Mr. Ligon was born Oct. 15, 1867 in Clay county, Mo., and came to Iowa Park in the 1890's, where he was in the lumber business. In 1896 he married the former Miss Alice Waggoner of Iowa Park.

They moved to Byers in 1904, where they resided over 39 years. Recent years have been divided between Austin and Byers.

Survivors include the widow; a daughter Mrs. H. T. Harrison of Llano; a son Dr. E. M. Ligon of Schenectady, N.Y.; a brother A. E. Ligon of Lamar, Colo.; and several nephews and nieces, including Mrs. Bill Harris of Iowa Park.

TEXAS PUBLIC SCHOOLS WEEK has been proclaimed by Governor Price Daniel for March 2-7. Receiving the proclamation for the ninth annual statewide observance is John McKee of Dallas (right) who has served as state chairman of the Texas Citizens' Committee for Public Schools Week since the week was inaugurated in 1950. Parents and other citizens are urged to visit their local schools during the week.

Attention, Mothers, Fathers and School Patrons! You have an opportunity to go back to school next week. It is Public Schools Week in Texas.

You are invited to visit your public schools. See what is going on. Please find time to visit your school next week and visit the classrooms where your children are receiving the benefit of one of the greatest heritages of democracy, a public school education.

Learn at first hand just what is being done to make your sons and daughters good American citizens. Don't fail to take advantage of this opportunity!

Iowa Park schools will be observing Public School Week, Monday, Tuesday and Wednesday of next week. On Thursday the Texas Education Agency's school accreditation committee will be visiting our schools. Friday will be a holiday — so patrons and interested parents are asked to visit some time during the first three days of the school week.

Plans are being made for all types of work done during the year to be on exhibit, and demonstration teaching will be done all through the day.

Objective of Public School Week is to acquaint all our people with the program and accomplishments of the public education system. This project was inaugurated in 1951 and has become an outstanding observance the first week in March.

Public schools are supported by local and state appropriations, with a small percentage of support coming from the federal government. As the number of pupils increases, additional revenue must be made available.

Iowa Park schools now have an enrollment of 921. The break-down is as follows:

Ages	Boys	Girls
6	38	38
7	48	50
8	40	28
9	33	39
10	49	29
11	38	48
12	40	43
13	47	38
14	41	29
15	45	32
16	36	42
17	22	28

Hospitality committees for the elementary and high schools will be on duty Monday, Tuesday and Wednesday. Members of the Student Council will serve as hospitality committee for the high school.

Report cards will not be distributed until Monday, March 9, because of a school holiday next Friday, March 6.

School will be dismissed that day so faculty members can attend the district teachers meeting in Wichita Falls, Friday and Saturday.

Iowa Park school board recently voted to purchase a tentative school site located on Blocks P and Q and 28 of the Texas Addition, at the corner of Third and Louisiana streets.

Noon Lions club members were briefed on military-civilian contract services, present and future, at their Tuesday meeting.

Invocation was by Harold Dykstra. Dan Barnes introduced as guests Don James of the Wichita Falls Times and Record News and Bobby Birk, formerly of Iowa Park and now a member of the Lawton, Okla., Evening Lions.

Pres. F. M. Wilson announced a directors meeting to be held Thursday night in the Dykstra home.

Lion Birk, a reporter for Page Aircraft Maintenance, incorporated, brought greetings from his club and presented Russell L. Jerdee, also of the Page company which has contracts with Ft. Sill.

Jerdee was in military service during World War II in army intelligence service and has worked 15 years with the air force as a civilian.

Jerdee stated there are some things the military can not do for themselves, so civilian contractors provide services and materials to bridge the gaps. Also many contractors can provide such services and materials for less money than the military would spend.

The speaker pointed out the continuous turnover of military personnel. Most men are in service for short periods, and the cost of training them is enormous.

Civilian contractors have men well trained for their jobs who spend working lifetimes with the firm.

Since the next war will be a global conflict, and since it will affect the total population, it is necessary that civilians be trained and ready to use and to produce military devices.

Jerdee stated there are approximately 20 companies under contract to supply Fort Sill with materials and services at present.

Sweethearts Harriett Coppock, Thelma Gay and Sue Jacquart provided luncheon music. Songs for the Dixieland Follies, to be staged Thursday and Friday nights of next week, were practiced by the Lions.

The club will meet at Circle S cafe next Tuesday noon.

Mr. W. G. Steele was admitted to Bethania hospital this week for treatment. He is reported seriously ill.

Our Town is happy to see construction beginning this week on one of the vacant lots on Cash street where several businesses were destroyed by fire last April 1.

Carl Sullivan began clearing the lot and plans to construct an office building where the pool hall was located before the fire.

Three Camp Fire groups presented an informative program on the project "Tree Planting in the City Park" to the Evening Lions club, their sponsoring institution, Tuesday evening.

Bill Sawyer, program chairman and a longtime Camp Fire leader, introduced Roy Childers, chairman of the local Camp Fire board.

A skit "Stop the Presses" was presented by the three groups: Tama-Bee, Tanda and O-Towanka. Leaders are Mmes. Floyd Merriman, Eldon Manes, Doyle Combs, George Cutler.

Lions club donated to the tree planting project and voted to purchase "Fly Up" book for the Blue Bird group. The club also voted to pay for the birthday cake for the Blue Bird and Camp Fire ceremony to be held Friday, March 20.

Jim McClendon was voted in as a new member of the Evening club.

Pres. Bert Van Horn appointed Paul Zink and Arch Hughes on a committee for Ladies Night.

Wherefore, plaintiff prays that the defendant be cited to appear and answer herein, and that upon trial hereof, she have Judgment for Divorce and for such other and further relief, special and general, in law and in equity, that she may be justly entitled to, as is more fully shown by Plaintiff's Petition on file in this suit.

Seniors Enjoy Sports Party

Members of the Christian church entertained graduating seniors of IPHS on Friday, Feb. 20, with a sports tournament. Invitations depicting the new church building were sent to each senior and their mother and teacher-sponsors.

Fellowship hall of the church featured decorations of crepe paper covered goal posts at each end of the room, a sign in school colors which read "Yea, Seniors '59," and on the walls were hung reproductions of various sports articles. An added attraction was a gold colored tree hung with party balloons.

Guests were divided into teams and competed at games representing golf, basketball, skill ball, bowling, football, ping pong and shuffle board. Cold drinks and popcorn were served throughout the evening.

Following the games, all gathered around the fireplace to enjoy the artistry and humor of V. N. "Army" Armstrong of Wichita Falls. The seniors were then surprised to hear a report entitled "It Could Be You, Seniors of '59," which revealed interesting facts about each member of the class.

Refreshments of hot dogs, potato chips and cold drinks were served. Favors were ceramic miniature sports articles such as footballs, baseballs and bats, bowling balls and basketballs with appropriate verse attached.

The evening was brought to a close with each one present holding a lighted candle in the semi-darkness as Rollins Woodall pronounced the benediction.

J. D. Rowntree, new president, directed the meeting Thursday, Feb. 19, of Iowa Park Jaycees, held in the new Youth Center.

First item of business was a financial report by Joe Cotton, who stated the organization had made about \$144 profit from this year's boxing tournament, and that this money goes into the building fund.

Two new members were introduced by Rowntree. They are Glen Fox and H. C. Hicks.

The president expressed appreciation of Jaycees for the \$15 worth of tape and gauze donated to the boxing team by Berry's Drug Store, and to Dr. R. T. Land for giving tournament contestants physical examinations.

Vice-Pres, Lowell Short has been made chairman of the membership drive. Short stated that Iowa Park will start its membership campaign about Feb. 25. Regular memberships are \$12 a year per person. Businesses can get associate memberships for \$6 a year.

Members of Valley View Junior 4-H club met this week to elect a new officer. Shirley Rogers, daughter of Mr. and Mrs. B. E. Rogers, was named reporter. Other officers include Sandra Mahoe, president; Susan McDonald, secretary.

Mrs. Orlin Dickerson demonstrated the proper care of sweaters and introduced a new type of cold water soap, designed for laundering woolens.

The girls will discuss dairy foods at the next meeting.

ABUNDANT LIFE
by ORAL ROBERTS

DO NOT CALL JESUS A LIAR

Judas Iscariot betrayed the Lord for thirty pieces of silver, after he had walked with him for three years and had received the words of life. By his act of betrayal, Judas demonstrated that he thought Jesus was a liar.

Likewise did Thomas, by his doubt, call Jesus a liar. It may appear presumptuous to suggest that any human being today would dare call Jesus of Nazareth a liar, yet such is oftentimes the case—unintentionally so, but done nevertheless. Actions too often belie intentions.

The very moment any of us allow doubt to enter our minds, if only for an instant, we are, in effect and for all practical purposes, calling our Saviour a liar.

God forbid! I will never forget an occasion when I read a prayer card indicating a child had been born without a hip socket. Immediately my faith stopped. I could not see that even Christ would form a new hip socket upon the child's body. Yet it was done, and it was God saying to me, "Oral Roberts, do not call Jesus, my Son, a liar."

When something happens out of the ordinary, beyond our human comprehension, there is only room for one of two conclusions—the conclusion of doubt or the conclusion of faith. Too often we are apt to say, "No, it cannot or will not be done."

How many of us have been barren and in need, or in some terrible circumstance, because we were not able to comprehend the truth that God is with us . . . that God will meet our needs . . . that God will answer our prayers!

You see, we human beings think that if it is not done right now, it is not going to be done. There are a number of ways to call Jesus a liar. For example, people sometimes say that God is too busy to be concerned about their "little" needs. Not once during his time upon earth was Christ too busy for any human being. When we say Jesus is too busy for us, we, in effect, call him a liar.

Two-thirds of his ministry on earth was devoted to healing. When we say he will not heal us today, we call him a liar, for Christ is the same yesterday, today and forever, and God is not a man that he should lie or have respect of persons.

We call Christ a liar when we say that Christianity is too hard . . . too narrow . . . too gloomy. We call Jesus a liar when we say that God may be concerned about our spiritual welfare but that he is not concerned about our material welfare. We call him a liar when we say, "God will not hear MY prayers."

When Christ comes in, he changes things . . . puts a shine on your face. He makes God your Father, the Holy Spirit your Comforter, Christ your Saviour, the angels your guardians, the saints your brothers and sisters, and Heaven your home.

If you have, by your words and actions, called our precious Saviour a liar, turn to him now and make a new dedication of your life to him, for Christ is the way, the truth, and the life.

Do not call Jesus a liar.

Ph. 592-4681 Night 592-

Morning—Chevy panel hustles over causeway to St. Petersburg.

Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 587 miles a day . . . runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

This year, the light-, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip anything that comes their way—and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Cheviacs of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy!

If you have a job that puts a truck on its mettle, see your Chevrolet dealer!

No job's too tough for a Chevrolet truck!
