**Farmers
Union**
speaks

Under the law signed recently
by President Kennedy, wheat pro-
ducers are to take a 10 per cent
acreage cut, but in return they get
(1) higher price supports than of-
fered in recent years, and (2) pay-
ments for diverting acreage away
from wheat.

Secretary Orville Freeman has
announced supports will be set at
about \$2.00 a bushel, compared
with only \$1.79 this year; and Con-
gress set rates of payment on di-
verted acres at 45 per cent of the
average yield on the acres cut by
compulsion, plus 60 per cent of
the average yield on voluntary ad-
ditional cuts up to another 30 per
cent of wheat acreage.

Material being distributed by the
Farmers Union National Wheat
Referendum Committee points out
the choice is between \$2 wheat if
quotas are voted in, and \$1.18 (50
per cent of parity) if quotas are
turned down.

And to get even the \$1.18 a
bushel a wheat farmer would have
to stay within acreage allotment,
including the 10 per cent cut.

Even if quotas are voted in, the
farmers will sign up for benefits
of the program, much as they did
for the 1961 feed grain program.

If marketing quotas fail to pass
there will be no program—just the
free market price.
Participating in the drive for a
"yes" vote are the National Farm-
ers Union, state Farmers Unions in
wheat areas, and affiliated co-ops
such as the Grain Terminal asso-
ciation in St. Paul.
Other groups urging the yes vote
are the National Association of
Wheat Growers and the Missouri
Farmers association.

Queens Chosen

Last Friday night Linda Baley,
18-year-old Friberg-Cooper farm
girl, was selected Wichita County
Farm Bureau Queen. The contest
was held in Electra junior high
school building with James Sim-
mons and Galen Bull of Vernon
and Jack Thompson of Henrietta
as judges.

Linda, daughter of Mr. and Mrs.
G. O. Baley, was chosen from four
candidates. Runnerup was Suzette
McLean of Burkburnett. Others
were Janette Reis and Billie Pay-
ton, both of Electra.

Judges used poise, personality
and beauty for scoring the con-
testants as they answered questions
of C. F. McSpadden, master of
ceremonies.

In the Junior beauty contest,
Judy Scherff of Wichita Falls re-
ceived the crown. Other contest-
ants were Dorrie and Dianne Gard,
twins of Mrs. Ruth Gard of Iowa
Park; Cindy Eckelkamp, daugh-
ter of Mr. and Mrs. Elmer Eckel-
kamp of Electra; Luette, daugh-
ter of Mr. and Mrs. Carl Moeller
of Electra; Chris and Sherry,
daughters of Mr. and Mrs. T. H.
Eckelkamp of Electra.

County President Moeller wel-
comed the crowd of more than 100
and crowned the junior queen.
Judy, daughter of George Streit
of Electra, placed the crown on
Miss Baley.

Mrs. Marlin Terrell sang "The
American Farm Bureau Spirit" ac-
companied by Mrs. Jimmy Jeter,
both of Iowa Park. Her daughter
Judy Terrell entertained with a
twirling demonstration.

Brooks Stars in Greenbelt Game

Jackie Brooks, son of Mr. and
Mrs. Paul Brooks and 1961 gradu-
ate of IPHS, had a good time at
the Greenbelt game Saturday night
and brought glory to Our Town
with his speed and drive on the
gridiron. He made several fine
runs with the ball and plunged
1 one yard for the 3rd touchdown as
the East team shut out the
West 20-0.

Jackie is scheduled to play in
the Oil Bowl game at Midwestern
university this Friday night.

He is pictured above in track
suit. In that sport Brooks helped
carry Iowa Park to high honors
in district, region and state meets.

Dr. Keith Keeter is at Temple,
Okla., assisting Dr. Martin with
his dental practice while waiting
for the fall term of school. He
has accepted an invitation to study
oral surgery at Baylor Dental
School in Dallas. Keith is son of
Mr. and Mrs. S. B. Keeter of Iowa
Park.

Word has reached here that Gro-
ver Miley of Ft. Worth is leaving
Aug. 25 on a good will tour of
Europe by chartered plane. Grover
works for Neuhoff Packing com-
pany and is active in the Church
of Christ. Mr. Miley was raised in
Iowa Park and finished high school
here in 1940. Three sisters—Mrs.
G. F. Richter, Mrs. R. F. Green
and Mrs. Neil Johnson—reside at
Iowa Park.

Leona Finishes New Building

Leona's Beauty Shop will hold
openhouse Tuesday, Aug. 22, in a
new building recently finished at
101 South Colorado, the same lo-
cation Mrs. Stewart has had the
past three years.

Leona Stewart, owner, is assisted
by Dorris Berry, who has been
with Leona's Beauty Shop the past
year.

This new, modern, air-conditioned
shop has the latest of equipment
and Leona and Dorris offer the best
in beauty work.

A gray and pink color scheme is
used in the interior, harmonizing
with the all-black equipment.

There are five air-conditioned
dryers for convenience and com-
fort of clients.

Leona and Dorris offer the best in
permanents, shampoo and sets, and
feature all kinds of bleaches, tints,
hair styling and manucures.

The shop is open Tuesday thru
Saturday from 8:00 a.m. till 5:00
p.m. with later hours by appoint-
ment.

During the week of Aug. 22 to
Aug. 28, drawings will be held each
day for permanents, shampoo and
sets, and haircuts.

Leona invites all the ladies of
this area to come in and see the
new shop and while there make
appointments for beauty care.

Telephone number is 592-5276.

Revival

You are invited to attend the
revival now in progress at the
Church of God, 601 East Cash. The
services begin at 7:30 each even-
ing.

Evangelist is Rev. Dale Rol-
lins, truly a man of God. If you
have never seen God work mir-
acles of healing, be sure and at-
tend the services.

FIRES IN PAIRS

Last week Mr. and Mrs. Bob
Huff were visiting in Iowa Park.
On arriving home at Mountain
Park, Okla., they saw a grassfire
in the park and stopped to help
fight it.

When Bob opened the door at
their home he discovered the place
was ready to burst in flames. The
smoke and fire damage ran only
about \$500, but a delay of five
minutes more would have resulted
in a total loss.

Crickets

Iowa Park merchants have been
waging their own war this week
with crickets. Doors and walls of
the business places have been
black each morning this week with
crickets.

Each one has his own "killer"
to use each day. Dead crickets
have been swept up or scooped up
by the boxloads.

Yet there are thousands of dead
bugs left in the streets.
In fact our business section does
not smell like a rose garden.

Seems like this cricket business
is becoming an annual event—
and nobody like it.

100-Horsepower "Tandem" Tractor Developed

Agricultural research engineers have
found a simple method of converting two
standard tractors into a four-wheel-drive
tractor, producing over 100 horsepower. The
conversion can be made by one man in less
than an hour and a half, as the two pictures
show. All parts needed for the conversion
are shown on the ground in the top picture.
As developed by Ford Motor Company's
Tractor and Implement Division, this "tan-
dem" tractor is capable of pulling seven or
eight bottom plows; for other field work its
two power units can be used independently.
Basic unit needed for this low-cost answer
to infrequent high-horsepower demands is
the Ford 6000 tractor at right. Its exclusive
power-shift transmission can readily be re-
motely controlled; any conventional row-
crop or general-purpose tractor can be
adapted as the rear unit.

DINNER INVITATION

Mr. and Mrs. P. M. Hair, 214 South Wall, are invited to be guests of City Cafe for dinner Friday or Saturday of this week.

Mrs. Lloyd Lowe spent the weekend in Lancaster with her mother Mrs. Tom Goodman and Mr. Goodman.

Mrs. Andy Howell of Inglewood, Calif., is visiting friends here.

Mrs. George Burkett of Altus, Okla., visited here last week with her sister Mr. and Mrs. Buddy Tanner.

Some folk don't like juke box music with their meals. Some do. But nobody could object to the pleasant tones and fine selection of records of the new juke box recently installed at City Cafe.

Lots of folk coming to Iowa Park in search of a home would like to rent furnished houses or apartments. If landlords are figuring on furnishing a small home it would pay them to drop in at Barney Bradford's...

Last week some of our subscribers got Heralds with some furniture printed down-side-up. By now that stuff has probably been sold, but we're sure Ward Bros. of Vernon, Chillicothe and Electrica will welcome you and show many fine bargains.

BRADFORD

In what is undoubtedly the most comprehensive survey ever undertaken of Main Street sentiments on taxation problems, the National Federation of Independent Business has completed and sent to the White House, Congressional Committee's, Treasury Dept. and other governmental agencies a 240 page report.

The district chairmen of the Federation were asked to vote on the ten parts of the President's proposed tax program, and invited to make additional comments.

Approximately 1,000 of the total number of district chairmen replied. Each of them are engaged in independent business or professional practice covering the entire field of commercial activity from manufacturing, wholesaling, retailing and services. The returns from 50 states and the District of Columbia were about in ratio to their populations.

54.9% expressed favor of the proposed tax incentive program which would provide for a different method of depreciation write-offs to encourage business to expand.

Yet only 22.3% were in favor of the proposal to levy a withholding tax against interest and dividends, and only 18.4% favored the repeal of the provision that now permits the first \$50 in income from dividends and interest to be tax free, and the additional credit of 4% on dividend income in excess of \$50.

In volunteered comments, there is expressed considerable and often quite bitter resentment over U. S. policy on foreign matters. 71.9% voted for the proposal to compel U. S. firms with foreign plants to pay U. S. taxes on the undistributed earnings of these plants. And likewise, by a majority of 57.6% the president's proposal that such tax be deferred on U. S. plants operating in so-called "under-developed" countries was voted down.

While 54.2% voted against the president's proposal to change the ruling on capital gains from the sale of depreciable property by having the profit computed on such a sale on the actual original price rather than the depreciated value, 93.4% are in favor of the President's recommendations to tax cooperatives.

Although by some survey was tabulated, Congress had already voted a one year extension of present corporation and excise tax rates, only 39.3% favored such a move.

Of the ten tax proposals, half were favored, the other half not favored.

While the Federation is not committed on these votes, as it requires a vote by the full national membership of the organization, it is quite probable that these district chairmen, closely in touch with the independent business sentiments in all parts of the country, voted in much the same way a full membership ballot would turn out. But one thing seems obvious. There will not be much employment supplying expansion of the nation's vast independent business complex until there are substantial reforms in the crazy-quilt tax laws.

ABUNDANT LIFE

by ORAL ROBERTS

HOW GOD SUPPLIED OUR NEED

The other day I received a letter from an old friend who is now quite wealthy — a very successful businessman. I can really say that "I knew him when!" At one time he was as poor as anybody could be, struggling to make ends meet — a far cry from what he is today.

While reading his letter I couldn't help but recall a certain problem that confronted this man in his earlier life, and how God helped him through his trial and on to new heights in the business world.

As a young man in college, John was struggling to pay his bills. He was lucky to get to college at all since his family was in poor economic circumstances. His superior mind had enabled him to win some scholarships which helped him financially and made it possible for him to spend more time in study. However, he still had trouble paying his living expenses.

Like so many of us, John took a wife before he entered college, strongly believing the old adage, "Two can live as cheaply as one." As life would have it, John's "two" soon became "three," then "four" and finally "five."

John had faith that he would succeed, but he was worried over pressing bills and insufficient income to keep his creditors satisfied.

"One night I began to panic," John told me. "The landlord was hammering me for the rent, and I didn't have it. I didn't know where I was going to get it. All I knew was that it was winter and very cold outside. We couldn't be turned out with three small children. So, in desperation, I fell to my knees and asked God for help. 'God,' I prayed, 'somehow, somewhere, please help me get that rent money. I've just got to have it.'"

"The next morning I got a call from the business manager of the college. He wanted me to come over right away, saying something had 'come up.' I felt sure the landlord had reported my nonpayment! I hurried over to the office, dreading to hear the news.

"To my amazement, the business manager told me that a person, wishing to remain anonymous, wanted to help sponsor a deserving college student.

"He told me that I was deserving," John said. "I was to get \$60 a month, to do with as I thought best."

John said, "I was deeply indebted to the anonymous donor on whose heart God had laid the burden to help a deserving college student. . . . But I knew God sent the rent money. No one can ever convince me that our Heavenly Father does not answer prayer!"

Bridal Shower Tips
Honey-moon rhymes with June, but songwriters may soon be changing their tunes.
August and September are fast becoming as popular as June for weddings.

This is all very convenient for shower and wedding gift shoppers, who can take advantage of the wonderful linen values during the August White Sales.

At these savings, a group of the bride's friends can give her a well-stocked linen closet, or at least the start toward one—depending on the size of the party.

First, go over the following list of contents for the ideal linen closet. Have each guest choose the items she would like to give:

- 8 sheets per bed (4 fitted bottom sheets, 4 flat tops);
- 10 pillowcases;
- 2 winter weight blankets or 1 automatic blanket;
- 2 summer weight blankets;
- 2 blanket covers (printed sheets are perfect);
- 2 bed spreads (although some of the new non-shed printed blankets are pretty enough for bedspreads);
- 12 bath towels, hand towels, wash cloths, guest towels;
- 1 shower curtain; 2 lid and rug sets.

Now the fun begins! Find out the bride's bed-and-bath colors and the size of her bed. Then you're ready to begin building your ensemble of go-togethers.

Choose a print, such as Bridal Rose...and Solo Stripe...and combine with a solid color in her chosen shade. Blankets, sheets and pillowcases all mix-match. Bath accessories in stripes and solid colors also coordinate.

You could shop and shop and never find more colorful, beautiful or welcome gifts than the gay printed sheets and blankets in the stores today.

Mr. and Mrs. J. Stanley Rayburn and son Johnny of Austin will be here this week with her parents Mr. and Mrs. Herbert Hensley. Also with the Hensley this week are his aunt and uncle Mr. and Mrs. H. Burnett and daughter Mrs. Bud Waters and children of Mexico.

Mrs. Frankie Hendrick is spending this week in Blair, Okla., on vacation.

Mr. and Mrs. L. A. Whittenberg have traded their Valley Farm for a home on Seymour Road and will move soon.

Mrs. Edna Lemond spent last week at Snyder (Tex.) with her daughter Mr. and Mrs. Jimmy Kasparek and children.

Mrs. Clota West had surgery Wednesday morning at Wichita General hospital.
