## 1958 Was Cooler, More Dry, Less Windy Than Normal; Records Cover 33 Years

By Virgil I. Woodfin

**Precipitation**  
Total rainfall for the past year was 23.34 inches. This is 5.83 in. below normal. Eight of the months—February, April, June, August, September, October, November and December had below normal rainfall.  
Moisture received during spring and early summer was sufficient for growing crops, but irrigation was necessary during summer, fall and winter. May, July, March and September had the highest rainfall with 5.06, 3.26, 2.52 and 2.25 inches respectively. Driest months were December, November and February with .51, .78 and .85 in. In most instances the rainfall came when needed most. Good stands were obtained in most field crops the first planting.  
Combining of small grain was delayed at times but was not prolonged during any great length of time.  
Number of days with .01 inch or more of rainfall was 79. Number of days with rainfall was 12 above the average. May, April and March had the most days, with rain of 11, 11 and 9 days each. November had the least with 3.

**Temperature**  
The past year was much cooler than normal, and 2 of a degree cooler than 1957. Yearly average temperature was 1.6 degrees below the normal of 65 degrees. Average maximum was 3.4 degrees below the normal of 78.2 and average minimum was .8 degree below the normal of 51.9.  
Average maximum temperatures for all months were below normal

except January, June, August and November. These months in the order named were 4.13, 1.1 and 3.4 degrees above normal.  
December had the lowest average minimum temperature during the year—29 degrees. August had the highest average maximum temperature—99.3 degrees. August was also 1.1 degrees warmer than the normal.  
Crops and pastures did not suffer to any great extent from the summer temperatures. There were 24 days during the summer with 100 degrees and above. One was May 31, three occurred in June, four in July, 15 in August and the first day of September.  
Highest temperature during the year was 105 degrees on June 10, August 14 and 15 and 16. Lowest temperature was 6 degrees on Feb. 13.

**Atmospheric Humidity**  
Average relative humidity for the past year was 66.7 per cent. This is 5.8 per cent above the 33-year average but an accumulation departure from the normal of a plus 78 per cent. August had the lowest average with 58.6 per cent. Highest was March with 76.2.

**Evaporation**  
Evaporation for the year was 64.74 inches. This amount is 5.12 inches above the normal. Highest evaporation for any month was 10.30 inches for July. Lowest was January with a total of 1.54 in. Highest for any one day was .48 on July 30. Lowest was 0 on Dec. 13.  
Since the wind mileage was about normal, below average rain-

fall and lower humidity contributed mostly to the higher evaporation. With above average evaporation, more frequent irrigations were necessary. Growth and production of most crops were not affected to any great extent.

**Wind Movement**  
Wind movement for the past year was 13,303 miles. This is 877 miles less than 1957 and 24,428 miles less than the 33-year average of 37,731 miles. Decrease in wind mileage was beneficial to growth and yield of crops.  
Highest wind mileage for any one day was 208 on April 5, and the lowest was 6 miles on June 22. Prevailing wind direction was south. Average wind mileage was 1109 miles per month or 15 miles per hour.

**Miscellaneous Phenomena**  
Number of clear days was 17 below normal. Partly cloudy days were 10 above average in number and cloudy days were 37 above normal.  
Dust storms were less frequent and the same number as 1957 with a total of 4. Thunderstorms were more frequent and larger in number than usual.  
Number of days with sleet was about average, but more days had snow. Total depth of snow for the year was 19.7 inches. Three windstorms and three days with hail occurred during the year.

**Growing Season**  
The growing season (frost-free days) was 16 days longer than the average of 221 days. The last killing frost in the spring occurred on March 26; which is six days

earlier than the average frost date of April 1. First killing frost in the fall came on November 18. This is 14 days later than the 33-year average of November 4. In the spring there were 46 days with temperatures of 32 degrees or less. This total is 4.5 days more than the average of 24.5 days.

## Bulletin

Military funeral services will be conducted for Capt. Cecil Blum at 2:30 Monday afternoon in the First Methodist church of Electra. Capt. Blum, son of Mr. and Mrs. Uriah Blum of Iowa Park, died of a heart attack last month while on duty with the U.S. armed forces in Germany.

## 280 Enjoy Feed at Valley Farms Community Bldg.

Complete enjoyment marked the annual banquet of Wichita Valley Educational Association members and their guests last Friday evening in the Community House.  
As folk gathered in the main room, they were greeted with the music of Keeler's Combo Band, and greeted and visited with their friends and neighbors.  
There was little serious discussion of crops and weather. Everybody was out for a good time, so they talked of growing families, children and grandchildren; and of the various changes in the make-up of the Wichita Valley area.  
Visitors and special guests were made to feel welcome by all, and young people of all ages had a wonderful time.  
Then came the eats. And such food is seldom found as was served last Friday night at the Community House! Barbecued pork and beef cut in generous slices could be cut with forks and melted in the mouth. And many diners were happy to return for seconds!  
Potato salad, brown beans, onions and pickles and a delightful salad, topped off with cherry pie and coffee disappeared as if by magic—and the supply was equal to the occasion.  
Bernard Curs, longtime president of the association, welcomed the members and introduced some of the guests: Mrs. Dora Davis, Miss Flora Cobb, Mrs. Virginia Tatum, Mrs. James Ozeo, Mrs. Bonnie Hudson, Fred Parkey, Mr. and Mrs. Keith Swim, Mr. and Mrs. Jack Propps of Electra and Mr. and Mrs. Son Propps of Electra, Mr. and Mrs. George Huckaby.  
A financial report was read by E. L. Watson, secretary.  
Invocation for the food was said by Rev. Carlisle, pastor of Pleasant Baptist church, Wichita Falls.  
If ever the expression "and a good time was had by all" is permissible, it certainly is appropriate for the annual banquet of Wichita Valley Educational association!

## Parents Praise Polio Foundation for Aid

Russell Don Coleman, 20-month-old son of Mr. and Mrs. Boyd Coleman of Iowa Park, pictured above, contracted polio in July of last year.  
He received therapy treatments, hospitalization, and a brace through the assistance of Wichita County Polio Foundation Fund.  
Little Russell remained in Wichita General hospital eight days. Since that time he has had therapy treatments regularly and is showing improvement.  
Russell had received only one shot of Salk vaccine when he became ill, but doctors say this one shot probably kept him from being completely paralyzed.  
Mr. and Mrs. Coleman say they cannot praise the Polio Foundation enough for all the wonderful help they have rendered in the care and treatment of their son. Russell and his parents attend Pleasant Valley Baptist church.  
Iowa Park joined other towns and cities of the county Monday night in the 1959 Mothers March on Polio.

## Your C of C

Iowa Park was host to a group of enthusiastic Highway 237 boosters Thursday morning. They had a scheduled stop here for breakfast before continuing their trip to Port Arthur.  
And early risers they turned out to be! Having stayed the night in Vernon, they came 40 miles and arrived in Iowa Park about 6:40 a.m., noisy and hungry.  
While the visitors, coming here from as far away as Ashton, Idaho, and as close as Amarillo, were eating eggs and bacon and sausage and biscuits, Iowa Park members of the Chamber of Commerce visited with them and made them welcome.  
Purpose of the caravan is to publicize Highway 237 as one of the best routes from Port Arthur to the Canadian border, going through the panhandle of Oklahoma, Colorado, Wyoming, Montana and Idaho.  
Representatives from Ashton are particularly interested in getting by-passes built around some of the national parks on the route so there will be year-round travel over US 237. The national parks are closed in winter and the road is blocked off.  
**NEWCOMERS**

## State Farm Bureau Members Give Retiring President 1959 Chevrolet Bought from Hill Motor Company

J. Walter Hammond of Tye (near Abilene), immediate past president of Texas Farm Bureau, is shown receiving the keys of a 1959 air conditioned, fully equipped Impala four-door Chevrolet sedan which was purchased from Hill Motor company in Iowa Park.  
John L. Bowling of Hale Center, chairman of the presentation committee, is making the presentation. B. J. Gist of Abilene, District 7 director, and Loys D. Barbour of Iowa Park, District 3 director, are looking on.  
Hammond served as president of Texas Farm Bureau for 19 years. The gift was an appreciation token from the entire state membership.  
Mr. Barbour was master of ceremonies for an appreciation program given for Mr. Hammond in Corpus Christi last November.  
J. H. West of Bishop is presently serving as president of TFB.  
Darrell McNutt of Hobart, a former director of Oklahoma Farm Bureau, was guest speaker at a

recent dinner meeting of presidents and secretaries of District 3 of Texas Farm Bureau, which includes 17 counties. The dinner was held in Wichita Falls after an all-day session there and was attended by approximately 55 persons.  
Loys D. Barbour, district 3 TFB director, presided at the meeting. McNutt showed slides and reported on conditions inside Russia, particularly in agriculture.  
The guest speaker was among the first group of tourists allowed in Russia after the raising of the Iron Curtain in 1957.  
McNutt said 90 per cent of the people of Russia speak English fluently and it is easy to carry on a conversation in English with the people on the street.  
Russians mix modern machinery with crude farming methods. Sand the speaker, "It is not uncommon to see a caterpillar tractor pulling a plow in a wheat field, with hundreds of women following behind harrowing the ground with wooden rakes."

Russia has the best of cattle in the world but instead of using milking machines, women hand-milk the cows.  
Most Russians who live in cities and towns reside in apartments with the bathroom in the center to accommodate four families.  
There is no advertising of any sort in Russia. All items are made and sold by the government. Everyone works for the government and there are no private enterprises.  
McNutt was assisted in showing the slides by his wife. His travels in Russia covered three weeks.  
The speaker closed by saying, "While in Russia I missed most seeing old buildings with signs 'Gone Bankrupt.' You can't go bankrupt in Russia. All the buildings are modern and have no advertising signs."  
Russians still revere Joe Stalin, said Mr. McNutt. Every day hundreds and hundreds of persons pass by his remains to pay homage.

## The Census

Facts and figures from the Religious Census taken last Sunday afternoon are not yet available, but Rev. Homer Thompson, director of the projects, reports a most successful survey.  
Every block assignment was taken by workers from churches in Our Town.  
Of course some of the people were not home and workers were forced to go back and get cars filled out. It is expected every census worker will finish and return his cards by next Sunday.  
Monday, Feb. 9, the file will be completed and ready for use by all the churches and interested persons.  
Speaking for the Ministerial Alliance, which sponsored the survey, Mr. Thompson said, "We feel this is the most complete survey we have ever conducted. We appreciate the co-operation and help of the whole community—the workers and those who were so gracious to the workers calling on them. I personally say, 'Thank you, too!'"

## BOX SUPPER

Youth Department of First Methodist Church is giving a Box Supper at 7:30 p.m. Monday, February 9 in Fellowship Hall.  
All Ladies and Girls are to bring a box.  
These will be auctioned off to the highest bidder.  
**THE PUBLIC IS INVITED!**

**Camp Fire Leaders association met Wednesday** in the library of the Methodist church. Present were Joan Ragland, field director, Mmes. Roy Childers, Johnny Combs, Roy Sawyer, Kenneth Watts, J. D. Morrison, E. H. Manes, Floyd Merriman.

**Jubilee Project** for the Camp Fire girls was discussed. This will be the planting of trees in the new City Park. Each girl will donate one cent a week and adult helpers \$1 a year. This will go for purchasing trees.

The Candy Sale was discussed. The sale starts Friday, Feb. 6 and extends through Feb. 21.

Plans for the Dad-Daughter banquet are being made. This will be in fellowship hall of the Methodist church Friday, March 6.

The Fly-Up has been planned for the month of April.

Donna Childers, 13, daughter of Mr. and Mrs. Roy Childers, was among the seven area Camp Fire girls chosen as outstanding to represent their groups. These girls were honored Wednesday evening at the annual banquet of North Central Texas Area Council, Camp Fire Girls, held at the Wichita Falls country club.

Donna, a 7th grade student, is in her third year of Camp Fire Work and a leader of her group. She has attended Camp Letell in

previous summer camping periods. Leaders association members attending from Iowa Park were Mr. Roy Childers, chairman, T. E. Gilbreath, vice-chairman; Mrs. A. L. Sims, chairman of the Leaders group; Mrs. Dwain Holmea, reporter.

Mr. Childers was presented as an area council director.

Each of the honored girls was presented a necklace.

Iowa Park Camp Fire and Blue Birds members will begin delivery of Camp Fire candy on Feb. 6. The sale lasts until Feb. 21. Mrs. Arch Hughes is chairman of the sale in this area.

For selling 50 boxes, a girl will receive one year's free membership in the organization. One-half week at Camp Letell goes with sale of 100 boxes; and 200 boxes sold earn a full week at camp.

Certificates of honor will be awarded all groups selling at least an average of 24 boxes per girl.

**SISTER DIES**

Mrs. Ruth Gard and children Jimmy, Dianne and Dorris attended funeral services for her half sister Mrs. C. A. Stark of Dallas, Tuesday, Jan. 25.

Mrs. Stark died in her sleep at home Monday night. She was the former Miss Edna Dorris, daughter of the late T. P. Dorris of Iowa Park.

Survivors include Mr. Stark, a daughter and three sons.

Janice Wilson, Carol Thomas and David Sewell, students of North Texas State college, Denton, spent the between-semester period visiting their parents here: Messrs. and Mmes. F. M. Wilson, J. W. Thomas and James Sewell.

Members of the Lions club heard an interesting talk on Colombia, South America, made by William Black, son of Mr. and Mrs. T. M. Black and a hometown boy, at their Tuesday meeting. He was accompanied by his wife Helena, who answered a few questions about women's styles.

William is a graduate of IPHS. He served in the navy during World War II and since 1946 has been associated with Socony-Mobil Oil company of Colombia. He is presently employed with Colombian Petroleum company, a subsidiary of Socony-Mobil Oil company and the Texas company.

Black is presently located about 85 miles northeast of Cucuta on the Barco Concession on the Colombian side of the Venezuela border. The oilfield site is called Tibu.

William told of his boyhood ambition to work in South America and of the help received from the late Gayle Park in making his dream come true. He explained that Gayle sent a one-cent postal card to New York City and secured the job for him.

Mrs. Black also told of the schools and education in her native country.

A period of questions and answers closed the program.

William and Helena and their children Lucy and Tom will fly to Colombia, Saturday after visiting the past two months in Mexico, Iowa Park, California and several other places of interest in the U.S.

**Band News**

The stage band will go to Sheppard AFB service club to entertain Sunday.

The community chorus will meet again Sunday at 4:00 in the Methodist church. Please attend. The chorus is practicing on "The Seven Last Words" for an Easter program. If you wish to buy this music it can be had at Max Kreutz House of Music for \$1.

Band banquet will be given Feb. 13 by the Band Parents club. The tickets are \$1.25 each with deadline Feb. 10. Band awards will be presented and the band queen will be crowned.

—Carolyn Phipps

**Ceramics Club Organized**

Iowa Park Ceramic club held its first meeting Monday at the home of Mrs. Maggie Mahler. There had been an earlier meeting to plan and organize, at which the following officers were chosen:

President, Shorty Estes.

Vice-president, Maggie Mahler

Secretary-treasurer, Betty Meriman

Projects chairman, Anna B. Van Horn

Mold librarian, Billie Morris

Mrs. Estes appointed a committee to prepare the By-Laws. They are Billie Morris, Ola Geisert and Dot Ellison.

Those present Monday night learned to pour greenware and to clean and get ready to paint their article.

Next Monday's meeting will be at 7:00 p.m. in the home of Mrs. Van Horn. There is still time to join if you are interested in doing or learning to do ceramics. Call any of the above officers or members.

Others present at past meetings were Freddie Skinner, Loyce Pryer, Chris Chapman, Carlene Bennett, Ruth Sawyer, Mrs. J. H. Hatten.

Mrs. Mae Roby had as guests last week her brother Virgil E. Glosup of Melrose Park, Ill.; and her son Capt. James W. Roby of Williams AFB, Ariz. They all had attended funeral services for Mr. J. F. Glosup, their father and grandfather, in Sulphur Springs.

Iowa Park has three troops, one Explorer post and one cub pack. Troop 37 has Jerry Midkiff as scoutmaster. Post 37 has Wesley Davis as adviser. Both are sponsored by the Lions club.

Troop 38 with C. E. Smith as scoutmaster, is sponsored by the Methodist church.

Jimmy Shelton is scoutmaster of Troop 36, sponsored by the Presbyterian church.

Luther Skinner is cubmaster for Pack 37, which is sponsored by the 23 Study club.

Park Area club met Wednesday of last week at the home of Mrs. Ray Low. Mrs. Harold Lynn used I Cor. 13 as scripture for the devotional, and club members said the Lord's Prayer.

Roll call was answered with "A landscape hint."

The president appointed Mrs. Burt Meers as Civil Defense chairman and Mrs. C. I. Snow as Citizenship chairman.

Mrs. H. B. Jones reported on the Council meeting.

Plans were made for serving the band banquet.

Mrs. Karstetter gave a lesson on Landscape Help from demonstrations for leaders held in Electra last September by Miss Hatfield of the Extension department.

Mrs. James Mullins was in charge of the recreation period.

The hostess served refreshments to Mmes. Meers, Lynn, A. H. Estes, Jones, Snow, James Todd, Karstetter, Gale Lowrance, Houston Atchley, Mullins, L. E. Brooks and a group of children.

Park Area club met Feb. 4 in the home of Mrs. L. E. Brooks.

In the absence of the president Mrs. Lowrance, Mrs. Karstetter opened the meeting, using as opening song "Home on the Range."

Mrs. Atchley gave the devotion. Roll call was answered with "A hint for saving time. Final plans were made for serving the band banquet Feb. 13.

Miss Thelma Wiggins gave a lecture on "Organizing Your Kitchen."

Next meeting will be in the home of Mrs. Mullins on Feb. 18.

Mr. and Mrs. George Lewis had as guests last week their sons and families: Mr. and Mrs. Harold Lewis and children Debbie and Nova of Garden City, Kans.; Mr. and Mrs. Loyd Lewis and Laura of Dallas.

**RICKY EARL FRAZIER**

Mr. and Mrs. Gera Frazier are parents of a son Ricky Earl born Sunday, Feb. 1 at Wichita General hospital. Grandparents are Mr. and Mrs. U. Frazier of Iowa Park and Mr. and Mrs. Hill Hines of Electra.

**BELINDA JEAN HENSON**

Mr. and Mrs. Billy Gene Henson announce the birth of a daughter Belinda Jean on Friday, Jan. 30, at Bethania hospital. Weight 6 lb. 13 oz. Grandparents are Mrs. John Henson of Iowa Park and Mr. and Mrs. T. S. Lane of Moore, Okla.

Kasperek is the former Miss Margie Lemond of Iowa Park.

Mrs. L. L. Taylor, mother of Mrs. O. N. Newman, visited here Wednesday through Sunday of last week.

Several local persons received injuries this week while ice and snow were on the ground.

Mrs. Orange Lester fell as she stepped out the door at her home. She fractured a leg near the ankle. Locke Lowrance fell and injured a shoulder.

Several others slipped and took tumbles but were not seriously injured.

**PTA**

Health committee of the PTA will complete the eye testing next week. Tuesday all students of junior high will have an opportunity to have their eyes tested by the machine owned by the school.

The A boys and junior high basketball teams beat Petrolia Tuesday night on their own home court. The senior game was 49-42. The junior high team scored a 42-26 victory over their hosts.

Three games will be played at Henrietta Friday night: A and B and Jr. High boys.

Mr. and Mrs. Wayne Williams and children Kim and Kyle and her mother Mrs. Charlie Lemond visited Mr. and Mrs. Jim Kasperek and children Jimmy and Belinda in Snyder, Tex., last weekend. Mrs.

**TELEPHONE TALK**

by Gene Brusenhan, Manager

TODAY, YOU'RE STILL PAYING WORLD WAR II "EMERGENCY TAXES" ON YOUR TELEPHONE BILL

Next time you're checking over the charges on your monthly telephone bill, take a real close look at the second line from the top. Notice the figure indented under the word TAX.

I imagine you've seen it so often you hardly even pay any attention to it any more. And yet, it deserves your very special attention because it's about the closest thing to an unfair tax you'll ever be required to pay.

**10% FEDERAL EXCISE TAX**

Most of that amount represents federal (U.S.) excise taxes 10c on every dollar of local and Long Distance phone service.

Doubtless few people even remember, but federal excise taxes were World War II emergency taxes designed to help raise money for defense, and to discourage use of vital telephone lines which were then needed for essential war time purposes. When they were put on the books, the Chairman of the Ways and Means Committee told Congress, "The increases on present excises, and new taxes, are temporary and will expire after the war."

Well, the war is over. But you and I are still paying the taxes. Continuing World War II emergency taxes on an essential item like telephone service is so unbelievable it's almost funny. Except it's a little hard to laugh when you're being belted in the pocket book that hard.

**ONLY ON TELEPHONE SERVICE**

Of the four essential household utilities—gas, water, lights, telephone—only your telephone service is subject to excise taxes.

And as if the tax itself isn't enough, there's also a hidden cost involved. You pay that, too. You see, we have to collect the tax and pass the proceeds along to Uncle Sam. This extra book-keeping and billing adds to the expense of running the telephone business. Since we get the money to operate the business from only one source—our customers—you not only pay the tax, but the cost of collecting it as well.

If you feel as I do, that this unfair tax should be repealed, I invite you to write Senators Lyndon Johnson and Ralph Yarborough and Representative Frank Icard and tell them so. One more reminder won't surprise them. They'll already have heard about it from me.

**DON'T MISS THIS TV TREAT!**

The second Bell Telephone Hour on television will feature a host of musical stars, including Duke Ellington, Ella Fitzgerald, Grant Johannesen, Rise Stevens, Martha Wright and Russell Nye, with a wide variety of American Music by American artists. You can see it Tuesday, February 10, on KFDX, Channel 3, at 7 p.m.

Call by number. It's twice as fast.

LEGAL NOTICE

Whom It May Concern: Notice is hereby given that M. Swaidan, d.b.a. One Food Store, has filed a written application dated January 23, 1959, for a license to sell and use premises at retail at the following location:

9-A Farm to Market Road No. 369, Wichita Falls, Texas,

in compliance with HB186, passed by the 57th Legislature, 1957, effective June 6, 1957. Said application is to be heard before the County Judge at the court house in Wichita Falls, Texas, on the 14th day of February 1959.

Given under my hand and official seal of office this 28th day of January 1959.

DORA DAVIS, County Clerk, Wichita County, Texas. T. E. Durrett, Deputy.

THE STATE OF TEXAS To the sheriff or any constable within the State of Texas: You are hereby commanded to cause to be published once each week for three successive weeks before the Return day hereof, in some newspaper published in the English language in Wichita County, Texas, a copy of the following Notice

THE STATE OF TEXAS To all persons interested in that portion of Oak Street in Scurry Subdivision to the City of Wichita Falls, lying between Lots Nos. 12, 13, 14 and 15 in Block No. 3 of said Subdivision and the North right-of-way line of State Highway, known as Loop 165:

Ray Keith and Arch Dawson have made Application to the Commissioner's Court to cancel said Subdivision as to said portion of Oak Street, which Application will be heard by the Commissioner's Court of Wichita County in the Court House of Wichita County, Wichita Falls, Texas, on the 23rd day of February, 1959, at 10 o'clock a.m., at which time, you are commanded to appear to protest such Application if you so desire. Said Application is as follows: APPLICATION TO CANCEL A PORTION OF A SUBDIVISION To the Honorable Commissioner's Court of Wichita County, Texas:

Ray Keith and Arch Dawson respectfully make Application under the provisions of Article 7277 of the Revised Civil Statutes of Texas for permission to cancel the portion of Oak Street in front of their property in Scurry Subdivision, and as grounds would show to the Court as follows:

1. That Scurry Subdivision was made by a plat and dedication filed by Edgar Scurry on the 14th day of March, 1927, and now appearing of record in Book 279 at Page 242 of the Deed Records of Wichita County, the plat now to be found in Volume 43, Page 47 of the Plat Records of said County, said Subdivision being of the West one-half of Block No. 1 of Wichita Falls Irrigation and Water Company's Subdivision of J. A. Scott Survey, No. 11 in Wichita County, Texas. Your Petitioners are the owners of Lots Nos. 12, 13, 14 and 15 in Block No. 3 of said Scurry Subdivision. Said Lots face South on what is dedicated as Oak Street, said Lots of Petitioners are on the extreme East side of said Subdivision and said Oak Street comes to a dead end at said East side and was opened in front of Petitioners Lots only for the benefit of said Lots. At the time of said Dedication in 1927, there was the railroad right-of-way of the Wichita Falls and Oklahoma Railway Company which was acquired from Edgar Scurry in 1909 and which was being used for railway purposes at the time said Dedication in 1927. Oak Street was laid out in said Subdivision as being forty feet in width, lying immediately North of and parallel to said railroad right-of-way and occupying the space between said right-of-way and Petitioners Lots. Only Lot No. 12 of Petitioners Lots was ever improved or used for any purpose requiring the use of a street and it used Scurry Street adjoining on the West side of the portion of Oak Street in front of Petitioners Lots has never been improved or used.

2. About twenty years ago, said Railroad was abandoned, and the one-hundred foot right-of-way was acquired by Wichita County for a public road. Recently the State of Texas has acquired said railroad right-of-way and 131 feet off the South side of Oak Street as a right-of-way for State Highway being Loop 165. Said Highway has been completed as a double-lane, paved highway. There is therefore left between the North right-of-way of said Highway and the footage of Petitioners Lots the portion of said Oak Street which is 24 1/2 feet in width on the West and 26 1/2 feet on the East. Said portion as a street is of no use to the general public since it comes to a dead end at the East of Petitioners property. WHEREFORE, Petitioners pray for cancellation of said portion of Oak Street remaining and fronting on their property, to-wit: Beginning at a point in the East line of Scurry Street which is the Southwest Corner of Lot No. 12 in Block No. 3 of Scurry Subdivision, a one-half inch iron rod; Thence East with the South lines of Lots 12, 13, 14, and 15 of Block No. 3 of Scurry Subdivision to a one-half inch iron rod at the Southeast corner of said Lot No. 15; Thence South with the East line of Lot No. 15 enclosed, 24 1/2 feet to the North right-of-way line of said Loop 165; Thence West with said North right-of-way line 220 feet to the East line of Scurry Street as projected across Oak Street; Thence 24 1/2 feet to the place of beginning. They pray that Notice be given of this Application as required by law. (Signed) ARCH DAWSON (Signed) RAY KEITH The foregoing Application having been exhibited to the Court on this 19th day of January, 1959, the Court appoints the 23rd day of February, 1959, as the date for Hearing of said Application and Hearing of said Application and directs the Clerk to issue and cause to be published Notice as required by law. (Signed) TEMPLE DRIVER County Judge Given under my hand and seal of said Court in Office in Wichita Falls, Texas, this 20th day of January, 1959. (SEAL) DORA DAVIS County Clerk, Wichita County, Texas. By Dora Davis, Published in Iowa Park Herald, January 22, 29, February 5, 1959.

Williams-Windham

Miss Dora Mae Williams, daughter of Mr. and Mrs. Ray Williams, became the bride of Willmer James Windham III of Grand Prairie at 7:30 p.m. Friday, Jan. 16, in Faith Baptist church of Iowa Park. George Shropshire, pastor, directed the single-ring ceremony. The bridegroom is son of Mrs. Ruth Windham of Grand Prairie. Maid of honor was Miss Janice Windham, sister of the bridegroom. Best man was Eddie Frasier of Shady Grove. Wedding music was provided by Mrs. Billy Joe Dickerson, soloist, and Mrs. Joe Price Jr., pianist, both of Iowa Park. Given in marriage by her father, the bride wore a gray wool fitted suit with white accessories. She had a white carnation shoulder corsage and carried a white Bible. The maid of honor was attired in a pale blue jersey street-length dress with a white shoulder corsage. Her accessories were white. A reception was held in the home of the bride's parents, Mrs. J. B. Trantham and Mrs. Billy Mike Watts were members of the houseparty. The bride's table was covered with a lace cloth. A beautiful punch service and the bridal cake adorned the table. The young couple have established residence in Grand Prairie where he is employed.

CAFETERIA MENUS Monday: Meat loaf, gravy, mashed potatoes, green beans, buttered carrots, chocolate pudding. Tuesday: Hot dogs with chili, lima beans, shredded lettuce, pickle circles, applesauce cake. Wednesday: Turkey and dressing, English peas, whole kernel corn, fruit salad, pumpkin pie. Thursday: Diced creamed roast, buttered rice, blackeyed peas, pineapple-carrot salad, fruit cobbler. Friday: Fried fish, potatoes with cream sauce, spinach, cabbage salad, donuts.

CARD OF THANKS We wish to express our appreciation to the friends who were so kind to us during the illness and loss of our loved one, Mr. J. F. Glosup. The beautiful floral offerings, cards, visits, food and your prayers and other expressions of love are more deeply appreciated than any words can express. Mr. and Mrs. R. A. Glosup Mr. and Mrs. Virgil E. Glosup Mr. and Mrs. J. C. Glosup Rev. and Mrs. Thomas F. Glosup Mr. and Mrs. Eddie Dean Mrs. Lorene Johnston Mrs. Mae Roby Lynn Hensley and his fiancée Miss Deede Stalling, both of Texas university, spent the between semester vacation here with his parents Mr. and Mrs. H. A. Hensley. Lynn will be a senior this semester, majoring in government and history. Miss Josette Hensley was also home between semesters. She will register as a sophomore this week. They returned to Austin, Sunday.

Honor Society Initiates

Eight new names were added to the membership roll when the National Honor Society of IPHS held an initiation at a special assembly of the student body Friday, Jan. 20. The initiates were: from the senior class—Malcolm Berry, Mark Clark, Forest Lucy, Julia Morton, Mary Shook and David Thigpen; from the junior class—Roy Boutwell and Barbara Dick. The initiation began with a prayer by Mr. Clarence Mertins, a member of the faculty and a 1947 initiate of the National Honor Society chapter at Electra high school. Bob Almond, president of the Iowa Park chapter, extended a special welcome to the parents of the initiates and congratulated them upon the honor which had come to their sons and daughters. Principal James E. Elms, representing the National Association of Secondary School Principals, which sponsors the NHS, outlined the history of the national society and of the local chapter. Mrs. Chauncey Weller, faculty sponsor of the group, explained the process of selection of members, after which Sue Bedford pointed out the objects depicted on the national emblem and told their meanings. In a candle-lighting ceremony, Bob Almond, JoAnn Erubaker, Sue Bedford and Nancy Smith spoke on the four qualities required for membership: character, service, leadership and scholarship. Bob Almond then led the initiates in the pledge of membership. After being welcomed into the chapter by Elms, the members signed the constitution and received their membership certificates and pins. The assembly was closed with the singing of the school song for which Phyllis Truett played the piano accompaniment.

MOTHER DIES Funeral services were conducted Thursday morning for Mrs. J. Z. Powell, 84, mother of P. A. (Pete) Powell, service agent for the Wichita County Farm Bureau. Burial was in Crestview Memorial Park, Wichita Falls. Mrs. Powell died late Tuesday afternoon at her home in Wichita Falls after a long illness. She is survived by two daughters, five sons, 19 grandchildren and four great-grandchildren. Mrs. Ruth Gard, Mrs. Leona Heekamp and Mrs. Mary Bekelkamp of the Iowa Park Farm Bureau offices attended the services.

ANN JANETTE HOUSE Wayne House, manager of the Iowa Park office for Texas Electric Service company, has a new secretary. She is a cute little number with blue eyes and chestnut hair. She weighed 7 lb. 11 oz. when she made her appearance Thursday, Jan. 29, at Bethania hospital, and was given the name Ann Janette. She and her mother Geneva came home from Wichita Falls Tuesday and received a big welcome from her daddy and brother Wendell, better known as Butch. All Wayne can say is "She is just a DOLL."

Presbyterians

Lucy K. Birk circle of Women of the Presbyterian church met at the church at 9:00 a.m. Tuesday for the special World Missions program. The president Mrs. K. P. Abernathy called the meeting to order, then turned it to the world missions chairman Mrs. C. E. Birk, who introduced the program by stating the 1959 world missions theme is "The Middle East." She also gave the part from "The Challenge of the Middle East Today" which was entitled "What Shall We Do?" Mrs. L. Lovelace read the scripture: Hebrews 11:8-16. Mrs. Abernathy brought the meditation on the life of Mansur Sang, who lived in Iran. Mrs. Gale Lowrance told about Mary Louise Grafam and Miriam Hagopyan, who were known as "Sisters in Courage" in their work in Turkey. Stories of the lives of Daoud Hanna Yousef, Willard and Christina Jones, and Labib Butros Nassir were given by Mrs. L. Shelton. They were known as "Four among the Thousands" in their work with Arab refugees. Mrs. Noel Troutman told about the work in Iraq, which is the newest of Presbyterian churches' nine mission fields. "The woman all sang together "We've a Story to Tell to the Nations."

An account of William Shedd and his work in Iran was given by Mrs. John Clapp jr. Mrs. Harold Dykstra, who is world missions chairman for Central presbytery, closed the program by reviewing the life of Halana Makhiel, and then challenged each listener to do her part in the work in the Middle East. After a covered dish dinner at the noon hour, Rev. Harold Dykstra showed the film "Mid-East Profile." At this time there were two guests: Mrs. John B. Barbour and Miss Hazel Crites. Besides those mentioned, others present were Mmes. Locke Lowrance, Floyd D. Miller, A. C. Weiss, Jessie Norton and Miss Mina Troutman. Mrs. Chris DeJonge of Zeeland, Mich., was a guest of Mrs. Dykstra.

150 Bucks There was excitement in the Woodall household Wednesday afternoon when Faye heard the license number of the family car called over the Lucky License Number program. It seems Mrs. W. was in the front of the house when she heard it. (Boys, you should get her to go out for track in the school!) She won \$150 for calling in a few seconds. Of course she was so excited the girl at the radio station thought Faye had just come in from a mile run. But it made Rollins happy and John happy—so we say "Congratulations, Faye."

Glen Fox of Glen's Hair Styles plans to attend the Hair Style Show in Dallas over the weekend. Mr. and Mrs. Will Spruiell visited his sister and husband Mr. and Mrs. W. R. Emmons in Pampa last week. The were ice- and snow-bound and didn't get to return home until Tuesday.

The newly organized evening circle met for the first time at 7:30 Tuesday at the church, at which time the following officers were elected: Mrs. Jonathan Dressler, chairman Mrs. Floyd Zion, co-chairman Mrs. James Williams, secretary-treasurer Mrs. C. E. Birk, counselor Mr. Dykstra showed the film "Mid-East Profile." The Bible lesson was taught by Mrs. Dressler. Refreshments were served to the above mentioned and to Mmes. Auetin Granger, Zimmermann, Edna Lemond and K. P. Abernathy. This circle will meet each second Tuesday evening of the month.

MOTOR MAIDS Beware Of Unwary Pedestrians By Marjha Johnson Dodge Safety Consultant

MOTORISTS! Did you know that 9 out of 10 pedestrians killed in traffic accidents never have been licensed to drive a car. These figures are the result of a recent study made by the American Automobile Association Foundation for Traffic Safety. In view of this, the best rule is to assume that every pedestrian is a non-driver and not too well acquainted with safety rules. Remember, too, that your car is several thousand pounds of metal as compared with man's average weight of 160 pounds—of flesh and bones. KEEP IN MIND the non-driver is most unpredictable and that he may ... pop out from between parked cars. ... be a child, concentrating on play rather than safety. ... be elderly, with failing sight and hearing, and with slow reactions. ... have had too much to drink, thus reduced alertness. ... be impatient for the traffic light to change and try to "beat" it. ... not know pedestrian laws and feel "the pedestrian is always right." ... be a jay-walker. ... have on dark clothing and be almost invisible at night. BUT, MOST OF ALL, remember the pedestrian is a fellow human.

Soil Conservation Some irrigated cropland in the Wichita Valley may be cropped to grasses and harvested for seed, according to Elvy Sargent, work unit conservationist for the Soil Conservation Service. Grass seeds have been in short supply and demand and prices have been good, Sargent says. W. J. Thompson reports he will have 17 acres of Coastal bermuda, 40 acres of Indiangrass, 40 acres of little bluestem, 10 acres of Caddo switchgrass and 15 acres of KR bluestem. All grasses, except the Coastal bermuda, have been seeded for seed production. Hollis Atkieson, about 8 miles south of Iowa Park, is having 100 acres of mesquite root-plowed and seeded. Buffalograss, sideoats and blue grama are being seeded. The Wichita County ASC committee has approved these practices for federal cost sharing. J. H. Bingham of Iowa Park has been employed to carry out the practice. L. F. Miller, five miles east of Iowa Park, has mesquite controlled by root-plowing and will establish Coastal bermudagrass. J. O. Simpson of Wichita Falls is doing the plowing. Len Troutman and son Carl of Dumas visited last week with his brothers and sister: Mr. and Mrs. Noel Troutman, Mr. Carl Troutman and Miss Mina Troutman. Carl was enroute to Fort Worth on business; Len remained in Iowa Park.

TAX FACTS #2 Don't Pay Tax On Non-Taxable Items (This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Certified Public Accountants and the Texas Society of Certified Public Accountants, in cooperation with the Internal Revenue Service.)

YOU may think that listing your income is the easiest part of preparing a tax return. Actually, according to the Internal Revenue Service, this is where taxpayers make the greatest number of errors. Not all of the money that may have come to you during 1958 needs to be reported on your tax form. For example, don't report: (1) "Dividends" received as an insurance policy. They are considered merely a refund of part of the premium you paid. (2) Social Security benefits, Railroad Retirement Act benefits, or payments received under Workmen's Compensation laws. (3) Property or cash gifts received from other people, although the giver may have to pay a gift tax. Tips and other compensation for services must be reported, however. (4) Inheritances and bequests. The estate may be taxed, but not the recipient. If you were injured and received damages, this is not considered taxable income and it makes no difference whether your damages were awarded by a court or settled out of court. When listing income you can also forget about most government benefits to veterans and their families. Dividends paid on veteran's Government insurance is not considered taxable income, but non-disability retirement pay and the interest on terminal leave bonds must be included. Sick Pay Benefits If you were absent from work due to injury or sickness and received payments from your employer or his insurance company, these payments are non-taxable within these two limitations: First, the maximum amount is \$100 per week, plus any amounts which came from your own contribution to the plan. Second, unless the absence was for sickness during which you were hospitalized for one day or for a personal injury, the payments are not tax free until after the first 7 calendar days of absence. If these payments are included in the wages shown on your withholding slips, you should subtract the proper amount from your income in the place provided on the first page of the tax return (Form 1040). Attach an explanation as described in the official instruction book. You are entitled to exclude this amount even if you do not itemize deductions. Rules on Prizes There is an interesting rule on prizes. Generally all prizes and awards are taxable. However, prizes awarded for scientific, literary or other achievements without any action by you to bring about your selection, are not considered as taxable income to you. Most scholarships granted to college students are not taxable, and the value of the award does not have to be included in the student's contribution to his support. The official instructions contain a list of the types of income which should or should not be included in your tax return. It is important to check this list carefully.

## Miss Joy Scott Wed in Lubbock Church Ceremony

The Rev. Dr. Dallas D. Denison, uncle of the bridegroom, read the doubling ceremony uniting Miss Joy Scott of Iowa Park and Shannon Denison in marriage at 4:00 p.m., Saturday, Jan. 24. The Ansbury Methodist church was scene of the service.

The bride is daughter of Mr. and Mrs. Thomas C. Scott of Iowa Park, and Shannon's parents are Mr. and Mrs. Russell Denison of Lubbock.

Mrs. Charles F. Bolding attended her sister as matron of honor and Russell Denison was best man for his brother. Mrs. Don Owens was the other attendant.

Bill Edwards and Bob Parsons were ushers, and Mrs. King Sides played the wedding music at the organ. Mrs. William L. Edmondson was vocalist.

Given in marriage by her father, the bride wore a ballerina-length gown of white chantilly lace over ice-blue satin designed with a princess style waistline. The hemline and neckline were fashioned with scallops. Seed pearls and rhinestones outlined the scallops on her waist-length veil of lace which fell from a small white satin headpiece. Her only jewelry was a single strand of cultured pearls, gift of the bridegroom. She carried a white orchid on a ribbon.

The bride's attendants wore dresses of ice-blue lace over matching taffeta designed with three-quarter length sleeves, princess style waistline and scalloped hemline and neckline. They wore taffeta and net headbands with scattered seed pearls and carried nosegays of white carnations worked in blue net. Members of the wedding party were all from Lubbock.

A reception was held in the church parlor following the ceremony. Members of the house party included Miss Barbara Beasley and Mrs. Wallace Beasley, both of College Station, cousin and aunt of the bride; Miss Angela Scott and Mrs. Burk Scott of Odessa, cousin and aunt of the bride; Mrs. Frank Johnston and Miss Kay Johnston of Borger, cousin of the bride; Mrs. Arthur Groen of Amarillo, aunt of the bride and Mrs. Frank Johnston and Miss Kay Johnston of Borger, cousin of the bride.

For the wedding trip to Ruidoso, N.M., Mrs. Denison wore a wine and gray wool suit with black accessories. The couple will reside at 3718 31st st. in Lubbock. The bride and her husband are juniors at Texas Tech, studying elementary education and animal husbandry respectively.

## Iowa Park Brothers in Europe Set up Mercy Flight

RAMSTEIN AB, Germany — Captain Harold Roby, son of Mrs. J. C. Roby of Iowa Park, recently played a major role in possibly saving the life of a Spanish woman who was in critical condition while suffering from cancer.

Roby and his wife Frances Jean, daughter of Mr. and Mrs. Sam Ferguson of Iowa Park, and three children were spending a typical leisurely Sunday afternoon in their quarters. Harold, an amateur radio operator, was talking with his brother Charles, who is also a "Ham" operator, a captain in the US air force stationed at Chateauroux AB, France.

Suddenly their conversation was interrupted as an excited Spanish voice with the despair of urgency

cut in. The Roby brothers didn't know Spanish and the Spanish amateur radio operator's English was limited. However, the Robys immediately assumed a message of distress was being transmitted and after more than an hour of three-way English and Spanish conversation the plight of the Spanish woman was translated and the need for E-29 became a matter of possible life or death.

Harold immediately telephoned the 86th Tactical Hospital at Ramstein and spoke with Dr. Kurt Zydeck, German civilian physician employed here, who is with the scarce E-29 medicine. After futile attempts to locate the life-saving medication at army and air force facilities, Dr. Zydeck contacted the

German Red Cross and they finally traced down a Kaiserslautern physician who had some of the drug.

Meanwhile Harold contacted Lt. Col. Robert R. Bonebrake, 7030th Support Group director of operations, to set up a mercy flight to Spain. Bonebrake made the necessary arrangements and gave the green light. A check at base operations revealed that the Bilbao airport could not accommodate jets. A crew was located to fly a C-47 with Capt. Thurston B. Aneas as aircraft commander and Roby as co-pilot.

The mercy flight took off from the Ramstein runway at 5:50 p.m. Sunday, Jan. 18, and arrived at Bilbao at 10:30 p.m. A crowd of people congregated around the USAF transport, including Julio S. Azaguiñena, the radio operator who originally contacted the Roby brothers.

Upon rushing the vital medicine to the American consulate, it was discovered that E-29 tablets were preferred to the ampules which were airlifted due to the collapse of the patient's veins. Reopening the search, it was finally determined that a drug firm in Barcelona had dispatched two packages of tablets to another resident of Bilbao and one was eventually obtained for Senora Ordenez. The

ampules are still in the hands of attending physicians and may be used if the tablet supply is insufficient.

Upon completion of the international search, Sr. Azaguiñena and his entire family hosted Harold to dinner and showed him their radio equipment.

Evidently the hobbies of the Azaguiñena and Roby families are somewhat parallel as the Spaniard's mother, father and two brothers are qualified "hams." The Roby brothers have been sending and receiving since 1950, and the Ramstein captain's 12-year-old daughter Glenda Jeanne received her amateur radio license at Ramstein last December.

Harold, 35, is a native of Iowa Park and is assigned to Radio Systems Division, Deputy Chief of Staff for Communications at USAFE (Advon). He presently resides with his wife and three children (Glenda Jean, Sharon Jeanette, 9, and Shirley Ann, 5) in the Ramstein housing area.

## Couple Honored after 50 Years

Mr. and Mrs. J. H. Mason were honored on their Golden Anniversary Sunday afternoon, Feb. 1, with an openhouse from 2:00 to 5:00.

Their son and his wife and three daughters and their husbands were all present.

Messrs. and Mmes. Otis Mason, Jack McKelvey and George Denny, all of Wichita Falls; Floyd Vandeventer of Whitewright.

This group and the honorees made up the recycling line. Mrs. Ronald Hill of Wichita Falls, a granddaughter, presided at the guest book. Mrs. Clyde Patterson of Iowa Park, another granddaughter, assisted at the gift tables.

The refreshment table was covered with a lace cloth. Centerpiece was an arrangement of large yellow mums flanked by tall tapers in crystal holders. The wedding cake was in the shape of an open Bible.

Mr. and Mrs. Mason were married in Altus, Okla., Feb. 1, 1909. They made their home in Blair, Okla., for 30 years, where he was a farmer. They then moved to Newcastle, Texas, and stayed 12 years before moving to Wichita Falls in 1943. On Sept. 13 of last year they moved to Iowa Park and bought a home at 102 W. Magnolia.

Mr. and Mrs. Anderson attend the Baptist church. Besides the many friends and relatives of this area who called to honor the Masons, several relatives came from Lubbock.

A sister and niece and her husband, Mrs. Lillie Marble of Santa Cruz, Calif., Mr. and Mrs. Bob Reed of Quincy, Calif., were here for the celebration. They returned to their homes Tuesday after several days visit.

### ABUNDANT LIFE

by ORAL ROBERTS

THINGS MUST BE MADE TO HAPPEN

Everything the eye can see, the ear can hear, the hand can feel, or the heart can experience must be made to happen.

Things must be made to happen. You must make them happen.

The ministry of Jesus Christ was made to happen. He said, "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovery of sight to the blind, to set at liberty them that are bruised" (Luke 4:18).

The things God wanted done, Jesus had to make happen.

In obedience, Jesus turned himself toward the forces of evil, against the powers of sickness and disease, because their defeat had to be made to happen. He took our afflictions and bore our sicknesses. Jesus literally went against these things and he made his ministry happen.

So it is with our lives. We must make things happen.

The prodigal son made his salvation happen. Disillusioned, starving and lonely, he came to himself one day and returned to his father. He placed the blame where it rightfully belonged—on himself—and made his confession. If you need salvation, you must do likewise. You must make your confession, that you've sinned in the presence of God, and you must repent. You must want to be saved.

If you make that happen now—right now—God will make your salvation happen now—right now.

Our evangelistic Crusades here in America and overseas, our radio and television programs, our newspaper columns and our literature in 154 missionary lands and 75 languages, our Hebrew Bibles for Jewish people, our children's cartoon magazines, our Indian outreach—every phase of our ministry to take the gospel to every creature in every nation must be made to happen.

You have to make your healing take place. God has already promised you healing and Christ has already provided it. He waits only for you to do your part for you to make it happen.

God has been ready all these years, whether we need healing or salvation or help in any problem or situation. It is you, it is I, who have not been ready. We have been waiting for him to do it, when he has already done it. He is waiting now for us to do our part.

When Jacob was wrestling with the angel, he held on with such a grip that the angel cried, "Turn me loose!" Jacob refused until the angel blessed him. This took great moral courage as well as physical strength. Even though the angel threw his thigh out of joint, Jacob refused to be denied or dismayed.

To this day the Orthodox Jewish people around the world will not eat a certain part of an animal's thigh in admiration for Jacob, who got what he went after—a man who made things happen.

This is the way God works and the way he wants you to work. You must make things happen.

### NOTICE OF CITY ELECTION

Annual City Election for purpose of election of Two Aldermen has been called for the Tuesday in April, being April 14. Deadline for Candidates to file with the City Secretary by this deadline date.

### FAMOUS DEPARTMENT STORE

Mrs. Kenneth Watts, Mrs. Watson, Linda and Glenda Sawyer.  
—Linda Sawyer, scribe

The Jayce-ettes are to sponsor a Martha Washington Silver Tea from 2:00 to 5:00 Saturday afternoon, Feb. 21, in the home of Mrs. Bert Van Horn, 702 N. Jackson. An Antique Show will be held in conjunction with the Silver Tea. Anyone having antiques and wishing to place them on display may bring them to the Van Horn home Wednesday or Thursday, Feb. 18 or 19. All women interested in antiques are extended a special invitation to attend. Proceeds from the tea will go to the Youth Center fund. Hostesses will be dressed in Martha Washington costume. Light refreshments will be served. Mrs. Ray Anderson of Gainesville visited last weekend in the home of Dr. and Mrs. C. J. Simpson.

SHINING BLUE BIRDS  
The Shining Blue Birds went on a hike in the country Wednesday. The girls looked for things to draw between this week and next. Donna Henson served refreshments to Susie Vestal, Joy Snyder, Frances Pastussek, Brenda Burman, Georgene Paul, Glendon Granger, Beverley Hadley, Janice Watts, Steve Watson, Judy Watts.

REVIVAL STARTS SUNDAY AT ASSEMBLY OF GOD  
Rev. E. R. Moore will conduct a revival at the Assembly of God here, starting Sunday night. He will speak on inspirational topics each night next week. Rev. Mrs. Dora Lane, pastor, and members of the church extend a cordial invitation to the public.

### D. O. SEZ:

WHY DON'T YOU CONSULT YOUR REAL ESTATE MAN?

We Like to LIST  
We Like to SELL  
We Know Nothing  
We Like so Well!

If you think this is the thing —Just give us a ring.

## This is A DROOPIN'-TROUPER!

... it's got the high-road drop, the low-road poops! It turns vacation into vexation.

This is A TRIP-ZIPPER!  
This is THE MAN!

... it's got high-low, hot-cold, town-country conditioning. It's as good on the long-haul as on the short-pull.

... who fills the Droopin'uper with Trip-Zipper! He's the jobber! His best friend because puts playcation into vacation.

However light-hearted you are on vacation, you'll find that from Wyoming to Texas, Kansas to Arizona, one thing you can take seriously is SHAMROCK QUALITY...

Quality You Can Measure by your car's Performance
