### HINTS . . . .

from the COUNTY AGENT

Fifteen Wichita county farmers will receive 20 tons of ammonium sulphate from the Phillips 66 Chemical company for demonstration purposes. With each ton purchased they will receive an additional 500 pounds free. This nitrogen fertilizer will be used on small grain, row crops and pasture.

Farmers receiving fertilizer are Ralph Swinford, G. O. Bailey, Ray Hirschi, John Wesley, Bob Miller, Willie Morton, Icard Smith, Fenton Dale, Sam Barwise, Emil Flusche, Howard Henderson, Walter Foster, George Adams, Albert Breckriede and Louis Hartmanngruber.

With these demonstrations in the various parts of the county it should give us a check on the value of nitrogen fertilizer.

Two small grain variety test plots have been planted on the Ralph Swinford farm in the Friberg community and on the Sam Barwise farm located in the Punkin Center community. Varieties are Quannah, Comanche, Cordova, New Kortex and Mustang. Farmers in the county are invited to visit these plots and check the varieties of grain.

Seed for these demonstrations was furnished by the A & M college and experiment station.

The DHIA summary for October shows the Wichita Valley DHIA association ranks high in the state. We were second in average pounds of milk with 620, and third with average pounds of fat, 24. We have 16 members in the association at present. Let me urge more dairy farmers to join the association. H. R. Chandler is the technician.

Any dairy farmer in Wichita, Clay and Archer counties may have his cows bred artificially by calling telephone number 7-7324. This organization is known as the Tri-County Artificial Breeders association. Jim Kuehler and H. R. Chandler are the technicians.

I received word from A. L. Darrell, A & M college, that the annual Dairyman's short course will be conducted at College Station on Dec. 3 and 4. They are giving emphasis this year to marketing dairy products, a subject that is uppermost in the minds of dairymen. In addition, they will discuss feeding, management and diseases of cattle. If any of you are interested in attending, please contact the county agent's office.

Harvester ants can be controlled with 5 per cent chlordane or 2 per cent dieldrin used as dusts, or the liquid fumigants, carbon disulfide or methyl bromide. Local county agents have detailed information.

Reduced foreign exports contribute directly to many of the present day farm program problems. Agricultural exports from the United

States have dropped from 4 billion dollars in 1951-52 to less than 3 billion dollars for 1952-53. A drop of 30 per cent.

### Dallas Church Is Scene Of Talley-Ille Wedding

An impressive double ring ceremony was performed in Dallas last Saturday at the Beverly Hills Baptist church to unite Miss Margaret Talley of Iowa Park and Robert Ille of Grandfield, Okla. Rev. James H. Kelly was the officiant.

The bride wore a teal blue velvet suit. Her accessories included a smart winter white hat with decorative pearl trim. She carried an orchid atop a white Bible.

Miss Beverly Talley of Iowa Park was the only attendant of her sister, as maid of honor. She wore a suit of heather colored soft wool. Black accessories and a white colonial carnation corsage completed her costume.

J. B. McGrew of Dallas, brother-in-law of the groom, served as best man.

The bride, daughter of Mrs. Lon Smith of Casper, Wyo., and L. L. Talley of Ada, Okla., was graduated from Iowa Park High School and was previously employed at McClurkans in Wichita Falls.

The groom, a son of Mrs. M. L. Hanson of Dallas and Paul Ille of Grandfield, is a graduate of Loveland (Okla.) high school. He was previously engaged in farming.

A reception followed the ceremony in the home of Mrs. J. B. McGrew of Dallas, sister of the groom. The bride's aunt Mrs. W. C. Beck of Electra, and sister Mrs. Laverne

Johnson of Wichita Falls, served at the reception table. The couple plans to reside in Dallas at the present time.

### SENIOR NEWS

George Emory Clements, son of Mr. and Mrs. L. S. Clements of this city, was born on December 13, 1935, in Sherman. George began working on his ambition in 1942, in Iowa Park, which was to graduate. Like most boys, George's hobby is sports. He played fullback for the Hawks four years, and basketball one year. George's every ready smile makes him popular among the students of IPHS.

Elva Delores Langford, daughter of Mr. and Mrs. G. B. Langford of Iowa Park, was born at Temple, Okla., on June 28, 1936. Delores began her education at the age of six at Temple. She moved to Iowa Park in June of 1950. She then continued her schooling here. Delores' blue eyes and brown hair seem to attract her school mates. We have to watch Delores if there's a redhead around, for they seem to be her weakness. Delores was elected as cheerleader for the Sr class of 1954. She has worked hard and has made a good leader.

Marie seems blue of late. These days with boyfriends in the service seem to have a pretty hard time. Keep your chin up, Marie, the letters will be rolling in.

People are always telling us Srs that the Xs read our news. Excuse us while we tell them "Hi."

You teachers don't be surprised to see Earl Gilbert's grades falling down. If he isn't reading letters from Peggy, he writing same to same.

Rosetta and Zook are big pals. Rosi, you and Zook had better watch Potts. Remember he's a pretty good sized boy.

Hey, Cecil, who was the cute Soph you were with the other evening? You kinda pick on the Sops don't you? Better watch it, somebody might get jealous.

You women better hold on to your husbands. Our sponsor bought a new car.

The Srs are now having tryouts for the Sr Play. Prepare to feast your peepers on the best little play ever presented on the IPHS stage.

### SCHOOL MENU

Monday: Canned beef, mashed potatoes, English peas, beets, fruit jello.

Tuesday: Salmon croquets, pinto beans, spinach, sliced tomatoes, lemon pie.

Wednesday: Chicken and dressing, green beans, jello salad, pumpkin pie.

Mr. and Mrs. David Michael and son Chris of Fort Worth visited her mother Mrs. Kate Jones and her aunt Mrs. George Hoge here over the weekend.

### ESA to Help Hospital Bring Christmas to Ill Servicemen

The Epsilon Sigma Alpha sorority met Tuesday, Nov. 7, at 7:30 in the home of Mrs. Pete Guthrie for their Thanksgiving dinner. The menu consisted of chicken and dressing, gravy, sweet potatoes, jello fruit salad, stuffed celery, pickles, hot rolls and butter, coffee, pumpkin pie with whipped cream on top.

Table decorations carried out the Thanksgiving theme. Strips of blue and gold paper ran down the center of each table, with an artificial duck in the nest of beautiful red and gold leaves. Candles were placed at the end of each table and greenery was put between the candles and center.

Place cards and favors were little Pilgrim girls made from paper and painted blue and gold with "ESA" on her skirt and the name of each member.

During the business following the meal, it was decided the sorority would help with the Christmas party for the oys in the hospital at Sheppard Air Force Base. There was also discussion about the club Christmas party and members drew names for the Christmas tree.

Marilyn Chandler and Geneva House led a sing-song and Raydean Brown presented a reading about "The First Thanksgiving."

Those present were: Meses. Orville Bell, Alan Berry, Joe Chandler, John Clapp, Leslie Clapp, Jack Coleman, I. W. Corder, Johnny Crawford, Carl Davies, Bryan Faris, W. A. George, Pete Guthrie, Donald Hill, Wayne Houce, Jesse McCullough, Jimmy Medlinger, Malcolm Mills, Bud Mitchell, John Mixon, Ted Overbey, Rollin Roberts, Glenn Scott, Tommy Sims, Ray Watson, Johnny Cole, Burk Scott, Louie McCarthy, Ray Rutherford, John Parish, Miss Raydean Brown and the sponsor Mrs. O. R. Owens.

### Presbyterians

Presbyterians in full force staged a Family Night Supper to initiate the new education building Wednesday night. This was not the formal opening, but a family joy party. A formal opening of the building will be observed with an openhouse to which the public will be invited.

The large fellowship hall was attractively arranged for the seating of adults and children. The inspirational address was made by Rev. L. M. Kennedy of Fain Memorial church, Wichita Falls.

At the business session the 1954 church budget was adopted.

At the supper, recognition was given to the architect Charles Miller; the building committee, Chairman John Clapp, Locke Lowrance, Luther Miller and Miss Clara Lowrance; and to the contractor, Carl Sullivan.

Mrs. Luther Shelton, president of the Women of the Church, was in charge of the supper.

### JUNIOR NEWS

Here we are with the gossip.

The Jr class wishes to thank all the people who have given books and papers. If you have any more books or papers, someone will pick them up Saturday.

The speech class gave an excellent program in chapel Tuesday morning.

Barbara Griffith had a birthday party Saturday night, and from what I hear Christena must have had a pretty good time. Speaking of parties, I think Gladys and Pat must have had a "high ole time" at Horseshoe Lake, Saturday night. Is that right, girls?

Barbara J., what's at Bridgeport that takes you down there so often? Garry Harris thinks a certain girls with initials M. R. is sure cute.

Due to six-weeks tests, most of the good little Jrs are studying this week.

Say, June, hurry and get well; we sure miss you at school.

—Jan.

Mrs. M. L. Smith, Mrs. Fenton Dale, Mrs. C. J. Simpson and Mrs. Carl Griffin of Houston, all accompanied Mrs. Ida Chatelain recently on her trip to Houston, where she has bought a home. Her sister Mrs. Bess Smith, who already lives in Houston, will make her home with Mrs. Chatelain.

# Improved again!

## No. 1 in Texas

by a wider margin than ever

A few weeks after the Japanese surrender in World War II, the Humble Company introduced a vastly improved Esso Extra gasoline to Texas motorists.

At that time, the Company promised a policy of continuous improvement: Humble told motorists that Esso Extra would never take second place in quality.

That promise has been kept. Improvement of Esso Extra has been continuous. Statewide, Esso Extra has consistently led other Texas gasolines in quality. Statewide, Esso Extra has been No. 1 in quality every year.

And now, because Texas motorists driving modern automobiles have learned that Esso Extra gives them extra performance, Esso Extra is also No. 1 in sales.

The improvement in the quality of Esso Extra announced by this advertisement is substantial — it is a major improvement. It places Esso Extra far ahead of other gasolines in the qualities that are reflected by performance in your car.

Today, Esso Extra gasoline is No. 1 in Texas by a wider margin than ever before.

Now the BEST gasoline in Texas is even BETTER!

**Esso Extra** gasoline, statewide, has consistently led all other Texas gasolines in quality; now, new improvements have widened the margin between Esso Extra and the rest: *Humble Esso Extra has no equal throughout the state of Texas.*

**Tests prove Esso Extra's superior quality!**

There are three qualities of a gasoline that are brought out in the performance of your car. In all these three qualities, Esso Extra leads.

**Esso Extra leads in anti-knock performance:** In today's automobile engines, with their high compression ratios, anti-knock performance is the most noticeable quality of a good gasoline. There is no substitute for this quality. Only a gasoline with a high octane rating — that is, high anti-knock performance — burns so evenly and completely that it transfers all the usable energy from the gasoline to the pistons. When your car's engine pings or knocks, you're losing power. Esso Extra has the highest anti-knock performance in Texas.

**Esso Extra leads in power:** High anti-knock performance assures more power. Since Esso Extra has the highest anti-knock performance in Texas, it gives you more power than any other Texas gasoline. This conclusion has been verified by special laboratory testing equipment which actually measures the power delivered by a gasoline burning in an automobile engine. Road tests by both Humble technicians and independent research facilities have confirmed the laboratory tests. Your car will develop extra power when you use Esso Extra.

**Esso Extra leads in quick starting:** In comparative tests with other gasolines, Esso Extra's quick starting characteristics were rated "Excellent," while those of other popular gasolines ranked from "poor" to merely "adequate." When you use Esso Extra your engine starts at almost the instant you press the starter button. But quick starting is more than a convenience. It saves gasoline, and it prevents gasoline dilution of the crankcase oil. If you use your car mostly for town driving, you will specially appreciate Esso Extra's quick starting qualities.

**And for good measure, Esso Extra contains a patented solvent oil:** This oil is not a lubricant. Its purpose is to dissolve the gummy substances that collect carbon on top of pistons and under valves, and thus help to prevent carbon deposits in the upper parts of the engine.

See for yourself — test **Esso Extra** in your own car

Esso Extra will give you the same results obtained by researchers when you test it in your car. Its quality is so superior that you will notice at once that Esso Extra gives you extra quick starting, extra anti-knock performance, extra power.

You'll discover that you *enjoy* your car more, that it runs better, that you're getting — at last — the performance you expect from a modern automobile. No other gasoline can duplicate Esso Extra's performance in your car, because no other gasoline matches Esso Extra's quality.

Fill up with improved Esso Extra gasoline at any Humble sign — it's the same extra performance gasoline at every Humble sign.

**HUMBLE**  
**Esso Extra**  
**GASOLINE**

### Tree Planting Project Advocated by C of C Beauty Committee

Have you taken time to make a survey of your needs in the line of shade for your home?

This is the ideal time of year to make plans for future comfort and beauty, and while the few trees we have are adorned with such glorious color the incentive is naturally greater and we can visualize how we need more trees.

The city beautification committee of the Chamber of Commerce is sponsoring a Tree Planting project, and arrangements have been made for trees to be secured for a most reasonable price: 5 for \$1. These trees are small, but all the better, as the small ones nearly always take root and grow to better advantage than the larger ones. Then too this permits the privilege of watching them grow from year to year. Native trees of ash, elm or hackberry are available. Also larger trees if desired.

Make a survey of your property and place an order for 5, 10, 15, 20 or more of these trees, and then prepare your ground to be ready to plant when the trees arrive. Before you realize it, you will have shade, along the drive, for the car, for the children to play under. Or just shade and beauty for your home—but let's have shade!

Then there is a Living Christmas Tree project, and several have already made arrangements for a Living Christmas tree for this season, and others are planning to plant their Christmas Tree, at least by January and let it grow for future Christmases. What a wonderful thing for the youngsters to look forward to, their own Christmas Tree in their own yard. Try it. It's worth the effort, not to mention the beautiful tree growing during the year.

#### GUEST PREACHER AT METHODIST CHURCH

Rev. Frank Smith, pastor at Whitney and a graduate of Iowa Park High School, will be guest preacher at the morning worship service of the local Methodist church next Sunday.

Mr. Smith is a brother of Mrs. Lydia Hudson, Mrs. C. L. Clingman, M. L. and D. O. Smith, all of Iowa Park.

Occasion of his visit is to baptize his grand-nephew Randall Allen Harris, son of Mr. and Mrs. Joe Allen Harris of Wichita Falls, who are members of the local congregation.

The public is invited and a special welcome awaits all of the friends of Mr. Smith, who knew him in his youth.

Mr. and Mrs. John B. Barbour are visiting this week with their daughter and family Dr. and Mrs. Bill Kitchell and children at Westlaco.

#### PLEASANT VALLEY CHURCH

A mission lesson based on the book "Let's Listen" by H. C. Goerner, was presented for members of the Pleasant Valley Baptist Women's Missionary Society, Tuesday morning at the church.

Mrs. W. M. Mathis led the opening song, accompanied by Miss Mabel Noland, pianist. Mrs. J. A. McDonald led the opening prayer. Mrs. J. Charles Beck and Mrs. McDonald presented the devotional and Mrs. Beck gave a special prayer for young people to answer the call to mission fields.

Mrs. Paul Goff, mission study chairman, was in charge of the lesson, using the chapters "Wanted:

#### More Missionaries" and "They're Telling Us?"

### ★ Park Clinic News

Donald Paul Lemons, son of Mr. and Mrs. Elbert Lemons of Valley Farms, underwent an emergency appendectomy Monday evening, November 16, at Wichita General hospital.

Mr. and Mrs. Jimmie Wilcox announce the birth of a son Wednesday, Nov. 18, at Wichita General hospital.

Mrs. C. M. Self is receiving treatment in Wichita General hospital after being admitted last week.

### Music, Poetry, Drama Feature Program of 23 Study Club Here

The sense of the beautiful which God implanted in the human soul was truly awakened by listening to fine music, poetry and drama, and seeing a lovely picture at a meeting of the 23 Study club Thursday afternoon. The program was proof that fine arts have a place of importance in the preservation of our American heritage.

Mrs. James A. Sewell and Mrs. Fred Widmoyer entertained club members at the home of Mrs. Sewell.

Mrs. China E. Smith, chairman of the fine arts committee, directed the blended program of music, drama and art.

In acknowledging God as the giver of all arts, Mrs. C. W. Coppock opened the program with a period of meditation. The power of music to inspire Americans to hold fast to the gifts and blessings inherited from their forefathers was demonstrated through a duo piano ensemble by Mrs. Sewell and her daughter Miss Caroline Sewell. The mother and daughter team manifesting high artistic achievement, also portrayed parent and child cooperation, a significant factor in maintaining our heritage.

The finest in drama was reflected by Mrs. Smith in a review of "The Roof" (John Galsworthy), who described the book as a drama with a divine message. Scene of the play was a hotel in Paris where each floor symbolized some phase of life. A story of contemporary life, the problems of family relationship, social relationship and social degradation developed the theme that the soul of every person lies dormant until some crisis arises to force him to make the supreme sacrifice.

The first floor of the hotel depicted social degradation, the second floor revealed the private lives of the characters, and on the roof where the characters bled because of a fire, each person "took wings" as he forgot self to save others.

Art and poetry were expressed through a beautiful chalk drawing and poem by Mrs. Charles Metz. Piano background music by Mrs. Sewell provided clues to the identity of the picture in the making, which was "The House by the Side of the Road." The artist read the poem by Sam Walter Fauset which furnished inspiration for the drawing. The application of the picture and poem to the program theme was that friendship and hospitality are cherished traditions in American life.

During a business session conducted by Mrs. Sewell, club members voted to send homemade candy to S.A.F.B. for distribution to servicemen at Christmas.

#### ★ WSCS ★

Members of the Woman's Society of Christian Service of the Methodist church met in circles Tuesday, Nov. 17.

Mrs. Will Spruiell was hostess to Circle I in her home at 2:30 p.m. Mrs. Richey Abernthy was program leader and presented Mrs. Miles Thompson, who gave the devotion and also discussed the topic "Life-long Hunger Around the World."

Other participants and topics discussed were: Mrs. Arch Hughes, "FAO World Wide Program"; Mrs. W. S. Willard, "An Arkansas Farmer in Afghanistan"; "Herman Mahler, "Saving Farm Animals in Ethiopia"; Mrs. Fenton Dale, "The Effective Work of FAO."

Others present were Mmes. Travis H. Smith, Fred Widmoyer, C. J. Thurber, Ray Low.

Mrs. Guy Perdue was hostess to Circle II in the parsonage at 2:30. Mrs. W. E. Stockton was program leader and gave the devotion. Mesdames W. C. Albright, W. M. Owens, Guy Perdue, Dave Harbour presented the program.

Others present included Mmes. S. L. Denny, Jim George, Scott Morris, C. J. Simpson, E. B. Taylor, H. B. Jones, F. S. Smith.

When Circle III met in the church at 9:45 a.m. Mary Nixon and Maurine Todd were co-hostesses. Roll call was answered with a verse of scripture.

### Boy Scouts Prepare To Display Handwork

By Lonnie Lee

A showcase will be placed in the Herald office in the near future where Boy Scout handcraft work will be displayed from time to time. A likeness of some of the most primitive hand-tools known to have originated in America will also be shown.

Modern tools are available, but they seem to take most of the fun out of creating by hand. Handcraft as a hobby does not demand production speed. Patience and time is all that are necessary.

When our projects are well under way—when we have more items on display—we will ask for and appreciate suggestions to improve our work and efficiency.

Those who have some article, old or new, and would like a reproduction made, bring it in. We will go over the possibility with you.

There are a great many people who would like to do some kind of handwork, but do not know how to begin. Simplified methods, beginning with facing billfolds and the like also will be placed in the showcase. Other project methods will be shown from time to time.

The world's finest traditions and skills come to us through "peace of mind."

"All of the fine traditions and the skill,  
Are mine to use to raise my craft's renown,  
And mine to teach again with reverent will,  
Thus do I love to serve,  
With fingers that are masters of the tool."

### Area Couple Wed 57 Years Ago

Mr. and Mrs. James Henry Brooks of the Pleasant Valley community celebrated their 57th wedding anniversary last Tuesday. The couple

was honored at their home with a dinner given by members of their family.

He is 81 and she is 78, and both are active. They care for chickens, ducks, cows, yard and vegetable garden, still on the same partnership basis as they started out together 57 years ago.

Mr. Brooks met Miss Mollie Black of Ennis while she was visiting her sister in Bowie, in 1893. Two years later they were married in Ennis. They entered the grocery business as partners and remained in that business until their retirement 9 years ago.

After several years in Ennis they moved to Granite, Okla., then to Snyder, Okla., and in 1924 to Wichita Falls, where they owned and operated several grocery stores.

The couple has two daughters, Mrs. C. E. Jones, route two, Wichita Falls, and Mrs. Vance Smith of Long Beach, Calif. A third daughter died five years ago.

They have 9 grandchildren and 19 great-grandchildren.

### Reindeer Due Here at 4 p.m. December 3

Santa Claus is inviting all his young friends and adult friends to meet him in Iowa Park on Thursday afternoon, Dec. 3 at 4:00. It is a thrill for young and old alike to see Santa driving his live Arctic reindeer down the city streets.

Santa will take time to listen to Christmas requests, and wants to see every boy and girl for miles around and talk to them about Christmas.

About 6000 miles separate the reindeer from their native homeland. All of Santa's reindeer are given pet names by their Eskimo friends. They call Rudolph the Red-Nose Reindeer "George"—nobody knows why.

The reindeer have rested all summer on the Caruthers ranch in central Texas, where large fans in their corral keep them comfortable on the warmest days.

No matter how cold the weather the parade will be held on time. In fact, the colder the weather and the more snow that flies will please more than ever the reindeer and Santa. It reminds them of the deep snow and raging blizzards in Alaska, their homeland.

### Eva Nell Clements and Cleo Cook Married In Impressive Rites

Impressive marriage rites were read to unite Miss Eva Nell Clements of Wichita Valley Farms and Cleo Cook of Wichita Falls last Thursday evening in the North 6th and Broadway Church of Christ. The officiant was the groom's brother Clovis T. Cook of Lebanon, Mo.

The bride is the daughter of Mr. and Mrs. Leonard S. Clements, and the groom is the son of Mrs. Vada Cook.

Mmes. A. L. Stermer, C. J. Cline and W. L. Voyles Jr., sisters of the groom, all of Wichita Falls, provided vocal music for the exchange of vows.

The nuptial space was decorated with white gladioli and chrysanthemums flanked by branched candelabra bearing white candles. Foliage was used as the background.

When given in marriage by her father, the bride wore a formal length gown of white brocade satin designed with long scalloped bodice and full skirt. The tightly fitted bodice was styled with sweetheart neckline and long sleeves which formed points at the wrists. Her veil of nylon tulle was attached to a half hat of nylon tulle and stephanotis. Of sentimental significance were the pearl necklace and earrings belonging to the groom's mother and the gown which was lent the bride by her sister Mrs. Ed R. Spradley of Houston.

The bride carried feathered white mums atop a white Bible.

Mrs. Spradley served as matron of honor for her sister. Candelighters were Misses Patricia Clements, sister of the bride, and Ann Stermer, their cousin.

Jiri Cook of Wichita Falls was his brother's best man. Ushers were Travis Cook of Wichita Falls, nephew of the groom, and George and Gerald Clements of Iowa Park, brothers of the bride.

Both the bride and groom are well known in Iowa Park and Wichita Falls. Mrs. Cook was graduated from Iowa Park High School and has been employed at the Orchid Shop in Wichita Falls. The groom was graduated from Wichita Falls high school and attended Midwestern university. He is employed with Cummins Sales and Services Inc., in Wichita Falls.

A reception was held immediately following the ceremony at the home of the bride's parents, Mrs. E. J. Smith Jr. of Wichita Falls, aunt of the bride, presided at the crystal service; and Mrs. F. E. Schmidt of Dallas, sister of the bride, cut the cake. Miss Billie Lynn Lyons of Levelland, niece of the groom, secured names of guests for the bridesbook.

When the couple left for a wedding trip the bride wore a two-piece suit of turquoise taffeta with black accessories.

They will establish residence in Wichita Falls.

Mrs. H. M. Looney and son Randy of Commerce and Mrs. Bill Guest and son Bill Terry of Grapevine visited their parents Mr. and Mrs. W. C. Brown here last week.

### Romantic Period Is Topic of Study for Modern Music Club

The Modern Music Study club met Nov. 12 at the Methodist church. Mrs. O. E. Lochridge, president, conducted the business meeting.

It was pointed out that Iowa Park was the first senior club in our district to help sponsor and organize another music club, which we did in Holliday.

Further plans were made for the Christmas party and the coming season.

Mrs. W. C. Albright, program chairman, gave an opening talk on the "Romantic Period in Musical History" and introduced the artists for the evening.

Mrs. O. R. Owens, accompanied by Mrs. W. G. Steele, sang an aria from "The Barber of Seville" entitled "A Noise I Hear, by Rossini."

Mrs. Joe E. Chandler, accompanied by Mrs. James Sewell, sang two numbers: "By the Sea" and "Romance from Rosamunde" both by Schubert. Mrs. Sewell then played a solo "Ronda Capriccio" by Mendelssohn. She then accompanied Mrs. C. W. Coppock in two songs by Hugo Wolf, "Night's Magic" and "Give Praise to Him."

Choral practice directed by Mrs. Sewell followed the program.

Hostesses for the evening included Mmes. Otis Gay, Preston Pace and Miss Mary Butcher.

Mrs. W. C. Brown and Mrs. Della Sims went to Grapevine last Monday to attend a Rebekah lodge meeting. Mrs. Brown's daughter Mrs. Bill Guest, was initiated at the session. They returned home Tuesday.

Several Parkans attended the 33rd annual banquet of the Electra chamber of commerce in Electra high school Tuesday night, Nov. 17.

Senator Lyndon B. Johnson, featured speaker, was introduced by John McKelvey, C of C president, to approximately 300 Electrans and guests from surrounding areas.

Those from Iowa Park were Mrs. Ruth Hill Yeargan, secretary of the Iowa Park Chamber of Commerce; Rev. M. C. Yeargan of the Presbyterian church; Mr. and Mrs. W. R. Pastuszek of Texas Electric Service company; and George R. Huckaby, publisher of the Herald and Holliday News.

Marye Eckelkamp, secretary of the county Farm Bureau, was also there and helped serve the turkey dinner.

### WESLEYAN SERVICE GUILD

Mrs. T. J. Pace will be hostess to the Wesleyan Service Guild on Monday, Nov. 23 at 7:30 p.m. Miss Ethyle Kidwell, secretary of Christian social relations and local church activities, will have charge of the program. Mrs. T. C. Scott will lead the devotional. Every Methodist woman who cannot attend the Woman's Society is urged to come and have fellowship with the group.
