Joe Price Replaces Gene Lowrey on Iowa Park School Board

Iowa Park school board met Tuesday night and voted to place a pay telephone in the band building, and to help purchase a baritone horn for the high school band.

The board discussed future school buildings and the effect it would have on the school if the Niki missile base should be located in our school district. Supt. Keith Swim was authorized to go to Ft. Worth to investigate federal aid.

Those present were Jim Miller, president; Ed Clark, C. E. Birk, John Clapp jr., T. C. Berry, Alan Berry and Joe Price. The last named took the oath of office to replace Gene Lowrey, who moved recently to Louisiana.

Freshman home economics girls have started sewing. First projects are cotton skirts and blouses; we decided to make the skirts first. All have chosen smart fall colors which will look nice for school and other occasions. When we complete our projects we will have a style show for our parents and friends.
Kay Rowntree, reporter

Second year homemaking girls have been studying and discussing food needs and marketing techniques. We began by keeping a record of all the food we ate for one week, then checked our daily diets with the basic 7 and other nutritional guides. Found most of us need to improve our eating habits. A new refrigerator and electric range have been added to our kitchen in the homemaking cottage.
Ann Engledow, reporter

Future Homemakers of America have had several executive board meetings with our sponsor Mrs. Reston, to make plans for the year. The board is made up of the following officers and committee chairmen:

Patricia Clements, president
Cynthia Tatom, vice-president
Ann Stermer, secretary
Carolyn Holder, treasurer
Kathy Teal, song leader
Linda Smith, reporter
Shirley Morgan, historian
Teddy Overbey, parliamentarian
Kathleen Shropshire, welfare
Theresa Bowman, public relations
Marjorie Boren, FHA nook

Supt. Keith Swim was in Austin, Sunday and Monday in the interest of the local school.

Ten seniors of Iowa Park High School were guests of the National Tank company last Tuesday in observance of Oil Progress Week.

The group was taken on a tour of refinery and field and took luncheon.

Those going on the tour were Sue Bedford, Malcolm Berry, Jo Ann Brubaker, Forest Lucy, Bill Moore, Louie Reed, Mary Shook, Nancy Smith, Darol Snow and David Thigpen.

Two football games were played here Monday night with Henrietta. The B team and junior high team of Iowa Park defeated both teams from Henrietta.

Report cards were to be distributed this Thursday.

Supt. Keith D. Swim was among 6200 spectators flown to Eglin AFB, Fla., to witness the aerial fire power demonstration Wednesday of last week.

Supt. W. S. Thomas of Holliday was another outstanding educator who made the trip.

The group from this area was flown in a T-29, which the men said was an education in itself. The T-29 is used for training navigators and bombardiers, and during the trip the guests became radar operators and navigators (amateurs, that is).

At Craig AFB, Ala. they were shown the installation where jet pilots are given basic training.

At Eglin they saw a display of every type of air force craft—jets, rockets and cargo planes.

During the Air Show the launching of a Martin Matador, ground to ground missile, was witnessed.

All the men returned home with increased respect for American air power.

Church of God Having Revival

Rev. W. O. Watwood, pastor, has announced a revival is being conducted at the Church of God, to run through Sunday, Oct. 26.

Rev. A. R. Strickland of Dallas is the visiting evangelist. Services are held each night at 7:30.

Special music is rendered at each service. Everyone is invited to come and enjoy good preaching and singing.

Sister Dies

Mr. and Mrs. Buddy Tanner and Mr. and Mrs. George Burkett of Altus, Okla., left Tuesday to attend the funeral service of Mrs. Willie Robinson of Ashton. She was a sister of Mmes. Burkett and Tanner.

The funeral was to be held in Carrizo Springs, Wednesday.

They also received word their brother and his wife, Mr. and Mrs. Marion Brown of Lynn, had been in a car accident in which Mrs. Brown was killed.

ESA

Members and guests of Epsilon Eta chapter of Epsilon Sigma Alpha met in the banquet room of Underwood's restaurant Thursday evening, Oct. 2.

Bobbie Mitchell, president, welcomed members and extended congratulations to the 16 pledges of the new chapter at Burk Burnett.

Highlighting the evening was the candlelight ceremony conducted for the pledges of Theta Epsilon chapter of Burk Burnett. Mrs. Mitchell performed the ceremony; Mmes. Kitten Thompson and Essie Johnson assisted by pinning each pledge.

Members signing the charter were Frances England, Charlene Smith, Cleoma Simmons, Mary Helen Bills, Marjorie Hofacker, Mildred Good, Betty Carter, Vicki Brown, Ruby Van Loh, Bobbie Klinkerman, Patsy Adams, Lea Glessom, Wanda Enloe, Velma Goins.

An affiliation ceremony was also performed for Mmes. Margie Winkles and Evelyn Farris.

Marilyn Chandler, president of District VI, performed the installation ceremony for officers of the new chapter. Mrs. Frances George, state historian, assisted by presenting each officer a dainty jar of jam while Mrs. Chandler gave receipts depicting duties of each office.

Epsilon Eta members attending the dinner were Louise Clapp, Bernice Compton, Frances George, Mary Guthrie, Essie Johnson, June McCarthy, Billie McCullough, Helen Miller, Mildred Mills, Bobbie Mitchell, Mary Ellen McLemore, Mauryne Overbey, Doris Perry, Helen Rich, Esta Rutherford, Ann Sullivan, Kitten Thompson, Theda Voyles, Bernice Watson.

Religion in Armed Services on Increase

Members of the Lions club met Tuesday at Smith's restaurant and heard an informative talk by Lion Homer Thompson.

Harold Dystra offered the invocation and Curtis Sewell was program chairman.

Thompson is a chaplain in the army reserves. He told of his observations during a recent summer training course, that the spiritual life of servicemen is on the upward trend.

He said that almost from the beginning, there have been chaplains in armed forces, but never before has their work taken on the importance it now seems to have.

At the close of World War II, an important army man called for 1000 missionaries to be sent to the Far East. But the United States did not have nearly that number qualified and trained to be sent.

Recently when a 15 man panel inspected some of the latest weapons of destruction, one member of the group remarked to a chaplain, "The world does need God."

Pres. F. M. Wilson presided at the business session. He reminded members that October is Membership Month, and suggested that a few more members be added during October.

Mills Tells Lions About Banking

Malcolm Mills, local citizen and cashier of Wichita National Bank of Wichita Falls, was speaker at the Evening Lions club last Tuesday.

Addison Cutter offered the invocation. Esther Thornberry and Tinky Short, club sweethearts, provided the dinner music. Bill Sawyer, program chairman, presented Mills to the club members.

In his talk on "Banking," Mills explained the two kinds of commercial banks—state and national. He also told of the Federal Reserve bank in Dallas that serves Texas, Louisiana, Oklahoma and New Mexico. All national banks are required to be a member of Federal Reserve bank. A state bank is not required to be a member, but most in this area are.

Mills also explained the routine of handling checks and money and other procedures of everyday banking.

He also told of the opportunity the American Institute of Banking offers bank employees by conducting study courses in four different fields.

A short business session was conducted by Bert Van Horn, president. W. E. Goss, citizenship and patriotism chairman, with committee members Arch Hughes, Addison Cutter and R. E. Waters, reported a meeting is to be held this week to complete plans for getting out the Nov. 4.

Capt. John T. Rees was voted a new member.

Janice Faye Wilson of Iowa Park has been pledged to Delta Gamma, national social sorority, at North Texas State college, Denton.

Janice, daughter of Mr. and Mrs. Foster M. Wilson, is a sophomore elementary education major. She is a 1957 graduate of Iowa Park High School, where she was selected as "Miss Iowa Park High School" her senior year.

She was on the annual staff for three years; is a past president of the school band; and was Class Favorite her freshman year.

Janice is also a past president of the Methodist Youth Fellowship and was a member of the church choir.

PTA met at the school Wednesday, Oct. 8. The meditation was presented by Glenn Owen, minister of the Church of Christ. The musical prelude was played by Tim Kaspar.

A youth panel under direction of Mrs. China Smith presented the program "Keeping Faith with the Younger Generation." On the panel were Jo Ann Brubaker, Gayla Lynn, Jolyn Fox and Francine Faulkner.

Among topics discussed were: Religion in the home; Discussing fears with our parents; Fears and anxieties in the home; Juvenile delinquency; Youth in school life.

The program was concluded with discussion on the views of the students' school activities and the students expressed their desire for a student council.

Free discussion was enjoyed by the teachers, parents and panel.

PTA voted to have a fun night Saturday, Nov. 1, instead of the Halloween carnival. Room mothers are making plans for this event.

Birk Reports on Climbing Trip

Lions met for their regular Tuesday noon luncheon at Smith's Restaurant with F. M. Wilson presiding. The invocation was offered by Homer Thompson.

Lion Tamer Dan Barnes introduced Roy Shipman of the Irving club and Glen Clark, president of the Rochester (Minn.) club. Lions voted to contribute to the Iowa Park United Fund.

Harold E. Dykstra, program chairman, presented C. E. Birk, who told of his recent mountain climbing vacation in New Mexico and Colorado.

Birk is a member of a national mountain climbing club and usually goes with a group, but this year he varied from this. He and a member from Chicago made the trip together. They climbed some of the highest peaks in both states. They also encountered some cold weather, but felt they had an enjoyable trip.

Rollins Woodall reported five members of the club attended a banquet in Mineral Wells recently. Sweethearts Harriett Coppock and Esther Thornberry provided the luncheon music.

Pictures were made for the school annual last Wednesday.

Girl Football!

Surprise! Junior girls and Senior girls of Valley View high school will stage an exciting football game next Tuesday at 7:00 p.m. on the Valley View gridiron.

Everybody is invited to watch these girls pit their skill and brains and weight against each other. Adults will pay 50c and students 25c.

The girls will have professional advice and coaching — Chester Dowell will be mentor for the juniors, and Roy Howard will coach the Seniors.

Come one! Come all! Enjoy a night of fun!

Baptist News

The WMU of the First Baptist church met Monday morning for its regular monthly meeting. Following the business period, the Ruth circle presented Mrs. Jonathan Dressler, who talked of her two years in Japan.

The speaker was especially interested in the people of that country. She also showed an exhibit of articles she had brought home.

Mrs. C. P. Simmons brought an interesting meditation.

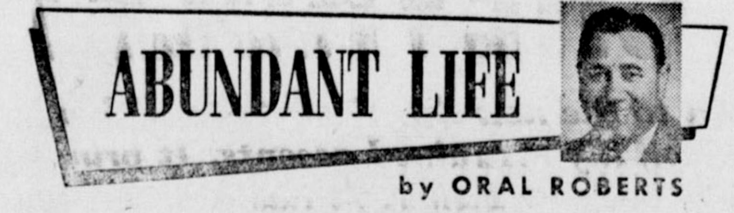

During the social period members of the Ruth circle, dressed in Japanese costume, served tea.

Men of the First Baptist church came in large numbers Monday evening to attend the annual "103 Round-Up." After a fine barbecue supper, Dr. George L. Shearin brought an inspiring message on Texas Baptists.

First Baptist church is making plans to enter the Forward Advance program, beginning the first Sunday in November and continuing through five Sundays.

The Loyalty Dinner will be held Thursday evening, Nov. 20.

The parking lot south of the First Baptist church has been hard surfaced and new concrete walks have been laid, making entrance easy to all sides of the church property. A parking arrangement is being worked out to make it possible for any car to enter or leave without being blocked.

ABUNDANT LIFE

by ORAL ROBERTS

BREAK THE DRIFT

It is much harder to swim upstream than to allow yourself to be swept downstream by the current. Yet, it is in swimming against the currents of life that you exercise your muscles and build your strength.

In going downstream you are in danger of becoming caught in the drift.

Numberless people today are caught in the drift. They are filled with hopelessness, fear and despair. They don't know what to do, what church to go to, what books to read, what schools to attend, what jobs to hold, what friends to have. They are lost sheep in the midst of a world lost without God.

It is terrible to be caught in the drift.

How important it is to have a man to have a woman, in this world to break the drift of spiritual driftiness in the souls of people today! Oh, that we could see people as they really are—on a ceaseless treadmill, utterly miserable, sick, in a stream of desire, millions dying without finding their missions in life.

In their faces is the look which says, "I don't know God."

When I saw the distress of the people, I thought I could not endure it. I thought my heart would burst in my flesh because I knew there had to be people to break the drift, to help those people caught in the drift. Someone had to bring them spiritual illumination, to make Jesus real to them.

We are in the midst of a world lost without God, fear-possessed, confused, beaten down. Our purpose must be to break that drift. Someone has to love Jesus enough to do it.

Abraham and David did it in their time, and Paul did it in his time. Now, we must do it in our time. Even if it means leading dangerous lives, we must do it, for such is our purpose—to break the drift.

Talk to yourself. Preach to yourself. Stand up against fear. That is what you must do to break the drift in your life and to prepare yourself to break the drift in the lives of others. You are to stand with strength and power, for God is with you.

You can do it.

Break the drift in your life before it is too late. You are what your believing is, and if you are believing hopelessness, you are hopeless. If you are believing defeat, you are defeated.

Raise yourself. Stand up. That is always a good thing to do to break the drift.

Turn to God. Believe in God, and he will help you break the drift. Turn to Jesus, and he will give you power over all the power of the enemy and nothing shall hurt you.

Christianity is a striking force, a living power. Christianity is not something you don't do; it is something you do. It is only by doing that you can break the drift. Only in Christianity, only in faith in God through Christ Jesus, can you break the drift.

REASON AND REVELATION

by GLENN OWEN

"I Thought"

"I verily thought within myself, that I ought to do many things contrary to the name of Jesus of Nazareth" (Acts 26:9). And many other people think just as Paul did. They shut out the light of God's word and think "within themselves." A man of this kind thinks that all that is necessary to be a Christian is to live a moral life, go by his own conscience and join the church of his choice. Paul thought he was doing what God wanted him to do, when he was persecuting Christians and making havoc of the church.

The way a man thinks is often his greatest hindrance. God says, "My thoughts are not your thoughts." Paul says, "The world by wisdom knew not God." No one knows what is right by the way he thinks within himself. Naaman nearly missed the healing power of God by persisting in his own way of thinking. He said, "Behold, I thought, he will surely come out to me, and stand, and call on the name of the Lord his God, and strike his hand over the place, and recover the leper" (2 Kings 5:11). Naaman thought the prophet would come out and perform like a fake healer. Elisha told him what to do to get well, but he did not want to do that. It was contrary to his way of thinking. It seems that Naaman thought that his dignity was slighted by Elisha's refusal to come out to him. But Elisha was not interested in his chariot, horses, and fine harness. He cared nothing for his pomp. Elisha did not see him as "captain of the host of the Syrians." He saw him as a leper, and told him what to do to get well.

Naaman did not want to do anything. He wanted Elisha to do it all. To wash himself seven times in the river Jordan was repugnant to him. He thought the rivers of the land of Damascus were much better. His way of thinking was a hindrance to him. The story of Naaman is very typical of what some people would like for the gospel to be. Men grumble and stumble over the conditions of the gospel which are the secret of its power. They think that just because they don't see any reason to obey the gospel, that it nullifies the terms of pardon. Just because they can't see the reason for immersion instead of sprinkling, they say that anything will be all right. And those that know what the gospel really says, sometimes because they think differently, will not hear or preach the truth. If we are sick, it does not do us any good to tell the physician how we want to be cured. If we are sinners it does not modify the procedure if we tell God how we want to be saved. We are not saved according to our will, but the will of the Father. Let us take the Bible as the divine Word of the Father, and handle it with fear; not altering or adding but simply obeying.

Band News

Iowa Park Band Parents club will hold its regular meeting at 7:30 p.m. next Monday in the band hall.

The membership wishes to thank all the people of Iowa Park for the wonderful response in helping the Band stand at the Fair; with their patronage, food donations and money contributions. Your support has enabled the club to procure and maintain band uniforms.

Your money contributions are being used to buy musical instruments (property of the school) for use by students whose parents cannot afford to buy one.

Our sincere thanks.

Music Club

Modern Music Study club met recently in the home of Mrs. Otis Gay with Mrs. Preston Pace and Mrs. C. L. Vaughn as co-hostesses.

During the business session Mrs. Vaughn was selected to represent the club on the fine arts program in Arlington when First District clubs meet there in convention in November.

Miss Mary Butcher was program leader for the evening, and presented illustrations of music by German composers, and of Mexican folk music, as follows:

Piano duet—Tales from the Vienna Woods (Strauss), Mrs.

Lester Hawkins and Miss Helen Reed.

Sonata No. 14, First Movement (Beethoven), Mrs. Hawkins.

Jarabe Tapatio (Mexican Folk arr. by Jean W. Alz), Mrs.

Otis Gay.

As guest artist, Rev. Addison Cutter delighted the group by singing a miscellaneous selection of songs.

After the Hymn Story given by Miss Butcher, club members sang the hymn of the month "In Christ There Is No East or West."

Refreshments were served to members and guests.

ROBIN DENISE MALACORD

Now... all America sees the one that's truly new!

Like all '59 Chevs, the Impala Sport Sedan has Safety Plate Glass all around.

what America wants, America gets in a Chevy!

'59 CHEVROLET

It's shaped to the new American taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen—a new kind of finish that keeps its luster without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car—more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and room-

ier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—and there are new bigger windows, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turboglide*. A new Hi-Thrift 6 that

goes and goes on a gallon. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. New Impala models. New wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

Rev. and Mrs. Harry Roark of Blackwell, Okla., visited in the C. V. Lough and L. Bennett homes Sunday. Mr. Roark was pastor of the Holliday Baptist church 15 years ago. The couple have three sons.

E. B. Swartz has bought Mrs. Bertha Taylor's house at North Elm and Olive streets and is remodeling in preparation for establishing a Rite-Way tailor shop.

Holliday is keeping pace with modern living with the opening this week of a new Speed Queen coin operated laundry on Olive street next door to Pete's barber shop. Leonard Price is owner.

Mrs. Jim King is improved. She is at home, but does a lot of resting.

Mrs. A. L. Kinnaman has been confined to her bed.

Mrs. Ramey, mother of Mrs. W. S. Thomas, underwent surgery for gall stones at 1:00 p.m. Monday. Mrs. Ramey is 82 years old and has been in Wichita General hospital several days for treatment.

Mrs. J. B. Burk had major surgery last Friday in Wichita General hospital.

CHICKEN-TURKEY SUPPER

First grade class of Holliday will have a Turkey-Chicken and Dressing supper. It will be served from 5:00 until 8:00 Monday, Oct. 20 at the Community Building. The menu will consist of turkey and chicken, dressing, English peas, cranberry sauce, creamed potatoes, giblet gravy, tea or coffee. Adult tickets are 75 cents, and children 50 cents. Dessert will be pie and cake. Everyone is invited to come and eat with the first grade.

Anna Wade has returned with the Dudley carnival and entered school Monday. Mrs. Gill, a former Holliday teacher, has been Anna's teacher while on tour with the carnival.

The Big Bird known as the Stork has been busy in Holliday the past week.

Mr. and Mrs. Buddy Ward announce the arrival of a son Ricky Lynn. Born in Archer City hospital Oct. 8, the young man weighed 8 lb. 9 oz. Grandparents are Mr. and Mrs. E. C. Walters of Electra

and Mrs. Pearl Ward of Wichita Falls, Ricky is the 20th great-grandchild of Mr. and Mrs. B. E. Raines.

It's a girl for Mr. and Mrs. Edward Keith. Karen Diann was born Oct. 8 in Electra hospital and weighed 7 lb. 5 oz. Grandparents are Mr. and Mrs. J. S. Keith and Mr. and Mrs. W. D. Walker.

Mr. and Mrs. Leo Gilmore of son Robert Baker, born Oct. 9 Dundee are parents of a second in Wichita General hospital. He weighed 8 lb. 4 oz. Grandparents are Mr. and Mrs. G. D. Noles and Mr. and Mrs. Guy Gilmore, all of Dundee.

Kathy Holliman continues to receive gifts from Queen for a Day. She recently received a popcorn popper, two frocks and a check for \$78. Max Factor has started work on her hair-piece and report it will be completed in 7 to 9 weeks.

We will miss People, Places and Things this week. Pap Simpson and the Misses are on a vacation and haven't returned. Everyone enjoys Pap's variety of subjects and friendly style. We are fortunate to have such a good friend to help with the paper. Hurry home!

Before a host of Holliday and Crowell fans, a fast and well balanced Crowell team beat the Holliday Eagles 46 to 14 in Crowell last Friday night.

With a runback of the opening kickoff for a touchdown, the Wildcats dominated the game.

Both bands gave splendid performances at halftime.

The Eagles tangle with Archer City this Friday night for their second conference game.

Pat Heathington will be crowned Football Queen at halftime.

Members of the Holliday Homemakers club will meet at 1:30 Tuesday in the Community Building. Bring homemade cookies to be taken Wednesday to the state hospital.

Saturday, Oct. 25, the Holliday high school seniors will hold their annual Western Roundup. High-light will be coronation of queens of the elementary, junior high and high schools.

PETROLEUM—basic to the needs of our time

Oil and natural gas have powered most of the great technological advances of modern times; petroleum hydrocarbons have transformed the dreams of inventors into the realities of engineers... Today, in the United States, oil and natural gas provide about 75% of the country's energy requirements; and large quantities of oil, available for production beyond immediate need, are necessary to the national security.

An obvious example is the gasoline that powers our automobiles; another is the diesel fuel burned by post-war railway engines. But do not overlook electric power plants, the airplane, whether jet or propeller driven, factory power plants, farm mechanization, and the revolution since World War II in home heating devices. Oil provides the energy that moves the trucks, airplanes, ships and tanks of our Armed Forces.

But petroleum as a source of energy is only part of the story. In the past two decades, the petrochemicals have supplied the country with a vigorous new industry: already most of our rubber is made from petrochemicals... the ubiquitous plastics derive from petroleum products... paraxylene, a petrochemical, is the raw material for one of the most useful of the new fabrics. In this area, wonders never cease; the petrochemicals contribute more each year to the efficiency, comfort, and convenience of modern living.

Thus, oil's progress has made other progress possible all along the front of American industry... Petroleum is the American resource that is

basic to the needs of our time... that is essential to our national security.

Presbyterians

Women of the Church met in the parlor of the Presbyterian church at 9:30 a.m. Tuesday. In the absence of Mrs. King Abernathy, president, Mrs. Gale Lowrance, vice-president, conducted the business session. Mrs. Noel Troutman taught the

Bible lesson, "A Serving Church." Some of the Bible characters whose deeds and lives were told of were Dorcas, Aquilla and Priscilla, and Timothy and some from the Old Testament.

Mrs. L. Shelton brought the lesson on "Church Extension" from the Survey and Presbyterian Women. Some of the local group will go

to Ft. Worth next Thursday for the annual meeting of Presbyterians.

Final plans were made for the all-day meeting and luncheon in the home of Mrs. L. Lovelace on Tues. Nov. 28. The program will be "Church Extension" and studies on the Week of Prayer. Thirteen members were dismissed with the mizpah.

Mrs. and Mrs. Mac Best and son Thomas of Dallas visited her parents Mr. and Mrs. T. M. Clark last weekend and attended the dedication services of the new Christian church.

Mrs. Effie Kildow returned last week after visiting in Denver, Colo., with her son Pickett Kildow and family.

Coffee at home of Mrs. E. A. Manes for Camp Fire mothers, Thursday, Oct. 2. Present were Mmes. W. C. Johnson, Roy Kimberlain, R. B. Wilkerson, George Cutler. Meeting was to decide on sponsors and to set a time for Camp Fire meetings.

First regular meeting of fifth grade Camp Fire girls was held Saturday, Oct. 4 in the home of Mrs. E. A. Manes, leader. Present were Sharon Cutler, Linda Johnson, Janet Kimberlain, Linda Reid, Mary Wilkerson, Rebecca Manes; also Mrs. W. C. Johnson, assistant leader, and Mrs. Manes. The girls planned a hike around the City Lake.

CARD OF THANKS

I want to thank all my friends for the many cards and flowers, and for their visits with me while I was in the hospital. Mrs. Belva Jones

Soil Conservation

A. L. Hewitt of Seymour, who owns a large irrigated farm at Kamay, is leveling 90 acres of cropland. Technicians of the Soil Conservation Service are assisting in planning the system.

One of the larger seedings of Austrian winter peas in the Iowa Park area is to be seeded by James Kaspar on the Ed Hieserman farm in Clara community. Hieserman and Kaspar had outstanding increase in wheat yields this year on acreage that followed Austrian winter peas.

Benefits from stubble mulching for erosion control can be seen on the Albert Brockriede farm east of Punkin Center. Intense rains caused serious damage on fields without adequate cover, but no erosion was noted on the Brockriede farm.

Terraces have been completed for L. E. Slaughter farm of Electra; George Streit of Electra; Mrs. Buford Whiteside of Iowa Park; B. H. Preston estate of Burkburnett. Anton Blake of Wichita Falls completed leveling 7.9 acres.

Most leveling done this year has been field leveling. Other farmers having irrigated land are urged to look over some of the fields and see if field leveling will aid them.

Patricia Soloman, daughter of Mr. and Mrs. Billy Solomon, received a broken leg recently when she was hit by a bicycle in front of her home on Louisa street. She hopes to be back in school in a week or two. Patricia thanks the many friends for their cards and visits.

WSCS

Woman's Society of Christian Service of the Methodist church met Tuesday at 9:30 a.m. with Mrs. C. J. Simpson presiding.

Mrs. Gene Owens read letters from Mrs. Gene Lowrey and Mrs. Glen Miller, former members who have moved away recently.

Mrs. Miles Thompson gave an inspiring devotional using Matthew 5:1-7 for scripture.

Mrs. T. R. Horine introduced the following program: Mrs. S. B. Keeter, "Hawaii Today."

Mmes. Gordon Clark, Allen Bennett, W. E. Stockton, C. J. Thurber, T. C. Berry, Richey Abernathy, Miles Thompson, Addison Cutter, Fred Widmoyer, Gene Owens, Will Owens and C. J. Simpson gave reports on the work of their respective offices.

Others in attendance were Mesdames Clyde Hutchinson, Will George, James Todd, W. C. Albright, Van Gabriel, Elga Perry, Bertha Mahler, Hernal Marler, John Mixon, E. H. Pierce and Roy Law.

CARD OF THANKS

I want to take this means of thanking my many friends and neighbors for the cards, letters, beautiful flowers and many acts of kindness shown me during my recent illness. May God bless you every one.

Sincerely yours

Mrs. Anell W. Baker

Marvin D. Childers, chief yeoman, USN, son of Mr. and Mrs. O. D. Childers of Route One, Iowa

LIVE BETTER...ELECTRICALLY

Enjoy the
ECONOMY
of Electric Cooking

Electric cooking is economical cooking because it utilizes heat with maximum efficiency. Electric range surface units concentrate heat directly into cooking utensils. The sealed electric oven keeps heat where it belongs, in the oven and out of the kitchen. And, once the oven reaches the temperature you select, it uses electricity less than half of the cooking time. Here is real efficiency, real economy—the modern, automatic electric way. See your electric range dealer soon... learn how little it costs to enjoy cooking electrically!

HERE TOMORROW!
Ford brings Thunderbird elegance to the low-price field with

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! Far left is the new Thunderbird... center, the new Custom 300 Tudor Sedan... and above, the 9-passenger Country Sedan.

AWARDED THE GOLD MEDAL for best in proportion—by the Comité Français de l'Élégance at the Brussels World's Fair

Styled, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars... full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended... new Tyrex cord tires for greater economy and safety... a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever... and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic

driving within everyone's car budget. It's a simplified Fordomatic with nearly ¼ fewer parts. NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-g geared axle.

Altogether NEW in everything you can see, feel or touch!
