Report on Water District

by Fred Widmoyer
Wichita County Water Control and Improvement District No. 3 was organized in 1949 as a result of a Bond Election held in that year "for the purpose of acquiring or constructing a dam, reservoir, pipelines and other works necessary to furnish the inhabitants of the District with fresh water."

First board of directors who organized and laid the groundwork for construction and completion of the project were Messrs. Herman Mitchell, John B. Barbour, C. J. Simpson, O. R. Kelly and Albert L. Reed. Present board is composed of L. C. Hill, Carl Sullivan, H. R. Sullivan, W. A. Scott and Fred B. Widmoyer.

The election authorized issuance of \$350,000 in bonds; however only \$200,000 bearing 3.75 per cent interest were issued and sold. Since beginning of operations to Jan. 1, 1961, Bonds Nos. 1 through 55 have matured and have been paid to the amount of \$55,000 plus interest. In addition, with permission of the bond owners, Bonds Nos. 152 through 200 have been called in for redemption and retirement in the amount of \$49,000, at a large saving in interest to the taxpayers of the District. At this time \$96,000 in bonds are outstanding. Negotiation for retirement of bonds Nos. 144 through 151 is now being made with the bond owners in the amount of \$8,000

plus interest. If successful, this will save approximately \$726 over the period to 1974, date of maturity.

Main sources of revenue for the District are: Sale of water to the City of Iowa Park; and taxation of property within the District limits. The Auditor's Report for the year ended Dec. 31, 1960, gives the following pertinent information:

War Relic in City Park

Iowa Park is among several area towns receiving World War II relics. A self-propelled 105-MM gun carrier has been placed in the City Park and the youngsters are having lots of fun playing on it. When several of these howitzers were declared obsolete and efforts to sell them brought no offers, they were given free of charge to area cities. Through the efforts of former Mayor R. E. Van Horn, Iowa Park was chosen to receive one.

John B. Barbour Trucking company moved the gun carrier from Wichita Falls National Guard armory, free of charge, to the park. This 105-MM was fired the last time in 1938 at Fort Hood. Coincidentally this carrier had belonged to the National Guard unit commanded by Capt. Don James, son of Mr. and Mrs. D. O. James of Iowa Park. He is now with the Wichita Falls Times and Record News as state editor.

It weighs 25 tons and is harmless. National Guard technicians welded engine access doors shut, rendered the breech end of the howitzer tube inoperative, and filled the muzzle with wood block.

4. Installation of water conversion plant to use old City wells south of town. This method is in the experimental stage by the federal government and no estimates of cost of plant or the conversion of salty or alkaline water is available at this time.

WYNNE CHESTER SAYS:

Shooting Preserves Guarantee Good Hunting

Shooting preserves are becoming more popular each year, thank goodness. A shooting preserve, you know, is privately owned land on which game is released to provide sport for hunters. A fee is usually charged.

Shooting preserves are just perfect for sportsmen, or sports-women, who haven't time to spend long and perhaps wasted hours searching for unposted land. And they're ideal for initiating youngsters into the thrilling sport of hunting. The preserves guarantee good hunting, in the form of flying legal game.

This game is every bit as hard to hit as the wild variety. But that doesn't mean it can't be done—even by you and me! Lots of women are bagging pheasant, quail, chukar partridge and mallard at hunting preserves. And what a feast the bag makes!

Shooting preserves offer another big advantage. Many states allow them an extended season, and in some states there's no season limit at all.

For a really different and delightful holiday or vacation, why not take your whole family to a shooting preserve? There's probably one not far away. Be sure to make reservations. Some people object to being called a sinner. Yet, failure to obey every law of God is what has made every person a sinner. Ask yourself: have you ever made a mistake? Do you know of anyone who says he has never failed to live up to the very best standards he knows?

She is recognized as an authority on flower arranging, having taught classes in the five garden clubs in Wichita Falls. She has been instructor for the flower arrangements classes at the YWCA for years and for that part of the annual Family Night program of First Methodist church of Wichita Falls.

Study Club

Mrs. C. E. Wigley and Mrs. R. L. Thompson of Wichita Falls presented the program for a meeting of the 23 Study club last Thursday afternoon. The meeting was in the home of Mrs. T. M. Clark with Mrs. James Sewell as co-hostess.

Using "The Light of the World" for a theme, Mrs. Wigley contributed the devotional talk and Mrs. Thompson illustrated it with a pastel drawing of her interpretation of Holman Hunt's picture of Christ knocking at the door, on black velvet.

Mrs. Wigley emphasized Christ's gifts of light and life to all men and stated that without light, life is impossible. In referring to His calling Andrew and Peter to become fishers of men, she observed these qualities that belong equally to both businesses: patience, perseverance, courage, knowledge and self-forgetfulness.

When Mrs. Thompson completed her drawing, Mrs. Wigley called attention to the robe of Christ, stating that it was symbolic of Prophet, Priest and King with the white robe suggesting the prophetic office; the breastplate, his priesthood; and the crown of gold, his royalty.

Mrs. Sam Hill read several poems for the fine arts portion of the program.

During the social period Mrs. Hill and Mrs. T. M. Thaxton presided at the silver services. Favors were miniature gold colored ceramic pins shaped like musical instruments, the handiwork of Mrs. Clark.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

There seems but little doubt this first session of the new Congress with a new Administration, will be concerned about tax reformation.

In the past few years, most attempts, with a few exceptions, to adjust tax maladjustments have been met with the cry "the Treasury will lose." Thus, it would appear that the demands of the U. S. Treasury have become almost sacrosanct in nature. This is a dangerous point of view.

It will be much more to the point if all proposals to change the taxing regulations were to be considered from this point of view "what will this change do to stimulate the domestic economy of the United States?"

The northern neighbor Canada maintains a common sense attitude toward the welfare of its domestic business life.

For example, Canada recently did these things. They trebled the tax on dividends received by foreign parent corporations from their Canadian subsidiaries, and took the same action on the withholding tax on income earned by foreigners on Canadian stocks and bonds. They also put a special 15% tax on the income of branches of foreign owned corporations doing business in Canada.

Of course, the type of mentality in Canada that matches that which has so long prevailed in the U. S. State Dept. cries that these measures will discourage foreign capital from

coming into Canada. These walls are not cutting much ice with the government.

It has just gone ahead and offered new tax incentives to its own domestic business to encourage it to expand.

Canadian tax laws had provided that small corporations making \$25,000 or less per year, paid 21% tax, with 48% paid on earnings over that level. This, incidentally, corresponds with the U. S. rates of 25% and 52%. However, in order to give the small corporation a better opportunity, the firms can now earn up to \$35,000 per year before paying the higher rate.

In addition, they are permitting firms which develop new products, or new types of goods, to take the first year double depreciation on any capital investment made to produce this new wealth.

Of course, in the meantime, the northern tier of the United States is being flooded with cheap bread, baked in Canada by lower priced help from non-price supported wheat. And in the timber areas, every cutting season Canadians pour into U. S. woods with their equipment bought in Canada, to take home more dollars to Canada.

Canada is also going to strengthen its protective tariff system. Some may claim Canadian government is unsound. Yet two world wars and Korea took a proportionately bigger drain out of Canada than they did out of the U. S.

Yet, Canada has lower taxes on business, and Canadian dollars, when exchanged for U. S. dollars, still bring a premium. It looks very much as if the U. S. government should take lessons from the Canadians on how to be "unsound."

Contest rules are: 1. Entries must have good posture and straight spines; 2. Entries' ages must be 17 through 22 with no marital status; 3. Judging based 50 per cent on full spine x-ray and 50 per cent on posture, poise, beauty and personality; 4. Contestants to wear full length formal gowns.

Farmers Union

National Farmers Union will convene in Washington, March 13 through 16. This promises to be the most significant convention in the 59-year history of NFU.

Orville Freeman, agriculture secretary, and Arthur Goldberg, labor secretary, have accepted speaking invitations. President Kennedy and other officials have tentatively accepted invitations to address the convention.

Convention location was selected a year ago—well before the presidential election. However, NFU officials are now delighted that the meeting will be in the center of all the New Frontier activities. It will be the first time the NFU has met in Washington.

Recently Wichita County Farmers Union officials and their families were guests of the Clay county PU for a pancake supper in Wichita Falls. Opportunities for farmers in our new administration were discussed by Alex Dickie, Texas Farmers Union president.

Attending from Wichita county were Mr. and Mrs. L. J. Lane, Mr. and Mrs. A. B. Stermer, Clark Robinson, Rex and Garland Lehman, Miss Ann Stermer and Miss Lanna Jean Lane.

Jaycees

Members of the Jaycees meeting last Thursday night heard a report by Jesse McCullough on the work being done at the Youth Center. Sheetrock has been hung, taped and bedded; and acoustical ceiling has been put in the auditorium.

Bud McDonald and Dan Spruill reported on our local boxers, who have been doing quite well in recent tournaments. They are training now for Iowa Park's invitational tournament, to be sponsored by the Jaycees on Feb. 22-23 in the high school gym.

Milton Taylor is a new member of the Jaycees. He is employed as jeweler with Kuger's in Wichita Falls.

Jimmy Plinson of Route 2 is in San Diego, Calif., aboard the destroyer USS Uhlman, following a six-month cruise with the 7th Fleet in the western Pacific. During the cruise, Jimmy visited Hawaii, Guam, the Philippines, Hong Kong, Taiwan and Japan.

ABUNDANT LIFE
by ORAL ROBERTS
DON'T LET FEAR GET A HEAD START

A minister was driving along the highway on a cold, rainy night, headed for Colorado. He was alone in the car. Wheeling down the road, he became lost in thought.

"Suddenly," he related later, "I was engulfed in the thickest fog that I have ever seen. It seemed as if my car were literally swallowed up, and as if I were just hanging there in the midst of nothing. I couldn't see a foot ahead of my headlights.

"Fear gripped my heart. I broke out into a cold sweat, and my heart began to pound. My eyes felt instinctively to the gasoline gauge. Almost empty! Fear was getting the best of me. Suddenly I began to panic. I jammed on the brakes and stopped the car right in the middle of the highway. I couldn't see to drive, not even to pull over to the side of the road.

"Fear began to magnify itself. What would I do? Each new fear seemed to bring an onrush of other fears.

"Then the presence of God manifested Himself. Immediately a Scripture came to my mind: 'Fear not, for I am with thee.' Then I recalled the Psalmist's words, 'I will lift up mine eyes unto the hills from whence cometh my help.' And as I glanced up instinctively, I caught a glimpse of the moon, hanging low over the distant mountains. The fog lifted as suddenly as it had overwhelmed me!

"I started the car. And just over the next hill I found a service station. I encountered no more fog that night!"

In his moment of difficulty the minister said that he began to do just what he had urged his own church members never to do. He let fear get a head start.

"That was a good lesson for me," he said. "I knew I had to begin practicing what I had preached. I believe God threw that fog at me to test my faith, to show me how important it is to trust in Him first!"

Friend, the thing for you to do is to nip fear in the bud before it gets a chance to bloom. Stop fear before it gets a head start on you. If you let fear get ahead, then you're sunk because fear will multiply upon fear, to the point that you will actually panic.

Don't let fear get a head start on you! Trust in God to see you through any difficulty, no matter what it is. He can help. But you must give Him the chance to help.

Clara News

by Mrs. Jack Hodgkins
Monthly meeting of the Clara Lutheran Women's Missionary League began with the convening of the executive board at 1:30. The meeting proper started at 2:00.

Mrs. Arrie Kiesling, president, called the meeting to order. We sang "O God, Thou Faithful God" and "The Lord's Prayer." Acts 9:36-42 and led in prayer.

Mrs. Kiesling welcomed visitors and greeted the members Mrs. Albert Brockreide, secretary, read minutes of the Jan. 12 meeting. Mrs. Raymond Schroeder reported the League is clear of debt.

Due to illness Mrs. Virgil Klinkerman, membership chairman, and Mrs. Don Holtzen, card chairman, were unable to be present to give reports.

Mrs. L. H. Klinkerman read a letter concerning the LWML. Donations for the "Mite Box" were given. There was no shower committee report as a shower would be in conjunction with the meeting.

These committees were changed: Visiting—Mms. L. H. Klinkerman, Mrs. Arnold Kiesling; Shower—Mrs. George Alexander, Mrs. Louis Borlack, Mrs. Albert Brockreide, Miss Lina and Miss Frieda Goetze; Alter—Mrs. Richard Schroeder, Mrs. Walter, Mrs. O. E. Klinkerman gave the mission report.

It was decided that Mrs. Raymond Schroeder and Mrs. C. M. Thompson should find a source to construct the bulletin. The ladies will quilt for anyone who furnishes the materials, at \$1 per spool of quilting thread. They will start Feb. 16. Mrs. Arnold Kiesling, Mrs. Albert Brockreide and Mrs. Jack Hodgkins are to work on the year-book from next year.

Mrs. Walter Siber and Mrs. Arnold Kiesling went to a meeting in

Wichita Falls for the Christian Growth Workshop. Mrs. Siber gave a report on "Do You Find It Easy to Forgive—and Forget?" and backed it with Bible quotations.

Mrs. Albert Brockreide gave a topic report of a "Woman on a Mission," basing it on John 20:21 and John 15:16.

Pastor said a prayer and all joined in the Lord's Prayer and the table prayer.

Refreshments were served by the shower committee—Mmes. Deanna Schroeder, Bill Schroeder, Carol Sue Smith, Della Ramming.

After the LWML all present honored Mrs. Rosa Lee (Graft) Thompson with a wedding shower. Mrs. Ella Graft, mother of the bride, and Mrs. Pat Montgomery, sister-in-law, were honorees.

Ladies Choir practiced in spite of colds and absences. We'd like to see more volunteers. Mrs. Edd Hieberman and Mrs. Jack Hodgkins received gifts from their Sunshine Falls for a 50th wedding anniversary and a birthday respectively. We wish all our members to come to the March 2 meeting and bring a friend.

Mr. Borlack will have the Lord's Prayer for next month's topic. Mrs. Richard Schroeder will be hostess.

Mrs. Wendell Jensen was admitted to Bethania hospital this week for observation.
