Wichita County Free Library board met Tuesday night in the library. Annual reports were given from each committee.

The library now has over 1100 books not including the 500 on loan from the state library. There are also other volumes which have not been processed and placed in circulation.

There are over 1300 people eligible to check out books by virtue of a family's signing for a library card. So far over 2300 check-outs have been made since the library was established in the spring.

Final report will be perfected and sent to the state library and to the commissioner's court which established the library.

Present officers were re-elected for the year ending Aug. 31, 1963. They are Harold McClung, chairman; Boyd Schlenther, secretary; Bill Sawyer, treasurer.

Crop Survey

Postmaster T. E. Gilbreath and nounced this week that rural mail carriers will begin distributing 1962 Acreage Survey Cards to patrons on their routes about Sept. 13.

Post office department assists USDA in making this survey each year. These reports from farmers are bases for official estimates for Texas acreage of all crops harvested in 1962.

To be sure this area is well represented in the survey, Gilbreath urges each patron receiving a card to fill it out and return it to his mailbox.

Proper light for study can be a real help to concentration on nightly homework. Lighting arranged to give plenty of light on the work surface, while reducing glare and shadows, makes seeing and reading easier. A study lamp with a diffusing bowl and a 150-watt bulb, properly placed on the desk or table, usually is a simple solution to the study lighting problem.

TEENAGERS WHO MADE HISTORY by Russell Freedman.

Reviewed by Mrs. James Sewell "Ever since Dvid vanquished Goliath with a sling and stone, the exploits and mighty enterprises of youth have played a significant and often surprising role in human affairs. This book is about some of these youthful accomplishmets.

"The young men and women whose stories are told here represent a wide range of backgrounds and interests, but they share one thing in common: All earned places in history before they were 20 years old.'

The author of this book kept a file of newspaper clippings on contemporary teenagers as reminders that "the mighty enterprises of youth will continue to surprise us all for a long time to come.'

This book can be found in the Wichita County Free Library.

Begginers bridge classes for men and women are scheduled to start at 7:30 p.m. next Monday at the YWCA in Wichita Falls. Intermediate and advanced classes will start Thursday, Sept. 30. Both of these courses consist of eight two-hour lessons, one each week with Mrs. Milton

Blackwel as instructor. Featured will be the Goren point-count system of bidding. For further information call

Santa arrived with a truck load of boxes at White's Store, Tuesday. Each box looked interesting. Mr. and Mrs. Joe Singer and

family had as guests this week her parents Mr. and Mrs. Bee Nichols of Arlington. Her father came for Mrs. Singer's birthday and returned home Monday. Mrs Nichols spent the week.

Mr. and Mrs. Kyle E. Shelton and children Tommy 9 and Terry 6 moved here recently from Wichita and are living at 709 W. Coleman. Mr. Shelton is a civil service employee at SAFB. The family attend Church of Christ.

Tomorrow is built today. Are you playing a part in building omorrow? Whether you're a parent or

just an adult who believes in Next Sunday's Sermon: helping young people be better citizens of tomorrow, you too can share the fun and friendship of Camp Fire girls. There are many ways you can

share your experiences and abilities. You may be a leader, sponsor or even serve on the local Camp Fire board. The Camp Fire Organization

in Iowa Park gives a special plea for adult help for this year. How can almost 200 local girls continue to serve their community and find adventure in daily living when there are not enough adults willing to give even one hour per week to take part in building tomorrow?

If you are interested in helping these girls prepare for citizenship and womanhood, please contact Mrs. Norman Williams or Mrs. Kenneth Watts.

The local Camp Fire board held its September meeting in the CF room of the Youth Center. Plans were made for 4th grade Blue Birds to become Camp Fire girls in October. Mrs. W. A. George has charge of the Fly Up.

Preparations for the parade float are well underway. Mrs. lyde Bonner has charge of the float this year. Each girl in the organization and those who will

count on GAS heat to warm your home more economically than any other!

You can't beat it. The comforts of a GAS home cost so much less than a non-gas home, you'll actually save thousands of dollars over the life of your mortgage! And besides being the lowest-cost, GAS heat is faster than any other - pours out roomfilling, even warmth immediately.

It's smart to modernize with GAS heat now ... call your heating contractor or
