Dawna Scobee is Bride of Gerald Franks

Miss Dawna Sue Scobee became the bride of Gerald Eugene Franks Jr. last Saturday evening. Rev. Wayne B. Dunson of Preston Hollow Methodist church in Dallas, performed the ceremony in Iowa Park United Methodist church.

Parents of the couple are Mr. and Mrs. Otis L. Scobee of Iowa Park and Mr. and Mrs. Gerald E. Franks of Wichita Falls. Altar decorations were brass candelabra holding white tapers, baskets of white gladiolas, and a white prayer bench. Musicians were Miss Sally Sawyer, organist, and Danny Parkerson, vocalist.

Given in marriage by her father, the bride wore an empire A-line gown of peau de soie and lace trimmed with sequins and seed pearls around the scalloped neckline of the lace bodice. Lace was repeated in bell sleeves and the peau de soie lined detachable train. Her veil was held by a large cabbage rose, and she carried a cluster of white roses on a white lace-covered prayer book. The bride wore a bracelet worn by her grandmother in her wedding 56 years ago and by her mother and sister in their weddings.

Mrs. Larry Matthews, sister of the bride, was matron of honor. She wore a formal orchid peau de soie gown with empire waistline and A-line skirt. She wore a headpiece of tiny orchid flowers and bows and carried a long-stemmed white rose. Other attendants were Miss Shirley Cutler of Des Moines, Iowa, and Miss Andrea White of Iowa Park. They wore costumes like the matron of honor.

Randy Scobee, brother of the bride, and Kenneth Franks, brother of groom, lighted candles. Vinita Scobee, sister of bride, was flower girl; Charles Franks, brother of groom, was ringbearer.

Mike Dodd was best man. Groomsmen were Larry Matthews, brother-in-law of bride, and Kenneth Via. Ushers were Mike Robertson and James Eke.

The bride is 1968 graduate of IPHS. She was class officer for two years and belonged to pep squad, FHA and a cappella choir. She also participated in debate. She is employed in Iowa Park.

Franks is a 1968 honor graduate of IPHS. He belonged to National Honor Society and National Thespian Society. He participated in track, football and debate. He is employed with the A & P food store and will enter Midwestern university this fall.

Mr. and Mrs. Scobee were hosts for the reception in fellowship hall. Bride's table was covered with white net over orchid and appointed with flowers and candles in the same shades. The groom's table was laid with beige lace and held an arrangement of beige roses.

Reception assistants were Miss Sherrie Hauger, Janis Scobee, Janie Brice, Sally Sawyer, Miss Helen Franks, sister of groom, was at the bridesbook.

Mr. and Mrs. Gerald Franks hosted the rehearsal party Friday evening at the church. Following a trip to Ft. Worth and Dallas, the couple are living in Iowa Park.

Read Books

Now books for junior readers have arrived and are on the shelves ready for you to read.

Those wanting to read non-fiction and liking to read about presidents will want to read the "Story of the Presidents of the United States of America" by Maud and Miska Petersham. This book has a story about every president we have ever had.

"Profiles of Courage" by John F. Kennedy. Courage was a virtue that President Kennedy most admired. He sought out people who had demonstrated in some way, whether it was on a battlefield or baseball diamond. Foreword of this book was written by Robert F. Kennedy.

For fiction fans we have "The Deerslayer" by James Fenimore Cooper. The village of Cooperstown lay near the edge of a forest. James, youngest of 12 Cooper children, had many romantic dreams about it which found their way into his books.

"Mary Poppins" by P. L. Travers is a delightful fantasy about an extraordinary lady who can slide up banisters and turn a sane world topsy-turvy.

"Stormy, Misty's Foal" by Marguerite Henry tells a story of a storm, a brave mother horse and her foal and how they helped make possible the restoration of the pony herds on Chincoteague island. A thrilling tale for children.

There are many more. And more will be arriving from time to time.

Rocky Point

by Mrs. Edd Penn

Think everyone is going plum crazy. Anyway there will be a lot of jelly for the winter days! Heard we are to have a hard winter. Don't ask how I know, just an old adage. A wet July and August will cause it, they say. One town in Mississippi had nearly 16 inches in 24 hours. A case of sink or swim, huh?

Ronald Lee Carroll of Vernon is visiting his grandparents Mr. and Mrs. Doc Smith.

Mr. and Mrs. Junior Carter and sons of Jacksboro and Mr. and Mrs. Bill Byrd and family of Iowa Park were guests in the Sy Byrd home over the weekend.

Wonder how many had a fifth on the Fourth? Lots of people went to a lake in some part of the world. But thought it was a little chilly to go swimming.

Jim Beavers is marking the days off that he will soon be back in the States. Maybe he will be home in August. He has celebrated two birthdays across the pond. His birthday is July 4. His parents sent him a cake and some cookies.

Friendship class of First Baptist S.S. met Monday night in fellowship hall. Project is to take clothing to Faith City Mission. Anything anyone wants to give, bring it to the church.

Refreshments were shared by Mmes. C. A. Hicks, Ed Patterson, Leo Fletcher, H. Pierce, Walter Scott, Omega Harris, Elmer Singleton, Edd Penn.

Mrs. Vada Williams went to Houston on her vacation and she also went to the HemisFair and the musical theater in Houston, where she saw "Oklahoma!" She said the vacation was too short, but she brought her grandson home with her.

M-Sgt. and Mrs. Robert T. Hood and sons Bob and Steve of Wichita, Kans., visited Monday and Tuesday with Mr. and Mrs. Jonathan Dressler and family. The Hoods and Dresslers were neighbors in Nogoya, Japan, in 1956-57.

let's not let a computer come between us

Sure, we use computers. They are great for speed and accuracy and efficiency. With more than 370,000 customers to serve, we don't know what we'd do without them for paper work and to figure out things.

But computers will never take the place of people, because to a computer everybody's just a number. Computers don't smile, or call you by name, or show a personal interest, or reflect a friendly and helpful attitude. Not even ours.

So we have real living, breathing people . . . friendly people ready and anxious to help when you have a problem or want information about your electric appliances or electric service. We're trying to live down the computers. This may be the computer age, but we're not going to let a computer come between you and us, ever.
