**What World-Wide Religious Revival Means**

What does the great spiritual  
resurgence of faith now going  
on throughout the world mean?  
From man's standpoint, the  
religious revival of today means  
one thing, but from God's  
standpoint, it means another  
thing entirely.

The Book of Acts says: "It  
shall come to pass in the last  
days, saith God, I will pour out  
of my Spirit upon all flesh."  
(Acts 2:17).

From man's standpoint, the  
religious revival of today means  
that God is making a desperate  
attempt to save mankind.

We all realize that man  
doesn't trust himself. This is  
why men have built the hydro-  
gen bomb. They are afraid of  
the intent of their fellow men.  
That is why we have wars. Wars  
are symptoms of man's distrust  
of man.

Subconsciously man is recog-  
nizing his need of supernatural  
deliverance from other men,  
from the problems that he  
brings upon himself.

This revival means man is  
recognizing his own failure to  
bring himself peace of soul and  
peace of mind. Man is now real-  
izing that he is unable, by him-  
self, to bring peace to his own  
mind and soul. Therefore, he is  
turning to the power of the  
Prince of Peace, Jesus of Naza-  
areth.

It also means that man is  
failing to love himself. In spite  
of great medical strides, man-  
kind is sick. We've never known  
such sickness in the world as  
we see now. Man is taking ad-  
vantage of all that medical  
science has to offer. But with  
all that, he is turning to divine  
healing as he has never turned  
before in his history.

From man's standpoint, the  
religious revival means that at  
last his faith is becoming aroused. He  
is coming to realize that he is  
basically a spiritual being.

Christ said, "Man shall not  
live by bread alone." This  
means that man is basically a  
spiritual being.

From God's standpoint, the  
religious revival of today means  
that the time has come for man's  
regeneration. Man is seeing the  
end of his own efforts, the fail-  
ure of his own feeble attempts  
to save himself. He is realiz-  
ing just how inadequate he is  
to face the demands of life.

The religious revival means,  
for the future, a division of  
nations, groups, families, indi-  
viduals. It means a beginning of  
the literal and complete wit-  
nessing to all nations. It means  
the mass miracle for millions is  
dawning. It means the second  
coming of Christ is nearer to-  
day than we realize.

**PARK CLINIC NEWS**

1 in Wichita General hospital.

## Hawks Lose Opener to Crowell; School Enrolment Jumps to 1100

A large crowd saw the Hawks  
in their season opener here last  
Friday night, with Coaches Carter,  
Howington & Fitzsimmons watch-  
ing from the sidelines. This year  
finds Iowa Park stepped up to  
AA competition.

Crowell's Wildcats plucked the  
Hawks with a 30-14 score in the  
non-conference game.

Long runs by George Moss and  
Wesley Cummings spelled out the  
defeat. Iowa Park made 16 first  
downs and 170 yards, while the  
Wildcats punched out only 19 first  
downs with 381 yards of rushing.  
The game with Wichita Falls  
Rowdies will be here this Satur-  
day night.

Iowa Park public schools opened  
their doors for the 1960-61 school  
year to the largest enrolment ever  
registered here. By Thursday, Sept.  
8, 1100 had enrolled, compared to  
the 965 students last year.

The elementary schools gained 77  
to make a total of 618; the junior  
high lost 2 for a total of 190; and  
the high school gained 69 with a  
total of 292 students.

With 47 seniors enrolled, the  
class of 1961 should be one of the  
largest in history.

Only a few had to register late  
because of failure to get polo  
shots. Both lunch rooms report  
full co-operation of students and  
teachers, and the meals are being  
served efficiently.

The school board met Tuesday  
night with Ed Clark, president,  
directing a regular session.

John Nixon was elected by the  
trustees to fill the unexpired term  
of Joe Price as a board member.

The Hawk band gave a fine  
show between halves with Rose-  
mary Clark, drum major, direct-  
ing. Six cheerleaders kept the  
fans yelling for their players. They  
are Teddy Overbey, Peggy Toler,  
Linda Robertson, Kathy Teal,  
Sharon Faulkner, Karen Keeter.

## Band News

Apparently some missed the an-  
nouncement in the Herald regard-  
ing the instrument display last  
Tuesday night. As a result, some  
children missed an opportunity to  
join the band.

We are going to have another  
display Tuesday, Sept. 13, at 7:30  
p.m. in the band hall.

Band classes will be offered to  
5th and 6th grades at Kidwell ele-  
mentary school as they are at  
Iowa Park elementary school. It  
is much better if the child starts  
with his class in the 5th grade,  
rather than wait until he is in  
the 6th or 7th grade, when the  
others will have had one or two  
years of training and experience.

If the child and parents cannot  
attend this meeting, please go to  
a music store and rent an instru-  
ment for six weeks and come to  
band classes on Monday, Tuesday  
and Wednesday.

Please don't neglect this oppor-  
tunity to get your child enrolled in  
a career of music, pleasure and  
education.

**COOKE COUNTY V.V. WINS**  
**OVER VALLEY VIEW, 42-14**  
Valley View Eagles of Cooke  
county poured on the coal through-  
out the first three quarters last Fri-  
day night, to burn out Valley View  
Warriors of Wichita county, 42-14.  
The visitors scored 14 points in  
each of the three periods.

The first quarter ended with a  
respectable score of 6 to 14, but  
the Warriors had to wait until the  
final stanza to score again.

This Friday night the Warriors  
face their near neighbors, the Hol-  
iday Eagles.

**UNCLE DIES**  
Miss Titia Bell Blanks of Waco  
spent the summer here with Mrs.  
Neil Leath. She left today to re-  
sume teaching duties at Baylor  
university.

Mrs. Leath and Miss Blanks at-  
tended the funeral of an uncle,  
John Blanks, Sunday afternoon at  
Denton. They also visited relatives  
in Whitewright and returned here  
Wednesday.

## Your C of C

**DIRECTORS MEETING**  
Directors and committee chair-  
men will meet at 8:00 p.m. Thurs-  
day, Sept. 15, in the C of C office.

**CITY BEAUTIFICATION**  
Mmes. O. N. Newman, David  
Dodge, W. A. George, Buster  
Reaves and Ray Watson made a  
tour of Iowa Park and found many  
beautiful well-kept yards.

**Coffee Break Cut  
Traffic Accidents**

There's no way of calculating  
how much death and destruction  
was avoided by the Coffee Break  
put on here over the Labor Day  
weekend by the Iowa Park Jaycees  
and their wives.

Reports from the Department of  
Public Safety show that during  
the hours the Coffee Break was  
functioning here, there were no  
serious accidents along Highway  
287 for many miles in either direc-  
tion.

Jaycees in Electra, Vernon, Pa-  
ducah and Childress also had the  
program going.

Joe Singer reports about 2000  
travelers stopped for coffee, lemon-  
ade and cookies during the four-  
night Coffee Break here. Those  
registering came from the four  
corners of continental United  
States, including Alaska. About 40  
states were represented.

The Jaycees appreciate all the  
help they received from local folk  
and particularly thank the Carna-  
tion company, Mead's bakery, the  
National Biscuit company, Mary-  
land Club Coffee company, Thomp-  
son Cafe Supply of Wichita Falls  
and the Wichita Falls Cafe Supply  
company.

Home (under 3 years)—Jack Bo-  
gan was awarded the plaque. A  
broad bed of blooming red verbe-  
na on the east, evergreen shrubs,  
fire chief petunia on the south, red  
verbeina blooming in an old tree  
stump in the front yard, a beauti-  
ful lawn neatly trimmed, zinnias  
blooming on the west side of the  
house, pampas grass growing in  
well-placed locations in the front  
and back yard, which is fenced.

There, blooming zinnias and roses  
surround the entire yard, includ-  
ing a long patio for outdoor cook-  
ing and playground equipment for  
the children—all has been accom-  
plished in the past year.

**Church Division** — Because the  
First Baptist church lawn and  
shrubs have never looked so neat,  
trim, green and beautiful as they  
do this month, the committee  
agreed they deserve the plaque for  
August.

**Business Division** — Southwest  
Bell Telephone company office in  
Iowa Park, although completed  
over a year ago, is recognized for  
August because of its improvement  
to the business district and be-  
cause its well-kept lawn and shrubs  
are an inspiration to other busi-  
ness places.

## Dreiling-Campbell

St. Mary's Catholic church of Garden City, Kans., was the scene of a recent ceremony uniting in marriage Miss Mary Ann Dreiling and Jerry Lee Campbell, both of Garden City.

Parents are Mr. and Mrs. Al Dreiling and Mr. and Mrs. Henry Campbell. The groom and family are former residents of Iowa Park.

The Rev. David Dougherty officiated at the Saturday afternoon, Aug. 20, nuptials. Vows were repeated before baskets of white and yellow gladiolas placed at the altar.

Mrs. Oscar Bergkamp provided traditional wedding selections and accompanied Loyde Gerber, vocalist.

Randy Paul of Madison, Wis., a nephew of the groom, was ring-bearer. Flower girl Judy Fry is a niece of the bride.

The bride chose white for her wedding gown; the pointed basque bodice was fashioned of chintilly lace over satin. The low scoop neckline was edged with pearls, and the long lace sleeves were styled with pointed wrists. The bouffant floor length skirt was of nylon tulle over satin having a chapel length train.

Her elbow length veil of illusion was edged with lace and fell in cascades from a coronet of pearls. She carried a cascade bouquet of yellow roses.

## 23 Study Club

"The World We Live In" has been selected for theme of the 23 Study club programs for 1960-61. Continuity will be gained through use of suitable verbs and the preposition "through" prefacing each program title.

Mrs. Sam Hill, president, and the program committee composed of Mmes. T. M. Thaxton, C. L. Metz and C. J. Thurber have devoted many hours during the summer to planning programs that not only meet the requirements of the IFCW, but also magnify the importance of the spiritual, educational and cultural phases of life in the world we live in.

Activities of the club year will be inaugurated at a breakfast at the home of Mrs. K. P. Abernathy on Oct. 6. Sharing hostess duties will be Mrs. Rollins Woodall and Mrs. Homer Blalock. The theme "Improved through Federation" will be accentuated through an address by Mrs. Philip A. Carpenter of Burkburnett, president of Santa Rosa district. Her subject will be "Educating Our Youth in Federation." The fine arts number will feature poems with organ recordings by Mrs. Earle Denny.

Dr. Isabelle Hunt of Midwestern university will be speaker for the Oct. 2 meeting, at which time Mrs. Carroll Duke and Mrs. Sam Hill will serve as hostesses. Dr. Hunt will use the subject "United States in World Affairs." A vocal trio made up of Mmes. Fenton Dale, James Sewell and C. W. Coppock will sing "Hats Off! The Flag Is Passing By."

Mrs. D. O. James, vice-president of Texas Congress of Parents and Teachers, will present the program on Nov. 3. She will show slides and talk about historical points in the U.S. Music for the meeting will be a piano and organ duo by Mrs. Gene Steele and Mrs. Lottie Lochridge. Mrs. R. R. Brubaker and Mrs. Taylor George will host the meetings at the First Baptist church.

Crime prevention division of the Federation will be emphasized in the Nov. 17 program. Viewing pornography as a public plague, Mrs. Fred Widmoyer will show that it is a menace to youth, and Mrs. Rollins Woodall will tell what is being done about it. Mrs. Earle Denny and Mrs. Lottie Lochridge will be hostesses, and a piano solo and vocal solo will be rendered by Mrs. Sewell and Mrs. Coppock respectively.

Following a custom of several years standing, the club will present a program in the Wichita Falls state hospital, Dec. 1. Mrs. Homer Blalock will tell a Christmas story, "Little Black Lamb" by Emily S. McCracken. Club members will furnish and serve refreshments to patients in attendance and take Christmas gifts and wrappings.

Mrs. Homer Thompson and Mrs. C. L. Metz will be hostesses for the Christmas party Dec. 15. Program will be slides and lecture on "The Christmas Story in Art" under direction of Mrs. Blalock.

Programs for the 1961 portion of the club year will be published in a later issue of the Herald.

Dinner guests Sunday of Mr. and Mrs. O. G. Crumpton were her parents Mr. and Mrs. W. L. Derrick, uncle and aunt Mr. and Mrs. Birch Clay and son Bill, all of Jackboro; Mr. and Mrs. Larry Crumpton and son, Mr. and Mrs. Royce Coats and son, and Judy Evans of Kamay.

## ESA

First regular business meeting of the year for Epsilon Sigma Alpha sorority members was held Sept. 6 in the home of Fernie Corder with Essie Johnson as co-hostess. June McCarthy presided.

Ball rushing was the main item of business with names submitted and voted on to be rushed for membership.

A report was made by Essie Johnson and Louise Berry, vice-presidents, concerning the contacts made with inactive members to get them to return to our roll of active members.

Mauryne Overbey, ways and means chairman, reported proceeds of the concession stand at Will Burnett Field. A total of \$141.69 was donated by the sorority to the ball teams with \$84.57 going to Little League and \$57.03

to Pony League. These figures are determined by profit netted and then 20 per cent donated to the leagues.

Lovejoy Speed, treasurer, submitted a budget and reminded that all local, district, state and I.C. dues are now payable.

Yearbook fillers were distributed by Billie McCullough, educational director, who also announced our educational programs will cover "How to Win Friends and Influence People," a book written by Dale Carnegie.

A further report concerning the cemetery entrance was made. Sufficient money was collected by our chapter to remodel the two old entrances to match the new one. —Bobbie Shaw

Mr. and Mrs. Herbert Hensley had as weekend guests their son Mr. and Mrs. Lynn Hensley of Houston.

## Bride-Elect Given Shower

Miss Francine Faulkner, bride-elect of Gerald Clements, was honored with a shower in the fellowship hall of the Christian church Thursday evening, Sept. 1.

Women of the church were hostesses. Guests were greeted by Mrs. Rollins Woodall. Mrs. George Clements, sister of the honoree, secured signatures in the bridesbook. Mrs. Al Reed presided at the gift table.

The refreshment table was covered with white net over yellow satin. This was centered with an arrangement of silver candelabras with brown tapers and gold grapes entwined.

Mrs. Claude McDonald and Mrs. T. M. Clark presided at the silver punch and cake services.

The honoree and the two mothers Mrs. Nathalia Lee and Mrs. L. S. Clements, were presented yellow and brown corsages.

The Faulkner-Clements wedding is set for Saturday, Sept. 17. More than 50 guests called during receiving hours.

## Soil Conservation

Growing native grasses for seed production may offer some irrigation farmers another cash crop, according to Elvy Sargent, Iowa Park soil conservationist.

Seed can be expected to give better results when seeded locally and there are recognized limits from which seed can be moved for seeding, Sargent added. For that reason farmers and ranchers will provide a local market up to their seeding needs. Most seed have had to be purchased from other areas.

W. J. Thompson of Wichita Falls has seeded all cropland on his farm to grass for seed production. Caddo switchgrass and Indiangrass will be harvested this year. Other grasses planted for seed production are K. R. bluestem and Caucasian bluestem.

Experience has shown a good gross income from grass seed but there are more steps involved. Harvesting is slower and often more difficult to perform than routine harvest jobs.

Soil Conservation Service will usually have information on growing and harvesting grass seeds that is available to SCD co-operators.

## TELEPHONE TALK

by Gene Brusenhan, Manager

### WHAT WOULD YOU HAVE DONE?

Picture yourself in this situation: You're driving on a long trip with your family. You're in a hurry. A storm is brewing, black clouds move in fast. Dust and approaching nightfall obscure your vision. Suddenly, you see the red lights of a small, private plane, desperately circling, searching for a place to land. What would you do?

This was the situation facing T. O. Gravitt, a supervisor for Southwestern Bell, according to a story I heard the other day. Gravitt, a Naval Reservist with 17 years flying experience, understood the plight of the pilot.

Luckily, Gravitt was driving through the small town where he grew up and he knew there was an emergency landing field near the town.

There were no lights on the landing strip, so Gravitt rounded up other motorists who were watching and led them to the field. He had them park around the edge so their headlights would guide the pilot to the field.

Helped by the lights, the pilot set his plane down just as the storm hit.

Needless to say, there is one airplane pilot alive today who is thankful that telephone man Gravitt saw his problem and knew what to do about it.

### TELEPHONE HOUR RESUMES SEPTEMBER 30

First show of the Bell Telephone Hour's new season will be on Channel 3 at 8 p.m., September 30. The show's policy of bringing you top entertainment will be continued.

Don't miss the first program which will feature musical comedy stars Sally Ann Howes and Howard Keel, pianist Van Cliburn, clarinetist Benny Goodman and his orchestra, excerpts from the "Sleeping Beauty" ballet by Tchaikovsky and Donald Voorhees and the Bell Telephone Hour Orchestra.

### "BACK TO SCHOOL — DRIVE CAREFULLY"

For a time each fall, these phrases are probably the most noticed and carefully followed instructions in Iowa Park.

"Back to School—drive carefully" is such a sensible thought that it's a pity to limit its use to a few weeks each fall. For the small-fry, "Back to School" is a months-long activity; for grown-ups, when is there a time NOT to "drive carefully"?

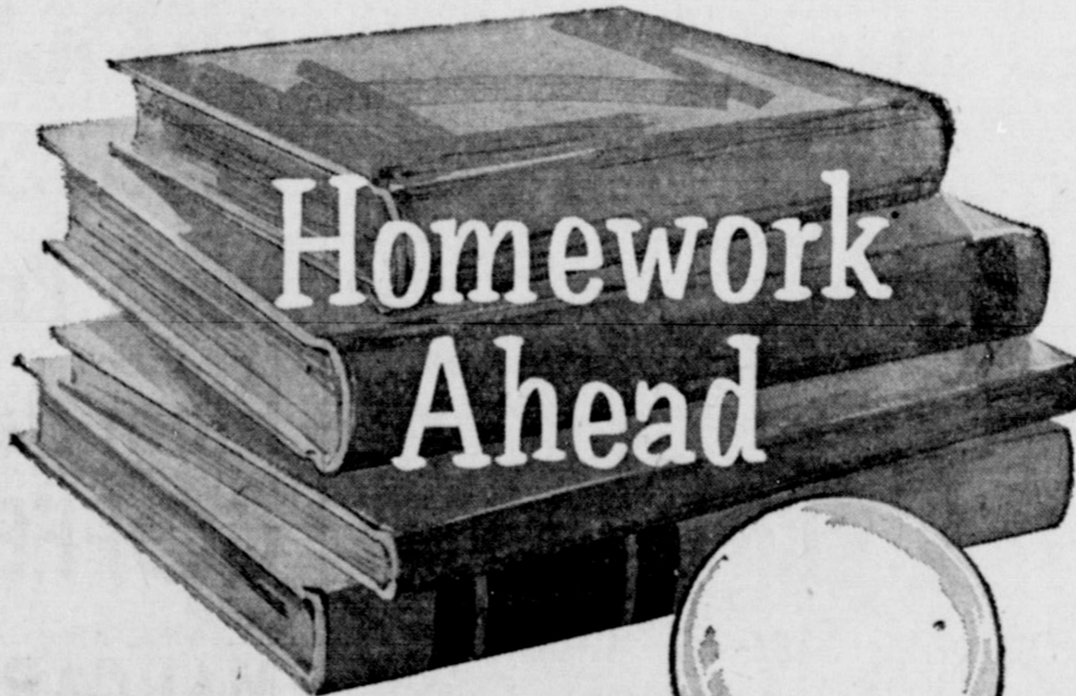

Call by number. It's twice as fast.

You'll be giving your youngsters real help with their homework when you provide them with proper study light. Good light helps prevent eye fatigue ... aids concentration ... encourages good study habits that lead to better grades. Check your children's study light now. Make sure they have enough light and the right kind of light for easy, comfortable seeing.

For best light from a table lamp, use a 150-watt bulb. A diffusing bowl is recommended to prevent glare.

Two wall lamps with 100-watt bulbs in diffusing bowls may be used when study table is placed against a light-colored wall.

## Voice Recital

Frank Perry, bass-baritone graduate student of Midwestern university, was presented in a public concert Wednesday evening in the fellowship hall of the Iowa Park Christian church by the church choir, of which he is a member.

Miss Lenke Karikas, senior music (piano) student at MU, was his accompanist.

Perry opened the program with "The Lord's Prayer" by Malotte. In the same group he sang two Italian numbers by Verdi.

The second group included "My Beloved Son," "Danny Boy" and "High Flight."

The third group included "Where'er You Walk," "Ol' Man River" which drew loud and long applause and "Give a Man a Horse He Can Ride." With this song Frank won first rating in high school competition.

The last group included several spirituals, the last of which he dedicated to all the friends who have been so interested in his career.

Those present from Electra, Wichita Falls, Midwestern and Iowa Park felt the 75 minute program presented by this talented young man was uplifting and enjoyable.

Miss Karikas also gave a wonderful performance as accompanist for Frank. Her talent as pianist is outstanding.

A reception was given in honor of the two artists immediately following the concert, given by the choir members. Assisting with the programs and at the table were Mmes. Al Reed, T. M. Clark, Gilbert Steele, Chuck Bowman and W. G. Steele.

Rev. Claude McDonald, pastor, expressed appreciation of those in attendance.

Mrs. Jessie Norton has returned home after visiting with daughters and families in Washington, D.C.; Princeton, N.J.; and Eau Claire, Wis. She made several sight-seeing trips while away.

**DON PAUL GLOVER**

Presbyterian congregation joined together Wednesday night last, to share in a tremendous watermelon feast on the back lawn of the church. Almost all credit for the fun-filled hour and a half, which started at 7:00, must go to the melons and Locke Lowrance, who made a special trip to Bowie to "collect" them. Fifty or sixty

persons left the church fun-filled and watermelon-filled.

Mrs. Carroll Duke has returned to her desk at the Jacks and Boley Insurance Agency after a two months vacation visiting with her daughters—Mr. and Mrs. Russell Brown, Nancy, Melanie and Rusty of Alice; and Dr. and Mrs. W. B. Huckaby of Albuquerque, N.M. She returned by way of Seymour where she visited two weeks with her mother Mrs. W. E. England.

Jim J White has improved some after having surgery. His daughter Mrs. Homer Blalock has returned home after being with him for two weeks.
