ABUNDANT LIFE

by ORAL ROBERTS

DO YOU HAVE TO SEE TO BELIEVE?

"Seeing is not believing!" numerous and so severe that a young man said in observing an apparent act of divine healing as a sick woman was prayed for. "There must be some plausible explanation. Perhaps she wasn't as sick as she thought she was."

All things are possible with God, and He is not limited when it comes to healing a human body!

The young doubter forgot that the soul sees and feels what the eyes cannot see or feel. We cannot prove a miracle to those who do not wish to believe.

But, on the other hand, to those who do believe, it is not necessary to prove an act of divine healing from God.

Do miracles still happen today as they did in Bible days? They do!

Here is a miracle: Mr. Efrain, of New York State, contacted malaria while in the armed services during World War II. After being discharged he was bothered with recurring attacks of the disease frequently.

"My attacks became more numerous and so severe that my doctors gave little hope that I'd ever fully recover," he told me. "But I had faith in God. I felt He could purge my body of this ailment."

"I prayed earnestly. God met my faith. I felt the power of God go through my body after prayer one evening! Now, three years later, I have not had a single recurring attack of malaria. My doctors tell me they cannot understand this, because I had been having the attacks so frequently for years. My past record showed my malarial condition so severe as to be incurable."

"But today, I am in good health and have no attacks. God healed me. It's a miracle. I give God the credit!"

Yes, God does have the power to heal. The same power which Jesus used in healing the sick almost 2,000 years ago is the same power that He uses today!

You must learn to look with your faith. The soul and heart see what the eyes cannot see.

Grandmother Dies in Archer

Funeral service for Mrs. Nannie Boswell, 77, of Archer City, grandmother of Freddie Boswell of Iowa Park, was held in the Baptist church of Archer City last Saturday afternoon.

Grandsons were pallbearers, with interment in the Archer City cemetery.

Mrs. Boswell was born July 5, 1887, in Georgia, and died unexpectedly at home Thursday, Nov. 5. She is survived by the widower S. D. Boswell of Archer City; three daughters; four sons; five sisters; two brothers; 33 grand- and 23 great-grandchildren.

Fred Boswell, father of Freddie, formerly of Iowa Park, now lives in Fort Worth. He and Mrs. Boswell came from Ft. Worth for the service.

Those attending from Iowa Park were Mr. and Mrs. Freddie Boswell, Mrs. E. C. Koonce and Mrs. Jim C. Kuehler, Valley Farms.

Members and guests of the Evening Lions club learned about radar Tuesday when Dick Johnston and Ralph Briscoe of the Texas Highway Patrol spoke on "Highway Safety."

Johnston, a local citizen, works in the Drivers License department in Wichita Falls. He said there are 4,500,000 licensed drivers and 25,000 of these are under suspension.

He said, "Drivers licenses are to help improve and correct driving. Our work is designed to help, not to hinder."

Briscoe told the Lions how radar works, what it is, and why it is necessary. He said radar has saved many lives and much property.

He told the history of traffic law enforcement, which began in Texas in 1920. He said, "We now have better educated drivers and better roadways."

There are 37 radar sets in use by the Texas highway patrol. The program has cut automobile deaths to an all-time low.

Briscoe closed by saying, "A large percentage of people who are stopped for violating traffic laws are courteous, and we appreciate them. We as patrolmen are here to help the public. We serve to protect lives and make the highways safe for travel."

Guests for the meeting were Dan Barnes of the Noon club and Bailey Smith, son of Lion China B. Smith.

Mrs. Harriett Coppock and Mrs. Esther Thornberry provided dinner music for the meeting.

"Houston — Texas Giant," a film shown through courtesy of Southwestern Bell Telephone company to Lions club Tuesday, was informative and educational. Here to run the film was C. J. Lee, commercial representative of the company in Wichita Falls.

The luncheon meeting was opened with scripture and prayer by Claude McDonald.

Sam Hill introduced as guest former Lion Earl Watson, now in the air force stationed at Fort Worth.

George R. Huckaby gave a report on the zone meeting held Monday night in Wichita Falls.

Keith Swim reported on the current shortage of teachers. He told of the special session that may be called to raise teachers' pay. Swim also reported on the progress of the elementary school being erected in northwest Iowa Park.

Sweethearts Harriett Coppock and Esther Thornberry presented World War I popular music, honoring the Armistice in 1918.

Ben Hildebrand announced next week's program will feature Dist. Gov. Ben K. Lawson of Chillicothe.

Hawks 20 A.C. 0

Iowa Park's Hawks piled up 20 points in the first half of their game last Friday night, and then staved off the scoring threats of Archer City Wildcats to post a 20-0 win. The Hawks have lost only to Crowell in district 11-A, and to Burk Burnett in a non-title contest.

In the first quarter, Tony Waters hit paydirt with a 20 yard scamper around end.

Second TD came later in the first quarter when Bobby Gilbroath ran 72 yards on a punt return, to the Wildcat 8. He made another 5, and Lyndell Glenn smashed the center for the 6-pointer.

Late in the second quarter, a 20-yard pass play from Glenn to Waters paid off. The 69-yard drive was highlighted by an 18-yard run by David Parkey. The extra 2 points were made by Glenn with a plunge through the left side.

The second half was scoreless, although the Wildcats had several good opportunities.

The game was not as one-sided as the score would indicate, and fans of both teams enjoyed it all the way.

Hawks play Henrietta this Thursday night in the Clay county seat. The season closer was moved up to permit fans to attend the Holliday-Crowell and Bowie-Olney tilts.

Weldon Bailey Seeks Re-election

Sheriff Weldon Bailey, 48-year-old veteran peace officer, has announced his candidacy for the 1960 election when he will seek his second four-year term as sheriff of Wichita county.

Bailey, who has been a peace officer for 24 years, served on the Texas Highway Patrol for 17 years. Nine of those years were as supervising sergeant in Wichita Falls district.

Announcing his candidacy, Bailey pointed to his office's operational expense which he said cost county tax payers only one and one-third cents a week per person.

"I have kept the operation of this department on a high level through the use of sober, conscientious personnel," Bailey said, citing the return of over \$500,000 to county merchants by the collection of "lot checks."

"My office has operated within the budget and its costs have been thousands of dollars less than in counties of comparable size and population," Bailey continued. His department operates with only 19 employees, which include court bailiffs, jailers, matron and office help; leaving an enforcement staff of only 9 men.

Bailey stated his office has always worked closely with county police agencies and with the county attorney and other elected officials in the courthouse.

A native of Midlothian, Ellis county, Bailey resides at 2206 Shepherd street, with his wife Mozelle, and 22-year-old son Bob, who will be a senior student at Midwestern university next semester.

The sheriff is a member of the First Methodist church, Wichita Falls Downtown Kiwanis club, the Maskat Shrine temple, Elk's club, Texas Sheriff's association, North Texas - Southern Oklahoma Peace Officers association, Chamber of Commerce Boosters club, and is a major in the military police corps of the Texas State Guard.

He has served as chief usher in numerous civic and non-denominational religious services during the past 10 years. These include the downtown Easter Services and the Howard Butt Crusade.

Mr. and Mrs. Herbert Hensley and her father Frank Baber will be in Austin this weekend to attend the TCU - TU football game and visit with their children Mr. and Mrs. Lynn Hensley and Miss Josette Hensley, all students of the University of Texas.

Disciples to See Your "Monganga" C of C

Christian church will bring its School of Missions to a close next Sunday evening. In keeping with the interdenominational theme on "Africa," the final session will feature the film "Monganga," which will be shown in the sanctuary at 8:15 following a fellowship supper.

"Monganga" was seen in many parts of America when it was broadcast on a nationwide television program "The March of Medicine." However, this will be the first opportunity for many in this area to see it, and the few who saw it on television will welcome the opportunity to see it again with the added dimension of full-color.

The show is based on Christianity's medical missionary work and progress in the African field. Much of the film is devoted to the contributions Dr. John Ross, Disciples of Christ missionary to Africa, has made for the march of medicine in Africa.

The film is of educational value to everyone of all denominations backing Christianity's efforts in Africa. Anyone interested in seeing this film is welcome, and those who would like to join in the fellowship supper are asked to bring a covered dish at 5:00 to Fellowship Hall and stay for the program.

Parkan on Tour

Joseph Landers, formerly owner of the Sunken Gardens 2 1/2 miles east of Iowa Park, is having a wonderful time touring the United States.

The following is from a letter recently received by the Jim Miller family, his former neighbors:

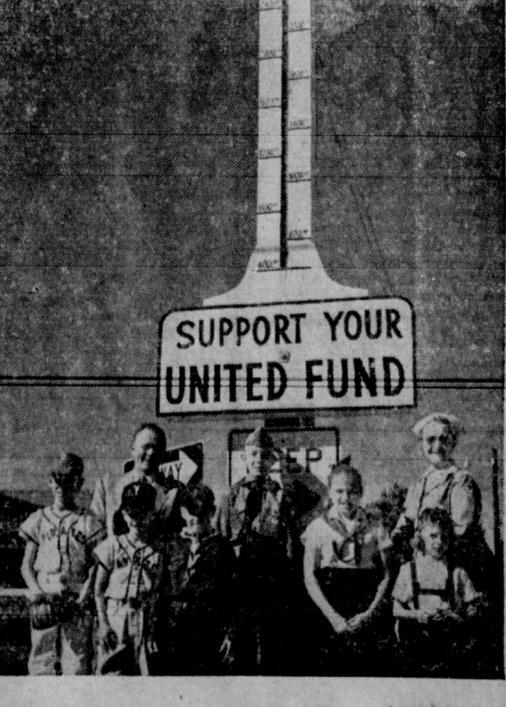

"Hello, folks. I'm up here at Olympia, Washington, for a day or so, visiting the State Capitol. Have been invited for a seat in the Governors, which I obliged. Finally 'Governor for a day!'

"It rained last night and this morn, the 3rd, but nice the rest of the day. They have had no frost as yet. Best regards to all.

"Goodbye, Joseph Landers."

The Millers have received correspondence from Mr. Landers and sent from Arizona, Canada, and other cities in Washington. He tells them he's on his way to California, visiting as he goes.

Many of Mr. Landers' friends and customers have missed him since he retired from his little business and set out to see the country again. For many years before he settled near Iowa Park in 1950, Landers had traveled around, working in flower nurseries from Florida to Washington.

PLANE EXPLOSION

Several Iowa Park area resi-
 dents saw a B-58 explode in the
 air Saturday afternoon at about
 5:05 northeast of Iowa Park. Parts
 of the jet bomber fell over a wide
 area of Oklahoma near Duncan.

At first it was thought to be
 closer to our area, but air distance
 can be misleading.

The plane left a long trail of
 white vapor and then ended in
 a puff. The two passengers were
 killed.

 Cutler were present to assist Miss
 Crites.

Christian Women's Fellowship
 met Monday in the Christian
 church for an interesting program
 presented by Mrs. Cecil Marquart
 with Mrs. O. W. Phipps having the
 leading role in a playlet.

The skit depicted a woman wit-
 nessing for her church and com-
 munity by looking at herself
 through the eyes of her family,
 neighbors and minister.

Projects for the bazaar were
 discussed, and it was voted to
 wait until after Christmas before
 resuming the Bible study sessions.

23 Study Club

Mrs. Wilmer Shirk, administra-
 tive assistant to Frank Schuler,
 administrator of Wichita General
 hospital, was featured speaker at
 a meeting of 23 Study club Thurs-
 day afternoon, Nov. 5. Program
 theme was the "Need for More
 Nurses."

Members met in the home of
 Mrs. C. J. Thurber with Mrs. C.
 J. Simpson as co-hostess.

Mrs. Rollins Woodall, leader for
 the afternoon, observed that the
 need for more nurses program was
 not only a required program, but
 also a project of Texas Federation
 of Women's clubs.

Mrs. R. R. Brubaker presented
 a meditation which emphasized
 the virtue of expressing gratitude
 for the many blessings received
 every day.

Mrs. Charles Metz read a group
 of poems: Health; The Old Coun-
 try Doctor; Country Colds; and
 Things Work Out.

Mrs. Gordon G. Clark, another
 guest of the club, presented Mrs.
 Shirk. The nursing profession is
 dear to Mrs. Clark since she is
 a registered nurse and her hus-
 band is a physician.

Mrs. Shirk used two posters to
 show some of the reasons for the
 present nurse shortage and the
 avenues of approach to the prob-
 lem. The reasons were: population
 increase, more health insurance,
 medical advances, sociological in-
 fluences, shortage of teaching fa-
 cilities. Avenues of approach in-
 cluded: Let nurses nurse, improve
 education, use volunteers, increase
 research, improve rewards, in-
 crease recruitment, and give Fu-
 ture Nurses Scholarships.

Mrs. Homer Blalock conducted
 the monthly business meeting.

Others in attendance were Mes-
 dames W. G. Steele, O. E. Loch-
 ridge, Dave O. Harbour, Richey
 Abernathy, Fred Widmoyer, Car-
 roll Duke, Florence Sherwood, Sam
 Hill, T. M. Thaxton, K. P. Aber-
 nathy, Taylor George, C. E. Birk,

Chicken Noodle - Chili Lunch

(Although this is addressed to Chevrolet owners, we'd be glad to have you read it, no matter what make you now own or plan to buy. It might well be as interesting and significant to you as to the Chevrolet owner.)

TO THE MORE THAN 16 MILLION PEOPLE WHO OWN CHEVROLETS

The first and the latest—the 1912 and the 1960 Chevrolet. The progress represented here is the result of continuing efforts to make your new Chevrolet always more beautiful, more useful and more valuable in every respect.

You belong to the largest family of owners in the automotive world.

We hope you're proud of that. It must give you great satisfaction to know that your judgment in choosing Chevrolet has been confirmed by so many other people.

We know that we can hold your preference and your loyalty only by meeting our responsibilities to you fully and completely from the day you buy your Chevrolet to the day you trade it in. And so we'd like to talk with you about our responsibilities as we see them, and what we are doing to meet them.

Our first responsibility, we think, is clear: To design and build products that satisfy your needs and your wants to the highest possible degree. To that end, we have done these things for 1960:

Made the 1960 Chevrolet more economical, roomier, more quiet and comfortable, easier to handle and maneuver.

Introduced the compact and revolutionary Corvair. Produced a new line of Chevrolet trucks with unprecedented advances in efficiency, cargo handling, driver comfort and ability to get a job done.

But it isn't enough to design and build the kinds of products you want. They must be built right. Solidly. Carefully.

Let us assure you of this: Chevrolet's fine reputation as a solid, well-built, dependable product is being safeguarded by more checks and inspections and tests, than ever before.

Along with your Chevrolet dealer, we want you to have available the finest and most complete service facilities. That is why we: Conduct training schools for Chevrolet dealer mechanics. Study and recommend im-

proved service equipment and techniques. Maintain the industry's most complete parts warehouse system.

Finally, neither Chevrolet nor your Chevrolet dealer has any intention of forgetting you after you buy. To help keep you happy with your Chevrolet, we have established a department new to us, and so far as we know, new to the automobile industry. This is the Chevrolet Department of Owner Relations, whose only job is the coordination of Chevrolet and Chevrolet dealer activities so that you enjoy utmost satisfaction during your entire period of ownership. Through this department, and through all the other extraordinary steps we are taking, Chevrolet and your Chevrolet dealer hope to keep you a happy member of the Chevrolet owner family.

QUARTERBACK CLUB PLANNING BANQUET FOR FOOTBALL SQUADS

Next Monday night all members of the Iowa Park Quarterback club are requested to meet at Underwood's in Wichita Falls for a Dutch Supper, to be served at 7:30.

Plans will be made at that time for the annual football banquet, says Malcolm Mills, president.

LIBRARY NEWS

Since September, the library has processed and added 231 books to its shelves. Twenty-one were from an order made by request of the teachers. Fifty were presented by Mrs. Weller and her sister Mrs. Henry. Many of the books given by Mrs. Weller and her sister are now out-of-print, and therefore are quite valuable.

Two new sets of encyclopedias have been purchased this year. One set, "Lands and Peoples," was selected especially for the junior high students. The "Book of Popular Science" was bought at half-price.

We processed 56 pamphlet selected by the mathematics and science teachers. These are to be kept in the classrooms for use of students.

Monday, which was a typical day, we checked out 106 books.

Recently the 3rd, 4th, 5th and 6th grade pupils have had the pleasure of watching movies on health and safety shown on the Da-Vue movie machine owned by the school.

Pictures of students and teachers have been taken for the Iowa Park elementary school annualette. Miss Ethyle Kidwell has announced if anyone is interested in ordering a copy of the book, it must be done before Nov. 15. The price is \$1.50.

Basketball Coach Joe Warren has released the boys basketball schedule for 1959-60, as follows:

First and second grade pupils are working on their Christmas program to be presented Wed., Dec. 7, at the PTA meeting.

TESTING PROGRAM

During this week standardized tests have been administered to the 7th, 10th and 12th grade students of IPHS. This testing is part of the guidance program and is partially financed under the National Defense Education Act.

The purpose of this program is to reveal the strengths and weaknesses of each student. Through information acquired it is hoped the student can improve in the areas of learning where weaknesses appear. Results are also useful to the school in planning the educational program.

Later during the year the 9th and 11th grade students will be tested.

Results will be available to students and parents. Clarence Mertins and Mrs. Bertha McDonald have been in charge of administering the tests. They have had assistance of other faculty members.

Mrs. Barbara Oldendick and daughter Frances Ann of Cincinnati, Ohio, is visiting her parents Mr. and Mrs. Earl Griffith and other relatives.

BUDDY JOHNSON RETURNS FROM DUTY IN KOREA

Sgt. Buddy Johnson arrived home last week from Korea after serving with the US army there. He will report Dec. 6 for duty at Ft. Hood.

His wife Pat and daughter Kim and son Criss have made their home in Iowa Park while Buddy was overseas. They plan to move to Ft. Hood with him.

Buddy and his family and parents Mr. and Mrs. Nelson Johnson plan to visit Mrs. Marvin Richter in Lubbock this weekend. She is the daughter of Mr. and Mrs. Nelson Johnson.

Echoes from Fair

Iowa Park received some publicity in the 8th Naval district magazine "The Word" in the section "Here 'n' There Around 8th."

Under the heading "Iowa Park, Texas" was the following:

Members of the radio gang from the USN and USMC Training Center, Wichita Falls, Tex., working in connection with the Wichita Falls Amateur Radio club, made a big hit at the Texas-Oklahoma Fair by sending personal messages from Fair patrons to many points around the globe.

ETC R. F. Rose and RM1 W. F. Lee sent 152 personal messages ranging from death and birth announcements to a plea sent to the county jail in Hugo, Okla., for "Grandpa to send me his 12-gauge shotgun."

"The Word" is circulated in New Mexico, Texas, Oklahoma, Arkansas and Louisiana.

Richardson-Easton

Miss Nita Richardson and Clifford Eugene Easton were united in marriage Saturday evening, November 7, at the Faith Baptist church. Rev. John Klappensch, pastor, directed the vows.

The bride is daughter of Mr. and Mrs. J. O. Bass of Iowa Park. Parents of the groom are Mr. and Mrs. Oliver Easton of Tipton, Ok.

Attired in a blue chiffon street-length dress, the bride was presented in marriage by her father.

Miss Linda McKinsey of Iowa Park was maid of honor. Best man was Joe Arcus of Wichita Falls.

Only immediate members of the families and close friends attended the single-ring ceremony.

The bride was a senior in IPHS and was serving as girls basketball manager.

Easton is a graduate of Tipton high school and is now in the navy stationed at Long Beach, Calif., where the young couple plan to establish residence.

SALLEE-MORGAN CIRCLE

"By All Means" was the subject of the mission book which Mrs. Earle Denny presented to the Sallee-Morgan circle of the First Baptist WMU at their meeting, Monday with Mrs. R. L. Redin as hostess.

Mrs. Sam Hill gave the devotional. Mrs. C. P. Simmons read the secretary's report.

Plans were made for a love gift of Thanksgiving baskets for shut-ins. The gifts are to be brought to the church kitchen the first of

next week. Several members reported having read a mission book.

A social hour was enjoyed with Mrs. Redin serving refreshments to Mrs. Nora Fields, I. L. Alvey, Raymond Skinner, C. P. Simmons, Sam Hill, Earle Denny, V. R. Munden, Hubert Bradley, R. R. Brubaker, Malcolm Mills and a new member Mrs. Virgil Clark.

The circle will observe Visitation Day next Monday, and meet Nov. 24 for Bible study with Mrs. Denny as hostess.

Mr. and Mrs. Will Stone of Springdale, Ark., are visiting this week with their sister Mrs. F. L. Emanuel. Mr. Stone is one of the early pioneers of Iowa Park.

Guests in the home last Sunday were Mrs. Clyde Young of Tioga; Mr. and Mrs. H. W. Carter of Tahoka; Mr. and Mrs. Carl Beckum and son Todd of Lubbock; T-Sgt. and Mrs. Robert M. Wyatt and children of Sherman.

Mr. and Mrs. Coral Garner of Amarillo were weekend guests of their daughter and family Mr. and Mrs. R. E. Wilkerson and Mary Ellen and Bo.

IOWA PARK HERALD:

Please find enclosed check for \$2.50 to pay for my paper. It's like bringing by home town into my living room. I enjoy it very much. I have been pretty sick and in the hospital with a heart attack since my last trip home in Sept., when my uncle W. P. Young passed away.

I am a sister to Mrs. Fred Toler, C. D., R. D. and L. D. Roach, all of Iowa Park.

Keep my paper coming.

RURAL SURVIVAL \$50 to \$500

Safe in their shelter under three feet of protecting earth, this farm couple could survive the most severe radioactive fallout from a nuclear attack on this nation. Most rural Americans, like this couple, could gain protection against fallout if they built inexpensive basement or underground shelters. Radioactive fallout from enemy H-bombs could be carried by the wind onto the remotest farm hundreds of miles from attacked cities.

THIS WELL-DESIGNED underground shelter would cut radiation to 1/5000th of what it would be outside. Ordinary basement shelters with added shielding would save most of their occupants outside target areas.

This shelter, built for \$500, includes running water and sanitary facilities, a gasoline-operated generator, and facilities for feeding and sleeping eight people. The farmer hired a bulldozer to dig the hole, then built the shelter himself from used timbers and concrete.

The Office of Civil and Defense Mobilization provides specific information telling farmers how to protect their families and livestock from fallout, what to do before an attack, how to build a fallout shelter, and what food to store.

After an attack, civil defense authorities would broadcast frequent fallout forecasts to the surviving population and advise farmers how long they could safely emerge to perform essential tasks in maintaining the production of food so vital to national recovery.

Fallout shelter information is available free by writing to OCDM Rural Civil Defense, Battle Creek, Mich.

WORKING BLUE BIRDS

Working Blue Birds met Friday at the home of Mrs. Roy Childers. The girls prepared their own dinner consisting of fried chicken, salad, peas, chocolate milk, cornbread and cookies. They have just completed a six-week cooking course taught by Donna Childers.

Members present were Vickie Allmon, Jamie Berry, Rita Kay Battle, Donna Buzbee, Cecelia Childers, Shirley Cutler, Dianne Morrison, Teresa Pryor, Patricia Solomon, Darlene Williams.

MERRY BLUE BIRDS

Members of the Merry Blue Birds unit met Tuesday in the home of Mrs. D. F. Combs, leader. Mrs. Otis Scobee was hostess and served refreshments of cupcakes and soft drinks.

The girls made plaster of paris plaques. The song "Green Trees" was used for dismissal.

Many Years Service Recognized

Luther Shelton, civilian employee at Sheppard AFB, recently was presented a pin in ceremonies recognizing his 30 years in the armed forces and his 5 years in civil service. He also received a certificate from Headquarters, Air Training Command at Randolph AFB.

Shelton, a munitions worker assigned to M & S group, is in sole charge of issuing ammunition and firearms at Sheppard.

Sarge Shelton, as he is known to Iowa Park friends, was born at Dawson Springs, Ky., Jan. 24, 1900. He was graduated from high school in nearby Owensboro. He entered military service in 1916 just prior to World War I.

Shelton transferred in 1929 to the Army air corps, predecessor of the USAF, and continued in that branch until his retirement as a master sergeant in 1958. He went that same year into civil service work at SAFC.

Shelton was stationed at Sheppard during World War II and was NCO at the Bivouac located northeast of Iowa Park.

He and his family moved to Iowa Park in Sept. 1941 and have made a place for themselves in the community life.

As a hobby and profession Sarge makes ammunition for big game hunts.

Mr. and Mrs. Shelton have six children:

Mrs. Joseph (Gladys) Tavana of New York City.

Sammy, who is taking courses at Midwestern university in off-duty hours while employed with the Wichita Falls fire department. He is president of the Firemen's association.

Jimmy, who is employed with Northwest Materials company in Iowa Park.

Joy, Susie and Bill, who live at home. Joy is a graduate of IPHS; Susie and Bill are students here.

The two grandchildren are "Peppy" Tavana of New York and Shelby Shelton of Wichita Falls.

AIRMAN COMMENDED

The Air Force Commendation Medal was presented to Kirk A. Hobart, non-commissioned officer in charge of the Prosthetic laboratory at Sheppard AFB, during ceremonies conducted Nov. 10 in USAF hospital headquarters.

Sergeant Hobart, a native of Wisconsin, is married to the former Miss Billie Spence of Iowa Park. They have one daughter Billie K.

During his 16 years of military service, Hobart served three overseas tours of duty, two in Alaska and one in the Pacific.

All grades in the elementary school are receiving new books for their room libraries.

Moore-Smith

Vows were read Saturday, Nov. 7 for Miss Mildred Elaine Moore and Boyt H. Smith Jr., both of Iowa Park, in Westover Baptist church of Big Spring. Rev. Ray Myers, pastor, officiated at the double-ring ceremony.

The bride is daughter of Mr. and Mrs. M. G. Moore and the groom is son of Mr. and Mrs. Boyt H. Smith sr., all of Iowa Park.

Miss Rita Wilson of Big Spring, pianist, presented the program of traditional wedding selections.

The bride was presented in marriage by her father. She was attired in a royal blue suit with matching hat. She carried a white Bible topped with white carnations.

Miss Beverly Roney of Big Spring was maid of honor. Serving as best man was John Wood of Iowa Park.

A reception was given in the home of Mr. and Mrs. Neal Robb. The bride's table was covered with white over blue. Crystal appointments and a three-tiered cake completed the table setting.

Miss Carolyn White of Iowa Park presided at the guest book.

After a trip to Abilene the young couple have established residence at 100 E. Emerald street here.

The bride is a junior in IPHS and plans to continue her studies. Boyt is a 1956 graduate of IPHS and is employed with John B. Barbour Trucking company. Iowa Park folk attending the

wedding were the parents, Miss White and Mr. Wood.

Mr. and Mrs. John Wesley had as weekend guests their daughter and family Mr. and Mrs. Amon White and children Dianne, Nancy and George of Fort Worth. Mr.

and Mrs. W. B. Taylor of Amarillo visited Sunday night in the Wesley home.

Mr. and Mrs. Gilbert McLauren of Corpus Christi visited last week with Mr. and Mrs. C. P. Simmons and other relatives here.
