Sweet Sixteen
A surprise birthday party was given Wednesday evening, Nov. 16, in the City Cafe for Mrs. Jim Lee. All the workers in the cafe and Mae's family enjoyed seeing Mrs. Lee's expression when it dawned on her what was taking place.

Family present included Jim Lee; Mr. and Mrs. Abe Cook, Jeannie, Lynda, Phil and Leeda; Mr. and Mrs. Gene Lee, Susan and Coy; Mr. and Mrs. Ray Stubbs, Jackie, Marcie and Scott; Mr. and Mrs. Johnny Lee, Mark, John Alan and Donna.

Friends enjoying the party were Mrs. Chris Chapman, Mr. and Mrs. Ethard Glover, Mmes. Rachel Fullbright, Ethyle Morrison, Minnie Skinner, E. W. Templeman, Betty Brown and children; Hazel George; Miss Connie Terral and Miss Deloris Brown.

Refreshments of cake, ice cream, coffee and cokes were served. Gifts to Mrs. Lee included candy, a robe, a planter and money.

Hawks Receive Grid Jackets

Annual Football Banquet sponsored by the Quarterback club was held Monday evening at 7:30 in the school with players of both high school and junior high and their coaches as honored guests.

The banquet hall was beautifully decorated in green and white. Miniature players and goal posts were on the tables. Programs were in the shape of a football.

John Woodall served as master of ceremonies. The invocation was offered by Bill Carter, football coach.

After the players and their parents were introduced, Jeri Goss gave a toast to the boys. A toast to the girls was given by Jackie Brooks.

Coach Bob Howington introduced the guest speaker Byron Searcy of Fort Worth, a former member of the University of Oklahoma football team and All-American. Mr. Searcy stressed in his talk "give of your best."

Co-captains Jim Gard and Bobby Glibreath presented gifts of appreciation to the three coaches: Carter, Howington and Orland Fitzsimmons.

Terry May and Gordon Parkey of the junior high squad presented Fitzsimmons and his assistants: Herman Beaver and Jackie Brooks gifts of appreciation.

Howington presented jackets to high school players, and Fitzsimmons presented letters to the junior high players.

Football Queen Carley Mundt and the cheerleaders were given special recognition.

The evening program, attended by about 225, was closed with the school song.

Adults to Study Your Civil Defense

First adult civil defense course will be offered Monday and Tuesday, Nov. 28 and 29, and Thursday and Monday, Dec. 1 and 5 in Room A of the local high school with Bill Carter as instructor.

Iowa Park is among the first schools in the state offering this 12 hour course in disaster survival for adults.

The class will have at least 15 and no more than 25 enrolled. It is offered on the first-come or enrolled basis.

Anyone interested in this vital course should phone Keith Swim at 592-4811 and enroll. The civil defense course is free and much good material will be available for home study.

The course will be offered again at a later date, so if one parent wants to study this time, the other parent can attend the next four-day course.

All adults are invited to come to Room A at 7:00 p.m. Monday, Nov. 28.

United Fund

The United Fund is indeed OUR United Fund, since the money collected will stay here for the use of our own population except a few dollars which will be sent to Red Cross in Wichita Falls. But as I have found, this amount does not cover the actual amount received by people of our town from Red Cross.

Goal this year is \$4000, which is less than before because we are getting a late start on the drive. This will amount to about \$1 per person. Is this so much to ask, for as much good as the United Fund will do?

It entertains our young people; assists the local welfare fund; assists the Camp Fire girls, the Boy Scouts, Little League baseball, Little League football, the girls softball and tennis teams; and the American Red Cross. We are aware that the Jaycees work on this program, but they get the blood donors, then the blood must be typed, processed and stored.

O. N. Newman is chairman of this drive and members of the United Fund campaign ask that the whole town co-operate to make it a big success.

Anyone who is missed by the marching mothers should phone 592-5441.

Mothers to Ask for MD Money

Tuesday night, Nov. 22 from 7:00 till 9:00, mothers will march in a fund raising drive for Muscular Dystrophy, a chronic disease of the muscles.

MD has been found in every part of the world, and it can occur at any age.

Cause of muscular dystrophy is unknown and there is nothing yet known which can stop progress of this disease. Money is needed to pay for research into the cause and prevention of MD.

One-fourth of all funds collected will be used in this area, the remainder goes to the national organization which is financing the research.

This drive is spearheaded by the Iowa Park Fire department. The mothers will pick up their kits for marching at the Chamber of Commerce office.

Anyone who is missed by the marching mothers should phone 592-5441.

IT TAKES TWO—the CHAMBER OF COMMERCE AND YOU!

The C of C is the only organization which devotes full time to the development of all the needs of your community. The church specializes in the religious and spiritual needs; the school tries to educate the young folk. The C of C is concerned with programs which build the town as a "whole."

CHRISTMAS PLANS
Under leadership of Mrs. W. A. George, co-chairman with F. M. Wilson, better business committee chairman, plans for Christmas are underway, maybe snowy. Santa Claus, come rain or sleet or snow, will make his annual stop in Iowa Park—that is, if all the kiddoes have been real good—Thursday, Dec. 15 at 2:30.

We got an icicle wireless saying that this year his party will include only pre-school children and children through the third grade. And Santa also intimated that this year he and Mrs. Claus have tried to bring all the little ones something entirely different—So-O-o—Boys and Girls, Wee Ones and through the third grade—be sure and save that Thursday, Dec. 15 date, 2:30 to 3:30 for Good Saint Nick.

FARM FOLK TO BE HONORED
Elvy Sargent reports the following Outstanding Farm Folk in the local school district have been selected to be honored at the annual All-Town Banquet, Dec. 1:

Mr. and Mrs. H. B. Klinkerman have been chosen Outstanding Family of 1960.

Jimmie Farr has been chosen Outstanding 4-H Boy of this year.

Cecilia Childers has been named Outstanding 4-H Girl.

Carley Mundt has been chosen Outstanding FHA Girl.

Lawrence Joe Shook will be honored as Outstanding FFA Boy.

HONOR SOCIETY
Students who will be selected as members of the National Honor Society will be honored guests of State National Bank at the annual All-Town Banquet.

Traffic Mishaps

The Highway Patrol investigated 17 rural accidents in Wichita county during October, according to Sgt. F. E. Webster, supervisor of this area. These wrecks accounted for 11 persons injured and property damage of \$6,098.

This brings the total for the year in this county to five persons killed, 94 injured, and property damage of \$76,801.

"In 1959, 8,200 pedestrians were killed on the streets and roads of America," Webster said. "That figure represents about 25 per cent of all traffic fatalities in this nation in a year's time. If we could eliminate this one category from our death toll, it would contribute heavily toward a general reduction in traffic fatalities.

"True, a pedestrian doesn't have much of a chance against two tons of steel, but if the driver and walker both would use good defensive measures and commonsense this type of casualty could be averted."

Comment from the Capital —

TOMORROW THE COUNTRY

by Vant Neff

Today, when union officials bargain with an employer, they frequently bargain for much more than higher wages, shorter hours and better working conditions. Their aims extend far beyond these original objectives. They're bargaining for power . . . lots of it . . . and here are some of the methods they are using to get it.

Take, for example, the demands the unions are making of the government. By having more to say about the payment of taxes and government expenditures they hope to gain a voice in the government's monetary policies. They feel they should direct the country's economy and are seeking more deficit spending and more social welfare benefits paid for out of taxes. Furthermore, they would like government aid in reducing hours of work, thus causing wage costs to rise. Many union leaders are striving for a return to the days of the New Deal Wagner Act.

What would it mean if even part of these objectives were realized? It would mean that business costs would rise, that interference in management of business would increase, efficiency would be cut down, the economy would become less free, and the entire nation would move swiftly towards a centralized all powerful government.

Take, for example, the role the unions are playing in today's elections. Never before have they been in a position to wield so much power. Because never before have they had so much money in their tills, and so many people under their control. In some instances, labor's political machine is truly formidable. In the Congressional elections two years ago, unions spent \$1,828,000, or \$126,000 more than the Democratic Party spent. The millions spent for political "education", for which no public accounting is necessary, and for state and local candidates, is not included. You can be sure their expenditures will be even higher this year. As for the number of people at the union's beck and call, just look at the 10,000 "volunteers" being mobilized by organized labor in New York City alone to spur registration for the Presidential election. Although

this is supposed to be done on a non-partisan basis, you can be sure that the union bosses will direct all their influence towards favoring the man of their choice.

What does this mean? It means that any candidate who owes his office to the unions is no longer a free agent, and is therefore unable to work for the best interests of the American people as a whole. Undue influence by any pressure group, no matter what or who they represent, can turn an honest-thinking official into a powerless pawn who merely carries out his master's bidding.

For further proof of the union's far-reaching power, let us examine their excursions into the world of high finance. Just recently, it was revealed that the United Mine Workers, in a sworn statement now on file in the U. S. District Court of

Knoxville, Tenn., made multi-million-dollar loans to various individuals and business firms. Cleveland industrialist, Cyrus Eaton (the man who ran to Khrushchev's side to console him when the recent Summit Meeting failed, and has since become so friendly with Khrushchev that he exchanges gifts with him and throws parties in his honor), received nearly \$20,000,000 in loans. Barnum L. Colton, President of the National Bank of Washington, was also high on the list with a \$14,428,241 loan. The purpose of the loans to Eaton, Colton and others was "for investment and to enhance employment opportunities" of UMW members, the union said. The UMW is not alone in these financial hi-jinks. The International Brotherhood of Teamsters, for example, is backing up a Florida Resort Project

in St. Petersburg with a tidy \$4,000,000 loan. The resort, known as the Honeymoon-Caladesi Island development, has as its secretary Leonard L. Bursten, Miami lawyer and confidant of James R. Hoffa.

What more proof is necessary to demonstrate the tremendous financial resources available to the unions, who, by the way, do not pay any taxes on the money they collect. And, once the unions start controlling businesses, who will tell them how they are to treat their employees?

What's the answer to all this? Surely there is a place for unions in our society. And surely every worker is entitled to a living wage. But if unions are to continue to grow and extend their powers far beyond improving the lot of the worker, they must be reevaluated and subjected to an entirely new set of laws. Today's unions want all the privileges of big business but none of the responsibilities.

The recent Long Island Railroad strike is a good example of this. The union is demanding \$10 million in damages as a result of this strike. Although they don't say it, the union hopes that by waging this suit they can strip the railroads, and other industries as well, of their mutual-assistance strike insurance, thus leaving business helpless in case of a strike. Labor leaders fail to mention that they themselves provide a "cushion" of mutual aid for locals in strike-distress. In the steel strike last year, for example, other unions raised \$5 million to help the steelworkers. Certainly if the unions are allowed to protect themselves, business should be accorded the same privilege.

It is up to every one of us, as loyal Americans, to keep a close watch and see that the unions' excessive power is not allowed to grow unchecked. Proper legislation is needed for this job. And it is up to us to urge our Congressman to pass such legislation. For, once we let the unions get out of control, they will soon be ruling, instead of helping, the workers of America . . . and then, tomorrow, the country.

Fifteen students from Midwestern university recently observed go to Dallas, Sunday to meet their daughter Mrs. Doyle Tate and children Charla and Steve of Norfolk, Va.

Christmas Seals

Rollins Woodall has been selected local chairman of the annual Christmas Seals sale by officers of the Wichita County Tuberculosis Society. Woodall is a leader in community, church and civic projects.

Slogan for the drive is "Protect Your Health — Use Christmas Seals."

When you buy and use Christmas Seals you help pay for TB research; the finding and rehabilitation of TB cases; and for health education. That's why we all should use Christmas Seals on every card and package.

Sunday, Dec. 11 will be Christmas Seals Day and Rollins is asking all churches to emphasize it in their bulletins.

Bangles will be sold to school children and TB Bonds will be sold to business firms.

Mr. and Mrs. H. W. Todd and son James were in Sunray last weekend visiting Mr. and Mrs. G. A. Tatom, Ricky and Julie.

Members of Epsilon Eta chapter and their husbands met Nov. 15 in the Christian church for their annual Thanksgiving dinner. We were happy to have our new members and their husbands present—Messrs. and Mmes. Glen Spruiell, Walter Spruiell, David Dodge, C. O. Dodd and Sargent. Games of bingo and forty-two were enjoyed. Nov. 13 found seven members of the chapter attending District VI meeting in Bridgeport. They were June McCarthy, Louise Berry, Billie McCullough, Maurine Overbey, Bernice Compton, Joan Sargent and Bobbie Shaw.

District yearbook was presented to each of the chapter presidents by the district co-ordinator and presidents Cara Cawthon and Doratha Murphy.

Nominations for election to office were received and presented to the membership for election next March. Two Iowa Park names were placed on the ballot: Billie McCullough for treasurer and Bobbie Shaw for vice-president.

Eighty-seven members were present, of which 23 were attending a district meeting for the first time. Epsilon Eta was happy to have a new member Joan Sargent in attendance and hope the others will attend the next, district meeting in March 1961 at Burkburnett.

Music Study

Modern Music Study club of Iowa Park met Nov. 10 in the home of Mrs. Oscar Lochridge. Miss Mary Butcher was leader of the study "The Gershwin Years from 1930 until 1937."

George Gershwin was one of the first to use jazz themes within classical forms. Today his "Rhapsody in Blue" and his Negro folk opera "Porgy and Bess" are highly regarded both by serious students of music and by those who love catchy melodies and engaging rhythms.

His musical comedy songs have remained popular for many years. Gershwin's most successful musical comedy was "Of Thee I Sing," a pleasant satire on presidential campaigns.

Gershwin died of a brain tumor on July 11, 1937, at the age of 38. Special numbers on the program were presented by Mrs. John Rentschler who played "Preludes" by Gershwin as a piano solo; an organ duo "Bidin' My Time" by Mmes. Henry Jones and Oscar E. Lochridge. Mrs. James Sewell furnished excerpts from "Rhapsody in Blue."

Rev. Addison Cutter, special guest, entertained with vocal solos. Hymn of the Month—"Praise Ye the Lord, the Almighty"—was presented by Mrs. Gayl Park.

President Rentschler led the business session. Mrs. James E. Elms gave the report of the meeting of the First District she and Mrs. Rentschler attended in Fort Worth.

Hostesses for this meeting besides Mrs. Lochridge were Mmes. Joe Flanagan and Arch Hughes. Refreshments were served to the above mentioned plus Mmes. Bill Curry, Addison Cutter, Otis Gay, Bill Hall, Wayne House, Claude C. McDonald, M. J. McDonald, Esther Thornberry, Floyd Zion, Misses Ethyle Kidwell and Helen Reed.

Mr. and Mrs. H. McKee and family left here last week for Paris, France, where Mr. McKee

will work with the US civil service. Their son James has played in the IPHS band the past three years.

Mr. and Mrs. O. W. Phipps and Carolyn visited recently in Altus, Okla., with her parents Mr. and Mrs. R. H. White.

The Opportunity Frontier
 OF TEXAS

In fact, she's one of the 1,127,650 citizens served by the Texas Electric Service Company in THE OPPORTUNITY FRONTIER OF TEXAS—America's most exciting growth market today.

Here is a land rich in resources. The area's more than \$1-billion annual production of oil and natural gas brings basic prosperity. Cattle ranches, cotton and chemicals, gypsum and grain sorghum, packing and canning, automotive, aircraft and electronics—all contribute to the growth future of THE OPPORTUNITY FRONTIER, much of which is served by Texas Electric Service Company.

But the greatest asset of all is the area-building Texans with their energy and buying power. Within the past 20 years, population in our service area has tripled. And there's room for a lot more. Economic progress has been equally impressive. For example, in the past 12 years retail sales in the area have nearly doubled.

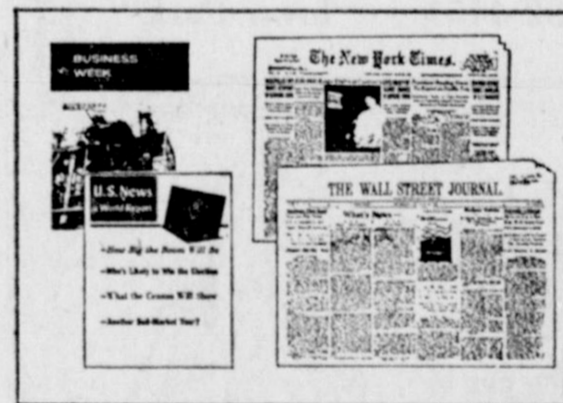

Genial climate, rich soil, mineral wealth—THE OPPORTUNITY FRONTIER OF TEXAS has these natural advantages—plus water, excellent transportation, and a cooperative, friendly Texas attitude toward industry.

If reaching a growing market is in your future plans, consider a site for a new plant, warehouse or branch office in THE OPPORTUNITY FRONTIER OF TEXAS.

Our Area Development Department will gladly supply plant site information to fit your specific needs.

We are doing this because each new business or industry added will benefit us all. It will bring new customers to THE OPPORTUNITY FRONTIER OF TEXAS. It will bring added tax revenues. It will bring new job opportunities.

Camp Fire Leaders will hold the last meeting for 1960 at 7:00 p.m. Monday, Nov. 21 in the Methodist church. It is important that all leaders, assistant leaders, sponsors and interested mothers attend.

The Candy Sale will be discussed fully at this meeting, since the annual sale is to be Nov. 28 thru Dec. 9.

Leaders feel the candy sale helps a Camp Fire girl in many ways in addition to making money for her group and helping improve Camp Letell. The experience aids her to develop self expression and ability to meet the public, keep records and make change, and to develop team work. Poise and self confidence are needed to develop the youngsters.

Refreshments will be served at the leaders meeting.

Noon Lions received instruction on gun safety at their Tuesday meeting, when John Sibley and four FFA boys presented the program.
