Someone wanted to know if pumpers can fry an egg on pipes out here. Well, if it isn't hot enough now, we think 'twill be in a day or so. Heard it's so hot and dry each jackrabbit is carrying his own canteen. You can beleive if you want to, but we think it's too hot, and water in canteents would boil away.

The Elmer Browns took off for the lake last weekend. The kids used watermelons for beach balls and to float upon. One was bursted and they couldn't figure why. Mrs. Julia Finley of Olney vis-

Mr. and Mrs. Dave Morley and Bryan of Tacoma, Wash., were visitors Saturday morning in the C. C. Burnett home. They went on to Leonard to visit Dave's parents. Mrs. McCoy is daughter of Mr. and Mrs. Burnett; Mrs. Morley and Mrs. Arion are granddaughters. Hurrah! and three cheers for

SOME FOLKS THINK **OUR AUTOMATIC** BANK DRAFT PAYMENT PLAN IS GREAT...

Others couldn't care less

Folks who use our Automatic Bank Draft Plan to pay their electric bills seem to like the idea. . They like the convenience of having us draw a draft on their checking account for the amount of the bill. . Then they don't have to bother writing a check, hunting for a stamp and remembering to mail it. . And they

don't have any trouble keeping their records straight because we immediately send them the portion of the bill they would normally keep, and it's marked "paid." . Of course, many of our customers aren't interested in the Automatic Bank Draft Plan. They still want to get their bills at home and come in to pay us or send a check in the envelope we enclose each month. . We started the Bank Draft Plan because some of our customers asked for it, and we want all our customers to know it is available. . If you'd like to know more about the Bank Draft Plan, we'll

know whether it makes sense for you. . P.S. Naturally, this plan cannot go into effect on anyone's account until it is requested, and necessary authorization forms are signed.
