.

The bridegroom was graduated from Elizabethton high school in 1960. He is stationed at SAFB where he is sports editor of the Sheppard Senator.

Mr. and Mrs. Henry Brown and her mother Mrs. Pearl Coleman spent last weekend in Las Cruces, N.M., with her brothers: Messrs. and Mrs. Floyd Coleman and Louis Coleman.

Come hill... or high water
Vacations go smoother in a Chevrolet Corvair

Bring on those mountains! They're not so high and mighty when you've got Corvair's gummy six and rear-engine traction working on them.

You scurry up the meanest grades. You move with sure-footed agility on wet pavement, muddy lanes, gravel and other would-be miseries.

And with most of Corvair's weight on the rear wheels, you have easy steering, too. Fact is, the handling's so light and responsive we don't even offer power steering for the car.

And there's more to feel good about. No problems with your radiator boiling

over or going dry, because there's no radiator. Corvair's engine is air cooled. No concern about brake adjustments, either, because the brakes adjust themselves. Nothing much to think about at all except the good time you're having.

Like to do that in a sporty bucket-seated Monza Club Coupe or Convertible? Like to spring into summer with a 4-speed stick shift* and Spyder package* with its 150-hp Turbocharged engine? Your dealer's got just the Corvair and the Trade 'N' Travel deal on it to put you in a holiday mood!

chained to a dishpan?

you're free from dishpan drudgery when you have an

ELECTRIC DISHWASHER

Each year, the average homemaker spends about 400 hours at the sink — scraping, soaking, washing, rinsing and drying dishes by hand. It's a tiresome, messy never-ending job... and so unnecessary when an Electric Dishwasher will do the job at the flip of a switch. With electric dishwashing, you save time and work... your kitchen stays tidier... your hands stay lovelier. And your dishes are washed and dried hygienically clean because an Electric Dishwasher uses water hotter than hands can stand. See your electric appliance dealer now for an Electric Dishwasher.
