Miss Beverly Birk, daughter of
Mr. and Mrs. C. E. Birk, has re-
turned from Big Spring, where
she spent 8 weeks as a teacher's
aid in the Head Start program
sponsored by the school system.

The program is designed to
prepare children in the lower eco-

child receives a medical check up
and eye care if needed.

There were 185 children en-
rolled in 10 classes. Beverly had
5-year-olds who will not be old
enough to enter school in Sep-

Each classroom had a teacher,
a teacher's aid and a volunteer.

progress her students made, and
she feels the eight weeks spent
in Head Start work were most
rewarding.

Football Heat Deaths Preventable, Says AMA

CHICAGO—Heat deaths among
high school and college football
players could be a thing of the past
if coaches and players follow recom-
mendations made at a meeting here
recently.

When football practice opens in
a few weeks, the first hot days
could be dangerous for players un-
less precautions to avoid heat ill-
ness are taken now, a panel of
medical and sports authorities
agreed.

Heat illness last year caused the
deaths of one college football player
and four, possibly five, high school
players. It contributed to "close
calls" and injuries of many more.

The five-man panel, appearing at
a meeting sponsored by the
American Medical Association's
Committee on the Medical Aspects
of Sports, agreed that:

1. Prospective football players
should get out of air-conditioned
surroundings now and start getting
accustomed to vigorous exercise in
hot weather.

2. Coaches should abandon the
old practice of withholding water
from athletes during practice. Fail-
ure to replenish water and salt lost
through perspiration increases the
chances for heat exhaustion or heat
stroke.

3. Athletes should be acclimated
to hot weather by carefully gradu-
ated practice schedules. At least
the first five days of practice should
be devoted to non-contact workouts.

4. Both coaches and players
should be alert for signs of heat ill-
ness, such as lethargy, stupor, awk-
wardness, or unusual fatigue.

University of Kentucky football
coach Charles Bradshaw said his
squad's practice sessions were im-
proved by regular breaks for water
and rest. Over

THE HOME OF GREATER VALUES

121 W. Park Phone 592-4186

P. O. Box 93
W. Acton, Mass. 01780
Aug. 2, 1966

Dear Mrs. Huckaby:

Since we transferred to Massachusetts around the 1st of June, your paper has been forwarded to us by the post office there, and we enjoy it so much that I'd like to keep it coming to our new address here. Also, I'm sure our subscription has run out so you can bill us here.

So far, our summer has been delightful. High temperatures mostly in the mid eighties, and nights so cool that a blanket is required. Our house sits on top of a hill among pine, birch and oak trees and the chipmunks and squirrels play in our yard constantly. At first Corky, our toy poodle, was afraid of them but he has about decided they won't harm him, so he no longer runs from them.

Terry and Kyle, Jr., hated so much to leave Iowa Park, but already they've made lots of new friends here and even though they

would still prefer to be there, they seem to be accepting the change nicely and managing to have a happy summer anyway.

The people here seem to think that we talk like foreigners with our Texas twang, and kid us a lot about our pronunciation. But they talk equally "funny" to us. However, we are learning to understand them better, and no longer dread to answer the phone for fear that we can't understand the person calling.

But, nowhere have we found friendlier people than those here. They have just accepted us into the community as though we were native born, and have gone out of their way to be nice to us. Almost all our neighbors have called on us and have asked us to their homes.

One family has a summer camp on a lake a few miles from here and they ask us up there about every weekend, where we swim, boat and some of them ski (not I though).

Kyle, Sr., is employed at Fort

Deven here and has been taking training courses since we have been here, in preparation for the time when he starts instructing—very soon now, we think.

We all still miss Iowa Park and our friends there. We especially miss the First Christian Church, and the McDonalds, even though we didn't attend church as often as we should have. At least it was there when we wanted to go. Here there are no First Christian churches in any of the surrounding communities. They have lots of Congregational, Episcopal, Catholic, Unitarian, Baptist and Methodist, but no Christian. So we will choose one of those, I suppose, or go to the chapel at Fort Devens.

Again, many thanks for the hometown paper. We all look forward to it each week.

Sincerely
Ila Shelton

Two Pee Wee Squads Formed

Charles Bentley, president of Iowa Park Football League, has announced that the Pee Wee division will have two teams this fall: the original Pee Wee Hawks and a new team called Pee Wee Bandits.

The teams are formed by boys from areas of the city. The town is split as follows:

Pee Wee Hawks will be those eligible boys living west of Colorado Street and north of the railroad track. Any boys living east of Colorado Street or south of the railroad track will be assigned to the Pee Wee Bandits.

The Little All American Team will remain as one team only.

There will be a meeting on Aug. 16 at 6:30 p.m. on Bradford school grounds for all boys interested in participating on the Pee Wee Bandit team.

At 6:30 p.m. Aug. 18 boys interested in participating on the Pee Wee Hawks team will meet at Will Burnett baseball field.

Boys interested in playing on the Little All American Hawks team will also meet at 6:30 p.m. Aug. 18 at Will Burnett field.

To help equip the new team of Bandits this year, we are asking those people having equipment their children have outgrown to contribute this equipment to the Pee Wee football program. If you desire to contribute, please call Bentley at 592-5165 or Hoyt Watson at 592-2085 or Leroy Threet at 592-5527. We will come and pick up the equipment at your home.

Any and all equipment can be used and any contribution will be appreciated.

The McNultys

Iowa Park welcomes T-Sgt. and Mrs. M. V. N. McNulty and their two children Nancy 8 and Stephen 7, who moved here in May from R. G. AFB, Mo.

Mrs. McNulty, the former Aki-ko Ote of Japan, adds a pleasing touch of the Orient to our town. She met her husband, native of New Jersey, when he was stationed with the US air force at Chitose Hokkaido, Japan. After graduation from Biya high school she attended a tailoring school and went to work in a tailor shop in Chitose. Airmen patronized the shop to have stripes affixed to their uniforms, etc. The couple met when he went there to have tailoring done. They dated for 2 years, and were married March 15, 1957.

The McNulty's stayed in Japan 1 1/2 years and were then sent to the States to an air force base near Dayton, Ohio. Akiko had the privilege of returning to her native land when her husband was assigned to Yokota Air Base in Tokyo for 4 years.

They came back in January 1964 and stayed in Missouri until the recent transfer to SAFB.

McNulty finished high school in New Jersey. He joined the air force when he was 18 years old. The Oriental atmosphere is readily observed through furniture and appointments from Japan, Philippines, Hong Kong and Formosa in the McNulty home, 906 W. Louisa.

This story will be continued next week.

Are there really any sound reasons for buying a Chevrolet in August?

During August, it's as easy to own a Bel Air 4-Door Sedan as getting in the car.

Wait till you see how sporty you look sitting in your Impala Super Sport.

In a word: Six

1. Have you ever known the instant delight of selecting a new Impala Super Sport in the color you want, slipping into its Strato-bucket seats, and driving it home from the showroom the same day? Now's your chance. Your Chevrolet dealer has a big choice of models on hand with small August price tags.
2. More than likely, your present car will never be worth as much in trade as it is right now. Money—another good reason to buy a Chevrolet this month.
3. Read those articles about when to buy a new car and they'll tell you that August is one of the best months. And your Chevrolet dealer is ready to show you why... with buys that are better than ever.
4. If you think winter's tough on an old car, believe us, so is summer. There's added strain on the engine because of vacation driving. Greater tire wear. The cooling system has to work extra hard. A new Chevrolet can save you a lot of trouble.
5. You do a lot of driving for pleasure so why not ride on Chevrolet's Full Coil suspension. Let your feet feel that deep-twist Chevrolet carpeting. August is to enjoy.
6. Make your summer driving safer driving by taking advantage of the eight standard safety features built into every new Chevrolet. If your present car doesn't have seat belts, back-up lights, outside rearview mirror, padded instrument panel, look into a new Chevrolet.

Said Judges shall by agreement or otherwise designate the incumbent for each of the terms mentioned.

"The Governor shall designate one of the five Judges as Presiding Judge and at the expiration of his term and each six years thereafter a Presiding Judge shall be elected."

Sec. 2. That Section 5 of the Article V of the Constitution of the State of Texas be amended so as to hereafter read as follows:
